## LETTERS RATES.

Letters posted in Canada addressed to any place within the Province pass, if prepaid, for 5 cents per  $\frac{1}{2}$  oz., but if posted unpaid such letters are charged 7 cents per  $\frac{1}{2}$  oz.

On Letters to Nova Scotia, New Brunswick, and Prince Edward's Island, the rate is 6 cents per  $\frac{1}{2}$  oz., with optional prepayment.

The rate on Letters to the United Kingdom is, by Canadian Packet,

Not exceeding  $\frac{1}{2}$  oz. .... 12½ cents.  
Exceeding " and not exceeding 1 oz. ... 25 "  
" " 1 oz. and not " 2 oz. ... 50 "

and so on, increasing two rates of postage for each additional ounce.

And by Cunard Packet, 17 cents per  $\frac{1}{2}$  oz., &c.

Letters for the United Kingdom must be prepaid, or they will be charged a fine of 6d. sterling on delivery.

Letters for British Colonies and Possessions beyond Sea, and Foreign Countries, via England, must be prepaid.

The rate on letters for the U. States,

(except California and Oregon) 10 cents per  $\frac{1}{2}$  oz.

for California and Oregon ..... 15 "

" to Cuba ..... 20 cents per  $\frac{1}{2}$  oz.

The Postage rate to British Columbia is,

Letters ..... 25 cents per  $\frac{1}{2}$  oz.

Newspapers ..... 2 cents each.

## MAILS FOR CANADA FROM ENGLAND.

Two Ocean Steamers carrying mails for Canada leave Liverpool in each week, viz.: a Canadian Packet on every Thursday, via Derry on Friday, sailing to Quebec in summer and Portland in Winter, by which the Postage rate is 6d. stg. per  $\frac{1}{2}$  oz.; and a Cunard Packet every Saturday, via Cork on Sunday, bringing Mails for Canada, alternately to Boston and New York, by which the Postage rate to Canada is 8d. stg. per  $\frac{1}{2}$  oz.

The British Post Office forwards letters to Canada by the first packet sailing after the letter is posted, unless the letters bear a special direction—"By Canadian Packet" or "By British Packet"—and in that case they are kept over for the Packet designated. "By Canadian Mail" is not a distinctive superscription; for any Mail for Canada is a "Canadian Mail" by whatever Packet forwarded.

## REGISTRATION OF LETTERS.

Persons posting Letters containing value, should be careful to require them to be registered, and to obtain from the Post Master a Certificate of receipt for Registration.

The charge for Registration, in addition to the Postage, is as follows, viz.:

On Letters to any other place in Canada, or British North America ..... 2 cents.

On Letters for the United States ..... 5 "

On Letters for the United Kingdom ..... 12½ "

On Letters for British Colonies or Possessions, sent via England ..... 25 "

On Letters for France and other Foreign Countries, via England, an amount equal to the postage rate.

Both the postage charge and registration fee must in all cases be prepaid.

Registration is not an absolute guarantee against the miscarriage or loss of a Letter; but a Registered Letter can be traced when an Unregistered Letter cannot, and the posting and delivery or non-delivery can be proven. A Registered Letter is thus secured against many of the casualties which, from incorrect address, forgetfulness of the receiver, or other error, may affect an Unregistered Letter.

## MISCELLANEOUS CHARGES.

The charge on Parcels by the Parcel Post, which is limited to places within the Province, is 25 cts. per lb. (with 3 cts. additional if Registered.)

One cent per oz., payable in advance by Postage stamp, is the rate on Printed Circulars (Printed Circulars, if sent in envelopes, whether sealed or unsealed, are liable to letter postage), Prices Current, Hand Bills and other Printed Matter of a like character, and on Books, bound or unbound, when posted at a Canadian Post Office addressed to any place in Canada, British North America generally, or the United States.

The postage upon Printed Circulars and Prices Current addressed to the United Kingdom is 5 cents each, which must be prepaid by postage stamps, or they will be sent to the Dead Letter Office to be returned to the senders.

The charge on Books, &c., by Book Post to England, is 7 cents on packets not exceeding 4 oz. in weight, 12½ cents on  $\frac{1}{2}$  lb. packets, and 12½ cents additional for every additional  $\frac{1}{2}$  lb. These charges must be prepaid. Photographs, provided they are not upon glass or in cases containing glass, may be forwarded to England at the Book rate of postage.

## BOOK POST WITH FRANKS.

For a Packet of Printed matter, or single Newspaper, Book, &c. .... not over 2 oz. 4 cents.  
Do. exceeding 2 oz. and " 4 oz. 8 "  
Do. " 4 oz. and " 8 oz. 17 "  
Do. " 8 oz. and " 1 lb. 34 "  
And so on, increasing 17 cents for each additional  $\frac{1}{2}$  lb.

The Book Post regulations between Canada and England apply to matter between Canada and France.

## NEWSPAPERS AND PERIODICALS.

Newspapers published in Canada may be sent by Post from the office of publication, addressed to any place in Canada, at the following rates, if paid quarterly in advance by either the publisher at the post office where the papers are posted, or by the subscriber at the delivering post office:

For a paper published 6 times a week, 40 cents per quarter.  
" " 3 " " 20 " "  
" " 2 " " 13 " "

When the above rates are not paid in advance by either publisher or subscriber, such Papers are charged one cent each on delivery.

## TRANSIENT NEWSPAPERS.

Transient Newspapers—that is to say, Canadian Newspapers posted otherwise than from the office of publication, and American or British papers posted or re-posted in Canada, must be prepaid 1 cent each, by postage stamp, or they cannot be forwarded—except only British Newspapers distributed to regular subscribers by Canadian Booksellers or News Agents—such papers pass free as they would do if received in the Canadian Packet Mails.

## NEWSPAPERS BY MAIL FROM ENGLAND OR UNITED STATES.

Newspapers received from England by the Canadian Packet Mails are delivered free.

Newspapers from England by the Cunard Packet Mails are charged 3 cents each on delivery. (This is the American transit charge.)

United States Newspapers, brought by mail into Canada, are charged one cent each on delivery.

## PERIODICAL PUBLICATIONS.

The rate on Periodical Publications is, if not exceeding 3 ounces in weight, 1 cent; over 3 ounces, 4 cents.

If prepaid by postage stamps from the office of publication, Periodicals published in Canada, weighing over 3 oz., may pass for 2 cents each.

Periodicals, printed in this Province, other than Newspapers, when specially devoted to the Education of Youth (both religious and general), to Agriculture, to Temperance, or to any branch of science, and addressed directly from the office of publication, to be transmitted to any post office in this Province, are exempt from charge.

Transient Periodicals—including Canadian Periodicals not prepaid the commuted rate from the office of publication—may be sent by the preceding clause, and all other Periodical publications posted in this Province, must be prepaid by Stamp, the full rate, at the time of posting.

Periodicals received in Mails from the United States are charged with the rates named in the 1st clause of this section.

# TO PURCHASERS OF PIANO-FORTES.

SILVER MEDAL! Hamilton, 1860.

1st &amp; 2nd PRIZES! Hamilton, 1860.

## J. THOMAS & CO.

Respectfully to invite public attention to their PIANO-FORTES. Their Instruments are all made with a full *Metallic Frame*, (the invention of Mr. THOMAS, and now in general use throughout the world), and are Manufactured by American and German Workmen, under the superintendence of Mr. T. HEINTZMAN, who received the First Prize at the New York State Agricultural Society, 1857, and has had thirty years' experience in the business, and was Principal of the Mechanical Department of the late Western Company of Buffalo, whose Pianos are well known throughout the Province. They therefore feel confident in saying, their Pianos will be found equal to any manufactured on this continent, and will, on inspection, satisfy the greatest critic that their workmanship, quality of tone, touch, and finish, are such, that taking into consideration their low range of prices, will defy competition.

Amongst the many TESTIMONIALS received for their Pianos, they have much pleasure in calling your attention to the following:—

*From Harper's Monthly.*

"We consider that we are fully warranted in saying that, for all the practical purposes for which such a work is designed, the *New American Cyclopædia* is, beyond all comparison, the best in our language. We are sure that within these sixteen compact octavo volumes there is comprised more valuable information, far more accurately stated, and with much fewer faults of omission or commission, than in the twenty-one bulky quartos of the *Encyclopædia Britannica*."

*From the Boston Traveller.*

"The *New American Cyclopædia* is, indeed, a publication that speaks highly for the enterprise, the skill and the learning of the men who planned it, and who have carried it through to completion in less than six years, in a manner which deserves much praise. The task was a great one, and required in the editors, tact, patience, learning and powers of labor and application that are seldom to be found, being less often seen than what is known as talent."

And their New American Scripts, Round Hand and Italian Scripts, Bordering, &c., are not to be excelled in this or any other country; and this the undersigned make bold to say of their specimens—as they have reached a point originally aimed after—that is, to excel in quality of the article furnished, and in the variety of styles presented for selection—surpassing all similar establishments. The several styles have only to be seen to be appreciated.

Particular attention is called to their German department, wherein is shewn as splendid German Faces and Styles as can be seen in the German Confederation or the United States. # ARE YOU IN AGONY?

A WELL SPRING OF HOPE FOR ALL.

CAN BE FOUND IN

# HOLLOWAY'S PILLS.

BE OF GOOD CHEER! THE SINKING MAY BE SAVED!

BY THE USE OF

# HOLLOWAY'S OINTMENT.

THE history of these great Remedies is the most wonderful medical revelation that the world has ever known. It establishes the all-important fact that **WHATEVER**, and in **WHATSOEVER** SHARP INTERNAL DISEASES exist, the disinfecting, searching and healing properties of the Pills are fully equal to its subjection and cure, and that, with the Ointment, they are

**The great Ambassadors of health to all Mankind.**

This is not a history written by one man, or even derived from the experiences of one nation. It consists of a compilation of testimonials from the sick of every country—an unimpeachable record, the like of which has never been adduced in favour of any discovery or invention since time began.

## THESE MIGHTY HEALERS!

WORLD KNOWN AND WORLD TRIED,

ARE A BOON TO THE SICK.

The want of a sterling medicinal to meet the ills and necessities of the suffering portion of humanity, and one entirely free from mineral and other deleterious particles, was severely felt till this all-powerful medicine was taken into the world: **HOLLOWAY'S INVARIABLE PILLS** have become the **HOUSEHOLD REMEDY** of all nations. Their attribute is to **PREVENT** as well as to **CURE**; they attack the **CAUSE** or **ROOT** of the complaint, and thus, by removing the hidden cause of disease, re-invigorate and restore the drooping energies of the system, assisting nature in her task of **VITAL and FUNCTIONARY REFORMATION**.

### Disorders of the Stomach

Are the source of the deadliest maladies. Their effect is to vitiate all the fluids of the body, and to send a poisoned stream through all the channels of circulation. Now, what is the operation of the Pills? They cleanse the bowels, regulate the liver, bring the relaxed or irritated stomach into a natural condition, and, acting through the secretory organs upon the **MOOD** **ITSELF**, change the state of the system from sickness to health, by exercising a simultaneous and wholesome effect upon all its parts and functions.

### Woman in all her Difficulties

Is invited to test the regulating and restorative powers of this harmless but effective preparation. At the two epochs of life, in which the female system undergoes the most important and critical changes, the Pills will prove a positive safeguard against evil consequences. They are also confidently recommended as a specific in every disorder to which females are exclusively subject.

### Be It Understood,

That the above statements can at all times be verified by the written testimony (extending through a quarter of a century) of tens of thousands of unimpeachable witnesses.

### Bilious Maladies, &c. &c.

In whatever form disease attacks the liver, it is repelled and exterminated by this searching, painless, and irresistible curative. Bilious remittents, bilious purging, and all the ordinary disorders of the organ, indicated by pain on the right side and

80 MAIDEN LANE, NEW YORK.

between the shoulders, yellowness of the whites of the eyes, weakness and debility, &c., are relieved and removed by the remedy, with a celerity which astounds the sufferers and their friends. Let the sick, whom the faculty have abandoned, resort with confidence to this powerful anti-bilious agent, and a restoration to health and activity will be the unvarying result.

### Dyspepsia, Diarrhoea, Weakness, &c., &c., &c.

The terrible bodily and mental anguish which characterizes dyspepsia are at once mitigated by the Pills. Diarrhoea, constipation, head-ache, physical prostration, nervous tremors, hot flushes, spasms affections of the kidneys, hemorrhoids or piles, and, in fact, all internal complaints, from whatever cause arising, give way before the salutary influence of this extraordinary remedy. As a specific for dyspepsia and the disorders connected with it, or growing out of it, the Pills are always to be relied on when every other medicine and mode of treatment has utterly failed.

*Holloway's Pills are the best Remedy known in the world for the following diseases:*

Asthma,	Droopy,	Inward Weakness,
Bowel Complaints,	Dubility,	Liver Complaints,
Coughs,	Fever and Ague,	Lowness of Spirits,
Colds,	Female Complaints,	Piles,
Chest Diseases,	Head Aches,	Stones and Gravel,
Constiveness,	Indigestion,	Secondary Symptoms,
Dyspepsia,	Influenza,	Veneral Affections,
Diarrhoea,	Inflammation,	Worms of all kinds.

**CAUTION!**—None are genuine, unless the words "*Holloway, New York and London*," are discernible as a **Water-mark** in every leaf of the book of directions around each box; the same may be plainly seen by *holding the leaf to the light*. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine, or vending the same, knowing them to be spurious.

Sold at the manufactory of Professor **HOLLOWAY**, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 50 cents, and \$1 each.

There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

**Counterfeits.**—Some vile swindlers have been plying off upon the inhabitants of the Canadas, counterfeits of my universal remedies—**Holloway's Pills and Ointment**. I therefore warn all Druggists, Apothecaries, &c., that I have placed a stamp upon my remedies, and have changed the wrappers, &c., so that none can fall to see the difference between the old style and the new. Therefore dealers will consult their own safety by buying no more old style Pills and Ointment, as I can warrant for their being genuine. To those who have the old style on hand, if they are in unbracket packages, I will exchange them for new style, at my own expense—that is to say, I will pay the freight to my depot and back, if returned to me before the 1st day of November, 1868.
