The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Compliments of Your Druggist,

DR. SLOCUM'S

OXYGENIZED

EMULSION OF PURE COD LIVER OIL

Among the merits which distinguish Dr. Slocum's Oxygenized Emulsion above all other preparations are:—1st. The excellence of its method of preparation! 2nd. Its freedom from disagreeable taste and odor! 3rd. Its fitness for immediate absorption! 4th. The thoroughness in which it retains permanently its good qualities. 5th. And the fact that Dr. Slocum's Oxygenized Emulsion is the only Cod Liver Oil amalgamation in the market in which the oil is not mixed with the Hypophosphites of Lime and Soda, or some other equally injurious foreign substance, and consequently rendered worse than worthless!

A free use of our Oxygenized Emulsion will nourish and strengthen the vital organs, will greatly assist the digestion and increase the appetite, removing chronic bronchitis, asthma, sharp pain in the chest, difficult expectoration, sore throat, coughs, colds and general debility; it will of itself nourish the patient for weeks at a time. It heals all internal ulcerations and tubercles, increasing the strength and nervous power, and will, if persevered with, cure the most hopeless invalid. It is a never-failing remedy in all cases of
