QUESTION.—What Ministers or Probationers for the Ministry have died during the year?

WILLIAM H. FIFE.

The subject of this obituary was born in the State of Michigan, on the 2nd of February, 1849. When he was three weeks old his mother died with consumption.

When he was about one year old the family came to Canada and settled at Thornton, county of Simcoe, Ontario. Here he was brought up. He received a liberal education and became a public school teacher, which profession he followed for a short time. From a child he was kind and affectionate. She, who became his mother, says, "When I look over his life I cannot think of anything but kindness."

He was converted to God, at the age of sixteen, in a protracted meeting held in the village of Thornton, by Rev. Matthew Swann and colleague, pastors of what was known as the Cookstown Circuit. Even before his conversion no one could have pointed out a flaw in his outward life; and after his conversion he developed into something like a model Christian character. Throughout his Christian life, it might be said of him, "Behold, an Israelite indeed in whom is no guile."

Soon after his conversion he felt he was called of God to preach the Gospel. There was at this time a serious defect in his speech. He stammered terribly. When he mentioned to his father that he believed he was called to preach, his father regarded this impediment as standing in the way, and intimated this to him. To which he replied, "If God has called me to preach, He will remove this impediment." It is said the stammering ceased at once. He went out to preach in 1869, under the Chairman of the District. One of the superintendents he had, during the four years of his probation, speaks of him thus: "No better colleague could a man have than he—true to his superintendent, true to his work, faithful in all the relations of life, going in and out among the people as without fault before God and man. If ever there was a pure life, his was one." He was received into full connexion with the Conference and ordained in 1873. He travelled the following Circuits: Rosemont, Bondhead, Drayton, Blenheim, Kingsville, Sandwich, Cayuga, Fenwick, Courtwright, Fairfield and Crediton.

During the year 1873, he was married to Miss Cecilia Wigle, of Kingville, who was to him a true helpmeet in the work of the ministry. She and her two sons now mourn the loss of an affectionate husband, a kind and considerate parent. Physically Bro. Fife was not strong. Consumption had marked him for its prey. For years he manfully battled against weakness and disease, doing efficiently the arduous work of a Methodist minister. Finally, on the Crediton Circuit, under a severe cold his health gave way, and he was compelled to supply his work during the remainder of the year. At the ensuing District Meeting he was forced to seek a superannuated relation, which he did with great reluctance, being moved to tears as he spoke of retiring even for one year from a work that he loved so much. He always hoped to return to the active work; but this was not realized. Sixteen months wore away, and he was taken to his reward.

He had an intense love for the work of the ministry. His sentiment was: "I would rather preach the Gospel on the poorest mission than have the most lucrative position among the business men of the world." At last death came somewhat suddenly, but the servant was ready. Just before he died, realizing that his speech was failing him, and that he was soon to depart, he said to his devoted wife: "Turn to 2 Cor. v. 1 'For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens;' and to Psalm xxiii. 4 'Yea, though I walk through the valley of the shadow of death, I will fear no evil, for Thou art with me; Thy rod and Thy staff, they comfort me;' also, to the last clause of the 6th verse, 'And I will dwell in the house of the Lord forever.'" And he said: "Tell the brethren this is my experience." Thus, on the 22nd of October, 1890, he passed through the valley, borne by the Saviour to the house above.

The funeral took place from his late residence in London West, first to the church where a service was conducted by Rev. Wm. McDonagh, assisted by Revs. J. E. Ford, G. W. Andrews, B. Clement, D. M. Kennedy and Walter Rigby, the Secretary of Conference; thence to Mount Pleasant cemetery, where the body was interred, the burial service being read by Rev. Geo. Boyd, of Queen's Avenue Church, London. Six of his ministerial brethren bore his mortal remains to the tomb, while a number of others attended the funeral, which evinced the fact that he was a brother beloved. A memorial service was held afterwards in the church, conducted by the pastor, Rev. Wm. McDonagh, Chairman of London District. May the blessing of God richly rest on the widow and children, and bring them at last to form an unbroken family in heaven.

RECOMMENDATIONS FROM COMMITTEE ON STATISTICS.

Your Committee have pleasure in expressing approval of the form of schedules, as prepared by General Conference Statistical Committee, but would recommend that they be printed on a larger scale, to afford more space for figures.

As we believe in perfection, we recommend that great care be exercised in the selection of District Secretaries, inasmuch as the Secretary of Conference is not allowed to alter the reports of District Secretaries.

Further, that the Chairmen of Districts strictly enforce the regulation of the General Conference, that full and complete returns be furnished at the May-District Meeting. See "General Conference Journal," 319, 5.

Also we call special attention to paragraph 164 of Discipline, last clause, "The District Meeting shall appoint one minister and one layman to audit all Circuit and District Schedules, and see that the extensions and additions are correct."

THE CONFERENCE TREASURER'S REPORT.

In presenting our first annual report, we are happy to say that the ministerial subscriptions are all paid in full. The following Districts have paid their assessments in full, viz.:—London, Chatham, Windsor, Ridgeway and Strathroy. There is a small deficiency reported by the St. Thomas District. It is so small that we wonder that it was reported at all. There is a considerable deficiency reported by the Aylmer District, and larger ones by the Exeter and Sarnia Districts.

We find that some of the Financial Secretaries have retained all moneys till the meeting of the Conference, not forwarding amounts paid by Circuits, or the ministerial subscriptions paid at the Financial District Meetings. This is contrary to the 395th paragraph of the Discipline. It is an injury to the Fund, and we trust that it will not be repeated.

The following is a full statement of receipts and deficiencies of the various Districts:—

REPORT OF THE COMMITTEE ON THE DEFICIENCIES IN SUPERANNUATION FUND.

On examination of the report of the Conference Treasurer of the Superannuation Fund, we regret to find that such large deficiencies have been reported from the Exeter and Sarnia Districts. The small deficiency of the St. Thomas District has been paid, and arrangements have been made for the cancellation of the amount required to meet the balance of

the Aylmer assessment. The Sarnia deficiency will be somewhat reduced forthwith.

We earnestly call on the Superintendents of Circuits reporting deficiencies to do their utmost to meet in full their assessments at once, and we urge our people to fidelity and effort in behalf of a Fund so necessary for the welfare of the Church, and so carefully arranged by the laymen and ministers of our General Conference. We refer the deficiencies back to their respective Districts, that they may make arrangements for their immediate settlement.

J. R. GUNDY, *Chairman.*

JOSEPH PHILP, *Secretary.*

REPORT OF COMMITTEE OF CONSULTATION Re COLLEGE FEDERATION FUNDS.

Perceiving, as we do, the urgent necessity before us in relation to the Building and Endowment Funds of Victoria College, especially as the commencement of building operations must involve immediate and heavy expenses; therefore

Resolved,—(1) That as the Conference formerly expressed its willingness to accept \$35,000 as an equitable apportionment in prosecuting this great work, we do now reaffirm our previous decision, with the expectation that this amount, accepted by the Conference, will be proportioned to the Districts in time for the ensuing meetings.

(2) That the Chairmen of Districts be requested to bring the matter before the Financial District Meetings, with a view to a general canvass of our Conference, as far as possible, in the month of September.

(3) That we recommend the Secretary of Education to secure such help in canvassing and collecting, by means of a Conference agency, as may be found necessary.

Statistical Report of the Methodist Sunday-schools in the London Conference for the Year ending April 30, 1891.

[illegible]

SUNDAY-SCHOOL REPORT.

In presenting our report on this very important department of our work, it is pleasing to note the signs of progress on almost all the points of inquiry covered by the schedules. There is an increase of 8,946 scholars in the schools, and a large proportion of the literature taken by the schools are our own publications. The new paper, called *Onward*, has had a good beginning, and will no doubt serve a most important end among our young people.

The decrease in the amount raised for missions, we hope, is only apparent, probably arising from an error in the heading of the column in the Circuit schedules. Only a very small proportion of the schools have meetings of teachers for study of the lesson. This creates necessity for the minister giving greater attention to maintain a proper condition of zeal among the teachers. There is still need of calling attention to the study of our catechisms. In many schools this work appears to be totally neglected. Improvement in this respect can best be reached by instructing the teachers as to the importance of this work, until they are in full sympathy with it.

It is also apparent that many schools have not attempted anything in the matter of signing the total abstinence pledge. We must strongly urge that this and all other proper methods be employed to train our young people in the principles and practice of abstinence from all strong drinks and tobacco.

As this is the most successful of all lines of our Church work, we would urge that more persistent efforts be made to secure the best talent of the Church in our Sunday-schools, and that constantly the aim shall be to lead all thus put under our care to a personal enjoyment of salvation.

THOMAS COBB, *Chairman.*

S. BOND, *Secretary.*

REPORT OF EPWORTH LEAGUE COMMITTEE.

Your Committee beg to report gratifying growth in connection with this youthful institution, the Epworth League. The League is now established in forty-one of our churches, and has a membership of 2,195.

We respectfully appeal for united and hearty recognition of the League's claims and benefits. We beg, also, to remind the brethren that the constitution of the Society of Christian Endeavor has been incorporated with that of the Epworth League, and arrangements have been made by which the one society may be affiliated with the other in any place; and we suggest that the interests of the work be linked with those of the Sunday-school in all District conventions.

INTERIM REPORT OF THE UNION CHURCH RELIEF FUND.

In presenting the report of work done since the last General Conference, the Treasurer begs to say that the Committee appointed met soon after the rising of the General Conference, and after careful consideration of each case, decided to carry out the recommendations of the General Conference, and made the appropriations accordingly.

Many members of the Committee expressed great regret that no effort was to be made to raise any sum to reduce the obligations of the Fund, through the meetings to be held in March to celebrate the one-hundredth year of Methodism in Canada.

Your Treasurer also regrets to report that remittances have come in unusually slow, not so much from lack of loyalty to the Fund, as from neglect to take up and forward the collections on time. This necessitates the borrowing of money at high rates, in order to keep faith with claimants.

It is of the greatest importance that the ministers look after the interests of this Fund, promptly take up the collections as required by the Discipline, in October, and forward at once to the Treasurer. There are not probably one hundred Circuits in the whole Dominion where this cannot be done.

The amount paid in to the Treasurer and to the Rev. James Gray (who has acted in his absence) was \$604.54 to the 15th May, 1891.

The foregoing is respectfully and loyally submitted, with the hope that the future may be brighter, and the collections larger.

JOHN N. LAKE, *Treasurer.*

NOTE.—The amount received in addition to the above-stated, is \$1,807.70, making in all, to this time, \$2,412.24.

REPORT OF MEMORIAL COMMITTEE.

Your Committee, having considered the communications referred to them, beg to present the following report :—

1. On the memorial from the Chatham District, *re* the registration of Indian marriages on Walpole Island, your Committee would suggest that the Chairman of the Chatham District be requested to inquire into the matter, and, if provision has not been made, to call the attention of the Indian Department to the necessity for such provision.

2. Respecting the matter of Louisville Circuit, seeking a refund of moneys said to have been paid toward the erection of the late C. M. and M. E. parsonages in Thamesville, your Committee would recommend that the Chairman of the Chatham and the Chairman of the Ridgetown Districts be directed to appoint an arbitrator each, these to select a third, in order to effect a settlement in the case.

JOHN REYNOLDS, *Chairman.*
JOHN HOLMES, *Secretary.*

3. That the request of the trustees of the Bethel Church, Grand Bend Circuit, to sell the property, and proceeds be applied to the parsonage debt of said Circuit, be granted.

4. That permission be granted to the trustees of the parsonage property, Malahide Circuit, to exchange a portion of land on the south side of the parsonage lot for an equal portion on the west side.

9. That the request of the trustees of the Methodist Church, McKay's Corners, Harwich Circuit, to sell the church property, proceeds to be

given to Mr. Peter Best and Mr. John Osterhout, who had suffered financially through difficulties at Northwood in connection with their church, be granted.

10. That permission be granted the trustees of the Petrolea parsonage to sell the old parsonage property, proceeds to be applied to the purchase of a new parsonage.

COMMITTEE ON THE STATE OF THE WORK.

It is with profound gratitude to God that your Committee report progress in almost every department of our Church work.

An increase in our membership, Connexional Funds and Sabbath-school attendance makes the difference between the report of this year and that of the last, while the Epworth League promises to be rich in blessing, serving and conserving the best interests of our young people.

Recognizing that the prosperity of our Church in the future depends, more than ever in the past, on the proper teaching and training of the children connected with our congregations, your Committee would suggest the advisability of preaching special sermons to the children, or, at least, devoting one section of the regular discourse to their special benefit.

We wish further to emphasize the opinion expressed by the last annual Conference, viz., the importance of the fact that every Methodist minister is expected to be, not only a preacher and pastor, but also an evangelist; and would urge the people of our Church to regard them as such, and consequently rally around them in revival efforts with all the enthusiasm usually given to the special evangelists. This is especially necessary in the rural sections of our work, where so few evangelists can be secured to labor.

Encouraged by the achievements of the past and hopeful as to the future, we rejoice that the words of the one hundred years ago are still appropriate, "The best of all is, 'God is with us.'"

S. BOND, *Chairman*.

H. W. LOCKE, *Secretary*.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

Recognizing our obligation to obey God's law, and the close connection between the proper observance of the Sabbath and the moral growth, both of the individual and the community, we urge our people to labor to the full extent of their ability to preserve the sanctity of the Sabbath as a day of rest to man and beast.

While we would not make it a day of sadness, we nevertheless think its hours should not be devoted to pleasure seeking, social visiting and conversation on worldly topics.

As the sanctity of the Sabbath is openly disregarded, in spite of the protests of the Churches, by some of our railways, thus depriving many of their employees of their divinely appointed day of rest, we recommend this Conference to memorialize both the Provincial and the Dominion Legislatures to enact more stringent laws for its protection.

In the meantime, we advise our people to make the best possible use of the laws now in our statute books, to prevent the desecration of God's holy day.

We also recommend all our ministers to refer more frequently than ever to this subject in their sermons, and also in their pastoral visitations, so that the sentiment of our people may be elevated to a higher plane, yet ever remembering our Lord's words, "The Sabbath was made for man, and not man for the Sabbath."

J. H. CHANT, *Secretary*.

REPORT OF COMMITTEE *Re* SUSTENTATION FUND.

Your Committee on Sustentation Fund, having observed that, for the years 1889 and 1890, sixty-seven, or more than half the married ministers stationed within the bounds of the London Conference, received salaries of \$600 and less, forty-seven of them receiving \$550 and less, and thirty-two of these receiving \$500 and under—knowing this to be a fair representation of the case, as it occurs from year to year—would recommend:—

- (1) That a Sustentation Fund be immediately created.
- (2) That collections and subscriptions be taken annually in behalf of this Fund on all our Circuits and appointments, in the place of the March Contingent Fund collection, which shall be discontinued.
- (3) That the Financial District Meetings shall arrange for the appointment of deputations, so as to present the claims of this Fund most effectively to the people on our Circuits.
- (4) That wherever the Financial District Meetings deem it in the interest of the Fund, a deputation be appointed to endeavor to get the subscriptions to ministerial support placed upon a more liberal and permanent basis on these weaker Circuits.
- (5) That a Standing Committee be appointed by the Conference, on the nomination of the Nominating Committee, to distribute the Fund for the present year according to the necessities of the Circuit.
- (6) And that this Standing Committee recommend to the next Annual Conference a basis of distribution of the Fund, together with any modifications of this scheme that, with their extended knowledge and experience on this subject, they may deem wise, toward placing the Fund upon a more satisfactory and permanent basis.

GEORGE JACKSON, *Chairman*.

REPORT OF COMMITTEE ON TEMPERANCE.

Your Committee hail with delight the intelligence that the movement to petition the Parliament of Canada in behalf of Prohibition has been so successful, it being reported that more than nine hundred thousand persons have signed the petitions which have already been presented to the Parliament.

1. Your Committee beg to submit to this Conference for its adoption the following resolutions: Whereas the various denominations of the Church of Christ in our land are engaged in a united effort petitioning Parliament for the passage of a prohibitory law, therefore be it

Resolved,—That this London Conference of the Methodist Church assembled and in session at Windsor, composed equally of laymen and ministers, and representing one hundred thousand members and adherents in the counties of Essex, Kent, Elgin, Lambton and Middlesex, would respectfully urge the members of Parliament representing the ridings in the above-named counties, that they give their faithful and hearty support, both by speech and vote, to the prohibition resolution introduced in the House this session by Mr. Jamieson; and we direct that a copy of this resolution be sent to each of them and one to the Temperance Committee in Parliament.

2. Your Committee urge the ministers of our Church to keep the Temperance and Prohibition movement constantly before our people, and that the officary of our Sunday-schools be requested to teach regularly the quarterly temperance lesson, and that the children's pledge, as found in the Discipline, be introduced, and the children urged to sign it.

Your Committee further recommend the Conference to advise the holding of Temperance Conventions in each District at such time as may be deemed most convenient by the Chairman of the District; and we urge our people and ministers to observe the disciplinary regulation page 17, paragraph 40; "In the public administration of the Lord's Supper, non-alcoholic wines shall be used wherever possible."

3. Your Committee request the ministers of our Church to hold Gospel Temperance Meetings in their several charges, seeking the reformation of the drunkard and the persuasion of the moderate drinker to total abstinence; and to follow these meetings up by all possible effort to secure a reduction of the licensed places in their localities, either through the Municipal Councils or the License Commissioners.

4. We recommend that this Conference contribute the sum of \$50, as its share of the expenses incurred in printing, furnishing and circulating the forms of the petition, the total of which amounted to over \$500; and that this amount be raised by an assessment of at least fifty cents for each Circuit, and that the surplus, if any, be placed to the credit of the General Temperance Fund; and that the Rev. Geo. Boyd be the Treasurer of the same, to whom all contributions may be sent.

5. In conclusion, we recommend that a Standing Committee on Temperance be appointed, composed of Revs. W. H. Shaw, William Godwin, and W. H. Cooper, also the following laymen: J. W. Smith and E. R. Scratch, who shall report to the Temperance Committee of 1892.

JASPER WILSON, M.A., *Chairman*.

W. H. COOPER, *Secretary*.

N.B.—Subsequently, on motion of Rev. A. C. Courtice, seconded by Rev. Jasper Wilson, the names of Rev. George Boyd and Mr. W. H. Winnett were added by the Conference to the Standing Committee on Temperance.

REPORTS OF COLLEGES.

VICTORIA COLLEGE UNIVERSITY.

Rev. Dr. Burwash, Chancellor, addressed the Conference on the work and success, progress and prospects of the University.

It was then moved by Rev. J. R. Gundy, seconded by Rev. John Learoyd, and

Resolved,—That we have heard with very great satisfaction from Dr. Burwash, Chancellor of Victoria University, the very favorable reports of the operations of the University during the past year. We recognize the exceptional circumstances which would naturally militate against the prosperity of the University, notwithstanding which, the past year has been one of the most successful in the history of the College. We rejoice that the questions which have agitated the Church in regard to College Federation have been happily set at rest, and that we can now look forward to a period of, it is hoped, uninterrupted prosperity. We assure the honored Chancellor of our hearty sympathy and co-operation for the future prosperity of Victoria, in the new departure which lies before her in her new location and relationships.

WESLEYAN THEOLOGICAL COLLEGE, MONTREAL.

Rev. George Douglas, D.D., LL.D., Principal, addressed the Conference concerning the work and prospects of this Institution.

Moved by Rev. J. R. Gundy, and seconded by Rev. G. R. Sanderson, D.D., and

Resolved,—That the cordial and hearty thanks of this Conference be presented to Rev. Geo. Douglas, D.D., LL.D., Principal of the Theological College, Montreal, for his eloquent, earnest and practical ordination sermon on Sunday morning last, and also for the kind, brotherly words addressed to the Conference in its present session.

We beg to assure Dr. Douglas that we will always have the greatest confidence in committing our young men to the guidance and instruction of the faculty of Montreal Theological College.

ALBERT COLLEGE, BELLEVILLE.

To the Members of the London Annual Conference of the Methodist Church:—

DEAR FATHERS AND BRETHREN,—The present College year has been one of great prosperity in connection with Albert College. Over 200 students have been enrolled. This is an increase of twenty per cent. on the attendance of last year, which was, up to that time, the largest in the history of the College. This increase is not in any one special department, but represents every department of the College work.

There are thirty-one candidates in preparation for Junior Matriculation, and nine for Senior Matriculation, making in all forty candidates. This is by far the largest number of matriculants prepared by any College in Canada, and is the largest number ever prepared at Albert.

Twenty-nine persons wrote on the Conference Preliminary Examination held at the College in April last, a majority of whom will remain at the College to prepare for Matriculation. These candidates represent almost every Conference in the Methodist Church, from Montreal in the east to British Columbia in the west.

The College still continues to have more than ordinary success in the Departmental Examinations for Teachers' Certificates. Six candidates wrote at the Junior Leaving Examination in July last, and of this number, five were successful.

The College has a well equipped Laboratory and a splendid Museum, and is in every way able to compete successfully with the very best High Schools and Collegiate Institutes.

The Commercial Department was never more prosperous than it is at present. That the work is thorough and practical in its character, may be seen from the fact that many of the graduates of this department are filling responsible and lucrative positions as accountants. It is hoped that the Methodist people will see the advisability of sending their children where they can secure a thorough and practical business education, and at the same time be surrounded with moral and religious safeguards.

The College affords facilities for thorough instruction in Elocution at a very moderate cost. This department has been for several years in charge of Prof. Shephard, of the Froebisher School of Oratory, New York.

It is a source of great satisfaction to the Professor that the prize in Elocution, awarded by the Literary Society of Victoria, has been won for three successive years by ex-pupils of Albert.

The departments of Music and Fine Arts are thoroughly efficient, and have shared in the increase in attendance. The number of lady boarders is considerably in advance of last year, in fact, every room in the College has been occupied. This is owing in some degree to the presence of a Lady Principal of rare culture and of marked ability.

So far as attendance and the general success of the work are concerned, the past year leaves little to be desired. The great need is money. The canvass for subscriptions towards payment of the debt on the College has been prosecuted with some good degree of success. About half of the amount has been realized in subscriptions. The Board of Management would gratefully acknowledge the liberality shown by both ministers and laymen in their subscriptions towards payment of this debt. There is now an imperative need for enlarged accommodation. During this year fully thirty young men have been compelled to secure board in private homes, because of lack of room in the College building. It is feared that unless this want is met, the progress of the College will be retarded, and possibly its future success imperilled. However, the experience of the past year gives full assurance that in due time, by the liberality of the people, this want will be supplied.

The College building was never so comfortable as at present. Many of the rooms have been refurnished, and the steam-heating apparatus makes it possible to keep them at a uniform temperature of 65° to 70° on the coldest day of the year.

The health record has been good. Some of the students have been afflicted with one or more of the numerous ailments following in the trail of la grippe, but none have suffered any serious illness. Possibly

no College in Ontario is better located, from a sanitary point of view, than Albert College.

The Missionary Societies, as also the Young Men's Christian Association and Young Women's Christian Association, have been actively engaged in religious work. It is the great fortune of the College to have a noble band of Christian young men and young women whose influence for good permeates the entire life of the school. So far as the present outlook would indicate, there is a very bright future for the institution.

A great measure of the present success is due to the practical sympathy of the ministers of the Church, in bringing the facilities of the College to the notice of the general public.

It is sincerely hoped the work done in the class-room of Albert may continue to be of such a character that both ministers and laymen of the Methodist Church may, with every assurance, send their sons and daughters to this institution.

W. P. DYER, *Principal*.

ALMA LADIES' COLLEGE, ST. THOMAS.

To the Members of the London Conference of the Methodist Church:—

DEAR FATHERS AND BROTHERS,—Through the continued favor of a kind Providence we are permitted to report to you another year of successful work in Alma College.

The enrolment of students for the year has reached 181, of whom 141 have been resident pupils, and the remaining forty, day students. These have been enrolled as to departments as follows:—Preparatory, 28; Academic, 33; Collegiate, 47. The Music School has enrolled for Piano Course, 120; for special Voice Training, 31; for Harmony, 25. The Fine Art school has had a total enrolment of 50 pupils; the School of Elocution, 31; and the Commercial School, 25.

The religious denominations were represented as follows:—Methodists, 94; Presbyterian, 38; Episcopal, 28; Baptist, 16; Evangelical, 2; Disciples, 2; Roman Catholic, 1.

Thirty of the pupils came from the United States.

Alma College has lately been affiliated to Victoria University, and the revised Course of Study and requirements for graduation will hereafter be such that all graduates of Alma College in regular course will have University standing. The effect of which arrangement, we hope, will be that a good percentage of our graduates will enter Victoria University to complete the full Arts Course.

The Music School was never larger or more efficient, having a staff of six teachers and a total attendance of 130 students. The efficiency of this school is attested by the successful work of its graduates in other schools and colleges, and by the endorsement of its course of study and the methods of instruction by leading teachers in Europe and America.

In the Fine Art school, which is affiliated with the Education Department of Ontario, all our graduates are legally qualified teachers in the Collegiate Institutes, Mechanics' Institutes, and Art Schools of the Province.

Our students have received over 500 Departmental Certificates, including several medals and gold medal certificates during the past seven years. This year our pupils wrote upon 125 papers, the returns from which are not yet to hand. Prof. J. R. Seavey, gold medallist in Art, an artist of continental reputation who has enjoyed thorough training in the best European Art centres, has been added to our staff, and will give courses of instruction in a number of branches of Decorative Art.

The Elocution School is rapidly growing and the course of instruction, under an honor graduate of the Boston School of Oratory is thoroughly practical.

In financial receipts, in scholastic work, and in religious interests, this year will rank among the best in our history.

The Board of Management had in contemplation this year an appeal to the entire Church for a sufficient sum to wipe off the debt upon the old building and the balance due on McLachlan Hall, but on consultation with the General Superintendent and the Secretary of Education it was decided in the interests of the Federation movement, to defer the appeal for at least a year, so that no action of theirs might impede the work of securing the needed endowment for Victoria. This decision under the circumstances, will, we feel assured, meet the approval of the Conferences, and the Board of Management hopes to have the hearty Co-operation of all the brethren when it becomes advisable and necessary to undertake the work.

We have to thank this Conference for the excellent appointments made in past years as Associate Members of the Board of Management, and to ask for a similar appointment for the next Conference year.

The representatives of our Board of Management, with your permission, will more fully explain the claims and work of the College to the Conference. All of which is most respectfully submitted.

R. F. AUSTIN, A.M., B.D., *Principal.*

R. I. WARNER, *Secretary.*

Alma College Office, June 3rd, 1891.

Moved by Rev. J. G. Scott, seconded by Rev. W. W. Shepherd, and
Resolved,—That this Conference has heard with much pleasure, in the report of the Board of Management of Alma College, of the continued success of the College in the important work it is undertaking; and that we commend to the liberal consideration of the Church the proposed effort to relieve the College indebtedness, so soon as the Federation canvas has had reasonable opportunity for being completed; and that the said report be printed in the Minutes.

WESLEYAN LADIES' COLLEGE, HAMILTON, ONT.

To the Members of the London Conference:—

DEAR FATHERS AND BRETHREN,—In presenting our Annual Report it is quite unnecessary to trouble you with our finances, as we do not contemplate a raid on your educational treasury, nor even ask permission to canvass your territory to save us from deficits. More than a score of times the cost of equipment of the old Wesleyan has exceeded

its income, but true to the original purpose and promise of its founders, the higher education of the daughters of our Church and country has been provided for without any appeal to either Church or State.

We are happy to be able to assure you that the equipment of the College was never so complete as now. In its halls a young lady can secure instruction in every department of education from teachers experienced and thoroughly competent.

The College, as you may all remember, has university affiliation, its work being taken *pro tanto* by the University. Pupils wishing to proceed to the B.A. may complete their sophomore work with us, and enter the third university year. This was done by Miss Nettie Burkholder, who has just graduated B.A. with honors, in this year's class at Victoria University. Our curriculum is both broad and practical. We emphasize the importance of a thorough English education, and have over 300 graduates, exclusive of those in Music and Art.

You will be pleased to know that no lady can graduate from our College without pursuing a course in Biblical study. This includes the field of Biblical introduction, manuscripts, versions, various readings, discrepancies, chronology, authorship, canonicity, etc. The Bible has not yet received from our colleges and universities a place as prominent as its importance would demand. We believe that the Book itself furnishes the best possible reply to the varied attacks that have been made upon it and upon Christianity. Hence we make the Book itself the chief text-book, and thus familiarize our pupils with its contents. Christian evidences hold a prominent place also. In all respects, we think we are carrying out the idea of a Christian College.

Pupils in Music receive their instruction on the most advanced principles of the European conservatories. Our Music Director is thoroughly conversant with these. We have his whole time, and he is ably assisted by thoroughly competent instructors.

Prof. Henry Martin has still charge of the Art Department—a born teacher, who never fails to inspire his pupils. His frequent visits to the Art schools of the Old World have given him an experience invaluable to his pupils. He is assisted by Art teachers of experience and skill.

We will enter upon our thirty-first year on the 1st of September next, and we assure our brethren of the London Conference that the Wesleyan Ladies' College, of Hamilton, will labor to merit all the good words heretofore bestowed upon it, and earned by its Faculty in the many years of its brilliant career.

We cordially invite the members of the Conference—both lay and clerical, to visit the institution whenever they can.

A. BURNS, *President of the College.*

W. E. SANFORD,

President of the Board of Directors.

Hamilton, June 6th, 1891.

Moved by Rev. J. G. Scott, seconded by Rev. Dr. Sanderson, and
Resolved,—That we have listened with great satisfaction to the report of the Wesleyan Ladies' College. Its healthy financial condition, thorough equipment, general proficiency, and especially its affiliation with Victoria University, by which larger advantages and higher standing may be obtained by its students, are very gratifying to us. We commend

this institution, so worthy of our confidence, to our people, praying that God may bless the College and the students under its care. And we direct that the report be published in our Minutes.

ONTARIO LADIES' COLLEGE, WHITBY.

Report of Board of Directors to the Conference:—

SIRs,—The Directors of the Ontario Ladies' College, Whitby, take pleasure in presenting their Seventeenth Annual Report. The past year's record has in some respects superseded that of any preceding year in the history of the College. The number of boarders in attendance has been 109, with about thirty day pupils in Music and Fine Art. Day pupils are not admitted to the literary classes. We believe that a liberal education is none the less ornamental for being practical and of commercial utility, and, therefore, have based our Collegiate Course upon the work required for the teachers' certificates. Pupils entering our regular classes can prepare for third-class, second-class, or even first-class certificate. Up to the present year, we have had no pupils in attendance holding second-class certificates that were desirous of taking a higher teacher's certificate. During this year we have formed a class of four such pupils that expect to be examined next month for a first-class non-professional certificate, the highest attainable in any Collegiate Institute. One of these candidates came to us direct from a Public School, never having attended a High School, and in our regular College classes has prepared to pass successfully the third-class, second-class, and we trust shortly the first-class examination. What one has done, others may readily do. Our present Collegiate Course embraces the entire curriculum of a Collegiate Institute, and in addition, the Sophomore year of the University, and some special studies in Philosophy, Elocution and Commercial branches. We expect to continue enlarging and extending our Literary work until it reaches as near as possible the standard of a full University course.

In the departments of Music, Fine Art, Elocution and Commercial branches, we have distinguished specialists who are prepared to give a thorough and an advanced education.

Our facilities for pleasant, healthful exercise in all weather are not equalled, so far as we are aware, in any similar College in this country. We are profoundly grateful for the success that has heretofore attended the College, for the honest and thorough work done in all departments, for the good health of the pupils, and for the religious spirit characterizing them as a whole.

During the year a flourishing Christian Endeavor Society has been added to the numerous list of College societies. We believe that the prime reason for our existence as a College is to provide a Christian home of culture in which may be laid the foundations of a broad and liberal education, and it shall be our endeavor to fulfil our mission, and meet the reasonable expectations of our patrons.

We sincerely thank the members of the Conference for friendly co-operation and support.

GEO. A. COX, *President.*

H. B. TAYLOR, *Secretary.*

Resolved,—That, failing the immediate enactment of Prohibition for the Dominion through the Jamieson resolution now before the House, we favor an early reference of the question of Prohibition to a plebiscite of the people of the Dominion, believing that it would furnish a great opportunity for simultaneous educative work, and be the most effective evidence of the ripeness of the electorate for this long-sought and desirable measure.

THE ANNUAL ADDRESS

OF THE LONDON CONFERENCE OF THE METHODIST
CHURCH TO THE SOCIETIES UNDER ITS CARE.

DEARLY BELOVED BRETHREN,—In previous pastoral addresses we find frequent brief references to a very important theme, to which we invite your sole attention at this time, viz., the theme of family religion. Instead of writing a long epistle, we prefer to indicate a few very important truths for your reflection and practice.

First, what the home is, that, to a very important degree, the Church and State will become. Deut. vi. 4-9: "Hear, O Israel: The Lord our God is one Lord: and thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might. And these words, which I command thee this day, shall be in thine heart: and thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up. And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes. And thou shalt write them upon the posts of thy house, and on thy gates." It was with the plainest purpose that the law was ordered to be written on the posts of the house, and we are not beyond the need of that to day. Mr. Gladstone has said, "That the greatest and deepest of all human controversies is the marriage controversy." There is no doubt that poverty, vice, intemperance and crime on the one hand, and sobriety, purity, industry and piety on the other hand, as they are developed in society, have a very intimate relation to the home life of the community. The family presents to us, in its very nature, the original germ, and therefore determines the permanent issues of society. In all the social readjustments which are sought and demanded at the present time the family must be a prime factor.

Secondly, be careful of your example in the home. Ephesians vi. 4: "And ye, fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord." The training of the home through careful and prayerful example must be a constant corrective to the education of the street, where a full supply of reckless and godless example will be before the rising generation. We would remind you that the street, especially in towns and cities, is a fruitful source of juvenile corruption. In two important particulars our Church especially requests that your example should be pure, viz., in abstention from tobacco and strong drink. (Journal, pp. 334 and 343.)

Thirdly, maintain family government. 1 Tim. iii. 4, 5: "One that ruleth well his own house, having his children in subjection with all gravity; (for if a man know not how to rule his house, how shall he take care of the Church of God?)" This will require much wisdom and

patience, firmness and affection. Remember in this connection that it is the office of the parent to train the child to independence. Ruskin reminds us that in a great and strong state the children try to remain children, and the parents try to lead them to independence; while in a corrupt and weak state the children are trying to be men and women, and the parents are striving to keep them children. In the one case there is harmony of control and obedience; in the other a war of precocity and authority. One of the greatest blessings you can confer upon your children is to train them to self-restraint and self-reliance, humbly remembering that authority of command cannot continue long, while authority of wisdom and love last forever.

Fourthly, make the spiritual welfare of your children an object of unceasing care and prayer. Among the ministries that aid in this direction remember the family altar and Christian literature. In promoting this object, seek above all to win your children to Christ; that is, seek to have Christ so set before your children that He will join them to Himself as intelligent, decided and enthusiastic disciples. Mark x. 13-16: "And they brought young children to Him, that He should touch them: and His disciples rebuked those that brought them. But when Jesus saw it, He was much displeased, and said unto them, Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God. Verily I say unto you, Whosoever shall not receive the kingdom of God as a little child, he shall not enter therein. And He took them up in His arms, put His hands upon them and blessed them." Then lead them to take up the unfinished work of the Church, and to consecrate to its extension, consolidation and evangelical power, their resources of wealth, influence and talent in sanctified personal services.

THE NEW WEBSTER

Just Published - Entirely New.

Not an old edition reprinted in cheap form, nor a hastily revamped book to meet the competition of such reprints, but an essentially new book at an outlay of nearly \$300,000 - the product of ten years of labor by a large editorial staff superintended by President Porter, of Yale College, and called

James

This is a new book from cover to cover, being the authentic edition of WEBSTER'S UNABRIDGED DICTIONARY (comprising the issues of 1864, 1879 and 1894), now thoroughly revised and enlarged.
