A PANORAMIC VIEW OF THE 69TH ANNUAL B.M.E. CONFERENCE

(By Rev. F. O. Stewart, Reporter)

From the opening doxology to the closing benediction, every session of the sixty ninth annual conference of the B.M.E. Church, held in St. Catharines, Ont., from June 23rd to 29th, inclusive, was filled with interest of the very highest degree. Rev. S. R. Drake, General Superintendent for the past sixteen years, called the meeting to order promptly at 8 p.m. In a few preliminary remarks he exhorted the minister's and delegates to be courteous towards each other, and cautious in all of their deliberations. Reminding each one that the community in which we are gathered would be expecting much from this body of men and women, representing the Church of God. After the devotional exercises were over the Rev. E. A. Richardson, pastor of the Owen Sound Church as the speaker for the annual message. While Rev. Richardson is our youngest preacher in point of service, and possibly in years of existence, he proved himself a master in depth of thought, and brought a very strong and inspiring message. At the close of the sermon, the Sacrament of the Lord's Supper was observed, the General Superintendent officiating. Ministers present: Revs. H. F. Logan, T. Woodcock, E. A. Richardson, H. D. Wright, S. A. Lucas, F. O. Stewart, A. R. Plummer, J. T. Dawson, and T. H. Jackson. One candidate for the ministry, Bro. C. A. Johnston; and one ordained elder, Rev. W. C. Perry, were received as probationers. Rev. L. Johnston. Delegates: Mrs. M. Howard, Toronto; Mr. M. Monteur, Windsor; Mr. Sidney Prince, N. Buxton; Mrs. M. Talbert, Harrow; Mr. J. Thomas, Collingwood.

The session opened on Wednesday morning, June 24th with devotional exercises, after which the conference proceeded to organize, appointing the following committees: Orders and Admission, Revs. H. D. Wright, Jas. T. Dawson and F. O. Stewart; Memorial, Revs. H. F. Logan, S. A. Lucas and Mrs. H. Banks; Letters and Petitions, Revs. L. Johnston, T. Woodcock and Mrs. M. J. Scott; Finance, Rev. J. T. Dawson, F. Edmonds and M. Monteur; Postman, T. Woodcock; Reporter to Newspaper, F. O. Stewart.

The afternoon was taken up with the reception of reports from the different churches of the connexion. A feature of this year which was lauded by the presiding officer, was the fact that nearly all the reports were in by noon on the opening day. This proves, said the superintendent, that we are improving each year in our work, and another year will find us doing even better. The report of the statistical secretary shows that there was raised for all purposes, \$15, 753, 50; in view of the fact that the year just closed has been one of considerable depression along industrial lines, each church is deserving of special commendation for the splendid showing made.

The reception on Wednesday, given by the local church to ministers and delegates was a very happy event. His Worship, Mayor J. Smith, in his usual happy way brought greetings and a hearty welcome on behalf of the city. Mr. E. C. Graves, M.P.P. assured the members of the conference of his intense interest at all times in the colored people, as he had always found them honest, law-abiding citizens. Messrs. Geo. Bell and Ivan Dorsey welcomed the conference on behalf of the Sunday School and Brotherhood respectively, of the local church. Rev. J. Pue-Gilchrist of First Church was the representative from the Ministerial Alliance, but could not remain. A well loaded table of delicious things received the guests at the close of the program.

Thursday morning the session opened at 9.30 a.m. Mrs. M. J. Scott, our conference missionary made her report which showed that she is still a very valuable and worthy asset to the B.M.E. Church Conference. Mrs. H. Banks, missionary number two also reported, showing considerable work accomplished during the year. A vote of appreciation for service rendered was given these women by the conference.

Rev. R. R. Ball, D.D., of Rochester, N.Y. visited the afternoon session and in a reminiscent mood reviewed his boyhood days in St. Catharines. Dr. Ball stated in his opening remarks that he was under a spell of emotion as he stood upon the platform and let

Gold Mine Labor Good

Johannesburg—Noting marked progress in the gold-mining industry of the Transvaal, and advocating a nine months' contract for the native mine labor supply, Sir E. A. Waller, K. B.E., President of the Transvaal Chamber of Mines, in making his recent annual address, paid tribute to the British South African natives employed in the gold mines, whose improved efficiency has been more than ordinary. The President's address also showed that the health of the mine natives has improved steadily, the death rate for last year being 9.99 as against 11.47 for the previous year. Sir Waller's estimate of the gold miners is regarded as one of the reasons why the Prince of Wales is now visiting the gold fields, now being at Komantipoort on the Transvaal border.

ANNOUNCEMENT

We wish to inform all those who gave their names to Rev. Logan for one of the Conference pictures, that the proof showed them to be O.K. and will be completed according to orders sent in to 8 Water Street, St. Catharines, Ont. For information, write to Rev. H. F. Logan, this address. N.B.—Do not delay, send in your name at your earliest possible convenience.

NEGROES PROFIT FROM FLORIDA REAL ESTATE

Jacksonville, Fla.—Negroes are profiting from the great real estate boom which is sweeping the State and making millionaires over night. Many of our people who bought lands years ago, which was not wanted by the whites have been offered almost unbelievable prices for it. Lands which were low, wet and in undesirable localities and sold to Negroes for little more than nothing are bringing prices which are a fortune to our people. There will be many a Negro made wealthy when the boom is over. The following are concrete examples of what our people are doing. At Miami, a Negro who purchased a small island over thirty years ago at one dollar an acre sold it recently for \$250,000. Another who paid \$250 for a small tract of land way out received \$212,000. The Manhattan beach near Jacksonville, which was purchased two years ago by a group of our business men for \$45,000 sold recently for \$115,000, and had they held it the price would be much more today. Opportunities to acquire wealth through handling real estate by our people are also here. A realty man of this city recently bought a piece of property for \$8,000, putting up an option, and two hours later sold it for \$8,500. These are some of the things that the realty boom is doing for our people in Florida.

N. Y. Medical Men Break the Barrier

New York, July 1.—The colored citizens of this city are elated over the recent victories they have scored in gaining recognition in the medical work here. After efforts which have extended over a period of five years, colored nurses and doctors were granted the rights of internship in all the city hospitals. Colored doctors who have long been in the outpatient department of Harlem Hospital have also been granted the right to become adjunct visiting physicians on the medical and surgical staff.

Ten colored internes will be appointed for the next January examinations of the Harlem Hospital and five provisional adjunct visiting physicians have already been appointed.

Editorial**CHILDREN AND ENVIRONMENTS.**

Fully 90 per cent of our incorrigible and delinquent children have become so because of their environment and insufficient home training rather than through inherent tendencies to go astray. In nearly every case in which children are brought into the Juvenile Courts, the trouble or its cause, is traceable to the child's parents. A corrupt tree cannot bring forth good fruit. Neither can parents who are careless of their own moral standards be expected to be able to guide their children properly. If we teach our children, through example, to swear, to steal, to be untruthful and dishonest we can expect nothing better or different from our children. Last week we witnessed a father give his son a severe whipping when he had caught the lad smoking. However, as the father administered the whipping he still held his pipe between his teeth. We are not here discussing the rightness or wrongness of the act of smoking, but what we do believe is that the father was wrong in punishing the child for following in his footsteps.

Within the past eight months there have been four boys from a certain neighborhood sent to the institution of correction at Mimico. And still it is a common thing to walk down one of the streets in this same neighborhood and still it is a common thing to walk down one of the streets in this same neighborhood and observe old men, young men and even boys still in their teens, shooting dice, swearing, using the most sordid and vulgar language, drunk and even drinking upon the sidewalk, in view of scores of little children and women. We asked some of the neighbors why a complaint was not made. Each person we interviewed agreed that the affair was a shame and a disgrace but he thought it was not his business to report it. Are we surprised, therefore, that four boys have been sent from this neighborhood to a home of correction? Most certainly not. But we ARE surprised that more have not been sent. Whose fault is it, the boys' fault or the fault of their unfortunate environment, the fault of the spineless men of that neighborhood? In this connection we might also say a word concerning our police department. It is a shame upon this department that men would dare use one of the main streets of any portion of our city for

such vice and evil without fear of police interference.

In very few cases do children rise higher in their ethical and moral standard than their immediate surroundings and training. If conditions are not changed in the neighborhood to which we refer, it will continue to be an incubator for dirt and slime and filth and delinquent and incorrigible boys and girls.

Neither can the juvenile courts nor Children's Welfare societies do effective work for children without the co-operation of the parents and the entire adult population.

EDITORIAL COMMENT.

Recently we read a very impressive editorial in one of our local daily papers which bore the caption: "Is there a nigger in the wood-pile?" To say the least we are surprised to know that the editor's poverty of words would cause him to make use of such a sordid phrase as a headline for such an important article. Now we would like to ask the editor what a "nigger" is. Of course we have heard unlearned and unlettered people refer to Negroes as "niggers." Surely it is not the intention of the Editor to do so. And if not, does he know that of all men HE is responsible for his brothers' acts?

Despite the hot weather, two splendid services were held in the B.M.E. Church on Sunday, July 5th. Rev. F. O. Stewart was the speaker, and delivered two interesting messages to capacity audiences. The one great need of the church today, said the speaker is love for each other. Jesus did not lay emphasis upon creed, rite or ceremony. The Christian was to be known as a Christian, not by the number of religious services he attended, nor by the position he occupied in the church circles, nor by his subscription to a creed, his mode of worship, the cut of his garments, or even the length of his face. It was in none of these things which we have come to consider so important and so distinguishing. "By this"—and

Jesus used a very emphatic expression—"by this shall all men know that ye are my disciples, if ye love one toward another." The speaker chose for the evening Address the Apostle's last message to the Church at Ephesus. Acts 20: 26, 27, saying, that like the apostle, he had not shunned to declare unto the people of the London Church, the whole counsel of God. I have given warning and therefore no man's blood can be laid at my door. I have preached to you nothing but the counsel of God, and have not added any inventions of my own. It was pure gospel and nothing else, the will of God concerning your salvation.

OWEN SOUND

At Owen Sound, June 28th weather being very cold the meeting at the B.M.E. Church was not very well attended all day owing to the pastor E. A. Richardson being away to the Annual Conference of the B.M.E. Ch. at St. Catharines, but Bro. Thomas Green and Sister Clifford Johnston took charge of the services. Sunday School in the morning at 10 o'clock led by Sister Clifford Johnson, the Assistant Sunday School Superintendent, which was attended with about 15 scholars in session, studying the National Lesson. The morning Ch. service was conducted by sister C. Johnston, who is called by God to become a deaconess of the B.M.E. Church. She took her text from Ex. XXXII, and spoke of how the children of Israel committed a great sin in chiding with Aaron, Moses brother to make a Go d to lead them through the wilderness to the Promised Land which very much displeased Moses, the servant of the most high God. She exhorted all present to be faithful to the living God and serve him with a perfect heart and with a willing mind for God knoweth our hearts and minds if we seek Him He will be found of us, but if we forsake Him He will cast you off for ever. This sermon was well received by all present. In the evening Brother T. Green took charge. His remarks were taken from Psalm xci. He preached a very fine sermon and pleased everyone that heard him.

Mrs. J. White gave a dinner to some of her friends on June the 25th. Covers were laid for five They enjoyed very much the hospitality of the hostess who served a wonderful dinner for her friends.

Mrs. Saul Earls is in the City of Toronto visiting her daughter, Mrs. R. Martin. She is having a good time there. We hope and trust she will come back home much refreshed.

On Thursday evening the prayer service was held at Sister A. Bowie. She being a new babe in Christ and indisposed desired the prayer meeting to be held at her house which was a spiritual uplift to her and to all that was there.

The home made baking sale, under the leadership of sister H. Woodbeck was a success, the proceeds amounted to something over \$13.00 and she wishes to thank all those who donated to make the success and those who bought, and those who helped in the work. May God bless Mrs. H. Woodbeck and all her assistants.

and Mrs. Christopher Deweaver, and Doctor William Lawson, wife and family, were visitors in London during the week end, and worshipped at the B.M.E. Church on Sunday. The visitors are all residents of Detroit, Mich. Mr. Stanley Drake is also visiting his parents over the week end.

his thoughts go back to the days of his youth. As I stand here with my hands clasped in Rev. Drake's hands, I am conscious that there is being linked together American and Canadian Methodism. While I am on the other side trying to make good I have no reason to believe that I have failed, I have not forgotten the church and the city that laid the foundation and paved the way to success. Dr. Ball made a plea that all churches throughout Christendom might hasten on the day when the prayer of our Saviour might be indeed a reality, "That they all might be one, that the world might know that thou has sent me." Since Canada has taken the lead in this gigantic task, the question of unity is an inevitable one with all the forces of the world endeavoring to advance the kingdom of God. Several members of Rev. Ball's congregation were with him during the visit and renedered a selection "Faith of our Fathers."

The 69 session of the Annual Conference went on record as being opposed to the "New Beer" when the committee on prohibition submitted their report and recommended the following. We, your committee on the O.T.A., do go on record as being strongly opposed to the late measure enacted by the present government with Premier Ferguson at its head. We feel that the confidence of the people as expressed by vote in the recent plebiscite has been betrayed and the present measure is weakening instead of strengthening the cause of prohibition. We heartily concur in the stand of the United Church of Canada in their effort to abolish the importation of liquor at the various ports of entry. Rev. R. R. Ball, in speaking on the question, said that the enactment was a sad and deplorable piece of legislation and has given our neighbor to the south of us a new hope for the return of former conditions in the United States. A memorial service was held in memory of Rev. D. M. Lewis, Mrs. M. Jackson, Mr. Robert Harris, of London; Mr. J. Marshall, Mrs. L. Chambers of Windsor, Mr. A. J. Cassel of St. Catharines, and others. The committee on Church Federation reported on what had been accomplished during the year and recommended that the Conference continue negotiations with the the A.M.E. Zion Conference re this matter. The committee for 1925 is Revs. J. T. Dawson, Windsor; F. O. Stewart, Toronto; and Marcellus Montaur, of Sandwich, Ont. Special greetings were brought to the conference and missionary society by Rev. H. Durham pastor of the A.M.E. Zion Church, Buffalo, N.Y., Rev. S. O. B. Johnson of the Lloyds Memorial Congregational Church, Buffalo and the pastor from the A.M.E. church at Lockport, N.Y.

Special programs were rendered by the Missionary Society and the Sunday School convention, on Friday and Monday respectively. Mrs. J. W. Bowles of Windsor, and Mrs. H. Brown of Toronto, were the presiding officers during the sessions of these two departments.

A beautiful silver service tray was

presented to Mr. and Mrs. C. A. Johnson of Guelph, on behalf of the Conference, Missionary Society, and Sunday School Convention. Mr. and Mrs. Johnson were married one week before conference convened.

Special mention must be made of the splendid treatment given to the ministers and delegates, while attending the conference at St. Catharines. Mrs. Logan and her corps of good women are deserving of much praise in view of the fact that they worked very hard to make it pleasant for each and every one. This service, together with the many homes that were opened for the visitors, added considerably to the success of the sessions, and we take this opportunity to thank the officers, members and friends of St. Catharines for their kindness during our stay in their city.

Three illuminating services were held on Sunday, June 28th beginning at 9.30 a.m. at which time and old time Methodist Love Feast was held, conducted by Revs. E. A. Richardson and S. A. Lucas. At 11 a.m. a very helpful public service was held, and many visitors from Buffalo, Toronto, Niagara Falls, N.Y. and Ont., Lockport, N.Y., Welland, Ont. Bradford, Pa., Fort Erie, Ont. and many other points were in attendance. Rev. S. R. Drake and Rev. W. C. Perry, conducted the morning devotional exercises. The speaker for the morning was Rev. F. O. Stewart, of London.

The Sacrament of the Lord's Supper was observed by about 100 people at this service. Rev. Jas. T. Dawson, of Windsor was the speaker at 3 p.m. The evening service was held in the St. Paul's United Church (white) at 8 p.m. Rev. H. D. Wright of N. Buxton, Ont. was the speaker for this service and brought a very timely message. Vocal solos were rendered during the day by Mr. Laverne Jones of Brantford, Mr. Marcellus Montaur, Sandwich, and Mrs. Jennie Bowles, Windsor. A feature of the conference this year was the trip to Lakeside Park, Pt. Dalhousie on Saturday afternoon, when the conference, Missionary Society, and Sunday School convention were the guests of Rev. H. F. Logan and the officers of the church.

The Missionary Society elected the following officers for the ensuing year President, Mrs. J. W. Bowles, Windsor; Vice President, Mrs. Logan, St. Catharines; Rec. Sec., Anna Johnson, Guelph; Cor. Sec., Miss Verita Smith, St. Catharines; Treas., Mrs. (Rev.) Johnson, Niagara Falls, Ont. Officers for the Sunday School Convention are President, Joseph Thomas, Collingwood; Vice Pres., Miss Lena Taylor, Toronto; Rec. Sec., Miss Evelyn Perkins, Windsor; Cor. Sec., Miss Marion Taylor, Fort Erie; Treas., Mr. Thos. Dougherty, Fort Erie, elected for the tenth year.

At the close of the convention on Monday, June 29th the Stationing Committee made the following appointments: Windsor, Rev. J. T. Dawson, 3rd year; oronto, Rev. F. O. Stewart, St. Catharines, Rev. H. F. Logan, 3rd year; Brantford, Rev. H. D. Wright; N. Buxton, Rev. W. C. Perry; Owen Sound, Rev. E. A. Richardson, 4th year; London, Rev. Thos. Woodcock; Niagara Falls-Fort Erie Circuit, Rev. L. Johnston; Harrow-Puce, Guelph-Stratford, circuits to be supplied.

The absence of Rev. R. A. Ball, ow-

ing to illness had its effect in this annual gathering, and a special letter of regret for his absence was forwarded to his home in Toronto, wishing him a speedy recovery to health. Mrs. Ball attended the closing session of the conference and was a participant on the program on Monday night. The sixty-ninth annual conference is now recorded in the annals of history, and it is to be hoped that all will do their best to make the seventieth anniversary one long to be remembered. In closing may we mention this fact, that the success of our sessions in St. Catharines is largely due to the splendid ability of our presiding officer, Rev. Samuel R. Drake who has guided the work of the B. M.E. Church for sixteen full years.

Some weeks ago Mr. E. L. Cross
made an excellent record in cricket
and thereby assisted in bringing vic-
tory to his team. He took five wick-
ets with five consecutive balls. Those
who are familiar with the game will
know that this was remarkable bowl-
ing for the batsmen were all good.
We are glad to see Mr. Cross distin-
guishing himself on the field, and we
trust that results equally satisfactory
will come to him in his legal career.

Mrs. Charles, of London, Ont. is a
visitor to Toronto. Yesterday she
worshipped at the First Baptist
Church.

Misses Althea and Winnifred
Browne, Toronto, motored to Buffalo,
N.Y. to spend their vacation with
their sister, Mrs. T. Gowie.

Many persons attended the First
Baptist Church at 3.30 p.m. Sunday,
July 5, to listen to Rev. Dr. Chas. N.
Morris, the Negro orator of Virginia.

The meeting was opened by singing
"O God our help in ages past." Pray-
er was offered by Rev. C. W. Carpen-
ter, of the A.M.E. Church. The pas-
tor, Rev. A. McEwen Williams, B.A.,
presented the speaker

Dr. Morris took his text from Ro-
mans 6:23 "For the wages of sin is
death; but the gift of God is eternal
life through Jesus Christ our Lord."
He vividly portrayed the wages of
sin. It comes in installments as in
the separation of man from God, the
death of Abel, the flood, physical
death. The gift of God is manifested
in the peace that Christians possess,
the material success they enjoy,
their for eternal reward. The deliv-
ery was masterful, sincere and con-
vincing.

A notable feature of the occasion
was the first appearance of a quar-
tette formed by Messrs. D. Downes,
Edwards, Williams and Mustean.
They sang, "Let Him In," and "It
Was Alone." The harmony, loud
and soft effects were good. Messrs.
Williams and Mustean sung good ten-
or and bass respectively to the sec-
ond number, J. Alex. Knight ac-
companied the gentlemen at the piano
and presided at the organ for the
service.

Dr. O. A. Brewton, Preident of the
Pastor's Aid Club, thanked those who
in any form helped to make the meet-
ing a success. This is the first event
that this new club has put before the
public. Over \$25 was collected.

We were glad to hear this noted
preacher, pleased to listen to the
quartette and we wish that it is but
the beginning of a strong factor of the
musical life of world-famous Toronto.
The congregation joined with enthus-
iasm in the singing of "Blest Be the
Tie That Binds." Dr. Morris pro-
nounced the benediction. Thus clos-
ed a great event in the history of
our people in Canada.

A colored woman consulted the
village lawyer. "Ah wants to divo'ce
mah husband," she said.

"What's the matter?" asked the
lawyer.

"That nigger's done got converted
to religion, and we ain't seen a
chicken on de table foh ovah two
weeks."
