my busines.". "You talk so checurely," sighed Mr. Quint, "that I know not how volume way you. It would b., for me at least a wich of thing to marry 1 i am not bandso ut comment. I am not rich know.h. I am not daring ensu.h. I would also rather not be mar-red—and so I shell siever gut a wife." " Eh I nonsetme !" sinswered Mr. Pyk: "do you believe that air fathers warrall needs, and in the

not daring enau.h. I would also rather not be mar-ried-and so I shall invest rei a wife." Sc. "Eh I nonsenne !!" sinwered Mr. Pyk: "do you believe that our fathers were all angela, and in the yossession of barmies before they could find sothers for use. There is nothing easier in the world than a wedding. And, although our Eves pretend that no creature under Heaven is so super-it, they would not much relies ha world without one. If you, instead of looking at the stars, would place your ears sometimes at the tay hole, you would find that wherever three womens are tog: ther their sulk invariably begins about a main and ends with a christening. And the your children are not to barties to engage in, no books to write, no sermons to learn by hear, and yet they must do something. They first play with folls, then with men, they with children. Their destiny is to be brught up; and to bring up."

Although Mr. Quint heard this speech of his Although Mr. Quint heard this speech of his neighbor, not without pleasure, yet he feared to answer its for they stood not far from the castle, and before the door, in the shede of a grape vine,

Quint looked toward heaven, pointed with Mr. Quint looked toward neaven, pointed with his left hand to the setting sun, while with the right he took off his hat, to say farewell to his neighbor. He could be retained no longer. Mr. Quint was expected at home on urgent business. He must

expected at home on "urgant business. Fire inter-depart. Pytresolved to accompany him. He turned f round and called Bessie, who, as it she had neither heard nor seen anything of them, instead of cornint earlor, ran back into the home. Mr. Pyk vainly called and whistled, she dis hot return. "I beg you will remember me to her," stam-mered Quist, and he felt that he could lie down and weep bitterly. "That girl is foolish !" said Mr. Pyk; " but never misd, I, will read her the Evangeli t and Epistic on that point. She does not go home till the day after to-morrow " With that, both strolled from the castled beight down into the plain. Mr. Quint was full of troubles.

down into the plain. Mr. Quint was full of troubles. He overwhelmed himself with the most tunn derate reproaches for having been dunb enough, for isb nate enough, to deserve the slight publicly given him that day, by not

reproaches for having been dunb enough, foo ish enough, obstinate enough, to deserve the slight that she had publicly given him that day, by not saying even addeu to him. "Your niese appeared to b. angry with me," aid heg, if perhaps rightly so. I have been a great blui.deter to day." "Ah, do not talk so?" returned Mr. Pyk; "why he angry with yourself T. I discover in her precise-ly and unequivocally the contrary of what you aus-pect. But to discover that, one must have experi-ence. And I say it again to you, Mr. Neighbor, and don't forget it; he who withes to know the world must look oftener therough the key-hole than through the telescope." The lord of the e stle was certainly right this time. Bessie had no sooner observed that Mr. Quint was preparing for his retreat than she lost her sprightly disposition. She got up, and would have approached her uncle under some prenece or other, in order to be shee more must have guest. But the uncle spoil it all, by calling to her. So she would not show herself, as she perhaps thought the with annear unbecoming m her, or that But the unce sport it will be a see perhaps thought that it might appear unbecoming in her, or that is should saptivate Quint's attention more by avoiding him this by meeting him in the ordinary wiry. Enough she rin as hard as she could (to escape from her uncle) up two or three fights of earsp. fill she reached the wintow in the root, whence she could see the landscape below, the path by the stream and the two friends. Her heart beat alout as she as Mr. Quint. "What will he ary of thee 7" thought she. "O, how usughty thou has the aw ward him ! He will her the she desaution of the must be the she desaution of the must she would not show herself, as she perhaps thought

w nat will be as to be a toward him ! He will how yaughty thou hast been toward him ! He will to run away just as he was depaiting if the must desvise thee. He will come here no more. Thou, deservest it. O, Mr. Quint, fars thee well !- a thousand, thousand unnes! I did not mean to vex thee !- and thou art right not to pardon me." While she thus conversed with him in thought, her beauti ul yever filled with tears. (The Consistent.)

manded to custody. Attempt to Poison .- A quiet- was decided the tity should be left in darkness, looking mas, and of inoffenaive demeanor, arcused some person or persons, residing in the same house with him, of having given him to drink in his ten some ingredient, was decided the city should be left in darkners, then £4 currency per lamp only, should be charg-ed, during the time of soch negociation; but if a new contract was entered into, such lighting ed, daring the time of sorn negociation; but it a new contract was entered into, such lighting should be charged at rais of contract. As to the "sringent measures" alluded to, the copy of tender of 22nd January which acompaagon consulting a Physician, was pronounced nies this, shows that these are simply requiring

porsonors, As the parties have not been arrested, their trial has not disken pince. CAPITAL PURSIMENT.—A large and influential meet-ing was held on Monday at Fitzpatrick's Hotel for peti-tioning for mutigation of the sentence of John Ingram. Mr. F. G. Johnson being called to the Chair, rose and shidt —Genutemen,—We are masembled in the interest of the memory of the sentence of John nes this, shows that these are simply requiring prompt payment for the article furnished, accord-ing to contract; for it does not longer suit the Gas Company to be paid in Corporation Acceptances, requiring Individual Indorsers. shift :-Gentleman,--We are maximabled in the interest of humanity, to procare a mitigation of the sentence of John Ingram, passed upon him on Satarday last, in conse-quence of the Verdict of the Jury previously rendered against him. It js arty duty, no less as an Advocate than as a member of society, to caution all the friends of this unfortunate mark to abstim from indulying in anything aking to reastimped arguing the Court or the Officers cou-

Montreal, Jan. 12, 1850. Siz, —Adverting to your letter, dated the 5-h ult., intimating that the contract for lighting the street lamps, will expire on the lat March next, which letter was duly laid before the Council, 1 am directed to request, that the New City Gas Company, will communicate, at their earliest con-vanience, if they are prepared to enter into a con-tract with the Corporation to light the city lamps. akin to resentment against the Court, or the Officers con-ducting the Prosecution, who, both alike, performed, without the slightest liability to blame, a most painful without the suggest hability to tailet, a list of part, duty, from which it would have been culpable to depart. The Law is made for the general good. It sometimes operates individual injustice, however, and, in the presen pase, I regard the conviction and scatence, though bot

ded on strict Law, as obnoxious to the sbcase, required on strict Law, as obmoxious to the ob-jection of having inflicted a practical injustice of the gravest kind. The only course now open to the friends of Mr. Ingram, is to pretinon the Excentive. I have pre-pared a petition, which I will beg leave to read to you, and it will be for yourselves to adopt the most efficient means of making it prevail. [He here read the petition.] Mr. Bristow addressed the meeting in a most feeling be made. I have the honor to be, Mr. Bristow addressed the meeting in a most feelin and elequent manner, as did also Dr. Nelson, who mad some most appropriate remarks upon the necessity of edu-cating the class from which Jurors are chosen.

The petition is in course of circulation for signatures. The meeting was attended by some of the most respectively. Although a Jury of his countrymen have seen fit to bring in Ingram guilty of the heinous crime able of every class and opinion, who were unanimous in their opinion of the utility and justice of the object of the of murder, still we consider that, taking into consideration the circumstances under which that

Mr. Bristow has promised to take the petition to Gevrument, and have it presented at Toronto free of any I this Company. I am instructed to inform you that this Com expense that may arise. ST. EUROPA.

NEW YORK, April 4-21 P. M. MARKETS. - Coffee in London is down 64 79 15s. from the prices of a few weeks ago. Corr Market steady. Yellow has advanced.6d., White unchanged but firm. Flour without change. Trade is not so good in the Manufacturing D.

There is little of moment from the Continent All quiet in France. The Elections have passed of quiety. ENGLAND.—The Chancellor of the Exchequer

has presented his Budget for the ensuing year and although he had the pleasure of announcir a surplus of nearly two and a hali millions, sti the manner in which that surplus had bee he manner in which that surplus had been dis posed of is anything but satisfactory to the coun-ry. Ministers are said to hold office by a vervenience, if they are prepared to enter into a con-tract with the Corporation to light the city lamps, after the 1st March next; and if os, upon what terms and conditions they desire such contract to be model. try. Animatein are in developing the views of precarious tenure. In developing the views of Government on financial matters, the Chancellor was obliged to proceed to two kinds of estimations was obliged to proceed to two kinds of estimations, viz.—the Income and Expenditure to the 5th of April, 1850. He estimated that the Income of the financial year, ending 6th April, would amount to $\pm 52,755,500$, and the Expenditure to $\pm 51,533$. 651. He estimated the probable surplus to the 5th of April at $\pm 2,500,000$. To the estimate for the year ending 1851 he feared he could rot hold out the hope of such a favorable state of Castam-chiefly owing to the reduction of sugar, and part y from a reduced imposition on other articles such as corn, brandy, &c. He estimated the receipts from Customs, including corn, at $\pm 20,0000$ has have the honor ... Bir, Your most ob'dL servant, J. P. SETTON, Caty Clet City Clerk. W. R. FALCONTR, Esq., Manager of the New City Gas Company, Mon-NEW CITY GAS COMPANY'S OFFICE, Montreal, 22nd Jany., 1850. as corn, orangy, acc. The estimated the receipt from Customs, including corn, at £20,000,000 making a total probable Income of £52,285,000 DEAR SIR,-Your letter of the 19th inst., was yesterday laid before a meeting of the Directora for the financial year ending 5th April 185 £56.513.582; but that amount was contingent. certain things named. He proposed to 'a -e in total margin £150,000—consequently the bable expenditure would be about £00,663. Under these circumstances there would be a ing, and 10s additions! on each lamp for wear, tear and repairs, or, in all, $\pounds 4$ 10 0 for each lamp, plus increase beyond the expenditure of in round numbers of £1,500,000. His

per annum. Or the Company will contract at the same rate as formerly, viz: $\pounds 4 = 0$ per lamp, and the Cor-prises det, connected therewith, and in Winter to furnish the requisite spurise required for thaw: In round numbers of $\pounds 1.500.000$. His on phosals for disposing of the surplus are vario-among which is one to apply one half of the su-half to the reduction of the National Debt. NEW YORK.—Exchange firm S $\pounds 8$. BOSTON, April 3. - An effort will be sh

ing the lamp service pipes. Payments to be made monthly, and the 20th section of the Company's Charter 12 V., c. 183 his City in favor of Dr. Webster. made in this City in favor of Dr. Webster, and possible, to have the late awful sentence pro-nounced against him commuted. There is a very strong feeling in his favor, but it is hardly pas-ble that it will avail him much. A Petition to the computation of the sentence of Pirrson, wh the commutation of the sentence of Pierson, who stands convicted of the murder of his wife and twin children, will come before the Governor and Council on Friday.

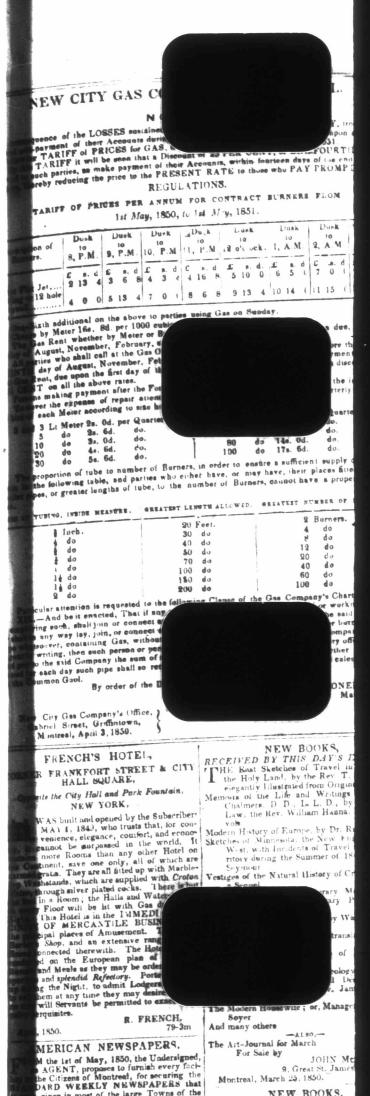

New York Markets.

MERCHANTS AND BANKEL A Large Stock of Lodgers, Cash, and other Books, alway uied and bound to any pattern, in PRINTING. Having intely made a con denticke, or Platze, with White Porcelan W. G. Mill treel, March 20, 1850.

charg-but if a lighting to, the MER equiring accord-suit the EUKUPA. NEW YORE, April 4-21, P. M. MARKETS. - Coffee in London is down 6s. (1) 15s. from the prices of a few weeks ago. Corn Market steady. Yellow has advanced 6d., White unchanged but, firm. Flour without change. Trade is not so good in the Manufacturing Dis-tricts. ER, nøger.

the 5th

Trade is not as good in the form the Continent. There is little of moment from the Continent. All quiet in France. The Elections have passed off quietly. ENGLAND.-The Chancellor of the Exchequer has presented his Budget for the ensuing year; and although he had the pleasure of announcing a surplus of nearly two and a half millions, still the manner is which that surplus had been dis-rest of exceptions but attractory to the counouncil, 1. City Gas

1850

ing hat satisfactory to the counby a very views of the 5th £61,533, to the te fo ustoms, id partij B OFFICE, 1850. 1850. inst., was Directors
 If om a reduced imposition on other articles, such as corn, brandy, &c. He estimated the receipts acorn, brandy, &c. He estimated the receipts acorn, brandy, &c. He estimated the receipts for m Customs, including corn, at £20,000,000, making a total probable Income of £52,285,000; for the financial year ending 5th April, 1851; for the financial year ending the April, 1851; making a total probable include of 202 2000, for the financial year ending 5th April, 1851, 256 513,583; but that amount was contingent on certain things named. He proposed to take for a total margin £150,000-consequently the pro-bable expenditure would be about £50,063,582. Under these circumstances there would be a sur-plus increase beyond the expenditure of the year in round numbers of £1,500,000. His o in pro-posais for disposing of the surplus are variour, among which is one to apply one half of the sur-plus to a reduction of the taxation, and the other in hit to the reduction of the National Debt. NEW Yorks.-Exchange firm 8, @ 81. Boston, April 3.-An effort will be shortly. this Com hting of the and light. for wear. ech lamp, ame tet the Cor r to lamps. in Winter BOSTON, April 3. - An effort will be shortly Boston, April 3. - An effort will be shortly Webster, and, if entence pro-Petition for Pictson, who his wife and overnor and 61, P.
