BIG SALE FOR CHORISTERS.

A splendid sale has been recorded for the New York Paulist Choristers' concert and beyond dupit this unique body of singers will again be welcomed with a capacity audience. One of the leading members, Mr. John Emmegan, tenor soloist, of St. Patrick's Cathedral, New York, will be heard in Toronto for the first time, and from the immense success he has made at every concert on the present tour, a great treat is looked forward to. The program for Friday evening

is considered by Father Finn, the conductor, as one of the choicest in the chorist's repertoire, and includes by special request, Arkangel's "Day of Judgment," the singing of which created such a profound impression at the choristers' first concert here.

UNIVERSITY NOTES

Prof. J. C. McLennan, Ph.D., director of the physical laboratory at the university, in the course of a lecture on "Recent Researches in Physics" given yesterday morning to a joint session of the natural science and mathematics section, in the physics building, expressed great pleasure at what had already been accomplished by the teachers, both in the war and in industrial lines since the cessation of hostilities. He also pointed out that Canada should take pride in the fact that a great many of the recent accomplishments derived in the line of scientific investigation of physical problems had been accomplished at Canadian universities and by Canadian universities and by Canadians such as Ashbury, Jenkins, McQueen, Kerby, McKellar, Treilaven and last, but not least, Taylor at St. Catharines.

As the result of the recent lecture by Stephen Leacock, the noted author, about \$700 has been realized, which will be donated to the Varsity Vets' grand fund to assist them in their plan to raise memorial tablets for their fallen comrades.

TWO NOTED ARTISTS AT MASSEY HALL

Regarded as One of the Outstanding Musical Events of the Season.

One of the outstanding musical events of the season will be the joint recital in Massey Hall, tomorrow night, of Josef Lhevinne, the great pianist, and Hulda Lashanska, the noted American soprano, whose appearance at the Aeolian Hall, New York, attracted the highly favorable notice of the critics.

Of special interest to local music lovers is the fact that Ernest J. Seitz, of Toronto, studied the pianoforte under Lhevinne for two years.

The reserved seat plan is now open at Massey Hall and tickets may be procured at any time. A number of rush seats will be sold at fifty cents. Altogether the occasion promises to be one of the most enjoyable events of a season not undistinguished in quality or quantity of its musical performances.

Mme. Hulda Lashanska is the American soprano who sang in Detroit so successfully last season. The appearance of this youthful singer should be one of the real joys of the present musical season, for her voice is of unusual purity and range. She received her first vocal training under the tutelage of Mme. Frieda Ashforth, of New York city, and it is to this teacher Mme. Lashanska feels she owes much of the success of her career. Unlike many "arrived" artists, she does not take her success entirely unto herself. At the beginning of her career as a singer she was so proficient as a pianist, many thought that her career lay in that direction.

Mme. Lashanska is a singularly human person, with a broad perspective, and that is probably the one quality aside from her natural artistic gifts which has so effectively helped her to realize her ambitions as a singer. Sympathetic and extremely natural, she has made friends of her audience wherever she appeared.

WILLS AND BEQUESTS.

Thomas W. Watkins Left \$394,250, Mostly in Real Estate—Other Estates.

Probate of the will of the late Thomas W. Watkins, sometime of Hamilton, and who died in Toronto, has been granted, and his estate valued at \$394,250, the bulk of which was made up of real estate in Hamilton and St. Catharines. The deceased left an income of \$2,500 to his grand daughter, Constance, until she is 21 years of age, when she is to receive the principal, \$5,000 each to his grand sons, Reginald and William B. Watkins. The residue of the estate is divided amongst his sons as follows: To Reginald, one-third absolutely; to Ernest, one-half of the income from one-third of the residue for 10 years after the death of the testator, when he will receive one-quarter of his share absolutely and the income from the remainder for life. On his death, the income up to \$4,000 is to be paid to his widow, for life, or until she remarries. The remainder of the income is to be paid to Ernest's children, until their mother dies or remarries, when they inherit absolutely. The remaining one-third of the residue goes to William Watkins, his widow, and children, to be dealt with as in the case of Ernest's share.

Joseph Woodger.

The Ontario estate of the late Joseph Woodger consists of 10 Brazilian shares, valued at \$529. Deceased was a veterinary surgeon and died in Cheswick, England, leaving a total estate of \$77,888. His daughters inherit the estate, subject to annuities to four servants.

Clarence E. Colwell.

The estate of Clarence E. Colwell, a correspondent has been sworn as \$4,558. The heirs are the deceased's mother, five sisters and one brother.

Mary P. Wolfe.

Gordon Waldron has been granted probate of the will of the late Mary P. Wolfe, a widow, who died, leaving an estate valued at \$1,980. Deceased provided that \$200 be spent on a monument for her, left \$200 to her son, William H. Wolfe, and the remainder of her estate to her son, Ernest Wolfe.

JAIL FOR DRUNK AUTOIST.

LABOR MINISTER IS UNDER FIRE

His Speech at I. L. Party Convention Brought Up in Legislature.

R. R. Hall (Party Sound), in the legislature yesterday, asked if the report in The World of Hon. Mr. Rollo's speech at London on Saturday, that the Labor members were the only ones who were sincere in their matter of mothers' pensions, was true.

The premier answered that he did not think there was any doubt as to the entire sympathy of all members of the government with the proposed measure. He was not prepared to say where the sympathy of the Liberal and Conservative groups was with regard to the measure. Mr. Rollo, when speaking at the meeting, was there as a private citizen and not as a representative of the government.

Hon. Mr. Rollo said in answer to Mr. Dewar, that there was no copy or draft copy of the mothers' pension bill before the London Labor convention.

No Monopoly of Brains.

P. Henman (Kenora) told F. W. Hay that he did not say, as reported in a recent speech, that the Labor group constituted the brains of the government, nor did he think so. (Laughter.)

Hon. Mr. Biggs successfully piloted his motor vehicles act thru committee without change, other than that it was agreed any good glare prevention device would be considered by the department. No particular glare preventing device would be favored.

The house was much amused during the debate when the Labor member for London observed that he was the owner of four motors.

Legislative Notes.

Notice has been given of the following inquiries of the ministry:

What was the reason for the special allowance to J. A. Ellis, having regard to the fact that Mr. Ellis was already paid by the government the sum of \$5228.93 re housing scheme, and amendment to the assessment act of \$1000? What was the nature of the services he rendered?

What are the details of the receipts from corporations, giving the names of the items, of profit tax, under the department of lands, forests and mines for the year ending Oct. 31, 1919, amounting to \$559,027.18?

For what branch of the government were the premises rented referred to on page 451 of the public accounts as rental of MacLean buildings, MacLean Publishing Company, Limited, \$4186.50? How many civil servants are employed and accommodated in the premises so rented? What are the premises that are so rented, and what is the floor space? What is the date of said lease and for what period?

Make Milk Reports.

With reference to the resolution passed by the Toronto Milk and Cream Producers calling on the Ontario government to appoint a commission to investigate and report on the entire milk question, Hon. Manly Doherty, minister of agriculture, said yesterday he had not received the resolution. The minister is understood to favor expert representatives of the Dominion department of agriculture and the O.A.C. at Guelph reporting periodically as to costs of production.

ESCAPED CONVICT RECEIVES SENTENCE

William Copeman Pleads Guilty to Four Charges of Shopbreaking

Hamilton, April 6.—William Copeman, the convict who escaped from Burwash in December last, and since that time was charged with five different cases of shopbreaking and theft, and one of counterfeiting, appeared before Judge Gould in the criminal court today and was given an indeterminate sentence of not more than two years, less one day, and not less than three months.

Copeman pleaded guilty to all the charges except that of entering the store of J. Leane on the mountain, and stealing a sum approximately amounting to \$480 from the cash register. He denied this charge.

Charged with aggravated assault on John and Annie Duffin, on March 19, pleaded not guilty and elects to be tried by the judge. At the request of the crown he was remanded for one week.

Clarence Moore pleaded guilty to a charge of aggravated assault on Abraham Price. On promise of mending his ways and not digging from the straight and narrow path, he was let out on suspended sentence.

Fred Douglas, charged by Max Loberman, with having obtained two grammets, a pair of rubbers and a sweater by false pretences method, pleaded not guilty and elects to be tried by the judge. He was allowed out on \$100 bail.

"I AM THRU," SAYS DOCTOR GRANT

(Continued from Page 1.)
 board of control of the referendum committee.
 This question brought forth the first clap of thunder, as Dr. Grant, in his "I am thru" speech, declared he was a unit in the referendum committee. In the campaign it was impossible to call one man an ally or an enemy, he said. A referendum committee member. "We are all one," he concluded the doctor.

Rev. Ben Spence then said the referendum committee conducted the last campaign in a "closed-door" fashion.

Dr. Grant said: "I must take exception to some of the statements made by Spence. I want to say they are absolutely untrue. And I want to put myself on record as saying so."

Mr. Spence: "There should be unified control in this campaign. Dr. Grant is not going to give it."

Dr. Grant: "You have got it now."

Mr. Spence: "When a man will neither prove nor retract his statement, who is he?"

One delegate: "Let us side-track Dr. Grant and Mr. Spence and run this campaign without them. Let them settle their differences between themselves."

Dr. Grant: "Mr. chairman, you have my resignation."

Delegates in chorus: "No, no."

Rev. Mr. Agar: "I move a vote of confidence in Dr. Grant."

Dr. Grant, however, put on his coat and left the room.

Delegates: Call back Dr. Grant, and let him see the confidence we have in him."

But Dr. Grant could not be found and was seen no more at the meeting.

The Rev. Ben Spence, however, held the fort for the alliance and had the satisfaction of hearing a resolution passed authorizing the appointment of an official representative on the board of control of the referendum committee.

The committee adjourned without doing any further business.

A World representative last night saw Dr. Grant and asked him if he meant his resignation to stand. "I'm thru," declared the doctor, "the committee have my resignation and that's all there is to it."

"They passed a vote of confidence in me, but I knew before they did that I possessed that confidence."

Not a Temperance Crank.
 "I am last night of hearing people say and reading in the papers that this matter is a dispute between two temperance leaders. I am not a crank on any subject, and of a crank on any form of propaganda," declared the doctor warmly, and then added, "neither am I a professional temperance advocate. I am spending my time and working both in the province and at Ottawa for the good of the people. The situation as it stands at present is impossible. I believe non-people are not anxious for prohibition, as if it became law, they might lose their jobs."

Whilst describing yesterday's conference as the best one yet held, Dr. Grant announced that he had received from the Dominion Alliance having reported control, Dr. Grant thought it might complicate matters to have "other" people mixing in.

What the Alliance Thinks.
 The attitude of the Dominion Alliance in connection with the disputes and the resignation of Dr. Grant was given in The World last night by C. E. Steele, president of the Ontario branch of the alliance. Mr. Steele said they would "carry on."

"At present we are carrying out the mandate of the convention and have been successful already in gaining two important points by securing government support to a bill that will stop 'short-circuiting' and allow importation by the board of home commissioners only for permitted purposes."

"We are now urging the government to repeal section 44 of the Ontario Temperance Act, which section permits the sale of intoxicating native wines. We believe this section should be repealed on its merits, but it would also remove the doubt as to the applicability of bill 28 to the provinces of Ontario, and thus give a safe fighting ground if and when the vote is taken."

"What about the Ontario Temperance Act?" asked. "I do not know what attitude the provincial government will take, but can conceive of Ontario having to request the federal government to submit a referendum as provided by bill 28 until they have been satisfied that they will remove the doubt of the applicability of the bill to Ontario by either repealing section 44 of the Ontario Temperance Act or by submitting a stated case to the courts."

HAMILTON COMMENCE SITTING OF SPRING ASSIZES

Grand Jury, in Presentment, Recommend That Jail Walls Be Made Secure.

Hamilton, April 6.—The grand jury made its presentment at the spring assizes in the supreme court this afternoon to Hon. Mr. Justice Rose. The jury recommended that in view of the recent escape of a prisoner from the local jail yard, the corners of all jail yard walls be covered with a thick facing of cement, in order to prevent prisoners hereafter getting a foothold, should any attempt to climb over the jail yard wall. The jury visited the local jail and found the walls in a very bad condition and that workmen were making repairs. The interior was also being whitewashed. There were 37 male and four female prisoners, 23 being foreigners. His lordship, in dismissing the jury, assured them that their recommendations would be forwarded to the proper authorities.

Award Damages.
 Two thousand five hundred dollars damages were awarded in the suit brought by Thomas Monogue against the Canadian Property Company Limited. The plaintiff entered the action to recover \$5,000 for injuries caused by his being struck on the head by a 1-2 pound steel chisel falling from the old Sun Life building during remodeling operations. Judgment for \$300 was rendered in the damage suit against the Hamilton Street Railway, brought by Mrs. Isabella Sullivan, 25 South Arthur avenue, who sought to recover \$100 for injuries sustained through falling from a street car, when H. R. H. the Prince of Wales was visiting Hamilton.

Settle Out of Court.
 The action of Elder v. Kirby over a motor accident was settled out of court by Joseph Szabah, an Austrian, charged with sedition, failed to appear. Bail to the amount of \$2,500 was returned, and a bench warrant issued for Szabah's arrest.

HAMILTON SOCIETY.

Hamilton, Ont., April 6.—Miss Fannie L. Sweet, of Rochester, N.Y., spent the Easter holidays with her parents, Mr. and Mrs. Samuel Sweet, Ottawa street.

Mrs. Hastings, Boston, is the guest of Mrs. Mark Lynch Stanton.

One of the prettiest dances of the season was that held in the Memorial school last evening by the Margaret Gage Burkholder Chapter, I.O.D.E., of which Mrs. A. T. McDougall is the regent.

The members of the Hamilton Conservatory and Dramatic Club last evening were hosts and hostesses of a very jolly supper and dance, given in honor of Mr. H. Irving Beers, the founder of the club and its able director. The affair took place at the home of Mr. and Mrs. F. H. Edgington, Gage avenue, and proved an altogether delightful way of closing a successful and enjoyable season for the organization in which both directors and members have all experienced profitable and pleasurable hours.

The Women's Institute will hold a meeting on Wednesday evening at 7.30 in the Fairfield school.

The regular meeting of the Leut.-Col. Bertram Hooper Chapter, I.O.D.E., will not be held tomorrow, but will be postponed for one week.

The Home Circle of St. Mary's Cathedral held another of its very enjoyable at homes in the afternoon last evening. The ladies in charge were those in the alpha class coming under the letters M. and N. Mrs. Milligan was the general convener.

HAMILTON CITY SOLICITOR WILL NOT RESIGN

Agrees to Reconsider Action if Assistant is Appointed.

Hamilton, April 6.—At the board of control meeting today, City Solicitor Waddell agreed to reconsider his resignation and to withdraw the same if a real assistant, whose appointment he approved, was given to him. It was informally agreed that the vacancy of the assistant city solicitors should be advertised, as was the treasurer's. The position will probably be worth \$2000.

The board authorized the issue of \$225,000 debentures for new waterworks equipment. Interest was fixed at 6 per cent. It was decided to sell \$100,000 5 1/2 per cent debentures for the application of the Hamilton Land & Building Co. for the elimination of the south side of Main street, between the restricted area and the petition opposing the proposal, came up again.

Motion Was Carried.
 Mayor Booker opposed making any loopholes in city bylaws. Controller Aitchison moved that the permission be not granted. Controller Juten was in favor of the transfer now.

The legality of the establishment of the Hamilton Coopers Company on its present site on Niagara street, between the total length over all being set out as 1300 feet.

Restricted District.
 The board of control has reaffirmed its previous decision regarding the Delta district. The occasion was the application of the Hamilton Land & Building Co. for the elimination of the south side of Main street, between the Delta and Ottawa streets, for a restricted area. The large increase in the value of frontage in that section was advanced as an argument in favor of lifting the restriction placed upon it. To make loopholes in a city by-law, or to consent to the amendment of a measure that has been carefully considered and then adopted as in the interests of the part of the city affected, merely because of the increase in the value of the property involved, is not a good policy. The rejection of the application of the land company by the controllers will undoubtedly meet with the approval of the residents in that rapidly growing section, whose interests and wishes should first be consulted before any change in the area's restrictions receive consideration.

COUNCIL DEBATES PERMIT TRANSFER

Alderman Burton Questions Legality of Allowing Walker-Vallance Application.

Hamilton, Ont., April 6.—The city council held a meeting on its hands, one which the works committee tonight passed along unresolved. In December, last year, Limited to transfer a gas line permit to another agency. The necessary money was not excised recently the council passed a bylaw making it illegal for permit to be transferred.

Alderman Burton chairman of the gasline board committee, held tonight a meeting to discuss the transfer now. Other members did not agree with him. The city solicitor will have a report ready for the council on Tuesday evening.

Seven residents of Brock street, who asked for a sewer, were told it was an engineering impossibility. But a sub-committee was appointed to see what could be done. Waste water is now being poured into the front of their houses.

Permitted to Fibre Laminated Avenue was refused the Hamilton Cotton Co.

PASSENGERS HAVE NARROW ESCAPE WHEN COACHES JUMP TRACK

Kingston, Ont., April 6.—(Special)—Passengers on a Canadian Pacific Railway train on its way from Sharbot Lake to Kingston this morning had a thrilling escape when two of the coaches jumped the tracks at Babcock's Crossing, about two miles from Godfrey Station. The two coaches rolled on their sides in the ditch, but all the passengers escaped without injury. A spreading rail is given as the cause of the accident.

CHURCH CHOIR CONCERT.

Hamilton, April 6.—The choir of the First Congregational Church, under the leadership of John R. Coome, gave its annual concert this evening. Mrs. J. E. P. Hedores, organist, and Mrs. Etta Pugsley Lancelotti, B.A. A.T.C.M., readers, were the assisting artists. A large audience attended.

Hedores, and to the Federation for the latter's endorsement.

HOME AND SCHOOL WORK

Speakers Discussed Method of Promotion From Public to High School.
 Development of the Home and School Associations is shown by the fact that their work had a special section in connection with the meeting of the O. E. S. in the evening. A meeting was held yesterday in Room 38 of the main building of the university. The origin and plans of the organization in Ontario were treated by Mrs. A. C. Courtice, president of the movement in Toronto. She also spoke of the method of promotion from the public to the high school, which is now largely effected through the "entrance examination." Reports from branches were also received. The session will be continued today and will take place in the high school science building, corner of Bloor street and Queen's Park. There will be a joint meeting of women's institute workers and rural education will be discussed in many phases.

ST. CATHARINES FIREMEN DEMAND WAGE INCREASE

St. Catharines, April 5.—The firemen last night delivered a ultimatum to the city council that unless 25 per cent increase of salary were conceded by noon today they would tender their resignation. The strike was within 48 hours. The council authorized the fire and light committee to accept resignations of firemen and secure sufficient to replace those who quit, and instructed the committee to call for volunteers to man the department until the brigade can be reorganized. The city has been struck at 86 miles. It is now too late to make any further salary increase.

RELATES PROBLEM OF MIDDLE EAST

Major N. S. MacDonnell Says British Partly to Blame for Armenian Massacres.

Hamilton, April 6.—According to Major Norman S. MacDonnell, late of the Royal Field Artillery, who addressed the Canadian Club of Hamilton this evening, the whole problem of the middle east concerned the destiny of some 35,000,000 people, eleven millions of whom were in Egypt. The situation was increased in complexity, he said, by the fact that the different nationalities were scattered indiscriminately without any regular bounds for habitation. The Armenian people comprised some 3,000,000 souls, but only 1,500,000 lived in Armenia. There the Turks predominated, numbering ten millions.

There was no doubt, he said, as to the ability of the British to hold and control Egypt if a firm hand were used. The only question was the measure of self government that should be granted the country. Arabia must be left alone for the present, he said.

The recent incursion of the Arabs into Syria was, in his opinion an evidence of French weakness.

As to Palestine, there was no reason why the Jews should not again occupy their native land. If strong British protection were assured, although the Arabs predominated there now. He was of the opinion that the British were partly to blame for the Armenian massacres, through their middle east policy of the last century.

DECIDE TO NOTIFY MINISTERS OF LABOR

Trades and Labor Council Licensed Over Action of Contractors.

Hamilton, Ont., April 6.—At a meeting of the District Trades Council, held last night, the committee appointed to confer with the building contractors regarding having had one conference with a number of contractors, and having made arrangements for another meeting, to which the members of the local branch of the Canadian construction and contracting companies were invited. No contractors turned up at the second meeting, and it was decided that the council would not wish to deal with the council under a blanket agreement, but preferred to negotiate directly with the craft unions.

Netly Labor Ministers.
 In view of the refusal of the contractors to discuss a new working agreement with the council, it was decided to notify the federal minister of labor, the provincial minister of labor, and the secretary of the Canadian Contractors' Association, which went on record recently as favoring collective bargaining. It was also decided to call a mass meeting of members of all the unions, about a dozen in number, connected with the Building Trades Council, next week. A committee was appointed to secure a hall, about 2000 men are connected with the union affiliated with the council. The present agreement with employers as to working conditions expires on May 1.

MOUNT PLEASANT CAR LINE ASSURED

Little Hope for Secessionist Movement, Think Mount Pleasant Ratepayers.

At a meeting last night of the Mount Pleasant Road Ratepayers' Association, held in Hodgson School, a canvass of the attendance revealed strong opposition to secession. The fact that the secessionists had secured only 1500 signatures to their petition out of a population of 12,000 was regarded as evidence that North Toronto desires to remain part of the city of Toronto.

The plans to secure the early construction of the Mount Pleasant car line were discussed, and, after addressing the meeting ex-Ald. Ball moved the following resolution, seconded by W. Leach: "This association, having heard from the executive committee of the support of practically all the other ratepayers' associations in the city and the North Toronto G.W.V.A. in the Mount Pleasant car line, and the assurance of several members of the special committee of the legislature of their support of this car line, feel confident that the Mount Pleasant car line is now practically assured."

CITY HALL NOTES

The pressing matter of an accounting between Toronto and the province has again been brought to the attention of the Premier Drury, Corporation Counsel Geary informed the mayor yesterday. He stated that the officials were only waiting for the premier to name a member of his government who can be seen.

In connection with this proposed adjustment of accounts between the city and province, which comprise, mainly, the upkeep of jails, courts, municipal institutions and educational costs, his worship the mayor, is preparing for a similar accounting with the Dominion government.

Among other matters will be that of good roads. Toronto has put a big sum of money into the Hamilton Highway, which is part of the national road scheme, and the city should be reimbursed, is the mayor's contention. Technical education, railway accounts, and aid in the housing situation are also included in the memorandum which his worship has prepared for the city's legal department.

The application of the city for more cars and better service on the Toronto Street Railway comes up before the Railway Board on April 9.

Mr. Geary also reported that the city were trying to get in an appeal to the governor-general-in-council against the increase in rates by the Bell Telephone Company. He stated the matter was being pressed hard, but that there was always considerable difficulty in obtaining an appointment.

The legal department is also forwarding to the Railway Board a protest against the same company at the proposal to install only two-party lines. It is understood that civic pensioners are preparing to come forward with a request that the pensions be increased, due to the ever-pressing high cost of living. While the increase to be asked has not been made public, it is more than probable that an effort will be made to have all allowances increased to \$10 a week. In the majority of cases a pension of \$8 a week for life was granted.

Permits for buildings estimated to cost nearly \$100,000 were issued yesterday by the city architect's department. The city's tax rolls for 1920, based on a rate of 30.5 mills on the dollar assessment, and being passed, and will provide for a tax collection from the different wards approximately as follows:

Ward	Taxes at 30.5 mills	Local Impvts.
1	\$1,290,000	\$177,527
2	2,280,000	168,939

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

For Colds, Pain, Headache, Neuralgia, Toothache, Earache, and for Rheumatism, Lumbago, Sciatica, Neuritis, take Aspirin marked with the name "Bayer" or you are not taking Aspirin at all. Accept only "Bayer Tablets of Aspirin" in an unbroken "Bayer" package which contains complete directions. Then you are getting real Aspirin—the genuine Aspirin prescribed by physicians for over nine-tenths of the world. Now made in Canada. Handy tin boxes containing 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages. There is only one Aspirin—"Bayer"—You must say "Bayer" Aspirin is the trade mark registered in Canada of Bayer, Manufacturer of Monoacetic acid of Salicylic Acid. While it is well known that Aspirin means Bayer, manufacturer, to satisfy the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

VETERANS WILL HOLD PARADE MAY 30

Criticism of the Management of Soldiers' Burial Ground.

The regular monthly meeting of His Majesty's Army and Navy Veterans was held last night in the Sons of England Hall, President J. W. White in the chair. Eight initiations were made, and three comrades received a vote of condolence, one on the loss of his wife, and the others on the death of their sons in an automobile accident.

It was announced that the annual church parade will be held on Sunday, May 30, at St. John's Garrison Church, Portland street. Comrade and Chaplain the Rev. J. R. MacLellan will conduct the service. Capt. Waite, D.C.M., gave his report on the proceedings at Ottawa, when the government was considering the further cash bonus for returned men. He stated that he had interviewed Sir Henry Drayton, who had told him that nothing but the inability of the country to furnish the money prevented the government from granting the requests of the delegation.

A matter of some importance to be discussed was the soldiers' burial ground at the foot of Strachan avenue, which is in a most dilapidated condition. It is feared that this sacred plot will be used for the erection of commercial buildings, as it does not belong to any association or individual. A motion was passed to the effect that a committee be formed to take steps to prevent the holy spot being used for profane purposes, and it was suggested that the remains be removed to another resting-place, or that the burial ground be converted into a public cemetery.

ALREADY A MOVE TOWARD A UNION

Suggesting Round-Table Conference of Soldier Bodies in Ottawa.

Ottawa, April 6.—The unanimity expressed by the representatives of the various war veteran associations gathered at a dinner at the Chateau Laurier last evening on the question of some form of union has already resulted in a move to have a round-table conference of the executives of the different bodies. Proposals to this effect have been forwarded to the heads of the different returned soldier groups, and while no definite date or place of meeting has been suggested, it will likely take place in Ottawa some time during the present month. The representatives of eight organizations at last evening's meeting practically all promised to "pull" for the round-table conference when they returned to their units, so the meeting is practically assured.

DENTAL TREATMENT FOR RETURNED MEN

Federal Order-in-Council Passed Making Special Provision.

Ottawa, April 6.—An order-in-council has been passed, specifying the necessary procedure to be taken by former members of the Canadian Expeditionary Force who require dental treatment. The order states that the policy of the department of militia has been to furnish such necessary treatment as to render all members of the force on demobilization as dentally fit as they were on enlistment. For this purpose arrangements were made with the Canadian Army Dental Corps. The time has now come, however, when the personnel of the dental corps which was retained, must be demobilized, and when only a single officer will be retained in each military district. Former soldiers requiring further dental treatment must apply to the dental officer in the district where they reside, who will, if he is satisfied, make arrangements for the work to be done by a civilian dentist.

325 UNION WORKERS ON STRIKE IN CITY

Lathers Are Asking for an Increase From 75 Cents to a Dollar.

Three hundred and twenty-five workers in Toronto are on strike. These comprise members of the Plasterers' Laborers' Union, the Leather Workers' Union, the Dathers' Union and the Molders' Union, the Plasterers' Union topping the list with 120 men. Ninety-eight per cent of the leather workers from the Beal Brothers' Wellington street plant are out. The president of this firm stated yesterday that his figures showed only 35 per cent out. The lathers are receiving 75 cents an hour and are asking a dollar. The molders have been on strike since May 1, 1919.

QUORUM WAS NOT BROKEN

Slight differences of opinion between James T. Gunn and John T. Vick characterize the situation respecting the housing guild, but it is anticipated that these will be adjusted in short order. Last night Mr. Vick emphatically denied that Mr. Gunn had succeeded in breaking up the quorum necessary to the well-being of the joint industrial council at its meeting the previous afternoon. He further stated that when Mr. Gunn presented the housing scheme of the guild in proper form the Bricklayers' Union would give it consideration.

James T. Gunn, who is the originator of the scheme to create a housing guild, stated at the meeting of the Building Trades Council that nothing could be done in the matter unless the guild could be assured of at least \$300,000, and means to build and equip 500 homes.

WANT 25 PER CENT. INCREASE

Coal drivers in Toronto, practically all of them members of the Canadian Union of Drivers & Longshoremen, still insist on an increase of 25 per cent in wages. They were recently granted an increase of three dollars a week (the coal drivers). A meeting is to be held on Thursday to consider further action.

GRAND OPERA NEXT WEEK.

An Unusual Company of Stars of the First Magnitude Coming to the Royal.

Tomorrow at the box office of the Royal Alexandra Theatre, seats will be placed on sale for the gala week of grand opera, commencing next Monday evening, when, for the first time in Toronto, the combined stars of the New York Metropolitan and Chicago

JOHN O'SULLIVAN, Famous Irish tenor, to be heard in opera at the Royal Alexandra next week.

Opera companies will present a repertoire of grand opera with the same identical casts as seen and heard in both New York and Chicago during the present season. John O'Sullivan, Anna Fittizi, Leon Rothier, Dorothy Jardon, Cedra Brault, Mme. Grippon, Myraa, Sharlow, Constantine Nicolay, Edmond Warnery, Defrere are but a few of the internationally famous singers who will be heard.

SOLDIERS MAY MERGE ALL ASSOCIATIONS

Officials of the round table conference of returned men's associations seem to be unanimously in favor of the merging of all ex-soldiers' organizations into one solid unit. In interviews yesterday most of these officials gave the impression that they were not overwhelmingly confident that the recent deputation to Ottawa will bear fruit very abundantly.

COMMAND MISSISSAUGA HORSE.

Lieut.-Col. C. C. Harbottle, who declined to take command of the Mississauga Horse regiment, has reconsidered his decision and agreed to accept the appointment.

STILL FEEL CENSORSHIP WENT TO WRONG MAN

Nine returned men, representing the war veterans, appeared before the police commissioners yesterday afternoon and protested against the appointment of Harry M. Woodson as chief theatrical censor. The deputation felt that a returned man should be given the position. Chief Grassett stated the commissioners would consider the complaint. A number of returned men applied for the position when it was vacant.

The veterans were Messrs. Pratt, McGregor, McCormick, Winterberry, Conroy and Pritchard of the G.W.V.A.; Hunter and LeStrange, of the Army, and Navy, and Eversfield, of the Originals.

Thru the efforts of the Ontario Motor League, a vigilance committee of citizens is being formed to see that the new traffic regulations were better observed, and the committee have offered their services in co-operation with the police. The commissioner expressed willingness in accepting their help. At a future meeting, the question of granting the league a tag-day in September will be discussed.

Owing to Mrs. Ida George being unable to attend the meeting, the case against Constable N. Logie was postponed for three weeks.

Constables Brown and Bartley resigned, while Constables Askew and Bailey, who left the force without permission, have been dismissed.

MOSHER'S ARCADIA UNIQUE BALLROOM

Talent Secured From New York for Opening Event Tonight.

The public opening of Toronto's new ballroom, Mosher's Arcadia, at 622 College street (near Grace), takes place tonight. Extraordinary interest is being taken in this event, not only in the city but in many outside points. Work has been in progress for 18 months on the designing and making of the decorations and lighting effects of this new Toronto show place, and they are all unique and original. The decorative scheme is Egyptian, and the predominant colors of the parchment lights will be rose, amber and blue, with central rainbow light of blue, gold, Egyptian red and other tones, and the lights can be changed and blended to obtain endless lovely effects. The decorations include silken and velvet hangings and panels of striking coloring and bearing artistic dancing figures. The immense oval dancing floor is of special resilient construction, laid at great cost. The orchestra will be one of 25 players. There are perfectly appointed dressing-rooms for ladies, check rooms and sitting-rooms for gentlemen, a large, luxurious lounge room; a beautiful,

spacious supper-room, with modern kitchen; a balcony for onlookers entirely around the huge building; alcoves, with cosy corner effects; buffet service at convenient intervals, and every convenience.

There will be dancing at the Arcadia four nights weekly, under the personal direction of Mr. and Mrs. Mosher. For the opening tonight, special attractions have been engaged, including

Tartar on Teeth

Shows That You Don't Clean Them—Note These Facts

All Statements Approved by High Dental Authorities

This is to men and women who find that brushed teeth discolor and decay. Who find that tartar forms, or pyorrhea starts. You are not keeping teeth clean. You let a film remain and the damage is traced to it. Dental science has found a way to end film. It is now embodied in a dainty tooth paste which millions are employing. We urge you to try it ten days at our cost and see the results for yourself.

That Film on Teeth Can Now Be Ended in This Way

You can feel on your teeth a slimy film, ever-present, ever-forming. That film is the great tooth wrecker. Dental science now traces nearly all tooth troubles to it. The film clings to the teeth, gets between the teeth, enters crevices and stays. The tooth brush does not end it. The ordinary dentifrice does not dissolve it. So millions find that teeth discolor and decay despite the daily brushing.

Why Teeth Discolor

That film is what discolors—not the teeth. It is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea. Dental science, after years of searching, has found a way to combat film. Many able authorities have proved its efficiency. For five years it has been subjected to every sort of clinical and laboratory test. Now, for home use, it is embodied in a dentifrice called Pepsodent. Leading dentists all over America are now urging its adoption. This week we offer a 10-Day Tube to anyone who asks. And we urge that someone in every home prove its unique effects.

DENTAL INSPECTION OF 100,000 CHILDREN

Department of Education May Open Depots Thru-out Province.

That co-operation between the government, the inspectors and the dental profession was responsible for the vastly improved condition of the school children of the province in regard to the care of teeth, and consequent improved health, was evident from the speeches delivered yesterday at the complimentary banquet given by the oral hygiene committee of the Ontario Dental Society in the King Edward Hotel.

Dr. Conboy said that parents were being educated to the necessity of having their children's mouths and teeth kept clean, and arrangements had been completed for the inspection of 100,000 children thruout the province, which would be accomplished with the assistance, without remuneration, of 350 dental practitioners.

OLD ELI HAD TO MAKE NEW RECORD TO DEFEAT JOE WRIGHT'S CREW Many who followed of rowing shook their heads when they read on Monday morning that Yale had scored a double victory over Joe Wright's Penn crew.

blue-tipped blades, seemed set for early annihilation, but the scale turned when Penn's stamina was bitten away by the Saturday stroke, and the rhythm of the ten-thirty American Henley course on the Schuylkill. In winning the Varsity race race, showing how well trained the Toronto crew had become.

When the flag fell as the nose of the Yale shell shot across the line that last pinch of Penn power was expended in a despairing "ten strokes," and Frank, at No. 2 in the Quaker boat, Captain Kehler at No. 6 and Ellison, at No. 7, fell forward in their seats utterly spent.

Yale had to overcome an early lead of Joe Wright's crew, had to wear down the study Penn oarsmen of proved stamina, courage and skill; had to drive in the teeth of a strong wind that drove an incoming tide directly into the bows of the shell.

Heath jumped into the lead at the moment old rowing men who saw the eight blue-jerseyed oarsmen, all more than six feet tall, in a brand new English shell, lighter and pricier than in the water than the Penn boat, with its long-reaching, apparently slow, heavy stroke, wild power that was not to be stopped once it was set under way.

ONE YEAR IN JAIL SENTENCE RECEIVED BY STRIKE LEADERS

Announce Terms for Ivens,
Pritchard, Johns, Queen
and Armstrong.

ALSO JAIL FOR BRAY

Winnipeg, April 6.—(By Canadian Press)—Sentence was pronounced on the six convicted strike leaders by Mr. Justice Metcalfe at the assize court today. William Ivens, George Armstrong, W. H. Pritchard, John Queen and R. J. Johns were sentenced to one year on each of the six counts of seditious conspiracy on which they were convicted and to six months on the count of common nuisance, sentences to run concurrently, making the term to be served by each in the provincial jail, one year. R. E. Bray, found guilty of a charge of common nuisance, was sentenced to six months in the provincial jail.

Before being sentenced, each of the convicted men, with the exception of William Ivens, when asked if they had anything to say, condemned the trial as unfair and reiterated their adherence to the principles of the right of general strike and free speech.

Sympathizers Crowd Court.
Crowds of sympathizers thronged the court and crowded the halls in the court house. They were more orderly and took the announcement of the sentence without any demonstration. Preparations had been made to care for any demonstrations which might have been made, and squads of provincial police and R.N.W.M.P. were stationed in the court house. The convicted men while waiting for the court to convene conversed freely and apparently light-heartedly with their families and friends in the court. John Queen, in particular, keeping the relatives of the prisoners, who were in the jury box, in laughter with witty sallies.

Had Nothing to Say.
When Mr. Justice Metcalfe entered the court he asked for the indictment and asked William Ivens, the first of the convicted men, to be sentenced, if he wished to say anything. Mr. Ivens stated that he did not and was sentenced.

As each of the convicted strike leaders received the sentence, he was taken in charge by one of the court bailiffs and removed to the provincial jail. The families of George Armstrong and R. E. Bray followed them from the court and were allowed a few minutes in privacy.

Bray Causes Sensation.
A sensation was caused in the court when Mr. Justice Metcalfe interrupted R. E. Bray, in his statement, and told him that he had just committed a more serious offence than that for which he was about to be sentenced. He had, in his reference to the court as being biased, laid himself open to summary sentence for an indefinite period.

Crown counsel at the conclusion of the session asked the court to take action against the accused Bray to uphold the dignity of the court.

Upholds Judiciary.
Mr. Justice Metcalfe stated that the status of the judiciary of Canada was being lowered by members of the legislature under the cloak of privilege. He was tired, he said, of trying to uphold the dignity of the court when this was going on. The time is coming rapidly, he declared, when men chosen for the honorable position of judge, will prefer their own private practice. It should not, he said, be left to the judges to uphold the dignity of Canadian law. Men should not be allowed to make speeches such as are being made daily in reference to the trial of strike leaders, in which they refer to him as being a representative of the "capitalistic class."

Statement by R. J. Johns.
R. J. Johns was the second man to be sentenced, and in a statement made to the court declared that anything he had done had been done on the order of the men he represented. "I am pleased that I carried out the work, I feel that it is my life work," he declared, and went on to point out that any man who had not worked with the workers could not understand the psychology of the working class. Men outside the working class, he said, did not understand the needs of the worker.

Social Ownership Coming.
The crown, he said, had contended that there were no classes in Canada. There were two classes—a working class and a capitalist class—who opposed each other. Social ownership, he claimed, was inevitable in time to support human life. The strike, he said, was inevitable and brought on by the citizens' committee who were afraid of the organization of the one big union.

"They beat us," he said. "I admire them for it. They beat us because we did not know enough. Punishing men will not stop it. The psychology is there and will remain. Had we been dead the one big union would have gone thru this process of formation."

View of Pritchard.
Pritchard stated that he felt the same way as Johns, and went on to say that he was ready to go to jail to serve the sentence of the court, but "I go to jail realizing that if man is to be true to himself he cannot then be false to any other man," he declared.

Ald. Queen referred to the opposition he and his comrades put up when Justice Metcalfe was appointed to take charge of the trial. He claimed that Justice Metcalfe could not help but be prejudiced. He also claimed that the farmers, who had suffered losses thru the strike, were not proper men to serve on the jury. "We knew hang anyone who had been on strike," he exclaimed.

He claimed that he was convicted merely because he was on the city council and did not prove suitable to the citizens' committee.

"Fruit-a-lives" Restored Her to
Perfect Health.

158 Papineau Ave., Montreal.
"For three years, I suffered great pain in the lower part of my body, with swelling or bloating. I saw a specialist who said I must undergo an operation. I refused.

I heard about "Fruit-a-lives" so decided to try it.

The first box gave great relief, and I continued the treatment. Now my health is excellent—I am free of pain—and I give "Fruit-a-lives" my warmest thanks."

council and did not prove suitable to the citizens' committee.

Geo. Armstrong Nervous.
When George Armstrong rose to speak he was very nervous. He went into a lengthy outline of the doctrines he had advocated, but was interrupted by Justice Metcalfe, who asked him if he had anything to say as to why the court should not sentence him.

Armstrong stated that he had not been on strike, was not a strike leader and that, in his mind, the law had been given an unparalleled elasticity to cover his particular case.

Bray Claims Unfairness.
Bray when making his statement repeatedly caused the court's displeasure by stating that he had not had a fair trial, that the trial and the verdict were a travesty of British justice and referred to Mr. Justice Metcalfe as biased.

Bray continued by stating that the class struggle had been plainly shown in the trial when well-dressed women had been given reserved seats in the court to gloat over the suffering of himself and comrades.

Application for a reserved case on behalf of the six convicted leaders will be made some time this week, Truman, K.C., counsel for the defence, stated. The defence stated that they were at present preparing material for the application.

IRISH PICKETS BOMBARD FROM AIR

(Continued from Page 1.)
companied the exploits of the pickets so far, is something more serious to which the government is giving careful consideration. The international fringe of the affair, officials feel, make it of more moment than the demonstrations of the militant suffragists which were considered quite important a year ago.

The resumption of the picketing was marked early in the day by the arrest of four women pickets on charges of violating a federal statute making it a felony to offer an insult to diplomatic representatives of a foreign government.

The women who were arrested, gave their names as Mrs. Honor Walsh, Germantown, Pa.; Miss Elaine Barrie, Philadelphia; Miss Helen O'Brien, St. Louis; Miss Kathleen O'Brien, Philadelphia.

The arrests followed quickly the decision of United States Attorney Laskey, that continued picketing would provoke application of the federal statute.

The first detachment of women picketed the embassy at noon, bearing banners. Before a crowd had opportunity to collect, a police patrol dashed up. Captain Robert Emmet Doyle and Inspector Daniel Sullivan asked them if they were aware they were picketing the British embassy. Both pickets smiled and nodded their assent.

They were informed they were violating a federal statute and would be arrested unless they desisted. The women resumed the picketing and police women took their banners and arrested them.

Aerial Forces in Action
As soon as word of the arrests reached the headquarters of the pickets, another raid with fresh banners were despatched to the embassy. The police repeated the arrests, the land pickets desisted and the aerial forces came into action.

United States Attorney Laskey placed the bond for each arrested woman at \$1,000. It was not furnished and the women were locked up, for a hearing in police court tomorrow. Frank P. Walsh of Kansas City, Mo., who represented Irish independence claims in Paris in 1918, has been retained as their counsel.

The British embassy has made no complaints of the picketing to the state department. Leaders of the women refused tonight to divulge the plans for tomorrow. They stated no bail would be offered for the women under arrest.

Round-Table Conference Closed Librarians' Session

The Ontario Library Association closed their sessions yesterday at noon, the only feature after luncheon being an informal round table conference on "Reference Work" conducted by Miss Frances Slaton and Miss Elizabeth Mott, of the Toronto Reference Library.

"The advantage of a wide organized library" was spoken on by E. A. Dickenson, B.A., Wallaceburg, in the forenoon. Other features were a discussion on "In-building of a Really Representative Library," introduced by Miss Agnes Levesque; "The Clergyman and the Public Library," by Rev. J. J. Patterson, B.A., Sarnia, and a meeting of the executive.

CON. JONES ABANDONS ATTEMPT TO BRING OUT SOCCER TEAM

Montreal, Que., April 6.—Con. Jones has definitely given up all hope of prevailing upon any Old Country soccer team to go on a trip thru Canada, according to information received here today. He will return here on the eighteenth of this month.

From THE COMMISSIONERS OFFICE
TERRITORIAL HEADQUARTERS
Toronto Ont.

An open letter
To the Citizens of Toronto and Ontario.

Fifty years ago, our Founder consecrated the Salvation Army to God and humanity, and its war against sin commenced. Since then the work of the Army has extended into sixty-six countries and its Officers speak forty-two languages.

All over the world this year friends of the Salvation Army are planning to raise a special Jubilee Self Denial Fund as a tribute to the memory of the Founder, and also to enable us to carry on and extend urgently necessary operations in Canada and abroad.

Every year the public have supported our Self Denial Effort, but extra liberal and generous aid is being begged to go far beyond all previous efforts in its Christian and Social Service.

If our work meets with your approval, may I hope that you will set aside a portion of your charitable donations for our appeal May 15th to 22nd.

Yours in His love and service,
W. F. Richards
Commissioner.

"Hold" your purse— The "Army's" coming!

The world-wide Jubilee Self-Denial Appeal of The Salvation Army will be made in the week from May 15th to 22nd.

The objects for which money will be used are:

- (a) To meet the insistent new calls that press in upon us from every side.
- (b) The continued maintenance of our work in Canada, and
- (c) To carry on work in mission fields that are not financially self-supporting.

To-morrow we shall explain these causes of appeal.

The Salvation Army Jubilee Self-Denial Appeal May 15th to 22nd

ADVANCE IS SHARP IN SPANISH RIVER

Preferred Stock Up Eight Points, and Bid for Common—Up Three.

A sudden, sharp advance in quotations for Spanish River issues to high record levels, reflecting the upturn in these stocks in Montreal, was a leading feature on the constructive side of the Toronto market yesterday.

The market in general did not develop any pronounced trend, and in the afternoon trading dwindle to a small total.

STRENGTH SHOWN BY PAPER STOCKS

Spanish River Issues. Laurentide and Brompton Prominent—Detroit United Weak.

Montreal, April 6.—Trading in local stocks on the Montreal stock exchange today amounted to 23,469 shares, one of the most active days in the past month.

The paper stocks were the predominant feature of the market, undoubtedly influenced by the heavy demand for the Spanish River shares.

What can compare (says the smoker) with that rare exaltation that comes of a fine Spring morning as, a good breakfast well disposed of, you tramp briskly to the office with the favorite briar drawing full and free? The cheery little influences of the season, the sunshine, and the pipe—even Robert Louis Stevenson rhapsodized a bit over this combination of delights.

When a man buys a pipe nowadays, he seeks one that will stand by him. One that will ripen into age. He desires a good pipe.

Simpson's specializes in high-grade smoking outfits. Reliable briars; reliable makes; attractive prices. You will be pleased with the assortment.

Bridal Lingerie

"Happy the bride on whom the sun doth shine," it is true—but happy the bride whose good fortune it is to choose her lingerie from the gloriously colorful collection of new and exclusive designs which have just reached the Department devoted to their showing.

Here are the drifting pinks and snowy whites of apple and cherry-blossoms—there a glimpse of Summer sky in a fetching blue satin chemise.

Nymph-Like Garments

Then, as if to tell of Fashion's delightful whimsicality, come dainty nymph-like silken garments, which combine such rare colorings as gray and rose, lavender and flesh, vivid jade and peach, orchid and Nile. So radiant a symphony that you just catch your breath with admiration and long to know just which to choose.
