

## WARDEN BUTTREY THINKS COUNTY WILL FALL IN LINE FOR JOINT BUILDINGS!

City and County Met This Morning and Had an Informal Talk in Which the Best of Feeling Prevailed—Another Session Friday.

## PROSPECTS APPEAR BRIGHT NOW FOR SELECTION OF COURT HOUSE SITE

Chairman Hawkshaw Says Some Councillors Regret That the Motion for City to Pay 75 Per Cent. and County 25 Per Cent. Did Not Pass.

A two hours' conference was held at the city hall this morning between the special committee of the city council and the joint committee of the county council, relative to joint municipal buildings. No definite propositions were submitted, but it was decided to meet the county council on Friday evening, when propositions will be considered and the matter perhaps finally disposed of.

The meeting this morning was an informal talk between the representatives of the various municipalities, and the whole situation was thoroughly canvassed. Judging from the temper of the gathering, there is every prospect of the county and city getting together.

There were three different phases of the question discussed—joint buildings, including court house, jail, and municipal offices for city and county, a joint municipal building without either court house or jail, merely to accommodate the offices of the city and county, and a free site for the city on which to erect a city hall.

The county representatives took part in the discussion, and seemed to be conversant with the whole situation.

### MAYOR EXPLAINS CITY'S POSITION.

Mayor Graham occupied the chair, and introduced the subject. He pointed out that the different phases should be carefully considered. The meeting would be, he said, an informal talk on the whole situation.

"We went to the county some months ago with a proposition covering the erection of buildings to replace all the structures on the court house square," explained his worship. "We offered to bear 65 per cent of the cost of these buildings, and the county 35 per cent. I am afraid the county did not realize exactly what our offer meant. We were in addition to purchase the rest of the block to make it a proper square, improve it, and erect a monument for the city as well as the county. Moreover, we were to assume the liability for the work already done in repairing the court house. That was indeed a generous offer we made. However, it was not accepted, and now we come to talk the matter over. Since we last met another phase to the question has arisen in that joint municipal buildings, without reference to court house or jail, are to be discussed as well. Some suggest a free site for a city hall alone on the court house square, but I am not particularly in favor of that, nor is the council so far as I am informed. Now we can talk the matter over informally and see what can be done."

### COUNTY WILL FALL IN LINE.

"My own opinion is that the county council will fall in line with the proposition for joint municipal buildings," said Warden Buttrey. "It will be some time, perhaps not long, either, when we will have to discuss court house and jail matters, but at the present time it is my opinion that we could discuss a building for municipal offices only better than the larger proposition."

"Have the city council discussed percentages?" asked Chairman Hawkshaw. "We would like to know what proposition we are to receive from the city council. Some of the county councillors regret that the motion that the city pay 75 per cent and the county 25 per cent did not pass. I think it should have passed."

"We regretted that fact, also," answered Mayor Graham. "Had it passed we would have gone further, and I think we could have agreed on a basis of 70 per cent and 30 per cent. That would have been acceptable to the city council, and would have settled the matter."

Councillor Beach expressed the opinion that the smaller proposition would be more acceptably discussed by the council.

### A Prison Farm.

"There is no question but that a prison farm will be established in Middlesex before long," he stated. "For that reason it would not be wise to consider the jail in the discussion whatever. The court house as repaired will do for some time yet. We could make use of new municipal buildings, and the county councillors will talk that over with you."

"That is all very well, but I think that the larger proposition, which would include a prison farm, should be discussed by you at this time," declared Mayor Graham. "If the court house and jail are to be built without reference to the present negotiations, you must remember that the county, not the city, will have to pay the lion's share of the cost. It will be at least on a basis of 50 per cent each. I doubt that we would pay that much. For joint buildings alone for municipal purposes, we would have to pay the major portion, as we would use it more and need much more room."

"I doubt that the county councillors will listen to the larger scheme," said Councillor Beach. "I think that idea is losing ground."

REV. DR. MCQUEEN, New Moderator of the Presbyterian General Assembly.

## JOHNSTON MAY BAR OUT POWELL

Umpire Says He Will Keep London Player Off Field in St. Thomas.

## NO SUSPENSION AS YET

President Fitzgerald Had Not Been Heard From Up Till 2:30 This Afternoon.

[Special to The Advertiser.] St. Thomas, June 6.—No word has been received from President James Fitzgerald as yet of the suspension of First-Baseman Powell, of the London team, who was put of yesterday's game at Pinaford Park by Umpire "Chief" Johnson when he called Johnson names and stepped on his toes.

However, Umpire Johnson states that he will not allow Powell to play in today's game, and it is likely that Manager Bowerman will be seen at the initial corner in both games this afternoon.

While Umpire Johnson can keep Powell out of the games today is a question. He only banished him during yesterday's game, and it is doubtful whether he has the power to prevent Powell from playing today, unless acting on instructions from President Fitzgerald.

## SPARLING CASE VERDICT CAUSES SURPRISE

Jury Decides Against Dr. Macgregor, But Appeal Will Be Entered.

[Special to The Advertiser.] Bad Axe, Mich., June 6.—The jury in the Sparling case, after three days' deliberation, returned a verdict of guilty against Dr. Robert Macgregor. The verdict came as a surprise to all, as it had been decided by those who heard the evidence that there was uncertainty about a disagreement at the very least. The conviction is based upon circumstantial evidence largely. It is said that there was not one American-born citizen on the jury which brought in the verdict. The entire community seems to feel deep sympathy for the doctor and his relatives.

Mrs. Carrie Badie Sparling is now awaiting trial on a charge of murder, and it is believed that the facts adduced will throw favorable light on the connection of Dr. Macgregor with the case.

It is certain that an appeal for a new trial will be entered, and it is expected that the young physician will eventually receive complete vindication.

Protests His Innocence. "There is a God above who knows I am innocent. I am glad there is another Judge."

These were the words on the lips of Dr. Macgregor as he was led to his cell in the Huron County Jail after he had been convicted.

"Dr. Macgregor is the coolest man in Huron County today said the sheriff this morning. When I went up to take him his clothes, he was sleeping peacefully."

No hint has been given by the judge as to the time sentence will be pronounced. It was reported this morning that the prisoner would hear the sentence this afternoon, but the rumor was discounted.

The Case Against Mrs. Sparling. Prosecutor Boomhower has announced that Mrs. Sparling will surely be tried, but her case probably will not be called until fall.

The case of the people against Margaret Gibb, the nurse who is charged with being an accessory after the fact, will be placed on the docket at the next term of court, according to Mr. Boomhower, but the charge against her will not be pressed if she gives the prosecution all the information regarding the Sparling case which she possesses.

Reports differ among the jurymen as to the number of ballots taken in the court room of the prisoner's guilt. One of the jurors said that two ballots were taken, the first resulting in a vote of ten to two for conviction and the second resulting in the unanimous vote. Three ballots were taken, according to another report, the first standing nine to three for conviction, the second ten to two, and the third twelve for conviction.

THOS. WILKINSON DEAD. Brockville, June 6.—Thos. Wilkinson, a leading citizen of Brockville for more than half a century, died today at an advanced age. He was one of the founders of the Brockville Gas Company in 1853, afterwards becoming general manager, which he held until the plant was taken over by the town in 1900. He also established the Central Canada Coal Company, of which he was president. He was well known as a currier. His wife, four sons and a daughter survive.

## BALLPLAYERS HAD CLOSE CALL WHEN AXLE OF AUTO BROKE

Accident to Manager Bowerman's Car on St. Thomas Hill.

[By Our Own Man.]

St. Thomas, June 6.—Manager Frank Bowerman, of the London baseball team, and three of his players—Cocash, Powell and Fursedon—had a miraculous escape from serious injury yesterday afternoon, when the rear axle of Bowerman's automobile broke as they were coasting down a long hill just north of St. Thomas. One of the wheels fell off, and the car swerved

into a ditch, throwing Manager Bowerman and Cocash out. A slight ridge prevented the car from tumbling down an embankment. None of the party were seriously injured, although badly shaken up. The car was only travelling about 20 miles an hour at the time and the foot brake was on. When the broken axle was examined after the accident it was discovered that there had been a break in it for some time.

A car from a St. Thomas garage arrived on the scene shortly after the accident and assisted the party in, besides the axle, the brake rode of the car were also broken.

## MONTREAL PROTESTANT COLLEGES MAY COMBINE THEIR FORCES

Proposal Was Presented to London Methodist Conference By Principal Smythe—Rev. A. J. Langford Elected President of Theological Union—Prof. Duxbury Addresses Convention.

[Special to The Advertiser.]

St. Thomas, Ont., June 6.—The morning session of the London District Methodist Conference was largely given up to a recital of the Book of Revelations by Prof. John Duxbury, of the School of Elocution, Manchester, England. Mr. Duxbury's reading and interpretation met with much applause.

The annual meeting of the Theological Union resulted in the election of the following officers, President, A. J. Langford, secretary, Rev. R. Fullerton Irwin, Rev. W. L. Hiles, Harrow, was chosen as lecturer for

next year to succeed Rev. Mr. Langford.

Rev. Principal Smythe, of Wesley Avenue Theological College, Montreal, addressed the conference for a few minutes on behalf of that institution. He announced that a plan had been evolved by means of which the four Protestant colleges of Montreal might combine forces, each getting the benefit of the best minds on the faculties of the other schools, while retaining its own individuality. The conference heartily endorsed Principal Smythe's address and expressed continued confidence in the work of the seminary.

## TWENTY-SIXTH REGIMENT WILL MARCH FROM LUCAN CROSSING

Middlesex Corps Will Have a Special Train Part of Way to Goderich.

Mr. J. C. Crombie, master of transportation of the Grand Trunk, spent some time this morning conferring with the officers of No. 1 militia division, regarding the moving of the troops of Western Ontario to the Goderich camp.

The city regiments from London, Woodstock and St. Thomas will go up

on Sunday, June 23, and will all be sent through this city. Chatham and Windsor are due on June 24, and may be turned north on the London, Huron and Bruce from Hyde Park. However, if the weather conditions are unsuitable, it may be necessary to bring the trains to London for ice and water.

The Twenty-sixth Regiment is to have a special train to Lucan Crossing on June 17, and will march from that point to the camping grounds, and then perform along the lines of actual service. The Grey's Horse, the First Hussars and the other rural regiments are to be moved on June 17 also.

## REV. J. E. FORD OF CLINTON LOOKS LIKE NEW PRESIDENT

[Special to The Advertiser.]

St. Thomas, June 6.—The elections are in progress this afternoon, and the opinion is strong among the delegates that Rev. J. E. Ford, of Clinton, will

be the new president of the conference. It is known that Mr. Ford has received a very large vote, and there appears no doubt of his election.

## GENERAL ASSEMBLY DEBATE COLLEGE FOR SASKATOON

Great Reception Accorded the New Moderator, Rev. Dr. McQueen.

[Canadian Press.]

Edmonton, Alta., June 6.—The work of all the colleges of the church is being considered by the General Assembly of the Presbyterian Church today. Seven institutions sent in reports and arrangements have been made to secure from the assembly permission to create a new one at Saskatoon. Matters in connection with the colleges relate chiefly to those in the West, where changes are taking place in the teaching staff.

No successor will be named by the assembly to Rev. Dr. Patrick, the late principal of Manitoba College. The board of management of the college will be given power to make the appointment. A similar action will be taken in connection with the appointment of a professor at Robertson College, Edmonton. There is some difference of opinion among the delegates with reference to the creation of a new college at Saskatoon.

Queen's University. The committee appointed to meet the trustees of Queen's University makes a report concerning the sever-

ance of the tie which formerly bound that institution to the church, and indicates that all was done in accordance with the wishes expressed by the assembly. The theological college at Queen's reported a very successful year at that institution.

The New Moderator. The election of Dr. McQueen as moderator of the assembly is greeted with much pleasure by the citizens of Edmonton, as well as by the members of the assembly. The warmth of the assembly, the theological college at Queen's reported a very successful year at that institution.

The various committees of the assembly commenced work at 9 o'clock this morning. Twenty-two minutes of other charges are asking to be received in the communion of the Presbyterian body, and 26 infirm ministers are asking leave to retire. Mention has been made of the great loss sustained during the year by the death of ministers and elders of the denomination, and for one of them, Dr. Robert Murray, of Halifax, it is proposed to create a public memorial. Dr. Murray was for more than 50 years editor of the church paper of the Maritime Provinces, and was commonly known as the author of the hymn, "From Ocean Unto Ocean." Special reference was made by the retiring moderator last night to the lamented death of the late Principal Patrick, who was for a number of years a most prominent member of the court.

LONDON MEN GET POSTOFFICE JOBS

Messrs. Spry and Ruse Are Named for Positions at G. T. R. Depot.

## SPRINGBANK PARK IS MECCA OF SCHOOL CHILDREN OF LONDON

Thousands of Happy, Singing Little Ones Carried on Scores of Special Cars Down the River for the Annual School Picnic—Big Programme of Sports.

Springbank Park is the Mecca of all the Collegiate and public school children in the city, and over 6,000 youngsters are now having the time of their lives at the annual school picnic.

From early morning until noon, a steady stream of street cars took the shouting, joyous youngsters to the Park. Those living within blocks of a street railway line were fully aware that the picnic was on. Every school had its peculiar yell, like regular college boys, and they gave vent to it on the slightest provocation.

Inspector Edwards and the trustees personally superintended the transportation of the youngsters to Springbank. They arrived safely, and at once divided into sections, where the various sports were held.

The day did not open auspiciously. Early in the morning it rained, and when the first carloads went to Springbank, it looked cloudy and dark.

However, it brightened during the morning, and at noon it was an extremely pleasant day.

### Weather Not Ideal.

It was cloudy during the early portion of the afternoon, but there is no chance of rain, and as a result, the play of the youngsters will not be interfered with.

This picnic always furnishes great amusement for the youngsters. The prize lists are generous, and with scores of children for every event, the races are keenly contested.

So far no accidents have been reported. The teachers are in charge of each class, and the greatest of care is being taken to prevent any such occurrences.

"Everything is going along finely," declared Inspector Edwards. "The children were taken down in good time, and without mishap. The weather is good, and the arrangements perfectly satisfactory. I am satisfied with the day so far."

## DUCHESS OF CONNAUGHT WELL ON ROAD TO CONVALESCENCE

Doctors Issue Optimistic Bulletin—Duke Visits the Royal Patient.

[Canadian Press.]

Montreal, June 6.—That the Duchess of Connaught is now well on the road to convalescence is indicated by the bulletin issued at ten o'clock this morning by the doctors attending her royal highness after a conference at the Royal Victoria Hospital this morning.

The forces of medical advisers at hours

tending the duchess has now been augmented by the presence of Dr. W. F. Hamilton, a prominent local specialist on women's diseases and nervous troubles.

The bulletin follows: "Her Royal Highness the Duchess of Connaught passed a fairly good night, and is making as satisfactory progress towards recovery as can be expected. Dr. W. F. Hamilton has been called in consultation. (Signed), E. S. Worthington, M. D., A. E. Garrow, M. D., W. W. Chipman, M. D." The duke visited the hospital this morning and stayed for a couple of

## TO FORM A HUMANE SOCIETY

There will be a meeting in the board of trade rooms on Friday evening to organize a Humane Society. For some time there has been a society in connection with the Charity Organization Society, but it is the intention now to work on more independent lines, so the meeting is called to make the arrangements necessary for the organization and secure funds. An active campaign to prevent cruelty to animals will be undertaken. For this purpose an independent inspector will be appointed.

## \$8,455 FOR THE HOSPITAL BUT FUND IS STILL SHORT

Contributions Are Still Coming in and More Is Urgently Needed.

Much-appreciated contributions still continued to come into the fund being raised for the improvements required in that ward of Victoria Hospital in which malignant diseases are treated, and the trustees have pleasure in acknowledging the following:

Previously acknowledged \$7,935 00  
Wm. J. Wright ..... 10 00  
M. Hornstein ..... 5 00

Geo. C. Gunn ..... 25 00  
A. Friend ..... 25 00  
Charles Chapman Company ..... 10 00  
Thomas Bryan ..... 25 00  
Anonymous ..... 50 00  
G. N. W. Telegraph ..... 25 00  
Dr. Hadley Williams ..... 20 00  
Bell Telephone Company ..... 100 00

\$8,455 00

The fund is still considerably short of the amount required, however, and the trustees hope that the generosity of those friends of the hospital, from whom they have not yet heard, will enable them to eventually realize their needs for this purpose.

## BELAYED EACH OTHER WITH THEIR LANTERNS

A Vicious Fight in a Caboose On the Pere Marquette Railway.

A fight between two Pere Marquette brakemen who became involved in an argument in their caboose on a siding here about midnight was reported to the police, together with the information that both of the men, whose names were given as Mike O'Toole and J. A. Millen, had been somewhat seriously injured in the exchange of blows.

Dr. Hugh A. Stevenson was also summoned, and fixed up a couple of cuts on the head of Millen, while O'Toole departed for Victoria Hospital with a felled leg. Later he was found on the street, but since then nothing has been heard of him. It is understood that he left this morning for his home at St. Thomas.

According to the story of other railroaders both men had been friendly, but a row started in some manner in the caboose, and before Conductor Harry Norman, of 113 Colborne street, could interfere, each was belaying the other with his lantern.

When O'Toole was found in a weakened condition with blood oozing from his head it was thought that he was dying to death, but examination showed that there was no ground for such fears.

## IMPROVEMENTS MADE AT VICTORIA PARK

Commissioners Heard Report of Superintendent Dilger.

The parks commissioners held their first meeting since organization this morning, and talked over matters in general.

Mr. W. Dilger, parks superintendent, was present, and informed the commissioners what had been done up to date. The boulevard at Victoria Park had been removed, and the cannon placed on permanent foundations. Satisfactory progress was being made in other matters. Plans for a lavatory on Victoria Park were being prepared.

Those present at the meeting were Mr. John Murr, chairman, W. E. Saunders, W. W. Gammarie, Emery B. Hamilton and Mr. William Dilger.

## Relay Winners Who May Make the Olympic Team

WAGONER, OF YALE, VAULTING—PHILBROOK, OF NOTRE DAME.

Despite horrible weather conditions, close enough to the record to assure him a place on the team that will go to Sweden.

Philbrook, the Notre Dame giant, won the shot put and discus throwing. His closest rival was Whitney, of Dartmouth. Philbrook put the 16-lb. shot 44 feet, and threw the discus 125 feet 5 1/2 inches.

One of the meet's sensations was young Wagoner, a Yale student, who won the pole vault at 12 feet 5 inches.

## THIS "UMP" DESERVES A CARNEGIE MEDAL

[Canadian Press.]  
Tulsa, Okla., June 6.—Four fist fights, the ejectment from the grounds, the jailing of the umpire, and the fainting of a ball player, served as a prelude to yesterday's game between Tulsa and Okmulgee, of the Oklahoma State League. Umpire McKee, after someone had questioned his sobriety, engaged successfully in fist encounters with Owner Beckley, of the Tulsa club, Manager Gardner, of the Okmulgee team, two players of the latter team at once, and again, after the game had begun, with volunteers acting as umpires with Manager Pryce, of the Tulsa club. This last fray was at its height when Shortstop Black, of Okmulgee, out of the game and in the grandstand, fell in a faint. Four policemen restored order, and removed the umpire. Tulsa won the game, 4 to 1.

## HORINE, GREAT LEAPER, ASKIN STREET WINS FROM HILL STREET

It Will Not Go Down on Records, As It Was Not in Contest.

[Canadian Press.]  
New York, June 6.—George Horine, the sensational high jumper from the Pacific coast, who recently hung up a world's record of 6 feet 7 inches, bettered that mark in practice yesterday at Travers Island, where he is the guest of the New York Athletic Club, leaping the remarkable height of 6 feet 8 1/2 inches.

Horine's great leap will not go down on the records, though it was accurately measured with a steel tape by Slim P. Gillies and C. C. Childs, the former Yale athlete. It was not made in a contest. It was nevertheless the greatest unaided leap ever made.

## ORCUTT TOO SLOW FOR SAGINAW, EVEN

Former Brantford Third Baseman Who Was Drafted by Tigers Is Sold to Muskegon by Saginaw.

Saginaw, Mich., June 5.—Owner Burkart today announced the sale of Third Baseman Orcutt to the Muskegon, Michigan, State League Club. Orcutt will join Muskegon tomorrow, after the game. Infielder Lavens, the Detroit boy, who played with Saginaw last year, was bought by Jackson. These are two of the first players of Burkart's over-sized squad to go in order to get down to the 13-man limit in the required time. More will be released daily.

Third Baseman Evans, who was signed Tuesday, joined the team today.

## STRATHROY TEAMS PLAY A TIE GAME

St. Andrew's and St. John's Are Pretty Evenly Matched.

[Special to The Advertiser.]

Strathroy, Ont., June 4.—Before a large and enthusiastic crowd, the St. Andrew's and St. John's football teams met this evening for their second contest at Alexandra Park. The game was very fast throughout, with the Englishmen forcing the play during the first half, but being unable to score on several easy shots, owing to the stone-wall defence put up by Chapman, who played goal for the Scots. Chapman started throughout, and gives promise of being a "big leaver" in the future, as he certainly plays a nice game for one so young. Mr. Chapman has only recently become a citizen of our town, and promises to be a great addition to the sporting life of this burgh. Derby Mitchell on the forward line starred for the Englishmen. The Englishmen scored the first shot after 40 minutes of play. The score was 1 to 1.

The standing of the teams is as follows:

	Lost.	Won.	Tied.
St. Andrews	0	0	2
St. John's	0	0	2
Methodists	0	1	0

The remaining games of the schedule will be followed with great interest by our citizens, as a handsome silver cup has been donated by the merchants of the town for the league winners.

HORSE TALK

Orphan Annie is working in a way which leads the North Randall railbirds to concede her a chance in the 3-year-old futurities. This filly is by Ed Custer, and was given her lonesome name because her dam, Belle Vana, the old Michigan trotter, died at the time the little one was foaled.

A bay colt which is an own brother to The Leading Lady, 2:07, is one of the newcomers at Lexington. The track at Rockingham Park, Salem, is being cut down to the regular mile. It was a mile and eighth, having been built for runners.

Carolina, 2:07 1/4, is back in the blue grass, but this time as a brood mare. She will be mated with Bingen, which should mean something.

Walter Moore, of the Horse Review, has joined the admirers of Jack, by Alliewood, that is being educated for the M. and M. by Scott McLane at Coldwater.

Peter V. Johnston is going to train a few at Kalamazoo. One of them is a trotter called S. B. Walker, with no known blood lines, but a lot of speed.

Heartless is the name of a bay filly by Great Heart out of Mary D., that will be named in the Michigan breeders' stake for 3-year-old pacers by Fashion Stock Farm.

Blaxell is in training again, and Harry H. Hoffman hopes to get to the races with this son of Axtell. Two years ago this one trotted in 2:13, but he has been a bad luck horse.

Elizabeth Ray, 2:09 1/4, is going nicely for Snow, and promises to be a great factor in some of the 2:10 classes this year. The mare is owned by R. F. Monroe, of Pontiac, who also has a couple of young things in the Snow stable, each of which is a first pacer.

## TOURNEYS AT THE EARL'S COURT FETES

A Great Spectacle Is Scheduled To Be Put on in July.

## ROYALTY ENTERS LISTS

Eight English Knights Will Engage in Jousts on the Field of Honor.

London, June 6.—Earl's Court has been the scene of many notable exhibitions, and historic spectacles, in the last 20 years, but never has it proved so great an attraction to both society and the general public as "Shakespeare's England," the happy inspiration of Mrs. George Cornwallis-West.

For the first time in Earl's Court history, except perhaps when the late Duke of Cambridge opened the summer exhibitions for several years in succession, it was attended by royalty on the opening day, when Mrs. Cornwallis-West escorted Queen Alexandra around the exhibition.

But Mrs. Cornwallis-West's supreme effort is yet to come, for in July there is to be held a great Elizabethan tournament. To assist her in arranging it she has got together an influential committee, including the Earl of Lonsdale, Col. Gordon Wilson, Seymour Lucas, R. A. F. Cripps-Day, Guy Laking and Viscount Crichton.

Royalty Enters Lists.  
The large hall at Earl's Court is being transformed into a field of honor. Through gateways, designed after those of Warwick Castle, will enter the eight tilers to the claron notes of a dozen trumpeters stationed on the battlements, and among the combatants will be the Earl of Craven, Lord Crichton, Lord Brooke, the Duke of Marlborough and Lord Ashby St. Ledgers.

"The Invention of the Triumph" will be presided over by Lady Curzon, as Queen of Beauty, attended by half a dozen ladies in waiting, and a long procession of the flower of English beauty, all on horseback. The "Ballet des Chevaux" will form a gorgeous interlude, in which will be seen many beautiful women, including the Duchess of Westminster, the Princess of Piess, Lady Ashby St. Ledgers, Lady Wolverton, Lady Ponsonby, and Miss Muriel Wilson.

The tourney will close with a melee in which the knights, including the Earl of Lonsdale, the Earl of Essex, Lord Sackville, Lord Basil Blackwood, Lord Alec Thynne, the Hon. R. Lygon and Prince Kinsky will take part. Then the whole company will go to supper, followed by a ball.

Nothing comparable to the "Invention of the Triumph" has been held in Britain since the celebrated Eglinton tournament, in 1830, the history of which remarkably event never has been adequately written. For the forthcoming tournament at Earl's Court, an ancient craft, the manufacture of armor, has been revived, but for the Eglinton tournament collectors were able to lend suitable armor, a thing impossible in the present days of competition and high prices. But it is intended to follow the lines of the Eglinton tournament as closely as possible.

Tournament Gay Scene.  
Northeast of the castle in the park a natural amphitheatre formed the arena, and facing the south was the Queen of Beauty's pavilion, of gothic design, lined with crimson and holding 700 spectators. The centre of the western side was occupied by a blue and yellow pavilion bearing the banner of the lord of the tournament.

Opposite stood the tents of the Knights of the White Rose, of the Golden Lion and of the Griffin. The last-named being represented by the Earl of Craven, whose grandson will tilt at Earl's Court in a few weeks. On the north side were planted the banners of the Knight of the Black Lion (Viscount Alford), the Dragon Knight (Marquis of Waterford), together with tents of the Knight of the Burning Tower (Sir F. Hopkins, Earl of Cassilis), and the Knight of the Rem (Hon. Henry Hall Gage).

On the south line were other banners, including that of "The Unknown Knight," and the Knight of the Burning Tower. The Knight of the Burning Tower was the Prince Louis Napoleon, afterward the Emperor Napoleon III., with his friend, Bersigny, Count Esterhazy, the Duke of Montrose, Lord Maitland, Lord Ossington, Lord Somerset, Lord Seymour, Lord Fitzharris, and Lord Drumlanrig. The king of the tournament was the Marquis of Londonderry, a valiant old warrior and sabreur, who had fought under Wellington in many battles.

Queen of Beauty Reigns.  
More important even than the king was the Queen of Beauty, Lady Jane Seymour, afterwards Duchess of Somerset. She was one of three sisters, says Lord Lamington, who might have competed in beauty with the Gunings, and according to the same report she appeared at the tournament radiantly beautiful.

The Knights of the Swan opened the tourney by a challenge to the Knight of the Golden Lion. At the cry "Lancez les armoises," the lance of the trumpets, they charged, followed by their squires. In the first and second jousts each knight missed his opponent. At the third the horse of the Golden Lion shied. At the fourth tilt the lance of the Golden Lion shivered on the shield of the Swan, and the victor was conducted to pay his duty to the queen.

The Earl of Eglinton and the Marquis of Waterford met with a terrific shock and the Knight of the Red Rose had his armor pierced and was wounded by the Knight of the Burning Tower. The Earl of Craven was wounded in the face in a burlesque melee with mops.

In another melee in full armor, at the end of the third day of the tourney, the Knight of Swan, who was defeated on the first day, received an angry wound, from which he suffered for the rest of his life, and Lord Watford and Lord Alford fought so fiercely that the Knight Marshall was compelled to ride into the ring and separate the combatants. But in one way the Earl of Eglinton won his laurels. He was a high-spirited nobleman, according to Lord Lamington, "the very soul of chivalry." He expected the tourney to cost him \$10,000, his expense cost him nearly \$200,000, and made him the most popular man in Scotland.

It is worse than useless to take any medicine internally for muscular or chronic rheumatism. All that is needed is a free application of Chamberlain's Liniment. For sale by all dealers.

## "INTERESTS" REPORTED SWINGING TO COLONEL

Millions to Fight Taft Is Rumor at Which Roosevelt Laughs.

[Canadian Press.]

New York, June 6.—The Times says: A report has been current in Wall Street for several days to the effect that financial interests, hostile to President Taft, stood ready to provide a fund of \$1,500,000 to advance the cause of Colonel Roosevelt for the Republican nomination, and that a similar amount would be used to finance a third party ticket with Roosevelt at its head, should the Chicago convention refuse to nominate him.

Gossip said that President Taft's anti-trust policies have driven to the side of Col. Roosevelt a number of men who have been hitherto bitterly opposed to him.

When Col. Roosevelt was questioned last night at Oyster Bay concerning the reported campaign fund, he professed to be highly amused. "The report is too ludicrous to comment on," he said. "It's stuff and nonsense."

## SUPPORT REDMOND UNTIL END OF FIGHT

United Irish League to Raise \$150,000 for Home Rule Fight.

[Canadian Press.]

New York, June 6.—At a meeting here last night of the national committee of the United Irish League the home rule bill policy of John Redmond was unanimously endorsed and a cable dispatch was sent to him, stating that the organization would support him to the end in his fight for Irish home rule.

It was decided to hold the next convention in Philadelphia in the latter part of the coming September. Mr. Redmond was invited by cable to attend.

Michael J. Ryan, city solicitor of Philadelphia, presided at last night's session. Thomas Fitzpatrick, of Boston, reported on the financial standing of the organization and said that of \$150,000 that had been pledged, \$100,000 has been collected and sent to the national trustees in Ireland. Mr. Fitzpatrick said the remaining \$50,000 will be raised before the meeting in September.

## WHITE STAR PROFITS

Sixty Per Cent Dividend for the Year 1911 Declared.

[Canadian Press.]

London, June 6.—A sixty per cent dividend for the year 1911 is disclosed in the report of the directors of the White Star

Line. During the year £450,000 was paid to the shareholders.

The accounts show a profit on the year's working of £1,014,752 1s. and, after paying the dividend and other charges, £149,171 10s. 4d. is carried forward to this year's account.

During the year the directors placed orders with Messrs. Harland & Wolff for two vessels, one upwards of 50,000 tons gross, for the New York service, and one of 18,000 tons gross for the Australian service. The latter, it is hoped, will be delivered in the spring of next year.

Referring to the loss of the Titanic, the report says:

"It is the melancholy duty and privilege of the directors to offer to all who have suffered bereavement owing to this disaster their most sincere and heartfelt sympathy. They would also take the opportunity of stating that, as in the past, nothing shall be wanting in their efforts to protect those who travel by the steamers of the White Star Line by having every precaution taken to insure their safety."

The 3-year-old colt Ira Francisco, by San Francisco, dam by Ira Wilkes, and owned by King & Godfrey, of Parma, Mich., is a recent recruit to the J. B. Chandler stable at Indianapolis.

Jimmy Brady is at Indianapolis, having come from Macon with three green trotters, one of them Lord Guyton, that is named in the M. and M., and the others, May Grattan and Sunlight, that are in the 2:15 trot at the Blue Ribbon meeting.

# Secret Service

By Cyrus Townsend Brady

Christian Miller, F. C. I., noted English health expert, attributes the early aging of American women mainly to the "national nervousness." The women of England, she says, can teach us the inestimable lesson of repose.

Another ailment that is to be learned from the English woman is that she does not go in much for cosmetics, the continual use of which must ruin any complexion. The beauty devotees of King George's realm, however, mercurialized the hair, and the whole method of keeping the face girlish-looking and healthy. Ordinarily mercurIALIZED wax, used like cold cream, rejuvenates the worst complexion.

American women may easily learn the habit, which was long obtainable in the forests generally in the United States. It is applied at night and washed off in the morning. One ounce is sufficient to completely renovate a bad complexion. It has a peculiar action in keeping the skin dead and devitalized scaly skin which are constantly appearing.—Woman's Herald.

## HAY \$19 PER TON

Offerings on the Market This Morning Were Light.

The attendance at the local market today was kept down, no doubt, by the threatening weather. Only a few loads of hay were sold, and the average price was about \$19 per ton.

The only offering of produce of any size was vegetables. Radishes were slightly higher, the price being from 20c to 25c per dozen. Lettuce was cheaper, as was spinach also. Both were offered on the market for the first time this year at \$1 per dozen bunches.

Today's prices:

## BROOKE FARMERS ARE

BUILDING FINE BARN

Rush of Spring Work is Over and Big Crops Are Expected.

[Special to The Advertiser.]

Brooke, June 6.—Most of the farmers have finished seeding, and are spending the present slack time repairing buildings and doing odd jobs. No more busy season in this regard has been experienced. Last week's rain took place at James Pollock's, and at J. Bourke's on the 12th concession, and foundations are at present being built under the raised barns.

Mrs. Dodds, of Watford, has been spending a few days with her sister, Mrs. W. G. Willoughby, on the Navona. Nichol and Alex. McIntyre are engaged in moving and raising their barns to place a foundation under them.

Mrs. James Pollock, of the 12th concession, has been on the sick list again.

Dan McDonald is making preparation for his new barn. The foundation is being built, and it is expected that the raising will take place next week.

Mrs. Dan and Miss Belle McIntyre, of Strathroy, are at present visiting Mrs. Archie McIntyre on the 9th concession.

Mrs. Becker is here from the West at the home of her brother, Jas. Pollock.

Mrs. W. G. Willoughby spent the past couple of weeks with her daughter, Mrs. Joseph Chittick, of Dickerville, Mich.

Dr. McGillivray, of Watford, has been quite busy in this neighborhood owing to the illness of horses. Several have lost animals during the past few days. John Leitch's fine driver died the other day, also one of Mr. Willoughby's colts, one of Hugh McLaughlin's mares and foal, and Peter McGregor's fine black colt.

A NEW PIANO FOR \$250.00.

An Acknowledgment.

An acknowledgment is made by Mrs. (Mrs.) Kingsmill of a donation from Mrs. Jeffrey Hale of \$5 for the Sunday concert fund.

Struck From List.

At Osgoode Hall, Toronto, in single court, before Kelly, J., in the case of Wilcox vs. Ryan—A motion for injunction. No one appearing, motion struck from list.

Concert Repeated.

The concert that was given by the A. Y. P. A. of the Church of St. John the Evangelist on Tuesday evening, May 28, was repeated last night, before a large audience. Owing to the inability of Canon Craig to be present, Prof. Wright, of Huron College, occupied the chair. The proceeds of the two concerts will be applied to the interior decorations of the Sunday school room. After the concert last night the last meeting of the A. Y. P. A. before the summer vacation was held.

Purchased Grocery Stock.

R. G. Collins has purchased the grocery business conducted by E. J. Ryan, at 224 Dundas street. Mr. Collins has been for several years with Hockin Bros., and his experience will prove valuable to him in carrying out his intention of conducting a first-class grocery. He will cater to old and new customers with quality, service, and promptness.

And After Going With Company His Ability Won Him Rapid Promotion.

[Special to The Advertiser.]

Sarnia, June 6.—H. W. Mills, for 40 years a resident of Sarnia, and for the last quarter of a century manager of the Sarnia street railway, died at his home here at 3:30 this morning after an illness extending over some time. He was 64 years old, and was born in Sarnia Township. On coming to the town he at first worked in the furniture store of W. B. Clark. Thirty years ago he commenced his career on the street railway, and by his ability won rapid promotion.

To Mr. Mills belongs the credit of developing Lake Huron Park and making it such a splendid and popular resort. Deceased was an active member of the Baptist Church, and was prominent in fraternal societies, belonging to the Sons of Scotland, Macabees and the Masons.

Besides his wife, four sons, Fred and Edward, of Sarnia; Walter, of Boston; Orson, in Woodstock, and one daughter, Miss Marie, at home. Mr. Mills leaves three brothers, Messrs. Abraham, Silas and Robert. The funeral arrangements have not yet been completed.

The Lambton county council is now in session here, the first meeting having been held Monday. A petition from Watford and one from Wyoming, asking that the county build a road, was refused.

The council passed a resolution in effect that the county council would not build locks-up for separate municipalities. One of the most interesting subjects brought up since the opening session was a report read by Dr. Fairbank, chairman of the committee to the recent good roads convention. The doctor's report embodied the various subjects that were brought up at the convention, and clearly and logically showed that the time has arrived to construct first-class roads in this county. No action was taken for a by-law on good roads was given.

Standard Oil Report.

A Sarnia businessman who was in Toronto recently, stated that the rumor which has been current not only here but in the States to the effect that the Standard Oil Company of the United States may centralize its interests in Sarnia, has been completely disproven.

The local man during his visit came in contact with several prominent financiers of that city, and was considerably impressed by the much truth it contained. It is quite evident that more than a passing interest has been aroused by the report, and the interest displayed by the outside press, especially in Toronto. All-

## GARDEN PARTY

Annual Event at Napier Promises To Be Bigger Than Ever.

Napier, June 6.—Napier's annual garden party will be held on Friday evening, June 28, on the beautiful lawn of Dr. Savers. Last year the programme was excellent, and there were in attendance in round numbers one thousand people. This year's programme will keep up the good record of the past, with the best of speakers, and entertainers.

A SUBSTANTIAL GRANT WILL LIKELY BE MADE TO DAY CLASSES

A London Deputation Talked Industrial Education to Dr. Pyne.

A deputation from the board of education composed of Messrs. John M. Gunn, the chairman, W. W. Gammage and Principal H. B. Beal, of the Industrial school, had an interview with Hon. Dr. Pyne, minister of education, in Toronto on Wednesday on the question of a grant for the day industrial school to be opened here in September. The members of the deputation were very pleasant as to the results of their trip, but they came home smiling. It is expected that a substantial grant will be made to carry on the work.

The editors were introduced by Hon. Adam Beck. Dr. Smith was present with the minister, and both Mr. Gunn and Mr. Gammage explained the needs of the situation here, and asked that a substantial grant be made to the city.

Dr. Pyne, in response, stated that the whole question of industrial education would have to be met. The Provincial Government was waiting the report of the special committee named by the Dominion Government to investigate the matter. It was expected that a sum of a few hundred would be distributed among the various provinces to aid industrial schools. Until that was done, the Provincial Government could not settle the whole question. Grants had been made to the schools at Hamilton, Sudbury and Sault Ste. Marie. It would be possible to do the same for London, and he would take the matter into his most careful consideration.

Although no direct promise was made, the deputation are confident that something will be done. The money will be expended in equipment, etc.

Will Rush Work.

Work on the construction of buildings for the Mueller Brass Company, which has been delayed pending the closing of that part of the River road which bisects their property will soon be begun. The town council gave their permission for the closing of the road some time ago, which left the matter in the hands of the Mueller Company's solicitors to gain the consent of the Indians of the Sarnia reserve to the project. The matter is being voted upon by the council today, and it is confidently expected that the voters will be inclined in its favor. The Mueller intend to build their shops in such a manner as to extend across the present road, and do not care to begin operations until the question has been legally settled. Provided the Indians decide favorably, the deal becomes a mere matter of a few formalities with the Government.

The Indians of the Sarnia reserve yesterday received their share of the money paid by the Mueller Brass Company for the lands purchased from the Indians. Each Indian receives about twelve dollars, the remainder being placed to their credit in the L. L. D. at Ottawa. One of the men from the Indian lands department is acting as paymaster.

An Indian named Paul Joseph, who appeared in court a week ago, charged with stealing a bicycle, and whose case was remanded until today, again appeared before Magistrate Gorman. The prisoner was found guilty and allowed to go on suspended sentence of one month for costs and damages.

BITTER FIGHT CERTAIN IN DARROW CASE

Trial Up to Date Marked by Acrimonious Clashes.

[Canadian Press.]

Los Angeles, June 6.—Bert H. Franklin, who as one of the state's principal witnesses, has furnished most of the sensations in the trial of Clarence S. Darrow for jury bribing since he first took the stand a week ago last Tuesday, was expected to provide additional features when he resumed the stand for further cross-examination today.

Franklin had a respite yesterday, which was devoted largely to the introduction of documentary evidence by the prosecution, his absence from the stand having been due to a request by the defence for additional time to prepare a new line of attack.

It has grown more apparent that the trial will prove one of the most bitterly fought legal battles in the history of the west. The increasing tension of the situation has been reflected in the growing frequency of acrimonious clashes between opposing attorneys.

BAPTIST ASSOCIATION TO MEET AT STRATHROY

Many Resolutions Were Passed at Closing Session at Denfield.

[Special to The Advertiser.]

Denfield, June 6.—The annual meeting of the Lambton and Middlesex Baptist Association closed here last evening, after a most successful session. At the closing meeting Professor Kierstead, of McMaster University, gave a splendid address on "Higher Education," and Rev. Dr. Thomas, former pastor of the Jarvis Street Baptist Church, Toronto, spoke on "Strategy, Burning and Speaking."

The next annual meeting of the association will be held at Strathroy. The following resolutions were unanimously passed:
