SESSIONAL PAPER No. 1

Increase in Salaries of Temporary Employees cannot exceed \$30.

AUDIT OFFICE, OTTAWA, July 14, 1898.

SIR,—I have an Order in Council, dated June 27, 1898, authorizing the continued employment during the current fiscal year, of the temporary employees in your office.

In it I notice that the wages of the messengers and packers are increased, as follows :—

W. F. Slaney, increased from \$1.25 to \$1.40 a day, an increase of 15 cents a day, or \$54.75 in the year.

M. G. Nagle, increased from \$1 to \$1.25 a day, an increase of 25 cents a day, or \$91.25 in the year.

F. Bissonnette, increased from \$1 to \$1.15, an increase of 15 cents a day, or \$54.75 in the year.

Section 10 of chap. 15, 58-59 Vic., provides that when the employment is continuous the rates of remuneration for temporary assistance may be increased from time to time by amounts not exceeding thirty dollars in any one year. The proposed increases are greatly in excess of this maximum limit of thirty dollars. The same section also limits the highest pay to a messenger or packer to five hundred dollars. The proposed pay to Mr. Slaney would amount to \$511 in the year.

I also notice that the Order in Council makes no mention of a report from you, concurred in by your Minister, that the person recommended for an increase is eligible therefor and is deserving thereof. This report is called for by the Act already referred to.

An increase of 25 cents a day has been made in the allowance to Staff Sergeant Drake for quarters, rations, &c. and a similar increase in the pay of Staff Sergeant Stuart. Kindly inform me under what special authority or regulation these increases have been made.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

J. L. McDOUGALL, A.G.

NORTH-WEST MOUNTED POLICE, OTTAWA, Oct. 19, 1898.

SIR,—Referring to your letter of 14th July last, respecting an Order in Council, dated 27th June, 1898, authorizing the continued employment at Ottawa, during the current fiscal year, of the persons therein named.

You call my attention to the fact that several of the increases authorized are not in accordance with Sec. 10, of Chap. 15, 58-59 Vic. ; also that the Order in Council in other respects is not in accordance with the requirements of the Civil Service Act.

In reply, I beg to say that conformity with the requirements of the Civil Service Act was not considered necessary when preparing the report on which this Order in Council was passed. The parties named are all employed in connection with the North-west Mounted Police and are paid from the appropriation for the maintenance of that force, outside service. This system has been permitted for at least eighteen years.

Should it be decided that, although paid from the police appropriation, the rates of pay and other conditions must in future be governed by the Civil Service Act, arrangements in compliance therewith can be made to commence with the beginning of the next fiscal year.

I am, sir, your obedient servant,

The Auditor General.

FRED. WHITE, Comptroller.

AUDIT OFFICE, OTTAWA, Oct. 28, 1898.

SIR,—I am in receipt of your letter of the 19th instant, with respect to the proposed increases in the salaries of certain of the officials employed in your office.

In my opinion, all these employees, who are employed at Ottawa, are subject to the provisions of the Civil Service Act, so long as they are thus employed. Under section 10, of chap. 15, 58-59 Vic., the increases to the salaries of temporary employees cannot exceed thirty dollars in any one year, to a maximum of six hundred dollars for temporary clerks, and of five hundred dollars in the cases of temporary messengers and packers.

Of course you have the privilege of appealing from my decision on this matter to the Treasury Board. In the meantime, however, I am willing to pass any of the increases, so far as the provisions of section 10, above referred to, are not violated. This would be without prejudice to your right of appeal.

The only increases that I would thus be willing to pass, would be as follows :—

W. F. Slaney, from \$456.25 a year to \$486.25 a year.

M. G. Nagle, from \$365 a year to \$395 a year.

F. Bissonnette, from \$365 a year to \$395 a year.

As regards Messrs. Drake and Stuart, these gentlemen are already receiving over \$600 a year, and are not accordingly, in my opinion, eligible for any increase.

This letter is also subject to modification on evidence supplied to me that certain members of your staff are performing duties which are police work.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

J. L. McDougall, A.G.

NORTH-WEST MOUNTED POLICE, OTTAWA, NOV. 29, 1898.

SIR,—Referring to your letter of the 28th October last, respecting increases of pay and allowances authorized by an Order in Council of 27th June, 1898. Pending the return of my Minister I must accept your ruling with regard to W. F. Slaney, M. G. Nagle and F. Bissonnette, viz. : an increase of \$30 per annum each, without prejudice to the right of appeal.

With regard to Staff Sergeants Drake and Stuart, I do not think you clearly understand their positions. They are not temporary clerks under the Civil Service Act. They are under sworn engagements as members of the N. W. M. Police. They could not resign if they wished to do so, and they are liable to be ordered to the North-west Territories at any moment. Staff Sergeant Drake has been receiving \$1.50 per day, pay, for several years. Under the police regulations he is entitled to quarters, rations, fuel, light and clothing ; also medical attendance for himself and family. Hitherto, he has received while employed at Ottawa an allowance of \$1 per day in lieu of these privileges, except clothing. The Order in Council of 27th June, increased the allowance to \$1.25 per day, including clothing, but did not in any way affect his pay. Staff Sergeant Stuart, with the exception of a short interval, has been continuously in the service since June, 1878. He has been receiving \$1 per day as pay, and \$1 per day in lieu of quarters, rations, fuel and light. The Order in Council of 27th June last increases his pay from \$1 per day, or \$365 per annum, to \$1.25 per day, or \$456.25 per annum. This is the first increase of pay he has had in fifteen years. Had his pay been governed by the Civil Service Act, which you quote as permitting an increase of \$30 per annum, he would have attained the maximum of \$600 long ago.

You say that your letter of 28th October is subject to modification on evidence supplied to you that certain members of the staff of this office are performing duties which are police work. To this I would reply that the duties of these two non-commissioned officers are exclusively connected with police work in the North-west and Yukon Territories, work which experience has shown can be more satisfactorily performed at Ottawa than at Regina, and avoids duplication of labour.

I am, sir, your obedient servant,

The Auditor General.

FRED. WHITE, *Comptroller*.

AUDIT OFFICE, OTTAWA, JAN. 11, 1899.

SIR,—With further reference to our correspondence on the subject of the increases of pay and allowances authorized by Order in Council of June 27, 1898, I beg to say that after careful consideration of the question, I am of opinion that the staff-sergeants may receive the proposed increases.

I have already informed you of my opinion, that the messengers and packers may receive an increase at the rate of \$30 per annum, provided the increased salary does not exceed \$500. If you will send a supplementary pay-list for these increases, I shall pass it.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

Advances on account of pay of Supt. Constantine not stopped from his Pay.

AUDIT OFFICE, OTTAWA, DEC. 18, 1899.

SIR,—On April 27 last, a cheque, No. 1849, was issued against your North-west appropriation for \$45.61, in favour of the London and Lancashire Assurance Company on account of Superintendent Constantine's pay. This amount does not appear to have been stopped from Superintendent Constantine either in April or May. Kindly let me know whether it has been stopped from his pay since then, and if so, when ?

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

J. L. McDougall, A.G.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, Jan. 2, 1900.

SIR,—Among the Yukon vouchers, I find the following payments on account of Supt. Constantine's pay :—

Voucher 25, Aug. 8, 1898, Merchants Bank, Ottawa.....	\$29 50
Voucher 241, Oct. 28, 1898, London and Lancashire Life Assurance Company	45 61

I do not find that these amounts have been deducted from Supt. Constantine's pay during the year. Kindly inform me if they have been so deducted and if not, why ?

I also find the following advances made to Supt. Constantine, to be accounted for, for which I have received no accounts :—

Oct. 10, 1898, cash advance, to be accounted for.....	\$400 00
Nov. 4, 1898, cash advance, to be accounted for.....	200 00

Kindly inform me whether any accounts have been received by you for the expenditure under these advances.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

Advances to be accounted for.

AUDIT OFFICE, OTTAWA, Jan. 2, 1900.

SIR,—I have received as yet no accounts of the expenditure under the following advances made to officers of the Mounted Police Force serving in the Yukon Territory :—

Aug. 20, 1898, Inspr. W. H. Scarth.....	\$100 00
Jan. 31, 1899, Inspr. W. H. Scarth.....	100 00
Nov. 14, 1898, Supt. S. B. Steele	596 50
Jan. —, 1899, Inspr. R. Belcher.	200 00

There is also an advance of \$300 made to yourself on April 4, 1899.

Kindly inform me whether statements have been rendered of the expenditure under these advances, and if not, when a settlement may be expected ?

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

Refunds credited to wrong Votes.

AUDIT OFFICE, OTTAWA, Dec. 18, 1899.

SIR,—Among the refunds to the credit of your appropriation for pay of force in the North-west, I find one of \$11.70 made on March 17, on account of over-payment to Constable J. J. Matthews, in October, 1898. As Constable Matthews belonged to H. Division, Tagish, and appears on the Tagish pay-lists, this refund apparently should have been credited to your Yukon appropriation instead of to the North-west appropriation.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 18, 1899.

SIR,—Among the refunds credited in 1898-99 to pay of force, I find one on April 17, of \$30, being the amount of pay drawn for W. Lepeni, employed as interpreter in " G " Division, Fort Saskatchewan. As Lepeni's pay was originally charged to Scouts and Guides, the refund should have been credited to the same sub-vote.

Would it not be advisable in preparing your estimates for the ensuing year, to make the amount required for this service a part of the vote for Pay of Force, instead of part of that for billeting, transport and contingencies ? It would, I think, be a more logical classification and would lessen the risk of errors similar to the one referred to.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 18, 1899.

SIR.—On January 6, a refund was made by Inspector Baker to the credit of Pay of Force, of \$9.75 for over-payment in October, 1897, to Special Constable Catellier. As this appears to be a refund of expenditure made during a previous year, it should have been credited to Casual Revenue instead of to your appropriation.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 11, 1899.

SIR.—The following payments were made in October, 1898, by Commissioner Herchmer and Inspector Baker through their letter of credit, for cattle purchased for pemmican and for making pemmican for the Yukon :—

October 11, 1898, Chq. 555	\$ 60 00
“ 11, 1898, Chq. 556	120 00
“ 22, 1898, Chq. 614	269 00
“ 22, 1898, Chq. 615	168 00
“ 22, 1898, Chq. 616	53 00
“ 22, 1898, Chq. 617	23 00
“ 22, 1898, Chq. 618.	65 46
	\$758 46

As these supplies were for the police in the Yukon, they should have been charged against the Yukon appropriation. Accordingly, on February 8 last, you drew a cheque, No. 792, against your Yukon appropriation for the amount of \$758.46 “for cattle purchased for the manufacture of pemmican for the Yukon and paid from vote 214 at Regina.” This cheque should have been deposited to the credit of your North-west appropriation, so as to make the payments a charge against the Yukon vote. I find, however, that it has been credited to the Yukon appropriation, rendering nugatory the issue of this adjusting cheque and leaving the payments a charge against the North-west vote.

When a transfer is required from one appropriation to another, the method that entails the least trouble and that would at the same time prevent errors of the nature of the one in question, is to apply to this office for a transfer entry. Please adopt this method in future in such cases.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

Yukon Accounts apparently twice paid.

AUDIT OFFICE, OTTAWA, July 8, 1899.

SIR.—Yukon voucher No. 844 is for a payment to Sergeant F. J. Green, of \$10.20, to recoup him for the amount paid by him to the Pacific and Arctic Railway and Navigation Company for the transportation of Judge Dugas, Mr. Dugas, jr., and A. Laurin from Skagway to Heney. Voucher 882 covers a payment of \$54.40 to the Pacific and Arctic Railway and Navigation Company for 16 fares on October 4, from Skagway to Heney, for Inspector Primrose and party, and for Judge Dugas and party. It would appear from this that the fares of Judge Dugas and party have been charged twice. Kindly have the matter looked into and the over-payment, if there has been one, adjusted.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

J. L. McDOUGALL, A.G.

NORTH-WEST MOUNTED POLICE, OTTAWA, July 18, 1899.

SIR.—Referring to your letter of 8th instant, respecting our vouchers Nos. 844 and 882, covering transportation over the White Pass Railway from Skagway to Heney.

Voucher 844 is correct as to the persons for whom transportation was charged. Voucher 882 is correct as to amount, but incorrect in that portion of the explanation which states that it included Judge Dugas and party. The 16 fares charged for in this account were for Insp. Primrose and a party of police en route from the Stikine River to Tagish. The party was composed of the following :—1 inspector, 1 sergeant-major, 1 corporal, 9 constables and 4 dog drivers, total 16.

I am, sir, your obedient servant,

The Auditor General.

FRED. WHITE, Comptroller.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, Dec. 8, 1899.

SIR,—Yukon voucher, No. 1756, in favour of the B. & M. News-stand, Dawson, is as follows :—

March 3, 1899, 1 dipper.....	\$ 1 00
April 1, 1899, 3 pails at \$3.50.....	10 50
April 1, 1899, 1 dish pan	2 75
	\$14 25

The price of the last article appears to have been originally entered as \$3.25, but was altered to \$2.75. These articles were purchased for the detachments on the creeks.

In voucher, No. 1766, in favour of the same firm, I find the following items :—

April 1, 3 pails at \$3.50	\$10 50
April 1, 1 dish pan	3 25

And in voucher 1736 there is an item of \$1, for a dipper purchased on March 3. It appears quite possible that these may be the same articles as those charged for in the voucher first quoted.

As the majority of the vouchers received in support of your expenditure are compiled in the offices at the various posts and are not supported by the original account rendered by the seller, it is very difficult to make a satisfactory audit in this office. It appears to me that if the accounts as originally rendered by the merchants were sent to me as vouchers, instead of your Forms No. 5 and 6, which are compiled from these accounts, a great deal of work would be saved in your offices, and I could make a more intelligent audit.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

AUDIT OFFICE, OTTAWA, Dec. 8, 1899.

SIR,—Yukon voucher No. 157 is for a payment of \$100 to the Alaska Commercial Company for "fares of three men and transportation of Government mail from Dawson to Pelly on June 14, 1898." This item appears to be included in voucher No. 1215, the first item on which is as follows :—

June 14, 1898. Fare for 3 men (Sergeant Haslett, Constables Dunn and Good) escorting mail to Pelly, \$100. If the A. C. Co. has been paid twice for this service they should be called upon to refund the amount of the over-payment.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 9, 1899.

SIR,—Yukon voucher No. 812 for \$1,224, in favour of the Bennett Lake and Klondike Navigation Company, contains an item of \$166 for fare including meals, from Dawson to Bennett, for C. A. Fox, witness in Indian murder case, returning from Dawson. This item is dated at Bennett, August 25, 1898. The expenses of Mr. Fox, from Bennett to Dawson, are also charged in this account, being part of an item on July 17, of \$640 for fares and meals of police prisoners and witness Fox from Bennett to Dawson.

Voucher No. 2547, in favour of the same company, is for \$145 for fare and passage of C. A. Fox from Dawson to Bennett. This claim is dated at Dawson, August 16, 1898.

It is evident that the payment of \$166 is an over-payment, as the original charge at Dawson was \$145. The difference in the dates may be accounted for from the fact that the one charge was made at Dawson, at the beginning of the trip, and the other charge at Bennett at the conclusion of the trip. The company should be called upon to refund the amount of the over-payment.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

AUDIT OFFICE, OTTAWA, Dec. 12, 1899.

SIR,—I beg to ask your attention to Yukon vouchers Nos. 1340 and 1358. Each of these vouchers is for the amount of \$550.36 in favour of J. Dalton & Co., Pyramid Harbour, for provisions furnished to the Dalton Trail Detachment during the month of August, 1898, the items being exactly similar.

It would appear either that Dalton & Co. have been paid this account twice or that it has been erroneously included twice in Inspector Jarvis's account current. Kindly have this matter adjusted at your earliest convenience.

AUDIT OFFICE, OTTAWA, Dec. 20, 1899.

SIR,—I beg to call your attention to what appears to be a double payment made at Tagish, for freighting.

Superintendent Wood's cheque No. 59, for \$198.60, is in favour of C. F. Walker, of Skagway, for freighting 18 bales of hay weighing 1,655 lbs. from Skagway to Bennett, at 12 cents per pound. Cheque No. 125, also for \$198.60, is in favour of Lilly Bros., Skagway, for freighting 18 bales of hay, weighing 1,655 lbs. from Skagway to Bennett. This freighting was done by C. F. Walker, who endorsed the way-bill over to Lilly Bros. Both vouchers are supported by way-bills, but these appear to be original and duplicate. Kindly have this matter inquired into, and if a double payment has been made, have the amount refunded.

AUDIT OFFICE, OTTAWA, Jan. 2, 1900.

SIR,—Yukon voucher No. 1489, is for a payment made by Supt. Wood to J. E. Feero, as follows :—

Aug. 29, 1898.—To hire of four saddle horses, four days, used from end of track to Bennett	\$ 90 00
Freighting 800 lbs. baggage from end of track to Bennett at 12 cents	96 00
	<u>186 00</u>

Being expenses incurred by the Yukon Commissioner and party en route to Dawson.

In the statement rendered by Mr. Commissioner Ogilvie of the expenses of himself and party from Ottawa to Dawson, I find the following payments :—

J. E. Feero.—4 horses and baggage, 200 lbs. each, at 12 cents, from Skagway to Lake Bennett	\$ 96 00
Supt. Z. T. Wood.—Amount received from Wm. Ogilvie, Commissioner, to pay accounts of J. E. Feero for saddle horses from Skagway to Bennett	45 00

The first of these latter payments appears identical with the second of the former. The last item appears to be connected with the first, but I do not find that Supt. Wood has charged himself in his account current with this amount of \$45 received from Mr. Ogilvie.

Kindly have this matter inquired into at your earliest convenience.

Insufficient Vouchers for payments to D. G. Stewart.

AUDIT OFFICE, OTTAWA, Jan. 2, 1900.

SIR,—I beg to ask your attention to the accompanying statement of payments made at Dawson to D. G. Stewart and the Stewart Mill Co., on account of logs and lumber, and on account of firewood supplied under contract.

In that statement the item marked "A" shows payments and advances amounting to \$8,906.75, for which no details were rendered. Item "B" is a payment for some logs delivered between Sept. 1 and Oct. 11, and is supported by an original account rendered by Mr. Stewart. Item "C" shows the payments on account of firewood supplied under contract. Mr. Stewart's first contract for firewood was for 450 cords at \$19.25, while a second contract was for 200 cords at \$25.75. The amounts delivered according to the vouchers were 450 cords under the first contract, and 200 93-123 cords under the second contract, amounting in all to \$13,836.45, leaving apparently \$925 due on account of wood. If this \$925 be deducted from the \$8,906.75 it leaves \$8,071.75 to be accounted for.

Recently vouchers were received from Inspector Starnes, through this office, to account for this amount. The way he accounted for it, was this :

Wood, 100 cords at \$19.25	\$1,925 00
House logs supplied	6,618 20
Lumber, &c., for court-house addition.....	363 55
	<hr/>
	\$8,906 75

This would appear to show that the sum of \$925 was still due Mr. Stewart. The vouchers, however, making up the amount of \$6,618.20 are identical with those covering the payments marked "B" in the statement, with the exception of voucher 2713 where in the one case the amount of \$1,687.99 is carried out as \$1,687.95, and in the other case as \$1,688. It is also questionable whether the last 100 cords of wood can be accepted in arriving at an explanation, as I understand from your accountant that the Quartermaster's returns show a delivery of 650 cords only. The last voucher for \$363.55 is unsatisfactory, as it is not accompanied by an original account, and, moreover, is not receipted by Mr. Stewart.

This matter has already been discussed verbally between this office and your accountant, but I have to request you to look into it at your earliest convenience. It would be an important matter in this case to have the original accounts rendered by Mr. Stewart. So far, I have only one for \$6,618.15 for logs.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

Error in amount charged to Justice Dept. for board of Judge Dugas.

AUDIT OFFICE, OTTAWA, Jan. 2, 1900.

SIR,—I find that you have credited your Yukon appropriation with the amount of \$913 paid by the police and refunded by the Justice Department, for room and board for Judge Dugas and servant at the Fairview Hotel, Dawson, to March 6, 1899. This amount is made up as follows:—

Cheque 368, voucher 2838	\$775 50
Cheque 536, voucher 3337	137 50
	<u>\$913 00</u>

If you will examine these vouchers you will find that while the first, No. 2838, is for board of Judge Dugas and Special Constable Dupré, that the second is for room hire for the town detachment after the fire of October 14, 1898, to November 19, 1898, being the balance due on an account for \$437.50, \$300 having been advanced by cheque 383.

Error in account of Alaska Commercial Co.

AUDIT OFFICE, OTTAWA, Dec. 9, 1899.

SIR,—Yukon voucher No. 1261, in favour of the Alaska Commercial Company, contains the following item:—

Jan. 24, 1899, 504 lbs. potatoes at 35 cents	\$20 10
--	---------

As 504 lbs. at 35 cents would amount to \$176.40, there is evidently something radically wrong in the item. Please obtain an explanation of this apparent undercharge of \$156.30.

Delay in settling with Militia Dept for Freightng.

AUDIT OFFICE, OTTAWA, Dec. 14, 1899.

SIR,—On August 31 last, a cheque for \$12,500 was issued against your Yukon appropriation in your favour as controller, to pay the Militia Department the police share of transportation of Yukon supplies shipped via St. Michaels by the Boston and Alaska Co.

This cheque has not been returned to this office with the paid cheques for the past fiscal year, and I understand from the Militia Department that it has not reached them yet. Kindly advise me as to your reasons for holding this cheque, and let me know when it will be handed to the Militia Department. I should like much to have this matter closed without delay as it affects last year's accounts, which should be in the hands of the Queen's Printer.

NORTH-WEST MOUNTED POLICE, OTTAWA, Dec. 16, 1899.

SIR,—Referring to your letter of 14th instant, respecting a cheque for \$12,500 issued against the Mounted Police Yukon Appropriation, 1898-99, to pay the Militia Department the police share of transportation of supplies shipped by the boats of the Boston-Alaska Transportation Company.

On receipt of the papers relating to this transportation, we found that the amount payable was only \$11,426.88, as per statement inclosed. I have, therefore, made two deposits to the credit of the Receiver General; one in favour of the Militia Department for \$11,423.88, and the other to Casual Revenue, \$1,073.12.

I am, sir, your obedient servant,

The Auditor General.

Incomplete information on Voucher for Transport.

AUDIT OFFICE, OTTAWA, Dec. 16, 1899.

SIR,—Yukon voucher No. 1577, is for a payment of \$67 to F. Charman, Lindeman, for the amount paid Messrs. Lecke & Wolford, for transport on the steamer "Alert." The first item on Messrs. Lecke & Wolford's account is one of \$30 for account rendered to Sept. 1, but the original bill for this amount is not attached nor are the particulars of the charge given. Please obtain for me the account as rendered to Sept. 1.

Price of Baking Powder doubled within ten days.

AUDIT OFFICE, OTTAWA, Dec. 7, 1899.

SIR,—Yukon voucher No. 1216, is for provisions supplied chiefly during September and October, 1898. I notice that up to September 22, baking powder is charged at 75 cents per pound, while on October 1 and 5 it is charged at \$1.50 per pound. As there was no corresponding rise in the prices of other articles during that period, I think that we should have an explanation of the doubling of the price of baking powder in such a short time.

Discount on accounts rendered by G. Apple, not uniformly allowed.

AUDIT OFFICE, OTTAWA, Dec. 8, 1899.

SIR,—The following vouchers are for stores and supplies purchased by the Mounted Police from Geo. Apple, of Dawson:—

Voucher No. 1748—Amount of account	\$351 75
Voucher No. 1749—“	11 50
Voucher No. 1750—“	8 50
Voucher No. 2211—“	20 00
Voucher No. 2919—“	907 75
Voucher No. 2920—“	903 00
Voucher No. 2921—“	572 25

On the last three, viz. : Nos. 2919, 2920 and 2921, a discount of 15 per cent was allowed in the settlement, but no discount appears to have been allowed in the first four. I would like an explanation of this circumstance.

I also find in voucher No. 1749, an item of \$8 for 16 lbs. zinc purchased on March 6, for the court-house ; in voucher 2211 there is a similar item, dated March 5, also for the court-house. Is it not possible that these two charges may be for the same purchase ?

Vote of \$25,000 for Steam Launches, to be expended by Mounted Police Office.

DEPT. OF THE INTERIOR, OTTAWA, August 21, 1899.

SIR,—I have the honour to inclose, herewith, copy of a letter received from the Comptroller of the North-west Mounted Police, with reference to the appropriation of \$25,000 in the Estimates for last year, under the heading of “Government of the Yukon Provisional District, Purchase and Equipment of a Steamboat and one or more Launches for the use of the Officers of the Government of the District.”

Mr. White asks that I should write to you suggesting that you should accept his requisitions for payments chargeable to this particular vote, and in regard to this I may say that, as far as I am aware, this vote was intended to pay for launches, &c., purchased by Mr. White as the Comptroller of the North-west Mounted Police. The item does not appear to be for any other services required by this department.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, D.M.I.

NORTH-WEST MOUNTED POLICE, OTTAWA, August 17, 1899.

SIR,—During the session of 1898 a sum of \$25,000 was voted for the purchase and equipment of a steamboat and one or more launches for the use of the officers of the Government of the Yukon Territory.

SESSIONAL PAPER No. 1

This item was inserted in the Estimates by the Hon. the Minister of the Interior, and the obligations thereunder have been incurred by me under instructions from the Hon. Mr. Sifton. Will you, therefore, be good enough to request the Auditor General to accept my requisitions for payments chargeable against this particular vote.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

FRED. WHITE, *Comptroller*.

Revenue used to meet Expenditure.

AUDIT OFFICE, OTTAWA, Sept. 23, 1899.

SIR,—I am in receipt of your application for a transfer entry in favour of the Customs Department for repayment of customs collections, in the Yukon, expended for Mounted Police purposes. Before passing the entry, I would like to have a statement of the expenditure and the reasons for using the revenue collected to meet the expenditure of the police instead of depositing it to the credit of the Receiver General. I return your application herewith.

I am, sir, your obedient servant,

The Comptroller, N. W. M. P.

J. L. McDOUGALL, A.G.

NORTH-WEST MOUNTED POLICE, OTTAWA, Sept. 28, 1899.

SIR,—Referring to your letter of 23rd instant, with my requisition for a transfer to the Customs Department of \$3,346.50. This amount represents our final settlement with the Customs Department for revenue collected by the police in the Yukon Territory. It was in dispute when the larger sums were adjusted during the last session of Parliament, and the information necessary for its settlement only reached me a short time ago. The amount will be shown in police accounts by expenditures supported by vouchers \$1,273.36, and a deposit to the credit of the Receiver General account, N. W. M. Police, made at Bennett, B.C., or Skagway, Alaska, of \$2,073.14.

This is the only way in which we could get the matter settled in time to be included in the accounts of last fiscal year. Police officers were instructed some time ago that in future revenue must be deposited direct to the credit of the Receiver General.

I am, sir, your obedient servant,

The Auditor General.

FRED. WHITE, *Comptroller*.

Re Arrears due.

NORTH-WEST MOUNTED POLICE, OTTAWA, Jan. 25, 1900.

Sir,—Referring to your circular letter requesting the customary statement, arranged alphabetically, of “all arrears due on 30th June last that has not since been paid (1) by collecting officers, (2) by disbursing officers, (3) by all other persons, whether Government officers or not; together with a report of the reasons why arrears due last year have not been collected.”

We have no collecting officers, and all amounts entrusted to disbursing officers have been accounted for so far as relates to the North-west Territories.

With regard to the Yukon, there are many unsettled items, but all are in course of adjustment and will be satisfactorily accounted for as quickly as mail communication will permit the exchange of correspondence.

I am, sir, your obedient servant,

The Auditor General.

Leave of Absence to a Temporary Employee.

AUDIT OFFICE, OTTAWA, January 17, 1899.

SIR,—I beg to inform you that I have received an Order in Council of the 11th instant granting leave of absence with pay to "F. G. Johnson, who has served as a labourer in Montreal post office at \$1.50 a day, including Sundays, since November 25, 1895," from June 1 to August 30, 1898.

In my opinion it is not within the power of the Governor in Council to authorize the payment involved in this matter, and I write thus early so that you may not issue a cheque for the amount so authorized, under your letter of credit, until the point in dispute has been disposed of by competent authority.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, February 22, 1899.

SIR,—With reference to my letter of the 17th ultimo, regarding an Order in Council granting leave of absence with pay to F. G. Johnson, who served as a labourer in the Montreal post office, &c., I now find that the payment to which I objected in advance has been made by you. Before declining to renew the credit of your department I shall be glad to know why you did not adopt the regular course of appealing to the Treasury Board against my decision, instead of making the payment without reference to the only authority which can justify payment after I have declined to pass an application for a payment from public funds.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST-OFFICE DEPT., OTTAWA, February 25, 1899.

SIR,—I beg to acknowledge your letter of February 22nd, with reference to your letter of the 17th ultimo, regarding the Order in Council granting leave of absence with pay to F. G. Johnson, of the Montreal post office, and asking why the regular course of appealing to the Treasury Board against your decision had not been adopted, and to say that no such letter has been received at this department up to the present date.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.M.G.

AUDIT OFFICE, OTTAWA, February 28, 1899.

SIR,—I have your letter of the 25th instant stating that you have not received mine of the 17th ultimo, regarding the Order in Council granting leave of absence with pay to F. G. Johnson, of the Montreal post office. Inclosed is a copy of the letter referred to, which is entered on the register here as having been duly mailed to you on the date mentioned.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, Dec. 4, 1899.

SIR,—I beg to acknowledge your letter, in which you call attention to an Order in Council, granting leave of absence with pay to Mr. F. G. Johnson, who served as a labourer in the Montreal post office, and in which you state that the payment to which you objected in advance has been made, and requesting to know why, under the circumstances, the regular course of appealing to the Treasury Board was not adopted.

In reply permit me to say that as this employee was paid under authority of an Order in Council, and as there seems to be no doubt of the power of the Governor in Council to pass such an order, it was not considered necessary to make an appeal to the Treasury Board as suggested by you.

I might point out, however, that an appeal under similar circumstances seems to have been made by Mr. Scarth, Deputy Minister of Agriculture, to the Treasury Board, on the 24th June, 1898, and that on that occasion both the Treasury Board and the Deputy Minister of Justice appear to have decided that the Governor in Council had power to grant leave of absence with pay.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.M.G.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, Dec. 7, 1899.

SIR,—I have the honour to acknowledge the receipt of your letter of the 4th instant, giving your reasons for not having referred to the Treasury Board the case of Mr. F. G. Johnson, a labourer in the Montreal post office, whose absence from duty in 1898 was allowed by Order in Council to count as absence on leave with pay, and to point out that so far as I can judge there is no similarity between his case and that of the temporary clerk of the Department of Agriculture to which you call my attention.

In Mr. Johnson's case there was no pretense that the leave of absence was for the purpose of recruiting his health the better to enable him to perform his duties as an employe of the Government in the future. The Order in Council which is dated January 11, 1899, reads as follows:—"That F. G. Johnson, who has served as a labourer in the Montreal post office at \$1.50 a day, including Sundays, since 25th November, 1895, be granted leave of absence with pay from 1st June to 30th August, 1898, and that to promote economy his services be dispensed with from 1st September, 1898."

I am not aware of any instance in which a labourer paid at a specified daily rate, in the Government service, has heretofore been granted leave of absence.

I am, sir, your obedient servant,

The Deputy Postmaster General.

Arbitration in Disputed Claim for Advertising.

AUDIT OFFICE, OTTAWA, May 8, 1899.

SIR,—I beg to ask for explanation of two payments made during the current fiscal year, amounting to \$129.77, to the publisher of *United Canada* for advertising the Ottawa post office time table. The account rendered the department in support of these payments has not been sent me.

In connection with this matter, I desire also to bring to your notice a payment of \$88.20 made to Mr. John A. Barron, for services and costs, as arbitrator in the claim of the publisher of *United Canada* against the Post Office Department. The account rendered by Mr. Barron and his decision in the case submitted to him for arbitration should have been sent me in support of these payments.

It seems to me that the disputed claim in question should have been referred for settlement to the Queen's Printer, whose duties as defined by statute, include the examination and audit of all accounts for advertising in the public service.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, September 29, 1899.

SIR,—I beg to remind you that I have not received an answer to my letter of May 8th last, asking for information respecting certain payments made during last year to the publisher of *United Canada* and Mr. John A. Barron. I find from the vouchers recently sent me that a further payment of \$50 has been made to Messrs. Chrysler & Bethune for legal services in connection with the arbitration in regard to which the payments to which I called your attention last May were made.

I shall be obliged if you will let me have your explanation of this expenditure.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, Nov. 23, 1899.

SIR,—I beg to acknowledge your letter *re* payments made during the past fiscal year to the publisher of *United Canada* for advertising the Ottawa post office time table, and in which you ask that the account rendered in support of these payments be forwarded to you. In reply permit me to inclose account as requested, with copy of judgment rendered by His Honour Judge Barron. I have also the honour to inclose a memo. of the disbursements and fees of His Honour Judge Barron.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, Nov. 25, 1899.

SIR,—I have the honour to acknowledge the receipt of your letter of the 23rd instant, inclosing the report of His Honour Judge Barron with reference to the claim of *United Canada*, submitted to him as arbitrator, and beg to point out that the chief point of my objection, the passing over of the Queen's Printer, whose duty under the statute includes the auditing of all accounts for advertising, has not been noticed by you.

I am, sir, your obedient servant,

The Deputy Postmaster General.

Guarantee Fund: Deductions from Salaries of Employees.

AUDIT OFFICE, OTTAWA, May 10, 1899.

SIR,—With reference to your letter of October 24 last, inclosing a copy of the regulations made by the Postmaster General in connection with the guarantee fund established under the authority of subsection 1 of section 9 of the Post Office Act, as amended by 60-61 Vic., chap. 26, I beg to point out that the statute does not empower the Minister to make compulsory deductions from the salaries of employees for the purposes of this fund.

As I read the amendment the power conferred on the Minister is confined to making regulations for security being given, and for the establishment and maintenance of a fund to be derived from moneys received from officers, &c.

There is a statute—61 Victoria, chapter 16—which empowers the Governor in Council to authorize such deductions from the salaries of employees for the purposes of a guarantee fund similar to that established by the Postmaster General, but so far as I am informed, action has not been taken under this statute.

It seems to me the authority of the Governor in Council should have been obtained for the deductions made. Please let me have your explanation.

I am, sir, your obedient servant,

The Deputy Postmaster General.

Letter Carriers or Labourers at Victoria P. O.

AUDIT OFFICE, OTTAWA, May 13, 1899.

SIR,—I beg to bring to your notice the payments made during the current fiscal year to Messrs. B. Cooper, W. G. Eden and W. Wrigglesworth as letter carriers at Vancouver. Please let me know under what authority the appointments in this case were made and the remuneration fixed at \$40 per month.

Under the statute, letter carriers in connection with city post offices, may be paid at appointment not more than \$360 per annum.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, May 16, 1899.

SIR,—I have the honour to acknowledge your letter of the 13th instant, inquiring on what authority Messrs. B. Cooper, W. G. Eden and W. Wrigglesworth have been employed as letter carriers at the Victoria post office and paid at the rate of \$40 per month.

In reply I beg to say that the classification of these men as letter carriers was an error on the part of the postmaster at Victoria, who was instructed to employ them temporarily as labourers at \$40 a month, their services being required only during the absence of regular employes on account of illness or from other causes. Later instructions were given to the postmaster that all labourers should be paid a per diem rate of wages and the accounts are now prepared accordingly. I observe that in your letter you refer to Messrs. Cooper, Eden and Wrigglesworth as being employed at Vancouver instead of Victoria.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.M.G.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, May 18, 1899.

SIR,—With reference to your letter of the 16th instant in which you state that the classification of Messrs. Cooper, Eden and Wrigglesworth at Victoria, as letter carriers, was an error on the part of the postmaster, I beg to point out that in their claim for remuneration they so describe themselves, presumably on the ground that they were employed during the period covered by the accounts at the ordinary work of letter carriers.

It seems to me if they were so employed they must be treated as letter carriers, not as labourers. It is the class of work performed, not the name, which I take it determines the classification.

If, therefore, Messrs. Eden, Cooper and Wrigglesworth were employed as substitutes for letter carriers they should have been appointed and the remuneration fixed as provided by statute.

I am, sir, your obedient servant,

The Deputy Postmaster General.

Board of Government Employés in Yukon Territory.

AUDIT OFFICE, OTTAWA, June 19, 1899.

SIR,—I find from certain returns sent me in connection with expenditure in the Yukon, that some government employés there are boarded by the North-west mounted police and the Interior Department at the public expense.

As there are officers of the Post Office Department at Dawson, and perhaps elsewhere in the Yukon territory, I shall be obliged if you will let me know at your early convenience if they are allowed any perquisites in the way of board, board allowance or any other payments in addition to their statutory salaries, and the authority under which these perquisites have been granted.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDUGALL, A.G.

POST OFFICE DEPT., OTTAWA, November 11, 1899.

SIR,—I beg to acknowledge your letter of the 19th of June last, inquiring whether the post office officials in the Yukon district are allowed any perquisites in the way of board, board allowance or any other payments in addition to their statutory salaries, and asking on what authority these perquisites have been granted.

In reply permit me to say that an arrangement was made by Commissioner Ogilvie, and endorsed by the Postmaster General, whereby the staff of post office officials at Dawson, as indicated in the accounts now in your possession, was paid.

Mr. A. C. James, the special agent of the Post Office Department at Skagway, is allowed his living expenses upon the authority of the Postmaster General.

I am, sir, your obedient servant,

The Auditor General.

Leave of Absence to Mr. F. W. Blizzard.

AUDIT OFFICE, OTTAWA, April 12, 1899.

SIR,—I beg to inform you that I have received an Order in Council dated March 31, 1899, authorizing leave of absence with pay to Mr. Frederick W. Blizzard, a railway mail clerk of the New Brunswick division, from September 27, 1898, to July 1, 1899.

As you are aware, Mr. Blizzard has been practically on leave of absence under the authority of previous Orders in Council, since September 13, 1897. There was, I understand, an interval of eight or ten days in September, 1898, when he resumed work, but it seems to me that notwithstanding this short break in his absence from actual service, the Order in Council in the present instance is contrary to the statute applicable to the case, subsection 2 of section 49, chapter 17, R. S. C., which provides as follows:—

“In case of illness or for any other reason which to him seems sufficient, the Governor in Council may grant to any officer, chief clerk, clerk or other employee, leave of absence for a period not exceeding twelve months.”

In my opinion Mr. Blizzard's leave of absence should not have continued after September, 1898.

I am, sir, your obedient servant,

The Deputy Postmaster General.

Application for a General Letter of Credit in favour of P. O. Inspectors.

POST OFFICE DEPT., OTTAWA, August 30, 1899.

SIR,—Referring to the application from this department of the 26th instant to cancel the special letters of credit in favour of the post office inspectors, and to issue instead general letters of credit, and referring also to our conversation of this morning on the same subject but treating more particularly the point which you have raised *re* the countersigning of the orders issued by the post office inspectors on the banks, I beg to say that it may be presumed that on all other points, it is agreed that the proposed change to the general letter of credit would be a step in the right direction.

The only point, therefore, to discuss is whether there is any necessity for the orders to be countersigned by a clerk in the inspector's office.

Under the proposed system the inspectors will issue an order on the bank directing that a certain sum of money be forwarded to a postmaster. Neither the inspector nor any of his clerks will handle a cent of the money. The banks will send funds to postmasters only, in envelopes provided by the department, a sample of which is inclosed, which you will notice is addressed "the postmaster at.....," leaving the name of the post office, not the postmaster's name, to be written in.

The registered letter being deliverable to a postmaster only, would prevent possible collusion between an inspector and any one not a postmaster.

The receipts for all sums so sent are to be returned to the bank, a sample of which form is inclosed.

Under these circumstances it will not be possible to send cash to any one but a postmaster, and admitting the possibility of what has not occurred in the experience of the department, when opportunity for such existed, i.e. collusion between a post office inspector and a postmaster, the fact that orders on the bank were countersigned by a clerk would not prevent wrong doing, because the only evidence the clerk would require at the hand of the post office inspector would be the usual requisition for funds by a postmaster which would in such case be forthcoming.

In printing the new form of order it is the intention to limit the amount to be sent to any one postmaster to \$500.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.M.G.*

—
AUDIT OFFICE, OTTAWA, September 8, 1899.

SIR,—I beg to acknowledge the receipt of your letter of the 30th ultimo, with reference to the change contemplated by the department in the letters of credit now issued in favour of post office inspectors, to cover money orders payable at post offices which have not a bank credit, from limited credits of \$5,000 each to general credits, from which the various banks may forward to postmasters such amounts as may be applied for by the several post office inspectors on special forms to be supplied by the Post Office Department.

In regard to the point raised in connection with the countersigning of all applications on the banks by the various inspectors for the issue of funds to the several postmasters, I am of opinion, notwithstanding the fact that the inspectors will not touch any of the cash so issued, that the practice of countersigning should be observed, unless it can be shown that such a course would be impracticable or highly inconvenient to the inspectors in the discharge of their duties. As the post office inspectors' offices are at present constituted I do not think there can be any reasonable objection offered to continuing the practice of countersigning.

As you are aware, the whole system of payment under departmental letters of credit is conducted on a dual responsibility, even where the credits are limited to specific amounts; and the wisdom of this practice is now too well established to need any arguments in its favour, or to change it for any other system without fully considering the possible consequences and providing safeguards in the public interest equally good. To make collusion successful the inspector and the postmaster to whom the money is sent are alone necessarily involved under your suggested method, because the inspector may say that he has the application from the issuing postmaster without having it. A protection is of course supplied when the evidence of a third person (the issuing postmaster) that the money is required to pay a public debt is provided by a fourth person (a clerk in the inspector's office) who must see the communication of the issuing postmaster if it exists. The countersignature of a clerk in the inspector's office not only asserts this, but it implies that the transaction is in every way regular. I need not point out that

SESSIONAL PAPER No. 1

Your department is as much interested in this work being securely done as this office is. It is quite true that the irregularity against which protection is sought would not be often attempted, but temptation should be kept out of every one's way where it is practicable and particularly where it can be done as easily as in this case.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, September 13, 1899.

SIR,—Referring to my letter of the 30th ultimo, regarding the proposed change in the credits furnished to the post office inspectors, I beg to acknowledge receipt of your reply dated the 8th instant, in which you deal particularly with the point raised in connection with the countersigning, by a clerk, of cheques issued by the inspectors, and you state that you see no reasonable objection to this being done under the conditions which at present exist at the offices of the post office inspectors.

Admitting that wherever the countersigning of cheques will give additional security to the public service it should be put in force, but again pointing to the fact that almost immediate detection would follow any misapplication of the proposed credit (which in itself supplies the greatest barrier to wrong doing) there is still the fact, which I pointed to in a recent conversation with you on the subject, that the clerks in the inspector's offices at present engaged in contract duties are to be withdrawn almost immediately, and that the inspectors and their assistants will be travelling nearly all the time, so that it will then very often happen that but one official will be left in the inspector's office which would, under your proposal, make it impossible to fulfil the absolutely necessary duty of promptly supplying postmasters with funds for the payment of money orders, &c.

Under these circumstances I beg that you will be good enough to reconsider your objections to the establishment of the general credits as applied for.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.M.G.

AUDIT OFFICE, OTTAWA, September 14, 1899.

SIR,—I have your letter of yesterday regarding the countersigning of general letters of credit in favour of the post office inspectors. The more I consider the matter the more difficult it appears to me to justify the granting of general letters of credit under present conditions, without countersignature. There is really no oversight, under any circumstances, by the bank in such cases.

It is quite true that the wrong would be soon detected, but wrong to an unlimited extent might be done at once under a letter of credit which is without limit.

I am, sir, your obedient servant,

The Deputy Postmaster General.

Mail Service which should be Authorized by Governor in Council.

AUDIT OFFICE, OTTAWA, October 5, 1899.

SIR,—I beg to bring to your notice several payments made during last year to Mr. R. G. Reid, amounting to \$12,620.33, for carrying the mails between North Sydney and Port au Basque, Newfoundland, and to inquire if the approval of the Governor in Council has been obtained for the terms under which payment was made as called for by section 60 of the Post Office Act.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, October 17, 1899.

SIR,—I have the honour to acknowledge your letter of the 5th instant, calling attention to section 60 of the Post Office Act, and inquiring whether, in accordance therewith, this department obtained the approval of the Governor in Council for payments amounting to \$12,620.33 made during last year on account of mail conveyance between North Sydney, N. S., and Port au Basque, Newfoundland.

In reply I beg leave to say that the section of the Post Office Act to which you refer provides that no contract shall be made by the Postmaster General with any railway or steamboat company involving a larger payment than \$1,000 without the authority of the Governor in Council.

In this case no contract has been made. The department has for many years been paying for the conveyance of mails to Newfoundland at the rate of 50 cents per pound of letters, and 5 cents per pound of other matter.

This arrangement can be terminated at a day's notice.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.M.G.*

AUDIT OFFICE, OTTAWA, October 21, 1899.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th instant with reference to the payments made during last year to Mr. R. G. Reid for carrying the mails between North Sydney and Newfoundland, in which you say that, as no contract was entered into with Mr. Reid for the service in question, section 60 of the Post Office Act does not apply. I presume when you say no contract has been made, you have reference to a written agreement drawn up and signed in proper form, and that, in your opinion it is in such a case only the statute is applicable.

It seems to me quite clear that the statute calls for the authority of the Governor in Council in all cases, whether under formal or informal contract if the amount involved is for a larger sum than \$1,000. For example, if in arranging for the carrying of the mails in the present instance at the rate of 50 cents per pound for letters and 5 cents per pound for papers, the department found, from the information at its disposal, that the payments involved by this arrangement would exceed the limit prescribed by the statute, there was an obligation on the department to have obtained the approval of Council, whether there was a formal contract, or only a verbal agreement which might be terminated at a day's notice.

I am, sir, your obedient servant,

The Deputy Postmaster General.

In his account he charges for living expenses \$3.50 a day instead of giving his actual expenses in detail. Please let me know on what authority the charge has been allowed.

J. L. McDUGALL, *A.G.*

POST OFFICE DEPT., OTTAWA, Nov. 25, 1899.

SIR,—I have to acknowledge receipt of your letter of the 31st ultimo, calling attention to the account of Mr. McAlpine in which he makes a charge of \$3.50 a day for living expenses, and asking on what authority the charge has been allowed. In reply I beg to inform you that the charge in question was allowed upon the authority of an Order in Council, dated the 21st September, 1897, which states that reasonable moving and living expenses are to be allowed where the judge has to travel for the purpose of discharging his duties. In the accounts submitted by Mr. McAlpine, the charge of \$3.50 a day was considered to be reasonable, and was, therefore, allowed by this department.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.M.G.*

AUDIT OFFICE, OTTAWA, Nov. 29, 1899.

SIR,—I have the honour to acknowledge the receipt of your letter of the 25th instant, in which you state that the amount \$3.50 per diem, claimed by Mr. McAlpine to cover travelling expenses in New Brunswick, was allowed by the department under an Order

SESSIONAL PAPER No. 1

in Council of September 21, 1897, which authorized the payment of reasonable moving and living expenses, the department being of opinion that the claim of \$3.50 per diem was a reasonable charge.

It seems to me that your interpretation of the word expenses in the Order in Council is not correct. It certainly is not in accordance with the interpretation which has heretofore prevailed in the public service.

Whenever the Governor in Council desired to grant an allowance to cover travelling expenses, the fact was explicitly stated in the order and the amount authorized inserted also; but whenever reasonable expenses were authorized it has always been understood to mean expenses as shown by account rendered and duly certified, but on a scale justified by the duties of the official.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

Grand Trunk Railway: Mileage rate, Lévis to Montreal.

AUDIT OFFICE, OTTAWA, Nov. 20, 1899.

SIR,—Before closing the report of your expenditure for mail service by railways during last year, 1898-99, I would like to have an answer to my letter of January 19, 1899, published in the report of 1898 at page N-57. In this letter I called your attention to the changed circumstances in the carriage of the mails from the maritime provinces, westward from Lévis, owing to the extension over the Drummond County Railway, of the Intercolonial road to Montreal, and point out that the nature of the change seems to call for a reduction in the mail subsidy paid to the Grand Trunk Railway for that portion of its line between Lévis and Montreal. The authority for the subsidy of \$160 per mile per annum for the main line of the Grand Trunk, between Quebec and Sarnia, seems to be of a date prior to the inauguration of this office on its present basis, so that I am not in a position to inform myself if there is anything in the agreement then made to preclude a reduction now.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, Dec. 1, 1899.

SIR,—I beg to acknowledge your letter of November 20th, in which you call attention to the changed circumstances in the carriage of the mails from the maritime provinces westward from Lévis.

In reply permit me to say that the Grand Trunk Railway are still carrying mails between Lévis and Montreal, under the terms of a contract entered into some years ago.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER. D.P.M.G.

Arrears Due.

POST OFFICE DEPT., OTTAWA, Sept. 2, 1899.

SIR,—I have the honour to acknowledge the receipt of your letter of the 16th instant and to inclose herewith statements showing the balances due by retired postmasters on 30th June, 1899, which comprise all the arrears due to this department.

Statement No. 1 shows the balances due on old revenue account, and Statement No. 2 the amount due on new revenue account.

As regards the reasons why the arrears reported last year have not been collected, I have no information to add to that already furnished in my letter of 1st December, 1898.

The balances accrued during the year just closed are as follows:—

Black River, N.B., H. Kirsop.....	\$ 1 67
Stewartdale, N.S., D. McMillan.....	4 98
Temperance Vale, N.B., G. F. Pinder.....	4 00
Zionville, N.B., B. Stewart.....	8 36

These amounts cannot be collected as every means of recovering the same, save by process of law, has been exhausted without success.

Legal proceedings were not instituted owing to the smallness of the amounts and the doubtful chances of recovery.

All bank receipts pertaining to the revenue of 1898-99 have been forwarded to the Finance Department, and the revenue returns not already supplied will be furnished as promptly as possible.

I am, sir, your obedient servant,

The Auditor General.

Re Letter Box Rents.

POST OFFICE DEPT., OTTAWA, May 23, 1899.

SIR,—I have the honour to transfer to you herewith a communication from Mr. D. M. McMillan, stating that the amount of box rents collected at Brandon, as given in the Auditor General's Report, is incorrect.

I may say that the amount mentioned in the report—\$158.15—represents the box rents collected at Brandon from the 1st November, 1897, the date on which the postmaster commenced to account for the box rents, to the 30th June, 1898.

I am, sir, your obedient servant,

The Auditor General.

W. D. LESUEUR, *Secretary.*

AUDIT OFFICE, OTTAWA, June 7, 1899.

SIR,—I am returning herewith the letter of Mr. McMillan, in reference to the proceeds of the rent of letter boxes at Brandon, which was received with your letter of the 23rd instant.

According to the return furnished by your department and published in the audit report of 1896-97, page N—71, the proceeds of the rents at Brandon, for that year, amounted to \$402.50. At that time the rents were retained by the postmasters.

As stated in a foot note in the report of 1897-98, where the statement is published, the amount of these rents covered the receipts at city post offices for the whole year, and at other post offices since November, 1897.

I observe in the returns for the present fiscal year that many of the lessees paid for the period commencing November, 1897.

The returns for the September and December quarters of 1898 amount to \$296.35.

It is provided on the return furnished by the postmaster that the number of boxes leased and the number vacant should be stated. The returns from Brandon do not contain this information. Many other postmasters neglect filling in this information. I have to ask that they should be required to do so.

You have no doubt instructed your inspector to inquire into and report on the Brandon case. I shall be glad to have a copy of his report.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 19, 1899.

SIR,—I have to call your attention to the large falling off in the receipts for letter box rents at the following post offices during nine months of the present fiscal year as compared with the eight months of the previous year :—

	1897-98.	1898-99
St. Hyacinthe, Que.	331 95	47 75
Three Rivers, Que.	249 00	47 20
Pictou, N.S.	359 25	85 75
Calgary	585 50	177 60

The numbers of boxes let and vacant are not entered on the returns from St. Hyacinthe and Pictou.

At Three Rivers there were let on March 31, 250 boxes at \$1, 28 at \$1.50, and 7 at \$2.

At Pictou there were let on March 31, 283 boxes at 1, and 8 at \$2.

If the June returns from these offices do not show much larger receipts than the whole three previous quarters, some explanations should be given.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 20, 1899.

SIR,—In your letter of January 7, 1898, you stated that the Postmaster General had made a regulation which took effect on and from November 1, 1897, requiring postmasters whose offices are situated in Government buildings, to account for all box rents ; and that from the revenue a percentage would be paid in accordance with the scale applicable to receipts from the sale of stamps.

I understand that a subsequent regulation made by the Postmaster General fixes the percentage to be allowed at 50 per cent of the receipts at each office.

SESSIONAL PAPER No. 1

As a necessary means of effecting a proper audit, copies are furnished this office of all Orders in Council making appointments, increasing salaries, establishing regulations affecting financial transactions, &c. For like reason, copies should be furnished of all appointments, regulations, &c., made by the Postmaster General, as soon as issued.

Your early attention to this matter is requested.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDougall, A.G.

AUDIT OFFICE, OTTAWA, June 20, 1899.

SIR,—According to the returns furnished by the postmaster at Almonte, there are in his office 340 boxes and 32 drawers, of which there are 175 boxes let at \$1.50, 9 drawers at \$2, and 6 at \$3.

For the eight months from November 1, 1897, when postmasters commenced to account for these rents, to June 30, 1898, only \$11.75 came to account.

For the nine months to March 31 last, only \$37.75 came to account.

An explanation is requested.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDougall, A.G.

AUDIT OFFICE, OTTAWA, June 20, 1899.

SIR,—The only return received from the postmaster at Owen Sound for the present fiscal year covering letter box rents, is for two months of February and March last, and amounts to \$95.90. It is not stated in the return how many boxes are in the office, nor how many are rented.

The receipts for the period from Nov. 1, 1897, to June 30, 1898, only amounted to \$173.88.

I have to ask for an explanation of the small amount received from this office, compared with the receipts from other places, and why there are no collections from July 1, 1898, to February 1, 1899.

Do your inspectors examine into and report on these rents ?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDougall, A.G.

AUDIT OFFICE, OTTAWA, June 20, 1899.

SIR,—The collections for letter box rents at the branch offices in St. John during the present fiscal year were as follows :—

	Sept. Qtr.	Dec. Qtr.	Mar. Qtr.
St. John, North	\$3 51	\$1 17	Nil.
St. John, West	6 00	Nil.	Nil.

The returns from St. John, North, do not show how many boxes are in the office, but the Nos. of the boxes let and entered as 339, 348 and 350.

At St. John, West, there are only four boxes rented at \$1.50, and 106 are vacant.

When did the inspector visit those offices, and what report did he make with reference to these boxes ?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDougall, A.G.

POST OFFICE DEPT., OTTAWA, Dec. 18, 1899.

SIR,—Having reference to your letter of the 20th June last, regarding box rent matters, I beg to say that, when it was decided in November, 1897, to require postmasters occupying Government buildings to account for box collections, the department was unable owing to much pressure of important work, to give that attention to the subject which was perhaps desirable, but during the fiscal year ended the 30th June last, this subject was gone into carefully and box rent collections are now being fully accounted for.

Difficulty was at first experienced in obtaining from some postmasters full statements covering boxes rented and unrented, but all postmasters in Government buildings are now providing this information once each month.

With regard to the particular items to which reference is made in your letters, I beg to say that box collections at St. John, North, and St. John, West, are small probably because both offices are within the limits of the city of St. John, and both have letter carrier delivery.

Collections at St. Hyacinthe, Three Rivers, Pictou and Calgary were respectively, \$321.85, \$229.75, \$167.25, and \$488.15 during June quarter, 1899.

When it was found that the postmaster at Almonte had been neglecting his duty, the matter was investigated and the postmaster is now accounting for present collections as well as for arrears.

For the period from January, 1898, to February, 1899, the Government did not have a lease of the Owen Sound post office, consequently the postmaster was not required to account for box rent collections during the interval. However, since that date the Government has again assumed payment of the rent and the postmaster has been required to account for box collections.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

Re Postage Stamps furnished to the Immigration Branch of the Department of the Interior.

AUDIT OFFICE, OTTAWA, March 3, 1899.

SIR,—During the fiscal year 1897-98 the postmaster at Ottawa, under the authority of an Order in Council dated August 10, 1897, kept a special account of the postage chargeable upon all immigration correspondence of the Department of the Interior addressed to countries beyond the limits of the Dominion, and the value of the stamps so used, amounting to \$1,823.56, was written off in the books of the Post Office Department as cancelled.

I have been informed by the Deputy Postmaster General that the practice still prevails.

This case is analogous with the one in connection with the Department of Marine and Fisheries lately submitted to the Treasury Board; the objection in both cases being that the revenue has been used to supplement a vote of Parliament without any statutory authority of which I am aware.

I have to request you to submit this matter to the attention of the Treasury Board in due course.

I inclose a copy of the correspondence with the Post Office Department.

I am, sir, your obedient servant,

The Secretary, Treasury Board.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Oct. 13, 1899.

SIR,—I have not been informed of the action of the Treasury Board in reference to postage stamps furnished to the immigration branch of the Department of the Interior, and the amount corresponding written off the books of the Post Office Department.

I have now to inform you that stamps to the value of \$5,721.88 were furnished during the fiscal year 1898-99.

This practice is not only without statutory authority, but is in direct opposition to the provisions of Chap. 29, R.S., secs. 25 and 27.

I beg to submit that this is a question calling for the early attention of the Treasury Board.

I am, sir, your obedient servant,

The Secretary, Treasury Board.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 14, 1899.

SIR,—Referring to previous correspondence on the question of the action of the Post Office Department in furnishing stamps to the Immigration branch of the Department of the Interior without repayment, which I submitted for the consideration of the Treasury Board on March 3 last, I shall be glad to know what decision has been come to.

I am, sir, your obedient servant,

The Secretary, Treasury Board.

Re Travelling Expenses, &c.

AUDIT OFFICE, OTTAWA, Nov. 14, 1899.

SIR,—Referring to statement of the contingent expenses of your office during 1898-99, I have to ask for fuller particulars and vouchers, as far as possible, for the following entries:—

Aug. 15, 1898—Expenses of trip to Montreal and return. \$10 00
 Aug. 28, 1898—Expenses of trip to Quebec and return, 3 days. 25 25
 Nov. 13, 1898—Expenses of trip to Montreal and return, 2 days. 13 50
 July 17, 1899—One year's disbursements for street car tickets, Ottawa, for self, two clerks and messenger. 10 00

In the account of C. Kelly, for cab-hire, paid March 16 last, there is a charge of \$5 for a cab attending State dinner. This is not a proper charge, and if such an item came before me for payment, I could not pass it. As you have paid it out of an advance, I have to ask you to deposit the amount to the credit of the Receiver General, and send me the deposit receipt.

I am, sir, your obedient servant,

The Clerk of the Crown in Chancery.

J. L. McDougall, A.G.

OFFICE OF THE CLERK OF THE CROWN IN CHANCERY, OTTAWA, Nov. 16, 1899.

SIR,—In reply to your communication of the 14th instant on the above subject, I beg leave to inform you that the trips to Montreal and Quebec in the month of August were necessitated on account of the taking of the prohibition plebiscite and in connection with the voters' lists to be procured under the new franchise law, and with reference to the

SESSIONAL PAPER No. 1

distribution, &c., of the large number of ballot boxes stored in those two cities, and to investigate the disappearance of a considerable number of said boxes, both in Montreal and Quebec.

The trip to Montreal in the month of November last was to ascertain how a number of ballot boxes, apparently the property of the Dominion Government, had found their way into the possession of private parties in the city of Ottawa.

With reference to the charge of \$10 for street car tickets, the expense was incurred by the officers of this office in connection with the prohibition plebiscite, mostly in going to and returning from the Printing Bureau, where the printing of all the blank forms, pamphlets, &c., was done.

As regards the charge of \$3 to attend a State dinner at Government House, I was under the impression that as I attended the same in my official capacity, I was justifiable in charging this account to the Government, a custom which, I am informed, has heretofore been in practice by many Government officials.

I am, sir, your obedient servant,

SAMUEL E. ST. O. CHAPLEAU, C. C. C.

The Auditor General.

AUDIT OFFICE, OTTAWA, NOV. 18, 1899.

SIR,—I have received your letter of the 16th instant.

In my letter of the 14th I did not question the propriety or necessity for the trips you made to Montreal and Quebec. What I asked for was a detailed statement of each trip and the hotel and other vouchers as far as practicable. The item of \$10 for street cars is evidently an arbitrary amount. If it is necessary for the work of your office that street car tickets should be used you should keep an entry of the purchases made, and the statements should be certified by you as having been used in the service of the Government.

As to the item of cab-hire to attend a State dinner at Government House, you are mistaken in thinking it has heretofore been in practice by many Government officials to charge it to the Government. Some years ago a similar item appeared in the accounts of an official, and I objected to it then.

Please make the refund and give the details requested.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Clerk of the Crown in Chancery.

OFFICE OF THE CLERK OF THE CROWN IN CHANCERY, OTTAWA, NOV. 23, 1899.

SIR,—Adverting to your letter of the 18th instant on the above subject, I beg leave to state that I have no vouchers for the items "trips to Montreal and Quebec," not knowing at the time that they would be necessary. The railway fare to Montreal, return trip, including drawing-room car, is \$6.80, I think, while living expenses in Montreal are from \$4 to \$4.50 per day. As to the trip to Quebec, I travelled from Ottawa to Montreal by C. A. Railway, then by the Drummond County Railway to Quebec, and returned by the Grand Trunk Railway and Canada Atlantic Railway, spending two nights on the cars.

About the item of \$10 for street car tickets, I would state that aside from general election times (equal to which was the prohibition plebiscite) which necessitates a great deal of travelling to and from the Printing Bureau, the printing of the voters' lists requires a good deal of travelling between the two places. I shall send you a voucher for the item in future.

As to the item \$3 for cab-hire, I shall make the necessary refund, although I am informed on the best of authority that the custom of charging the Government for that service is largely practised by Government officials.

I am, sir, your obedient servant,

SAMUEL E. ST. O. CHAPLEAU, C. C. C.

The Auditor General.

Re International Commission.

AUDIT OFFICE, OTTAWA, Nov. 17, 1899.

SIR,—In connection with the expenditure during 1898-99 on account of the international commission, I have to ask you to send me the letter of credit cheques issued.

Vouchers are required for advances made to the following:—

John Charlton, M.P.	\$1,766 48
Henri Bourassa, M.P.	2,200 00
R. N. Venning.	1,130 00
O. G. V. Spain.	300 00
Herbert Taylor.	600 00
F. Gourdeau.	37 25
R. Archambault.	275 00

Details and receipts should be given of the amount (\$125) paid to employees of the Legislative Council and Legislative Assembly.

A more detailed statement is required of the amount (\$407.95) paid out in gratuities to servants, and of the amount (\$147.71) paid out for cabs and carriages.

The portion of the audit report containing a statement of this expenditure is about ready to go to the printers, and I have to ask your early attention to this matter.

I am, sir, your obedient servant,

Joseph Pope, Esq.

J. L. McDOUGALL, A.G.

DEPT. OF THE SECRETARY OF STATE, OTTAWA, Nov. 18, 1899.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th instant touching the expenditure of the international commission.

In response to the request contained therein, I send you the paid cheques issued by me and paid by the Bank of Montreal.

* * * * *

I have also written Messrs. John Charlton, Henri Bourassa, R. N. Venning, O. G. V. Spain, F. Gourdeau and R. Archambault.

As regards Captain H. Taylor, I have already explained to you that his accounts are not yet finally adjusted.

The stenographers and messengers employed at Quebec and the employes of the Legislative Council and Legislative Assembly were paid by Mr. Bourassa ; I have communicated to him your request in regard to payment made to these persons.

With respect to the item of gratuities to servants, I am afraid, from the very nature of the expenditure, I cannot furnish many details. \$100.50 of this was paid to hotel servants at Quebec ; \$147 to hotel servants in Washington during November and December, and \$105 during January and February. The balance was paid to porters and other attendants outside the hotel at which the commission stopped.

As regards the item for cabs and carriages, may I ask with what details you desire to be furnished.

I am, sir, your obedient servant,

The Auditor General.

JOSEPH POPE.
