DEVOTED TO THE INTERESTS OF WOLFVILLE AND EASTERN KINGS

Vol. XL. No. 25.

WOLFVILLE, NOVA SCOTIA, FRIDAY, APRIL 8, 1921.

\$2.00, payable in advance.

## A. C. A. Reception

One of the Best Ever Held—  
Splendid Program

One of the most interesting social functions of the Collegiate year is the annual reception of the Acadia Academy and this year was no exception to the rule. It was held Saturday evening in the Memorial Gymnasium, which was beautifully decorated for the occasion with banners and streamers of colored paper and made an ideal meeting place for the throng of happy young people gathered together. The chaperones were Mrs. W. L. Archibald, Mrs. R. L. Jeffrey, C. M. Spidell, president of the school, and R. E. Hennigar, secretary. During the evening the following program was rendered and much enjoyed:

Vocal Solo—Miss Evelyn Duncanson  
Monologue—D. D. Cameron  
Vocal Solo—Miss Frances DeWolfe  
Violin Solo—Miss Hilda Kinsman  
Vocal Duet—Roy and Carl Evans  
Vocal Solo—Miss Josephine Harris  
Selection—Rhodes Hall Quartette.

## WOLFVILLE GIRL SUCCESSFUL ORGANIST

The following is taken from the Evening News of New Glasgow, in which town Rockwell is making a name for herself as an organist.

The rendition of the sacred cantata "The Resurrection and the Life" by St. Andrew's Church Choir last Sunday evening was highly appreciated by the large congregation in attendance. The choruses were well balanced and sung with much finish, the outstanding features being the ladies chorus "They have crucified my Lord", male chorus "The Earth quake" and the solos "The lament of women" by Miss Logan and "The lives" by J. G. McKenzie were exceptionally fine. The reading of the text of the cantata by Rev. Mr. Farquhar added very much to the effect. Special mention should be made of the organist and director, Miss Beatrice Rockwell, who is an accomplished musician. She is a graduate in pianoforte of Acadia Conservatory of Music and a pupil in pipe organ of Geo. Austen, A. R. C. O. of London, England.

## Personal Paragraphs

Dr. H. T. DeWolfe was in Halifax last Sunday and spoke at the West End Baptist church in the evening.

Mr. R. E. Harris left on Monday morning for Clyde River, Shelburne County, to adjust fire losses as the representative of insurance companies in which he is interested.

Miss Bertha Condran, of Mahon Bros. Ltd., Halifax, visited friends here this week, on her return from the week-end spent with her sister at the Provincial Sanatorium.

Mr. R. W. Tufts left for Boston last Friday via Yarmouth. He was accompanied by one of his wardens, Sheriff H. A. Smith, of Digby, who expects to undergo a serious operation in one of the Boston hospitals.

W. G. Kenney, Manager of the Royal Bank at Waterville, with Mrs. Kenney and baby Stuart, spent their Easter holidays in Wolfville, guests of Mr. Kenney's mother, Mrs. J. K. Kenney, Paoepeck Street.

Rev. G. W. Miller and Mr. Herbert Stairs were in Halifax this week and on Tuesday formed part of a delegation which waited on the government asking that immediate steps be taken to provide a permanent home for the feeble-minded of both sexes.

Mr. A. H. Jones, of the National Council, Y. M. C. A., who has been spending part of the winter at his home on Wolfville Ridge, returned to Halifax this week to make arrangements for immigration work to open at the port of Quebec in the course of a few days.

## ENTERS POLITICS

Lady Rhonda, foremost business woman in the British Empire, has definitely entered politics. She is a prominent advocate of women's rights in both political and industrial life.

## MAY FESTIVAL OF MUSIC

The annual May Festival of Music will be revived again this year under the Direction of Prof. Frank E. Marsh of the Conservatory Staff. There will be two concerts given in the New Memorial Gymnasium on the evenings of May 5th and 6th.

On May 5th, Miss Mildred Dilling, Harpist, and Miss Valerie Deucher, Soprano of New York City, will give a Recital for Harp and Voice. Miss Deucher will give costume songs accompanied by Miss Dilling on the Harp and Miss Dilling will play several groups of Harp solos. This will be Miss Dilling's last appearance in America before sailing for France, on May 14th.

The evening of May 6th, the Acadia Choral Club assisted by the Acadia Orchestra and the following soloists: Miss Valerie Deucher, soprano; Miss E. Marie Underhill, Mezzo-soprano; Miss Winifred Stephens, mezzo-contralto; Mr. Fred Guilford, baritone; will sing "Ruth" a sacred cantata by Alfred R. Gaul. This is one of the best and most beautiful cantatas in the whole repertoire of Choral Music. The season tickets will be placed on sale within a few days at Rands' Drug Store.

## WOLFVILLE GIRL'S SPLENDID RECORD

The following from the "New York World" of April 1st, will be read with interest by Miss Gould's many friends:

"Don't call me a prodigy, or people will think I'm a freak," exclaimed twenty-year-old Esther Lee Gould at Columbia yesterday. Miss Gould is the youngest candidate for the degree of Doctor of Philosophy. She has established a new record for brilliance at the University.

Miss Gould will receive the degree, with its full rights of putting Ph. D. after her name and being known henceforth as Dr. Gould, after one year instead of work for the usual three or four. She is specializing in languages and is proficient in Latin, Greek, French, Italian, German and Spanish.

"A prodigy!" she said. "The idea! I'm not a prodigy—infant or otherwise. Any one who is willing to work consistently and efficiently can go to college and be graduated at an early age."

Miss Gould was born near Grand Pré, the scene of Longfellow's poem, Evangeline, and graduated when seventeen from Acadia College. At the time of her graduation she received the Governor General's gold medal for leading her class. One year later she received the degree of Master of Arts.

Sheriff Porter is having lumber hauled to his property in town, and will recommence construction work on his dwelling in a short time.—Western Chronicle.

## Town Council Meets

Two More Applications for Position of Town Clerk—Town to Borrow \$44,000.

The only absentee at the Council meeting on Wednesday evening was Councillor Moore, who is still prevented by illness from participating in town affairs.

Coun. Sutherland for the Streets and Public Property Committee, reported that the only work done during the month had been cleaning the streets and ditches and the cutting of a number of poles on the Water Shed lands. The total expenditure was \$120.50.

Coun. Nowlan for the Water Committee, reported the reservoir practically filled with water and advised that the dividing wall between the two reservoirs be raised so as to add to the capacity of the new one.

Coun. Shaw, Chairman of the Finance Committee, reported on the financial condition of the town at the end of March. The receipts during the month were \$926.59 and the expenditures \$2732.72. The debit balance at the bank on March 31st was \$14,134.01.

Coun. Wheaton was appointed chairman of the Police Committee and a member of the Electric Commission and of the Poor Committee, these positions being left vacant on account of the by-election.

A communication was read from Dr. Eager, asking that the town boundary line which crosses his property be properly defined. The Superintendent was requested to meet Dr. Eager and have this matter arranged.

The following accounts were read and ordered paid:

J. W. Vaughn	\$ 4.00
Nat. Evans	74.75
Maritime Telephone Co.	24.00
Thomas Foster	34.00
Burton Croft	12.00
Reg. of Deeds	78
A. & W. Kackinlay	50.29
Wood & Mahaney	10.00
S. C. West	2.50
E. S. Crawley	5.00

Applications for the vacant office of Town Clerk were received from H. E. Arnold and Morgan Tamplin, at a salary of \$1200. These were laid on the table for further consideration.

E. J. Westcott asked for permission to install a gasoline pump in front of his store and sink tank under sidewalk. The request was granted.

The draft of the bill to be presented to the legislature asking authority to borrow on the credit of the town for the various departments of town government (\$41,000 in all) was read and the necessary resolutions were passed and instructions given to have this sent to the representative of the county for presentation to the government.

## CANNING NOTES

On Sunday the Rev. Dr. Hill spoke in the Methodist church at 11 a.m. on "Brotherhood", taking his text from Matthew 23:8, which verse with the context furnishes a sermon in itself. The unrest in the world, he spoke of as being a sign of advancement which would ultimately result in elevating the people. Dr. Hill addressed the congregation in the Baptist church at 7:30 p.m. on the same subject, both addresses being of a high order and listened to by large and appreciative audiences.

On Tuesday night in the Baptist church the Social Service Council held their annual session. After receiving reports, the officers were elected for the current year as follows:

—Rev. H. Barber—President.  
—N. W. Eaton—Vice-President.  
—Mrs. I. S. Blenkhorn—Secy.-Treas.  
—Mrs. M. S. Eaton—Asst. Secy.-Treas.  
Music Committee: Mrs. A. W. Ellis, Miss Isabel Meek, Miss Myrtle Meek.  
Play Ground Com.: N. W. Eaton, R. Scheitheltn, S. Blenkhorn, Chas. Cox, Fred Lyons.

The meeting then listened to a comprehensive report of their delegate to Provincial Council, N. W. Eaton, after which a resolution against the Douglas proposed amendment to Nova Scotia Temperance Act was passed and meeting adjourned to first Tuesday of May when a special program will be presented.

## SCHOOL BOARD MEETING

The regular monthly meeting of the School Board was held on Monday evening. All the members were present except Mrs. Moore, who is still on the sick list. Coun. Shaw was in the chair.

Application was received from Miss Allen, of Truro, for a position on the teaching staff should any vacancy occur.

It was decided to engage F. S. Crowell as caretaker of the new school department at a salary of five dollars per month.

It was decided to engage Mr. Leslie F. Fairn to make plans for the proposed new school building if satisfactory arrangements can be made with him.

## Men's Entertainment

At Baptist Church Last Night Grand Success

The supper given by the men of the Baptist church last evening passed off most successfully. There was a large attendance of ladies who seemed to enjoy the novelty of being served instead of the servers. The supper was entirely prepared and served and all the work done by the men.

At eight o'clock all repaired to the School room of the church where a splendid musical program was given, Dr. MacDonald presiding. All the numbers were greatly enjoyed and loudly applauded. Between the numbers ice cream was served by the male waiters. The program was as follows:

Selection—Ukelele quartette: the Messrs. Prescott, Miss Parsons and Miss Stackhouse; Mrs. MacIntyre at the piano.  
Vocal solo—Roy Evans.  
Male quartette—Messrs. Mason, Bowlby, Reid and Parsons.  
Vocal Solo—Waldo Davidson.  
Selection by the Ukelele quartette.  
Male quartette—Messrs. Vincent, Prime Rhodenizer and Parsons.  
Selection by orchestra—Messrs. Eisenbauer, Bishop, Crowell, Roach, Haycock, and Cameron.  
Vocal solo—A. J. Mason.  
Vocal solo—Horace Reid.  
Monologue—D. D. Cameron.  
Vocal solo—Mr. Parsons.  
The singing of the National Anthem brought to a close one of the most successful social functions ever held in the Baptist church.

## SOCIAL HAPPENINGS

Miss Eugene Eaton, held a reception at her home on Earncliffe Ave., on Friday afternoon. Beautiful flowers and choice objects of art brought from their recent home in India made very attractive rooms. Mrs. Lawrence Eaton poured tea assisted by Mrs. Freeman, Miss Chute and Miss DeWitt, while Mrs. Leslie Eaton helped receive.

Mrs. Beardsley was the hostess at a gathering of lady friends on Friday evening at the Auction Bridge.

Mr. C. Cox entertained seven tables of gentlemen friends at Auction on the evening of the 6th.

Mrs. Gerald S. Cault very graciously entertained a number of their friends on Saturday evening. It was the occasion of the seventh anniversary of their marriage although the fact was not known by the guests until they assembled.

Auction Bridge was the feature of the evening which was a decidedly pleasant one.

Mrs. George Anderson entertained the Ladies' Club on Tuesday evening at her pretty home on Westwood avenue.

## BOY SCOUT NOTES

The program for this evening is as follows:

6:45 to 7:00—Group games.  
7:00 to 7:30—Indoor baseball.  
7:30 to 8:00—Basketball.  
8:00—Roll-call, talk by Dr. MacDonald on the Scout Law.  
8:30 to 10:30—Taxis Scouts business meeting and basketball.

Next Friday evening the Scout basketball team will probably play the Port Williams boys at that place.

Dr. J. H. MacDonald has recently written a booklet for the Acadia Million Campaign Committee on Acadia's contributions to the United States.

The first Mayflower of the season came to THE ACADIAN yesterday, having been picked the day before by Miss Dorothy Delahunt.

## SIR A. GRIFFITH BOSCAWEN

Recently appointed British Minister of Agriculture, who was defeated in the Dudley by-election where the embargo against Canadian cattle was the principal issue.

## GREENWICH NOTES

Miss Bowes, our head teacher spent her Easter holidays at her home near Brooklyn, Hants Co.

Laura Marshall, who is boarding in Halifax and attending school there, spent the Easter holidays at her home here.

Miss Kathleen Meek, of Upper Pereaux, spent Easter Sunday with her sister, Mrs. Dexter Forsythe.

Our assistant teacher, Miss Joyce Harvey, who has been ill with mumps, has again resumed her duties in the school.

The work in the evaporator closed on Saturday, March 26th.

The funeral of the late Cutler Forsythe took place at the home of his brother Dexter, on account of Mrs. Forsythe's illness, last Friday afternoon and was very largely attended. The service was conducted by Rev. W. H. Watts, interment at the Oakes. The pall-bearers were his brothers Dexter and Major and two of his intimate friends, Messrs Howard and Edgar Forsythe.

Mr. Major Forsythe, of Mass., arrived here last Thursday to attend the funeral of his brother. His many friends were glad to see him.

The friends of Mrs. (Dr.) Bowles will be glad to know she is doing well after her operation at Westwood Hospital, Wolfville, a few weeks ago.

We understand Mr. Ormand K. Forsythe has taken up the poultry business for the summer. We wish him every success in this new venture.

Miss Mary Harvey is driving mail on Rural Route No. 2, as Mr. Lovett Forsythe, the regular driver, has been seriously ill. We are glad to learn there is now some improvement in his condition.

A number from here attended and enjoyed the concert given in the Port Williams Baptist church Sunday evening, under the auspices of the Loyal Workers Class. A few of our children who attend the Sunday School there took part in the concert.

Mr. Hazen Bishop has recently purchased a new Overland car, the latest model. "She's a beauty."

Spring work has begun on our street. Mr. Arthur Dodge has been very busy with his wood-sawing machine. The farmers are busy pruning the orchards and the ladies with housecleaning and dress-making.

Miss Charlena Pearson, daughter of Mr. T. A. Pearson, D. A. R. Station Agent at Greenwich, has successfully passed the probational examinations at the Cambridge, Mass., General Hospital, and has entered upon a three years course at that institution. Miss Pearson's many friends will extend congratulations.

## Town Management

Former Manager of Pictou Visits Wolfville—Gives Information to Citizens.

Mr. J. L. Eaton, formerly Town Manager at Pictou, was in town on Wednesday and was a caller at the sanctum of THE ACADIAN. Mr. Eaton is a native of Kentville, a son of the late Joseph Eaton, of that place. He left his native town when a boy and has spent a number of years in eastern Nova Scotia, where he has held important positions and made good. This was practically his first visit to Wolfville and he expressed himself as much pleased with what he saw. Our paved Main street especially, pleased him very much.

When it became known that Mr. Eaton was in town for the day arrangements were made for him to meet a number of the citizens and describe the workings of town management. The meeting was held at the office of the president of the Board of Trade. Mr. Eaton gave a most interesting and informing description of his work at Pictou. He certainly has acquired a wide knowledge of town affairs and his willingness to give all the assistance of his knowledge was much appreciated by citizens present.

The information he gave regarding the manner in which town conditions might be improved was not only of real interest but ought to be very beneficial to Wolfville. Mr. Eaton recommends that for a town of this size a capable man to perform the duties of town manager and town clerk at once as the best possible arrangement. It such a man as Mr. Eaton could be secured Wolfville would be indeed fortunate.

Mr. Eaton was glad to renew old associations in his native county and went from here on Thursday to Kentville and Canning. At present he is filling the position of consulting manager and engineer for the town of Pictou besides auditing the books and accounts of several large manufacturing concerns. He would be glad to again locate in the Valley and hopes to be able to do so in the near future.

## PARISH HALL NOTES

An interesting and instructive lecture was given at the Parish Hall on Tuesday evening by Rev. R. F. Dixon, his subject being "Some English Poets". There was a good attendance and the lecture was thoroughly enjoyed. The speaker reviewed the works of Milton, Wordsworth, Tennyson, Shelley and Keats and made copious quotations from the writings of these great writers of verse. The lecture was given under the auspices of the Y. P. S.

At the close of the lecture a business meeting was held at which it was decided to hold a reception and social on Wednesday evening of next week.

## SALVATION ARMY DRIVE

Next week the Salvation Army will put on a drive in Wolfville to raise funds for the prosecution of the good work they are doing the world over. The canvass is in charge of a local committee of which Mayor Fitch is the head. Collectors will call on citizens during the week and it is hoped they may receive a generous response. No one questions the value of the Salvation Army as a factor for world betterment and society owes them a debt which it should be glad to pay. Let us show that Wolfville appreciates.

Mr. J. W. DeWolf, who has been residing in Wolfville for some time, has purchased a property in Kentville, and it is understood will soon take up his residence there. Mr. and Mrs. DeWolf have made many friends during their residence in Wolfville who will very much regret their departure from our town.

## FARMS WANTED

We have over 1000 inquiries in our office for Valley Real Estate such as the following:

**BASEBALL FOR BERWICK**

BERWICK, April 4—A very enthusiastic meeting of the men of the town gathered on Friday night in (Spate Block to discuss the baseball situation for the coming season. W. L. Hatfield acted as chairman. It was a very successful gathering. The following officers were elected:  
 President—S. B. Chute.  
 Vice-President—Isaiah Shaw.  
 Sec'y Treasurer—J. R. March.  
 Executive Committee—H. Thomas, W. T. Cook, O. S. McNeill, A. E. Isnor, I. Shaw, J. R. March.  
 Grounds Committee—A. E. Isnor, I. Shaw, J. R. March, H. Thomas, D. L. B. Chute.  
 Membership Committee—The members of the Executive.  
 Manager of the 1st Team—George Cox.  
 Manager of the 2nd Team—H. Thomas.  
 Representative M. P. B. A. A. U. of Canada—George Cox.  
 Reporter of the Season—E. Wadley.  
 A committee was appointed to interview all the men of the town and get them to join the Baseball Association and so keep Berwick on the map.

Ottawa, champions of the National Hockey League, Monday night retained the Stanley Cup, emblematic of the world's professional hockey championship, by defeating Vancouver, champions of the Pacific coast hockey league by a score of two to one, the final for the series of five, being: Ottawa 3, Vancouver 2.

Winnipeg is to be asked to vote two million dollars for new schools. Since the schools are required, says The Free Press, "the money will have to be found. The State that fails to provide educational facilities for its children is headed in the wrong direction."

The failure of Roumania and Greece to pay the interest on the credits given them by Canada, as The Toronto Globe says, is not encouraging for the extension of trade with Eastern Europe.

A London despatch reports that thousands of tons of American apples are on the way to England and Covent Garden is already glutted with both Canadian and Australian fruit. Will the price drop?

New York despatches report that large orders are being received in the United States for American coal for shipment to Great Britain. If the British coal miners' strike continues for any length of time there ought to be an opportunity for our own coal operators to secure profitable contracts, which, however emergent they might be, would at all events assist in relieving the present situation. The idle ships of the Merchant Marine probably might be pressed into service as coal carriers and thus do something to earn their keep.

Summer time again went into operation in Great Britain on Sunday morning. This is the sixth year for the adoption of Day-light Saving in the Old Country. The experiment has proved so satisfactory that it is put into effect with little or no confusion, and the benefits accruing from it are practically universally recognized. It is a reform so generally sensible and beneficial that its general acceptance, where conditions permit, is only a matter of time—and a very short time, too.

The whole war debt of the United States could be paid out of the money expended by the American people on luxuries in one year. What applies to the United States is, as The Ottawa Citizen remarks, true in more or less degree of every other nation.

A Canadian paper-making company last year on total sales of ten and a half million dollars made profits of over five millions. That sort of thing cannot last, says The Toronto Globe. It certainly must not.

**New Strength for Victims of Anaemia**

**Loss of Strength Follows When Blood Becomes Thin**

Anaemia is the medical term for thin, watery blood. The sufferer loses strength, becomes short of breath and complains of palpitation of the heart after the slightest exertion, such as walking up stairs. The lightest tax becomes a burden. There is a loss of ambition, the victim loses weight and as the disease progresses the appetite is affected, color fades from cheeks and lips and fainting spells may occur.

Anaemia is not a disease that corrects itself, and if unchecked it progresses steadily. But it can be combatted by good food, fresh air and a proper tonic for the blood. As the blood becomes rich and red under this treatment, the symptoms disappear as in the case of Miss Evelyen Joyce, Westville, N. S., whose mother says: "Almost from infancy my daughter was very delicate, and was often under the doctor's care. As her father had died of consumption my friends feared she would fall a victim to that dread disease. As the years went by and she was merging into womanhood I began to fear that I would lose her. Then I decided to try Dr. Williams' Pink Pills, and I could soon see a change for the better. For the next three years, at intervals, she took the pills, always with the best of results. Now at the age of sixteen she is a fine healthy girl, and I never tire of telling those who see the wonderful change in her condition that she owes it to Dr. Williams' Pink Pills."

Miss Joyce herself says: "It gives me pleasure to confirm the statements made by my mother. Since using Dr. Williams' Pink Pills I have gained in weight, and from a sickly girl, suffering from headaches, dizziness and a languid feeling, I am now as well as other girls of my age, and I owe it all to Dr. Williams' Pink Pills."

Dr. Williams' Pink Pills can be obtained through any medicine dealer, or by mail, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

No remedy has yet been found for sleeping sickness.

**FORMAL OPENING OF HEALTH CLINIC**

On Friday last the formal opening of the Kings County Health Clinic took place at Kentville. It was an unpropitious day, and people from outside who were interested were unable to be present.

The Clinic has large and finely fitted up rooms in "The Advertiser" Brick Block, Main St., and it is in charge of Miss Mary Hayden, nurse. The visitors expressed their pleasure at finding such nice apartments all fitted for the purposes of County Health Clinic work.

Mayor Fitch, of Wolfville, presided, and made pleasing remarks in opening. Dr. Hattie, Provincial Health Officer, then gave a most interesting address bearing on the importance of the work and what it could accomplish.

Further addresses were made by Dr. DeWitt, Health Officer of Wolfville; Dr. Moore, Health Officer of Kentville; and the visitors present examined the rooms and the appliances for carrying on the Clinic.—Western Chronicle.

(From the London Daily Chronicle.)  
 The most modern method of child correction is that of suggestion as opposed to repression. Little Doris was very nervous, and had a horror of going to sleep in the dark.

Her mother, anxious to overcome this weakness, said gently as she was leaving her, "Remember, darling, that an angel will still be with you when I take the candle."

"Mummy," pleaded a small voice.

**CARELESSNESS IN MOTOR DRIVING**

The class of driver who comes at a reckless pace along a busy street, honking suddenly and furiously when he encounters pedestrians at a crossing, expecting them to scatter like a brood of chickens, excites resentment and discredits even those drivers who are careful. Motorists and pedestrians owe it to themselves to go fifty-fifty on the caution stuff. The motorist should remember that the pedestrian has less chance than the motorist, that he, therefore, cannot afford to be careless, and that in an accident involving both, the pedestrian is the person who always gets the worst of the encounter; that is to say, the driver of the automobile is always in the safer position.

**Nothing to Equal Baby's Own Tablets**

Mrs. Georges Lefebvre, St. Zenon, Que., writes: "I do not think there is any other medicine to equal Baby's Own Tablets for little ones. I have used them for my baby and would use nothing else." What Mrs. Lefebvre says thousands of other mothers say. They have found by trial that the Tablets always do just what is claimed for them. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach and thus banish indigestion, constipation, colds, colic, etc. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"Waiter, this coffee is nothing but mud." "Yes, sir; it was ground this morning." Most people think they know what trouble is—but they never tried to run a newspaper.

**CROSSING OF LEGS DANGEROUS HABIT FOR MOTOR DRIVERS**

Things That Should Be Avoided in Handling Automobiles

Through all the experience of people who sell automobiles to women and teach them to drive runs one thing in common—that women get into traffic troubles as much because of careless posture as anything else. And most dangerous of the careless postures they have found to be the idly crossed legs of the boudoir—or the drawing-room. They are doing what they can to teach women to straighten them out and attend to business when they get behind the wheel of a powerful motor.

Men in the motor trade realize that future business depends on satisfactory use, and cars are no longer turned over to new owners to go forth untrained on the public highways. The growing number of women who drive has called increased attention to correct demeanor as applied to safe motoring.

The woman who likes to cross her knees or sit crumpled in lazy comfort must break herself of those habits if she intends to drive a motor car. Feet crossed on the floor of the car may be comfortable, but to leave them all mixed up in the levers is a practice dangerous to everyone on the highway.

The clutch and brake frequently come into instant use—or should—and many accidents are attributed to woman's predilection to step on the wrong pedal. To resist the feminine inclination to loll or assume crumpled positions is pointed out as a necessary step toward safety.

A man of long experience in the motor business has drawn up a few suggestions to cover the most common fault of women drivers as he has observed them. Here they are:

Women are commonly blamed for indecision. Get over this fault if it is yours. Do not get into the middle of a street intersection and change your mind about which way you are going to drive. Do not apply brakes when wheels are turning rapidly. Throw out the clutch before applying the brakes.

**CANADA REQUIRES TWO MILLION TIRES**

Every Canadian motorist is interested in the tire requirements of 1921. According to statistics there are more than 400,000 cars registered in Canada today. Each of these cars has necessarily four tires, and would average at least one spare. There are then 2,000,000 tires in actual use.

Assuming that each car needs three new tires a year, a conservative estimate, there is a yearly replacement demand of 1,200,000 tires.

The number of new cars manufactured and purchased will approximate 100,000 cars, which creates a further demand for another 500,000 tires.

The minimum requirement for Canada in 1921 is, therefore, 1,700,000 new tires.

A Georgia lawyer to a wealthy client he desired to impress: "I played Hamlet once." "Indeed, Did you have much of a run?" "About six miles, as I remember it."

**CANADIAN GIRL'S WORLD RECORD**

Gladys Robinson of Toronto, who broke the world's record in the 440 yard dash at the International Indoor Speed Skating meet held in Pittsburg, Pa., made a clean sweep in the women's events. She is now the international woman champion.

**MOTORISTS SHOULD STUDY FUNDAMENTAL PRINCIPLES OF IGNITION AND WIRING AS APPLIED TO MOTOR CARS**

If you ever had to pay a few good-sized bills for having new generator armatures installed in your car, you realize more than ever before that the wires underneath the hood play a big part in the functioning of the automobile.

"Any automobile owner who does not understand at least the fundamental principles of ignition and wiring as applied to the motor car should study up a bit on these essential matters," advises a motor car electrician. "Every owner should make it a habit to inspect the wiring on his car as often as is practicable, to see that the electrical system is properly grounded and that all wires are securely fastened to spark plugs but that the right wire is attached to the right plug every time. "Short circuits burn out the armature

windings, hence neglect to inspect the wiring system of one's car for too long periods at a stretch is often followed by bills for new armatures.

"Pay attention to your dash ammeter. If it stops indicating charge at fifteen miles an hour or better, investigate the wiring. An ammeter is merely an instrument to protect the motorist against ignition troubles. There is no use having an ammeter on your car unless you pay attention to it and heed its warnings in time to prevent serious trouble."

**COUGHING REVEALS POOR ADJUSTMENT**

Coughing in the carburetor, followed by sharp explosions in the muffler, indicates a faulty adjustment of the auxiliary air valve. On the other hand coughing followed by a choking down and stopping of the motor, indicates that there is water in the gasoline.

**Subscription Rates**—In British Empire, in advance, \$2.00 per week. To U. S. A. and other countries \$2.50 per year.

**Advertising Rate Cards** and information respecting territory and samples of paper mailed upon request, or may be seen at the office of any advertising agency recognized by the Canadian Weekly Newspaper Association.

**Advertisers** must have copy in by Tuesday noon in order to insure changes for standing advertisements. New display advertising copy can be accepted one day later.

**Correspondence**—Letters addressed to the Editor and intended for publication must be short and legibly written on one side of the paper only. The longer an article, the shorter its chance of insertion. All communications must bear the name of the writer, not necessarily for publication. The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for the opinions expressed by correspondents.

**Editorial Notes**

The suggestion has been made that a percentage tax on the purchase price of every tire instead of a tax based on the price, weight and power of a motor car or truck should be imposed. Under the suggested plan it is claimed that the motorist would pay in proportion to the use he made of the streets and roads. The more he used them the more tires he would buy and the larger or heavier his motor vehicle the more he would pay for his tires. In both instances he would increase his payments to the public coffers. Such a tax would, in effect, be a mileage tax, increasing in proportion to the size and weight of the vehicle and the load carried. The idea has much to commend it, as under the present method the man who uses his car but little pays as much as the one constantly on the road.

We notice that the town of Windsor has a good arrangement for taking a vote of its citizens on matters relating to the expenditure of public funds. When a proposition of the Council to borrow on the credit of the town for street purposes was recently under consideration the matter was thoroughly discussed at a meeting of the citizens and voted on at a subsequent meeting held a few days later. The idea is a good one as it gives the ratepayers a chance to weigh the different arguments presented and thus vote intelligently when the time finally comes. THE ACADIAN would like to see the same plan followed in Wolfville at future meetings.

An esteemed lady reader of THE ACADIAN suggested recently the placing of seats at some of Wolfville's resorts for the convenience of visitors and citizens during the summer. It was suggested that at the "stile", on the college grounds, Willow Bank Cemetery, Randall's Hill and other points these would be much appreciated. This is a matter for the Board of Trade to take up and arrange for. The cost would be slight and the advantage great.

Our motor page last summer was pronounced a very interesting and useful feature and we have decided to repeat it this season. We shall be glad to receive communications from any of our motor friends, relating to their experiences or making suggestions that will be of use to car drivers and the public generally. The motor vehicle has become a most popular means of travel and is destined to fill an even more important sphere in the future.

**PORT WILLIAMS NOTES**

Mr. S. L. Gates and Mr. C. A. Campbell arrived home on Thursday, March 31st, from their trip to Bermuda after having spent a very enjoyable vacation.

The play, "The Making of Canada's Flag", was given in Gaspereau on Friday evening, April 1st, by the young folk of Port Williams. Although the roads were bad, which hindered many from attending, those who witnessed the play considered it very fine, and well played.

J. W. Harvey has had the room over the Royal Bank transformed into a very neat tenement, and it has been rented by Mr. Ira Gates, who takes possession next week.

Mr. and Mrs. R. F. Newcombe have returned home after spending the winter in Halifax.

Mrs. J. Briggs (nee Miss Daisy Coleman), accompanied by her husband, spent the Easter holidays with Mrs. Briggs' grandparents, Mr. and Mrs. Frank Bacon, Sr., of the "Fort Williams House."

Miss Alice Lockwood, of Halifax, spent the Easter holidays with her mother, Mrs. Margaret Lockwood.

Mrs. Lou Thompson is spending a few days in Halifax with her mother, Mrs. Scott.

Another landmark has been removed from Port Williams, by the death of one of its oldest citizens, Mr. Henry Robinson, who died Monday morning, April 4th. Even though he had been confined to the house for some time, his death was quite unexpected, and was indeed a shock to the whole community.

Miss A. M. Cogswell is again in Wolfville, nursing at the Acad my Home.

The "Loyal Workers" S. S. Class, gave an Easter Concert, last Sunday evening, April 3rd, which was enjoyed by a large audience. Mr. Robert Mawhinney, of St. John, who was spending the week-end in town, rendered a tenor solo, which was enjoyed by all. He possesses a very clear, musical voice, his enunciation is very distinct, and he sings with good expression. These traits of a good singer combined, makes him one whom we want to hear again.

Mrs. Robert Mawhinney (nee Miss Evelyn Gates), of St. John, is visiting her parents, Mr. and Mrs. A. Kempton Gates.

We hear that a number of the "Lily of the Valley" Division members, are preparing a play to be given before the public ere long, viz. "A Rank Deception". Those who enjoy seeing a good farce, watch for the date.

Rev. O. N. Chipman, who has been in St. John attending a meeting of the Executive of the Foreign Mission Board, returned home Wednesday, April 6th.

Miss Gladys O. Newcombe, teacher of the Kindergarten dept. of the Bridgetown public school, accompanied by a friend, spent the Easter holidays with her parents Mr. and Mrs. Foulis Newcombe.

Truro milk dealers have reduced the price of milk two cents per quart, effective April 1st. The price for the past year or more has been 14 cents. It will now be 12.

The annual Easter musical service at the Methodist church on Sunday evening was much enjoyed by a large congregation. In addition to several anthems, in one of which the solo part was taken by Mrs. Bartheaux, there were solos by Miss McGowan (contralto) and Mr. Wilfred Bowby (tenor), and a selection by a male quartette composed of Messrs A. J. Mason, Bowby, Read and Parsons. Rev. W. H. Watts gave a helpful address on the subject of "Friendship".

A recent article in "Motor" by a famous French engineer explains why the whole modern tendency is toward valve-in-head motors for the finest automobiles. This is the type of motor used exclusively in racing cars and airplanes where the greatest efficiency, economy and power are required.

One of the most famous valve-in-head motors is the "Northway" used not only in sturdy light-six McLaughlins but in some of the most exclusive high-priced cars.

Chiropractic Health Talk Some Folks Are Like Colts (By G. J. Randell, D. C.) Some folks are like colts. They never think of health until they are sick. Health always fails at the wrong time. Perhaps we can foresee sickness. In nearly every case those who have weak stomachs, sluggish bowels, weak kidneys, or any other form of weakness know of it. The Chiropractor finds the spinal pressure that is causing weakness and disease. He knows in many cases even before anything serious has developed that eventually you will have trouble. The spine is the index to your future health. By getting a spinal analysis and a correction of spinal deviations sickness is prevented. DR. G. J. **Wolfville in 1865**

(Continued from last week.)

On the south side of what is now Main street the first place east of the Tannery Hollow was a small house occupied by N. Beckman. The occupant was engaged at the tannery and left Wolfville a good many years ago. The house was afterwards occupied by Thomas Chase, a cooper, and was torn down or removed a long time ago.

Next was the house of the late Johnson Elderkin and was occupied until recently by his son, Mr. Albert D. Elderkin. It is owned by Mr. J. A. Doyle.

The place adjoining now occupied by Charles F. Elderkin, was the home of his father, the late Elijah Elderkin. He and Johnson Elderkin were brothers and large land owners.

Next was the home of the late James M. Payzant, father of our venerable townsman, Dr. E. N. Payzant. This is the place formerly occupied by Mr. F. J. Porter and sold by him to Mr. Grant, of Halifax, who has made extensive changes. Mr. Payzant formerly lived in a small dwelling that stood where Mr. D. G. Whidden's apple house now is. The former house to which he removed was erected by the late James T. Manning.

Two small houses stood between the old Payzant place and the residence of Mrs. Stackhouse, one owned by the late Andrew Johnson and used as a tenement and the other occupied by a man named Derley.

William H. DeWolf then owned what is now the Stackhouse place. "Uncle Billy" was one of the best known characters of the village and quite an extensive farmer. This place was occupied for many years by the late Dr. D. F. Higgins, whose wife was Mr. DeWolf's daughter. The Higgins family was a large one the member being now scattered in different parts of the world, filling places of usefulness and trust.

The late Charles Fitch occupied the place where Mr. William Fitch, his son, now resides. Mayor Fitch is also a son. He was a leading man in the community.

Some of our readers will remember the old building that stood just east of the College grounds and close to the street. This was the next building and was occupied as a store by the late Henry B. Witter, who lived opposite in the house now occupied by Dr. Coit. This building was used for various purposes and finally as a tenement. The Misses Butler, who now reside next the Tabernacle, made their home there for years.

The double house now owned by Mr. F. H. Christie was the only building until

the corner store now occupied by Porter Bros. The store was built by the late John L. Brown who did business there for years. It was erected about 1850 and has been remodelled at different times. The other store to the west was also built by Mr. Brown and used in his business. It was afterwards occupied by the firm of Caldwell and Murray, who carried on a large business succeeding the firm of J. L. Brown & Co. A number of other business establishments have been carried on in this store, which is now used by Porter Bros. for their meat business.

The old Baptist church, which most of our readers will remember stood on the opposite corner where the present edifice now stands. It was the second church building and taken down in 1912 when the present building took its place.

The store now occupied by Williams & Co. and the house now the home of Mr. Frank Godfrey was the property of the late Lewis P. Godfrey, grandfather of the latter and father of Mr. F. O. Godfrey. In this store Mr. G. H. Wallace first began business in Wolfville. It was afterwards occupied by Mr. Godfrey as a shoemaking establishment.

Next was the home of the late George V. Rand, standing well back from the street on about the site occupied by the home of his son Mr. A. V. Rand, but facing Main street. This was long before Linden avenue was opened. Where the McKenna Building is stood the drug store and post office, both conducted by Mr. Rand. He was one of Wolfville's most public spirited men and did much for the welfare of the community. Deeply interested in music he had charge of the choir of the Baptist church for many years and also assisted greatly the other church choirs in the village. To him much of the credit of our excellent water system is due. Mr. Rand was an earnest advocate of temperance and had a barn destroyed by fire as a result of antagonism he aroused among the liquor interests.

Blackadder's Hall stood next on the site of what is now the store of Waterbury & Co. This was the property of the late William C. Blackadder, who carried on the manufacture of furniture. The building also contained two or three stores and a public hall. In the rear at one time the local court was held where many interesting cases were tried. This building was burned on the evening of St. Patrick's Day a great many years ago. The building which now occupies the site was erected by the late S. S. Borden and carried on in turn by his sons Alfred and Clarence. The former went west after a short time and died, his brother, the late Clarence H. Borden built up a large business and was a leading citizen until his death a few

years ago.

(To be Continued next week.)

**NOTE.**—The residence on Church Hill referred to last week as formerly the property of Dr. A. deW. Barss, we learn was erected for Mrs. Joseph Starr in about 1852, after the death of her husband who came from Halifax and erected the dwelling now the home of Mr. J. D. Chambers. Mrs. Starr was a Mrs. Calkin when she married Mr. Starr and before her first marriage was a Miss DeWolf. Dr. Barss purchased this place after his return from Scotland about 1869.

**WOW!**

A clergyman, anxious to introduce some new hymn-books, directed the clerk to give out a notice in church in regard to them, immediately after the sermon. The clerk, however, had a notice of his own to give with reference to the baptism of infants. Accordingly at the close of the sermon, he announced, "All those who have infants they wish baptized, please send their names in at once." The clergyman, who was deaf, supposing that the clerk was giving out the hymn-book notice, immediately rose and said—"And for the benefit of those who haven't any, that they may be obtained from me any day between three and four o'clock; the ordinary ones at 15c. and the special ones with red backs at 25c. each.

**TREATMENT OF CRIME IN WOMEN OFFENDERS.**

What would seem to be the greatest causative of crime among our women offenders in Canada? What can be done to remove the causes and reduce the offences?

Regarding the woman offender generally, and our responsibility for her, additional light has been shed recently on the whole problem by Dr. Lilian Langstaff, medical attendant at the Toronto Municipal Jail Farm, to which are sent most of the cases sent down from the Police Courts of that city. As this is the only farm of its kind in Canada the experience here is of interest to the country at large.

Dr. Langstaff, in discussing her work, is quoted as having said that she is more sorry for the average girl offender than repelled by her.

Weak-mindedness is one of the large contributory causes of crime among women.

"On the Farm the girls respond instantly to the human, helpful touch, the individual interest, and the wholesome surroundings. They improve markedly in health, looks, spirits, weight and general deportment. Indeed it is not too much to say that there is a very marked strengthening of the moral fibre and a general improvement in character. But, without a far more perfect follow-up system for the woman offender, after she leaves the Farm or prison, we cannot depend on reclamation. All our efforts ought to be directed toward prevention.

"Even though we succeed in the course of a year, in curing them, what chance have the feeble-minded when they are free? The same old round is likely to begin, and in large numbers of cases, does begin all over again. It is time that society took more intelligent and thorough going methods for the prevention of crimes such as we see in these women offenders, and that we spent far more on socially constructive agencies to obviate offences against the law rather than on punitive or reformatory measures after the crimes are committed."

We agree with Dr. Langstaff and with many enlightened clubwomen throughout

Canada who have been demanding the segregation of the feeble-minded, that this should be our first step towards the prevention of crime in women as well as men offenders. But we need more. Community halls, for instance.

Why do not our good W.C.T.U. sisters, who so firmly and wisely demanded the wiping out of bars and saloons, now advocate as warmly the erection of Community Halls and other amusement places to put in their stead?

Then we need Courts of Domestic Relations with women judges on the Bench and in our Women's and Juvenile Courts. We need more women physicians to deal with women inmates of our prisons, asylums and reformatories and above all we need closer co-operation between Boards of Health or Health officials and our police and other magistrates.

For more and more the problems of crime reveal themselves as problems of health and social welfare. The whole social machinery ought to be directed, not toward the remaking of spoiled citizens, but toward making a citizenship which will not become criminal.

The woman voter has a gigantic task ahead. As the great conservator of humanity, the natural guardian of the young, and the mistress of the home, it behoves her to turn her whole attention in the immediate future to constructive efforts in the direction of better health in the individual, in the community, in the nation.—Everywoman's World.

**TWENTY YEARS AGO**

Ladies wore bustles. Nobody had a silo. Nobody swatted the fly. Nobody wore white shoes. Cream was five cents a pint. Most young men had "livery bills." Cantaloupes were muskmelons. You never heard of a "tin Lizzie." Milkshake was a favorite drink. Nobody cared about the price of gasoline. Farmers came to town for their mail. The hired girl drew \$1.50 a week. The butcher threw in a chunk of liver. Folks said pneumatic tires were a joke. Nobody "listened in" on a telephone. Strawstacks were burned instead of baled.

After five days of investigation, the C. N. R. police have come to the conclusion that the placing of a sleeper on the track near Amherst last week was the work of boys, and not of men as at first thought.

**APPENDICITIS OPERATIONS NOT ALWAYS NECESSARY**

Warm Water Properly Applied Cures many Advanced Cases

Among the thousands of letters we receive expressing gratitude over restoration to health through the use of the Internal Bath, are many from persons who have been sufferers from appendicitis.

Hundreds of surgical operations for appendicitis have been avoided by reason of the timely employment of the J. B. L. Cascade. Most troubles arise from the accumulation of waste in the colon, or lower intestine, from which poisons are carried to other parts of the system.

Cleansing of the intestinal tract with pure warm water, applied with the J. B. L. Cascade, removes the causes of a large number of common ailments—constipation, indigestion, headache, loss of energy and rheumatism.

Mr. James McLaughlin, 91 Evanston street, Winnipeg, writes: "I bought a J. B. L. Cascade for the cure of a bad case of appendicitis. My doctors told me I must have an operation at once. I had spent more than fifty dollars in doctor bills, but the Cascade completely removed in a few days every trace of soreness and pain. I eat and sleep well now, and have regained my former weight, and am now in perfect health."

A mother from R. R. No. 1, Leamington, Ont., writes: "About two weeks ago our eldest son took sick with cramps in the bowels so bad he could not move. Our doctor gave him hypodermic injections and ordered him to the hospital to be operated on at once. Before doing so, however, I induced him to use the J. B. L. Cascade, and in less than a week he was up and around, and has been well ever since. It has cured me of severe headaches and constipation."

The "J. B. L. Cascade" is being shown and explained at A. V. Rand, Druggist, Wolfville.
