William Craig, of Bluff Centre, Will Go Up for Trial on This Charge-Fined \$25 and \$15 Respectively on Two Other Charges,

Bluff Centre, May 29.-A few day ago. William Craig, son of B. mail carrier and postmaster he Eluff Centre post office, appeared efore Justices D. B. Pineo and T. A ddings on three charges, viz.: Carry ng a concealed weapon, pointing rearm nd pulling up stakes placed y the government engineer. Having bleaded guilty to the first two charges, ne was fined \$25 and costs, and \$15 and costs respectively. The 'atter charge will be dealt, with by the upreme court in the course of a

On this latter charge, the accused lid not either admit or denv that h was guilty. However, witnesses havng been examined, the case was disosed of as mentioned above. Boads or \$500 was required to be given as ecurity that the accused appear b ore the superior court.

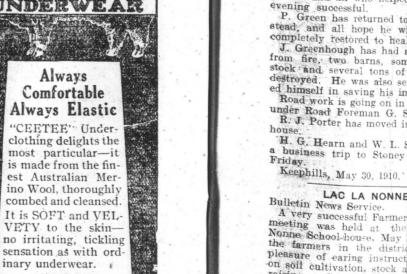

Trouble Over Roadway The trouble arose through the build ng of a roadway through the farm ccupied by John Craig, brother he accused. It seems that M. Don: an, chairman L.I.D. 22-B-5 and ther men were proceeding with the oadway recommended by a land su eyor, and approved of by the depart ent, through the Craig farm whe he brother is alleged to have con long on the surveyed road and put p the surveyor's stakes, and stopp he men from proceeding with the work by pointing a revolver and say

ng that he had a mind to shoot a ree. Immediate action was taken by Mr Donovan which led to an informatio being laid by Constable Thorne, Royal orth West Mounted police.

Best Gunner in the Fleet.

Norfolk, Va., May 28 .- Coxswain J. Edwards, of the battleship South arolina, is the greatest gunner in the Inited States navy. Edwards was t gun No. 4, in the after turret on he battleship, and made the remark-able record of sixteen hits in sixteen

When Manitoba was taken into the amething to be said in favor of it. family of the confederation, the family ut I want to call the attention of of provinces, the parliament of that y hon. friend, and not only of my hon decreed that the lands should beiend from Manitoba long not to Manitoba, but to the Domriend from Winnipeg, but of all my inion. My hon, friend (Mr. A. Haghon. friends from Manitoba, to the gart) stated in the course of his obserfact that what is asked for in this resovations that Manitoba had been discrilution is that they be granted the lands. minated against and he wanted Manionly in the new territory which is toba not to be discriminated against or be given to Manitoba, but the lands penalized. I have to say to my hon the whole province of Manitoba as friend, if Manitoba has been discrimiriginally constituted in 1869. That nated against, if Manitoba has been what they are askingpenalized against, who has discriminat-Some hon. MEMBERS. Hear, hear, against Manitoba? Is it this govern-Sir WILFRID LAURIER. I am glad ment? that I have stated the position correct Mr. W. H. SHARPE. Yes. Or they ask that they be given th Sir: WILFRID. LAURIER. Yes! ne terms as were given to Alberta What government was in power when and Saskatchewan; in other words, this Act was passed? It was not the what is asked by our friends on the Laurier government, it was not the other side of the House is not only that they be given an addition to their ter-MacKenzie government, it was not the MacDonald government? on which Manitoba was organized in Mr. MOLLOY. A Tory government. Sir WILFRID LAURIER. The Tory government of 1869. That was the gov- be given to them altogether. They do not been organized on the customar Manitoba. My hon. friend may say we the lands in the new country, but that have given terms to Saskatchewan and the whole terms of confederation, under Alberta. When, Sir, we gave terms to which they have been in this Domin-Saskatchewan and Alberta which ap- ion for forty years, should be revised peared to be just and fair to every and that new conditions altogether mber in this Houseshould be made. Is that reasonable Mr. LAKE. No. Sir WILFRID LAURIER. If Sir, terms were not fair and just that is the first intimation I have had of it. maintain that the terms which we offered in 1905 in respect the money ompensation were fair in the judgment of every member in this House. There were men who contended that Saskatchewan and Alberta should be given That is another matter. So far the terms were given they seemed s the terms were given they occurred aside and gave the territory, but in not only in the new territory, but in my hon, friend says: But these terms the whole province. That is the posiare in excess of what is given to Manitoba. I shall come to that presently. The question we have now to deal with faction to Manitoba? What are we to do to give to that province the exnsion of its limits for which it asks? the land of the whole province vested In 1908 we passed a resolution offering in the government of Manitoba it in them certain limits. I understand now new territory. It must be done, wheth that Manitoba has accepted those lim-its Wa passed a forther those lim-er the territory is extended or not, but that Manitoba should be given a money pretend that as a consequence of the compensation to carry on the civil gov. extension of the territory of Manitoba every member in this House The amount of the compensation was left to be determined by negotiation be- vince. I can understand that the protween the two governments. We vince of Manitoba has a good case more could not agree. There was a conference, and I do not put any blame upon give us the means of administering this person or that in connection with We are prepared to do that, and that We could not agree. Then, what is what we did under the resolution of are we going to do? The government of Manitoba say to us: Bring in a Bill. not do that; the parliament of Canada such as you have in such as you have in your mind, and was wrong in 1869. When the govern A. HAGGART. A resolution, 18 t not? WILFRID LAURIER. No. a Bill. Mr. Roblin asked us to bring in a Bill. Here is the last letter which is allogether another proposition, and

Here is the province of Manitoba asking, and I think asking with good cause, to have their territory extended. Well, then you and I, in the simplicity of our souls, would suppose that the would ask for the land in that territory. No, they are not content to ask us give them the land in the territory, but they say that we should revise our whole policy of the last forty years of keeping the control of the lands in the hands of this Dominion, set that policy aside and give to Manitoba the lands [Some tion taken by Manitoba, is it not, ask if there is, for such a position, any ground that can be taken upon this re quest for new territory. If the pro vince, not in the new territory alone, ment of Sir John Macdonald incorpor-ated the province of Manitoba and brought it into the Dominion, parlia
