The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public  
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives  
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

ing Mr. Alfred Hawkins's Plan as well deserving the attention of those to whom it is dedicated, and the patronage of the British public.

(TRANSLATED FROM THE FRENCH.)

“ DEAR SIR,

“ By the resolution which I have the honor herewith to transmit, you will perceive that the City Council has known how to appreciate the merit of your ‘ Plan of the Naval and Military Operations before Quebec ;’ has decided on expressing their approbation of it to you, and have requested me to act as their organ in doing so.

“ In the performance of the agreeable task delegated to me, I most cordially felicitate you on the good taste exhibited by you in the choice of the subject of your labours, destined as it is to extend a knowledge of so interesting a part of our history ; also on the able and elegant manner in which the whole has been completed. Aware of the difficulties you had to encounter, and the sacrifices you were necessarily obliged to make, I feel impelled to compliment you on the energy and perseverance displayed by you in relation to the matter.

“ I do no more, I feel assured, than express the feelings of the City Council, when I state to you, that the work which does honour to you personally, is for your co-citizens a production of which they have every reason to be proud, and that in connexion with the others for which we are already indebted to you, it will have the effect of more extensively increasing and recommending a knowledge of our common City.

*Mayor's Office, Kingston,  
29th March, 1842.*

DEAR SIR,

I have the honor to acquaint you, that your letter addressed to me of the 7th instant, having been yesterday laid before the Common Council, accompanied by a copy of the engraved 'Plan of the Naval and Military Operations before Quebec, in 1759,' the Council unanimously adopted a Resolution, a copy of which I take much pleasure in enclosing to you. The Council regret that the revenue of Kingston will not warrant them subscribing for a greater number of copies, as they have every disposition, not only to mark their approbation of your highly praiseworthy conduct, in persevering through difficulties, to the accomplishment of your patriotic object, but also to keep alive the memory of an event which cannot be too deeply cherished by Her Majesty's British North American Subjects.

I shall be very much gratified to hear of the success of the "Plan," and of the removal of any hindrances which may prevent it.

I have the honor to be, &c.

J. COUNTER, Mayor.

Resolved unanimously, That the Council highly approve of the patriotic exertions of Mr. Hawkins, in preparing and publishing his beautiful 'Plan of the Naval and Military Operations before Quebec,' in the year 1759, commemorative of an event which forms one of the proudest achievements of the British Arms, and which secured Canada to
