Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Library Division
Provincial Archives of British Columbia

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

CHRIST CHURCH.

At a meeting of the Church Committee, held in the Vestry, on the 17th of June, 1874, in reference to recent agitations in the Christ Church Congregation, it was unanimously resolved as follows:—

1. The Church Committee declares itself altogether Protestant, and opposed to ritualism, both as respects its doctrines and practices; and believes that in this declaration it represents a large majority of the Congregation.

2. They regret that the Archdeacon's sermon on ritualism at the Consecration of the Church, which caused so much offence and distress to the Minister and Congregation, has met with no disapproval from the Bishop, who, on the other hand, has severely, and this Committee believes unjustly, condemned their Minister for his protest against the same.

3. They regret moreover to learn that the Bishop is of opinion that that sermon did not exceed the liberty allowed in the Church of England, and was such that no formal notice could be taken of it; and still more to be compelled to come to the conclusion that the Bishop claims liberty for the Clergy to preach in the Christ Church pulpit, doctrines subversive of those which we are accustomed to hear and which we believe to be sound. They are convinced that a large majority of the Congregation are entirely opposed to such license.

4. They regret moreover that the Bishop should have proceeded to direct an election of delegates to Synod from the Christ Church Congregation without the consent of the Minister and Congregation.

5. They regret also that the proclamation issued by the Bishop was couched in such terms as apparently to give the Church Wardens power to act without the Minister and the Congregation in holding such election; and that the action of the late Church Wardens thereupon has caused much disquietude and division in the Congregation.

6. On the part of the Congregation, the Dean, Church Wardens, and Church Committee, repudiate the claims of certain so-called Delegates to represent the Congregation in the proposed convention; and deny the validity of their election, and of all acts of the Synod in which they may take a part, as having no binding force on the Christ Church Congregation.

7. And, finally, they declare their opinion that the troubles of the Congregation during the past year and more, are attributable solely to these two causes; first the attempt to introduce disputable doctrines and practices into the Congregation; and secondly the attempt to force the Congregation into a Synod without, and contrary to, their wish.

VICTORIA, B. C., JUNE, 1874.
