**REPORT OF THE COMMITTEE
FOR THE YEAR 1881-82.**

The Committee in presenting the Forty-fourth Annual Report of this Society desire to record their gratitude to the Giver of all good for the measure of success which has crowned their efforts during another year.

The efficient support given by kind friends and subscribers has enabled them to minister to the wants of many. The naked have been clothed, the hungry fed, and the widow's heart made to sing for joy. Several families of the more respectable class who had suffered severely by fire have been helped to begin again; others, whom stress of circumstances had reduced to poverty, have been enabled to obtain some of the necessaries of life; and all assistance has been in accordance with the liberal basis on which the Society rests—IRRESPECTIVE OF CREED OR NATIONAL ORIGIN.

The number of tickets taken at the Depository was 233; for groceries 222, and 24 special grants of clothing, money, wood, etc.

The Treasurer's statement appended to this Report shews the receipts and expenditure of the Society.

Encouraged by past success, the Committee again appeal to a Christian public on behalf of this Society. To each one the word comes with power from Him who left us an example that we should follow in his steps—"The poor ye have always with you, and whensoever ye will ye may do them good," and "All ye are brethern."
