## THE ALUMNI OF KING'S COLLEGE, WINDSOR.

---

At the General Meeting of the Incorporation held at Windsor, in the month of June, 1849, a desire was expressed by many of the members, particularly those not resident in Halifax, that the Act of Incorporation, Bye-Laws, List of Donors and Annual Subscribers, and last Report of the Committee, should be printed for circulation among the members, and a resolution to that effect was passed;— In pursuance of that resolution the Committee have caused a number of copies to be printed, so that every member of the Association may now have all the information possessed by the Committee and members resident in Halifax.

For the information of those who were not present at the General Meeting above referred to, the Committee beg to state that a vote of £50 sterling, was passed towards the salary of a Professor of Modern Languages, for the ensuing year; and £40 currency was guaranteed to the Principal of the Collegiate School, towards the salary of a second Assistant, which however it is hoped from the nomination of six pupils by the Alumni, free of tuition fees, in consideration of the grant, will prove no burden on the Funds of the Society.

The several objects alluded to in the Report, were carried out at the Encœnia:—The prize for proficiency in the Modern Languages was offered and adjudged; the prizes to the pupils at the Collegiate School were provided and entrusted to the Alumni, and distributed; and the Cogswell Scholarship held by the Incorporation, was also contested and awarded.

The books are at all times open to the inspection of members, at the office of the Secretary, and the Committee will always be glad to see members from the country who may visit Halifax, at their meetings which are held on the first Monday of every month.

## REPORT

*Of the Executive Committee of the Alumni of King's College, June 21st, A. D., 1849. Read at General Meeting, June 21st, A. D. 1849, and received and adopted.*

THE Executive Committee of the Incorporated Alumni, on this the Second Annual Meeting of the Society, beg to submit the following Report:

A desire has been expressed by the friends of the College, who reside at a distance, to have an outline of the history of the Association. The Committee therefore beg the indulgence of the members present while a brief sketch of the Society, from the time of its Incorporation, is given.

In the year 1847 the Act of Incorporation was obtained, of which the principal provisions are as follows:

*[An abstract of the Act was here inserted in the Report, but the Act is now published in full vide page 4.]*

Of the Bye-Laws adopted by the Association, in pursuance of the Act, the most important are the following:

*[An abstract of the Bye-Laws was also inserted here, but they are now published in full vide page 8.]*

The Committee beg to observe that the organization of the Society as above detailed, has been found to work well.

The Committee are happy to announce that during the past year His Excellency Sir John Harvey has consented to become the Patron of the Society.

The most important part of the labors of the Committee has been the effort to raise a sum of Two Thousand Pounds, as the nucleus of a permanent fund, and to meet the sum of Four Thousand Pounds which His Lordship the Bishop undertook to use his best exertions to raise.

They have succeeded in obtaining subscriptions, including the sum of Five Hundred Pounds contributed to the Cogswell Scholarship, to the amount of Two Thousand Three Hundred and Sixty Eight Pounds, Seventeen Shillings and Six Pence, of which One Thousand Six Hundred and Twenty Pounds have been paid into the Treasurer, part of which is invested at Six per cent, and the remainder at Three per cent. The Account of that Officer is herewith submitted.

In 1846 the Association not then Incorporated, passed a Resolution to provide the sum of One Hundred and Twenty Five Pounds as the salary of Dr. Mantovani, the Professor of Modern Languages at King's College, for the year 1847. This engagement was fulfilled by the Incorporation, and continued for a period of six months longer, when they were reluctantly compelled to discontinue the payment, as the Annual Subscriptions did not meet the outlay, and the permanent fund was not collected, and bearing interest. In a short time however, the Committee trust the Society will feel at liberty to resume the payment of this salary.

At the Encœnia of 1848 the Committee offered a prize of £5 to the competition of students in the Modern Languages, which was well contested, and they doubt not has been attended with beneficial effects. A similar prize is proposed for 1849. Eight prizes provided by subscription, have also been offered to the pupils at the Collegiate Academy, and the Committee believe will prove equally useful there, as in the higher department of the College.

It is known to the members present, though not perhaps to all at a distance, that the Reverend T. C. Leaver, one of our number, is now absent on behalf of the Alumni, in the United States, whither he has gone accredited by the Bishop of this Diocese. The Committee trust that an appeal to the Churchmen of that country, which in times past has owed so much to English generosity, in the founding and endowing of its Institutions of Learning, will not be made in vain. Mr. Leaver has very handsomely offered to bear his own expenses, should he fail in attaining the proposed object. The Committee feel assured that every member of the Society will cordially approve of this undertaking, and join with them in thanking Mr. Leaver for his liberal offer.

The sum of £500 as appears by the Treasurer's Account, has been paid in to the Alumni, to be held in trust for the Cogswell Scholarship, in accordance with the Constitution of this Society; the founding of Scholarships being one of its principal objects. The Committee are informed that this exhibition will be very shortly announced for competition.

The Committee regret that they have not been able as yet to enlist in the cause, all the Alumni, the members being only eighty. The Annual Subscriptions amount to £85. The Income from the fund invested cannot be stated with any degree of accuracy, the whole amount not being paid in, and the sum in hand not making more than 3 per cent. at present.

In addition to the sum of £1620 paid in to the Treasurer of this Society, the sum of £225 subscribed in the second column of the Subscription List, has been paid, to be at the disposal of the Society

for the Propagation of the Gospel, making in all of the fund of £2000, undertaken to be raised by the Alumni, the sum of £1845 paid to the present time.

By Order of the Committee,

P. C. HILL, Sec'y.

HALIFAX, June 21st, A. D., 1849.

Since the foregoing was put to press, Mr. Leaver has returned from the U. States. While the Committee regret that his mission has been but very partially successful, they gratefully acknowledge the exertions he has made to bring about a more favorable result, and his liberality in declining to receive from the Association, any portion of the expence incurred in the prosecution of their objects.

A memorandum is annexed shewing the sums received, and the expectations held out.

The Committee having felt it a duty to make this appeal to their fellow Churchmen abroad, now press upon the friends of King's College at home, the necessity of relying on their own exertions, and urge those who have not yet contributed, to come forward and assist in completing the sum proposed to be raised for its benefit.
