### LIFE'S SUNSET ALL AGLAW

Wife and I were the first settlers in Moro, Aroostook Co., Me., 41 yrs. ago. It was then a vast wilderness.

With all its hardships our lives had been filled with happiness until the fall of '91, when we were attacked with dysentery, rheumatism and other ailments.

SKODA'S DISCOVERY

came to us, and we are again floating down a life's river with all its joys and sorrows.

There's a voice to-night in the wild wind, A voice sounding soft and low; But the accents are soul-subduing, For they sing of the long ago.

THE ACADIAN.

WOLFVILLE, N. S., MAR. 2, 1894.

Local and Provincial.

March began quite spring-like.

Wednesday being the day set apart for the College, appropriate services were held in College Hall in the afternoon and the Baptist church in the evening.

To arrive March 31, 1894, another car of that celebrated Lackawanna nut coal. Prices low.

Lot.—In Wolfville, a ladies' hunting-case silver watch, having a fob with two Indian coins attached. Finder will please leave at this office.

A NIGHT OF BURNS.—Rev. W. P. Begg will lecture on "The Songs of Burns" in the class-room of St. Andrew's church on Monday evening, the 12th of March. Admission by ticket.

Canning Division, S. of T., to the number of about fifty, came over on Monday evening to pay a fraternal visit to Wolfville Division. A joint programme was given and the members spent a very pleasant evening together, the most kindly feeling existing.

The proprietors of the skating rink are to hold the last Carnival of the season, by special request, this evening. They have made arrangements for a good time, and a good time is expected. A choice programme of music will be furnished by the Wolfville Band.

We are promised a new restaurant in the near future. Mr. Torrie, of Windsor, the well known caterer, has leased the Palmer store, and will be ready for business by the first of next week. This supplies a long felt want, and we can assure Mr. Torrie a good patronage. We understand he intends running a Kandy Kitchen in connection.

Mr. D. A. Munro has been given the contract for the erection of Messrs. Brown, Munro & Co.'s warehouse. The building is to be on the corner of Main and Chapel streets and is to be finished by the middle of May. It will be 40 x 60 feet and two stories high. When finished it will add much to the appearance of that part of the town.

The travelling public will be pleased to know that the fast side-wheel steamer City of Annapolis, will again be placed in commission on the Bay route between Annapolis, Digby and St. John, on Saturday of this week. During March and April, tri-weekly trips will be made leaving St. John on Monday, Wednesday and Saturday mornings, and returning from Annapolis and Digby same afternoons.

The usual Children's Quarterly Service will be held (D. V.) in the church of St. John, Cornwallis, on Sunday, March, the 4th. The medals won for the perfect repetition of the catechism will be distributed by the Rector, and the certificates won by the candidates in the Inter-Diocese Sunday School examinations to scholars. The parents and friends of the children are invited to attend.

A mass temperance meeting is to be held in the Baptist church on next Thursday evening. Rev. J. W. Fisher, of Annapolis, will be among the speakers, and will give an address on "The Plebiscite." Those who were disappointed in not hearing him a week or two ago will be glad of this opportunity. There will also be a number of other speakers and a good meeting is assured. The public are requested to be present.

A public meeting is to be held in Witter's Hall this evening for the discussion of political matters. It is understood that all the candidates will be present and speak. Arrangements have been made by which a portion of the time will be given to the prohibition question and Prof. Keirstead will be present and speak on the plebiscite. It is to be hoped that there will be a full attendance of ratepayers. Those interested in prohibition should make a special effort to be present.

We claim of "Preparat Almond Cream" that it is indeed of "Ocean" in the market for the relief and cure of chapped lips and hands, and rough skin, etc. Delicately perfumed. Try it. Only 25c. Druggists.

B. Y. F. U. Lecture Course.

On Tuesday evening, Feb. 27th, an expectant audience assembled in the Baptist church, the occasion being the second lecture of the B. Y. F. U. lecture course. President Seaman aptly announced rather than introduced the speaker of the evening, Prof. E. M. Keirstead, subject, "The Fitness of Scripture for Unfolding the Spiritual Life of Man." Through the kindness of Prof. Keirstead we present the following analysis:

1. What is meant by Spiritual Life? 2. What is meant by unfolding the Spiritual Life? How is the Bible adapted to unfold this life?

What follows from the fitness of Scripture for unfolding this life, first as regards the book and secondly in regard to men?

The third question was the one most fully discussed. The fitness of Scripture for the purpose indicated was found; first, in general characteristics of the Bible, the unity, variety, and progressive nature of its teaching; and, secondly, in the contents of the book in reference to the ideas of God, of man, of man's relation to his fellow man.

The conclusion as regards the Bible was the supernatural origin of the Book, and as regards man that his spiritual nature is the permanent, most central, most determining element of his being.

Prof. Keirstead has the sincere thanks of the Wolfville B. Y. F. U. for this interesting and impressive address.

Bright and inspiring music was furnished by the B. Y. F. U. choir.

Don't selfishly deprive your friend of cheerful company by remaining a dull, gloomy Dyspeptic. Restore your spirits by using Dr. C. C. the King of Dyspeptic Cures. It conquers every time.

College Y. M. C. A.

The Y. M. C. A. of the University was again very fortunate in its selection of a speaker for the monthly public meeting. On Sunday evening last, notwithstanding the severe cold a large and appreciative audience gathered in College Hall to listen to the Rev. E. H. Wright, pastor of the Grand Pro Methodist church. His theme, "Christian Character" taken from Ephesians 4: 31, "Till we are all come in the unity of the faith and of the knowledge of the Son of God into a perfect man, unto the measure of the stature of the fullness of Christ," was clearly and logically expounded. The preacher proved very conclusively the necessity of well-developed Christian character. (1) because the world needs men of faith in the truth, (2) because it needs men of docility and (3) men of stability.

He began by saying that we lived in a wonderful age, one in which impartial examination was to be made by the individuals themselves. Thus it is necessary for each one to examine and to know the truth in order that he may have faith in it.

The necessity for docility was apparent when it seemed necessary that some Christians ought to be labelled in order that the world might know that they were Christians.

Faith in the truth, and docility need stability to complete the character.

The speaker closed by urging the students to develop this strong, symmetrical character, till "you come in the unity of the faith and of the knowledge of the Son of God unto the perfect man."

Test this statement, a trial will convince you that K. D. C. brings immediate relief to the dyspeptic, and if followed according to directions, a complete cure.

Hockey Match.

One of the best Hockey Matches ever seen in Wolfville was played in the Rink on Tuesday evening, of this week, between the Chebuctos, of Dartmouth, and the Wolfville Hockey Club. Play commenced at a quarter to nine, and when time was called for the first half the score stood 2 to 1 in favor of the Chebuctos.

The play during the last half of the game was very exciting and after hard play each team secured a goal, leaving the score when time was called 3 to 2 in favor of the Dartmouth team. The playing of Mr. Kane of the Chebuctos, was much admired. The visiting team spoke in the highest terms of the playing of the Wolfville club, which they consider to be the best they have ever played a game with. Our boys we believe, have been invited to play the Chebuctos again in the Dartmouth rink, during the winter.

Perhaps you have never heard of K. D. C. Many Dyspeptics have heard of it, and have been cured by it. It will cure you, too. Try it. K. D. C. Company, Ltd., New Glasgow, N. S., Canada.

Among The Horsemen.

Mr. Geo. Burgess, of Upper Dyke Village, was in town Wednesday with the trotting horse "Laurel." Mr. B. has sold him to parties in Yarmouth.

Mr. H. C. Vaughn arrived home on the 17th. He has been visiting his brother in Boston. We expect the trotting here will look flat to him after the fine exhibitions of speed that he witnessed on the boulevard in Boston where the 2.15 horses are as thick as the 3.00 ones are here.

C. B. Munro can show a terrific burst of speed, with that beautiful bay mare "Minnie Knox" that he purchased from Dr. Bowles.

Mr. Joseph C. Bishop, of Greenwich, has invested in some "Atmont" stock, they by "Allie Clay." Now boys, watch him; he is just as fast a driver as any of you.

Geo. Wood is out again with "Billie" by "Ramport," 2.26 1/2. Although the colt has not fully recovered from the bad cuts that he got on a wire fence last fall, he can stride along as fast as any in his class. George has faith.

"Minnie W," by "Kestrange," is owned by C. H. Borden; but she has been taking her daily drives with trainer Jim Fraser at the helm.

Miss Lou Brown has been driving her yearling filly by "Allright."

Geo. W. Trenholm's "Lambert" is developing into quite a trotter. He was in the village the other night and gave the boys a surprise.

Geo. Wood says that Rev. G. G. G. of Gaspereau, has a trotter in the two-year-old gelding "Young Snow," by "Ramport Jr." Geo. knows because he had a start with her and the report is that "Billie" didn't get there first.

The Lambert horse owned by Gustavus Bishop, of Greenwich, and driven by Bowles, Bill and others, can show you a three minute clip when in good trim. Who knows but that we may have another "Gordon Sim" in Nova Scotia.

The yearling "Ben Hur," by "Ramport," 2.26 1/2, dam by "Allie Clay" and owned by our popular grocerman, Mr. G. H. Wallace, will go into the hands of Trainer James Fraser for instructions in the way that he should go.

Trainer Fraser expects to handle for Mr. A. A. Pines a fine large colt sired by "Highland Chief," 2.27.

We have seen several reports in the county papers of the meet at Upper Dyke on the 10th inst., and feel sorry that some reporters feel disposed to make untruthful statements. Now the facts are that "Mand O" was there and was not headed by any horse that started with her that day; and for any writer to say that she was outfooted is a gross exaggeration to say the least of it.

A horse belonging to Wilbur Dennison, of Chimney, died Sunday, December 27, Mr. Dennison, bought the horse thirteen years ago, then a fine bay and beautiful popping a good sum for the animal. He was five years old. Mr. Dennison made the purchase in the spring and worked the horse on the farm through the summer, and put him in the stable in early fall. He did not see him again until the following spring. On hitching him to the wagon the horse ran, breaking the wagon and doing considerable damage. Mr. Dennison returned him to the stable where he has been for the last twelve years, until death put an end to his career. Mr. Dennison placed a large padlock on the door and at no time unlocked it, the horse being fed and watered through the manger. A citizen who visited the place Sunday morning says the animal's hoof has grown to about fifteen inches in length and turned up at the toes.—Hartford Times.

AN AUCTIONEER'S STORY.

Much Exposure Brought on a Severe Attack of Rheumatism. Bed-fast For Weeks at a Time—His Trouble Aggravated by an Outbreak of Malaria—An Experience of Interest to Others.

There are few people in Simcoe County who do not know Mr. Thomas Farlong. For twenty-eight years Mr. Farlong has been a resident of the county, and for twenty-two years has been a travelling agent and an auctioneer, and it is safe to say that he is just as popular as he is well known.

"You are of course aware," said Mr. Farlong, "that my calling subjects me to more or less inclement weather, and this was the main cause of my suffering. Some nine years ago I first felt the symptoms of rheumatism. I did not pay much attention to it at first, but gradually it became so severe that it was with difficulty that I could hobble around, and my business really became a burden to me. I consulted several physicians who did all they could for me, but without giving me any relief. During a part of the year I was bed-fast for weeks at a time and as the remedies I tried did me no good I began to believe that there was no cure for me, and you will readily understand how despondent I was.

I have used in all eight boxes with the result that I am today free from pain and ache, and not only did Pink Pills relieve me of the rheumatism, but they also drove out the salt theme, and as you see to-day the hands which had been covered with cracks, scales and scabs are now completely well. This splendid result is due entirely to the use of Dr. Williams' Pink Pills and you may be sure that it gives me the greatest pleasure to warmly recommend them to others.

These Pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark and wrapper, at 50 cents a box or six boxes for \$2.50. Ask your dealer for Dr. Williams' Pink Pills for Pale People and refuse all imitations and substitutes.

U., are held every Sunday afternoon at 4:15 o'clock, in the vestry of the Methodist church. All are welcome.

Christian women, when husbands and sons return to you in the evening after buffeting with the waves of the world, let them find in your homes a haven of rest. Do not pour into the bleeding wounds of their hearts the gall of bitter words, but rather the oil of gladness and consolation. Be fond of your homes. Be attached to your homes. Make them comfortable. Let peace and order and tranquility and temperance abound there. Let the angel of charity that protected Agnes preside over your home and stand at the door of your heart, repelling all unhallowed thoughts, even as the angel, with flaming sword, watched at the Garden of Eden. For what is a home from which charity is banished but a consecrated temple from which the spirit of God has fled? Let the ways of domestic joy and gladness glow brightly along your pathway.

It seems much to be regretted that in Canada at least nearly all "temperance efforts" are being devoted to "the politics of temperance" to the exclusion of nearly everything else that is important. The Scottish Reformer, in a recent very sensible editorial article, says: "The programme of the genuine temperance reformer is: educate, agitate, organize, to dispel ignorance, to resist the tyranny of fashion and custom, and to abolish, through a vote, the liquor interest—the fountain and source of the intemperance of our beloved country. In this way lies a decisive victory over all that makes up the national evil of intemperance, and its baneful source—the liquor traffic."
