The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PREFACE.

We present the first issue of **THE BUSINESS DIRECTORY OF THE SONS OF ENGLAND** to the members.

It has been suggested that we should include in the **DIRECTORY** all the lodges in the Ottawa Valley, and with that end in view we will arrange to meet the views expressed in the next issue.

With the publication of the **DIRECTORY** it was thought advisable to give a brief biographical sketch of the Presidents of the lodges, and where it has been practicable at the short time at our disposal, we have done so.

In soliciting advertisements we thank the brethren who have so heartily responded, and we trust the brethren will appreciate the response by purchasing as far as it is possible from our own members.

The objects of the **DIRECTORY** is to bring the members into closer touch with each other, fraternally, nationally and socially. Our numbers—from a national point of view—justify a closer union of thought for national aggressiveness.

ESDALE & REYNOLDS.

Ottawa, January, 1898.

STATISTICAL INFORMATION.

THE NUMBER OF ENGLISHMEN IN OTTAWA AND CARLETON COUNTY.

We have so often been approached with the remark—both in the lodge room and outside—that the field we had to work in in the east was limited. To place ourselves, and convince the members that the material was plentiful, we consulted the Census of 1891, compiled by the Dominion Statistician, Mr. George Johnson. It states:

“In the County of Carleton there were according to the Census of 1891, 935 persons who were born in England. In the City of Ottawa there were 1,952 persons so born, and in the County of Russell there were 624 persons so born.

“There were in 1891 in the County of Carleton 1,950 persons whose fathers were born in England and 1,519 whose mothers were born in England. In Ottawa City there 4,387 persons whose fathers were born in England and 3,518 persons whose mothers were so born. In Russell County in 1891 there were 1,413 persons whose fathers were born in England and 1,050 whose mothers were born there.”

According to the letter, and we must take that as the spirit of the Constitution, which interprets that the male offspring of either parent is eligible to become members of our Order, which gives us practically in the City of Ottawa 7,905 of an English population.

There has passed through the various Ottawa lodges, since the inauguration of the Order some 12 years ago, about 700 members, to day there are only about 370 active members in the lodges of Ottawa. With a little more effort and a better understanding of the full aims of the institution the membership could be made to total up several hundred more members. Let the motto be “Advance.”

PLACE NAMES OF LODGES.

In looking over the names of lodges we cannot but help asking the question what caused a lodge to be given such and such a name, and find that it invariably occurs that the lodge is named after some prominent statesman, county or city in England.

DERBY LODGE.

Derby Lodge, No. 30, was named after Lord Derby, on the suggestion, we believe, of Bro. Croft Hulme, P.S.G.P., of Belleville, Ont., who came to Ottawa some 12 years ago open the lodge, the members being at a loss what to name the lodge, the suggestion was acted upon and Derby lodge has proved to be worthy the efforts of the members who have joined the Order under the name of one of England's greatest statesmen.

BOWOOD LODGE.

Bowood Lodge, No. 44, is called after the county seat of the Marquis of Lansdowne, in Wiltshire, England, who was Governor-General of Canada in the Jubilee year of 1887. A large percentage of the charter members of Bowood lodge were from Wiltshire, and at a preliminary meeting held prior to the formation it was suggested that Bowood be the name, it was duly decided that it should be so, in honor of the then Marquis, who was Governor-General of Canada at that time. It is gratifying to the members of Bowood lodge that the Marquis of Lansdowne is at the present time England's War Minister in Lord Salisbury's cabinet. On his lordship learning that Bowood lodge was named after his family seat in Wilts, he sent an invitation—through the then President, R. J. Wicksteed, LL.D.—to the members to attend an "At Home," at Rideau Hall, at which a large number of the brethren attended.

STANLEY LODGE.

Stanley lodge is another name familiar both to Canadians and English history. Our late Governor-General Lord Stanley was then ruling in Canada, and it was decided that the lodge should carry his name. Stanley lodge is doing a good steady work, pushing slowly but surely to the front, impressing all that it has its roots deeply planted and will ever hold and cherish its representative name.

RUSSELL LODGE.

Russell Lodge is called after that famous English statesman Lord Russell, it also is holding its own and convincing others that it is planted firmly and growing as healthy as the old English oak does. The locality is practically a suburb of Ottawa, and before the annexation, of what was known as New Edinburgh, it was a municipality of the County of Russell, a name having the same reference to the same noble person as the lodge—Lord Russell.

QUEEN'S OWN LODGE.

Queen's Own Lodge, No. 236, was opened on Feb. 23rd, 1897. The object in giving the name of Queen's Own was a suggestion by the Chaplain, Rev. H. I. Horsey, it being the Jubilee Year he held it would be in keeping with the celebration that was about to take place throughout the Empire. The idea was acted upon, and the name is destined to be a lasting one among the names in the registry of the Sons of England.

The City of Ottawa has a District Council presided over by Bro. S. J. Davis, D.D., the secretary is Bro. Jos. Berry. The Council meets monthly.

The Daughters of England is also flourishing. It is composed of wives and daughters of members of the S. O. E. Lodge Ivy is making very substantial progress.

Bro. Ald. Samuel J. Davis, District Deputy, Ottawa.

It is with much pleasure we give a brief sketch of Bro. Ald. Samuel J. Davis, the worthy district deputy of the Sons of England, he is the youngest son of the late Wm. Davis, builder, he was born in the Isle of Wight, 1849, shortly after his parents removed to Southampton. He was educated at Poplar House Academy, he left Southampton for Canada in 1870, and with the exception of several extended trips through the United States and many visits to Old England has resided ever since in Ottawa. Bro. Davis joined Bowood lodge some five years ago, and has filled many offices in the lodge, including that of President, he was delegate to Brantford last year, he is also delegate to St. Catharines. Bro. Davis is an extensive holder of the Capital's real estate, and a large builder, some of the best residences of Ottawa are monuments to his skill. Bro. Davis is very popular as a citizen of Ottawa.

Bro. Walter Hunt, President Queen's Own, No. 233.

Bro. Walter Hunt was born at Farme, Somersetshire, England, in 1846, he came out to Canada in 1872 and located at Toronto, leaving that city he came to Ottawa 13 years ago, and has been engaged with the Canada Atlantic Railway even since. Bro. Hunt is a charter member of Queen's Own Lodge, and was its first Vice-President, this year he was honoured with the presidency. He is a P.M.W. in the A.O.U.W., and has been Gd. Lodge Delegate for that body. He is one of Ottawa's best S. O. E. members, possessing that studious and thoughtful character which makes his remarks and advice appreciated, when given the members know it has not been done without mature thought. Queen's Own Lodge has a good president, and coupled with the energy of his associates in office a great future is before this young lodge.

TENNYSON LODGE, HULL, P.Q.

The above named lodge was established by that well-known Ottawa Valley representative—Bro. Ed. Ac-kroyd—who it can be said was the foremost of all organizers that Ottawa has had. Tenryson—a name familiar to Englishmen, was well chosen, at the time of opening the lodge the poet laureate was laying on a bed of sickness, which proved fatal, and the sympathy of the English people throughout the world were turned to one who had handed down some of the most stirring national inspirations which have thrilled the English mind. Lodge Tennyson, Hull, P.Q., is named after England's greatest poet—Lord Tennyson.
