PRAYERFUL WOMEN  
WIN ELECTION

Mrs. P. D. Crerar of Hamilton  
Speaks to Women Voters  
Meeting.

SOLDIER'S MESSAGE  
A Member of "The Little  
Contemptible Army" Urges  
Union Government.

A special mass meeting of women  
was held last night in Guild  
Hall, 150 Front St. E., at which Mrs. P.  
D. Crerar of Hamilton, and Sgt.  
Knight of Ottawa were the speakers.  
Mrs. Crerar, who presided,  
said that the statements that would  
be made by the men who were  
going to the front should have been  
made by women who were  
going to the front. She said that  
she would not be caught unawares  
any more. She said that she would  
not be taken back from the front  
and that she would not be taken  
back from the front. She said that  
she would not be taken back from  
the front. She said that she would  
not be taken back from the front.

Special to The Toronto World.  
Brantford, Dec. 3.—The persistence  
of Hon. Col. Harry Cookshutt, Con-  
servative, in remaining in the field  
in Brant against John Harold, who  
has received the Union government  
endorsement, has caused much anxiety  
to Union government supporters in  
Brantford riding, where his brother,  
W. F. Cookshutt, is the endorsed  
candidate. This has not been less-  
ened by Hon. Col. Cookshutt's an-  
nouncement that: "There are three  
candidates in the field. One has  
been endorsed by Sir Wilfrid Laurier,  
one by Sir Robert Borden, and  
one by the G. W. V. A. You must  
take your choice."

The Expositor (Liberal-Unionist)  
tonight commented: "The manner in  
which their endorsement is being made  
is of most convincing to the G. W. V. A.  
of the propriety of their course,  
when, by a vote of 24 to 19, and  
regardless of the fact that they were  
interfering in the affairs of another  
riding, the local G. W. V. A. endorsed  
the candidature of a gentleman  
who, no matter what his personal  
qualities may be, failed to receive  
the endorsement of the win-the-war  
government. Surely it is apparent  
that when the veterans placed their  
imprimatur on W. F. Cookshutt, the  
government nominee for Brantford,  
the logical thing for them to have  
done was to have endorsed Mr. John  
Harold in the riding of Brant. In a  
field such as this, it is not the  
veterans, when told you must take  
your choice, would naturally be ex-  
pected to endorse the government  
candidate, more especially when that  
candidate has a record for patriotism  
such as Mr. Harold possesses."

Hamilton Veterans Endorse  
Gen. Mewburn and Col. McLaren  
Special to The Toronto World.  
Tuesday, Dec. 3.—The  
Hamilton branch of the Great War  
Veterans' Association, at one of its  
most enthusiastic and best attended  
meetings ever held since its organiza-  
tion, last night decided to endorse  
the candidatures of Major-General  
Mewburn and Lieutenant-Colonel J. Mc-  
Laren, Union and independent candi-  
dates in East and West Hamilton re-  
spectively.

Major-General Mewburn and Lieut-  
Colonel McLaren were both present and  
delivered short addresses. The former  
outlined the policy of Union govern-  
ment, and the latter said "the  
new minister of militia is the right  
man in the right place."

Begged His Father, a Liberal,  
To Vote Against Laurierite  
Walkerton, Ont., Dec. 3.—Major  
John Henderson, who was appointed  
returning officer for North Bruce, on  
the recommendation of Mr. R. E.  
Trank, former Liberal member for  
this riding, received a cablegram to-  
day from his son, Lieut. Herbert  
Henderson, who is with the 160th  
Brunch Battalion in England, beseech-  
ing his father to vote for the bat-  
talion and Mr. A. E. McNab, the  
Unionist candidate, and opponent of  
Mr. Trank, in this constituency, as  
the son wasn't aware that the father  
had been appointed returning officer,  
a position that disqualified him from  
voting except in the case of a tie be-  
tween the candidates, yet the action  
of this son of a strong Reform house  
inasking his father to support the  
battalion and vote the Union ticket  
is significant of how the soldiers view  
the situation at home.

HUNGARIAN CONFESSES  
TO RUSSIAN DIFFICULTY  
Count Karolyi Admits Belshaviki Make  
Awkward Demands  
Berne, Dec. 3.—Count Karolyi, the  
Hungarian delegate to the recent  
peace conference at Bern, is quoted in  
the Journal la Suisse as saying:  
"The Russian demands for peace are  
difficult to deal with as there is no  
real representative of the nation. The  
situation is now obscure. Yesterday,

who? Even if an armistice were con-  
cluded it would still be a long way to

APPEAL TO WOMEN

Work for Return of Men Who Will  
See Troops Are Reinforced.

Brantford, Ont., Dec. 3.—Miss  
Clayton of Ingersoll, the Conser-  
vatory of Music, this evening made  
an appeal to the women of the city  
to work for the return of men who  
would see that the men at the front  
were properly supported with rein-  
forcements.

Col. Cookshutt Stays in Field  
As Candidate of Veterans

Special to The Toronto World.  
Brantford, Dec. 3.—The persistence  
of Hon. Col. Harry Cookshutt, Con-  
servative, in remaining in the field  
in Brant against John Harold, who  
has received the Union government  
endorsement, has caused much anxiety  
to Union government supporters in  
Brantford riding, where his brother,  
W. F. Cookshutt, is the endorsed  
candidate. This has not been less-  
ened by Hon. Col. Cookshutt's an-  
nouncement that: "There are three  
candidates in the field. One has  
been endorsed by Sir Wilfrid Laurier,  
one by Sir Robert Borden, and  
one by the G. W. V. A. You must  
take your choice."

The Expositor (Liberal-Unionist)  
tonight commented: "The manner in  
which their endorsement is being made  
is of most convincing to the G. W. V. A.  
of the propriety of their course,  
when, by a vote of 24 to 19, and  
regardless of the fact that they were  
interfering in the affairs of another  
riding, the local G. W. V. A. endorsed  
the candidature of a gentleman  
who, no matter what his personal  
qualities may be, failed to receive  
the endorsement of the win-the-war  
government. Surely it is apparent  
that when the veterans placed their  
imprimatur on W. F. Cookshutt, the  
government nominee for Brantford,  
the logical thing for them to have  
done was to have endorsed Mr. John  
Harold in the riding of Brant. In a  
field such as this, it is not the  
veterans, when told you must take  
your choice, would naturally be ex-  
pected to endorse the government  
candidate, more especially when that  
candidate has a record for patriotism  
such as Mr. Harold possesses."

Hamilton Veterans Endorse  
Gen. Mewburn and Col. McLaren  
Special to The Toronto World.  
Tuesday, Dec. 3.—The  
Hamilton branch of the Great War  
Veterans' Association, at one of its  
most enthusiastic and best attended  
meetings ever held since its organiza-  
tion, last night decided to endorse  
the candidatures of Major-General  
Mewburn and Lieutenant-Colonel J. Mc-  
Laren, Union and independent candi-  
dates in East and West Hamilton re-  
spectively.

Major-General Mewburn and Lieut-  
Colonel McLaren were both present and  
delivered short addresses. The former  
outlined the policy of Union govern-  
ment, and the latter said "the  
new minister of militia is the right  
man in the right place."

Begged His Father, a Liberal,  
To Vote Against Laurierite  
Walkerton, Ont., Dec. 3.—Major  
John Henderson, who was appointed  
returning officer for North Bruce, on  
the recommendation of Mr. R. E.  
Trank, former Liberal member for  
this riding, received a cablegram to-  
day from his son, Lieut. Herbert  
Henderson, who is with the 160th  
Brunch Battalion in England, beseech-  
ing his father to vote for the bat-  
talion and Mr. A. E. McNab, the  
Unionist candidate, and opponent of  
Mr. Trank, in this constituency, as  
the son wasn't aware that the father  
had been appointed returning officer,  
a position that disqualified him from  
voting except in the case of a tie be-  
tween the candidates, yet the action  
of this son of a strong Reform house  
inasking his father to support the  
battalion and vote the Union ticket  
is significant of how the soldiers view  
the situation at home.

Count Karolyi Admits Belshaviki Make  
Awkward Demands  
Berne, Dec. 3.—Count Karolyi, the

peace conference at Bern, is quoted in  
the Journal la Suisse as saying:  
"The Russian demands for peace are  
difficult to deal with as there is no  
real representative of the nation. The  
situation is now obscure. Yesterday,  
Kerensky, today, Lenin, tomorrow,

DRAFTED MEN WILL  
TRAIN IN BRITAIN

Go Overseas as Soon as  
Transportation Can Be  
Arranged.

SAYS SIR G. E. FOSTER

Union Candidate in North  
Toronto Addresses Large  
Gathering.

Clearly and forcibly the case for the  
Union government was laid before the  
electors of North Toronto in St.  
Paul's Hall, by Sir George E. Foster,  
last night. The meeting, which was  
presided over by the Union govern-  
ment candidate, Sir George E. Foster,  
a life-long Liberal, and well attended,  
was addressed by Mrs. Plum-  
pore, wife of Canon Plum-  
pore, and Edward Bristol, in addi-  
tion to the minister for trade and  
commerce. That the men raised un-  
der the provisions of the Military  
Service Act would undergo practically  
little or no training in Canada,  
but would be prepared for the  
trenches in Britain was intimated by  
Sir George. It was the intention of  
the government, he said, to send  
about 25,000 men overseas as soon  
as transportation facilities could be  
obtained. This statement, which  
showed the determination of the gov-  
ernment to send reinforcements to  
the men in the trenches immediately,  
was greeted with terrific applause.

Sir George stated that the Union  
government represented the best  
thought in Canada today. There was  
nothing in the war after fighting  
was the culmination of many earnest  
efforts of the public men of the coun-  
try to bring all the different elements  
together in order to successfully pro-  
secute the war. Now all parties  
were joined hand in hand ready to  
go over the top to victory. There was  
only one method to adopt to effect  
that purpose and that was compul-  
sory service. This had been recog-  
nized by the government. Laurier  
said the voluntary system was a bet-  
ter method. Who else said that?  
"Bourassa," replied a voice.

World Against Laurier.  
France did not say so. Neither did  
Britain, Italy or the United States,  
which was in the war after fighting  
for three years to keep out of it, be-  
cause it recognized that its time would  
come if Prussianism and militarism  
were not smashed. "Laurier," said  
Sir George, apostrophizing Sir Wilfrid,  
"what childishness on your part. You  
are a peace man. You have no more  
smelled powder than I have and yet  
you stand up and try to get the people  
of Canada to believe that you can win  
the war by voluntary enlistment  
all this time when the world is against  
you. We will give you our opinion,  
but we will not accept it when all the  
world says you're wrong."

DR. CHOWN AND  
GENERAL CURRIE

Appeal for Support for the Union  
Government

DEGRADING THE TERM CANADIAN

From a Synonym of Glory to a Badge of  
Dishonor

"In my judgment, the elector  
who votes for the anti-conscription  
policy, and the repeal of the  
Military Service Act, forges three  
links in a fatal chain of personal  
humiliation, public contempt and  
national decay. He degrades the  
term 'Canadian' from a synonym  
of glory to a badge of dishonor."

Such is the view of the Rev.  
Dr. S. D. Chown, General Super-  
intendent of the Methodist Church  
in Canada, and a man noted for  
weighing his words well.  
"I believe in the win-the-war  
policy of conscription," said Dr.  
Chown. "I am not a new convert  
to the idea. Long before it was  
adopted by any party in Canada  
I publicly expressed my approval  
of that plan. I believed then, as  
I believe now, that under any  
conditions it is the fairest, most  
democratic, most expeditious and  
least expensive method of raising  
an army in this country; and un-  
der present conditions it is the  
only possible way of fulfilling our  
obligations to Christian civiliza-  
tion. I also believe that, socially  
considered, it is the most moral  
and profoundly religious method  
of doing our national duty."

IF WE COULD ONLY SEE.  
"Some of my most respected  
friends are opposed to this policy,  
and I give them credit for consci-  
entiousness, but I cannot believe  
they clearly imagine what I have  
actually seen. They have not  
seen the barbaric nakedness of  
this war in a Casualty Clearing  
Station, with its continuous pro-  
cession of ambulances bringing in  
hundreds of men wounded and  
broken in almost every conceiv-  
able shape. They have not seen  
the appeal in the eyes of our men  
as the light of life faded into the  
darkness of death, and they seem-  
ed to say, 'I suffer this for you,  
Oh, do not let me die in vain!'  
They have not stood in a hospital  
amongst the boys gasping for  
breath, and straining to overcome  
the death-dealing gas. They have  
not looked into the inferno of a  
sharp engagement with the  
enemy, where the greatest marvel  
is how the hearts of our boys  
could be stout enough to keep a  
level head. If they had done  
these things, they would not think  
of deserting our thinning ranks.  
I am sure they would be ashamed  
to turn their eyes eastward or  
whisper the name of one of our  
fallen heroes if they did not vote  
for a policy which would give our  
men the earliest and utmost sup-  
port. I never met a man at the  
front who was not demanding  
and expecting conscription in  
Canada."

GENERAL CURRIE'S APPEAL.  
"General Turner told me that  
in about six weeks from now they  
would be in the direst straits if  
new drafts are not available.  
General Sir Arthur Currie wrote  
me a few days ago saying, 'I have  
great hope that the Government  
which the Prime Minister has suc-  
ceeded in forming will be accept-  
able to the people of Canada, and  
that there shall no longer be any  
uncertainty as to Canada's action  
for the balance of the war.'  
"If the Government be not sus-  
tained the heart will be taken out  
of our soldiers. How could we  
face these men upon their return  
if we forsake them now? But I  
fear they might forswear their  
country, and die fighting if need  
be under another flag."

ALIENATED FROM THE  
EMPIRE.  
"In my judgment, therefore,  
the elector who votes for the  
anti-conscription policy, and the  
repeal of the Military Service Act,  
of Canada from the war, forges  
three links in a fatal chain of per-  
sonal humiliation, public con-  
tempt and national decay. He  
alienates Canada from the rest of  
the Empire, and front association  
with the respectable portion of  
mankind. He degrades the term  
Canadian from a synonym of  
glory to a badge of dishonor. If  
I voted against a Union Govern-  
ment candidate I would feel that  
I was opposing the most patriotic  
movement ever known in the  
Dominion of Canada."

ENEMY ATTEMPTS DECISIVE BATTLE

German, After Check in Italy, Hurry Troops to Western Front.

ALLIES TO HIT BACK Will Give Foe No Respite in Franco-Belgian Theatres.

Washington, Dec. 3.—An effort by the Germans to bring on a decisive engagement in the western front is suggested in the war department's review of military operations for the week ending Dec. 1, issued tonight by Secretary of War Baker.

"The outstanding feature of the general military situation today," says the review, "is to be found in the ever-increasing mobility of action of the forces engaged. It is giving way to activity of movement."

"It seems that a decision is being sought by the enemy, who realizes that he cannot endure for a much longer period the strain of trench warfare imposed by the allies in the west."

"This explains the effort of the central powers in making considerable forces in troops made possible by the internal situation in Russia. This offensive was undertaken to crush the Italians and compel them to sue for peace."

"Five weeks of desperate fighting has brought them no nearer their real objective in this theatre. The Italian armies suffered serious reverses in the early stages of the battle. They were compelled to give way, and the military situation along the Italian front was serious. But the enemy had underestimated the fighting power of the Italians, and discounted the splendid morale which their forces would display when the full magnitude of the impending crisis was visualized."

"The hoped-for revolution in Italy, which had been sedulously fomented by German propaganda, diplomatic, military and military, at present in England. In this statement it is declared that the Italian revolution is not a national, and does not constitute a responsible government."

"Without taking into account their previous actions, continues the statement, their latest action in publishing secret treaties without the consent of the allies suffices to place them outside the pale of civilized government."

"In these circumstances the officials have refused to recognize this group of persons, and will not accept any orders from them or from any individual acting under their authority or in their name. Moreover, will not enter into communication with them."

"The Russian representatives, however, it is added, deem it their duty to carry on the work assigned to them by the provisional government in the interests of Russia and the allies, until such time as a government duly formed in Russia is proclaimed."

"It is pointed out that Trotsky, who Lenin threatened to appoint ambassador to Great Britain, has committed breaches of the Defence of the Realm Act."

"However, when the Germans had recovered from the first blow and were about to stand on the defensive, the extensive gains of terrain by the British were to be anticipated."

"Hostile reaction has been extremely heavy and costly counter-attacks by the enemy have enabled him to occupy a certain area, as well as to occupy certain strategic points. Owing to the British the situation well in hand and announce the repulse of the enemy, who has been driven from the area captured."

"The situation along the Italian front is rapidly becoming normal. Enemy assaults in the northern sector are subsiding. Allied co-operation has now been firmly established, in a measure relieving the Italians."

"In the Palestine theatre of operations, the rapid advance of the British on Jerusalem, after the fall of Beersheba, has been temporarily retarded. The resistance of the Turkish forces has considerably increased and the necessity of bringing up further reinforcements and material has caused delay in the offensive operations."

TORONTO MEN RETIRE FROM BICYCLE RACES

Six-Day Contest at New York Simmers Down to Thirteen Teams.

New York, Dec. 3.—Thirteen teams remained intact in the six-day bike race at Madison Square Garden this morning, it being officially announced at 12:30 o'clock that the Spencer brothers of Toronto had retired from the race. These two riders had made a good showing from the start, having won 13 out of 20 sprints for special cash prizes offered by the management as well as spectators.

At midnight 13 pairs were tied, with scores of 469 miles, 9 laps each, while Madona and Bello, who lost one lap shortly after the start, were still that distance behind.

The feature of this year's race is the point sprints, five of which took place in the afternoon and 10 last night. The five leading point scores were Goulet and Magin 56; Kramer and Egg 49; Corry and Madden 45; Verrill and Spears, 40, and Hill and Hanley 35.

WOMEN'S WORK TOLD OF IN WAR ZONES

Anniversary of Northern Congregational Church, Rosedale, is Celebrated.

Rev. Principal Ritchie of Nottingham Institute, England, now lecturing to the students of the United Theological College, Montreal, gave an interesting and much appreciated lecture last night in the lecture hall of Northern Congregational Church, North Rosedale, on "Women in the War and After."

Dr. Ritchie's introductory remarks were brief, and Miss Winnifred Parker's group of songs was favorably received, as was also a selection by the choir. Earlier in the evening Dr. and Mrs. Day, with Principal Ritchie, held an anniversary reception in the church parlors.

Principal Ritchie paid tribute to the courage, endurance and tireless work during this present war. If the eighteenth century saw the emancipation of man, the nineteenth had seen the emancipation of woman and the twenty would see the emancipation of the child.

Dr. Ritchie's lecture was a most interesting and timely one. He said that the women of France, especially the women of the front, were the heroes of the war. He said that the women of France were the heroes of the war, and that the women of France were the heroes of the war.

"The women of France, especially the women of the front, were the heroes of the war. He said that the women of France were the heroes of the war, and that the women of France were the heroes of the war."

PREMIER SPEAKS TO HUGE CROWDS

St. John, N.B., Gives Sir Robert a Splendid Reception.

St. John, N.B., Dec. 2.—Sir Robert Borden, Hon. Frank B. Carroll, and the unionist candidates for St. John, Albert, Rupert W. Wigney and Stanley E. Elkin, addressed large meetings at the Imperial Theatre and Opera House this afternoon and evening.

In the afternoon at the Imperial, the premier said that the meeting was the most successful he had ever had. He said that the meeting was the most successful he had ever had, and that the meeting was the most successful he had ever had.

"Tonight the crush at the Imperial Theatre, which accommodates 2000 persons, was so great that an overflow meeting had to be held in the Opera House. Even this large building could not accommodate the crowds."

"The premier and Mr. Carroll were given an ovation. Sir Robert said that the question that could be asked of the meeting was not whether it was a success or not, but whether it was a success or not."

TO FIX STANDARD PRICE FOR SILVER FOR YEAR

American Treasury Officials Open Important Conference With Miners.

Washington, Dec. 3.—Treasury officials today opened the first of a series of conferences with western silver producers looking to the ultimate fixing of a standard price for silver, effective for one year, and to governmental acquisition of options on practically the entire output of the United States.

Pressing needs of this country and the allies for silver coin is responsible for the plan. It contemplates government control of the market for silver coin silver at a fixed price, probably above the present market rate of 87 cents an ounce.

The battle was along a considerable front. The reinforced British forces were moving southward toward Vandulhe. The Germans succeeded in entering La Vacquerie, but were immediately ejected.

"At the course of the day the attack spread northward toward Masnières; it was one of terrific ferocity. As the day wore on the German forces spread northward toward Masnières and the Canadian packers that the battle about La Vacquerie was particularly intense, with the contending forces at close grips."

"There appeared to be no doubt that the enemy intended to break through the British front if possible regardless of the cost. The Germans were flanking infantry into the assault in heavy waves and their losses have already been great, as must necessarily result from this method of warfare."

"It is estimated that a great number of men are being employed by the Germans. Up to the latest report, however, the reinforced British forces were moving southward toward Vandulhe and a spirit of optimism pervaded the defending camp, although none denied the seriousness of the hour."

CAREY WAS OFFERED POST AT OTTAWA Statement Given Out From Labor Party Headquarters Regarding the Matter.

D. A. Carey, it was announced from the National Labor Party headquarters in Toronto, last night, had refused to accept a post in the Department of Labor while he was attending a meeting of the American Federation of Labor when it was in session at Buffalo.

The second overture was made to him by Hon. N. W. Rowell and the Hon. J. D. Baird, who were acting for the Unionist endorsement committee. The overture came in such a shape that D. A. Carey, in return, would have to come to Toronto and appear on the Massey Hall platform, alongside Sir Robert Borden and the official Unionist candidates. This he could not do, in view of his allegiance to the National Labor Party platform.

Further, he would be accused of double-dealing, since he had already refused to accept anything from the government, and then if he had been a party to the deal the electors would have had no faith in him, since Sir Robert Borden would have to withdraw his endorsement of Dr. Sheard, already promised.

D. A. Carey is reported to have said that his present reticence was due solely to his desire to divide no confidential proposition made to him in apparent good faith.

"It has now become public property from other sources and he feels, in justice to the electors and the men who have loyally supported him, that he should refuse to accept anything from the government, and then if he had been a party to the deal the electors would have had no faith in him, since Sir Robert Borden would have to withdraw his endorsement of Dr. Sheard, already promised."

HIGH EXPLOSIVES SEIZED ON ROAD TO IRELAND

Sinn Féin Boy Scouts Caught With T.N.T. in Portmanteau.

Dublin, Dec. 2.—The Evening Mail says the police have seized a large quantity of high explosives which were being brought to Ireland from Scotland. It is stated that the explosives were found in a portmanteau carried by two boys who are described as being members of the Countess Georgina Mackenzie's boy scouts, who landed at Belfast from Scotland Sunday morning.

One report of the seizure connects it with the Sinn Féiners. An arrest has been made at Glasgow in connection with the affair.

The Countess Mackenzie was a prominent figure in the Dublin revolt in 1916. She was sentenced to death, but the sentence was commuted to penal servitude for life. Later she was released from prison.

Mr. Wood especially commended the untiring labors of the provincial organizers and their many sub-committees, referring heartily to the splendid enthusiasm of Norman Sommerville and his publicity committee.

Incentive to Thrift. E. R. Wood, chairman of the special subscriptions committee, reported one contribution of \$10,000,000 from \$5,000,000, one of \$3,000,000 and many of \$1,000,000 and over. He expressed the opinion that the effects of the loan would be incalculable, that it had given to tens of thousands of people an impetus toward thrift that they had never before entertained, and that he will have a surplus of \$10,000,000 in the hands of present imagination, and that he will have a surplus of \$10,000,000 in the hands of present imagination, and that he will have a surplus of \$10,000,000 in the hands of present imagination.

GIVES FIRST PLACE TO WAR MEASURES

American Senate Hears President's Address Today on Program.

Washington, Dec. 3.—Congress is ready to take up again its part in the prosecution of the war. The second session of the 65th congress begins today at noon with brief routine sessions. On the receipt of appropriations estimates for next year's war, the ordinary expenses aggregating the grand total of \$13,500,000,000.

Tomorrow the senate and house will meet in joint session at 12.22 p.m. to hear President Wilson deliver his annual address. Guidance of the president in the war is awaited by the nation. It is expected that the president's address will outline the war program.

Speculation as to the nature of the president's address centers largely upon the question whether he will recommend declarations of war against Germany and Austria. It is believed that he will not, at least for the present. The congress will follow his lead. POLITICAL NEWS

Robert Borden has begun a second tour of the maritime provinces. He expects to speak in Mon-

Dec. 3.—Sir Wilfrid Laurier spoke last night at Arrprior and leaves for the west on Friday. He will undoubtedly hold two or two more meetings in Ontario.

A semi-official statement from Ottawa connects the Liberals' 51 out of the 66 seats in Quebec, and calls for a solid Ontario to support the union government.

Despatches from Montreal, however, indicate that the government may carry some seats in the eastern townships, and in the Montreal district as well.

Little or nothing comes in the way of a definite forecast from the maritime provinces, which at the last election, divided almost equally between the two parties.

On the whole, it would seem, however, that the measure of the government's majority in the next house will be the majority it rolls up in the west.

A week ago The World ventured to predict on the strength of private advices received from the Pacific coast—that the Dominion government would carry at least eleven out of the thirteen seats in British Columbia.

Since then the Liberals have been pretty active in British Columbia, and are making some rather large claims in Saskatchewan, where four seats have already gone to the government by acclamation.

The Laurier Liberals seem to have little or no foothold, and it would not be surprising to see an almost solid delegation from Saskatchewan in favor of Union government in Alberta, however, there is a curious fight on, and the United Farmers of Alberta are said to be hostile to the Union government.

It is believed that the opposition (which includes the Non-Partisan League), may divide the division.

In Manitoba the opposition claims only Winnipeg, North Winnipeg, Selkirk, Springfield, Eganovitcher, and possibly other seats. The unionists from the start have claimed that they will carry at least ten out of the eleven seats in Manitoba.

The unionists in Manitoba are friendly to Union government, but James Weir, vice-president of the United Farmers of Manitoba, has invaded Manitoba on behalf of Sir Wilfrid Laurier, and has challenged Hon. T. A. Crerar, minister of agriculture and president of the United Grain Growers, Limited, to a joint debate.

Some extravagant claims are being made by the Liberals in respect to Ontario, but the Unionists are reasonably certain of 66 out of the 82 seats. This being the case, it is hard to see how the Liberals can expect anything better than a tie in eastern Canada.

On the other hand, it is hard to reconcile the Ottawa despatches that in the same breath concede the Liberals 51 seats in Quebec and claim a majority for Union government of the seat of Lake Superior. The fact remains that the Liberal party carries for much of a majority in eastern Canada, and the west will therefore settle the election.

That the four western provinces will return a majority for Union government is conceded, the all do not agree as to what the size of that majority will be. Taking the Liberal claims as they come, it seems probable that the opposition will carry more than 12 seats west of the River.

That would give the government 33 majority from the west, and that will probably be about its majority in the next parliament. Moreover, on conscription or a like issue, the government will probably be stronger in the house than its official majority.

Finally, all forecasting as to the result is necessarily based on the results as we have figured it in the past.

Eczema Cured Five Years Ago

A Treatment Which Has Proven a Wonderful Healer of the Skin—Certified Evidence of Lasting Cure.

Jordan, Ont., Dec. 4.—The old notion that eczema is a disease of the blood is refuted time and time again by the fact that it is daily being effected by Dr. Chase's Ointment.

It matters not what the cause may have been if you apply Dr. Chase's Ointment regularly you will obtain relief and cure of eczema.

Mr. Stephen G. Thwaites, Box 305, Jordan, Ont., writes: "My brother had a bad case of eczema on his legs. He was troubled nearly all one fall for days at a time. He tried different ointments and ointments, but none cured him. One day he tried Dr. Chase's Ointment, and it gave almost instant relief. He continued its use, and had not quite finished the second box when he was cured. It is now about five years since then, and it has not returned. We are very grateful for Dr. Chase's Ointment, and we are very grateful for my brother's cure."

Rev. S. F. Coffman, Vineland, Ont., writes: "This is to certify that I know Dr. Chase's Ointment, and the party to whom you refer, and her statements are correct."

Mr. J. E. Jones, 228 University avenue, Kingston, Ont., writes: "I had eczema in my hand for about five years. I tried a great many remedies, but found that while some of them checked it, none cured it permanently. Finally I tried Dr. Chase's Ointment, and in six weeks my hand was completely better. I would not do without it if it cost \$1 a box. I am giving my name to this firm so that it will go to those who suffer as I did."

Grippe a Robber of Strength and Flesh

Run-Down, Underweight People Should Regain Lost Flesh and Strength at This Season.

People who go through winter suffering a suppression of coughs, colds, grippe, catarrh or other ailments peculiar to cold weather, will probably be surprised, if they climb on a weighing scale, to see how much flesh they have lost.

Most everyone reaches spring with weight decreased, vitality lowered, nerves affected, and general health and strength impaired.

The best way to regain lost flesh and strength is through the original source of all flesh and strength—your food.

Food, however, produces flesh and strength only in proportion to which its nourishing elements are absorbed by the body.

Less weight indicates a leakage of the fat, sugar and starches of your food, instead of going to the blood they are passing through your body as waste.

The assimilative functions of your stomach and intestines are out of order and you are doing something that will get them working right again.

Nothing is better for this purpose than a single Blood-Iron-Salt tablet taken at meals for a few weeks.

Blood-Iron-Salt does not build flesh for itself, but, swaddled with your food, it acts upon every mouthful you eat, first separating all the fat, sugar, starches and other materials which make for flesh and strength from the waste matter and then preparing all in a form which the blood can readily absorb and distribute throughout the body.

The effect is quickly felt. Reported gains in weight of men in twenty-four hours amount to as much as one pound.

CAUTION: Blood-Iron-Salt is widely used as a tonic, but when used for such purposes alone and where patient does not desire an increase of weight it should be taken not less than one hour before meals.

If taken at meal times it will most certainly result in an increase in weight if one is abnormally thin.

IS NOT ALLIED WITH BOURASSA

Sir Wilfrid Laurier, at Arrprior, Says Platform is Canada.

Arrprior, Ont., Dec. 3.—A crowded hall welcomed Sir Wilfrid Laurier here this afternoon. In regard to the Quebec situation, he emphatically declared that he had made an alliance with Bourassa.

"As to Armand Lavergne," he added, "he is a candidate in Montargis County in opposition to the Liberal. I have made no alliance with either Bourassa or Lavergne. I have made no alliance with any convictions."

Sir Wilfrid added that he made no sectional appeal. "I stand here," he said, "a Canadian. My platform is Canada. If I cannot win on that platform, I do not want to win at all."

He continued that on the word of Mr. Bourassa himself, there was an alliance with the Nationalists in 1911. It had been shown that copies of Le Devoir, Mr. Bourassa's paper, were circulated at the expense of Conservative funds.

"They created a public opinion in the Province of Quebec," Sir Wilfrid added, "which wanted to use force and violence to eradicate the doctrine they taught themselves."

"I want us to do our duty in the war, but coercion is not the way. I am certain I can do it by appealing to the soul of my fellow countrymen."

The plea of the government, Sir Wilfrid proceeded, was that conscription was necessary because voluntary recruiting has broken down. Quoting statistics, Sir Wilfrid claimed, there was no justification for such a claim.

There were 116,000 men in England and 35,000 in Canada. If voluntary recruiting was abandoned, Sir Wilfrid said, and conscription forced on the people, it could not be for the reason given by Sir Robert Borden.

CONTROLLER FOSTER WILL NOT WITHDRAW

Absolutely Made That He Will Quit the Field in East York for Major Cockburn.

"Absolutely no," was the reply of one of Controller Thomas Foster's agents when asked yesterday if there was any truth in the report that Mr. Foster would withdraw in East York in favor of Major R. C. Cockburn.

"There have been many rumors to this effect," he added, "but we can tell the people of East York now that the controller is in this fight to a finish, firstly because he has the endorsement of Sir Robert Borden and the Union government, and secondly because the people of East York wish to see him elected."

There have been many rumors of one kind and another with regard to petitions and withdrawals, but the people of East York can rest assured that Controller Foster will stay in the fight despite any representations made by his opponents.

It has also to be remembered that Controller Foster has the endorsement of all the Conservative organizations of the riding, and there are many Liberals also working for him. We have found that many of the returned soldiers are willing to support Controller Foster and are ready to work for him; in fact, five Military Medal men are now on his committee, and are the hardest workers he has.

DISGRUNTLED FARMER OPPOSES UNIONISTS

Laurier-Liberal Forces Effect Organization at Winnipeg—Weir Speaks.

Winnipeg, Dec. 3.—Organization of the Laurier-Liberal forces has been effected at a meeting here James Weir, second vice-president of the United Farmers of Alberta, in an address claimed he had not received satisfactory treatment at the hands of the Grain Growers' Guide, and he had come east to challenge Hon. T. A. Crerar to a joint debate.

In contradiction to the statement of the Guide, that all leaders of the grain growers' movement were supposed to be in the same boat, he declared that no leader in Alberta was endorsing a Unionist candidate, and he contended that Hon. Mr. Crerar, by accepting office in the government, had stultified all members of the organization.

Mr. Weir presented the platform of the non-partisan farmers' organization in Alberta, and in discussing the features, claimed that its members were opposed to the conscription of men alone, but demanded that ten per cent of the capital accumulated and saved should also be conscripted.

"Quebec is the gem of confederation," was one of the laudatory comments of Mr. Weir in speaking of the attitude of the people in that province toward the war measures of the government. He blamed the politicians for the conditions in Quebec.

REINFORCEMENTS AT EARLIEST DATE

Are Being Sent Whenever Ships Are Available, Says Mewburn.

Special to The Toronto World, Hamilton, Tuesday, Dec. 4.—Women voters in Ward Six heard the aims and policies of the government explained yesterday in the sons of England Hall by Major-General Mewburn, minister of militia, and Unionist candidate in East Hamilton. Lieut.-Col. K. A. Robertson, Major-General Mewburn's assistant, presided.

Major-General Mewburn, who was accorded an ovation, stated that it was not in the section that counted, but the cause of Union government.

He thought that all should be interested in seeing that reinforcements were sent to the trenches as soon as possible, and that the surest and quickest way to do that was by putting the volunteer forces in power.

The situation in Quebec was discussed, and in the afternoon, after pointing out that a solid vote in that province was against the government, repeated that the volunteer forces had not neglected their duty.

Major-General Mewburn concluded by saying that reinforcements were sent to the trenches as soon as possible, and that whenever ships were available men were being transported to England.

Miss Mackinnon urged the women to go to the polls early, and hoped that by one o'clock on Dec. 17 the majority of the newly-enfranchised women would have their votes cast.

Help the Sailors!

The strong, right arm of civilization—the unconquerable sailor of the British Navy and Mercantile Marine—

He stands before you and asks your help on Sailors' Day, December 8th. Why?

Millions have been given to the Army by public and private subscriptions—worthily so—but practically nothing to the Navy and Mercantile Marine.

Think of the superb bravery of the men who defy the perils of mine-sown, submarine-infested seas, and, with songs on their lips, cheerfully give up their lives for the Great Cause.

So that the great arteries of the Empire—the High Seas—may be kept alive with British traffic—carrying food, munitions, aeroplanes, artillery and the thousand things our boys need at the front to fight the barbarous Hun.

What happens—think you—to those poor fellows, maimed at their calling, or to their humble loved ones when the breadwinner is killed or drowned?

No pensions—no "allowances"—cold charity and little of that. Is this fair—is it just—is it RIGHT?

Let your answer be expressed in a generous contribution on

Sailors' Day, December 8th

Through the Daughters of the Empire, who are seeking to increase Canada's contribution last year of \$700,000 "for the relief of British and Canadian Sailors and their dependents, for Sailors' Homes, Institutes and Hospitals in Canada and throughout the Empire," and for the full work of the Navy League.
