## ANNUAL PREPARATORY MEETING

---

This meeting was held in the Queen's Hotel, on Thursday, the 6th day of November, 1884. The chair was taken by the President, James Graham, Esq., and the large attendance of members showed that keen interest is felt in the affairs of the Society. The Reports of the Managers and Treasurer, of which abstracts are given, were duly adopted. As will be seen by reference to the Managers' Report, the Society have lost the active services of Mr. S. Nairn, who for many years was one of them. It will not be out of place here to allude again to the difficult and arduous duties which devolve on these officers of the Society, and to express the appreciation which all members have for the work so well performed by Mr. Nairn and his colleagues.

---

### *REPORT OF THE MANAGERS OF ST. ANDREW'S SOCIETY.*

Your Managers, in submitting to you their Annual Report, have much pleasure in stating that it has only been necessary to draw upon the Treasurer for \$332.15. One hundred and twenty-two orders have been issued. The pensioners upon your bounty have received \$95, and the total amount expended in casual relief was \$237.15. We believe that no deserving case has been neglected, and fewer cases of deception have been practised than in any previous year. The reason for this we attribute to the fact that we thoroughly investigate the character of the applications for money.

We have had this season to help many newly-arrived immigrants, and we think that more should be done by the Immigration Department in assisting such persons.

We are aware that many of the stories told to us are false, but the fact remains that some of these people are left entirely destitute in a strange land, and, but for your liberality, would have to

take refuge in the Police Station, or the Poor House. We have in many instances procured employment, and put applicants in the way of taking care of themselves.

During the early part of the year we lost the valuable services of our colleague, Mr. Stephen Nairn, but our President, Mr. Jas. Graham, has amply supplied this loss by his energetic aid.

We had one determined attack by the Tramp class on the Society about the end of September, when 14 of them sought assistance. We gallantly, and at the same time charitably, disposed of them at the expense of \$8.35 paid for board and lodging. One of this class, who had been five months in this country, had been working for a farmer and getting \$10 a month and his board, but thinking he was worth more, he struck for \$15 per month, and not having this demand granted, visited the city, spent his money and finally concluded that he would go into "*St. Andrew's Boarding House*" until he could find something more congenial to his taste. We need not trouble you with the advice we gave him.

We desire to express our thanks to the Rev. D. J. Macdonell for his continued and active efforts in assisting all deserving and needy Scotch people, and for his readiness at all times in co-operating with your Managers in the discharge of their duty.

All of which is respectfully submitted.

MALCOLM GIBBS, } Managers.  
ROBERT SWAN. }

ISAAC C. GILMOR, *Treasurer.***ST. ANDREW'S DAY.**

The festival of St. Andrew fell on a Sunday, and the duty of delivering the Annual Sermon was allotted to the Rev. G. M. Milligan, one of the Chaplains. The habit of attending a special service on "The Day" has been long abandoned. It was pleasant to recall the traditions of the past, and on the day dedicated to our patron Saint to have the opportunity of joining in the religious observances, which, in the early stages of the Society, were deemed essential to its true enjoyment.

**THE ANNIVERSARY ASSEMBLY.**

The Anniversary Assembly was held in the Pavilion of the Horticultural Gardens, on the 2nd of December. After the installation of the officers and transaction of routine business, the meeting adjourned to enable the members to attend the Ball. This was, as usual, a success. The attendance was large and brilliant. The decorations were unusually appropriate and artistic.

Everything was done not merely to promote social intercourse among the members, but also to enable them to extend hospitality to their friends. The Society had reason to feel proud of the admirable manner in which the President and retiring President and members of the Ball Committee carried out the arrangements.
