The copy filmed here has been reproduced thanks to the generosity of:

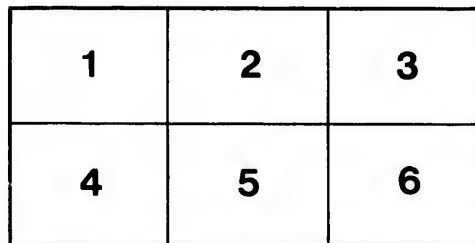

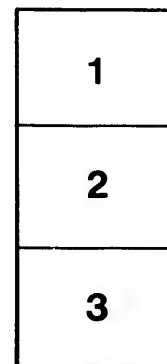

Ralph Pickard Bell Library  
Mount Allison University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Ralph Pickard Bell Library  
Mount Allison University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

1892.

## RULES AND REGULATIONS.

I. The Library Rooms shall be opened daily, Sundays and legal holidays excepted, from 2 P. M. to 6 P. M., and from 7 P. M. to 9 P. M.

II. Any inhabitant of the city or taxpayer therein, over twelve years of age, who is recommended by the Mayor or any Alderman, or any one of the Library Commissioners, and who shall sign an obligation to observe all the existing Rules and Regulations of the Library, and all that may be subsequently adopted, shall have the right to take books therefrom so long as he or she shall comply with the same. But only one member of a family can obtain this privilege.

III. Any person authorized to receive books from the Library shall obtain from the Librarian a printed slip, in which the book asked for shall be designated by its catalogue letter and number. A card will also be given to such person, upon which the date of delivery and receipt will be stamped. This card must always be presented to the Librarian or Assistant, as the only mode of obtaining any book from or returning any book to the Library.

IV. No person shall be allowed more than one volume at a time. No book shall be retained by the person borrowing it more than fifteen days, except when otherwise specially noted in a book as being limited to one week; nor shall the person returning the book be at liberty to retake the same until it shall have remained in the Library one full Library day. The fine for the retention of any volume over the time specified shall be two cents for every day it is so retained, payable on its return. Borrowers of books will be responsible for the same until returned to the hands of the Librarian. No book can be changed oftener than once a week.

V. Should a book wanted by any person using the Library, not belong to it, such person is requested to enter the title of the same, with the name of the publisher and price thereof, on a card to be furnished for the purpose, to which the person's name should be added.

VI. All borrowers of books shall give notice to the Librarian of any change in their place of residence.

VII. No pen or pencil marks shall be made in any book, or, if any book is defaced, torn, or injured beyond a reasonable wear, such injuries shall be made good to the satisfaction of the Librarian and the Chairman of the Commissioners by the person upon whose card it was issued; and any book not returned within one week after demand made for it shall be regarded as lost, and its value shall be required to be paid by such card-holder.

VIII. All books are required to be returned to the Library on or before the 31st May in each year, under a penalty of a fine of fifty cents; but reasonable notice shall be given by the Librarian.

IX. No person having a book from the Library shall lend it to any person not a member of the family.

X. No person owing a fine, or any other charge, shall receive books from the Library until the same is paid.

XI. All persons visiting the Library Rooms are required to demean themselves quietly, and no unnecessary conversation will be allowed in the rooms.

XII. Persons entitled to the privileges of the Library may receive books for consultation while the room is open, and the Librarian shall enter all books thus withdrawn and erase the entry when they are returned. If any person neglects to return any book thus taken to the Librarian, he shall pay the same fine that would be charged for a week's detention over the time prescribed by the Regulations.

XIII. Books of reference, and those deemed by the Commissioners unsuitable for general circulation, shall not be loaned except by an order signed by, at least, two of the Commissioners; and in no case shall a book so loaned be retained from the Library more than seven days, except by special order of the Board.
