As soon as Cardinal Manning entered the Church, the Curread to him the Pontifical brief assigning him the title of St. Andrew and St. Gregory. His Eminence first addressed a lew words in Italian to the Fathers of the Church of St. Gregory, and then delivered a long address in English to the congregation, in which he dwelt upon the history of St. Gregory, the great founder of Catholicism in England. He said, "This is the first time that an Englishman, a son of St. Gregory, the great founder of Catholicism in England. He said, "This is the first time that an Englishman, a son of St. Gregory, takes possession of his titular Church. The great congregation I see before me has certainly not come here from curlosity. It is the worthy spiritual daughter of St. Gregory, the Apostle of England because the Christian people of England holecause the Christian people of England inhabiting not only our islands, but also our colonies and the United States of America, is wholly descended from that great and Holy Pope." Cardinal Manning further remrked that from this Convent of St. Gregory had issued the first Archishop of Canterbury, the first Bishop of York. Speaking afterwards of Christian faith, he said the gift of piety had for its chief object God, for its second the family, and for its third one's native country. In conclusion he saluted the assemblage, saying he knew a portion of his hearers personally, and desired to know them all. He expressed a hope that he should meet them again at the last day, when God counted His morning by the Pope. After the closing of the mouths of the cardinals and gave them the rings.

Their families gathered on the beach and expressed their grief in loud lamentations. A talented half-breed, called Bill Ragsdale, has long held a high place in the regard of Sandwich Islanders. He is an orator of great natural power, a leader of the district of Hilo, and a man of notoriously bad morals. He discovered that he was leprous, although the indications were so slight that he had escaped official notice, and at once gave himself up to the authorities. A procession of natives, singing and carrying flowers, escorted him to the vessel which was to take him and the others to their living graves. He made a speech to the Assembly, urging submission to the measures for eradicating leprosy by banishment, and expressing his hatred of missionaries.

So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous International Steamship Co. and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseaser. Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Ffts, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

Chas. S. Taylor was reappointed Har or Master. Joseph O'Brien was nominated fo Harbor Inspector. Ald. Kerr nominated O'Brien's reappointment because he had failed to carry out an agreement to pay \$200 to late Inspector Murray. On ques tion, Mr. O'Brien was declared elected. The old Portwardens, Surveyors, and other city officers were re-appointed. James Ship was appointed Pound Keeper, East Side.

Ald. McCordock moved that the West Side members be paid \$100 each out of the common land fund for their services for the past year. This was seconded by Coun. Nannary. Ald, Brittain said he would support the motion if the payment were made after all demands against the fund were

satisfied. Ald. McCordock thought the services of some members of the board were worth at least \$500. He claimed the sum as being a payment for which the people had petitioned.

Coun. Nannary said he should vote for the motion because he thought he was that he should receive \$100, and he bebut he thought he himself was entitled to five times the amount. The motion was carried.

Coun. Coxetter then moved and Ald Kerr seconded the motion that the East Side members each receive \$100 from the Contingent Fund. The Mayor stated he had taken advice on the subject and believed the Council had a right to vote gent Fund and that he was justified in putting the motion. The vote was taken and the motion carried without a dissent REGULAR AND DIRECT ing voice. Ald. Melick, who has all along stated his intention of opposing the grab blushed perceptibly.

Lee's Opening. Lee's Opera House was full last evening, every seat and all the standing room being occupied. All the performers were heartily applauded. Miss Clifton became a favorite as soon as she appeared, and gained in favor during the evening. Frank Hussey gained great applause in LONDON HOUSE, his several appearances, and the trapeze performances of the Lamonts were never Felt and Straw Hats, equalled in this city.

Still another Burglary. The law detying, midnight prowling thieves are getting bolder every week. Last night they paid a visit to the candy shop of Mr. John Gibbs, Union street and escaped without being heard. The entrance was effected by a back window and after the thieves got into the supple they deliberately examined the premises with the ald of lighted paper.
