PREFACE.

The Publisher of this edition of McAlpine's St. John City Directory for 1891-92 has much pleasure in informing the public that this year makes 26 years that he has been engaged in publishing Directories on his own account, which causes him to be, in a direct continuous line, the oldest publisher of Directories in the Dominion of Canada. He now places in the hands of the public this edition of the City of St. John Directory, and returns his sincere thanks to all who have supported him in these publications, especially to those who have done so from the commencement. There is added to this work a list of all the streets in the north, south and west ends of the City, where they commence and where they end. See page 416. In looking over the Directory for the year 1863, he finds the names of advertisers who are now (1891) still in business, and supporters of this edition, viz :

**Mail Arrangement.**

Changes every month can be seen by Monthly Post Office Guide.

Mails for Great Britain, via New York, close every Monday and Thursday at 7.45 p. m. Parcel Mail, via Quebec, every Tuesday at 3.30 p. m. Correspondence for Newfoundland sent to Halifax every day for despatch by mail steamers.

Mails for Grand Manan and Campbello are despatched by direct steamer, and for the former locality also by rail, at days and hours to suit the seasons and other requirements. The arrangements are announced monthly in the Saint John Postal Guide.

Letters for the United States will be taken by the Railway Mail Clerks Sunday night, if posted before 8 o'clock, p. m., at the Princess Street side door of the Post Office.

Through Register Pouches are exchanged between St John and Bangor, Boston and New York, St. John being the Exchange Station for the Maritime Provinces.

Office Hours—Daily (Sundays excepted), from 6.30 a. m. to 9 p. m.

Money Order Office and Savings Bank—Open daily (Sundays excepted) from 9 a. m. to 4 p. m.

**Street Letter Boxes.**

The Street and Hotel Letter Boxes in the City of St. John are visited daily (Sundays excepted) at 1.30 p. m., and (Saturday excepted) at 10.30 p. m.; also in the leading business part of the City at 11 a. m., daily, (Sundays excepted). It is especially requested that these boxes be used for letters only, and not choked with newspapers or parcels.

**Merchants' Boxes.**

Rent of small box \$4. and of large box \$6 a year.

Though every effort will be made in sorting letters to place them in the boxes, when the party addressed is known to have a box, the Postmaster does not hold himself responsible for this always being done; the primary rule being that all letters bearing the number of the house and name of street go there by letter carrier.

An order to place in a box letters belonging to another person than the owner of the box cannot be recognized, unless such letters are addressed to the care of the box or its owner.

Letters for the members of a firm should be addressed to the care of the firm or the number of the box.

Box holders would facilitate the work of assortment by requesting correspondents to add the box number to the address of their letters.

**Letter Carriers' Delivery.**

Letters and papers for this delivery should be addressed to street and number.

Change of residence should be promptly notified the postmaster in writing.

Two deliveries daily, commencing at 8 a. m. and 3.45 p. m.

All letters mailed at the St. John Post Office within fifteen minutes of the hour fixed for morning and evening deliveries will be dispatched by such deliveries.

Letters not bearing the name and number of street, addressed to parties whose address may be known to the carriers, will be delivered by them. It is always best, however, to have the name of street and number of house supplied.

**Rates of Postage.**

FIRST-CLASS MATTER.

POST CARDS.—Dominion and United States, 1c.; Great Britain and other Postal Union countries, 2c. Reply post cards for use within the

Dominion will be issued at two cents each. Canadian one cent post cards can be forwarded to the United Kingdom if a one cent postage stamp be affixed.

**DROP LETTERS**—City (including districts heretofore known as Carleton, Portland, and Indiantown), 2c per ounce.

**MAIL LETTERS**—From one place in Canada to another, and between Canada and the United States, 3c per ounce; between Canada and Newfoundland, and between Canada and Great Britain, 5c per half oz.

Insufficiently paid letters, from one place in Canada to another, on which at least a partial pre-payment has been made, are forwarded charged with double the deficient postage.

Letters addressed to places in the United States must be prepaid one full rate (3 cents), otherwise they will be sent to the Dead Letter Office.

**LEGAL AND COMMERCIAL PAPERS**—The postage on Legal and Commercial Papers for the United States, Great Britain and all foreign postal union countries, where the letter rate does not exceed 5 cents per  $\frac{1}{2}$  oz., is 5 cents for the first 10 ounces or less, and one cent for each additional two ounces. For countries where the 10 cent per half oz letter rate rules, the charge is 5 cents for the first 4 ounces, and 2 cents for each additional 2 ounces. These papers, when posted for delivery in Canada, must be prepaid at letter or parcel post rates; but deeds and insurance policies are permitted to be sent at the rate of 1 cent per 2 ounces.

#### SECOND CLASS MATTER.

**CANADIAN NEWSPAPERS, &c.**—Newspapers and periodicals, printed and published in Canada, when issued not less frequently than once a month, and posted from the office of publication, or news agency, to actual subscribers, or news agents in Canada and the United States, resident elsewhere than at the place of publication, are free; but all specimen copies, as well as all publications issued less frequently than once a month, are required to be prepaid at the rate of 1 cent per lb. or fraction of a lb. Papers for Great Britain must be prepaid 1 cent per 2 ounces for each paper.

Local newspapers and periodicals, not exceeding one ounce in weight, are eligible for City delivery by letter carriers on the prepayment by stamp of half cent each: when exceeding 1 ounce and less than 4 ounces, prepayment by stamp of 1 cent will be necessary.

#### THIRD-CLASS MATTER.

**TRANSIENT NEWSPAPERS, &c.**—On all transient newspapers and periodicals, addressed to places in Canada and United States, the postage rate is 1 cent per 4 ounces in weight, which must be prepaid by postage stamps.

Newspapers and periodicals published not less frequently than once a month and weighing less than 1 ounce, may be posted singly, if prepaid by postage stamp one-half cent each. Newspapers for the United Kingdom must be prepaid 1 cent for each 2 ounces.

Newspapers and periodicals, published in the United Kingdom, and brought by mail to Canadian booksellers or news agents, may be remailed by such booksellers or news agents free of postage.

**MISCELLANEOUS AND BOOK PACKETS.**—The rate of postage upon all newspapers and periodicals posted for destinations in Canada, not otherwise provided for, and on books, pamphlets, occasional publications, printed circulars, prices current, handbills, and other matter wholly in print, is 1 cent per 4 ounces or fraction thereof, to be prepaid by postage stamp or stamped postband or wrapper; but when posted for destinations in the United States, Great Britain, Newfoundland, and all European countries, the rate is 1 cent per 2 ounces.

All communications produced by the typewriter are liable to letter rate.

Upon all book and newspaper manuscript, printers' proof-sheets, whether corrected or not, circulars or documents produced in similar terms by means of the hectograph, cyclostyle, or electric pen, maps, prints, drawings, engravings, lithographs, photographs, when not on glass or in cases containing glass, sheet music, whether printed or written,—and on all other miscellaneous matter transmissible by post not otherwise provided for—the rate of postage, when posted in open covers and addressed to places in Canada, the United States, Newfoundland, Great Britain, and any European country, is 1 cent for each 2 ounces or fraction thereof, to be paid by postage stamp or stamped postband or wrapper. School and college examination papers, distinctly marked as such, assessment rolls, militia, statute labor, and municipal returns, and customs manifests in open covers, are permitted to pass in Canada at the rate of 1 cent per 2 ounces.

A book packet may contain a simple invoice of the contents. No package must exceed 2 feet in length by 1 foot in width or depth. Limit of weight for Canada, Newfoundland, Great Britain or United States is 5 lbs; for other postal union countries 4 lbs.

Seeds, cuttings, bulbs, roots and scions or grafts can only be sent to the United States as 5th class matter; when posted for delivery in Canada, the postage is 1 cent per 4 ounces, and the limit of weight 5 lbs.

**PATTERNS AND SAMPLES.**—Patterns and samples of merchandise not exceeding 24 ounces in weight, when posted in Canada for places within Canada, must be prepaid by postage stamp at the rate of 1 cent per 4 ounces weight, properly labelled, and put up in such manner as to admit of inspection. Goods sent in execution of an order, however small the quantity may be, or articles sent by one private individual to another, not being actually trade patterns or samples, are not admissible as such.

Patterns and samples for the United States, 1 cent per 2 ounces, the initial prepayment being 2 cents. Limit of weight 8 ounces, size 2 feet in length by 1 foot in width and depth.

Packets of patterns or samples addressed to any place in Canada, can be registered on affixing thereto registration stamps of the value of 5 cents, in addition to postage stamps representing ordinary postage rate, provided such packets be presented for registration.

The limit of weight to Great Britain, Newfoundland, and all countries in Europe, is 8 ounces—postage, 2 cents for the first 4 ounces, and 1 cent for every additional 2 ounces.

No article liable to customs duty can be sent as a sample or pattern to a postal union country.

#### FOURTH CLASS MATTER.

**PARCELS.**—Closed parcels may be sent to places in Canada, the United Kingdom and Newfoundland, and also to all those countries and colonies with which the United Kingdom maintains a parcel post. They should be plainly addressed and there must be no correspondence enclosed.

Parcels for Canada must be prepaid 6 cents per 4 ounces. They must not exceed 5 lbs in weight nor 2 feet in length by 1 foot in width or depth, and the sender's name should be written on the lower left hand corner. They may be registered for a fee of 5 cents.

Parcels for the United Kingdom must be prepaid 25 cents per lb or fraction of a lb, and for Newfoundland 15 cents, and must not exceed 5 lbs in weight nor 2 feet in length by 1 foot in width or depth. The table of rates of other countries, to which parcels may be sent, can be seen on application at the Registry Wicket, front lobby. A customs

declaration of the contents and value of each parcel must be filled up at the post office by the sender. Parcels for the United Kingdom and foreign destinations are forwarded by Canadian contract steamers only; and parcels for Newfoundland are sent to Halifax for dispatch by steamer.

#### FIFTH CLASS MATTER.

Comprises such articles of general merchandize as are not entitled to any lower rate of postage. Postage 1 cent per ounce or fraction of an ounce. Limit of weight, 5 lbs; size, 2 feet in length by 1 foot in width or depth. Matter claiming to be 5th class must be open to inspection and there must be no correspondence enclosed. Packages of 5th class matter may be sent to the United States for the same prepayment as is required within the Dominion, but the contents will be liable to custom inspection and collection of duty in the United States. Sealed tins containing fish, lobsters, vegetables, meats, &c., if put up in a solid manner and labelled in such a way as to fully indicate the nature of their contents may be sent as 5th class matter within the Dominion, but no sealed matter can be forwarded to the United States under this head. Liquids, oils and fatty substances may be sent to places in Canada and the United States as 5th class if put up in accordance with the ruling referring to such articles in the Canada Postal Guide for 1891, pages 14 and 15.

Electrotype blocks are considered 5th class mail matter.

**RE-DIRECTED LETTERS.**—Letters re-directed to places in Canada and the United States, without being taken out of the post office, are not liable to any additional postage.

Letters sent to or received from a country of the postal union, and afterwards re-directed to any place in Canada, or to a country in the postal union, will be forwarded even if taken out of the office and re-addressed; but if re-addressed to a place where there is a higher rate of postage, the difference of postage will be chargeable.

**MATTER WHICH CANNOT BE FORWARDED THROUGH THE POST.**—Any explosive substance, glass, liquid, or other matter likely to entail risk or injury to the ordinary contents of the mail, will be sent to the Dead Letter Office, Ottawa.

Spectacles and eye-glasses, if securely put in cases not likely to allow the contents to escape if broken in course of conveyance, may be sent by post within the Dominion on prepayment of parcel post rates.

Letters containing gold or silver money, jewels or precious articles, or anything liable to customs duties, cannot be forwarded by post to any of the postal union countries except the United States.

**IMPORTANT.**—A letter once posted becomes the property of the person to whom it is addressed, and must be forwarded to its direction. On no application, however urgent, can it be delivered back to the writer, or to any other person.

**SALE OF POSTAGE STAMPS.**—Any person, other than a postmaster, who engages in the sale of postage stamps or stamped envelopes, without being duly licensed by the Postmaster General, is liable, on conviction before a justice of the peace to a penalty of \$40 for each offence.

**REQUEST LETTERS.**—Unregistered letters from places in Canada and the United States enclosed in envelopes having printed thereon a request that the letters be returned to the sender if not delivered within a certain specified time, will be returned as requested, if not delivered at the time stated.

### The Time Ball on Custom House, St. John, N. B.,

Will be hoisted half its elevation each day (Sundays excepted) at fifteen minutes before 1 o'clock. At one minute before 1 o'clock it will be hoisted its full length; and at 1 o'clock, mean time, the Ball will be dropped. A Chronometer keeping correct Greenwich time should then show 5hrs. 24m. 15s., and the difference between this and the time shown by a Chronometer is the true error on Greenwich time at the moment. At the above hour of 1 o'clock, when the Ball drops, represents 5hrs. 24m. 15s., at Greenwich, the error of Chronometer may be ascertained, no matter where the vessel is lying. Masters of vessels arriving in Saint John should compare their Chronometers by the Time Ball, as it will enable them to get sea rate, which frequently varies from harbor rates. Latitude 45h. 16m. 42s. N. Longitude 4h. 24m. 25s. West of Greenwich.

GEORGE HUTCHINSON, Director.
