DEVOTED TO THE INTERESTS OF WOLFVILLE AND EASTERN KINGS

\$2.00, payable in advance

WOLFVILLE, NOVA SCOTIA, THURSDAY, MARCH 13, 1924

WOLFVILLE DEFEATS WINDSOR

In Exciting Game of Hockey at Local Rink—Score 3 to 1

Local hockey fans were treated to a pleasant surprise last Friday night, when the Wolfville hockey team, after going through the season without a victory, succeeded in defeating the fast Windsor team at the local rink by the score of 3 to 1. Both goalkeepers starred, playing up to the best of form and only letting one of many difficult shots pass him. McCann starred for the visitors, with Johnson and Harvey playing well for Wolfville.

Due to slow ice, the game was not very fast, but good rushes by both sides made it interesting. Wolfville got away well from the first and though no score was made in the session they had a good territorial advantage, keeping the puck well around the Windsor nets for the majority of the time.

In the second, Harvey got away on a long rush followed by a nice wing shot. Soon after Murray scored the goal, though no further score was made the locals kept on the offensive throughout the remainder of the period which ended 2-0. It was in the last period that the Windsor boys were at their best, and for some time they hammered West heavily with hard shots. No score was made, however, and Harvey relieved the situation by a score for Wolfville on a rush. Windsor netted their lone tally well along in the period.

Windsor—Kuhn, goal; McCann, Singer, defence; C. Hughes, M. Chambers, G. Hughes, forwards; Taylor, Clark, subs.

Wolfville—West, goal; Johnson, Harvey, defence; Murray, Rand, Dick, forwards; Barteaux, King, Woodman, Bishop, subs. Ted Stackhouse of Wolfville, refereed.

MARITIMES PRODUCE 39 PER CENT OF THE COAL OF DOMINION

Yet Area Has But One Per Cent. of the Coal in Canada

(By John McLeigh, Director Mines Branch, Ottawa)

Less than one per cent. of Canada's total coal resources are found in her eastern coal fields in the provinces of Nova Scotia and New Brunswick, all of the rest being west of Winnipeg. Nevertheless the colliers of Cape Breton were among the first worked on the American continent and during 1923 the eastern fields produced 39 per cent. of the total Canadian output. Mining operations are known to have been in progress since 1785 and indeed many of the difficulties now encountered in the field are due to the early attempts of mining when the main object was an immediate output of fuel at lowest possible cost, and little consideration was given to the future possibilities of undersea mining at long distances from shore shafts.

The coal which is bituminous in character and of varying quality, is mined in five areas, or fields, usually referred to as the Sydney and Inverness fields in Cape Breton, the Pictou and Cumberland fields in Nova Scotia proper, and the Minto field in New Brunswick. The Sydney field is the most extensive and is credited with about 78 per cent. of the total available coal in the two eastern provinces. The Cumberland and Pictou fields possess a little less than 10 and 9 per cent. respectively of the total; the Inverness field about 2 1/2 per cent; and the New Brunswick field about 1 1/2 per cent.

In 1913, the two provinces produced a total of 8,050,000 short tons and in 1923 only 5,850,000 tons. The relative amounts produced from the several fields last year were: Sydney field 70 per cent.; Cumberland 11.8 per cent.; Pictou 9.7 per cent.; Inverness 3.4 per cent. and Minto 4.9 per cent. The output is used largely for locomotive fuel and for bunkering ships. It is used by industrial power plants in Eastern Canada and for the manufacture of coke at Sydney. It is also used to a large extent as a domestic fuel throughout the Maritime Provinces. For domestic use the output of particular mines and selected seams is employed, but even at that many consumers in the cities of Halifax and St. John and at other points prefer to pay a much higher price for Pennsylvania, or Welsh anthracite. Much of the Nova Scotia coal is high in sulphur and for the manufacture of metallurgical coke a careful selection of the coal is necessary. The coal so used is further washed to reduce its ash and sulphur content. In 1914 over 2,600,000 tons of Nova Scotia coal were marketed in the province of Quebec. During the war this market was almost entirely lost but by 1922 had been regained to the extent of about 50 per cent.

Production during the first six months of 1923 showed a decided improvement over the corresponding period of 1922 with an increase in production of over a million tons and with largely increased shipments to the Montreal market contracted for.

CHANGE IN TIME D. A. R. TRAINS.

Effective Monday, March 10th, trains Nos. 96 and 97 will be operated between Kentville and Halifax on Mondays, Wednesdays and Saturdays only, on present times.

Effective Monday, March 17th, train No. 97 will leave Halifax at 3.15 p. m. Mondays, Wednesdays and Saturdays only, instead of 3.35 p. m. as at present.

Effective Monday, March 17th, Midland passenger train No. 2 from Windsor to Toronto will leave Windsor at 5.30 p. m. on Mondays, Wednesdays and Saturdays, and at 4.45 p. m. on Tuesdays, Thursdays and Fridays. Train No. 6 will leave Windsor at 9.35 a. m. on Saturdays only.

CALIPH OF ISLAM IS DEPOSED BY TURKEY

Princes Medjid, the Caliph, or head of the Mohammedan church in all the world, has been deposed by the Republic of Turkey, and as a result Mohammedans representing forty-one countries have called for a social and commercial boycott of Turkey. Mohammedan Arabs have already selected King Hussein of the Hedjaz, as a new Caliph, and his selection has the approval of Britain. This may mean that the Caliphate will be removed to India. King Fuad of Egypt also lays claim to the post, and the result may be a split in the Mohammedan church. There are 66,000,000 Mohammedans in India alone. The affair is one of the most important developments of recent times, and will certainly mean a readjustment of some kind among the enormous hordes of people of this religion in Asia and Africa, and for good or evil British interests will be involved in it.

ACADIA BASKETBALLERS WIN AND LOSE

Boys Team Loses to Dalhousie but Girls Secure a Win

HALIFAX, March 8th.—A strong comeback in the second period after being on the short end of the score throughout the first session, the Dalhousie basketballers defeated the Acadia squad last evening at the Dalhousie gymnasium, at Studley, by a score of 29 to 20. The teams were well matched and the result was in doubt until the final whistle. The visitors started off strong and led at the conclusion of the first period by an 11 to 9 count. The locals netted the ball for ten baskets for twenty points in the final session, while the visitors were only able to score nine points. Mader, MacDermid, Miller and Frame worked some wonderful combination in the second period and completely outclassed the Acadia forwards. Mader led the scorers with eighteen points to his credit. Brown and Robinson, of Acadia, came close behind with eight each, and MacDermid scored in three baskets for six points. A. T. Bradshaw. The players: Acadia—Robinson, 8; Brown, 8; Clarke, 4; Chipman, Noble, Rhodenizer and Leighton. Dalhousie—Macdonald, 2; Mader, 18; Smith, 3; MacDermid, 6; Frame, Wilson, Miller and Harrison.

Dalhousie Co-Eds were unable to follow the example set by the Tigers and lost to the Acadia Girls' squad by an 18 to 11 score. The locals had as much of the territory as the visitors, but were poor around the basket. Acadia led at the start of the second period by an 8 to 2 score and increased their margin in the second session. Miss May Ward refereed. The teams: Acadia—A. Doherty, C. Chipman, H. Lawson, P. Colthart, B. Smith and V. McLean. Dalhousie—E. MacNeil, M. Campbell, C. Hawkins, M. Kennedy, B. Roberts, E. Barnstead, M. Borden.

A WORD OF APPRECIATION

John C. Mosher, who finished his eighty-one years of earthly pilgrimage on Saturday last, at Parrishboro, leaves not only a wife, two sons, one daughter, several grandchildren and great grandchildren, who have been blessed by intimate association; but a community of many personal friends and a host of acquaintances who have benefited by his sojourn here, for it is by such men democracy is made safe for the world. Among his many worthy characteristics, his invariable good nature originality and sense of humor were very prominent.

When as a mail contractor forty years ago he drove the stage from Fraserville to Eatonville, one of the most magnificent drives in Nova Scotia, his patrons were delighted by his wealth of anecdote and power of description, while the citizens along the whole route received wholesome education from intercourse.

In his early life he was an exponent of the system of phrenology, giving lectures and demonstrations, which proved him an apt and capable student of that interesting science. Added to this attainment was a genius for physiognomy which no doubt was a contributing factor of his success in handling numbers of men, for however turbulent the spirits composing his gang of caulkers he controlled them with ease.

As master caulker, a business followed by him steadily for the last forty years, he was efficient and dependable, his work, including the caulking of the largest ships of Cumberland, proving his character. To know this man was an inspiration, to remember him a pleasure.

N. W. EATON
Wolfville, March 11, 1924.

SPLENDID ENTERTAINMENT

Given by St. John's Young People's Society Tuesday Night

One of the best entertainments ever presented in Wolfville was that given at the Orpheum Theatre on Tuesday evening by the Young People's Society of St. John's Church, and those who had it in charge are to be congratulated on its success. A great deal of work must have been entailed in its preparation but the result amply justified the time spent. There was a good sized audience and all present thoroughly enjoyed the show, as was evident by the loud applause.

The program opened with two selections, "Hark to the Mandolin" (Parker), and "A Lullaby" splendidly rendered by a chorus of girls, directed by Mr. David Manely, with Miss Gladys Newcombe at the piano.

Then followed a three act play entitled "A Regular Fellow" admirably presented by the boys, under the direction of Mr. E. Percy Brown. The scene was laid at a Boy Scout camp and was very realistic. The part of the campmaster was splendidly portrayed by Doane Hatfield, and all the boys took their parts exceedingly well. The cast of characters was as follows: John Haynes, campmaster; Doane Hatfield, H. Worthington Scudder, millionaire; Arthur Brady, Robert Harbin, Harold W. Scudder, Robert Harbin, Brian Coles, cook; Horace Brown, Brian Coles, musician; Gordon Mahoney, Jim Blossom, practical joker; Phil Maybrick, entomologist; Alfred Cox, Hans and Fritz, run runners; Earl Morine and Tom Dakin.

Between the first and second acts a humorous duet by the Sanford brothers fairly brought down the house. During the intermission between the two parts of the program a selection was given by the orchestra, directed by Mr. Manely, which was much enjoyed.

The second part of the program was a Hawaiian operetta, "The Ghost of Hilo", presented by the girls under the direction of Mr. Manely, who is to be heartily congratulated on the splendid manner in which the operetta was given. From the opening overture by the orchestra to the closing chorus there was not a hitch and at the close the audience were loud in their praise of its excellence. The stage setting was splendid and the gaily colored costumes of the chorus made a very pretty scene. The main characters were: Miss Nita Threthewey, Miss Frances Sanford, Miss Maile, sorceress; Miss Mary Hardy, Kealoa, Little Sister; Miss Mary Threthewey made an admirable princess and her solo parts were very sweetly sung. Miss Harry made nothing to be desired. The music was most captivating throughout and the choruses and dances were exceedingly well done. Not a little of the success of the performance was due to the orchestra, whose playing was itself worth the price of admission. Between the two acts of the operetta Miss Mary Brady sang a Hawaiian waltz song, "On Hilo Bay" (Levy), and Miss Gertrude Phinney gave a violin selection, "Ave Maria" (Schubert), both of which were much enjoyed.

LADES BIBLE CLASS ENTERTAINMENT MEN'S CLASS
A pleasant evening was spent in the Dining-room of the Baptist Church last Thursday, when the Ladies Bible Class entertained the Men's Bible Class with their wives.

About eighty sat down to an excellent supper which was all that could be desired to please the "inner man". Especial mention should be made of the charming little girl waitresses.

After supper Mrs. Bleesdell, the President of the class, after a few well chosen words, called on Mrs. Hardy the beloved teacher of the entertaining class who gave an address of welcome. The President then called upon the following men for short speeches:—Mr. A. M. Young, President of Men's Bible Class; Dr. MacDonald representing the church; Mr. L. E. Shaw, the Sunday School; Dr. Corey the Missionaries; Dr. Wieslock, the College; Mr. E. L. Curry the student; and Dr. Manning representing the clergymen of the town.

The singing of some stirring hymns concluded a delightful evening of good cheer and Christian fellowship.

Windsor is experiencing some activity in the enforcement of the Nova Scotia Temperance Act which might be initiated with profit by most other towns. Backed by the civic authorities the Inspector is undertaking an aggressive policy. A number of places have been raided and the owners summoned to appear in court.

FACULTY RECITAL

Most Enjoyable Recital Given by Members of Acadia Conservatory Faculty

The auditorium of the Baptist Church was well filled on Friday evening last when a most enjoyable recital was given by members of the faculty of Acadia Conservatory of Music.

Miss Ruth White delighted the audience with her skillful handling of the violin and was most happy in her rendering of La Chasse in her fine technique and good understanding. Miss Gifford has a pleasing well-trained voice, singing with sympathy and fine distinction. Miss Miriam Bancroft is very popular with Wolfville audiences for the beauty and joy to be found in her music. She is a true musician inspiring and uplifting her hearers by her delicate touch and appreciative rendering of Chopin and Liszt. Miss Pearl Griffith, as a reader, gave interesting selections from Barrie and Van Dyke, and was well received. Mr. Carl Farnsworth acted as accompanist in his usual capable manner. The program was as follows:

- Sonata in A Major for Violin and Piano Handel
- MISS RUTH WHITE
- MR. CARL FARNSWORTH
- Ah! Je Veux Vivre, from Romeo et Juliette... Gounod
- MISS NATHALIE GIFFORD
- Berceuse, op. 57... Chopin
- Danse Polonoise... Liszt
- MISS MIRIAM BANCROFT
- The Old Lady Shows Her Medals, Barrie
- Mrs. Twynley Mrs. Mickleham
- Mrs. Haggarty Mrs. Dowe
- Private Kenneth Dowe, a Clergyman Scene—Mrs. Dowe's home.
- MISS PEARL GRIFFITH
- J'ai Perdus Celle, Arranged by N. G. Bach
- My Morning... Manney
- Requiem... Homer
- MISS NATHALIE GIFFORD
- Waltz in A Major... Brahms-Hochstein
- Londonderry Air... Transcribed by Kreisler
- La Chasse... Cartier-Kreisler
- MISS RUTH WHITE
- The Black Bird... Henry Van Dyke
- A Mile With Me... Henry Van Dyke
- MISS PEARL GRIFFITH
- Hungarian Rhapsody, No. 6... Liszt
- MISS MIRIAM BANCROFT

TELLS HOW KITCHENER MET DEATH

TORONTO, March 10.—The British cruiser Hampshire, bearing Lord Kitchener on a mission to Russia, was sunk in the summer of 1916 by the German submarine U-22, according to a story told by a patient in a Philadelphia hospital to newspapers. The Mail and Empire, this morning, publishes the following despatch in this connection from its correspondent in Philadelphia:

With papers to prove his identity, Heinz Hickmann, born in Hamburg, Germany, a patient in St. Agnes Hospital here, told a story last night which the following authentic information published as to the manner in which the British cruiser Hampshire, on which Lord Kitchener died, was blown up.

Hickmann, a machinist on the U-22, of the German submarine flotilla, said his captain received a wireless from the German naval office in the summer of 1916, that the British Field Marshal was on the cruiser Hampshire, and ordering the ship sunk at any cost.

Hickmann says the U-22 and the Hampshire met about six o'clock in the morning. He refrained from giving the names of his captain and officers, on the ground that England, with the aid of France, would imprison them. Otherwise he was specific as to details.

The U-22's captain picked up the Hampshire with the periscope when she was fifteen miles away and prepared for the execution of the order from the German staff. Hickmann says they could see the cruiser, had an escort of torpedo boats. He does not know how many, but he was sure of two, because they saw them when they came to the surface after firing the fatal torpedo into the heart of the cruiser.

Asked whether he could be more explicit in detail, Hickmann said he could not, as the U-boat was probably fifty feet under the surface when the torpedo was fired. Then, according to rules on the undersea boats, he said, they went deeper and came up miles away from the victim.

Then it was that they saw torpedo boat escort, he said. After seeing the cruiser sink, they submerged again. Then the captain reported by wireless that he had carried out orders and the Hampshire was at the bottom of the North Sea. Subsequently, he said, orders came to congratulate the officers and crew on the "good work".

A splendid assortment of birthday cards, including some very pretty booklets, at THE ACADIAN store

DR. HAROLD K. BOX

A young Toronto dentist, who has made a special study of the disease known as pyorrhea, and has discovered the nature of the disease, and a method by which it can be successfully treated. So widespread is the disease that the discovery ranks close to that of insulin, in the relief of millions of sufferers the world over. Like Dr. Banting, Dr. Box has offered his discovery freely to the dental world, making a gift of it to humanity. Official endorsement has been given his work by the government of Ontario.

WOLFVILLE GIRLS LOSE AT BASKETBALL

An exciting basket ball match took place at Kentville Arena last Saturday evening, when the S. S. S. Girls team, Wolfville, played the K. C. A. Girls team, Kentville. The home team was victorious, piling up the big score of 38-4.

Muriel Williams captain of the Kentville team got 30 points, and Winnie McGill got 8 points. The game was fast throughout. The first score was made by Winnie McGill after two minutes of play, followed by a basket by M. Williams. Four minutes later Frances Brown scored for Wolfville, their only basket during that period.

The second period was marked by brilliant play, Wolfville improving in their team work. Margaret Brady scored for her team. Kentville played a fine combination game. The line-up: Wolfville—Viola Caldwell and Cora Caldwell, centres; forwards, Margaret Brady, Frances Brown (Capt.); Thelma Keddy, Mary Caldwell, defence; sub, Gladys Manely.

Kentville—Frances Harris, Nora Dennison, centres; Winnie McGill, Muriel Williams (Capt.), forwards; Lenora Steadman, Truth Fair, defence; sub, Muriel Hubley.

WOLFVILLE LADY MILLINERY EXPERT

(From the St. John's Evening Times-Star)

A compliment, so strongly in favor of St. John's leading millinery, was made yesterday, that it's real weight is not apparent until the source is given. It came from Mrs. Davidson, one of a number of professional milliners who came from all over the Maritimes to take notes at the Spear openings. For five years Mrs. Davidson was head designer for J. M. Orkin & Co., the large millinery manufacturers of Montreal, and before that she grew up in the art with Madame Crobie, formerly of L. P. Hollander, Boston, and now running her own exclusive salon. Mrs. Davidson has married in Wolfville, but is still designing hats, being also buyer for Miss Saxton.

"I know the New York hat world better than any place," remarked Mrs. Davidson, "and I can say that the Spear hats do credit to any city. Where in New York would you see such a large showing, not of so-called Paris models, that may often mean copies made on this side, but the real originals? Certainly not on Fifth Avenue can you find so many. I speak, too, from intimate acquaintance with Henri Bendel, Herman Tappe, Francois, Joseph, Ulfand—in fact up and down the Avenue you can go and not one will equal the Spear variety."

"Splendid, that's all I can say, Darling. I only wish I had a place like this and a type of people to demand such millinery."

GRAND PRE WOMEN'S INSTITUTE

Hold Interesting Meeting—Tourist Committee Appointed

The March meeting of the Grand Pre Women's Institute, was held at the home of Mrs. Fred Crane with the vice-president, Mrs. R. W. Woodman, in the chair. The tourist question was discussed and a committee, consisting of Miss Mary Eaton, Miss Stuart, Mrs. Crane and Mrs. L. E. Trenholm, was appointed to find out what accommodation could be secured for tourists, also suitable camping sites, if any. Contributions to the bazaar are still coming in. A motion was carried that a card be sent to each person who has ever lived in Grand Pre bearing a request in rhyme for a donation to the bazaar, the proceeds of which are for a Community Hall. Miss Clara Vaughan was appointed convener of the committee to take charge, with the privilege of choosing her own assistants.

On Tuesday, March 11, the members of the Institute are to meet at the home of Mrs. W. A. Woodman, to sew for destitute cases, the articles made to be left in charge of the doctor, for the use of his patients.

The Institute members expressed their desire that a note be sent Miss Stuart and Miss Magee, expressing sincere sympathy for them in their bereavement, a loss which will also be felt by the whole community.

The School committee submitted a very favorable report and the sick have been remembered with Sunshine Boxes. The following program was enjoyed: Piano Duet—Misses Rose and Taylor; Violin Solo—Miss Edith Crane; Piano Solo—Miss Dorothy Trenholm; Vocal Solo—Miss Doris Eaton; Dialogue—Mrs. Bowser, Mrs. Crane, Miss Laura Trenholm.

Mrs. Whitman invited the Institute to meet at the Parsonage in April. A short play "The Minister's Wife", and other interesting items are being prepared for an evening's entertainment, to be held in the vestry of the Methodist church, on Friday, March 28.

On Saturday, February 16, the ladies of the Institute played the game of hockey in the rink. The line-up: Married Ladies—Mrs. Scott Trenholm, Mrs. John Eagles, Mrs. Leslie Trenholm; forwards, Mrs. Townsend, Mrs. Louis Dennison, defence, Mrs. Robert Palmer, goal.

Single Ladies—Miss Journae Miller, Edith Trenholm, Miss Phyllis Fuller, forwards; Miss Dorothy Watson, Miss Ida Mitchell, defence; Miss Stuart, goal; Misses Doris Eaton, Laura Trenholm and Waterman, subs.

The married women scored 3-1. The proceeds were \$16.50. We were prepared to bring the matter before the Institute this month, but it is expected that some of the funds will go toward electric lights in the rink, which have been installed since the game.

MEDICAL REMINISCENCES OF FIFTY YEARS AGO
A very interesting letter appears in the Bulletin of the Medical Society of Nova Scotia, recently published, from the pen of Dr. Geo. E. DeWitt, of Wolfville, written in Daytona, Florida.

He gives in an interesting, humorous way his reminiscences of fifty years in medical practice, beginning with the days when the sink drain seeped into the old oaken bucket; when windows were uncurtained and when housewives enjoyed the open milk pans in the pantry. He tells of the vicissitudes and struggles of the early N. S. doctors, referring to Dr. Louis De Blois, of Bridgetown; Dr. Samuel Primrose, of Lawrencetown; Sir Frederick Borden, Dr. Henri Shaw, Dr. Bowles and Dr. Chipman, of King's Co.; and Dr. A. P. Reid, Dr. J. D. McNair, Dr. D. A. Campbell and Dr. N. E. McKay, of Halifax.

Dr. DeWitt gave the following incident from the practice of Dr. DeBlois in 1865: The doctor was called to the South Mountain to see a patient suffering from a cold. After a few needful medicines, he instructed the wife to give the patient a sponge bath morning and night. When the doctor returned the wife met him at the door saying: "O Doctor he is stark stiff and I cannot get the sponge off him." The woman had made a bread sponge and rubbed it all over him. The patient lived nevertheless.

The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for the opinions expressed by correspondents.

Editorial

Our pulpits are our work clothes. Each of us live some kind of a sermon every day.

BE PREPARED

The announcement recently made by the Halifax Herald that the provincial election will take place within the next six months may or may not be true. As a general rule such information is not in the hands of an opposition journal and yet it is surprising sometimes how accurately these predictions are made. In any event the date cannot be very far off and it is none too early for the people of the province generally to be giving the matter some thought.

That the affairs of any province should have been dominated exclusively by one political party for so long a period as has been the case in Nova Scotia is not good policy. A certain wise politician in Nova Scotia some years ago declared what the inevitable result of such a course would be. Naturally we cannot expect that public affairs will be dealt with in the best possible manner when politicians became obsessed with the idea that they have become "monarchs of all they survey". In the old country the people keep the reins in their hands to a fuller extent than they do here and never intimate to their rulers that they are being watched when opportunity offers. This is the way to ensure good government.

Possibly the chief reason for the continuance in office of one administration for so long a time is the fact that no other party has so far come forward with a definite program of improvement. We cannot believe that the people of Nova Scotia are satisfied with the present wasteful and inefficient methods of carrying on public affairs, but are obliged to submit because as yet no leader has appeared who displayed sufficient initiative to propose a program that would appeal to their intelligence. Any party possessed of the necessary courage to do this would in our opinion be very likely to win the approval of the people of Nova Scotia at the next election, come when it may. In the meantime it may be just as well for the public to realize that they have it very largely in their own hands to determine whether they will be governed in accordance with sane and business-like principles or in the hap-hazard and expensive manner that has been followed. The average politician is wise in his generation and very prone to keep his ear always close to the ground.

ON WITH THE MOTOR POWER

Every mile of good roads laid by the province, municipality, city and village has a bearing on the nation's business so far reaching that it would puzzle the mind to follow it to its logical conclusion. Of course, the natural tendency is to look at the benefits that come nearest and soonest to hand, benefits which are indisputable, providing unwise financing of such improvements does not more than offset the good that is bound to be gained.

Reports from all over the country show that interurban freighting is on the increase due to good road building, particularly where the terminal facilities of railroads are congested. This means more motor trucks, more men at work, more money earned, and a consequent greater spending power. Haulage of farm products to shipping stations spells more business for the farmer, and better still makes his marketing more elastic.

The effect is also seen in the great increase of bus transportation in districts where the street car has not shown its nose as yet, bringing business into the small towns. Trade is rapidly increasing, particularly where the merchant has vision to send his message to the outlying districts through the local press.

Canada today is on the eve of a development in motor trucks, omnibuses, and large and small farm tractors that in point of volume will surpass the development of the railroads.

Some railroad men view the situation with a certain feeling of alarm, but there is nothing to fear. It is the same fanciful spectre that haunted the mind of the printer when the typesetting machine came into being. Where one man was at work under the old system there are fifty at work today.

OUR APPLE INDUSTRY

The discussion which has been going on in the press of this province with regard to the packing and marketing of our apples should be productive of profit to the grower and incidentally to the public as well. THE ACADIAN appreciates the honor of having been selected as a medium for not a little of this discussion, and is very glad to note the increasing interest in the matter that is evident.

This week we publish a letter from the pen of Dr. Schwartz, of Halifax, which teems with suggestions which the apple growers of this valley will do well to carefully consider. If conditions are as represented—and the evidence appears to be conclusive—the time has apparently arrived for very definite action. To those of us who enjoy the privilege of witnessing the growth and development of Nova Scotia apples, and of enjoying their rich flavor and beauty at their best, the statement which during these days is too often heard that in order to get good apples one must buy those produced in British Columbia or Oregon, seems most ridiculous. Such a state of things as is depicted by our correspondent in the foreign market, substantiated as it is by the evidence of our own people who are familiar with conditions in even our provincial centres, shows a criminal carelessness in the handling of our apples which should not be allowed to longer continue.

AND IT'S TRUE

Here is a little straight-from-the-shoulder talk by the Cumberland (B. C.) Islander: There seems to be a feeling among some business men that a newspaper has no business to make money. Why not? It is the most exacting business in the world, the most trying in every way. It means long hours and the greatest care in its conduct. The newspaper has the entire public to deal with. It is criticized on all occasions. It has to deal with all the cranks in the community, and to do this successfully requires judgment and patience. It has power, and that power, to the credit of journalism, is nearly always wielded for the public good. No question of vital concern to the home people fails to find a strong support from the home newspaper, and this, too, without remuneration. The publisher spends his money to further these projects and the community never gives a thought to the matter of cost to him. It is not paid for out of the public pocket. Every town needs a good newspaper, and the way to have it is to assist in making the business profitable. The newspaper wants every concern to prosper. Why should not this good-will be returned? To make a profit, to earn interest on the investment, the newspaper must have a living rate for its paper and its advertising space.

CO-OPERATE WITH YOUR TEACHERS

Next to parents no one is so interested in the children's welfare, so devoted to their general growth and development as well as their school education as the teacher. Her work will be far more effective if the children know that the parents and trustees believe in her, trust her judgment, and back her up in her ideals and her decisions. She will be happier as well as more effective in doing it if the appreciation that is in the hearts of the people of the community finds expression occasionally in words, in occasional hospitalities extended, and in other small acts of consideration. Co-operate with your teacher.

PANAMA CANAL TRAFFIC GROWS

In 1923 the Panama Canal was used by 5,046 ships, compared with 2,997 in 1922. They paid tolls of \$22,961,000 while in 1922 the tolls amounted to only \$12,573,407. Canal traffic furnishes an index of the state of commerce through the world. Its rapid growth is indicative of the steady trend towards normalcy everywhere.

We'd have tax reduction within fifteen minutes if there were some way whereby both parties could get credit for it.

TOWN MANAGER GIVES ADDRESS AT HALIFAX

HALIFAX, March 7.—That modern towns and cities are business corporations and their management involves the handling of millions of dollars yearly, was the point stressed by G. S. Stairs, town manager of Wolfville, in his interesting and instructive address on "Town Management", given before the members of the Engineers Institute of Nova Scotia at the Green Lantern last evening. The chair was occupied by C. H. Wright and among the other speakers of the evening were Mayor Mosher, of Dartmouth; Robert Stanford, chairman of the Dartmouth Board of Trade; J. W. Douglass, manager of the Royal Bank of Canada, Dartmouth; George A. Ormon, secretary of the Dartmouth Board of Trade; Ex-Mayor Robb, of Amherst; W. A. Winfield, of the Maritime Telephone and Telegraph Company; City Engineer Doane, Prof. Faulkner and Lorne Allen.

The manager plan of municipal government is the closest approach to the establishing of an administration on a modern business basis that has yet evolved, Mr. Stairs said. Twelve years ago, the speaker stated, there were only two cities operating under the manager system in the United States, while at the end of 1923, 320 towns in the United States and Canada had adopted the system and, it is interesting to note, that it was first adopted in the old states of South Carolina and Virginia and in the old Maritime Provinces and Quebec.

Mr. Stairs cited the fact that the population of the towns and cities which have adopted this system range from 500 up to 800,000. The ages of the managers vary from 25 to 70 years, he said, and the salaries from \$600 to \$20,000.

The city manager system has given fine results in villages, towns and cities up to and over 200,000 population, Mr. Stairs said. The latest large city adopting the plan is Cleveland, Ohio, with a population of about 800,000. The speaker then gave a number of specific instances of the splendid results of the plan.

In Dayton, Ohio, not long after the manager was appointed, a deficit of \$125,000 was wiped out, he said. Since that time some of the results attained under the new administration have been—the placing of the water works system on a paying basis; the introduction of an eight-hour day for employees; construction of a municipal bathing beach; operation of a city paving plant and the reduction of the death rate by district physicians and visiting nurses. All these and other improvements have been brought into effect as well as the establishment of a sound business administration, Mr. Stairs stated.

Coming to Canada, we have in the province of New Brunswick, the notable success of the system in the town of Woodstock which adopted this plan in 1919 with R. Fraser Armstrong the first manager. "In the province of Quebec with five city managers the following editorial comment by L'Echo du St. Maurice of Shawinigan Falls is significant," the speaker stated.

"The example given by Grand Mere and Westmount will soon be followed by a good many towns. Already our city and La Tuque have adopted this system of having their affairs administered by a manager. Quebec is studying the project and the population of

Three Rivers has manifested itself in favor of reform."

In concluding, Mr. Stairs referred to the system and its good results as worked out in the town of Wolfville.

DEMANDING CUT

Progressive Members Would Reduce Pay of Members and Ministers

OTTAWA, March 7.—Harry Leader, Progressive member for Portage La Prairie, wants Parliament to give a lead in economy. Pointing out the rigid necessity for economy in all walks of public and private life, Mr. Leader intends to move that the government should take steps to reduce the indemnities and salaries paid to ministers of the Crown, the leader of the Opposition, members of the Senate and members of the House of Commons by 12 1/2 per cent. of the present indemnities and salaries.

FIRST MEDICINE TO HELP IN YEARS

Mrs. Palmer Suffered Intensely from Stomach Trouble and Indigestion—finds immediate relief in Drecto—enthusiastically recommends it. Daughter now Taking Drecto

Mrs. Wm. Palmer of Kensington, N. B. suffered for years from stomach trouble, indigestion and constipation, those distressing ailments that are invariably accompanied by nervousness, poor appetite, loss of sleep and general lassitude. Her daughter also suffered from stomach trouble and thought she would have to have an operation for appendicitis. Read how Drecto brought health and happiness to these two women.

Says Mrs. Palmer—"I suffered from stomach trouble and a general run down condition of the system for many years. This, with indigestion and constipation, were making life a burden. Nothing seemed to help me until I tried Drecto. One bottle of this grand medicine has done me so much good that I have bought three more bottles and will continue to take it until I am completely relieved. I have no more pains in the stomach, sleep much better and have no more dizzy spells. My daughter is also taking Drecto and I am glad to let everyone know that Drecto prevented an operation for appendicitis, as she had immediate results from only one bottle. All the pains have disappeared and she is feeling better than ever. She had two attacks before taking Drecto. As a last resort we tried Drecto and it did the trick. Drecto is great and the only medicine that has helped us in many years."

Many women suffer as did Mrs. Palmer and daughter, from acute internal disorders that cause untold injury. Such ailments readily yield to Drecto, the natural herb and root remedy that tones and regulates the whole system and promotes robust health. Drecto contains no mercury, potash or habit-forming drugs.

Drecto is being specially introduced in Wolfville by A. V. Rand, and sold by a good druggist everywhere.

INCREASE IS AIMED AT CANADA

United States Adds Twelve Cents to Duty on Wheat and 28 to Flour Duty

WASHINGTON, March 7.—An increase of twelve cents a bushel in the tariff rate on wheat was ordered today by President Coolidge.

Acting under the flexible provisions of the Tariff Act and on the basis of the tariff commission's recent inquiry, the President at the same time ordered an increase of 26 cents a hundred pounds in the duty on wheat flour and a decrease of 50 per cent in the ad valorem rate on mill feeds. The new rate on wheat will be 42 cents per bushel as compared with the present rate of 30 cents; the new rate on flour will be \$1.04 per hundred pounds as compared with 78 cents, and the rate on mill feeds will be 7 1/2 per cent ad valorem as against 15 per cent.

The new rates, as ordered by the President and set forth in a formal proclamation, will become effective in

thirty days.

The increase will become effective in time to be applied to the flood of Canadian wheat which descends on the United States about the middle of April each year with the opening of navigation of the Great Lakes.

The new rates represent the first change in the duties of the Fordney-McCumber tariff Act since it was passed by Congress in September, 1922, and the proclamation issued today was the first exercise of the power conferred on the President to increase or decrease rates within a maximum of 50 per cent after investigation by the tariff commission.

Several other inquiries, designed to ascertain whether existing rates are fair, are under way including an investigation of the duty on sugar.

HOW TO DIAGNOSE THE ILLS OF YOUR RADIO SET

There are many reasons for a set not working, yet each trouble can be traced to its source if a little patience is taken.

When Set is "Dead" The most baffling thing that a set can do to make it hard for the operator to be silent, because then the fixer has no means of testing the circuit.

Weak Signals If signals in the detector circuit are weak it is possible that some one of the following things might be wrong.

Knocking and Scratches Knocking, scraping, scratching or popping sounds in the detector circuit are caused by many things, but for simplicity should be divided into two classes.

Deaths of Kentville Business Man Mr. W. J. Ross, one of the oldest and most highly esteemed residents of the town and county, passed away at his home, March 4th, after some months of illness.

Deaths of Kentville Business Man (continued) Mr. Ross was a life long member of the Conservative party, was born in New Ross, Lunenburg county, in 1833.

Deaths of Kentville Business Man (continued) He was widely known and highly respected and his death will be generally regretted.

Deaths of Kentville Business Man (continued) The funeral service was held on Thursday at 2 o'clock. The Masons marched with the remains from the house to St. James' Episcopal Church.

Deaths of Kentville Business Man (continued) The large body of Masons in regalia then led the procession to the Oaks cemetery where the body was interred with full Masonic honors.

Deaths of Kentville Business Man (continued) The pall-bearers were fellow Masons, Messrs. Mayor Chesley, G. C. McDougall, Dr. A. M. Shaw, M. F. Carroll, C. S. Silver, W. A. DeAubin.—Advertiser.

Deaths of Kentville Business Man (continued) Minard's Liniment for Corns.

Deaths of Kentville Business Man (continued) A seemingly low price for an article is always attractive, but unfortunately frequently misleading.

Deaths of Kentville Business Man (continued) As a matter of fact that "little more" was necessary to obtain the better quality.

Deaths of Kentville Business Man (continued) There are cheaper teas than "KING COLE"—but would you be satisfied with their quality?

plate leads parallel and close together, grid condenser touching bottom of cabinet and picking up vibrations from power lines, secondary circuit disconnected at some point, set being used with the charging cable from the battery charger still connected to the battery.

Wavering Signals Unsteady or wavering signals are due to loose coils, too low capacity in aerial, rain causing aerial leakage, defective rheostat or poor aerial and ground connections, causing tube to oscillate intermittently.

Scratching Caused by Dust Scratching noises are generally caused by having dust in between the plates of the condensers in the set.

Knocking, scraping, scratching and popping sounds in the amplifier circuit when detector tube is off may be caused by any one of the following things:

Howls, hisses, squeals and grunts in the amplifier may be due to one of these causes: The primary of one of the transformers may be reversed.

Deaths of Kentville Business Man (continued) Mr. W. J. Ross, one of the oldest and most highly esteemed residents of the town and county, passed away at his home, March 4th, after some months of illness.

Deaths of Kentville Business Man (continued) He was widely known and highly respected and his death will be generally regretted.

We 23,000 Men Present you the utmost in fine cars

There are 23,000 of us building Studebaker cars. Thousands of us are stockholders. All of us, after a certain time, get dividends on wages.

All of us, after two years, get vacations with pay. The company spends vast sums on co-operative work with us. When we retire we get pensions.

So Studebaker cars represent the best that we, in combination, know how to offer you.

Our fine backing Behind us is an honored name. For 72 years Studebaker has been the leader in quality and class.

See how Studebaker gained top place 145,167 people last year paid \$201,000,000 for Studebaker cars.

The sales have almost trebled in the past three years. Go see the reasons. See the scores of extra values Studebaker offers.

We have a \$10,000,000 body plant, to maintain the Studebaker standard of coach work. There sons, fathers and grandfathers are working together, to build such bodies as Studebaker always built.

The open bodies are upholstered in real leather. The closed bodies in Chase Mohair. That is made from the silky fleece of Angora goats.

We pay for those extras—and others—out of savings. Building our own bodies saves you on some types up to \$300 per car.

The results are these: Beauty, quality and luxury such as no maker can surpass.

Prices far below the usual. Our Light-Six, built by ordinary methods, would sell for from \$300 to \$400 more. Our Big-Six can be compared only with the highest priced cars in the world.

Here are 13 models, from \$1445 to \$3665. Each of them offers scores of advantages over any comparable car. Go analyze the reasons before you buy a quality car.

Light-Six 5-Pass. 112-in. W. B. 40 H. P. Touring \$1465 Roadster (3-Pass.) 1445 Coupe-Roadster (2-Pass.) 1735 Coupe (5-Pass.) 1985 Sedan 2135

Special-Six 5-Pass. 119-in. W. B. 50 H. P. Touring \$2000 Roadster (2-Pass.) 1970 Coupe (5-Pass.) 2665 Sedan 2860

Big-Six 7-Pass. 126-in. W. B. 60 H. P. Touring \$2425 Speedster (5-Pass.) 2550 Coupe (5-Pass.) 3395 Sedan 3665

(All prices f.o.b. Walkerville, Ont., exclusive of taxes. Terms to meet your convenience)

The Why of the Railroad "Y"

Mount Stephen House in the Canadian Rockies, near Inverness, B.C., built by the C.P.R. in 1911. The Grandest of the Grandest.

PROVISIONS made for the welfare of employees who are temporarily away from their home terminals are important factors in the successful operation of railroads, particularly in Canada where there is poor accommodation, if any, for the transient or periodical visitor, and practically no facility for amusement. Few men are satisfied to stop over at frequent intervals in places where they cannot obtain the ordinary comforts of life, and for this reason, to keep their men on the job, as well as for the reason that it desires its employees to enjoy the advantages of good food, rest and recreation whenever possible, the Canadian Pacific Railway has very earnestly supported various Railroad Y.M.C.A.'s along its lines.

It is interesting to note, however, that the first Y.M.C.A. on Canadian Pacific lines was started by the employees and citizens at Revelstoke in 1895. This organization did much towards "cleaning up" the town, and its good work so impressed the officers of the company with its possibilities that at the end of one year the building was practically taken over by them.

Personal and Social

Mrs. Elias Curry, who has been quite seriously ill, is now well on the road to recovery.

Mr. and Mrs. Allan Parker, of Toronto, are visiting at the home of the latter's mother, Mrs. John Pratt.

Miss Marjorie Fitch, of Wolfville, was among those who were successful in graduating last week from the Royal Victoria Hospital training school for nurses at Montreal.

Lieut. Colonel Eric McDonald and Mrs. McDonald, who have spent the past three months in Bermuda and the West Indies, arrived home last week and are staying in Halifax.

Mr. N. B. Kilcup, a former resident of Wolfville, was in town on Tuesday and paid THE ACADIAN a call. Mr. and Mrs. Kilcup are now living at Hantsport where they are pleasantly located.

A very pleasant social function was the "At Home" on Thursday afternoon of last week, of Mrs. C. H. Porter, who was assisted in receiving by her mother Mrs. Wood. Mrs. S. M. Beardsley and Mrs. Wheelock poured tea and the serving was done by Mrs. Everett, Mrs. Roach, Mrs. P. Porter, Mrs. Wright, Mrs. Elliott, Mrs. Cox, Mrs. G. Porter and Mrs. Parker. Mrs. Porter's niece, little Miss Dorothy Parker, waited on the door.

AVONPORT

Mrs. Olive Garrison, of Hantsport, is spending a few weeks with her sister Mrs. S. McBurnie, who is very ill.

Mr. C. A. Holmes, a patient at the Nova Scotia Sanatorium, Kentville, spent Wednesday with his family here.

Miss Adelaide Borden, accompanied by her sister Miss Phyllis, is spending a few weeks in Halifax.

Mrs. George Bishop, of Port William, Ont., who has been the guest of her sister, Mrs. James Starratt, for the past week, left on Monday last for Hantsport to visit relatives.

Mrs. Curry, of Wolfville, was the guest of her friend Mrs. Wm. Holmes, Jr. on Wednesday of last week.

Mrs. Susie Hughes spent a few days of this week with her sister Mrs. F. M. Abbott at Wolfville.

"Hopeful Division" paid a visit to Caspereaux Division on Wednesday evening last, about forty members enjoying the drive in spite of the very bad roads. The programme of both orders was greatly enjoyed as was also the supper given by the entertaining division.

Mrs. Geo. F. Huntley is spending a week in Kentville with her sister Mrs. Wm. Smith who is quite ill. Her many friends here hope for a speedy recovery.

Mr. Fred Rice and step-son Morrell Lockhart left on Friday of last week for Mass. where they have secured employment.

Work is progressing very favourably at the Government Drill where they are boring for coal at Avonport. They have bored to a depth of about one hundred feet and the indications for coal are considered good. A small seam of coal was struck on Wednesday.

CAPT. LEWIS H. DAVIDSON

Relatives here have received the sad news of the passing away on Feb. 28th, of Capt. Lewis H. Davidson. Born at North Grand Pre, on May 27th, 1851, he at a very early age began to follow the sea and soon rose to the rank of Captain, usually commanding vessels sailing to far distant ports.

In Feb., 1923, he suffered a paralytic shock, from which he recovered sufficiently to be able throughout the summer to attend to the lighter duties in his garden in which he took especial delight; but his health again failing in December, he entered the "Sailors Home", Quincy, Mass. Here, despite medical care and skilful nursing, he gradually declined, another shock occurring in Feb., 1924, from which he failed to rally.

He is survived by his wife, formerly Miss Mina Pineo, of Canning, N. S., two sons, Hilmer and Ernest, of Maplewood, Mass.; two brothers, Samuel, of South Lincoln; and Fred, of Beverley, Mass.; also two sisters, Mrs. Wm. Eldridge and Mrs. Edward Smith, of Falmouth, Me.

During the summer of 1910, Capt. Davidson, accompanied by his wife, visited Nova Scotia, spending several weeks in Falmouth, guests of his sisters, Mrs. Eldridge and Mrs. Smith. A very large circle of relatives and friends in N. S. and Mass. mourn the passing of this kindly, genial man.—Hants Journal.

MISS B. K. SAXTON

DR. MARSHALL IS NATIVE OF NOVA SCOTIA

Rev. Dr. A. N. Marshall, who recently accepted the pastorate of the Wolfville Baptist Church, is a native Nova Scotian, having been born on a farm at Bridgetown in 1870. Before entering the ministry he spent three years in teaching school, ending that portion of his career in a Port Medway schoolroom. He then went to MacMaster University for a six years' training course, and in 1897 visited Europe and Africa, journeying as far as Australia and New Zealand.

As a pastor in Melbourne and Adelaide in turn, he spent ten years under the Southern Cross, and in 1906 toured the world visiting mission fields, campaigning for the Y. M. C. A., and accepting a commission for the South Australian government, in inquiring into the treatment of inebriates in Canada, and United States and Great Britain.

At the end of a year, Dr. Marshall resumed his pastorate in Adelaide, and remained in Australia for another four years. During his ministry in the anti-traital he held the office of president of the Baptist Unions of Victoria and South Australia, respectively.

In 1911, as one of the vice-presidents of the Baptist World Alliance, Dr. Marshall visited Philadelphia, travelling by way of South America. On this second round-the-world tour, he stopped at Winnipeg, and there became pastor of First Baptist Church. In 1917 he was called to First Baptist Church, Ottawa, where he has since ministered. The degree of Doctor of Divinity was conferred on him by MacMaster University in 1917.

Dr. Marshall's announcement of his resignation, according to newspaper reports from Ottawa, was received with deep and sincere regret, not only by the members of his congregation but by his fellow ministers in the city, as well as by all others who have come in touch with him.

In expressing his regret at Dr. Marshall's leaving Ottawa, Dr. W. T. G. Brown, minister of Dominion Methodist Church said, "I think we all appreciate Dr. Marshall's splendid character and the excellence of the work he has carried on. I think I am right in saying that Dr. Marshall more than any other pastor in the city, perhaps, seemed to belong to all churches. He cannot fail but bring a great message to the young students whom, I believe, it will be shortly his privilege to instruct. Dr. Marshall will be greatly missed from Ottawa. I have always found that he was dependable and a minister with whom it was most desirable to work. It is with extreme regret that I have heard of his resignation."

Rev. J. W. Woodside, president of the Ottawa Ministerial Association, when told of Dr. Marshall's resignation also expressed deep regret. Dr. Marshall he thought, was undoubtedly one of the leading ministers of the Baptist denomination, with a gift of mind and heart far above the ordinary.

"He excelled as a scholar, as a preacher, a pastor, and a Christian gentleman," stated Mr. Woodside, "and his leaving will be a great loss to Ottawa and the Christian forces in the city. Dr. Marshall possessed the finest type of judgment and the widest influence that might be attributable to any pastor of a church."

THE TAX RATE

It is understood that the civic authorities are now engaged in grappling with the question of proposed expenditures for the current year, and it is certainly one that is deserving of every consideration. Last year THE ACADIAN advised that a conference of citizens might be of assistance but our suggestion was not deemed worthy of attention and we presume would not be better received this year. The tax rate is always a matter of public interest and perhaps never before in the history of our town has its announcement been awaited with more anxiety than at present. Last year with a padded

3 P.M.—Services at Greenwich and Grand Pre.

assessment the Council was able to make a three per cent. rate, but with the valuation again practically normal the likelihood is that the tax-payer will not get off so well this year. However, in view of the fact of the improved condition in our finances and that unusual conditions prevailed last year which no longer exist, it ought to be possible with careful management to carry on without any material increase. The difference between the cost in keeping the streets in condition over last winter ought, to make a decided saving in that department. Other towns in the province where the rate has already been fixed are: Hantsport.....3.50 Windsor.....3.60 Amherst.....3.70 Bridgetown.....4.00 The practical elimination of the income assessment will naturally tend to make a higher rate which, however, should not be greater than is absolutely necessary.

"CITIZEN" ANSWERED

To the Editor of THE ACADIAN Dear Sir—There was an interesting letter in your last issue written by "Citizen". It may be of further interest to have the facts.

Last Fall there were indications of considerable drinking in the community and the police committee decided to investigate. An outside detective was employed and given a free hand.

Plenty of time was given for a thorough investigation. He was not able however to secure any information to warrant a prosecution. According to his reports a large portion of the liquor brought into Wolfville was purchased from the Vendor at Kentville.

The purpose of the police committee was to prosecute anyone and everyone if evidence was secured. As above stated however he secured no evidence. H. W. PHINNEY

Items Of Local Interest

The Acadia basketball team were defeated at Halifax last night by the St. George's Club team, the score being 43-28.

The Mt. Allison Girls Debating Team defeated the Dalhousie girls at Halifax last night, the vote of the judges being two to one.

Just received, a shipment of the "World's Best" Face powder, "Fontanis", and a full line of 3 flowers Toilet articles at Rands.

In our last issue appeared an advertisement for an Eversharp pencil found, and the following day the pencil was called for. It pays to advertise in our Classified Column.

The pulpit of the Baptist church was occupied on Sunday last by Rev. A. S. Bishop, of Hillsboro, N. B. Rev. Mr. Bishop is a native of Greenwich, and a graduate of Acadia University.

Don't fail to visit our Show Rooms on March 19th and following days and see our display of Pastern Models, Tailored and Ready-to-wear Hats, Sloan & Kearney, Webster St., Kentville.

Sir William Duff Reid, builder of the Newfoundland railway and former president of the Reid-Newfoundland Company, died at his Montreal residence yesterday afternoon. He was in his 56th year.

The equipment of the Valley Laundry Co. was sold at public sale at 11 o'clock this morning. Only a very few persons were present and the property was knocked down to Mr. Vall for \$500. O. D. Porter was the auctioneer.

The Acadia girls won the Nova Scotia Basketball Championship on Friday evening last, thereby retaining the coveted cup put up for the Intercollegiate Championship of Nova Scotia. The Dal. co-eds. defeated Acadia by one point in Wolfville, but the Acadia girls in the return game in Halifax gained an advantage of six points.

The death occurred at Aylesford on Tuesday, of Eliza Rouse, wife of Wm. H. Robinson, in her 85th year. Those left to mourn are her husband, two sons and two daughters, E. W. Robinson, M. P. for Kings, Stanley A. Robinson, Mrs. Thos. D. Burnham, of New York, and Mrs. Ralph Macdonald, of Boston.

St. Patrick's Tea, given by the High School Girls' Club at the Brick School House, March 17, 5-7 P. M. Come and enjoy a good supper. Music while you eat! Admission 35c. (contributions not limited). Proceeds for competitive prizes in school work. There will be an art exhibition of the work which was exhibited in Three Counties exhibition last Fall at Kentville.

The ladies of the Home Mission Committee of the U. B. W. M. U., of the Maritime Provinces, gave a reception to the Theological Club of Acadia University, in the parlors of the Baptist church on Monday evening. Mrs. Martell, on behalf of the committee, welcomed the guests and speeches were given by Dr. J. H. Macdonald and Rev. W. S. Miss Macdonald and the Misses Roop gave musical selections.

The consumption of tea in Cape Breton Island is larger than in any other place in Canada, and it is also true that the sale of MORSE'S Tea is larger in Cape Breton than that of any other brand. To the people of Cape Breton tea is a very important factor in their daily life, consequently they exercise great discrimination in selecting what they use. No matter what the Glace Bay miner may do without of other things, he will have and must have his MORSE'S Tea.

PASSING OF FORMER WOLFVILLE LADY

News has been received of the death of a former popular Wolfville lady, the wife of Prof. F. C. Sears, for some years principal of the Horticultural School. When the Horticultural School was removed to Truro Prof. Sears went with it and resided there for some time. During his connection with the institution he rendered valuable assistance to fruit growing in Nova Scotia and was instrumental in establishing a number of "experimental plots" in different parts of the province. He went from here to Amherst, Mass., where he occupies the position of Professor of Horticulture in the State College of Agriculture.

While a resident of Wolfville Mrs. Sears, who was a most estimable lady, was active in community interests and made many friends who will learn with sorrow of her decease. No particulars of her death have been received other than that it occurred suddenly at her old home in Kansas, whither she had gone to recuperate after a severe illness. She is survived by her husband and twin daughters, who have the sympathy of many old friends in this place.

The fine new Memorial Hall of the First Baptist Church, Truro, was formally dedicated on Sunday last, with special services morning, afternoon and evening. The speaker at the services was Dr. F. W. Patterson, President of Acadia University, whose addresses were most inspiring. The choir was assisted by Miss Evelyn Duncanson, of Wolfville.

St. Patrick's Tea, given by the High School Girls' Club at the Brick School House, March 17, 5-7 P. M. Come and enjoy a good supper. Music while you eat! Admission 35c. (contributions not limited). Proceeds for competitive prizes in school work. There will be an art exhibition of the work which was exhibited in Three Counties Exhibition last Fall at Kentville.

IS IT CORRECT?

To the Editor of THE ACADIAN: Dear Sir:—In the "Halifax Herald" of the 7th inst. I noticed a write-up of a speech given by the "Town Manager" of Wolfville to the members of the Engineers Institute of Nova Scotia. Have we a "Town Manager" in Wolfville, is the query that entered my mind whilst reading. If I remember correctly the appointment was that of Superintendent of Streets, Waterworks and Electric Light, and not that of Town Manager as we have since been led to believe.

Am I right and the name of "Town Manager", as applied in this case, only a nickname, or am I wrong and Wolfville has been able to appoint a Town Manager without an Act of Legislature? INQUIRER

GRAND PRE

The Women's Institute met at the home of Mrs. Fred Crane on Friday afternoon, March 7th. Misses Annie M. Stuart and U. Magee have been visiting Rev. G. W. Miller and family at Elderbank, Halifax Co. Miss Muriel Palmer, of North Grand Pre, is spending a few days with her aunt Mrs. W. C. Trenholm.

We are glad to hear that Mrs. Fred Harvey and little son who have been ill are both improving now.

AVONPORT YOUTH BELIEVED SHOT IN CALIFORNIA

There seems little doubt but that the youth shot to death by a unidentified stranger in Paso Reubles, California, last week, is really Brenton Borden, son of Brenton Borden, of Avonport. Mr. Borden has received a description of the murdered man which closely tallies with that of his son who left home last autumn for the Canadian West on a harvest expedition, but has not written home save on one occasion, when he sent a post card from Moose Jaw. In order to prevent any mistake Mr. Borden has telegraphed to the California authorities to have the dead youth photographed and have a picture sent on. If the photograph proves to be that of Brenton Borden, Jr., his body will be brought home to Avonport for interment.

Mrs. Brenton Borden, mother of the young man, is very seriously ill at her home at Avonport, and knows nothing of the tragic end of her son. The family have determined to keep all details from her at least until there is no doubt but that it is Brenton Borden who sleeps the last sleep in distant California.

NOVA SCOTIA BOARD OF COMMISSIONERS OF PUBLIC UTILITIES

IN THE MATTER OF THE APPLICATION OF THE LOWER HORTON ELECTRIC COMPANY, LIMITED, FOR APPROVAL OF AMENDMENT TO ITS SCHEDULE OF RATES FOR ELECTRIC ENERGY.

NOTICE

TAKE NOTICE that the application of the Lower Horton Electric Company, Limited, for approval of an amendment to its schedule of rates for electric energy, i.e., to fix a rate for power, will be heard by the Board at a sitting to be held at the Town Hall, Wolfville, N. S., on Thursday, March 20th, 1924, at the hour of 11:30 o'clock in the forenoon. All persons interested will be given an opportunity of being heard at such sittings. Halifax, N. S., February 23, 1924. E. B. TAYLOR, Clerk.

EXECUTORS' NOTICE

All persons having legal demands against the estate of William Regan, late of Wolfville, in the County of Kings, deceased, are required to render same, duly attested, within eighteen months from the date hereof; and all persons indebted to the said estate are requested to make immediate payment to Ellis Regan, Executor. NEWS OF CANNING

Mrs. John Burgess, Sheffield Mills, entertained a few friends delightfully at the tea hour on Wednesday and Thursday afternoons of last week.

Mrs. Carson, of Moncton, who is visiting in town, has returned from visiting friends in Kingston.

Miss Jean Hill is visiting in town for two weeks.

Lieutenant Frank Northup has returned from St. Johns, Quebec, where he was taking a military course.

Miss Bessie Hennigar, who was spent the winter in Boston, has returned from attending the military openings.

Miss Ruth Harris, who was guests of Mr. and Mrs. A. B. Harris; Miss Julia Henderson, of New Waterford, Cape Breton who visited Miss Nettie Hadfield; Miss Pearl Reid and Miss Constance Collins who were guests of Miss Emma Bigelow; Miss Marguerite Reid, North Kingston, who was the guest of Mrs. Gladys Blenus, at the home of Mr. and Mrs. George Jodrie, Burnell Eaton spent the week end with his parents, Mr. and Mrs. Victor Eaton, and Seldon Smith spent the week end with his mother Mrs. W. D. F. Smith.

Mrs. Arthur Burgess, accompanied by Miss Josephine Harris and Miss Helen Begg, of Summerside, P. E. I., spent Saturday with Mrs. Atkinson.

Mrs. Reid Pelton entertained the Women's Missionary Society of United Baptist Church on Wednesday of last week, a delightful afternoon being spent.

Scotia Lodge, No. 28, A. F. & A. M., held their regular communication on Wednesday evening of last week.

Master W. H. Porter conferred the second degree on one candidate. The election of officers resulted as follows: W. M.—Rev. T. W. Hodgson; S. W.—Erle Bigelow; J. W.—Dr. S. W. Spicer; Secretary—L. W. Slack; Treasurer—H. K. Bain; S. D.—John Roberts; Tyler—Arthur Wood; Chaplain—L. M. Ward; Organist—C. H. Meek.

A PLEASANT GATHERING

The Women's Missionary Society, of Canning Methodist Church, held a delightful "Due Tea" at the home of Mrs. N. W. Eaton on Thursday afternoon, March 6, president Mrs. Leander Eaton, in the chair. The meeting opened with Devotional exercises, the Roll Call—being responded to by mission-ary clippings. Mrs. Lester Melvin, Mrs. A. Bigelow were appointed delegates to our Branch meeting to be held in Windsor in June. The programme, an interesting one, was then taken up. Mrs. L. F. Blenkhorne, treasurer, gave a financial report up to date, which showed the finances in advance of last year. Readings were given by Mrs. James Kennedy, Mrs. R. W. North, and Mrs. White, of Bridetown Society. Birthday greetings were extended to Mrs. Zachariah West. Amongst the work of the year accomplished by the Society was a life membership presented to our District Organizer Mrs. A. A. Ward; \$6.00 sent to the Japanese Relief Fund, \$3.00 to the Austin and Rodgers Memorial. The Society was also instrumental in sending five barrels and one box, of vegetables, fruit, and canned goods to the Joint Mission, Halifax. The Tea committee was Mrs. R. W. North, Mrs. James Kennedy, Mrs. W. R. Dickie and Mrs. A. A. Ward. A pleasant hour was spent with our hostess, and her daughter, our president, who owing to illness has been unable to be with us for several months.

CANARD

Mr. and Mrs. Roland Ellis, Canard entertained Hillaton Rook Club, a delightful evening being enjoyed.

Mrs. West, Port Williams, is nursing Miss Allie Rand, who is slowly recovering from illness.

A special Devotional Meeting of the Women's Missionary Society of Upper Canard Presbyterian Church, in accordance with the World Wide Prayer Day was held Friday afternoon, March 7, at the home of Mrs. Aubrey Newcombe. A pleasant feature was the presentation of a life membership to our president, Mrs. (Rev.) G. A. Logan. After a carefully prepared programme a social hour was spent over the tea cups with our hostess and her daughter, our President, who has been unable to be with us owing to illness for several months.

SCOTTS BAY

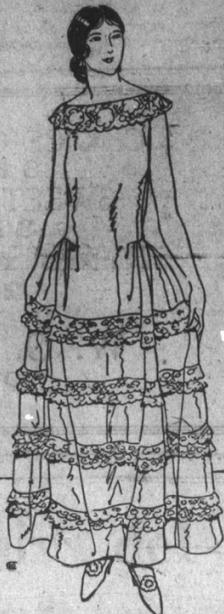

Samuel Steele, who spent a year in Walpole, Mass, returned on Thursday, and is visiting his parents, Mr. and Mrs. Jasper Steele, Scotts Bay.

Miss Mildred Hazel, Scotch Village, who has opened a music class in Scotts Bay, is a guest of Mr. and Mrs. Hardy Corkum.

Miss Lura McGowan, Canard, is visiting Mr. and Mrs. Jasper Steele. Word has been received from Mrs. Manie Ellis that she has completely recovered.

Souvenir folders, containing sixteen pictures of Wolfville and vicinity, on sale at The ACADIAN Store. Price only 20 cents.

TAFFETA AND LACE IN SLEEVELESS GOWN

When shiny black taffeta is combined with soft gray lace, the result leaves nothing to be desired. The sleeveless afternoon frock above achieves this combination with perfect results. Both insertion and edging are used on the skirt, each row of insertion being finished with an edging of lace.

The sleeveless bodice is rather close fitting, and the deeper gray lace, which extends across the front, curves down at the back to outline a cape of gray lace that drops from shoulders to waist.

HOCKEY AT CANNING

Centreville Stars defeated Canning "Wasits" in an exhibition game of hockey, played in Canning rink, Wednesday evening, Mar. 5, by a score of 6-4. The game was clean and fast and the home team put up a good game, but Centreville won out. Green and Webb starred for Centreville, while Ben Greenough who did fine work as Canning goal tender, filled the nets splendidly.

The line-up was as follows: Centreville—Goal, Thompson; defence, Whalen, Newcombe; forwards, Burns, Webb, Balsor; sub., Palmer. Canning—Goal, B. Greenough; defence, Leo Lyons, Fred Jodrie; forwards, W. Seaboyer, Cecil Spicer, Glen Crowe, Charley Cox. H. Lyons, as referee, was satisfactory.

Canning "Cubs" defeated Canning "Pine Knots" in a fast game of hockey played on Wednesday of last week by a score of 6-1. The line up was as follows: "Cubs"—Goal, Whitney Curtis; defence, Archie Smith, Erle Curtis; centre, Harold Blenkhorne; wings, Geo. Rodgers, Miller Rodgers; sub., Clifton Rodgers. "Pine Knots"—Goal, Gilbert Spinney; defence, Frank Spinney, Arthur Kane; centre, Harry Jorden; wings, Henry Kane, Herbert Dill. Miller Spinney made a fine referee.

Kingsport Juveniles defeated Canning Juveniles, in a friendly game of hockey played on McBrides pond, on Tuesday afternoon of last week, the game being clean and fast, the score 6-4. Line up was as follows: Kingsport—Goal, Ted Burns; centre, Max Ellis; defence, John Webb, George Briscoe; wings, George Huntley, John Rafuse; sub., Clyde Barkhouse.

Canning—Goal, Ivan Blenkhorne; centre, Harold Blenkhorne; defence, Floyd Cogswell, Morris McBride; wings, Archie Smith, Whitney Spicer; subs., George Rodgers, Miller Rodgers, Clifton Rodgers, Clarence Gosse. Donald Ellis made a satisfactory referee.

MEDFORD

The many friends of Mr. Lorne Parker, who has been confined to his home by an injury to his leg, will be glad to know that he has greatly improved.

Mr. and Mrs. George Holmes, Medford, entertained Medford and Kingsport Bridge Club last week. The prizes were won by Miss Eileen Dickie and Mr. Thomas Ellis.

HILLATON

Hillaton Bridge Club held a delightful meeting at the home of Mr. and Mrs. Fred Brown last week.

Mr. and Mrs. Ernest Kinsman entertained the Rook Club on Friday, the evening being a very enjoyable one.

LUMBAGO!

Rub the stiff parts with Minard's. It eases pain, relieves stiffness.

FATHER AND SON BANQUET

Undoubtedly the event of last week in Canning was the "Father and Son" Scout Banquet, held in the vestry of the Methodist Church Friday evening, March 7, when the Fathers were the guests of honor of the Boys. Scout Master, Rev. Thomas W. Hodgson, presided and with him was Field Commissioner for Nova Scotia H. O. Eaman. The tables were very attractive with flowers and the guests numbering fifty spent a delightful hour.

At the conclusion of supper there was a brief programme of speeches, the speakers being A. D. Payzant, president of the local executive, and Scott Blenkhorne, Executive member. All of these spoke very feelingly of the work being so splendidly carried on by Scout Master Thomas W. Hodgson.

Mr. Eaman then addressed the gathering, outlining the aims of the Scout Movement, which is not of a military nature, its object to help boys of all classes, nations and creeds to develop character and thru the instilling of the principles of good citizenship make a country which shall be measured by its number of square men. As all sin has its root in selfishness, the forgetting of self, one of the essentials of true Scout, will form a strong attack against sin.

Every badge means a preparation for service, and at least one good thing accomplished daily. Reference was made to the Bear River Scout, who knowing what to do when the opportunity came, was able to save a life and was presented with the Gilt Cross. Our hats go off to our Brother Scout. Sixty or more badges signify that the boy is prepared to be of service to others. Let this spirit of unselfishness encircle the globe and the peace of the world will be greatly advanced. The Boy Scout movement has been called the "Junior League of Nations".

Mr. Eaman congratulated our Canning troop for their splendid work, and urged them at all times to obey the Scout Law, and become a part of the 2,000,000 boys who are doing their best to live up to their promise. Canning will then indeed be proud of her coming men.

A short but interesting program furnished by the boys consisted of the following: Reading—Ivan Blenkhorne; Piano Solo—Clarence Gosse; Violin Solo—Billie Payzant; Recitation—Leonard McBride; Vocal Solo—Scoutmaster Hodgson; Reading—Archie Smith.

Accompanist—Mrs. A. D. Payzant; Mr. Eaman congratulated our Canning troop for their splendid work, and urged them at all times to obey the Scout Law, and become a part of the 2,000,000 boys who are doing their best to live up to their promise. Canning will then indeed be proud of her coming men.

The Tea Committee, Captain Bigelow, Mrs. Eaman, of the Girl Guides, Mrs. W. D. F. Smith and Mrs. White of Bridgetown, was assisted by five attractive girl guides, Misses Margaret Bigelow, Geraldine Melvin, Laurabel Bigelow, Constance Adams, and Muriel Goldsmith, who made charming waitresses.

An expression of appreciation was extended to Field Commissioner H. O. Eaman, the Ladies, Girl Guides, and all those who assisted in making the banquet a success. Mayor Slack, H. K. Bain, Jack Mullet, Instructors, Principal Dunlop and Mr. Percy Kempton of the staff of Canning School, were amongst the guests. The evening which will long remain a happy memory closed with the National Anthem and our "Scout Yell".

THE MAN WHO STICKS

The man who sticks has his lesson learned; Success does not come by chance—it's earned. By pounding away; for good hard knocks Make stepping-stones of the stumbling blocks.

He does not expect by a single stride To jump to the front; he is satisfied To do every day his level best. And let the future take care of the rest.

For the man who sticks has the sense to see He can make himself what he wants to be. If he'll off with his coat and pitch right in; 'Cause the man who sticks can't help but win.

Tourist (in village notion store)—What have you got in the shape of automobile tires? Saleslady—Funeral wreaths, life preservers, invalid cushions and doughnuts.

MARCH 14 A NEW COMMANDMENT I give unto you, That ye love one another; as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another.—John 13:34, 35.

MARCH 15 HE THAT WILL LOVE LIFE, AND SEE GOOD DAYS, LET HIM REFRAIN HIS TONGUE FROM EVIL, AND HIS LIPS THAT THEY SPEAK NO GUILE.—Peter 3:10.

MARCH 16 THOU SHALT LOVE THE LORD thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbour as thyself. This do and thou shalt live.—Luke 10:27, 28.

MARCH 17 THINE, O LORD, is the greatness, and the power, and the glory, and the victory, and the majesty; for all that is in the heaven and in the earth is thine; thine is the kingdom, O Lord, and thou art exalted as head above all.—1 Chronicles 29:11.

MARCH 18 IF THOU DRAW OUT thy soul to the hungry, and satisfy the afflicted soul; Then shall thy light rise in obscurity, and thy darkness be as the noon-day; and the Lord shall guide thee continually, and satisfy thy soul in drought, and make fat thy bones.—Isa. 58:10, 11.

MARCH 19 I HAVE FOUGHT A GOOD FIGHT, I have finished my course, I have kept the faith. Henceforth there is laid up for me a crown of righteousness.—2 Timothy 4:7.

MARCH 20 FEAR THOU NOT; for I am with thee; be not dismayed; for I am thy God; I will strengthen thee; yea, I will help thee, yea, I will uphold thee with the right hand of my righteousness.—Isaiah 41:10.

LARGE INCREASE IN MOTOR CARS IN NOVA SCOTIA

There was an increase of 2,306 motor cars in Nova Scotia last year, according to the report of the Provincial Secretary's Department, which was brought down to the House of Assembly last Friday by Hon. D. A. Cameron, and he pointed out that the registrations of cars in Nova Scotia on the 30th of September, 1923, represented one car to every twenty-eight persons in the Province. The total value of cars registered in Nova Scotia since 1907, a period covering 15 years, at an average value of \$1,000 per car, would represent an investment of over \$25,000,000. The total revenue to the Province under the Motor Vehicle Act for the year from all sources, was \$480,055.18.

DON'T BE YOUR OWN SHADOW

The sun shines for all—it is your own fault if a cloudy countenance keep its rays from reaching the cockles of your heart.

Wrigley's Juicy Fruit Chewing Gum advertisement with image of the product.

SHEFFIELD MILLS

Mr. Albert Kinsman, son of the late Ephraim Kinsman, of Sheffield Mills, passed away at his home at Sheffield Mills on Monday evening, after an illness of almost a year, aged 79 years. Mr. Kinsman, who was one of our most prosperous and esteemed farmers, married Janie, widow of the late W. H. Fellows, of Canning, who predeceased him two years ago. One brother survives, R. W. Kinsman, who resides on the homestead. Funeral was held on Wednesday.

Sheffield Mills Women's Institute held a delightful surprise party on Monday afternoon at the home of Mrs. David Ellis, in honor of the anniversary of the birthday of their former president, Mrs. Ella, always a charming hostess, was taken completely by surprise and welcomed her friends delightfully. Mrs. Geo. Fye, on behalf of the Institute, read a poem written by herself in which she cleverly portrayed the estimable qualities of the guest of honor. The President, Mrs. W. W. Harris, presented Mrs. Ellis with a beautiful book, a tangible expression of the loving appreciation of the Society. Mrs. Ellis, who was greatly touched, thanked the Women's Institute for their kindness, after which readings by Mrs. John Kinsman and Mrs. Fred

Burgess, and piano solos by Miss McKenzie, were enjoyed. Tea was served and a delightful hour spent with the guest of honor.

COLD IN FRANCE

PARIS, March 3.—A cold spell is prevailing throughout France generally and the temperature in many districts is exceptionally low. In the district of Aurillac, Cantal department, the lowest temperature has been recorded, the thermometer registering 11.6 degrees below zero there. It is said that in some other places as low as 13 below zero has been reported but this is not vouched for.

A number of deaths due to the extreme weather are reported from various places in France. These have occurred in some districts while in summer usually record the highest temperatures in the shade.

Fruit Growers and Farmers ATTENTION!

We understand that some of our competitors are attempting to discredit our goods, particularly Nitrate of Soda.

An analysis of our stock of Nitrate, from which we shall supply our trade this Spring, recently sampled by a representative of the Agricultural College at Truro and analyzed at that station, exceeded the guaranteed analysis by 1 1/2 %.

We can assure you that our Nitrate of Soda, as well as all other products we put out, will be of high quality in every respect.

Each and every brand of our mixed fertilizers meet their guarantee and in most cases, exceeded it by substantial margins according to the last report from the Department of Agriculture, their pamphlet number 41, covering fertilizer samples for 1922-23.

Colonial Fertilizer Company Windsor, N. S.

Ladies! Have A Telephone Chat With Your Out-of-town Friends

Evidently the ladies are determined not to lag behind their brothers and husbands in the use of the Long Distance Telephone.

Daily more and more of them are finding out the pleasure to be derived from a little social chat with some friend in another town over the Long Distance Telephone.

One's best friends are not necessarily in one's own town, and these ladies recognize that, for the preservation of friendships which separation and distance threaten, nothing is more effective, simple and enjoyable, than an occasional chat over the Long Distance Telephone Lines.

And then such a chat costs so little!

Vertical text on the right edge of the page, including "Here and There" and "BREAD" sections.

Here and There

Although the Canadian Pacific railway has yet issued no forecast of construction contemplated for 1924, the fact that it has ordered 10,000 tons of steel from the Algoma Steel Company, of Sault Ste. Marie, seems to indicate that its program will be extensive.

According to a statement recently made by the Hon. Charles McCrea, Minister of Mines for the Province of Ontario, 85 per cent of the world's nickel supply is being taken out in the vicinity of Sudbury, where there is an inexhaustible supply of this metal.

Alberta's butter production last year was 18,500,000 pounds, or 400,000 pounds more than in 1922, according to reports presented at the annual meeting of the Alberta Dairy Producers' Association. It was not long ago that Alberta was using butter imported from New Zealand.

The year 1923 was a favorable one in the building and construction activities of Canada, and reports show an advance of about 10 per cent. In 1922 the total expenditure in this regard was \$315,000,000, and in 1923 \$345,000,000, an increase of \$30,000,000.

Exports of pulpwood from Canada in the year 1923 amounted to 1,433,000 cords, compared with 1,011,000 for 1922, an increase of \$72,399,000 or 35 per cent. The 1923 figures are equivalent to about 900,000 tons of newsprint, the amount which is manufactured from that amount of wood.

G. E. Usher, General Passenger Traffic Manager, and E. J. Albert, First Assistant General Passenger Agent, of the Canadian Pacific Railway, have been presented with medals by the French Government, in recognition of their services to the French Exhibition train in Canada in 1921. The medals are in the form of tablets on small plaques.

Attention has been drawn once more by airship experts in London, England, to the fact that the only real supply of helium gas in the British Empire exists in the Province of Alberta, that 10,000,000 feet of this gas is going to waste annually in this province and that the possibility of establishing an airship base at some future date in Alberta is being discussed.

Canada's fisheries production during 1923 is estimated to be worth \$100,000,000. At the beginning of the year it was not thought that anything like this mark would be reached, for the Fordney tariff had deeply into exports to the United States. But as the year wore on the demand and prices generally increased, thus giving fishermen along the Atlantic coast especially a much higher price.

Official figures recently issued show that the Dominion of Canada is the largest single contributor to the wheat supply of the world, stands second only to the United States in automobile exports, and flour exports are far ahead of palmiest war years and are rapidly gaining in the foreign markets. Canada's mineral, forest, agricultural and fisheries industries are valued at \$2,420,000,000, or \$2,000,000 higher than a year ago.

British immigration during the first months ended December, totaled 64,127, compared with 28,525 in the corresponding period of the previous year, an increase of 125 per cent. Immigration from the United States was 17,255, compared with 18,982, a decrease of nine per cent. Total immigration for the first month period of 1923 was 124, compared with 60,247 in the corresponding period in the previous year, an increase of 107 per cent.

The Canadian Pacific Railway received from Boonings, Williams & Company, 2,152.10 pounds of sugar for distribution to the officers and crew of the steamship "Empress of Australia" for saving the ship and for salvaging during the Japanese earthquake. For the purpose of purchasing a memento, presented to Captain Samuel Johnson, C.B.E., R.N.R., then commander of the "Empress of Australia" and now commander of the "Empress of Canada" on her world tour, 210 pounds sterling have been retained from the above amount. Plans are being made to present the captain with the "Empress of Canada" reaches Yokohama next May, the Japanese government participating in the ceremony.

THE WRONG ANSWER
It was tea time, and Tommy sat wiggling about in his chair until father stood up no longer. "Tommy," he exclaimed, "why don't you get up?" "Why, father, it's all your fault," Tommy replied. "What do you mean?" "Yesterday, when I asked you what time it was, you said it was a funny lot!"

And when teacher asked me the question, I gave him the answer you gave me, and—and—"bursting into tears," that's why I can't sit still."

SCREEN GOSSIP

Jacky Coogan, senior, the father of the busy young actor, and junior member of the firm of Coogans, justifies the change of book titles when presented on the films. He says that the public are not in the same mood when they go to see pictures as when they go to buy books. "Evening newspapers are made up in an altogether different way from the morning papers. The readers of those are in another frame of mind to what they were when they sat down to breakfast. Producers have got to strike the eye. We did not wish to change the title of Ouida's story, 'A Dog of Flanders', but appreciated that the story would not reach the idea of the picture, which is Jackie's next. We therefore decide to call this feature, 'A Boy of Flanders'."

Admirers of Strongheart, the famous motion-picture wonder dog, will be happy to learn that though he has acquired a family of his own, he has not quit the silent drama, notwithstanding a long absence from the screen. Instead he has put his whole family in the movies. Strongheart's next film appearance will be in "The Love Master" made in Banff, Alberta, which is the third of the Strongheart series, the two preceding successes being "The Silent Call" and "Brawn of the North". In addition to Lillian Rich, who plays the leading feminine role, and other film players of note, Strongheart appears in "The Love Master" with his whole dog family.

Undergraduates representing all the colleges at Cambridge, England, have recently formed a cinema club, and hope to achieve definite and practical results. A party of the members paid their first visit to the Gaumont studios, and besides watching the production of "Claude Duval", inspected the machinery for the automatic printing of copies of films. Apparently, the formation of the club grew out of a suggestion made at the British National League lunch that there was a demand for a better type of intelligence and new blood in the producing end of the industry.

Veterans of the world war from four armies, French, English, Canadian and United States, will appear on the screen in the Armistice day scene in Gloria Swanson's latest Paramount picture, "The Humming Bird". Among them Capt. D. R. Edwards, who was the only U. S. soldier to win in the war the two highest medals the United States awards—the D. S. C. and the Congressional Medal of Honor; Captain Jack Lingwood, one of the survivors of the famous Princess Pat regiment; C. Wetmore of the British army and Major Gaston Duval of the French army.

Herbert Brenon has finished work on "Shadows of Paris", Pola Negri's fourth American picture. Miss Negri is taking a holiday, enjoying the scenic wonders of California. "Shadows of Paris" was adapted from the French play, "Mon Homme". Supporting Miss Negri are Adolphe Menjou and Charles de Roche.

Cecil de Mille, with "Triumph", opened the Lasky studios at Hollywood early in January, and as soon as "Triumph" is completed "Fleet of Clay" will also be made on the west coast. But after that Mr. de Mille will divide his time between Hollywood and Astoria, so half of his productions will be made in the East.

Famous a few years ago for her child parts, Madge Evans has reappeared on the screen as a slender maiden of sixteen. No prettier actress could have been chosen for the part of Liabeth in the J. Stuart Blackton production, "On the Banks of the Wabash".

The producers of "The Leavenworth Case," the Whitman Bennett production, believe that it will interest all lovers of detective stories. This is a screen version of Anna Katherine Green's novel, and Seena Owen and Bradley Barker have the leading parts.

A contract was made by the Famous Players-Lasky corporation with Douglas Fairbanks, Jr., whereby after his first picture they had an option on his services for another production. This option was not exercised.

DID YOU KNOW?

That a piece of bread put with brown sugar in a covered can will keep the sugar from lumping?

That dark blue tissue paper is a preventive against the yellowness that comes in linens laid away a long time? Wrap each piece separately in the paper and they will always stay white.

That a damp cloth laid over roasts or fowl is very effective in keeping them moist?

That salt sprinkled in the oven if your pie runs out, eliminates the smoke and odor?

That if tomato soup or soft custard curdles they can be beaten back to normal with egg-beater if used at once?

PUBLIC TOLD WHAT CREDIT REALLY COSTS

Tell the public the facts about your business, and tell these so they are readily understood, is the business policy of Hogan Bros., Karrik, Minn. A recent issue of the house organ issued by this firm placed before its customers some interesting facts and argued relative to the cost of a merchant conducting a credit business, and why it was to the advantage of both dealer and public to get down to a cash basis of buying and selling.

"Why a merchant cannot give long time credit and stay in business" was the display line used in setting forth the figures the firm wished to get to the attention of its trade. "These figures are prepared by one of the ablest financiers in the country, are certified by a statistician of one of the largest colleges in the East, and are absolutely correct," the firm's statement reads.

The table and explanation were as follows:
Profit \$1.00
1 month.....Profit 87 1/2c
2 months.....Profit 75c
3 months.....Profit 62 1/2c
4 months.....Profit 50c
5 months.....Profit 37 1/2c
6 months.....Profit 25c
7 months.....Profit 12 1/2c
8 months.....No profit
9 months.....Loss 12 1/2c
10 months.....Loss 25c
11 months.....Loss 37 1/2c
12 months.....Loss 50c

The Explanation
If a dealer marks up his goods at 25 percent on cost or 20 percent on selling price, and it costs him 16 2/3 percent to do business, he must sell \$20 worth of goods before he makes one dollar net profit.
If he does not collect the bill for one month the dollar shrinks to 87 1/2 cents. If the bill stands out for four months the dollar profit shrinks to one-half or 50 cents. In eight months it disappears entirely. Should he fail to collect for one year he actually loses the whole profit and 50 cents besides.

SUGGESTS REDUCTION IN CABINET

OTTAWA, March, 6.—That the Dominion cabinet be reduced from seventeen to twelve ministers, was the suggestion made by Sir George Foster in the Senate today. On grounds of economy, Sir George advocated the abolition of the department of the Secretary of State, the merger of the Customs department with that of Finance, the combining into the department of Public Works, Railways and Canals, and Marine and Fisheries departments, the addition of the Solicitor-General's department with the Justice department and the merging of the Soldier's Civil Re-establishment department with the Defense department. This would automatically abolish five cabinet portfolios which carry a salary of

NEW ZEALAND SENDS APPLES TO LONDON

WELLINGTON, N. Z., March 7.—Large shipments of New Zealand apples are being made to London and Hull and also to South American ports. The Fruit Growers' Federation here anticipate that 250,000 cases of apples will be exported from New Zealand this season.

Did You Ever Stop To Think ?

THAT the wise buyer always reads the advertisements.
THAT it is the way to save money.
THAT everybody should know of your home town's business advantages.
THAT your town is an acknowledged leader in your section for certain lines of business.
THAT it is a good plan to think before you speak.
THAT some men often speak before they think.
THAT it often causes much grief.
THAT if you think more about Wolfville and study its advantages, you can be a better community booster.

THAT there are two sides of human nature, optimistic and pessimistic. THERE SHOULD BE ONLY ONE SIDE IN WOLFVILLE.
THAT some citizens would rather knock their own home town than to boost it. PUBLIC OPINION should make this class of citizen hard to find.
THAT communities get reputations the same as men.
THAT Wolfville should have the best of reputations.
THAT optimism and common sense should be mingled in good proportion.

THAT if you do this, you will find it easier to think, to speak and to act in a way that will help to make yours a better and bigger community.
THAT pernicious propaganda in business circles should cease. Now is the time for the trouble monger, the fellow who has done his best to keep things down, to shut up and do some thinking.

The Port Williams Acadian

PORT WILLIAMS AND VICINITY

Miss Jennie Coleman, of the primary department of our school, spent the week end at her home in Burlington, returning by Monday's express.

Mr. Fred Weaver left on Monday via Yarmouth for Boston to visit relatives there and in Conn.

Mrs. N. H. Newcombe spent a few days last week with her sister Mrs. Margaret Newcombe, of Church Street.

Mrs. Alvin Beckwith and daughter Miss Mary, of Hantsport, spent the week end guests at Oak Bank with Mrs. Beckwith's nephew, Mr. Henry Cogswell.

Mrs. M. K. Ellis was hostess at an informal dinner to a few friends on Monday last.

The "Lily of the Valley" entertained as their guests on Monday evening the division from Gasperau. An interesting program was provided by the two Divisions, after which refreshments were served, bringing to a close a very enjoyable evening.

Mrs. C. A. Newcombe, Church Street, visited her sister Mrs. Loomer at Kingsport, a few days last week.

Mrs. Cecil Woodworth entertained a number of friends on Friday evening, Progressive Crokinole, at which Mrs. Fred Marone captured the first prize, and music, furnished the entertainment of the very delightful evening.

During the Lenten Season Rev. G. C. Brown, rector of St. Johns, will hold service every Wednesday evening at the church.

The Women's Missionary Society of St. Johns held their monthly meeting on Tuesday at the home of Mrs. Chas. West.

The W. M. A. Society of the Baptist Church held their monthly meeting at the Parsonage on Wednesday when the first chapters of the study, "The Missionary Enterprise", was taken up and reviewed.

Mr. Ray Bezanon returned last week from the west, where he spent several months.

Congratulations to Mr. and Mrs. Berwick Rooney, nee Margaret Bezanon, on the arrival of a son at Canning.

Mr. Robt. Chase, of Church Street, returned last week from a three months trip to the West Indies where he thoroughly enjoyed the beauties of a tropical climate and scenery.

His sister, Miss Susie Chase, B. S. A., who accompanied him, will remain a few weeks longer in Bermuda.

Capt. J. E. Faulkner, whose ship "Canadian Mariner" was in port at St. John, spent a week here with his family. His wife returned to St. John and stayed with him till his ship sailed.

Mrs. Faulkner has now as her guests, friend Mrs. Forest, of Winnipeg, and Mrs. Livingstone, of Halifax.

The Loyal Workers class of S. S. are holding one of their enjoyable Socials in Temperance Hall on Friday evening. Judging from the varied program and more gets there money's worth.

Come and see how six alluring females took advantage of the leap year privileges to capture a man.

Mrs. Carter and two children of Melrose, Mass., who have been visiting her father Mr. A. Faulkner, returned to their home on Thursday.

Several from here attended the opera "The Ghosts of Hillo" at the "Orpheum" Wolfville, on Tuesday night.

Mr. D. Manley, A. A. G. O., who has taught piano in this vicinity for several years, and whose work as a teacher is too well known and appreciated to need comment, trained and directed the performers. Miss Gladys Newcombe was the pianiste for the evening.

The Boy Scouts' play two was well done and thoroughly enjoyed. The whole program amply repaid the cost of a cold March wind.

Messrs. B. O. Davidson and Chas. Patriquin, of Wolfville, both enthusiastic S. S. workers attended the session of S. S. here on March 2nd, giving short encouraging addresses, which were en-

Here's the contractor, the mason and carpenter to rebuild it.

Insured against loss by fire—you are always certain of sufficient money with which to rebuild. Insurance has been the means of replacing many a home that otherwise would have remained a mass of charred ruins.

A policy in the Hartford Fire Insurance Company will furnish you the money to bring the contractor, mason and the carpenter to rebuild the property fire destroys. To delay buying this protection may be disastrous. Insure today.

For safe and sure insurance, call

GREENWICH

The sound of the sawing machine in our community this week is a sign that "Spring is just around the corner". Mr. Arthur Dodge, of Sunnyside, is very busy now, sawing up the different wood piles of the place.

Mrs. Dexter Forsythe recently enjoyed a short visit from her mother, Mrs. Rupert Porter, of Upper Pereaux.

A good number attended the "Social Night" last Friday evening and "Social L." was enjoyed to the limit until late. The Social committee had announced it was to be a "Poverty Social" and those who were not dressed suitably—in patches and holes, etc.—were to pay a fine.

Also fined for each piece of jewelry worn and a prize was offered to the lady, also to the gentleman, who wore the most original and suitable costume. The ladies prize was won by Miss Winona Betts, and Mr. John Fenwick captured the gents prize. The judges were Mrs. B. L. Bishop, Mr. Arthur Lockwood and Mr. Byron Cox.

Interesting games were played and enjoyed, also refreshments served, as is the custom on Social Night. The money taken on this evening for fines, etc. was added to the piano fund. The piano has been much enjoyed this winter. There is a great need too, of two or three dozen new chairs for the hall. An interesting evening again at the G. C. L. meeting this week when Miss Harry, V. O. N. will give an address on "Nursing, Past and Present". All welcome.

Mrs. A. K. Forsythe left last Saturday for a week's visit with relatives and friends in Sackville, N. B. She was accompanied by Miss Betts, who will visit friends there for a few weeks.

Miss Evangeline Cox spent the week end with relatives and friends in Kentville.

Miss Mildred Muttart, a student at Acadia Seminary, spent the week end, guest of her friend, Miss Rena Cox.

Messrs. Philip and Robert Bishop entertained a number of their friends at their home on Saturday evening.

Revs. Aubrey Bishop, who is pastor of a Baptist church in New Brunswick, has been visiting relatives here the past week. He preached both morning and evening very acceptably in the Baptist Church, Wolfville, last Sunday.

The work at Mr. Dexter Forsythe's Evaporator, with apples, is about closed for this season. We understand this has been a most encouraging and progressive season in the line for Mr. Forsythe.

The taking off of the morning and evening trains three days of the week is a bad handicap for many in this community, especially those of our girls and boys who are taking up various lessons and school work in Wolfville this term.

enjoyed, and the interest of these workers who walked the intervening three miles was appreciated by the school.

The funeral services of the late Mrs. Chas. Lockwood, for many years a resident of Port Williams, took place on Friday last from the residence of her daughter Mrs. Hovell, Church Street, followed by a service at St. John's Church where the Rev. G. C. Brown preached. Special music was provided by the choir, also Mrs. Howard Burbridge of Canard sang "Some day the silver chord will break" and Miss Muriel Starr "One sweetly solemn thought". Interment at St. John's Cemetery.

MRS. RUPERT ELLS

The death occurred on Friday evening last at her home at Centreville, this county, of Clara, wife of Mr. Rupert Ells. Before her marriage the deceased was Miss Clara Greenough, of Upper Dyke Village, and she had reached the age of 75 years. Mr. and Mrs. Ells spent most of their married life at Upper Dyke Village, where she was respected and beloved by all. A devoted wife and mother, and a kind friend, her memory will long be revered.

She is survived by her sorrowing husband and three daughters, Mrs. Harry Sawyer, of West Somerville, Mass.; Mrs. Alfred Fuller, of Hartford, Conn.; and Mrs. Roland Burbridge, of Steam Mill Village; and one sister, Mrs. Crooks, of Halifax. Two other daughters, Mrs. F. H. Bligh, of Halifax and Mrs. Charles Belcher, of Upper Dyke Village, predeceased her, some years ago.

The funeral took place on Tuesday afternoon and was conducted by Rev. G. A. Logan, minister of the Canard Presbyterian Church, of which the deceased was a faithful member. Rev. G. D. Hudson, pastor of the Baptist Church, offered the prayer. Interment was in the cemetery at Chipman Corner.

A BLENDING TEA IS BETTER

Tea from one garden, no matter how fine it is, possesses certain desirable qualities but may lack others, because all characteristics are not developed under the same conditions. If the tea has a perfect flavor it may lack richness; if it has body it is, perhaps, without the same perfection of flavor. To combine all the desirable qualities in one blend has been the work of the "SALADA" Experts for over a quarter century and the brand "SALADA" is the fruit of their labours.

BELYEA WILL MAKE ANOTHER TRY

ST. JOHN, N. B., March 10—Hilton Belyea, former Canadian amateur single scull champion, sent his boat to England on Saturday, and will leave here on March 19th, for Putney, England, where he will train. Belyea will make an attempt to win the Diamond Sculls in the English regatta early in July and will then hasten to France where he will compete in the Olympic races the later part of that month.

Do People Read Adv. in The Acadian? What are you doing now?

TENDERS

Tenders for the sale of the Christian Church at Port Williams, and one half acre of land will be received until April 1st. Property situated on corner of road leading from Main St. to Starr's Point and Terry Creek Road. The highest or any tender not necessarily accepted.

GEORGE A. CHASE

Port Williams, Nova Scotia

HANTSPOUR

The many friends of Miss Jennie Coleman, of the primary department of our school, spent the week end at her home in Burlington, returning by Monday's express.

Mrs. R. A. Beckwith and daughter Miss Mary, of Hantsport, spent the week end guests at Oak Bank with Mrs. Beckwith's nephew, Mr. Henry Cogswell.

Mrs. M. K. Ellis was hostess at an informal dinner to a few friends on Monday last.

The "Lily of the Valley" entertained as their guests on Monday evening the division from Gasperau. An interesting program was provided by the two Divisions, after which refreshments were served, bringing to a close a very enjoyable evening.

Mrs. C. A. Newcombe, Church Street, visited her sister Mrs. Loomer at Kingsport, a few days last week.

Mrs. Cecil Woodworth entertained a number of friends on Friday evening, Progressive Crokinole, at which Mrs. Fred Marone captured the first prize, and music, furnished the entertainment of the very delightful evening.

During the Lenten Season Rev. G. C. Brown, rector of St. Johns, will hold service every Wednesday evening at the church.

The Women's Missionary Society of St. Johns held their monthly meeting on Tuesday at the home of Mrs. Chas. West.

The W. M. A. Society of the Baptist Church held their monthly meeting at the Parsonage on Wednesday when the first chapters of the study, "The Missionary Enterprise", was taken up and reviewed.

Mr. Ray Bezanon returned last week from the west, where he spent several months.

Congratulations to Mr. and Mrs. Berwick Rooney, nee Margaret Bezanon, on the arrival of a son at Canning.

Mr. Robt. Chase, of Church Street, returned last week from a three months trip to the West Indies where he thoroughly enjoyed the beauties of a tropical climate and scenery.

His sister, Miss Susie Chase, B. S. A., who accompanied him, will remain a few weeks longer in Bermuda.

Capt. J. E. Faulkner, whose ship "Canadian Mariner" was in port at St. John, spent a week here with his family. His wife returned to St. John and stayed with him till his ship sailed.

Mrs. Faulkner has now as her guests, friend Mrs. Forest, of Winnipeg, and Mrs. Livingstone, of Halifax.

The Loyal Workers class of S. S. are holding one of their enjoyable Socials in Temperance Hall on Friday evening. Judging from the varied program and more gets there money's worth.

Come and see how six alluring females took advantage of the leap year privileges to capture a man.

Mrs. Carter and two children of Melrose, Mass., who have been visiting her father Mr. A. Faulkner, returned to their home on Thursday.

Several from here attended the opera "The Ghosts of Hillo" at the "Orpheum" Wolfville, on Tuesday night.

Mr. D. Manley, A. A. G. O., who has taught piano in this vicinity for several years, and whose work as a teacher is too well known and appreciated to need comment, trained and directed the performers. Miss Gladys Newcombe was the pianiste for the evening.

The Boy Scouts' play two was well done and thoroughly enjoyed. The whole program amply repaid the cost of a cold March wind.

Messrs. B. O. Davidson and Chas. Patriquin, of Wolfville, both enthusiastic S. S. workers attended the session of S. S. here on March 2nd, giving short encouraging addresses, which were en-

The Hantsport Acadian

DEVOTED TO THE INTERESTS OF HANTSPORT AND VICINITY

HANTSPORT HAPPENINGS

The many friends of Miss George Davison regret to learn that she is ill with pneumonia and hope soon to hear of an improvement in her condition. Miss N. Francis, trained nurse, is in charge of the case.

Mrs. Miller, of Newport, and Mrs. (Capt.) Montie, of Hartville, were in Hantsport on Wednesday, of last week, attending the funeral services of the late William Annand.

Mrs. (Rev.) Bigney received word last week of the death of her aged mother, Mrs. Crowell, of Bridgetown.

Mrs. (Dr.) Annand is confined to the house with an attack of neuritis. Her many friends hope soon to see her out again.

Mrs. R. A. Beckwith and Miss Mary Beckwith were the week end guests of Miss Claire Cogswell, Port Williams.

Mrs. (Rev.) A. B. Higgins, accompanied by her two little daughters, is residing at her former home in Digby.

Miss Wilda Masters, of Kentville, was the week end guest of her sister, Mrs. Stanley Taylor.

Miss Ruby Taylor spent the week end with relatives in Wolfville.

Miss J. Fritz spent several days last week at the home of Mrs. William Sharp, Windsor.

Mrs. Ivan Pulsifer entertained the Sunday School Class, "The Kings Daughters", of which she is a member, at her home on Tuesday evening of last week, and on Thursday evening was at home to the Sewing Circle of Companions.

Miss Hilma Stoddard, who spent several weeks with friends in Truro and Musquodoboit, returned home recently.

Mr. Ralph Riley left for Halifax last week after spending several weeks with his family here.

Miss Stella Taylor, teacher at North Grand Pre, was home for the week end.

Mrs. Walter Hall, who is in charge of the school at Cambridge, Hants Co., has been obliged to take a short rest on account of ill health. She is visiting her daughter, Miss Alice Hall, at the Hantsport Hotel.

Mr. Frank Smith, of Truro, visited his father, Mr. F. R. Smith last week. We regret that Mr. Smith is still confined to the house through illness.

Rev. B. J. Porter, of Kentville, was in charge of the services in the Methodist Church on Sunday evening, in the absence of the regular pastor Rev. A. B. Higgins, who is on a trip to Bermuda.

Rev. Dr. Mellick was in Nictaux, Annapolis Co., last week.

Mr. J. M. Hancock was on a business trip to Halifax last week.

Mr. C. J. Yeaton was on a business trip to Yarmouth and Digby last week.

Hantsport was well represented at the hockey match between Kentville and Truro at Kentville on Thursday evening.

Mr. Manning Gertridge, of Hantsport, is a member of the Truro team.

Prof. Harley, of Windsor, was in charge of the Sunday morning service in the Anglican Church. Dr. Judd will have charge of the service next Sunday.

On Friday evening about forty members of the Young Peoples' Society of Plover paid a visit to the Christian Endeavour Society in connection with the Baptist Church here. At the close of the meeting an hour was spent in social intercourse and delicious refreshments dispensed.

The Sewing Circle was entertained by Mrs. F. H. Beals at the Parsonage on Thursday afternoon.

The Hantsport Fruit and Basket Co. Limited resumed operations on Tuesday, after being closed down for about two months. By the large quantities of logs in the Mill Yard, indications are that this enterprising concern expects to do an exceptionally thriving business this season.

The Open Air Skating Rink closed its season on Saturday. The managers, Messrs. Currie and Beckwith, are worthy of great commendation for undertaking this uncertain proposition.

Mrs. Lewis Duncan and family, victims of the fire tragedy, who have been so kindly cared for at the home of Councillor E. R. Gertridge, Hants Border, removed to Avonport recently and are occupying the L. E. Shaw house. The citizens of Hantsport generously contributed money, clothes, and furniture for their relief.

The funeral services of the late William Annand were held from the residence of Rev. Dr. Dickie on Wednesday afternoon of last week. Dr. Dickie, assisted by the Rev. F. H. Beals and Rev. J. W. Prestwood, conducted the service. The deceased's favorite hymn, "Sweet Hour of Prayer", was impressively rendered by Mr. Hugh Ralph. Other hymns sung by the choir of the Presbyterian Church were "Take Comfort Christians" and "Abide With Me". The remains were conveyed to Gays River for interment in the family lot.

At a meeting of the Board of Trustees of the Hantsport Baptist Church on March 3rd, the resignation of Capt. George Holmes was accepted, and Mr.

TOWN COUNCIL MEETS

Tax Rate for 1924 Fixed at 3.50

The regular monthly business meeting of the Council was held on Tuesday evening, March 4th. Present, Mayor Murray and Councillors Bishop, Lawrence, Kirkpatrick, Smith and Churchill. Minutes of last regular and adjourned meetings read and approved. The report of Dr. Shankel, Medical Health Officer, for the year 1923, was read and adopted on motion of Councillor Smith, seconded by Councillor Lawrence. Appointment of Policeman and sanitary inspector was left over till next meeting.

Mr. J. H. Newcombe, assessor, reported that estate of Miss Jane Barlow personal property be assessed \$100, and J. A. Pentz \$300.00. Assessment was confirmed by the council. \$50.00 personal property for Ivan Pulsifer was confirmed on motion of Councillor Lawrence, seconded by Coun. Smith.

Resolution for overdraft of \$1100, to pay draft due municipality of West Hants was passed on motion of Coun. Kirkpatrick, seconded by Coun. Lawrence.

A communication from H. W. Sangster re agreement between town of Hantsport and municipality of West Hants was read.

Communication from Morning Chronicle soliciting advertising in their Tourist Edition was read and action taken. The following accounts were passed for payment:

Laura Newcombe	\$ 1.00
Davison Bros	15.00
C. I. Burgess	2.00
Health Clinic	200.00

Mayor Murray was appointed a member of the health clinic for the current year.

A communication was read from the Board of Commissioners of Public Utilities, stating that the application of the Town Council for approval of schedule of rates for electric light will be heard by the Board at the Town Hall, Windsor, on Friday, March 21st. The clerk was authorized to have notice to that effect published in THE ACADIAN.

Moved by Coun. Kirkpatrick that the rate of discount on electric light bills for March be extended to the 15th of April as the town clerk could not leave office in March, on account of discount on the assessment rates extending to March 31st. Motion seconded by Coun. Lawrence.

It was moved by Coun. Lawrence that the assessment rate for the current year be set at \$3.50 on \$100, and that 2 1/2 per cent. discount be allowed on all taxes paid before April 1st, and that interest at the rate of 5 per cent. per annum be charged on all taxes not paid before May 1st. Motion seconded by Councillor Smith. The following are the estimated receipts and expenditures for 1924:

Expenditures	
Water	\$ 800.00
Maintenance	420.00
Sinking Fund	420.00
Debt Interest	1408.00
	\$2628.00
Sewerage	
Sinking Fund	166.00

Streets	1200.00
Interest	400.00
Fire Department	50.00
Town Building	200.00
Contingent	500.00
Overdraft, Can. Bank of Commerce	1500.00
Sinking Fund arrears	770.00
Outstanding Accounts	4032.00
	\$20897.00
Receipts	
Water	\$2000.00

Nathan Coldwell was appointed to the office. Capt. Holmes has given the Church fine and efficient service, both as Trustee and Deacon, having served in the former office twenty-eight years and in the latter twenty-one years. Increasing infirmity, especially in the matter of hearing, makes it necessary for him to relinquish some of the business affairs of the church, but his interest in every department is unabated. His brethren appreciate very highly his faithfulness and trust that "his evening time may be light".

MONUMENT TO PARLIAMENTARIAN

A very fine figure bronze, a statue portrait of Lieut.-Col. George Harold Baker, M. P., has just been unveiled at the Parliament Buildings, Ottawa. Col. Baker was the first Parliamentarian to lose his life in the Great War. His death occurred in action at Sanctuary Wood, June 2, 1916, when he was serving under Lord Byng. It was Lord Byng who unveiled the monument at Ottawa. The picture shows the bronze figure, and also the position it occupies in a bay of east aisle of the main entrance to the House of Commons.

FORMER SKATING RINKS AT HANTSPORT

Hantsport young folk have enjoyed their open air rink during the past winter but with the coming of mild weather their enjoyment has come to an end for the season. The need, however, is felt for a closed rink and it is hoped that before winter again comes this institution more attention might be given to hockey and a series of games could be arranged which would prove interesting and profitable.

Speaking of skating rinks we are reminded that in past years Hantsport has fared very well in this regard. The first closed rink was erected about forty years ago by Robert Walker, and the young fellows of the place turned to and gave valuable assistance in its building. At that time there was no water system here and it was necessary to haul the water for flooding the rink in hogsheads from the brook. Mr. Walker, who was a carpenter, went some years ago to the States, where it is understood he is still living. This building stood east of the railway track and its site has on several occasions since been used as an open-air rink. At the time this rink was considered a large one and was well patronized by young and old. Fancy skating was then in vogue and some very pretty exhibitions were given at various times.

The next rink was erected by Horatio Parker and was located opposite the railway station near where the Hantsport Fruit Basket Co. mill now stands. It was built about thirty years ago and was burned after some ten years of successful operation.

The building of the old Hantsport Foundry and Machine Co. did service for some time after that company went out of business and for some years furnished the third rink for Hantsport. Although not equal to its predecessors it was a popular resort.

There have since at different times been three open-air rinks here. The first was on land of Simeon Mitchener, and the second was conducted by the boys of the High School on the site of the old Walker rink. The present rink is situated on land of R. W. Churchill, and in the absence of a closed rink has furnished quite an attraction.

DEATH PENALTY ABOLITION

Abolition of the death penalty for murder in Great Britain, except when the offender is already undergoing a sentence of penal servitude for life, is the central feature of a bill presented to the British Parliament. Capital punishment has been long opposed by advanced politicians in England, Premier MacDonald among others, having strongly denounced it, and it has been foreseen that the Labor Government would probably remove it from the state books.

HAVE YOU TRIED?

If you have made a weary soul the brighter,
If you have eased another's toil or pain,
If you have made a comrade's burden lighter,
You have not lived in vain.

FUEL VALUE OF WOOD

In general, two pounds of air-seasoned wood is equal in heating value to one pound of good soft coal. Oak, when seasoned, will weigh about 4,000 pounds per cord of cord-wood size and length and would have a heating value of about \$11 per cord or \$5.50 per ton in comparison with soft coal.

"TOO FOND OF SPORT" PROVED IN DEBATE

"Resolved that we are too fond of sport", was the subject of a most interesting debate by pupils of the High School last Friday afternoon. Miss Elsie Perry, captain of grade ten, opened the debate for the affirmative, pointing out in a most able manner, when and how sports are injurious. Miss Perry was ably assisted by Miss Averil Smith, while Kenneth McNealey, captain of grade eleven, and Alfred Stirling, supported the negative. Some splendid arguments were brought out on both sides. The judges, Rev. Mr. Beals and Principal Parker, gave their decision in favor of the affirmative. These debates are proving most interesting and instructive.

MISS McDOUGALL ADDRESSES WOMEN'S INSTITUTE

A large attendance of Institute members greeted Miss Helen J. McDougall of Truro, Provincial Superintendent of Women's Institutes, at the home of Mrs. Asaph Newcombe on Monday afternoon. Miss McDougall gave an interesting and stirring address on Institute work touching on the different phases of work carried on by standing committees, how they would function in the Institute. The work on new committees on National Welfare was explained. "Miss Anne Stuart of Grand Pre was the first member of this Committee." The Institutes in general are particularly interested in Home and School work, at present they are especially interested in School law as it appears in rural districts. The importance of Federation was brought up. Miss McDougall pointed out the National outlook of Institute Work. After the splendid address a social hour was spent and delicious refreshments served.

POYNITZ LODGE ELECTS NEW OFFICERS

At its regular meeting on Thursday evening, March 6, Poyntz Lodge, A. F. and A. M., elected the following officers for the year:

W. M.—L. M. Wall
S. W.—R. W. Churchill
J. W.—T. C. Turner
Treas.—A. F. Coffin
Secy.—G. C. Beasley
S. D.—Geo. T. Ferguson
J. D.—Arthur Smith
I. G.—John Folker
S. S.—Ivan Pulsifer
J. S.—A. A. Kirkpatrick
Chap.—D. W. Murray
Tiler—S. H. Mitchener, P. M.

DELBERT MacCHARLES

The demise of Delbert MacCharles, aged 21 years, took place at the home of his parents Mr. and Mrs. Duncan MacCharles, on Friday, March 7th, after a lingering illness of tuberculosis. All was done for him that loving hands could do. He is survived by his parents two brothers, Will of Trenton, and Milford at home, and two sisters, Mrs. Collins, of Boston, and Evelyn at home. The funeral services, which were held from the home of his parents on Monday afternoon, were conducted by the Rev. F. H. Beals, pastor of the Baptist Church. Interment was at River Bank Cemetery.

ORIGINAL RED CAP IN SEIGE OF PARIS

First of force on Continent is still at work in Canadian Pacific Windsor Station

Remains Patriotic Frenchman

BEHIND all great transportation companies must always exist the human factor. Many of these human factors are visible, but there are many thousand individuals who are not seen at all, and these who are seldom seen, yet all of them vitally necessary to maintaining the smooth running of the system.

Of the visible aids are the baggagemen, but it is probable that the invisible public aid gives them a second thought after receiving a check, unless it is to protest against being charged excessively.

It was on such a voyage of discovery at Windsor street (Montreal) station of the Canadian Pacific Railway, that Monsieur Louis Dupart entered the horizon of the explorer, and added to the general knowledge of one individual.

Louis Dupart has several claims to fame. One is that he is the only man of that name in Canada—that is his own statement—another is that he is the original "Red Cap," having been the actual Number One on the American Continent, and witness what an army has developed from the original private in the ranks.

It might be thought from this that Mr. Dupart is a colored man, but make no mistake on that score; he is not, and, further, is a native of one of the most delightful cities of the world, Paris. In his birthplace Mr. Dupart took his history. While yet a lad he witnessed some of the scenes of the siege in 1871 and remembers the hunger that was one sad feature of those stirring times. Mr. Dupart remains the patriotic Frenchman, and by virtue of his service is always allowed to absent himself on July 14th, the French national festival.

"Paris was terrible than," mentioned Mr. Dupart, "and not like the gay city it was to afterwards become, so that in 1873 the 'Canada Agent' there had but little difficulty in persuading my parents to make their way across the Atlantic. The Agent promised wages of three to four dollars a day, but when we came we found them only eighty cents, and it was great satisfaction afterwards to learn that he had been sent to jail. We sailed on the Scandinavian of the old Allan line."

Started at Fifteen Dupart, senior, set up a forge in Duke street, Montreal, and it was in that sturdy neighborhood that Louis grew up until at the age of fifteen, a Mr. Cook, then superintendent of the Y.M.C.A., used his influence to have him placed at work in Bonaventure station. There was some difficulty in finding work for Louis, but eventually he was given a badge, and held to help the passengers with their hand baggage, and thus became the original Red Cap.

In 1887, Mr. Dupart joined the service of the Canadian Pacific and at Dalhousie station—the old structure is yet standing—became a baggageman and a relief for the policeman and the ticket man, and when Windsor street station was opened years afterwards he was transferred to the new building. In the thirty-five years of service with the Canadian Pacific Mr. Dupart witnessed many changes in the railway itself and in the city, remembering when cows were pastured in St. Catherine street, now the epitome shopping district of Montreal. In himself he has changed only to the extent of becoming more philosophical, which has enabled him to appreciate that even a baggageman may prove a world of boundless interest.

"LIKE THE OSTRICH"

The most popular of all popular beliefs about the animal kingdom has been rudely declared a delusion. The ostrich does not hide its head in the sands when fear afflicts it. This, at any rate, is the bold proclamation made by Vilhjalmur Stefansson, the Arctic explorer, in an article in the March "American Mercury". Thousands of printed pages, he says, have been written by sportsmen and zoologists about the ostrich. Its habits, its views about domesticity and its opinions about the world it lives in, have been noted and set down. No where has a responsible observer even seen an ostrich thrust its head into the sand to escape a foe.

The legend has been denied again and again, yet it has persisted for nearly 2000 years. Mr. Stefansson thinks that it has been a hardy perennial because it supplies so useful a figure of speech for writers or for people who want to be tremendously impressive. "Like the ostrich which buries its head when it sees an enemy approach." What else could take its place as a vivid example to point out the absurdity of trying to escape danger by wilfully refusing to admit its menace? It is indeed so useful a phrase that perhaps 2000 years hence, despite all the naturalists and all the iconoclasts, people will still believe that ostriches are as silly as Pliny thought they were.

Minard's Lintment for Headache.

MAGIC BAKING POWDER

Magic Baking Powder has been known and used all over Canada for more than 25 years. It has set and maintained the standard for goods of its class. Its use is increasing daily because of its strength, purity and universal satisfaction. Pure food insures good health. Magic Baking Powder insures pure food. CANADIAN MADE. MARKETING OUR APPLES

To The Editor of THE ACADIAN. Dear Sir:—Last Spring on my return from Post Graduate work in London, I reported several rather humiliating experiences involving the quality of Nova Scotia apples for sale in the Old Country.

That my letter provoked a much more exhaustive enquiry by Capt. J. E. Faulkner, whose experience qualifies him to speak with authority, gives me much satisfaction.

Both Capt. Faulkner and myself made our enquiries because we respected certain remarks reflecting upon the good name of our Province. All true Nova Scotians feel alike under such circumstances. Not only the "honest to God" type, but even the ordinary or garden variety of loyal Bluenose reacts in a similar manner.

Both letters were actuated by the same spirit—namely to help further develop one of the great basic industries of our native Province.

Both are characterized by the same conclusions. As my letter was the incentive for Capt. Faulkner's enquiry, so my enquiry was the result of a statement of a London gentleman deeply interested in Nova Scotia. To quote from my letter "he told me that he was unable to buy our apples in boxes, and he could not afford to buy them in bulk because they were so bruised they would decay before the first few layers were eaten. Very much against his will he was compelled to buy Oregon apples."

"Next morning I visited an ordinary fruit store on an average street in a good section nearby where I lived. 'Yes, he had Nova Scotia apples,' and showed me a barrel of Russets he had just opened and turned about half into a tub-like tray. In time I was able to pick out four apples, one pound, that were not actually decaying, but even these were bruised and would soon follow the 95 per cent. 'You don't want to buy that sort of thing, Sir. Here are some Oregon apples,' and he directed my attention to beautiful fruit, uniform in size, and absolutely free from a blemish of any kind—although they had come thousands of miles further. These apples were wrapped and packed in forty pound boxes."

To quote from Capt. Faulkner—"Some packers pack too tight and consequently press the apples so hard against each other that they soon show a bruise spot where they touch. I saw one fine barrel of Stars in which every apple was affected. Had they not been too tight, they would have been in perfect condition. While others pack too slack and the apples shake and bruise all over before they reach market. I saw seven barrels of choice apples all in one lot packed by a Kings County farmer, all slack and every apple more or less bruised and in a very bad condition. It was plain it was not done intentionally, the man was either the victim of inexperience or indifferent help, just a few more apples would have meant a few dollars for him."

The mariner and the physician seem to have had very much the same experience. To quote from my letter—"I then called on an importer of Nova Scotia fruit at Covent Garden. I asked him if our fruit arrived in good condition. He assured me that they arrive in excellent condition, and, pointing to an open barrel, asked if I did not think that was a nice looking barrel. I replied they looked nice and rosy, but they appeared to be bruised. He told me all apples packed in barrels were packed under pressure and bruising was bound to occur—nothing else was to be expected."

To quote from Capt. Faulkner—"I saw beautiful barrels of No. 1 Baldwins where no pulp head was used and every apple in each end of the barrel had a rough flat bruise on it, while the rest of the apples were in fine condition, but it meant a good peck or one-tenth of the barrel were ruined. Has that barrel been used as a sample, it would have affected the sale of his entire consignment. Now say good barrels brought \$5.00 and his returns only were \$4.50 he would say he was unfairly dealt with."

Again our experiences were similar. To quote from my letter—"My next interview was with one of the leading retail fruit dealers in London. I was fortunate enough to see Mr. Shearn himself at his store on Tottenham Court Road. Although a very busy man I

TO LIVE IT IS NOT LIFE BUT TO BE WELL

PUBLIC HEALTH SERIES NO. 5.

In the preceding letters we have spoken of the loveliness and desirability of Health—Wholesomeness—for oneself and for the Community; we told you something of the system of Public Health work which Nova Scotians have at their service. To-day, we are going to point out the folly and shortsightedness of waiting until you—or your neighbors—are sick before you take steps toward health. In other words, we make an appeal to reason on behalf of Preventive Health Measures.

In Nova Scotia, as we have told you, about 700 people are dying every year from tuberculosis alone. (In 1921, 725; in 1922, 695.) The loss to the province, in money value alone, is reckoned, at the very lowest figure, to be eight thousand dollars for each of these deaths, a total of five million six hundred thousand dollars a year. The care of the sick, (from all diseases) in hospitals and sanatoriums, costs the people of the province, through their Provincial Government, over a million dollars a year. In addition, consider the money spent by individuals, and by families, in caring for the sick; and add the amounts spent by the municipality, the city, and the town governments—or councils, and you will begin to realize the enormous sum spent yearly—directly and in taxation—because of sickness, because of the lack of prevention.

And what are we spending on Prevention? Through the Public Health Department, whose sphere is mainly prevention, nineteen thousand dollars a year, less than one-tenth as much as that spent by the public only on sickness.

Consider the private individual and

the family. When a person falls sick, the expenditure for medical and nursing attendance, medicines, or operation, extras, and the loss of their labor, amounts to more in a week or two than the whole family's expenditure for preventive measures in a year.

To provide adequate treatment for the tuberculosis, at the most carefully managed institutions throughout Canada, costs over twenty dollars a week for each patient. If the cost of one month's (in many cases, of only two weeks) treatment had been spent on that individual at the right time, before he was sick, for expert examination, advice, extra food, and, perhaps, extra rest, the cost of weary years of treatment could have been saved;—not to speak of the saving alive, and well of those who die in spite of continued and expensive treatment.

If a small fraction of the total sum spent on sickness were spent on examination and care of children and the young, keeping them in perfect health through adolescence and the early years of adult strain, the investment would "pay" better than that of any successful business enterprise ever promoted. And when you try to imagine the misery, the loneliness, the broken spirits and ruined homes, the failed ambitions and spoiled careers, entailed by disease, an investment in Prevention takes on an even nobler and more urgent aspect.

And yet the municipal councils will not invest in a public health nurse! The people of Nova Scotia do not insist upon adequate expenditure for a more businesslike and thoroughgoing Public Health program. Thus, because we will not purchase the "ounce of Prevention," many of us—far too many of us—must continue to pay bitterly for the "pound of Cure."

H. W. SCHWARTZ M. D.

LET WATER DO IT

At the close of the 19th century, the Scientific American printed pictures of a 5000 horse-power hydroelectric unit. Its unprecedented size was the wonder of the electrical world. Today they are printing pictures of a 70,000 horse-power hydroelectric unit recently put into operation on the American side of Niagara Falls. This giant "uses the same amount of water formerly used by seven 5000 horse-power units and delivers energy equivalent to 14 of them." If this electricity were generated by coal, it would require 700,000 tons annually. Two more such units are soon to be completed. The annual output of the American Niagara system is already over 2,500,000 kilowatt hours. Should the generation of electricity be thus accelerated during the coming quarter of a century, why worry about coal?

YPRES' RESURRECTION

Ypres has risen from its ashes. Not with all its old, quaint beauty, for it is doubtful if that most marvelous group of Gothic buildings, the great Halle aux Drapes, with its massive square towers and long facade, the Hotel de Ville and the beautiful cathedral will ever be restored, so as adequately to represent the life of old Flanders glorified in art. The world has had to pay a fearful and tremendous price for man's destructive tendencies.

Visitors to Europe should see this resurrected city. There is but little reminder of that terrible battlefield of which for four years Ypres was the centre, and where 200,000 men were killed and twice that number wounded, where guns were never silent and where hundreds of thousands lived a half subterranean life, one of the most frightfully tragic pieces of ground the world has ever had.

Wonderful that a city should rise from such ruins and surmount so horrible a calamity. Thirteen thousand of the pre-war population of 18,000 are now back in newly-constructed

homes. There are hospitals, schools, churches, government buildings. But that famous Cloth Hall is missed. There is only need of encouragement of the architects and engineers and the tourists to decay the idea of leaving the ruins as a permanent monument of Ypres' days of woe and urge instead the rebuilding of this splendid Gothic edifice. It would be well to have the reconstruction of this vast Halle aux Drapes conforming to all its old lines of quaintness and beauty still contain within its boundaries an exact replica of the ruined hall as it appeared after the last German shell had been fired. Human ingenuity and creativeness can make such a replica.

The French and Belgian people have proved their indomitability in the restoration of the devastated areas. Visitors today have only a small idea of the tremendous task they undertook and performed. It is impossible to keep down a people who will not remain down.
