"INDEX OF CURRENT EVENTS."

The "Index of Current Events" is much appreciated not only by the press of Canada and the United States, but also by the public men of both countries. The Librarian of Parliament, the House of Commons Reading Room and the Librarians of many of the Provinces of the Dominion and States of the Union subscribe to the *Index*. Among the well known public librarians who subscribe are, Mr. J. C. Hurlbut, Librarian of the American Geographical Society, New-York, Mr. W. A. Bardwell, Librarian of the Brooklyn Library, Mr. W. H. Brett, librarian of the Cleveland Public Library, Mr. F. P. Jordan, Librarian of the Public School Library, Battle Creek, Michigan, Mr. W. T. Barnwell, Librarian of the Philadelphia Library, the Librarian of the Providence Public Library, the Librarian of the Free Public Library, San Francisco, Mr. John M. Doane, State Librarian of Ohio, Mr. William H. Egle, State Librarian of Pennsylvania, Mr. M. Chamberlain, Librarian of the Boston Public Library, Mr. A. W. Whelpley, Librarian of the Cincinnati Public Library and Mr. C. B. Tillinghart, State Librarian of Massachusetts. The leading bankers (including the Bank of Montreal), brokers, lawyers and hotel keepers of Canada, and many clergymen also keep the *Index* on file.

What is thought of the *Index* may be gathered from the numerous entirely unsolicited expressions of approval sent in by well known public men, of which the following are specimens:

MR. MARTIN J. GRIFFIN, LIBRARIAN OF PARLIAMENT, Ottawa, writes I am sending you a subscription for two copies of your "*Index*," which will be most useful and which deserves encouragement. If you will take particular pains to give the dates and figures of elections and the dates of speeches of public men, with reference also to the place at which the speech was delivered, you will do a very grateful thing for public people and editors, and I may add librarians.

MR. JOHN M. DOANE, STATE LIBRARIAN of Ohio, writes:—Enclosed please find six dollars, in payment for State Library subscription to the "*Index of Current Events*" for 1889.

I regard it as a very valuable publication, and hope that you may meet with such success as warrant its continuance, for it will grow more valuable every year.

MR. HERRIES, OF THE BROOKLYN *Eagle*, writes:—"I congratulate you most heartily upon having done a good thing, a very good thing, in starting the "*Index*" enterprise. I hope I may have the joy of congratulating you upon your success a year hence. A man with *Index* on the brain is one after my own heart. My judgment was formed upon Number I; if the indexing is kept up as thoroughly in all subsequent numbers it will be a great help to us."

SIR CHARLES TUPPER, BART., HIGH COMMISSIONER FOR CANADA, writes:—It seems to me to be a very useful publication, and one that will be valuable for reference purposes."

MR. BURK, ASSOCIATE EDITOR OF THE PHILADELPHIA *Public Ledger* writes:—"Your *Index* is highly appreciated at this office, where it has long been a desideratum."

MR. COLQUHOUN OF THE "TORONTO EMPIRE," writes:—"Allow me to congratulate you most cordially upon your admirable *Index*. The idea and its execution are alike worthy of all praise."

MR. VADEN, OF THE "NEW-YORK MORNING JOURNAL," writes:—"I find the *Indices* of great value, saving, as they do, much valuable time in looking up important events."

MR. WILL A. WOODWARD, REC. SEC. MASS. PRESS ASSOCIATION, writes:—Enclosed please find subscription for one year for "*Index of Current Events*." I have examined the specimen sent me with much interest and do not hesitate to commend it as an invaluable assistant in the newspaper office. The amount of time and labor it is calculated to save, cannot be compensated by one hundred times its subscription rate,

Commencing with Vol. II No. I the dates given in the *Index* are the actual dates of the occurrences; not as formerly the dates of publication.

The *Index* is published four times a month; but to form a complete file for the year it is necessary to preserve only the first issue in each month.

The intermediate issues contain the news of the current month to date.

The subscription is \$6 per annum, payable yearly or half yearly in advance. Remittances should be made to
