THE MAINE ELECTIONS. Later figures from Maine indicate that while the Republican vote showed an increase of five per cent. over that of four years ago the Democratic gain was twenty-four per cent. or nearly five times as much. So that while Maine goes Republican by a plurality of 27,000, the Democrats will regard the result as hopeful.

SUICIDE AT AMHERST. AMHERST, N. S., Sept. 13.—This morning between five and six o'clock Abel Smith, a prosperous and respected farmer, succeeded by shooting at his home, Trumansville, ten miles from Amherst. His family of two sons and two daughters knew he had been despondent, particularly during the last fortnight, but never thought of his taking his life. He had loaded the gun on the previous day. Placing the muzzle below the left eye he discharged the piece and death must have been instantaneous. Dr. Dias of Amherst, held an inquest, when the jury found a verdict of death by suicide. He was twice married. His second wife died a year ago and he lost a brother more recently, bereavements which he felt very much.

TINSMITHS' UNION. A meeting of the tinsmiths' union was held last evening in Labor Hall, with a good attendance of members. The usual business was gone through, after which the initiation of two new members provided some fun for those present. The two who were made to ride goat were Messrs. Thompson and Irvine. The former is from Cambridge, Mass., and the latter from Nova Scotia.

MAY HAVE PROVINCIAL MATCH. The St. John City Rifle Club will hold a meeting in the rear corner Market Square and Prince William streets this evening at eight o'clock, when all members are requested to be present. The St. John club will try to arrange for contests between different clubs of the province during exhibition week. If satisfactory arrangements can be made it promises to be an interesting feature of exhibition week.

The fire brigade was called out last evening for a slight blaze among some shavings in the new house which is being built for R. B. Travis on Douglas avenue.

A Horse and an Agent. Why Munyon's Man's Horse Kicked on King Street.

Wm. Robbitts, Jr., the agent who has been booming Munyon's remedies here, has a grievance against a local livery man, who sent a horse that stood still on King street this morning and kicked the front of the carriage instead of peacefully drawing the agent around to spread the gospel of Munyon among the local druggists.

The horse started back as soon as he managed to get one of his feet down on the hill on three legs Mr. Robbitts turned him toward the sidewalk upon which, as the carriage rolled, he tumbled over, he jumped. Word was sent to the stable and a man shortly appeared who was greatly astonished at the man's behaviour.

"Why that horse," he said, "is as quiet as a lamb. Never kicked in his life. Ladies drive him almost every day."

Munyon's man was hurt at this reflection of his skin. The few inhabitants of Partridge Island, however, will probably have to wait until next summer for fresh water by this means, as the government has not yet begun the work.

It will be remembered that when the carriage of fresh water to Partridge Island was first brought up, it was agreed that the city should pay the portion of the main and the government the other. The government urged the city to proceed with its share of the work, and so Supt. Murdoch immediately began excavating.

He now has about three-fourths of his work completed and will tomorrow connect the main to the Carleton service. The pipe has now reached the railway crossing.

NEW METHODIST PASTORS. Centenary and Queen Square Getting Ready For the Coming Shift.

The quarterly board of Centenary church was in session yesterday and adjourned until Friday next.

The interesting part of the business of this meeting is the choice of a pastor for the next term by Rev. G. M. Twitcheil, who is now on the end of his last year. Among the clergyman whose names are being considered are: Rev. Dr. Sprague, of Queen St. Methodist church; Rev. J. Rogers, of Fredericton; Rev. W. V. Lodge, of Charlottetown; and Rev. Messrs. Weddell and Hearts, of the Nova Scotia conference.

Queen Square Methodist church also held its regular quarterly meeting last night and adjourned it until the next quarter. Nothing very important was discussed, but at the next meeting the subject of a new pastor will have to be discussed, as Rev. Dr. Sprague's term is nearly up.

WHAT HALIFAX SAYS. Halifax Herald, Sept. 6th, says: The Meister Glee Singers appeared at the Empire Theatre last night under the auspices of the North-West Arm Rowing Club, for the first concert of their Canadian tour.

The audience was large, and it is safe to say that no vocal quartette was ever heard in Halifax whose work was so finished, and whose voices blended so perfectly as did those of the Meister Glee Singers, while in solo work the bass, the tenor and the baritone all gave infinite satisfaction. Excepting the opening number, a duet, which was given before the entire audience and received every number was encored, and it was felt that it would be overworking the talented singers, second responses were not insisted upon.

PASSING OF THE WINDMILL. A striking example of the extent to which windmills have become obsolete here, and it is safe to say that no windmill was ever sold for demolition.

It cost \$10,000 to build in 1812. It served as a landmark far and wide, its height being 120 feet from the ground. Circular in form, the mill contains no fewer than twelve floors. Its walls are several feet thick, and are estimated to contain hundreds of thousands of bricks.

MORE SEPTEMBER BRIDES.

Several Pretty Weddings in the City Today.

McLeod-Smith. At three o'clock this afternoon, in the Carleton Free Baptist church, an interesting event took place when Miss Sarah Elizabeth Smith, daughter of the late A. C. Smith, was married to Norman Phillips McLeod, of Fredericton.

The ceremony was performed by Rev. Dr. McLeod, father of the groom, assisted by Rev. J. W. Ferguson, and the church was beautifully decorated for the occasion.

The bride, who was given away by her brother, H. Colby Smith, wore cream crepe de chine, with veil and orange blossoms, and was attended by Miss Ethel Fales, of St. John. The groom was supported by his brother, Harry McLeod. The ushers were Blanchard Fowler, Roy Fenwick and George Kirk.

The number of beautiful gifts testified to the esteem in which the young couple are held, among them being a rocking chair, upholstered in silk, from the infant class of the church; silver candelabra from the Sunday school; and cut glass vase from the Junior Christian Endeavour Society.

The groom's present to the bride was a sunburst of pearls, and to the bridegroom a turquoise ring, while the bride presented to the best man and each of the ushers an ornate scarf pin.

After the ceremony a reception was held at the bride's home on Watson street, West, after which the happy couple leave for a trip to Boston and New York. On their return they will reside with the bride's mother on the West side.

ROBERTSON-WARD. This morning at six o'clock at the Cathedral of the Immaculate Conception, Miss Nellie Frances Ward became the bride of James Quinton Robertson, of the I. C. R. The ceremony was performed by Rev. A. W. Mesham, in the presence of only the relatives and immediate friends of the contracting parties.

The bride was attended by her sister, Miss Elizabeth Ward, while Charles Coulsham supported the groom. The bride wore a gown of castor shade broadcloth with white broadcloth bust to match. Her going away gown was a navy blue tulle made suit. The bridesmaid wore a cream gown of grey with white silk trimmings, and a black picture hat.

The bride carried an ivory covered prayer book, the gift of the groom. After the ceremony a wedding breakfast was served at the residence of the bride's mother, 12 Prince William street. Mr. and Mrs. Robertson left on the Calvin Austin for Boston.

ARCHIBALD-HAMM. A pretty wedding took place this afternoon at half-past two at the bride's home on King street west, when Miss Grace Gwendolyn Hamm, daughter of the late Mrs. E. Hamm, was united in marriage to Rylan McGregor Archibald, son of P. McGregor Archibald, of this city.

The ceremony was performed by Rev. B. N. Nobles in the presence of the immediate relatives and friends of the contracting parties. The bride, who was unattended, was gowned in white silk voile, with veil. Mr. and Mrs. Archibald, accompanied by the bridegroom, left by the Montreal express for a trip through upper Canada, and on their return will reside in Truro.

BURNS-MARSHALL. At Weymouth, N. S., this morning the wedding took place of Andrew Burns, son of James Burns of this city, to Miss Marie Marshall of Weymouth. On conclusion of a tour through Nova Scotia Mr. and Mrs. Burns will take up their residence in St. John.

REGAN-HOGAN. The wedding took place at Calais, today of Miss Alice Hogan, of Calais and Henry Regan, of this city. Several St. John people went to the border to be present at the ceremony.

LITTLEJOHN WANTS DAMAGES. May Sue for False Arrest — The Boxing Game Will Boom Here Now.

Dan Littlejohn, the local boxer, who yesterday won his appeal case now wants satisfaction. He does not think it fair that he should have been locked up in jail for four days accused of something he was not guilty of.

It is possible his friends are going to get redress? Chief Clerk was absent from the city at the time and the case was made by Deputy Chief Jenkins and several other officers. To proceed against the police would be useless as they were acting in good faith and their judgment was borne out by the police magistrate. Littlejohn, however, is after satisfaction and that it is possible his friends are going to get it for him.

The result of Judge Carleton's decision will be that St. John may have several good goes in the near future. Since Littlejohn and McLeod were arrested in the rink the game has been dead and no efforts have been made to bring outsiders here. Now, however, that the courts have decided that the police were wrong and that a sporting exhibition is not a prize fight it is altogether likely that number of fast outsiders may be seen here.

Of the locals Beth McLeod is now on his way to Buenos Ayres on a vessel of which his father is captain and is consequently out of the question, but Littlejohn stands ready to meet Foley, of Halifax, or any other man in his class. Several other goes are talked of and as an exhibition of the manly art Jack Powers is trying to bring Bob Fitzsimmons here.

MORE STOLEN GOODS FOUND. MONCTON, Sept. 13.—The police have made a further search of the premises of H. Herbert Leaman, the I. C. R. transfer shed clerk, and found in the cellar a lot of paints, oil, colored glass and other stuff, such as is kept in the I. C. R. stores department. Leaman previous to being sent to the transfer shed had worked in the stores department, and it is believed the thieving has been going on for three or four years, or practically all the time he has been in the service.
