No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from come other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an tencomfortable feeling in the stomach after eating, is kinguid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It gures diseases of the stomach and other organs of diseastion and nutrition. It enriches the blood, invigorates the liver, strengthers the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

The liver, kidneys and bowels must be kept active with DR. CHASE'S KIDNEY-LIVER PILLS. The liver and kidneys are over-worked in their efforts to remove the poisonous waste matter from the sys-tem. My Lord,-A few days ago we had the happy privilege of welcoming amongst us His Excellency the Apostolic Delegate sent by His Holiness

> We have marked with extreme pleasure the signal honors conferred on you, and through you on the Diocese, by His Holiness, and have noticed the joyful enthusiasm called forth by your elevation to this Bishopric by our fellow Catholics and fellow countrymen of other parts of Newfoundland.

We, the people of the Cathedral Parish, who look upon ourselves as being your own special children, take this occasion to greet you as our Bishop, to welcome you, and to assure Your Lordship that we will always do all in our power to second your efforts in advancing the interests of religion, and by our hearty and whole-souled co-operation light en the burden that has been placed upon you, so that, in the coming time we may feel that we have contributed to your happiness, and made your home here one that you will always return to with gladness, and that we. your own people who esteem ourselves your nearest, may be in your heart considered the dearest of your children.

Among the addresses which have been tendered you, many are more eloquent in diction and many mor eloquently expressed, but none more heartfelt, none more sincere than ours, and in tendering this and the small testimonial which accompanie t we pray that God may prosper you n the work which he has placed in your hands and spare you long to guide us in his holy service.

Signed on behalf of the people St. George's

RICHARD McDONNELL, J. P. R. J. McDONALD, M. D. A. J. O'REILLY. His Lordship in replying said how

greatly surprised he was by the unexpected gift which he found was a very large one, as he thought that the people of St. George's had already gone to great trouble and expense in preparing for the splendid reception given the Apostolic Delegate and himself. He deeply felt the expressions of love and loyalty conveyed by his dear people in the address which had just been read. Although he might not be called to the same monumental tasks as his predecessors, yet he hoped with God's help to do all tha was possible to him to deserve the good will and affection of his people throughout the Diocese and of his dear children of St. George's.

After the presentations Bishop Power took the train for Bay of Is lands on a short visit to Monsignor Sears who has been appointed Vicar General of the Diocese.

The thanks of this community are due to Magistrate McDonnell, Chairman of the Citizens Committee, and the other gentlemen who were members for the excellent manner in which all arrangements for the reception of the Delegate and Bishop were conducted. The whole celebration was, beyond question, a perfect success; and St. George's may well feel that it is now beginning to win its spurs and take its proper place aslet us say-the third city in Newfoundland .- Com.
