BYE-LAWS
OF THE
INCORPORATED
DIOCESAN CHURCH SOCIETY.

1st. At all the meetings of the Society or its Committees, before entering upon business, the "appointed prayers" shall be said.

2nd. His Excellency the Lieutenant-Governor for the time being, if a member of the Church of England, shall be respectfully requested to be joint Patron of this Society, with the Societies for the Propagation of the Gospel, and for Promoting Christian Knowledge.

3rd. The Bishop of the Diocese shall be President of the Society, and no alteration shall be made in the Bye-laws, or any proposition be adopted by the Society or the Executive Committee thereof to which his dissent shall be expressed, until the same shall have been submitted to the next Annual general meeting of the Society, and if such alteration or proposition be again adopted at such other meeting, it shall then take effect, notwithstanding such dissent.

4th. The very Rev. the Dean and the Archdeacon of Nova Scotia shall be ex. officio, Vice Presidents, whose number shall be limited to eight. There shall be also a Secretary, an Assistant Secretary, and a Treasurer.

5th. All members of the Church are invited to unite with the Society as Subscribers; and every Clergyman licensed by the Bishop, and all Laymembers of the Church of England subscribing not less than Five Shillings annually, or Ten Pounds at one payment, shall be members of the Incorporated Society, and entitled to vote at all meetings of the same. But no Subscriber shall enjoy any of the privileges of an Incorporated Member, whose subscription is more than one year in arrear. The annual subscriptions shall be considered due upon the first day of January in each year.

6th. The Executive Committee shall consist of the President, Vice Presidents, Secretary, Assistant Secretary, and the Treasurer of the

Society, who shall fill the same offices in the Committee; of all Clergymen licensed by the Bishop of the Diocese; together with twenty Laymen to be chosen as hereafter provided; and such other members of the Society as may be chosen by the local Committees, according to the ninth By-Law.

7th. An Annual Meeting of the Society, open to all its members shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August and September; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committees desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittance, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention :—

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision, to be appointed by the

- 6.—Assistance to the erection of Parsonage Houses.
- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishment at Windsor.
- 11.—It shall also be one of the objects of the Society, to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some members of the Church, who are not unmindful of the great spiritual wants of their own neighbourhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office, but all or any of them shall be eligible for re-election. The new members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

14th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

PRAYERS

APPOINTED TO BE USED "AT ALL MEETINGS OF THE SOCIETY, AND OF THE COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with thy most gracious favour and further us with Thy continual help ; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with thy favour our Sovereign Lady, Queen Victoria ; and so rule her heart that she may in all things seek Thy honor and glory. Prosper with thy blessings the designs of this Society. Comfort with thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy ; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hatest nothing that thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels, and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, Blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all thy goodness and loving kindness to us and to all men ; more particularly for the providential support by which this Society has been hitherto sustained ; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ ; to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be thy name ; thy kingdom come ; Thy will be done in earth as it is in Heaven ; give us this day our daily bread ; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil ; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

REPORT.

THE present meeting forms the 29th Anniversary in the history of the Society, and the Executive Committee are glad to embrace the opportunity of again expressing their gratitude to the Great Head of the Church for His past blessing upon the work of the Society, and their confidence in His care for the future.

The Committee observe with pleasure the increase in the clergy of the Diocese, and have the satisfaction of stating that the D. C. S. contributes to the support of twenty-three of the number.

The Committee beg to say that, although the special appeal made during last year caused a considerable increase in the income of 1866, yet they regret to observe that it does not seem to have been fully understood that the call was for a *permanent* increase of our funds. Nor do Churchmen appear to be fully aware that as the Block Sum granted by the S. P. G. yearly decreases, the income of this Society must be yearly increased or else the salaries of the missionaries must be diminished.

The funds of the Society being now pledged to the extent of \$3,870 during the year 1867, for support of missionaries, and being called upon to make up \$1,400 toward the deficit in the Block Sum, the Committee earnestly hope that a more vigorous effort will be made throughout the Diocese in support of the D. C. S., which, under God, must be regarded as the main stay of our Church, and they venture to appeal to all Churchmen for aid in fulfilling those engagements which the Society has entered into. The Committee cannot too plainly declare that unless the funds be much increased the salaries of some of the missionaries must be either cut off or diminished.

The Society has to mourn the loss of Colonel Myers, who for many years has been a member of the Executive Committee, and has discharged the responsible duties of Treasurer with unsurpassed accuracy and fidelity. We trust that his bright example in Christian piety has left its mark upon many, and that, as he is at rest from his labors, so his works may follow him. It rests with the General Meeting to appoint a Treasurer to fill the vacancy.

The income for the year 1866 was :

Widows' and Orphans' Fund.....	\$3,094.06
Superannuation Fund.....	2,205.92
Endowment of Parishes, of which \$331.50 was "in Trust,".....	2,274.13
Bishopric Endowment Fund.....	679.22
Reserved Fund.....	772.43
Colporteur Account.....	39.75
General Account.....	4,338.70
	<hr/>
	\$13,404.21

This shows an increase in the amount for general purposes of \$658.72 above the similar receipts for the year 1865, mainly owing to the special appeal put forth by the Committee. They regret that there is little prospect of a similar increase during 1867.

There has been paid out during 1866 :

For Missionaries.....	\$3,237.50
Books in lieu of Fourth of Remittance.....	73.60
Granted as an Outfit for Three Clergymen on Entering the Diocese.....	340.00
Toward a New Church at Glace Bay, C. B....	25.00
Parsonage at New Ross.....	60.00
Paid to Block Sum of S. P. G. to make up deficiency.....	500.00
Printing 28th Report.....	188.00
Contingencies, including the Secretary's Salary,	176.13
	<hr/>
	\$4,600.23

The balance in the Treasurer's hand at the end of 1866 was \$1,802.71, from which is to be deducted \$702.50, due as salaries to missionaries and *paid* in 1867; also \$500 voted for missionary purposes but not called for, also

Grant to Parsonage at Three Fathom Harbor....	\$80.00
Do. at Kentville.....	50.00
Do. at Port Medway.....	80.00

Do. at Stormount.....	50.00
Do. 2nd moiety Glace Bay.....	25.00

About \$50 more than that amount has been granted during the early part of 1867.

In accordance with the wish of the Committee, the following extracts from its minutes and those of the Sub-Committees are furnished by the Secretary.

THE EXECUTIVE COMMITTEE.

JUNE 15th, 1866.—\$200 was granted to meet \$300 from the people toward the support of a missionary at Ship Harbor. The grant to be reconsidered and reduced after one year.

OCT. 19th, 1866.—A grant was made of \$60 on the usual terms toward building a Parsonage at Melford (Port Mulgrave).

N. Clarke, Esq., having been compelled by ill health to resign his duties on the sub-committees of the Society, the Committee expressed their gratitude for his past services and made the following appointments to fill the vacancies thus caused:—

E. D. Meynell, Esq., a member of the Widows' and Orphans' Committee and of the Investment Committee, and W. C. Silver, Esq., member of the Committee on Salaries under \$600.

It was *resolved*, that all information relative to the transfer of the Block Sum of the S. P. G. to the D. C. S. be laid before the Committee.

\$20 was granted to the Rev. P. Filleul for the year 1866, in consequence of unusual expenses to which he had been subjected.

A grant of \$30 was made toward the enlargement of the Parish Church in Granville.

Also \$50 toward paying the debt upon the Parsonage at Kentville on condition of \$400 from the people *within two years*.

A statement was submitted shewing that the back interest on the Tennessee State Bonds had been paid by a new Bond, and that the interest upon the whole would in future be paid half yearly as usual.

It was agreed that the resolution passed Nov. 1865, relative to a grant of £40 stg. from the Block Sum to Tusket be acted upon.

The following resolution was adopted:

“That the Investment Committee be instructed to embrace every favorable opportunity for converting the amount now held under Bond and Mortgage, on account of this Society, into public securities; the Committee being of opinion that such securities are more desirable investments for its funds than bond and mortgage.”

DEC. 21st, 1866.—A grant of \$80 was made toward building a Parsonage at Three Fathom Harbor, Dartmouth.

A grant of \$120 each was made to two clergymen, lately arrived from England, as an outfit, it being understood that the money was to meet the expenditure for their passage money advanced by the S. P. G.

With regard to the desired information as to the transfer of the Block Sum of S. P. G. to D. C. S., the Bishop gave the following extract from a letter of the Secretary S. P. G., dated Nov. 24, 1866.

“With reference to the administration of the Block Grant, which was advised in my letter dated 13th July, 1865, I am directed to say:

(1.) “That the usual rule is that a grant is made to a person at a place; the place having no vested right in the continuance of the grant, which may be varied; nor the person if he removes to another place.

(2.) “So far as we can ascertain, the Very Rev. W. Bullock alone appears entitled to the Society's grant for life. If any other clergyman makes a claim it must be considered.

(3.) “The sum granted in 1840 stands now on the same footing as the rest of the Block Grant; and when any part of the grant of 1840 falls in, it becomes part of the Block, and is administered exactly as any other part.”

JAN. 18th, 1867.—\$00 was granted toward an outfit for the Rev. J. C. Cox.

The Secretary was directed to notify the Executors of the late Rev. T. C. Leaver that the Society claims, under the will, the interest on a legacy of £800 from the date of the marriage of the sister of the deceased.

FEB. 15, 1867.—The Bishop, in accordance with the request of the Committee, furnished the following list of places where an assistant clergyman could be advantageously employed.

CHURCH PEOPLE.		COMMUNICANTS.

Also Digby Neck, which has a grant of \$300 from the Society.”

The condition required from the people at Digby Neck was reduced from \$300 to \$200.

The Auditors reported the accounts for 1866 correct and satisfactory. Messrs Thos. Boggs and W. M. Brown, were appointed Auditors for 1867.

APRIL 26, 1867.—The Bishop having turned the attention of the Committee to the loss the Society had met by the death of Col. Myers, the following Resolution was passed.—

“ This meeting of the Executive Committee most sincerely deplore the loss sustained in the death of the late Treasurer, Col. Myers, who has for some years past kindly undertaken the duties of that responsible office, and who on every occasion set an example of Christian zeal and fidelity, and was always a generous contributor to our missionary work. The Committee respectfully tender a cordial sympathy with Mrs. Myers and the family of the deceased and direct the Society to furnish them with a copy of this resolution.”

The Secretary was directed to act as Treasurer until the annual meeting of the Society.

The Secretary having submitted a statement of receipts and probable income of the Society for 1867, it was felt by the Committee that they would not be able under present circumstances, to entertain any further applications for aid.

A sub-committee was appointed “ to consider how the funds of the Society could be increased in Halifax, and the number of subscribers enlarged.”

MAY 17th.—W. C. Silver, Esq., was appointed to the Investment Committee and Block Sum S. P. G. vice Col. Myers, deceased.

J. T. Wylde Esq., was appointed to the Superannuation Committee, vice Col. Myers, deceased.

The Committee on increase of Income, presented their report. In accordance therewith, the Committee appointed the Church-Wardens of each of the City parishes to be Sub-Committees, for the purpose of soliciting Subscriptions to D. C. S. from those who have not already Subscribed for 1867.

The grant to Rawdon of an additional £60 for the year 1866, was passed. Notice of motion was given that the estimated value of Rawdon Glebe and parsonage as made in 1865, be not considered permanent.

The place of residence for the Assistant Missionary at Digby Neck, and the duties he should perform were left to the Bishop to determine.

A draft of the Report was read and submitted by the Secretary. It was then adopted as the Report of the Executive Committee and ordered to be printed as usual.

WIDOWS' AND ORPHANS' FUND.

DEC. 8, 1866.—It was agreed by the Sub-Committee that the increased rate of premium of a Clergyman lately gone to reside in Bermuda should be $33\frac{1}{2}$ per cent.

A certificate was granted to the Rev. J. P. Sargent upon the usual terms, viz. the payment of all back premiums.

A certificate, forfeited for non payment in due time, was renewed upon payment of a fine.

The Sub-Committee expressed an opinion in favor of investing in Bond and Mortgage, care being taken to obtain such securities as would be readily available.

There are now fifty three clergymen holding certificates, one of whom resides in Bermuda and three in P. E. I.

Their united premiums amount to \$581.48 per annum.

The claims upon the Fund amount in all to \$1200 per annum.

The Invested Funds are—

10 Provincial Debentures.....	\$5,007.50
16 City Bonds.....	6,400.00
1 Share Temperance Hall.....	14.00
Mortgages.....	5,200.00
Note of Hand.....	1,200.00

\$17,821.50

Bearing interest at 6 per cent., also in Savings Bank, at 4 per cent., \$599.93.

It will be observed that the interest on the capital nearly equals the claims upon the funds.

The Committee have the satisfaction of reporting that this Fund is steadily though slowly increasing. In some parishes the collections seem to have been devoted to this object in place of the W. & O. Fund.* There are now no charges upon the Fund.

CHURCH ENDOWMENT FUND.

In October 1866, the Secretary by direction of the Committee addressed a circular to the Clergymen of the several Parishes, with a copy of the Resolution passed by the D. C. S. setting forth that the Block Sum of the S. P. G. fell £250 per annum short of the amount required to pay the Clergy, on the S. P. G. List, and earnestly requesting that they would adopt such measures as they might deem advisable, to obtain the collections of the subscription due to this Fund; and they suggested the appointment of a confidential person in each parish to make the collections, who might be allowed ten per cent. on the amount paid to the Treasurer.

It is to be regretted that this suggestion has not produced any large amount only \$1181.50 having since been paid in,—the Committee, however hope that the circular referred to may be more fully carried out, and by a decided and earnest effort, the sum required to make this Fund to go into operation may be realized. A full statement of the Fund will be made to the General Meeting of the D. C. S. in July next.

May, 1867.

The Executive Committee of D. C. S., in concluding their Report subjoin a memo. of the amounts *received* from the several Parishes up to May 24th, for the year 1867. They much regret to find that the income for this year will probably fall at least \$800 short of the receipts for general purposes in 1866, and will not be nearly sufficient to meet the demands upon the Society.

We give the following extracts from Correspondence as tending to show the progress of our Church work.

From the missionary at Lower Granville :—

As you will be expecting some Report from me for the past quarter, I will send you a short account of my work. We are now able to give each of the three Churches of the Parish the benefit of a weekly Service. Also in a meeting House on the other side of the mountain, built and used by all Denominations, Mr. De Blois and myself each hold a Service once a month.

I also find time (weather permitting) to hold a Service in the District School room at Victoria Beach.

At this end of the Parish (Lower Granville) I have been endeavouring to rectify the prevailing error of attending the Church Services without joining in them, and the practice of responding is, I think, a little more general than it was, but it takes a long time here to make people leave off old customs, however sad. Yet I cannot but hope that in Parishes like this, where the advance of the Church is necessarily slow, it may be for that very reason the more steady and continuous.

I am endeavouring to improve the singing in the Church at Granville Ferry, by teaching new tunes and better music than the Choir had previously been accustomed to. I think this part of my work may in time do some good, by making the Church Service more attractive, through the blessed influence of stronger union and heartiness in Divine Services. Before I can hope to effect anything of that kind here at Lower Granville, I shall have to form a new Choir, and teach music from the beginning; and you can well imagine that this will take time in a Parish of this kind. I receive considerable encouragement in the work of Catechising in the Church both at the Ferry and Upper Granville, but here though I maintain the practice as far as possible, yet the work at present is to persuade the younger members of the Church to attend the Class. My main Parish work, therefore, is District Visiting, of which I make all the use I can by reading and commenting upon Scripture, by exhortation and Prayer. As the Divisions and differences of religious views not only in this Parish, but in almost every family in it, are well known, I need not inform you of their hindrances thus caused to the work of the Church.

From the missionary at Melford:—

The number of Parishioners I hope by and by to get correctly, also the number of Church families, Parishioners and Communicants. The present is not a good season to commence Sunday Schools, and I hope in the Spring to establish them at all three districts. I have a service at the Ponds every fortnight and regularly every Sunday here and at Melford.

I am very sorry to find so few understand our prayer book. I now and then have to ask the congregation to kneel, or stand up as the Rubrics require: few make the responses, though on this point by visiting and speaking of it to the people, by their own firesides, I find we are improving. My endeavours to *improve* the singing here, and to *introduce* it at the other two stations, are well responded to by the people. Here in Port Mulgrave we have really *good* singing now, and collections are being made by two for a harmonian. I hold public singing practices, (just for our Sunday Services only) in all three places. Here, about 30 attend, and so much do those that come like it, that after being once present they never stay away again.

At the Ponds I find that my more frequent services are valued, so that I had little trouble in obtaining the promise of \$200 for a Church. I began this subscription list last Monday week and the Tuesday being so severe a

day with a plentiful wind and snow storm I did not stay to continue it but came back. Next Monday I hope to add another \$100. In no place hardly is a Church more needed than there : the congregations are always larger than they are either here or at Melford. I hope to be able to collect *altogether* \$400; will not the D. C. S. help us. It is quite saddening to see 70 people (my usual congregation there) all huddled together for Divine worship, in two rooms.

From the missionary at Glace Bay :—

The office bearers of the Glace Bay Branch of D. C. S. for this year are P. W. Johnston, Secretary, and myself President. I send you our list of subscription and hope that it will be in time for the Annual Report. It is \$94 this year against \$62 last. Although the coal trade, our main dependence here, has been very dull, I am glad that we have been able to increase our contributions to D. C. S. In the course of a few days I will send you the greater part of the Annual Subscriptions.

APPENDIX.

RULES OF THE WIDOWS' AND ORPHANS' FUND.

The following is the 11th object of the Diocesan Church Society :

"It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, but no part of the Society's funds shall be appropriated to this object except such as shall be specifically given and paid into the Society therefor."

1st. In accordance with the above, the Society will open a special account for the object to be called "The Widows' and Orphans' Fund." This fund shall be formed and consist of all subscriptions, donations, legacies, and other contributions, given and paid to the Society for this special object, and of all premiums received under these rules, and of all benefits arising therefrom; and this fund shall be held and applied to and for this particular object, and no other.

2nd. A standing sub-Committee of seven members shall be appointed, in whom, together with the Secretary of the Diocesan Church Society, (who shall be paid as Secretary of this sub-Committee,) shall be vested the whole management of this Fund.

3rd. The Diocesan Church Society undertakes to pay, out of this Widows' and Orphans' Fund, the pensions which become due under the following rules.

4th. Every Clergyman of the Church of England within the Diocese wishing to avail himself of the benefits of this fund, shall, within six months from the 10th October, 1855, or within one year from taking orders, or from his admission into the Diocese, apply to the Secretary for a certificate of pension, and shall pay the annual sum or premium therefor, as hereafter mentioned.

5th. Any applicant, after such period of time, shall only be permitted to receive such certificate at the option of the sub-Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every clergyman applying for a certificate, according to his age at the date of his first application; it being understood that any parish or congregation contributing to the fund more than £2, then the excess be counted toward payment of the premium of the minister or ministers for that year:

12th. The widow of every Clergyman who shall have paid the annual sum or premium (subject to the above exceptions) shall receive a pension of £25 per annum during widowhood.*

13th. If at any time it is the opinion of the sub-Committee that the state of the funds will safely warrant their doing so, they shall have power to increase the amount of the pensions.

14th. If the widow die or marry again before the expiration of ten years from her husband's death, the child or children of her deceased husband shall receive the pension for the residue of ten years. But no part of the pension shall be received by those children who have arrived at the age of sixteen years, if males, or eighteen years, if females, while those who are still under those respective ages will receive the full amount of the pension.

ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Sub-Committee, were adopted by the Standing Committee, May 17th, 1850 :—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Sub-Committee, and to be conveyed and held for the benefit of the incumbent or resident Missionary, for the time being, of any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Church Society.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension.

V. The Endowment Sub-Committee shall hold any sums contributed toward the endowment of any Parish or Mission, as well as the reserved one-fourth of any contributions that may be made by any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Sub-Committee, such opportunity or proposition for Endowment shall come within the true intent and scope of the foregoing regulations, they shall authorise the said one-fourth to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the Standing Committee of the Diocesan Church Society at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Sub-Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Diocesan Church Society in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Sub-Committee to form a correct judgment. All such applications to be made to the Secretary of the Diocesan Church Society, who is ex-officio Secretary of the Endowment Sub-Committee.

The Endowment Sub-Committee, in a Report to the Executive Committee, dated May 11th, 1863, made the following recommendations:—

“That while no restriction is made as to the sum which a Parish may withdraw from its *Reserved Fourths*, and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Society and the interest be payable to the incumbent.

“With reference to the control of the Society over the *Reserved Fourths*, the Committee state that they have no wish to interfere in any way with the right of the Parishes to manage their own property. They would merely, for the better security of this fund, for the support of the Clergy, recommend—That a Rule be adopted which would require that, when an investment made by any Parish from its *Reserved fourths* may be paid off, the money be returned to this Society to be held under the same Rules, and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted by the Executive Committee,—the second is still under consideration.

CHURCHES.

Every application for aid in the erection of a Church must contain the following information:—

- 1.—The precise situation, especially with reference to the nearest Church and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society, without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished. Grants to Parsonages are made on similar conditions.

"The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given."

"It is the opinion of the Executive Committee that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member, but that any person may devote his money to any particular object which is recognized by the Society."

FORM OF LEGACY.

"I give to the Diocesan Church Society of Nova Scotia, the sum of _____, to be applied to the general purposes of the Society." And the Receipt of the Treasurer of the Society shall be sufficient discharge for the same.

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.

"The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the Endowment Fund of their Parish or Mission, all the proceeds of whatever glebe lands may be in that Parish."

At a meeting of the Executive Committee, October 19th, 1855, the following resolution was adopted:—

"That in future all subscription lists received before the 31st March in each year, will appear in the next forthcoming report, while those received after that date shall be omitted."

At a meeting of the Executive Committee, April 18th, 1856, it was directed:—

"That if reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Society."

☛ The attention of the Local Committees is particularly requested to the above resolutions.

At a meeting of the Executive Committee, Feb. 19th, 1858, it was
"Resolved, That in future all applications for aid from this Society be proposed at one meeting of the Society and considered at the next."

At a general meeting of the Society, Nov. 11, 1859, it was
"Resolved, That the Executive Committee be authorized to grant, at their discretion, a sum of money not exceeding £40, towards an outfit for any newly ordained Clergyman of the Church who may require such assistance, previous to his assumption of actual duty in the Province."

"That no person shall be qualified to vote at any general meeting of the Society, nor to be elected a member of the Executive Committee, who has not been a Subscriber for three months preceding the day of meeting"

"It is the opinion of the Executive Committee that it is the intention of the Society to have the annual payment of the shillings to the general objects of the Society constituted a member, but that any person may devote his money to any particular object which is recognized by the Society."

FORM OF TREASURY

I give to the Diocesan Church Society of Nova Scotia the sum of _____ to be applied to the general purposes of the Society. And the receipt of the Treasurer of the Society shall be sufficient discharge for the same.

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.

"The Society will not make its management toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the maintenance fund of that Parish or Mission, all the proceeds of whatever globe lands may be in that Parish."

At a meeting of the Executive Committee, October 19th, 1855, the following resolution was adopted:—

"That in future all subscriptions here received before the 31st March in each year will appear in the next forthcoming report, while those received after that date shall be omitted."

At a meeting of the Executive Committee, April 18th, 1856, it was decided:—

"That if reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Society."

The attention of the Local Committees is particularly requested to the above resolutions.

ANNUAL GENERAL MEETING.

The annual general meeting of the Society was held in the National School Room on Monday July 2, 1866.

The Right Rev. the President took the chair at 2 P. M.

The following officers were appointed for the ensuing year. The Rev. E. Gilpin, Secretary, B. G. Gray, Esq. Assistant Secretary, Col. Myers, Treasurer—also as new members of the Executive Committee: W. C. Silver, Esq., Com. Gen. Graham, T. B. Akins, Esq., J. B. Young, Esq., S. A. White, Esq., J. T. Wyld, Esq., J. Albro, Esq.

In accordance with notice of motion the 4th. Bye-Law was thus amended—"The Dean and the Archdeacon of Nova Scotia shall be *ex officio* vice Presidents, whose number shall be limited to eight. There shall be also a Secretary, and assistant Secretary, and a Treasurer."

It was resolved that £100 stg. be paid to the Block Sum of S. P. G. for the next year in place of £75.

A list was read showing the amounts promised and the sums paid to the Church Endowment Fund.

It was resolved "That whereas the Block Sum of S. P. G. now falls £250 per annum short of the amount required to pay the Clergy on the S. P. G. list, the Society earnestly request the Church Endowment Committee to adopt means for the immediate Collection of the Subscriptions due."

Notice of motion was given—"That the Society recommend the Widows and Orphans Committee that if the fund should so increase as to allow of a higher pension than \$200, then the surplus above that sum be appropriated for the benefit of orphans."

Notice of motion was given "That the Church property in any parish which is actually occupied by the incumbent of the said Parish, be valued by competent valuers upon his taking charge, and be considered at the same value for purposes of salary during his incumbency; and that the valuers be appointed as follows.—viz. one by the Parish, one by the Executive Committee, D. C. S., and another by those two."

It was resolved that all names of the Subscribers to D. C. S. be printed in the Report as heretofore.

Notice of motion was given for a change in the 2nd. Rule of W. and O. fund—viz, to omit the word "whole" and to add to the Rule "subject to the supervision of the Society."

Notice of motion was given for a change in the 5th. Rule of the W. and O. Fund.
