MC2035 POOR DOCUMENT

...the shore-wall, watch
ed from the height,
Until our galleons faded far into the
night.

Ab, but success seemed sure to us as we
watched them sail away;
Fame and gold flung their lure to us o'er
the rainbow-tinted spray;
Other ships might be lost at sea, wrecked
on the coast of Barbary,
Sunk or shattered—small care had we—
ours would come back one day.

Weary days we watched for them, but
they never came;
Down behind the shore-wall sank the sun
like flame,
Up against the shore-wall bits of wreck-
age beat,
Brought to us by wind and wave—tidings
of our fleet.

Then for a while hope died to us, for a
while despair held sway,
Until faith rose again for a guide to us
and held us on our way.

The ships we watched from the old shore-
wall were gay with flags in their
topmasts tall.

Now we are building them grey and small
—mere cargo-boats are they.

And up the shallow channels where the
small craft go,
We watch our little cargo boats plying to
and fro—
We, who sailed great galleons out across
the foam;
Ah, but we are happy when our little
boats come home!

—Edna Valentine Trapnell, in *Munsey's Magazine*.

AND THE CITY

...see not know to what ex-
tent are justified in co-operating
with the board of health in sanitary mat-
ters, or in the enforcement of regulations
for clean streets and sidewalks; but the
question is worthy of consideration.

The chief of police, who has visited many
other cities, and learned conventions of police
chiefs, and learned much that is of value
concerning the relation of the police to
civil affairs in general, would earn the
gratitude of his fellow citizens by giving
detailed instructions to the force, and if
he lacks sufficient authority to do all that
should be done, urge upon the city council
the need of additional by-laws to meet the
case.

The members of the police force should
be more than search out criminals,
drunken men, and try the doors to
if they are locked. They do more,
not nearly all that could easily be done
course of their regular duties, with-
out exhaustive effort.

On streets and sidewalks of St. John
kept clean. The reason is that
no punishment for the persons
or them with rubbish. It would
satisfactorily easy task to create the
real feeling that it would not be safe
throw waste paper and garbage on the
street, or sweep the dirt from a store-
room sidewalk into the gutter, to be
seen about by the winds.

Of course there ought to be a public
penalty which would force upon such acts,
it is not in evidence, nor will it be
until the police make it more profitable
for all citizens to be careful in their habits
and the reverse.

At all events, let us have a clean city
at the exhibition period.

FAIRLY CAUGHT

...emier Hazen should instruct the Stand-
ard to avoid discussion of the state of the
day.

The Standard printed two
lines of a section of road near Fair-
bank county, showing piles of
rubbish on the side of the road, en-
tirely unattended upon the road itself.
The Standard explained
that there by A. F. Bentley, M.
...defiance of Road Commission-
er, and the owner had refused to
with Commissioner Robinson's re-
quirement.

It is not an answer to the
story that the Standard did not
at the surface of the roads of the
area in a generally wretched condi-
tion and an attack upon Mr. Bent-
ley is an opponent of the govern-
ment.

It is true that the Standard did
not print that some of this wood
was piled on the roadside by Com-
missioner Robinson himself, and sold by
Bentley; and that none of Mr.
Bentley's own wood was piled any nearer
than that of the road commis-
sioner, only so, but Mr. Bentley told
the Standard that it was necessary
to get the wood in order to re-
pair, he (Bentley) would pay for

CONVICTS' CODE IS VIOLATED; PRISONERS PUT HIM TO DEATH

...Russian Prison Furnishes Grim Story—Throat Cut With Piece of Glass

St. Petersburg, Aug. 31.—Russian prison conditions are once more illustrated by a grim story which comes from Astrakhan.

Long term prisoners in Russia have what they call a convicts' code, which is a system of code of honor among themselves, infringements of which are punished by various forms of torture. There is also a sentence of death, which in this instance was pronounced for some offence upon a fellow-prisoner.

The man's throat was cut with a piece of glass. To conceal their deed the murderers hid the body to the bare window, moving its arm about so as to prevent clamor through the window. A sentry outside saw the supposed fugitive and fired three shots into him.

Afterwards it was discovered by chance that it was not the bullet that had caused the man's death.

PILE-S

...DR. CHASE'S OINTMENT.

FOR ST. JOHN

A HINT FOR ST. JOHN

Toronto newspapers are calling upon the citizens of that city to decorate their homes and places of business with flags, bunting and evergreens, during the couple of weeks the Toronto Exhibition is being held. The Ottawa Journal urges Ottawa to adopt a similar course during the period of the Central Canada Exhibition in that city. What it says applies equally well to St. John. We quote:—

"Individual decorative effort can accomplish much with but little trouble or expense. And in addition to giving the city a holiday appearance, and thus persuading people to stay for a longer time than arranged, once they are here, it also gets the citizens themselves interested in the Fair week to a greater extent than otherwise might be given. The merchants, usually at exhibition time, arrange window decorations which leave nothing to be desired. If the merchants would go a step farther and decorate the exterior of their buildings, and the private citizen hang out flags, the effect would be well worth the trouble. Possibly such suggestions might be embodied in a civic proclamation issued by the mayor, in connection with the exhibition. That is the manner in which the subject will likely be introduced to the people of Toronto in connection with the Toronto Industrial. At any rate, the subject is worth the attention of the city council at its next gathering."

THE BROAD VIEW

The Rev. David Long, formerly an esteemed Baptist minister in St. John, but now of Vancouver, said to the Times-Star yesterday, discussing religious matters in Canada, that broad views must prevail. We must think less about denominational differences and provincial boundaries, and more about our common citizenship, and the welfare of Canada as a whole. Speaking in British Columbia yesterday, on political questions, Sir Wilfrid Laurier as a parting word, urged the people to speed the time when less would be heard of east and west, and more of the Dominion as a whole. The minister and the statesman, each from his own viewpoint, surveying the complex problems and diverse characteristics existing in the one commonwealth, so widespread in area, and of so many varying interests and different types of human life, saw that the greatest enemy of progress would be a narrow provincialism, and that only a broad vision could see the Dominion of Canada proceeding to take her rightful place among the nations.

THE HISTORY OF H. P.

Every popular commodity has a history of its own. The history of H. P. Sauce—we think it will interest you.

At Birmingham, England, there is a very large malt vinegar brewery, in fact, the largest in the world, and as malt vinegar is the essential foundation of all high-class sauces, the proprietors of the vinegar brewery are constantly in touch with all kinds of sauces.

Now some time ago, it occurred to them that nearly all the sauces on the market were far too thin and pungent, and too imperfectly blended. The proprietors of the name of H. P. Sauce, and they had an excellent idea. They had a very excellent fruit vinegar, and they placed on the market a very moderate price per bottle. It was a moderate price, and it was a moderate price.

They forthwith began to experiment very carefully with their great vinegar brewery. They had a very excellent fruit vinegar, and they placed on the market a very moderate price per bottle. It was a moderate price, and it was a moderate price.

They forthwith began to experiment very carefully with their great vinegar brewery. They had a very excellent fruit vinegar, and they placed on the market a very moderate price per bottle. It was a moderate price, and it was a moderate price.

ESTIMATE OF TIMBER LOSS IS ENORMOUS

Fires in Western States Believed to Have Destroyed or Damaged 750,000,000 Feet

Spokane, Wash., Sept. 1.—Expert cruisers in Spokane, who are now compiling reports from the burned districts in Idaho, Washington, Oregon and Montana, estimate that the forest fires destroyed or damaged more than 750,000,000 feet of timber in the four states.

Converted into merchantable lumber, it is estimated this timber would have supplied building material for the construction of from 50,000 to 55,000 four and five-room cottages, or enough to house the entire population of any city in the four states.

To reduce this timber to commercial uses would keep 400 sawmills in the inland Empire busy from five to six months, while at the present cost of cutting and marketing, it would have received \$7,500,000 in wages.

A. J. Davis, secretary of the Coeur d'Alene Timber Protective Association, says that while the loss of life has not been as large as the dispatches have indicated, he estimates the timber loss in that part of northern Idaho is not less than 500,000,000 feet.

James P. McGoldrick, of Spokane, president of the Western Pine Manufacturers' Association, believes the fire losses in Idaho have been greatly exaggerated, though he admits the situation probably is the worst in the history of the Pacific Northwest.

"According to recent estimates, there was 350,000,000 feet of standing timber in the inland Empire forests," Mr. McGoldrick said. "The lumber interests have hit hard and the losses are enormous, but I am of the opinion that many of the reports sent out were gross exaggerations."

COCKBURN H.C.R. OF FORESTERS

High Messenger—J. McDonald.
High Org.—Mrs. Daigle.
High Senior Beadle—John Fleming.
High Junior Beadle—Harry M. Blair.
It was decided to meet in Moncton next week in the second week in July.

The committee on the state of the order urged visits by officers of the high court to the smaller courts. They approved of the action of the supreme court in siding with the Campbellton fire sufferers and it was agreed that the high court assume the dues and supreme court assessment for Court Rossignolle for the balance of the year.

The special committee appointed to prepare a resolution on the death of Dr. A. W. McTear, submitted a resolution in which they referred fittingly to the loss sustained by the order in his death.

Yesterday afternoon the visitors were entertained by the local members at a sail down the Miramichi on the steamer Alexandra.

MUCH SMALLER HATS THE RULE FOR STREET WEAR

Close coiffures and over them closely fitting hats; that is the Paris mandate now—it set down over the hats of dark grey felt with a turned up border, evening, a little old-time lace cap fits over the hair first. This new fall turban might almost be the crown of one of last season's hats, used without a brim, so closely does it set down over the hair. The model is of dark grey felt with a turned up border of paisley printed velvet and a smart quill thrust through the velvet at one side.

The Evening Chit-Chat
By RUTH CAMERON

A FEW LEAVES FROM THE DIARY OF A STOMACH.

10 a.m. Oh, dear, another hot day. Wonder if I'll be abused as I was yesterday. If I am, I'm going to strike. Just disposed of a half-chewed breakfast. We ran for the train, which meant that I was so jiggled about and so tired that it took me twice as long to do my work. Hope she gives me an hour or two of complete rest, before anything more comes my way.

10:30 a.m. Two glasses of ice water have just arrived. It will take all the energy I can pump up in the next hour to warm me up to normal again.

10:40 a.m. Half-chewed breakfast didn't satisfy her and she has bought some peanuts and started eating them.

11:20 a.m. Think she has finished them, though.

12:30. Decided she wasn't very hungry and instead of a good solid dinner sent me down a cold egg nog, heavy with chocolate. Could have managed it all right if I hadn't been so cold, but that makes it terribly hard to deal with.

1:10 p.m. More ice water!

1:20 p.m. She has been "lifting" some "heavy" books, and as usual, used my muscles instead of her arms muscles, as she should have done. Tired me more than digesting a six-course dinner.

7 p.m. Fried potatoes, green corn, veal and blueberries. What do you know about that!!!!

7:45. We are going down town for a chocolate walnut college ice!!!!

8:20. Got home and found some one had made some lemonade. She drank two glasses. That on top of the college ice settles it. I strike.

8:40. Returned back the college ice and lemonade.

8:50. And the veal.

9:10. P. M. She has sent for the doctor. Says that college ice must have had something the matter with it. Her mother says it is probably the weak stomach she inherited from her father.

9:30 P. M. Doctor says it's just a little upset, due to the hot weather. Good-night!!!!

Daily Hints for the Cook

BAKED CORN.
One cup cold boiled corn, cut from the cob, one cup milk, one egg, salt and pepper to taste; Bake one-half an hour till set like a custard. Serve hot.

COGNAC CUSTARD PIE.
Three tablespoons cognac, 1 table-spoon sugar, 3 eggs beaten with 1 teaspoon flour, 1 quart milk, a little salt and nutmeg. Bake with hot crust.

VEAL CUTLET IN GRAY.
One slice veal steak. Remove bone and cut in size you wish to serve. Place in frying pan with one cup water, cover and allow to simmer. Add seasoning and a good piece of butter. Turn and let cook slowly about one hour, and just before removing add half a cup of milk or cream. Easy to cook and tastes like chicken. For those who like the flavor add one small onion when the seasoning is added.

APPLE FRITTERS.
Wipe, core and pare four sound apples, make a thick batter with two tablespoons flour, half teaspoon salt, one teaspoon baking powder, half cup milk. Stir flour, baking powder and salt together, add milk by degrees, beat till free from lumps, cut apples into rings half-inch thick, dip each ring in sugar, then into batter, fry in hot fat till golden brown and apple is soft, and drain on soft paper.

COLONIAL CAKE.
One half cup butter, 1 1/4 cups granulated sugar, 2 eggs, half cup cream or rich milk, half even teaspoon soda, one even teaspoon cream tartar, two cups of pastry flour. Half cup seeded raisins. Add whites of eggs last and bake in tube pan. When cold frost with a heavy white icing that will contrast prettily with the yellow of the cake. Citron sliced in thin strips may be used instead of raisins, or in combination with them.

VASELINE NO GOOD FOR HAIR

Dandruff Germ Thrives in it, as Well as in All Grease

A well known Chicago hair specialist, invited the Inter-Ocean reporter to come to his office and see, under a microscope, how the germ that causes dandruff thrives in vaseline. The specialist said that all hair preparations containing grease, simply furnished food for the germs and help to propagate them. The only way to cure dandruff is to destroy the germ, and the only way to do this is to use Dr. Martel's Female Pills.

Dr. Martel's Female Pills SEVENTEEN YEARS THE STANDARD Prescribed and recommended for women's ailments, a scientifically prepared remedy of proven worth. The product of their use is quiet and agreeable, and is available at all drug stores.

WATER BOARD MEETING

At a meeting of the water and sewerage board yesterday the water assessment for the year as published in yesterday's Times was signed.

Ald. McGoldrick brought up the matter of the water tax against Reed's castle, owned by the sons of the Sacred Heart. The amount \$232, he thought, was rather large considering that the property was not being used. The engineer was instructed to bring in a report.

On motion of Ald. Smith, it was decided to recommend that the water system be extended in Woodville road and Bay Shore road, provided the residents guaranteed 6 per cent. of the cost. The estimated cost was \$2,200.

It was decided on motion of Coun. Barnhill to lay a water main in Sand Cove road, if the necessary guarantee of 6 per cent. was made. It was decided not to extend the water main in Morris street, the revenue would not warrant it.

There was some discussion regarding precautions against sewerage in Spruce Lake and Coun. Curren agreed to bring the matter to the attention of the board of health. Tenders were opened for a water main in Cross and Nelson streets, Carleton Place. These were from:

John Wheaton—Rock, \$3.50; earth, 75c.
George Murray—Rock, \$3.50; earth, 75c.
McGough & Pierce—Rock, \$4.50; earth, 75c.

The tender was accepted.

The following recommendations from the engineer were adopted; that a catch basin be placed at the corner of Loddon and Charlotte streets west; that Elizabeth Perley's request for a refund in her water tax be refused; that a new sewer be laid in John street west, and a cottage at Silver Falls be leased to David Patterson for \$20 a year.

The engineer's estimate of cost for diverting the sewers at Marble Cove, \$8,000 was referred to the council without a recommendation. The extension of the sewer in Wentworth street for school purposes was left to the engineer. The engineer's recommendations to extend the sewer in Market Place, west, and Military road were agreed to.

The matter of placing water and sewerage in the house of Miss Murphy, Rodney street, was left to the engineer and Ald. Scully. The water engineer in King street west was left to the engineer.

HERE'S CERTAINTY

I Will Cure You of Kidney Disease or Furnish You Medicine Free

I know I can furnish medicine that will almost always effect easy and positive relief for kidney ailments. I am so certain of this that I sell every bottle with my printed guarantee that the medicine shall cost the purchaser nothing should it fail to do as I claim.

I have been recommending and selling this medicine to a considerable extent, and am receiving the best kind of evidence that it is doing exactly as I said it would. That's why I can safely and truthfully ask all my neighbors to try it at my risk.

My treatment consists of Rexall Kidney Remedy, which is one of the finest pharmaceutical preparations I know of for overcoming kidney, bladder and urinary derangements, and for all ailments of the urinary system, such as any kidney or urinary disease, such as any stores and get a bottle of Rexall Kidney Remedy. They can try it as they please, and if they are not satisfied, I will refund the money. I do not dare make this offer were I not positive that the result will be as I claim. Rexall Kidney Remedy comes in two sizes, 50c. and \$1.00 per bottle. Sold only at my stores—The Rexall Store, Chas. R. Wason, 100 King street.

The Visiting Clergymen

With Mayor Frink and Archbishop Raymond, Archbishop Madden and Rev. Dr. Hanson, paid a visit to the High School yesterday afternoon. After the party accepted an invitation of John E. Moore to visit his bungalow, where they spent a pleasant hour.

Archbishop Madden and Dr. Hanson delivered addresses in St. Luke's church last night for the purpose of stimulating interest in the work of the Evangelical Alliance here. The speakers were introduced by Ven. Archbishop Raymond, after a prayer and hymn service. Archbishop Madden spoke of the aims and objects of the alliance and Dr. Hanson spoke of the principles of the alliance.

British Columbia Tour Ended

Crest, B. C. Aug. 31—Sir Wilfrid Laurier and his party today concluded their tour of British Columbia with meetings at Cranbrook and Fernie.

In closing his address at Fernie, Sir Wilfrid took occasion to express his appreciation of the reception accorded him throughout the whole province, irrespective of party affiliations.

"British Columbia is bigger than I thought when I left Ottawa eight weeks ago," he said. "Your goodness and hospitality have warmed my heart, and will ever be remembered."

John Bartlett and Thomas Carle, of St. Mary's, have caught what is believed to be a record sturgeon for the St. John river. The fish was about eight feet six inches long, weighed 300 pounds, the head alone weighing 37 1/2 pounds. The fish was caught between Oromocto Island and the mainland and has been sent to the Boston market.

Cold Storage Co. Meeting

The annual meeting of the New Brunswick Cold Storage Company was held yesterday afternoon at 4 o'clock in the offices of the company, when the following officers were elected for the ensuing year: Colonel John B. M. Baxter, K. C. president; John W. Vanwart, vice-president; A. S. McCoun, Ottawa, secretary-treasurer; and Henry R. Ross, manager. The executive is composed of the officers and F. O. Lewis, Montreal, and George McAvity.

The reports of the last year's business showed that there had been a decided improvement. It was said that no action was taken regarding the reported opinion on the plant given to the C. P. R.

At Oswatimie, Kansas, yesterday, Theodore Roosevelt made a striking address in which he advocated a creed of progressive republicanism. He aligned himself definitely with the progressive movement and submitted a platform of eighteen articles.

Red Rose Tea is so popular because "it's good tea" and because when you buy a package you have the comfortable feeling you're getting an article fully worth every cent you pay for it.

RED ROSE TEA is good tea

Prices: 30c., 35c., 40c., 50c. and 60c.

MR. BENTLEY GIVES FACTS OF THE MATTER

Standard's Article Very Misleading—The Road Commissioner and The Wood

A. F. Bentley, M. P. P. for St. John county, writes to The Telegraph regarding an article which appeared in the Standard yesterday morning, in which it is alleged that Mr. Bentley is responsible for the bad condition of the highway road passing through Fairford, on the way between the city and St. Martins. The Standard stated that a quantity of pulpwood owned by Mr. Bentley and piled along the highway was a danger to traffic. It also alleged that Mr. Bentley had been notified by John Robinson, road commissioner, and John McDonald, jr., secretary-treasurer of the highway board for the parish of St. Martins, to remove the wood, but he had refused.

Mr. Bentley gives emphatic denial to these charges and throws a little light on the subject in his letter, which is as follows:

To the Editor of the Telegraph.

Sir—I notice in today's issue of the Standard an article with reference to some pulpwood piled along the highway in Fairford, which I think is misleading and unfair.

It is true that I, in common with other lumber operators in the district, owing to lack of snow for hauling last winter, were compelled to yard out a quantity of lumber and wood and pile it at points along the highway where it would be possible to load it on wagons. I am not aware that the above course should render me liable to be singled out as a public offender.

That the public have been inconvenienced or endangered by the wood, I deny. The road in that locality is very little traveled, not more than five or six teams on an average passing each way in twenty-four hours.

A part of the wood in question I bought from Mr. Robinson, road commissioner. Mr. Robinson cut this wood from his own lands and piled it on the sides of the highway, where I bought it, and in no case is the wood cut from my own land, piled any nearer the road than are these piles of Robinson wood.

The statement in the Standard article that the wood has prevented repairs to the road in that district is also misleading, because in the first place I told Mr. Robinson if there was any wood in his way when repairing the road to have his men move it, and I would pay the cost, which he agreed to; and in the second place, there are four miles of extremely bad road between the place where the wood is piled and Tynemouth Creek in his parish, upon which not a single day's staid labor or a single dollar has been expended during the present season, except what I have paid for. These four miles of road have been practically impassable all summer, for heavily loaded teams, and this fact accounts for the wood remaining where it is. Mr. Robinson admits he has money to expend on it, but I am told that he will not repair the road until the wood is first hauled, claiming that wheels will cut the road up. We use four-inch tires on all our wagons, and if they were repaired in dry weather our hauling over it would improve the new work rather than injure it.

In addition to a considerable amount of work done the first of the season on this road and paid for out of my own pocket, I have had for the last two days a crew of my own men at work on this public highway trying to make it fit to haul this wood over it.

I have received no complaint from Mr. McDonald about this wood, nor do I believe that any general complaint has been made.

Trusting that you will find space for letter, I am,

Yours, etc.,
A. F. BENTLEY.

St. Martins (N. B.), Aug. 31, 1910.

Mr. Bentley sent a copy of this letter to the Standard, with the request that it be published in justice to himself.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it incurable, and constantly failing to give relief, pronounced it incurable. Science has proven catarrh to be a curable disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses of 10 drops to a teaspoonful, and acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case that fails to cure. Send for circulars and testimonials.

Address: F. J. Cheney & Co., Toledo, Ohio.

Sold by Druggists, 75c.

Take Hall's Family Pills for constipation.

Thomas Amos, aged 70, of Little Shemogue, had his arm cut off yesterday. He fell beneath a train near Sackville.

The Fruit of the Tree

Nothing but the ripe fruit of the West Indian lime tree is used in making "Montserrat."

Down in the romantic West Indies, where Nature disports in fullest luxuriance, grow the lime trees. There, on the island of Montserrat, the principal industry is picking the ripe limes and pressing out the juice. This is "Montserrat" Lime Fruit Juice, so well known in the British and Canadian markets.

The Canadian government bulletin No. 197 vouches for the absolute purity of this sterling product. Expert chemists at McGill University have found by actual test that "Montserrat" destroys typhoid germs in water.

For your summer cottage or camp, or while you stay in town, keep a bottle always on hand, and you will have something good to drink at any time. Either alone or in combination with other drinks, "Montserrat" is palatable and of great tonic value.

NOTE.—Drop us a postcard to-day for our little book of recipes showing how to make over sixty delightful cold drinks, frozen desserts, pies, cakes, etc. Free while they last.

Synopsis of Canadian Northwest Land Regulations ANY person who is the sole head of a family or any male over 18 years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan, or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties.—Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within the miles of his homestead on a farm of at least 80 acres solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter section along with his homestead. Price \$3.00 per acre. Duties.—Must reside upon the homestead or pre-emption six months in each of six years from date of homestead entry (including the time required to earn homestead patent) and cultivate fifty acres extra.

A homesteader who has exhausted his homestead rights and cannot obtain a pre-emption may enter for a purchased homestead in certain districts. Price \$2.00 per acre. Duties.—Must reside six months in each of three years, cultivate fifty acres and erect a house worth \$300.00.

RUPTURE GOOD NEWS Mr. A. Claverie The celebrated European Specialist, so well known in Canada, will be in St. John Grand Union Hotel from Monday, the 12th, to Thursday, the 15th, 9 a. m. to 3 p. m., and 6 to 9 p. m. He will be in FREDERICTON, Windsor Hall, on Friday, the 16th. Don't fail to go and see him. It is good news for the ruptured of our city and surroundings to hear of the eminent European Specialist who during the two years that he has been in Canada, has already relieved and cured so many unfortunate sufferers. The name of Dr. A. Claverie and the unexcelled merit and value of his method and marvelous apparatus are so well known in Yorkville that it is not necessary to say more of them. I shall only say that the results obtained are as every body who has seen them. ONE MILLION patients all over the world, and especially several thousands in Canada, have secured immediate relief, delicious sleep, strength, safety and health through the Method and Apparatus of Mr. A. Claverie. No doubt, many men and women in our district will want to do likewise! The visit which Mr. A. Claverie will shortly make to our country will be a precious opportunity for all the ruptured to grasp, without hesitation it will surely mean for them the beginning of a new life. All Advice Given Free ABDOMINAL BELTS for Men and Women. ELASTIC STOCKINGS. APPLICANCES for weakness and deformities of limbs and back, in children and adults. The only ones of their kind in the world.

News of Rexton Rexton, N. B., Aug. 31—Mgr. Tampieri, secretary to Cardinal Merry Del Val, secretary of state at Rome, and Rev. Fr. Chénier, superior of the Canadian College at Rome, passed through here on Sunday afternoon en route to Montreal. They started from Rogersville by auto at 10 a. m. and proceeded to Buctouche, and thence to Grand Digue where they dined with Rev. Father Bellevue. They then continued their journey to Moncton, where they left on the Ocean Liner en route to Montreal to attend the Catholic Congress.

In the Catholic church at South Branch on Monday morning, Miss Elizabeth Burns, second daughter of Mr. and Mrs. James F. Burns, was united in marriage to Thomas E. Grattan of St. Anne. Miss Burns was bridesmaid and John Grattan, brother of the groom, best man. The ceremony was performed by Rev. Father LaPointe who celebrated nuptial mass. Mr. and Mrs. Grattan will reside in St. Anne.

At the Catholic church in St. Anne this morning Miss Annie Markey, daughter of Mr. and Mrs. James Markey, of South Branch, and James Brown, of same place, were married. The ceremony was performed and nuptial mass sung by Rev. Father Lapointe. The bride was prettily attired in white. After mass the happy couple drove to the home of the bride's parents, where they were received by a large number of friends, who spent the evening with them very joyously. A number of very beautiful gifts were presented to the bride.

Invitations are out for the marriage of Miss Marie Lennox, daughter of Mr. and Mrs. Robert Lennox, of Dr. Snow, of Moncton. The marriage will take place here on September 6. Farmers here have completed storing their hay and the crop is about double that of last year. Harvesting is now well under way, and the grain is also a very heavy crop. The fruit crop in this section is almost a total failure. Miss Brat is confined to her room with illness; Dr. Mercereau is in attendance. Dr. M. J. d'Ollequin, of Rogersville, is spending her vacation with her mother, Mrs. R. A. d'Ollequin. The schools re-opened on Monday with the exception of the Jardineville school. Miss Clara Palmer is teaching there instead of Miss Jessie Dickinson, who will leave soon for the west.

HELP WANTED—FEMALE WANTED—A neat and attractive young lady as demonstrator at Exhibition. Cereal line preferred. Apply in person Quaker Cereals Company, 24 Prince William street. 2658-9-11.

EXCURSION TO MONTR AND RE

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired, and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace the nerves, use Dr. Pierce's Golden Medical Discovery. It is a powerful, failing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

Golf.
Play in the ladies' maritime golf championship at Moncton narrowed down yesterday and today the final round of the tournament will be played between Miss Mabel Thomson, of St. John, and Miss Uniacke, of Halifax. The winner will play Mrs. Hanson of Halifax on Friday afternoon for the championship. Miss Thomson yesterday won the round in 82 and Miss Uniacke in 87.
On the St. John golf links yesterday J. T. Henderson, the local "pro," who last year won the maritime championship, made a new record, going the round in 32, four strokes under par. The score was made in a handicap match with J. R. Harrison.

The Turf
The Mosephath Races
Little remains to be done for the opening of the St. John Driving Club meet at Mosephath Park on Saturday next. Nearly all the horses are now quartered at the track, but more are expected either tonight or tomorrow morning. In all there should be close to 150 by race time on Saturday. All the officials with the exception of Starter Miller are here.
Seymour Beutler wired from New York yesterday that he expected to reach here

AMUSEMENTS FOR OURSELVES AND OTHERS
THE OPERA HOUSE.
A popular attraction at the Opera House, opening on Monday, Labor Day, with a matinee is William F. Cullen's new edition of "The Alaskan." This splendid musical show has been revised by two clever comedians, Richard F. Carroll and Gus Weinberg, who themselves have parts suited to their humor in this new offering. The piece comes here after a phenomenal run of five months in Chicago, and while many of the original song numbers have been retained, many new and novel interpolations have been introduced. Amongst the latter is the now famous "Snowballing" number, in which the "glib" chorus throw snowballs at the audience, while the audience pelts them back. It is very interesting while it lasts, but no one enjoys the conceit more than Mr. and Mrs. and Miss Audience.
The group of well behaved, genuine Alaskan dogs are still a prominent feature, while the varied line of "Tuleen Poles," the wonderfully realistic snow scene, and the many prismatic and electrical effects all go to form an entirely "somewhat different" departure in latter day musical comedy. The entire Chicago production will be brought here intact, and besides the principal comedians, Carroll and Weinberg, the large company consists of Detmar, Poppen, Leo Kendall, Al. Bath, Sidney Alger, Jessie Stoner, Alice Keen, Etta Lockhart, Marcell Scott, and a large chorus.

MISS DOROTHY LABELLE
The Annette Kellerman diving girls at St. Andrew's Rink, Sept. 3 to 5.

Record Broken
In Beedville, Mass., yesterday at the grand circuit meeting, Colorado E., the lay station owned by George H. Estabrook, of Denver, smashed the world's record for three year old trotters, reducing the 1000, made by Gen. Watts in Lexington in 1907, to 1024.
In Saratoga, N. Y., yesterday, the classic trotting, was won by S. C. Hill's horse, named "The World's Best," in 2:12. The race netted only \$23,800 to the winner, although in the past it has sometimes worth \$60,000.

Athletic
In Amherst yesterday, Fred Cameron defeated the Perkins, the English Canadian runner, in a five mile race on the Hamble's track. Perkins held Cameron almost to the finish when the latter won only by 25 yards in 25:30. This is Cameron's fastest time.
Football
Early Practice.
The Harvard football squad will put in preliminary practice at Pradier's Island. This first hardening of the principal candidates for a team is not under the auspices of the Harvard Athletic Committee, which does not assume responsibility until September 15. It is expected the work at Pradier's Island will consist of light football practice for about two hours in the morning, with baseball, tennis, swimming and other sports in the afternoon.

Coal Black Hair The Vogue
Vienna, Aug. 31.—Viennese women who have long been jealous of their Parisian sisters are now rejoicing in the fact that there is a scarcity in the French hair market. Puffs and switches are very difficult to obtain so to Viennese girls are no longer willing to part with their tresses. They are said to have discovered that if their hair helps to make women in Paris beautiful they should keep it for themselves, so dealers are searching in vain for the hair they obtained so easily a few years ago.
At present there is no such scarcity in the Austrian hair market. Abundant supplies come from Hungary. The color is not exactly what is wanted, but the can be easily remedied and false tresses are cheap and plentiful.
Stop the hair has been the rage in Vienna for several years, and one sees more blonde women on the streets in that city than in any other. Now, however, the fashion writers are hinting that it is quite time there was a change, and it is expected that coal black hair will be the autumn vogue.

Love may be blind, but a girl in love is never stone blind if there is a diamond engagement ring in sight.

NEWS OF SACKVILLE
Sackville, N. B., Aug. 31.—Mr. and Mrs. Avard Webster, of Shediac, are in town today, the guests of Mayor Prickard.
Men have been at work for some time cutting down the Bridge street hill near the residence of A.H. H. C. Reed. There seems to be some difference of opinion as regards the wisdom of this work and the site is filled with rumors of injunctions and other legal measures.
The attendance at Mount Allison Ladies' College and Mount Allison Academy, next term promises to be a record breaker. More than 200 have signified their intention to attend the Ladies' College as resident students, while sixty-five or seventy will probably be the attendance at the academy. Dr. Borden and Principal Palmer are expected to arrive in Sackville within a few days.
The water in Sackville's reservoir is rather low at present. The citizens are being warned to use it as sparingly as possible until conditions improve.
The marriage of Miss Christie Allen, daughter of Mr. and Mrs. George Allen of Bayfield, to Andrew Lennox, of Meadowdale, Manitoba, took place in Winnipeg on August 24.
Rufus Palmer has accepted a position on the office staff of The Charles Fawcett Manufacturing Co., Ltd., in succession to Thomas Lund, who will leave next week for Winnipeg.
Mrs. S. Nelson, who has spent the last two months in Sackville as the guest of her parents, Mr. and Mrs. George Lund, returned to her home in Wallham, Mass. She was accompanied by her sister, Miss Gertrude Lund, who will enter a hospital to study nursing.

MORNING LOCALS
A call to the pastorate of the First Reformed Baptist church of St. John has been extended to Rev. M. Edward Borders, pastor of Judson Square Pentecostal Church, Malden. Rev. Mr. Borders, who has been engaged in revival work in New Brunswick recently, has not decided whether he will accept.
A large number of New Englanders are arranging to attend the St. John exhibition. There will be excursion rates.
Douglas Clinch, secretary of the New Brunswick Fish, Forest and Game Protection Association, who has been travelling through the New Brunswick woods with W. Whitney of New York returned home last night on the Boston train.
An innovation was begun in street department work last night when men and teams were employed in sweeping the streets and carting the refuse away. Street Superintendent Winchester said that the new system would be continued.
The yacht Noma with Col. John Jacob Astor and son Vincent of New York on board, arrived in port last evening. Col. Astor and his son came ashore for a while after tea. The Noma came here to coal up. She has been cruising.
Bert Burnett, a young Englishman employed by G. Herbert Green, engraver, left his boarding house on Monday afternoon and has not been seen or heard of since. The police have been notified.
The Agriculture Society will be organized in the board of trade rooms on Friday afternoon at 4 o'clock. H. E. Gould of Sussex will speak on the possibility of tree growing on the streets of St. John.

WEDDINGS
Carvel-Cogley.
In St. Jude's church yesterday afternoon, Rev. G. F. Scott, the rector, united in marriage Miss Annie Margaret Kennedy Cogley, and Henry Carvel, both of the West End. Mr. and Mrs. Carvel left for Montreal and other Canadian cities on their honeymoon.
Dr. Sandown, of Latowald, Ont., died of an aneurysm yesterday. He contracted the disease from some lumbermen on Lake Huron.
John M. Currey, mayor of Amherst is to be married on Wednesday September 7 to Miss Alberta M. McKen, daughter of Dr. S. G. McKen, of Baddeck.
A woman's pride may be due to wanting you to think she has.

The Methodist Conference
At the concluding session of the Methodist General Conference at Victoria yesterday, the report on the sociological question recommended that new settlers coming into Canada should not be naturalized until five years after their arrival in the country. The department of citizenship, teaching love of country, etc., was added to the Epworth League work. Approval of the Lord's Day Act was expressed. It was decided to make an earnest effort to raise \$10,000 for church and parsonage aid society.

Listless, Backward Children
Made Bright and Active by Dr. Morse's Indian Root Pills
Many a growing boy or girl is set down as constitutionally slow, stupid or lazy when it is really a question of inactive bowels, lazy liver or sluggish kidneys.
The growing child, with a heavy appetite, certainly cannot long remain healthy and bright if the bowels and the kidneys are clogged up with impurities that are thrown off promptly.
The muddled, complexion, dragging limbs and dislike for mental or physical effort show plainly that the child needs Dr. Morse's Indian Root Pills to stir up the liver and kidneys and regulate the bowels. Dr. Morse's Indian Root Pills do this most effectively, cleaning the whole system, purifying the blood, aiding the digestion and giving plenty of life and activity. As upon the education obtained may depend the success in life of your boy or girl—see to it that the general health of the child is such that study is pleasurable and not a hardship.
Made from roots and herbs by W. H. Comstock Co., Ltd., at Brockville, and sold by all dealers at 25c. a box.

Owing to the small number of entries the proposed Y. M. C. A. Labor Day track and field sports at Chatham have been abandoned. An effort will be made to get a baseball team from abroad for a match game in the afternoon.

T. D. Richardson, of Toronto, superintendent of the New York Underwriters' Association, was in the city today. He was taken around the city by automobile by Aid. White, of White & Calkin, local agents of the company.

A visitor to the city who is receiving a hearty welcome is R. W. McCarthy, formerly a prominent member of Century church here but now located in Toronto. He now represents J. Hungerford Smith & Co., chiefly between Winnipeg and the Pacific coast. Mr. McCarthy has been fairly busy shaking hands since his arrival.

The four men sentenced a few days ago by Judge Forbes to terms in the penitentiary at Dorchester—Oscar Reynolds, Hanson, Patrick J. Quinlan, David Hennessy, and Henry Phillips, were placed on the early train this morning, and taken to Dorchester. The first three men have to serve five years each, and Phillips, four years. They were accompanied by Policeman Lawson, of Fairville, and Turney Cunningham.

Very much sympathy is expressed for Mr. and Mrs. Robert Gurnard in the death of their eldest child, Robert, aged five years and nine months, which occurred yesterday morning. The little fellow, who was a bright, mischievous lad, had been sick only a week. A sad circumstance in connection with the death is that Mrs. Gurnard is quite ill, and this makes the blow all the more hard to bear. The funeral will be held tomorrow afternoon at 2.30 o'clock.

FOR THE SPORTS. George Prowse, of Charlottetown, marine champion, will be in St. John for the bicycle events at the Every Day Club sports next Wednesday. A. W. Covey received a letter this morning stating that Mr. Prowse and a strong team of athletes and their friends will arrive on Tuesday night. Footie, of Halifax, has also written that he will come over if at all possible.

THE GREAT LEON. The great Leon, famous in two continents, will open an exhibition at the Queen's Bunk Labor Day. Leon is the aptly described as Keller's successor. In the world of mystery and magic he has few equals and no superiors. An hour with Leon at the Queen's Bunk will set you guessing.

TO ADVERTISERS. Pressure of advertising on the columns of The Times-Star makes it necessary for business men to have copy in this office the evening before or very early on day of issue.

EIGHT CITY PROPERTIES DISPOSED OF

Sold Under Hammer and Realize \$1,406—Assessment Against Them Amounts to \$369.42

The sale of real estate this morning conducted by the city, through D. G. Langley, receiver of taxes, to satisfy the city's claim against the proprietors for taxes and assessments due, was attended by many, and the bidding in most cases brisk.

- 1—Part lot No. 1,047, south side Queen street, Dukes ward, \$3.79, assessed against John Abrams—sold to Ernest Wilson, for \$70.
2—Lot No. 367, Tower street, Brocks ward, \$3.79 assessed against Thomas Anderson—sold to Charles R. Magnusson for \$140.
3—Lot 3, Barker street, Dufferin ward, \$65.69, assessed against William Lang—sold to Louis Komensky for \$65. Before this property was sold C. H. Ferguson said that there was a claim against it for \$85 ground rent due the Deverber estate.
4—Lots 1303-1304, Broad street, \$163.40, assessed against James Mahoney, and estate of James Mahoney—sold to James Mahoney for \$230.
5—Lot No. 11, Long Wharf, \$14.88, assessed against John O'Neill—sold to Louis Komensky, for \$20.
6—No. 34, N. S. Tower street, Brooks ward, \$37.91, assessed against William Polley—sold to A. R. C. Clarke, for \$140.
7—No. 744-745, St. John street, Brooks ward, \$47.01, assessed against Thomas H. Polley—sold to G. N. Kennedy for \$85.
8—Lot No. 345, N. W. side Tower street, Brooks ward, \$34.85, assessed against the estate of James Polley—sold to A. R. C. Clarke, for \$90.
9—There was a little alteration at the close of the sale between Norman McLeod and A. R. C. Clarke. Mr. McLeod accused Mr. Clarke of dealing unfairly with him, claiming that he (Mr. Clarke) had agreed not to bid on the last mentioned property. After a little hot shot on both sides, the matter dropped.

Y. M. C. A. LOOKING FOR MANY NEW ONES ON MEMBERSHIP ROLL

Mr. Robertson Talks of Plans for the Fall Athletic Sports—Will be Represented in E. D. C. Events

The Y. M. C. A. are already planning for their fall athletics. Football, basketball, and track meets will be particularly looked after. The general attendance for the year has exceeded all previous ones, and there is prospect of large gains in membership.

E. J. Robertson today spoke very encouragingly of the prospects for the fall of 1910. "Never," said Mr. Robertson, "has the Y. M. C. A. enjoyed such a bumper year. Today we have a membership of 750 and the attendance at the building averages somewhere in the vicinity of 100 daily. It greatly surpasses our expectations. New members are continually coming in, and this fall and winter we ought to increase our membership by 50 per cent."

Plans are not wholly settled in connection with the fall sports, but a meeting is expected soon and some definite arrangement will then be reached. Last year the Y. M. C. A., High School and Robtsey College formed an intermediate football league, and Robtsey and High School were tied at the end of the season. It is suggested that it would be an incentive to the various clubs if a cup were presented for a football league.

Football and track practices will begin immediately after the closing of the exhibition. Basketball will be commenced in November.

Mr. Robertson said that they would endeavor to have a representative in the Every Day Club meet here next Wednesday.

Classes in connection with the physical culture department will also begin immediately after the exhibition.

MELBA RUSH TICKETS Will be on Sale at Opera House Friday Morning—Number Limited

The rush tickets for the Melba concert Saturday evening will go on sale tomorrow morning at 10 o'clock, and the number will be limited to 500. Those who should call as early as convenient. These tickets admit only to the gallery. Standing room cannot be sold after the night of concert, at 8.15. In regard to stage seats, it may be explained that these cannot be sold while there are any vacancies in the auditorium, and there are still some seats to dispose of.

Melba will arrive at 6 o'clock tomorrow afternoon.
