Y. M. C. A.—The regular monthly meeting of the Association was held last evening. There was a large attendance, of which the ladies formed a part. After the meeting was opened, Mr. Wm. Strong was called upon to give an account of the meeting held in Fergus on Tuesday last, to which a deputation was sent. In doing so he stated that although it was a bitter cold night he thought all who went were well repaid for going; that all got good or perhaps had done good; that his opinion was, that more visits of the same nature between neighboring Associations, would do great good in encouraging one another in the work which all are striving to accomplish. Mr. W.S. Jones also made a few remarks on the visit to Fergus. The Rev. Mr. Mackie, being present, was called upon to make a few remarks. He said he was greatly pleased to see the Association in such a prosperous condition, and if he could only see a moral and literary institution it was a great benefit to those who took part in the meetings, but he was glad that the Association not only attended to the mental culture but also to the moral growth of the young men who came asking it. In doing so he said he thought speaking in public was a thing which should be encouraged and he considered that the Americans were far ahead of Canada in this attainment. Mr. Wm. Ryan read a very interesting extract, after which the meeting was brought to a close. We would again beg to remind our friends of the Sunday morning and evening prayer meeting and also the Bible class on Wednesday evenings. All are invited. dtf

Guelph Evening Mercury

FRIDAY EVENG, JAN. 31, 1873

Town and County News.

Mr. W. Johnston, of Goderich, has purchased the Drayton Enterprise. 'Twill need all his enterprise.

GREAT CLEARING SALE. Messrs. Hefferman Bro. announce today their great annual clearing sale, the nature of which, and the splendid bargains to be given, may be learned by carefully reading their advertisement.

COMPLIMENTARY SUPPER.—The members of the Speed Lodge of Instruction intend to entertain Mr. Wm. Anderson this evening at the Queen's Hotel, previous to his leaving Guelph for Toronto. Members of the craft cordially invited.

SOCIALS—and neck-tie ones at that—are all the vogue in Peel and Maryboro'. The marriageable girls say these entertainments are jolly, as they give them the long coveted opportunity of capturing some of the most obdurate.

THE LATE ACCIDENT AT ROCKWOOD.—Dr. Clarke informs us that Mr. Daniel Moore, who got his legs broken by the falling of a tree near Rockwood, is progressing as well as can be expected, and that he will recover without the necessity of having the limbs amputated.

TWO WEEKS LONGER.—Mr. George Jeffrey, of the Bradford House, announces in our columns today that he will continue his great clearing sale for two weeks longer. Splendid bargains will be given in all classes of goods, and remnants will be sold at almost any price.

GERMANS are proverbially early risers, and in some cases, it is well that they are. A little before daylight to-day morning, Conrad Swartzberger, Puslinch, heard a noise in his stable, and was just in the nick of time to prevent a couple of young men from giving their sweethearts a morning drive.

ACCIDENT IN GUELPH TOWNSHIP.—A young man named William Murphy, resident in Guelph Township, met with an accident on Tuesday last, at a threshing bee, on the farm of Mr. Edward Pasmore. It appears that he was cutting the bands of sheaves, and, unfortunately, stepped down from the stand for a moment, when his overcoat was caught in the spindle, and he was dragged underneath it in a moment. His leg was broken in three places, and he now lies at St. Joseph's Hospital here, receiving all the attention and medical care that this institution is so famous for.

THE HERNDONS.—This popular troupe played the beautiful and thrilling drama, "Out of the Fire," last night, to a large and enthusiastic audience. Mr. Healy, as the poor mechanic and victim of false friends and dissipation, was well chosen, and his acting received several encores. Mrs. Herndon, the faithful wife, by her goodness of heart and kindness of manner toward her poor husband, had the effect of inducing him to take the pledge and become a man again. Mr. Ryder, as Richard Harding, the false friend and confidential clerk, acted his part splendidly, and received, with uncommon unanimity, the scathing lecture given him by the poor mechanic's wife. Little Nellie, as Alice, although but six years of age, acquitted herself admirably. Mr. Ward, as Tim Tooley, and Mrs. Miller, as Nancy Nolan, the wild Irish girl, were the life and soul of the evening, and were warmly and repeatedly encored in their song and dance. Mrs. Miller is a real fishwoman, and kept the house in roars of laughter during the evening, while Mr. Ward ably assisted her in doing that same. To-night the company will have the honor of presenting Mrs. Wood's sublime illustration of Woman's Trials, Sufferings and Repentance, entitled "East Lynne, or the Elopement." At the particular request of a number of the people of Guelph, the manager has consented to play this splendid drama to-night. Let all who wish to enjoy a real intellectual treat, and to pass an evening pleasantly and profitably, not fail to be present in good time.

Y. M. C. A.—The regular monthly meeting of the Association was held last evening. There was a large attendance, of which the ladies formed a part. After the meeting was opened, Mr. Wm. Strong was called upon to give an account of the meeting held in Fergus on Tuesday last, to which a deputation was sent. In doing so he said he thought speaking in public was a thing which should be encouraged and he considered that the Americans were far ahead of Canada in this attainment. Mr. Wm. Ryan read a very interesting extract, after which the meeting was brought to a close. We would again beg to remind our friends of the Sunday morning and evening prayer meeting and also the Bible class on Wednesday evenings. All are invited. dtf

THIS MORNING'S DESPATCHES

Riot in Constantinople.
Railway Accident.
Sixteen Persons Injured
Fire in New Orleans.
Reduction of Atlantic Cable Tolls.
Robbery on a Railway Car.
Hanging of Incendiaries
The Khivan War.

Prosecution of Medical Men.

New York, Jan. 30.—A despatch from Constantinople to-day says:—An *excuse* of an alarming character occurred to-day near Rusechuk in which thirteen Bulgarian and ten Greek were killed. Cause of disturbance unknown. During the riot the streets were crowded with furious people, and the authorities found it necessary to interfere. Guns and pistols were freely used, and besides those killed a number are reported wounded. Order was finally restored and several of the leading rioters have been arrested.

London, Jan. 31.—It is probable that present tolls on despatches by the Atlantic Cable will soon be reduced.

Daniel Redding, who was convicted and imprisoned for participating in the Fenian riots in Manchester in 1867, and who has just been released from custody, has prosecuted the prison doctors for gross cruelties which he alleges were practiced on him. Redding has made an affidavit in support of his complaint, in which he charges that, while suffering from a paralytic stroke, the doctors pricked his flesh with hot needles and also burned him with a hot iron.

St. Petersburg, Jan. 30.—Public opinion is in an excited state over the accounts of atrocious cruelties perpetrated by the Khivans on the Russians who have fallen into their hands. The people heartily favour the expedition against Khiva, and demand exemplary punishment. The military preparations for the Khivan campaign are being made on a grand scale and being pushed forward with vigour. The total force will probably number 50,000 men. Princes and other persons of high rank are volunteering.

St. Louis, Jan. 31.—A bonded car belonging to the Merchants' Despatch Co., which reached here yesterday from New York, was discovered to have been robbed of about \$1,300 worth of goods consigned to a firm in this city. The car was robbed between New York and Albany. It is supposed the thief locked himself in the car at New York.

On the Sunday following New Year's Day an incendiary fire in Arrow Rock, Mo., a few miles from Booneville, destroyed a large part of the business portion of the place. Two days later the town was fired in four places but only slight damage was done. The day before yesterday three colored men, named John Sweeney, Dark Common and Reuben Elder were arrested as incendiaries and confessed their guilt. Sweeney was tried by a vigilante committee and hung on Wednesday night. At last accounts Common and Elder were closely guarded. It was expected they would be hung last night.

New Haven, Conn., Jan. 30.—The 5:45 p. m. passenger train from this city to Northampton, on the New Haven & Northampton Railway, was thrown from the track at Hamden, about 4 miles from this city, this evening, by a broken rail. Sixteen persons injured.

New Orleans, Jan. 30.—Thomson's crescent city sugar refinery was totally destroyed by fire and several adjacent buildings badly damaged to-day. Loss \$200,000.

Daring Robbery.
(Special to the MERCURY.)

Sutton, Jan. 31.—A daring robbery was committed during the night of Monday last, the 27th inst., in the house of Mr. Armstrong Stevenson, Secretary and Treasurer of School Section No. 3, North Guelphburg. About eighty dollars belonging to the above section was taken from a desk near the bed in which Mr. Stevenson and his wife were sleeping. No clue has been obtained to lead to the detection of the thief. The pocket book which had contained the money the night before was found some distance from the house next morning.

Fire in Renfrew.
(Special to the MERCURY.)

Renfrew, Jan. 31.—A fire broke out at 5:30 a.m., in the brick building belonging to Mr. Ferguson, and occupied by the Bank of British North America, and Messrs. W. & J. Tierney, as dry goods store. Two other houses were burned to the ground. Three lives lost, James MacAdam, James Tierney and Julia McIntyre. Mrs. Tierney and child were badly burned.

The unfortunate ex-Empress Carlotta, of Mexico, widow of Maximilian, is in a dying condition, and a telegram, afterwards contradicted, conveyed yesterday premature intelligence of her decease.

A horse man, who was visiting Grafton to attend the trotting races, nearly got choked on Thursday morning, through inadvertently swallowing his false teeth along with his bread and cheese.

The completion of the Detroit River tunnel is now very doubtful, owing to the unfavourable character of the soil encountered in constructing the work.

Several of the men employed in clearing the track of the Union Pacific Railway through the Rocky Mountains are reported to have perished in the snow drifts.

St. Joseph's Hospital.

VISIT OF THE COUNTY COUNCIL.

By special invitation of the Lady Superioress of St. Joseph's Hospital here, and at the request of Messrs. John Harris and T. Hefferman, the County Council of Wellington adjourned at three o'clock yesterday afternoon and paid this charitable institution a flying visit. Sleights were in waiting at the Court House at the hour named, and the "assembled wisdom" got on board. The drive, to some of the party, was a pleasant one, whilst to those who drove up the lane some sad mishaps occurred. One of the sleights was so loaded down with the "heavy weights" that the runners sank beyond the usual depth in such case made and provided, the consequence of which was that the whole party was compelled to flounder through the best way they could. The cutter in which we followed was also loaded with "heavy weights"—ourselves excepted—and became similarly involved with the one which it followed. Unfortunately for its occupants, the road was not in such a condition as to make sleigh-riding enjoyable. Guided by an expert hand, the horse passed many "sloughs of despond" safely, and we were laughing heartily at the ill-success of those in advance of us, when, all at once, and without a moment's warning, down went our gallant charger, and laid over as naturally as it was possible for him to do under the circumstances. The animal was unhitched, the sleigh drawn back, and our party proceeded on foot to their destination without further accident or detention.

The whole party having been royally received at the hospital, and hospitably entertained and refreshed with many of the good things of this life, and thoroughly warmed and rested, felt as happy as kings. The Superioress of the institution was unavoidably absent, but the ladies present, assisted by Messrs. McMillan, Hefferman, Coffee, Harris and Doran, did the amiable to the entire satisfaction of all present.

Mr. McMillan, on behalf of St. Joseph's Hospital, came forward and read the following flattering address:—
To the Warden and Members of the County Council:

GENTLEMEN.—We, the inmates of St. Joseph's Hospital, Guelph, beg to hail your first visit to our Institution with feelings of real pleasure. This feeling is greatly increased when we consider the benevolent sentiment which prompted you to grant us the very liberal donation which, in your Christian charity, you have been pleased to bestow upon us. In return for this, permit us to return to you our warmest expressions of gratitude. That our Institution has been found worthy of your consideration, is a source of real gratification to us, and we sincerely trust that your inspection of our poor asylum may prove to you that your munificent gift has not been misappropriated. In conclusion, permit us to express the hope that Divine Providence may always preside over, and direct your deliberations in Council, and that the merit of your charity, aided by the constant prayers of the inmates of our Hospital, may produce abundant blessings for yourselves and your families.

SISTERS ALMONESSES,
Superioress.

The Warden made a very happy reply, thanking the sisters for the kind address presented, and warmly applauding them for the good they are doing for suffering humanity.

The health of Dr. Herod having been drunk, that gentleman, in the most happy manner, replied. He stated that he had been employed as Surgeon in the Hospital for the past four years, without fee or reward, and that he always found the institution governed on the most charitable principles. Suffering humanity was cared for, without respect to creed or color, and the best attention was given to the innumerable wants of patients by the self-denying sisters.

The members of the Council then visited the various wards in the Hospital, and unanimously expressed themselves well pleased with the cleanliness and comfort of the place. We only noticed four patients who were unable to be out of bed, the balance consisted of children of tender age, old people in their dotage, and the sprightly youth.

The going back to town was made without further accident, and the county fathers, in our opinion, have no cause to regret the few hours so happily and profitably spent.

A Word to the Two Know Somethings.
To the Editor of The Mercury.

Sir,—I find two letters in the Herald of last night, both signed by "Know Something," which are intended as replies to mine of the previous day in regard to the hole-and-corner way in which the Warden was elected. But they are no replies at all, and no single point in my communication is taken up in and answered. There is, nothing in fact in these epistles but silly hits at, and abuse of Mr. Massie, who seems, however, to be in no way injured by such petty attacks, and who is as popular to-day, and stands as high in the estimation of the people of Guelph as ever he did. Were there anything Mr. Editor in these letters worth replying to, I would willingly do so, but being nothing else than the weakest invention of an enemy, I treat them with the contempt they deserve.

Yours, &c.,
Guelph, Jan. 31, 73. KNOW NOTHING.

Wellington County Council.

Thursday, Jan. 30.

Council met at two o'clock p.m. (Warden in the chair. All the members present.)

The Warden stated that Messrs. Harris and Hefferman were present to give the Council an invitation to St. Joseph's Hospital. On motion made and seconded, it was resolved to accept the invitation, the Council to adjourn at half-past three o'clock for the purpose.

Council visited the jail, and found the building clean and well kept.

The Warden read an account from Mr. John Malloy, amounting to \$73, for plans of bridges, &c.

Moved by Mr. Darby, seconded by Mr. Gibson, That the account of Mr. Malloy be referred to the Warden and the Commissioners, with instructions to settle the same when found correct.

Warden read an account from Messrs. Mitchell & Tovell, amounting to \$8, for burying a dead pauper named Michael Kelly. The town of Guelph refused to pay the account because the Council did not wish to establish the custom of burying dead paupers, from all the municipalities who sent such persons to be taken care of in the jail, and thought it would be unfair to make an effort to establish any such rule. Some half dozen of the members objected to the payment of the account, considering that the town had no right to pay it. Mr. Laidlaw said that only the other day a pauper left Guelph and wandered into Guelph Township, just over the line, and the township had to bury him at an expense of \$10.

Moved by Mr. Leslie, seconded by Mr. Nicol, That the account of Messrs. Mitchell & Tovell be laid upon the table. Carried.

Moved in amendment by Mr. Hugh Hamilton, seconded by Mr. Hugh Roberts, That the account of Messrs. Mitchell & Tovell be received and ordered to be paid. Lost.

The Special Committee appointed to consider the communication of the County Council of Lincoln recommend that a petition be forwarded from this Council, and that the Warden and Clerk prepare such memorial, and sign on behalf of this Council, and forward the same to the member of the South Riding for presentation.

Moved by Mr. Patterson, seconded by Mr. Massie, that the special committee's report above referred to be passed. Carried.

Mr. Leslie read report of County Roads Committee as follows:—They would recommend that the several county roads be managed by Commissioners, as heretofore, and that the balance in the hands of the Commissioners, and the balance of last year's appropriation, with the sum of \$50 per mile be granted for the repairs of the county roads within this county for the current year; and would recommend the following as Commissioners on the various roads:—

Guelph and Fergus.—Messrs. Darby, Broadfoot and Howard.

Guelph and Erin.—Messrs. Laidlaw, Rea and Dunfield.

County road in Erin.—Messrs. McMillan, Berry and Henderson.

Fergus and Douglas.—Messrs. Gibson, J. Hamilton and Mitchell.

Fergus to Arthur.—The Warden and Messrs. McMillan and Hanson.

Arthur and Mount Forest.—Messrs. Stevenson, Fraser, Flahiff and Kilgour.

Elora Road, junction to Bosworth.—Messrs. H. Hamilton, McGoivan and Roberts.

Bosworth to Teviddale.—Messrs. Ogden and Robb.

Teviddale to County Line.—Messrs. Meiklejohn and Patterson.

Guelph and Dundas Road.—Messrs. Leslie and Chadwick.

Glennallan Road.—Messrs. Sutherland and Brohman.

Your Committee would recommend that in future Commissioners, in drawing up the annual report, give the number of days they are severally employed on the various roads.

Your Committee would recommend that the prayer of the petition of James Young be granted, and that he be allowed the sum of \$50 by the Treasurer of this County upon Robert Young paying up his indebtedness to the County in full.

Respectfully submitted,
W. LES

The Ballot Bill.

We are in receipt of the Ballot Bill, introduced by Mr. Clarke, member for Centre Wellington, the principal features of which we hasten to lay before our readers.

The Act provides that when a poll is demanded, ballot papers, containing a list of the candidates, with their occupations and residences, and arranged alphabetically in the order of their surnames, shall be prepared by the returning officer, and delivered by him to each deputy returning officer, together with poll books and the list of voters.

Upon receipt of this paper the voter will place a cross on the right hand side, opposite the name of the candidate for whom he desires to vote, and return the ticket to the deputy returning officer who will verify his own initials and the number on the back of the paper before dropping it into the ballot box, after doing which he shall forthwith leave the polling place. Any voter physically unable to mark a ballot will make a declaration to that effect, when the deputy returning officer, in the presence of the agents of the candidates, will mark it for him, according to direction. Every ballot paper which shall contain a greater number of ballot marks than the voter is entitled to make, or which is so marked as to render it uncertain for which candidate the voter intended to vote, shall be rejected at the close of the poll.

Fire at Hespeler.

A fire broke out in the general store opposite Baker's Hotel about nine o'clock last night. The flames spread so rapidly that the whole stock was burned. The family living over the store escaped with only what they had on. The surrounding buildings were saved by the people of the village, assisted late in the evening by the Preston Fire Brigade, which nobly came to the rescue.

LATER DISPATCH.

Second per Hespeler, Jan. 31.

Last evening, about half past eight o'clock, the citizens of Hespeler were aroused by the cry of fire, which was found to be only too true, the flames proceeding from the dry goods and grocery establishment of Messrs. Clayton & Brockington. The store had just been closed for the night, but a strong smell of smoke prevailed for about fifteen or twenty minutes before it was suppressed by the firemen.

Mr. Innes and Mr. Cormack endorsed all that Mr. Horzman had said in regard to Mr. McGill's ability, correctness and uniform courtesy. They felt sure that the customers of the bank would regret his departure, but were pleased to learn that he had been promoted to a higher position, which he well deserved, and concluded by expressing the hope that every success would attend him, and that he would steadily continue to rise in the profession which he had chosen.

ASCENDING DEBTOR.—John Weir, a grocer in Brantford, formerly of Montreal, who went into insolvency two months since, after being burned out, was arrested on Wednesday for defrauding his creditors. Bail for his appearance to-day was given in \$400. Weir absconded the night before last, leaving his bondsmen to settle with the Crown.

GREAT CLEARING SALE!

TWO WEEKS LONGER!

The Great Clearing Sale of Dry Goods and Millinery still continues at

GEORGE JEFFREY'S.

Representation to Mr. Charles McGill.

On Friday afternoon several of the merchants and business men in town met at the Queen's Hotel, to present Mr. Charles McGill, who for the last five years has very efficiently discharged the duties of Teller in the Ontario Bank in Guelph, with a slight token of the esteem entertained for him, on the occasion of his leaving town to fill a more responsible position in taking charge of the Savings Bank Department of the same Bank at Ottawa. Mr. John Horzman was called to the chair, and in the name of the donors expressed his regret that Mr. McGill was leaving Guelph. He referred to his efficient services as Teller in the Bank, to his uniform courtesy and attention to all who had business to transact with it, by which he had won the respect and esteem of his customers, and hoped that every success would attend him in the new and more important position he was called to fill at Ottawa. He then read the following address, and presented Mr. McGill with a handsome gold chain and locket:

To CHARLES MCGILL, Esq., TELLER, ONTARIO BANK, GUELPH.

Dear Sir,—We, the undersigned merchants and others doing business at the Ontario Bank, cannot but regret your departure from amongst us. But when we hear that you go to fill a higher position at Ottawa, in taking charge of the Savings Bank Department in that city, we join in hearty congratulations for your advancement.

The locket and chain we hope you will accept as a slight token of our appreciation of your uniform courtesy and kindness, whilst fulfilling the arduous duties of Teller in the branch Bank here, during the past five years.

(Signed) JOHN HORSMAN, JOHN HOGG, CHAS. & WILLIAMSON, JAMES CORNACK, JAMES & HALLET, G. & A. HADDEN, GEORGE WATTS & CUTTEN, CHARLES RAYBOND, JOHN M. BOND, JAMES INNES, M. J. DOBAN, J. C. MACLEIN & Co., ROBERT HAE & Co.

Mr. McGill made the following reply:—

GENTLEMEN.—It affords me much pleasure, that after a residence of five years in Guelph as an officer of the Ontario Bank, to find that I have given satisfaction to those who have done business at the Bank, and, while cheerfully complying with the wishes of the Directors in appointing me to another position in a distant part of the Dominion, I shall ever look back with pleasure at the kind notice I have always received at the hands of the citizens of Guelph.

Gentlemen, I thank you sincerely for your congratulations and best wishes for my success, and I accept your testimonial, which will always possess a higher value in my estimation than its intrinsic worth, as conveying an expression of your sympathy and regard which, I can assure you, will never be forgotten.

C. MCGILL.

Mr. Innes and Mr. Cormack endorsed all that Mr. Horzman had said in regard to Mr. McGill's ability, correctness and uniform courtesy. They felt sure that the customers of the bank would regret his departure, but were pleased to learn that he had been promoted to a higher position, which he well deserved, and concluded by expressing the hope that every success would attend him, and that he would steadily continue to rise in the profession which he had chosen.

ASCENDING DEBTOR.—John Weir, a grocer in Brantford, formerly of Montreal, who went into insolvency two months since, after being burned out, was arrested on Wednesday for defrauding his creditors. Bail for his appearance to-day was given in \$400. Weir absconded the night before last, leaving his bondsmen to settle with the Crown.

PETRIE'S

NEW

DRUG STORE

Nearly opposite the Old Stand,

NOW OPEN.

Mr. PETRIE takes this opportunity to thank the Public for their large and liberal support during the seven years he has been in business in Guelph.

The New Store is the one formerly occupied by Mr. H. Berry, and lately by Mr. J. B. Forde, as a Confectionery Store. The store has been enlarged and refitted, making it a much more desirable place of business than the old stand.

Having secured the new store for a term of Ten Years, I hope, with the assistance of the Public, to prevent in the future as I have done during the past seven years, any monopoly in the Drug Trade in Guelph.

The old store will remain open for business until the first of May.

By conducting my business in the future in the same upright principle as in the past, I trust to receive a continuance of your generous support.

I am, yours very truly,

A. B. PETRIE.

CHAPTER III.

THE MOVEMENTS OF THE GARROTTER.
 "Ah, that's the sort," said Dick, whose brutal nature was mollified somewhat by the lessening of the pain. "Now, lend me some money, lass, for I haven't a rap to go to bed with, and I'll pay you back when I'm in funds."

No, no; for heaven's sake, do not come near me again. Here is ten shillings—fill I have got—take it, and go—

"Ah, you are just like the rest of them, Nell. You cast me off like a pair of old boots. I may sink or swim for you."

"Not so, Richard," she earnestly rejoined, as she laid her hand upon his unwounded arm, and raised her grief-stricken face to his. "Nothing would rejoice me more than to see you return to a life of honesty and industry. Most fervently have I prayed for that, and so did our parents, Richard—our poor father and mother—a thousand times before they died. Almost every night they read the parable of the Prodigal Son, and with tears and sobbing pled at the footstool for your return from the far country. Alas! Dick, you never came, and they sank broken-hearted into the grave."

"Oh, Nell, no more of that. The past is past, and what's the good of bringing it up?"

"Only that the thought of it may induce you to make the future better, Richard. The chance is open to you. Go back to the old place. The house is still at the old place, but the furniture is in it still. The ground is let, but only from year to year, and you can have it to till. Father left it to me only because you had acted so. But I will give it you back, Richard—oh, so gladly—if you would only go there to live, and—"

"What?" he scornfully interrupted. "Go to you out-of-the-world place, where one may live for years without seeing a living being. Why, what should I do there?"

"The working of the ground would occupy you."

"Is that ploughing, hoeing, tilling from morning to night. Not if I know it, Nell. It would take a better inducement than that to make me shut myself up in such a prison. No, no, my girl. You are a good un, I daresay, but I ain't cast just in your mould. So keep the news and the old house, lass, since father left them to you, and I'll take the way I like best."

"I shall not have them long, Dick," said Ellen with a sigh. "They will soon be yours at any rate."

"Why, what mean you?"

"I mean that I shall not live long. I know it—I feel it."

"Nonsense. That's only a fancy of your own. You'll marry a decent chap some of these days, and he and you will go and live at the old place for many a long year to come."

"No, Dick, that will never be."

And, unconsciously Ellen put her hand on her side and gave a short dry cough, which gave a sad and significant meaning to her words.

Ontario Legislature.

Jan. 30.

A large number of petitions were presented and several bills introduced.

Mr. Lander, moved for a return of all correspondence between the Government and municipalities or officers of municipalities interested in the Drainage Act, and all communications received by the Department of Agriculture relating to the working of the present Drainage Act.

Hon. Mr. Wood moved for a statement from the Registrar of the Court of Chancery showing the average sum paid in law stamps in each suit, and on the average what percentage of such bills is disbursed; also, like statements from the Clerk of the Crown in the Queen's Bench and from the Clerk of the Crown in the Common Pleas. Carried.

Mr. Rykert moved for statements under oath to be furnished forthwith to this House, under sections 13 and 14 Viet, cap. 14, relating to the Elgin Association. Carried.

Mr. Fraser moved the second reading of a Bill to enable married women to convey their real estates. Carried.

COLLISION ON THE GRAND TRUNK.—A collision occurred on Thursday morning on the Grand Trunk Railway at Iroquois station between two freight trains going West. One train standing on the main line was run into by another train following, and supposed to be running at the rate of 25 miles an hour, telescoping the van and one freight car, besides doing considerable damage to the engine. The accident was caused, so it is said, by the carelessness of the engine-driver in not seeing the signal until it was too late to stop the train. The driver sustained slight injuries by jumping off the engine.

Traffic at the Guelph Station of the G. W. R.

Some time ago we mentioned that the traffic at the Guelph Station on this road for the months ending November, 1872, showing an increase of over 80 per cent as compared with the same period in 1871. We have seen a statement for three months ending December, 1872, compared with the same period in 1869—when this was the terminus of the line—which shows an increase of 80 per cent. in "received" traffic, and a decrease of only 15 per cent. in the "forwarded" traffic. These figures show that notwithstanding the evil forebodings of not a few, Guelph has not suffered by the extension of the line beyond this point, in fact the slight decrease in "forwarded" business is owing entirely to the drought which caused a poor harvest, and a lack of water in the mills, as the great bulk of this traffic in 1869 was in flour, of which, of course, but very little was manufactured last fall.

Breakfast.—Epps's Cocoa.—Grateful and Comforting.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills.—Cecil Service Gazette. Made simply with Boiling Water or Milk. Each packet is labelled—"JAMES EPPS & Co., Homoeopathic Chemists, London."

Manufacture of Cocoa.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Easton Road, London.—See article in Cassell's Household Guide. J206m

The Question Settled.—Those eminent men, Dr. Jas. Clark, Physician to Queen Victoria, and Dr. Hughes Bennett, say that consumption can be cured. Dr. Wistar knew this when he discovered his now widely-known BALSAM OF WILD CHERRY, and experience has proved the correctness of his opinion.

Is the mind a ponderable or an imperponderable substance; an essence, vapor, or an indescribable something which cannot be grasped, felt or withheld?

Man thinks, studies, invents, tires the brain by overwork, and loses his reason; rests his intellect, becomes calm, uses restoratives, and again thinks. When we reflect that a power of endurance can be imparted to the brain, and that weak minds have been restored to strength by Fellows' Compound Syrup of Hypophosphites, we cannot but conclude that the subtle power is really ponderable matter, from the fact that the ingredients are applicable which render it support and give it vitality. Persons who study hard should preserve their balance of power by using the Syrup.

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

PREPARED BY SETH W. FOWLE & BONS, Boston, Mass. And sold by Druggists and Dealers generally.
