### Sir John French Reprots Destruction of Enemy's Aeroplanes

LONDON, Aug. 30-A report from Field Marshal Sir John French, Commander-in-Chief of the British Army in the field, was given out by the British War Office tonight as follows: "Since my last communication of August 18 there has been no fighting on our front to record. There has been a certain amount of mining activity, but conditions generally have been normal. Both on the 18th and the 21st we succeeded in shooting down enemy aeroplanes. On the 25th our heavy artillery set fire to a railway train at Langemarck station G. W. Lantz (about five miles northeast of Ypres.) On the same evening our Royal Flying Corps co-operated with our Allies in an aerial attack on the forest of South Hurst which was successfully carried out, without the loss of any machines."

WALTER SCOTT, The "Keen Kutter" Granville Street The Royal Bank Building (Next Door to Public Telephone Station) Bridgetown The Berne correspondent of "Morning Post" makes total German losses in the war 3,178,683 men. Of these the Prussian loss is 1,941,559.

Paris papers say the Kaiser's personal fortune has been reduced to \$25,000-000 by losses in industrial undertakings, caused by the war. Other German princes are greatly embarrassed.

Between 500 and 600 of the staff of the Canadian Bank of Commerce, 116 of the Dominion Bank, 100 of the Bank of Toronto, 111 of the Bank of Nova Scotia, and 130 of the Imperial Bank have enlisted.

The Livingstone Gold Medal of the Royal Scottish Geographical Society has been awarde l to Lord Kitchener.

"I hear they are feeding the Turkish prisoners on camel's milk." "Say, will that not give the poor beggars the hump?"

Canada's total orders for war supplies are said to amount to \$23,000,000.
