The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. CONSTITUTION

OF THE

Church Society of the Diocese of Toronto :

INCORPORATED BY THE STATUTE OF CANADA, 7 VICTORIÆ, CAP. 68,
FOR PROMOTING THE FOLLOWING OBJECTS :

FIRST.—For the encouragement and support of Missionaries and Clergymen of the United Church of England and Ireland within the Diocese of Toronto, and for creating a fund towards the augmentation of the stipends of poor Clergymen, and towards making provision for those who may be incapacitated by age or infirmity, and for the Widows and Orphans of the Clergy of the said Church in the said Diocese.

SECONDLY.—For the encouragement of Education, and for the support of Day-schools and Sunday-schools in the said Diocese, in conformity with the principles of the said Church.

THIRDLY.—For granting assistance, where it may be necessary, to those who may be preparing for the Ministry of the Gospel in the said Church, within the said Diocese.

FOURTHLY.—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other books and tracts as shall be approved by the Central Board or Managing Committee of the said Association.

FIFTHLY.—For obtaining and granting aid towards the erection, endowment, and maintenance of Churches, according to the establishment of the said Church, in the said Diocese ; the erection and maintenance of Parsonage houses ; the setting apart of Burial-grounds and Church-yards ; the endowment and support of Parsonages and Rectories, according to the same establishment, and the management of all matters relating to such endowment.

I.

That before the Society shall enter upon any business at any of its meetings, the following prayers shall be said :—

“ Prevent us, O Lord, in all our doings, with thy most gracious favor, and further us with Thy continual help ; that in all our works begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy obtain everlasting life, through Jesus Christ our Lord. *Amen.*”

CONSTITUTION.

"O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Queen VICTORIA, and so rule her heart, that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in this Province, and the labours of those Missionaries who are promoting the same in foreign parts. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord. *Amen.*

"O MERCIFUL GOD, who hast made all men, and hatest nothing that thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live: have mercy upon all Jews, Turks, infidels and heretics, and also upon all those heathen nations upon which the light of Thy glorious Gospel hath not yet shone; especially the Indians of this continent. Bless the means used for their civilization and conversion, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. *Amen.*

"OUR FATHER, which art in Heaven, Hallowed be thy Name. Thy kingdom come. Thy will be done in Earth, as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil; for thine is the kingdom, the power and the glory, for ever and ever. *Amen.*"

AND WHEN BUSINESS IS ENDED.

"ALMIGHTY GOD, Father of all mercies, we thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving-kindness, to us and to all men: more particularly for the providential support by which this Society has been enabled to spread abroad the knowledge of Thy sacred truth. But above all, for Thine inestimable love in the redemption of the world by Thy blessed Son; for the means of grace, and for the hope of glory, which Thou hast given us, in the same our Lord and Saviour Jesus Christ: to whom with Thee and the Holy Ghost be all honour and glory, world without end. *Amen.*

"The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. *Amen.*"

II.

IV.

That the Corporation shall consist of the Bishop of Toronto for the time being, of the members appointed by the Charter, and of so many of the other Associated Members of the Society as shall be elected by ballot members of the Corporation, at the meetings to be from time to time holden on the days and at the place appointed by the By-laws of the Corporation for its stated meetings: Provided always, that the whole number of members of the said Corporation, in addition to those who are made members by the Statute, shall at no time exceed three hundred, and that the whole number of members of the Corporation shall never be less than one hundred.

This sum is to be considered as the minimum amount to be given; but it is not to be taken as limiting the security to that amount, should it at any time be considered advisable to increase the same.

IX.

That the Standing Committee shall propose to the Board at the General Meeting in November a list of seven members of the Society, to form the Tract and Book Committee for the year ensuing: that at that meeting any member be at liberty to propose another list of seven members of the Society, instead of that proposed by the Standing Committee; and that the election of the Tract and Book Committee take place at the General Meeting in February.

And with regard to all meetings of the Society, and to the making, altering, or repealing of any By-laws, Rules or Regulations at such meetings, it is to be specially noticed, that by the Act of the Legislature incorporating the Society (7 Vic. ch. 68) it is enacted, that no act done in such assembly or meetings of the Corporation shall be valid or effectual, unless six persons of the Corporation, at the least, shall be present, and the major part of them consenting thereto.

And further, that no Constitution, By-law, Rule or Regulation of the Society, nor any abrogation, repeal, change, or alteration of the same, shall be passed, except notice of such intention shall have been given at the previous quarterly meeting, and then it shall not be of any force or effect until it shall have been sanctioned and confirmed by the Bishop of, or administering, the Diocese for the time being, by writing under his hand.

XVII.

That the Secretary conduct the correspondence of the Society, take minutes of the proceedings of the General Meetings and Committees, and prepare the Annual Report of the Society in connection with the Standing Committee.

XVIII.

In connection and correspondence with the Society, District Associations shall be established, comprising one or more Districts, (as shall be approved by the President,) the same to be composed of the Clergy resident within the bounds of the district, and all other members who shall contribute in aid of the Society's Funds; the Archdeacon, or Senior Clergyman resident within its bounds, shall *ex officio* be Chairman of such District Branch Association, with whom shall be associated, as composing a Committee of Management, all Clergymen in the District and two Laymen from each congregation which observes the constitution, rules, and regulations of the Society, and from none others; the lay members to be elected at the annual meeting of the Parochial Association.

A General Meeting of the Branch District Associations shall be held in each year, at any time and place which may be agreed upon at a previous Quarterly Meeting of the Committee of Management: and Quarterly Meetings of the Committee of Management—not less than five to form a quorum—shall be held for the transaction of the ordinary business of each Branch Association.

In order to more fully carry out the objects of the Society, a general Public Meeting shall be held annually in each parish, at which the objects and claims of the Society shall be set forth, and persons shall be invited to become members by contributing to its funds, such contributors to form a Parochial Association of the Church Society. The members of the Association shall elect annually four among their own number as a Committee, which, through its Chairman, (the Clergyman,) shall be in correspondence with the District Branch Associations, and may be denominated *the Parochial Committee of the Church Society*. The Committee shall meet so often, and at such periods as they shall themselves decide to be most convenient, inviting the co-operation of all the parishioners in their deliberations and designs. They shall collect subscriptions and donations from the members of the Church, in such manner as they shall deem most effective, and endeavour by every means in their power to augment the resources of the Society. All moneys raised to be transmitted to the Treasurer of the District Association, who shall, on or before the 30th of April in each year, transmit the same to the Treasurer of the Society at Toronto, without any deduction.

The District Associations, through their respective Secretaries, shall communicate to the Secretary of the Parent Society at Toronto a minute statement of all receipts and expenditures within the sphere of their operations, embodied in the form of a report, once in each year, so soon as convenient after the General Annual Meeting of such District Branch Associations.

XIX.

That four sermons be preached annually, and collections made in every church, chapel, or station in which an established Sunday service is performed, provided that in case of stations where Sunday service cannot be performed more than once in a month, it shall be discretionary with the Clergyman serving such stations to omit the said collection, if he shall think proper.

That the collections be made for the objects specified on the days following, or not later than two Sundays subsequently:

1. For Missions, on the first Sunday in January.
2. For Widows and Orphans' Fund, on the first Sunday in October.
3. For Missions, on first Sunday in July.
4. For Students in Theology, on the first Sunday in April.

CONSTITUTION.

A Committee of the Church Society shall be appointed from year to year at the Annual Meeting in June, whose duty it shall be forthwith to enquire into the state of the Students' Fund and to declare thereupon what number of Exhibitions, tenable for three years, and of the annual value of £80, will be open to applicants in that year, giving notice to this effect in the *Church Chronicle*.

It shall also be the duty of the Committee at the time of the August meeting to receive and examine the testimonials of applicants, and to select such as Exhibitors as they shall consider to be most deserving, notifying the Provost of Trinity College of such selection.

Provided nevertheless, that the privilege of each District to nominate an Exhibitor or Exhibitors, if it shall have provided funds for that purpose, shall be so far recognized as that a preference shall be given, *ceteris paribus*, to any person or persons thus recommended by any district; but that beyond this reservation, the Committee shall be left free to exercise its own judgment as to the most deserving candidates.

In order that local interests may be duly represented, the Committee shall consist of an equal number of members from each district.

Persons nominated to Exhibitions shall be required to pass the Matriculation Examination with such credit as may satisfy the Examiners of their probable fitness to enter the Divinity Class at the expiration of their first year, and they shall forfeit their Exhibitions if they fail to satisfy the Examiners to the same effect in the ensuing June Examination. Every Exhibitor shall be required at Matriculation to subscribe a declaration of his purpose to complete his course of study, and to serve in Holy Orders in the Diocese of Toronto for at least five years.

No Exhibition shall be continued for more than three years, the first of which shall be passed in the Arts course, and the last two in the Divinity course.

If any Exhibitor shall, for any reason approved by the College authorities, continue for more than one year in the Arts course, his Exhibition shall be reserved until he shall enter the Divinity class.

The College authorities shall be requested to furnish to the Committee of the Church Society above mentioned at the meeting of the Committee in August of each year, a report of the conduct of the Exhibitors, and any Exhibition shall be subject to withdrawal if such report be unfavourable, or if, for other reasons, the Committee shall be dissatisfied with the conduct of the Exhibitors.

No person holding a Scholarship in Trinity College shall be allowed to receive or retain an Exhibition.

Every Divinity Exhibitioner must have entered on his 19th year.

XX.

That no application for a grant, loan, or other assistance, be entertained from any Rectory, Incumbency, or Mission, in which there shall not have been established a "Parochial Committee" of this Society under the provisions of the article of the Constitution thereof, reporting to and in communication with the Parent Society, and in which all the requirements of said Constitution shall not have been complied with, unless upon the omission of such requirement a special written dispensation shall have been obtained within three months of the date thereof; and further, that accompanying such application there be a distinct accurate description of the object towards which aid is sought, together with a detailed account of the sum of money collected in the locality or elsewhere towards the same object, and how applied: Provided, nevertheless, that it shall be at all times competent for the President to recommend to the Standing Committee any case which in his Lordship's opinion may require special consideration; and should the Standing Committee report favourably thereon, that the Society may in such case grant the assistance so sought, or any portion thereof; and further, that no application be entertained from the Widow or Orphan or the Guardian of the Orphan of any deceased Clergyman of this Diocese who shall not have conformed to the provisions and requirements of a certain

By-law, entitled a "By-law for the due administration and improving the Widows and Orphans' Fund of the Church Society of the Diocese of Toronto," and also of any amendments to the said By-law, which may be enacted from time to time according to the provisions of the Constitution of the said Society, unless upon the omission of any of the said requirements a special written dispensation had been granted by his Lordship the President, and forwarded to the Secretary for registration within three months after the date thereof. Provided, nevertheless, that it shall be at all times competent for the President to recommend to the Standing Committee any case which in his Lordship's opinion may require special consideration, and should the Standing Committee report favourably thereon, that then the Society may grant such proportion of the annuity as to said Society may seem fit; and that it be the duty of the Secretary, after each Annual Meeting of the Society, to notify to each Clergyman whether he have or have not complied with the requirements which would entitle his Widow and Orphans to a Pension.

XXI.

That every Lay Delegate of the Synod of the Diocese shall be an incorporated member of the Church Society on the payment of the annual sum of five shillings, so long as he shall continue to be such delegate, and make such payment notwithstanding anything contained in clauses 2, 3, 4, and 5 of the Constitution of said Society.

That any By-law that shall be passed by the Society relating to the Commutation or Clergy Trust Fund, the Mission Fund, or the Widows and Orphans' Fund, or in any way affecting the charges on or management of those funds, or either of them, shall be laid before the Synod of the Diocese at the first meeting of the Synod next after such By-law shall have been passed, and if at such meeting of the Synod any resolution shall be agreed to disapproving of such By-law, either in the whole or in part, and setting forth the reasons for such disapproval, the operation of such By-law shall be suspended as soon as such resolution and reasons are received by the Secretary of the Society, until the next Quarterly Meeting of the Society; and unless at such next Quarterly Meeting such By-law be sustained by the vote of two-thirds of the members present at such meeting, such By-law, or the part thereof so disapproved of, shall cease and be of no effect. Provided always, that nothing herein contained shall prevent the members at such last mentioned meeting altering or amending the said By-law in accordance with the regulations or reasons that shall be transmitted by the Synod.

That the Secretary of the Society shall transmit copies of any such By-laws, as in the second section mentioned, to the Secretaries of the Synod as soon as the same are passed, with a view to the same being laid before the Executive Committee of the Synod, that a synopsis thereof may be stated with the other business prepared for the Synod.

XXII.

That the Charter and these By-Laws do together form the Constitution of the Church Society of the Diocese of Toronto, and that nothing which is contained in the Constitution of the Society established on the 28th day of April, 1842, or in any By-Law, Rule, or Regulation amending or altering the same, shall apply to, or be in force in respect to, the Incorporated Church Society of the Diocese of Toronto, except such provisions thereof as are above continued in force.

 B Y - L A W

To make provision for carrying out certain powers given to the Church Society, under the Act passed in the twenty-ninth and thirtieth years of the reign of Her Majesty Queen Victoria, numbered sixteen, and intituled "An Act to provide for the sale of Rectory Lands in this Province."

WHEREAS according to the provisions of an Act of Parliament in that behalf, the Church Society of the Diocese of Toronto is vested with power and authority

to sell and dispose of any lands granted by the Crown as a glebe of, or as appurtenant to, or belonging to, or appropriated for, any Rectory in the said Diocese, by whatever name the same may be called and in whomsoever the title thereof may be vested, subject to the provisos in the said Act contained for protecting the interests of the existing Incumbents of said Rectories, in effecting such sales and dealing with the proceeds thereof,

And whereas it is necessary and expedient to create and appoint a Special Committee of the said Church Society to carry the said Act into effect and to lay down certain general rules for the guidance of such Committee,

Be it therefore enacted, under the authority of the Act incorporating the said Society, and with the consent of the Lord Bishop of the Diocese, as follows :

I.

There shall be a Committee of the Church Society to be called "the Rectory Lands Committee," which shall be chosen every year at the Annual Meeting in June, and shall consist of six members, three being Rectors of Parishes, and three Laymen, and of this Committee three shall be a quorum.

II.

This Committee shall have the supervision of all the Rectory Lands within the Diocese, and shall make such rules and regulations for the sales of such lands, as they shall from time to time see fit, and shall report all such rules and regulations, and any change or alterations thereof at the next Quarterly Meeting of the Society, and the Society shall have full power and authority to alter or annul the same or any part thereof.

III.

This Committee shall also make, and have charge of, all investments arising out of the sales of the Rectory Lands, and shall keep separate accounts for each Rectory, both as to the principal and interest arising from sales, and of the investments thereof, and the payment of the Incumbent or Incumbents out of the income thereof.

IV.

The Committee shall keep all necessary books of account, and may appoint any officer for keeping the same, and remunerate him therefor, and all charges of management shall be apportioned among the several Rectories in proportion to the income of such Rectory derived from the sales of its Rectory Lands or any part thereof, or the investments therefrom.

V.

All sales shall be carried out, and all securities and investments be taken, under the superintendence of the Solicitor of the Society.

VI.

The Committee shall report to the Society whenever required, and always at the Annual Meeting in June, when their Report shall include all transactions up to the thirtieth April then last past, and shall shew the account of each Rectory for which any sales have been made for the past year, exhibiting the sum for which any sale has been made ; the amount paid ; the amount unpaid, and how secured ; any investment made ; the interest payable ; the principal and interest, if any, in arrear ; and the charges of management, and any other expenses incurred during the year, and which account shall be audited and verified by Auditors to be appointed by the Society for that purpose.

TWENTY-FIFTH ANNUAL REPORT
 OF
The Incorporated Church Society
 OF THE
DIOCESE OF TORONTO.

PRESENTED AT THE ANNUAL MEETING AT TORONTO, HELD ON
 TUESDAY, JUNE 11, 1867.

The Society's Income for the year ending 30th April, 1867, as compared with that for the year ending 30th April, 1866, arising from voluntary subscriptions and donations, and exclusive of receipts from rent, interest and sales of land, is as follows :

| | 1865-6. | 1866-7. |
|--------------------------------|----------------|-------------|
| General Purposes Fund..... | \$2501 81..... | \$2788 50 |
| Mission Fund..... | 11516 14..... | 7580 85 |
| Widows and Orphans' Fund | 1098 74..... | 1395 85 |
| Students' Fund | 607 13..... | 576 36 |
| | \$15,718 82 | \$12,341 56 |

The increase in the *General Purposes Fund* may partly be attributed to the fact that the Secretary has endeavored, as far as possible, to make a correct distribution of the proceeds of the collections from the Parochial Associations—paying over to that Fund the subscriptions of the Clergy and Incorporated Members, and one-fourth of the balance remaining after deducting such subscriptions.

In order to account for the difference of Income in the *Mission Fund*, it must be borne in mind that in the amount (\$11,516 14) received in 1865-6, is included the sum of \$2000, the munificent bequest of the late Mrs. Williams, of Tecumseth. Moreover the sum of \$7580 85, does not represent the true amount of income for the past year, the receipts for the Mission Fund from Parochial Associations, after the books were closed and up to this date, being \$1154 89.

A similar remark may be made with reference to the income of the *General Purposes Fund* for the past year; \$587 61 having been received for that Fund from Parochial Associations since the books were closed.

The income of the *Widows and Orphans' Fund* from subscriptions and donations for the past year is in excess of that of the previous year owing to the receipt from T. C. Street, Esq., of the sum of \$200, bequeathed to that Fund by the late Miss Anna S. Hosmer.

The sum of \$576 36 does not represent the true amount of income for the Students' Fund for the past year, \$135 80 having been received since the books were closed.

Here it is to be remarked that unless the returns from the several Parochial Associations are made within the time prescribed by the Constitution, the amount received up to the 30th April in each year will not represent the true amount of the Society's income for that particular year.

On the 1st April last the Secretary inserted a notice in the *Church Chronicle* reminding the Clergy that the Books of the Society would close on the 30th of the same month, and that all Parochial Collections, as well as collections in aid of the Students' Fund, should be remitted to the Society's Office during that month. That but little attention was paid to this notice may be learned from the fact that since the books were closed the receipts from Parochial Associations of moneys which properly belong to last year amount to \$1742 50, and for the Students' Fund to \$135 80 the latter being collections from nineteen parishes. Some parishes have not yet made any return either for Parochial Collections or for the Students' Fund.

It is to be hoped that in future more attention will be paid to the notices which may from time to time be issued from the Society's Office, and that in every Parish in the Diocese, and at every Station in every Parish, all the collections required by the Society will be punctually taken up and promptly remitted.

The Society's income from all sources for the past year, as compared with that of the previous year, is as follows:

| | 1865-6. | 1866-7. |
|--------------------------------|----------------|-------------|
| General Purposes Fund..... | \$3778 02..... | \$3742 21 |
| Mission Fund..... | 18109 14..... | 9403 35 |
| Widows and Orphans' Fund | 3259 36..... | 3180 76 |
| Students' Fund..... | 607 18..... | 576 36 |
| | <hr/> | <hr/> |
| | \$20,758 65 | \$21,902 68 |

Adding the amount received from Parochial Associations and for the Students' Fund since the books were closed, the total amount of income for the past year will be \$23,780 98, being in excess of that of the previous year to the amount of \$3,027 33.

The increase in the income of the General Purposes Fund arises from the sales of land, and also as has before been stated, from a more strict appropriation having been made of the proceeds of the collections from the Parochial Associations.

PAROCHIAL GUARANTEES.

A comparison of receipts from Parochial Guarantees for the last two years shows the following results :—

| | 1865-6. | 1866-7. |
|---|------------------|------------------|
| Amount received | \$962 00 | \$1186 50 |
| Add rent of Crowland Glebes in the Niagara District paid to the Society instead of guarantee from the Mission of Welland..... | 277 00 | 300 00 |
| | <u>\$1239 00</u> | <u>\$1486 50</u> |

The expenditure of the Society for the past year, as compared with that of the previous year, is as follows :

| | 1865-6. | 1866-7. |
|--------------------------------|--------------------|--------------------|
| General Purposes Fund..... | \$3851 26 | \$6533 77 |
| Mission Fund | 9859 45 | 10798 94 |
| Widows and Orphans' Fund | 3105 49 | 3107 06 |
| Students' Fund..... | 520 45 | 1012 61 |
| | <u>\$17,336 65</u> | <u>\$21,452 38</u> |

Further information about Income and Expenditure may be obtained by reference to the statement of each Fund in detail in the Appendix.

The amount invested for the benefit of undermentioned Funds is, as follows :

| | Debentures. | Mortgages, &c. | Total. |
|-----------------------------|----------------|----------------|-----------|
| General Purposes Fund..... | \$4800 00..... | \$400 00.... | \$4700 00 |

INDIAN MISSIONS.

The Committee appointed to watch over the interests of the Indian Missions in this Diocese, beg to report that, immediately after the meetings of the Church Society and the Synod last year, three of their number proceeded as a deputation to the Seat of Government, to confer with the Provincial authorities on various points involving the permanent interests of the Missions at Garden River and the Manitoulin Island. The requisite arrangements respecting the Indian Lands on the Manitoulin Island required for the Mission Settlement were cheerfully conceded; and the Heads of the Crown Lands and Indian Departments promised to adjust the boundaries of the Reserve at Garden River: the definition of which, under the authority of the officers of the Crown, is indispensable to prevent collision with the Roman Catholic Mission, which has, unhappily, been allowed to encroach on the Mission Reserve.

The Deputation was received with the utmost courtesy by his Excellency the Governor General; and the officers, both of the Crown Lands and the Indian Departments, evinced a most friendly desire to comply with their requests. Nevertheless the Committee regret that they are still unable to report that the promised adjustment of the boundaries at Garden River has been effected. Until this is done the Missionary must remain exposed to many painful discouragements, and to a recurrence of such collisions with the authorities of the Roman Catholic Mission, as have already greatly impeded his labours. To this point, therefore the attention of the Committee will have to be again directed, until a satisfactory settlement is secured.

The cession by the Indians of the Manitoulin Island of the greater portion of their lands, and the consequent intrusion of a number of white settlers, have materially affected the Mission. The Indians have nearly all decided on removing, or have already removed, from Manitouawning—where a Mission Church had been erected with funds contributed for that purpose in England,—to Shequindah, about seven miles from Little Current. The Indian Department has accordingly promised to set apart suitable lots for the Indians in their new settlement, and steps have already been taken for carrying this into effect. Eligible lots have also been selected, both at Shequindah and Little Current, for the use of the Mission. But the change of locality must necessarily involve considerable expense. It is proposed that the Missionary shall reside at Shequindah, where the larger number of the Indians is congregated, and that the Church shall be removed to a suitable site in its vicinity. Preparations have been made during the past winter for the erection of some of the requisite buildings, which must ultimately include a mission house, school, and teacher's residence at the Mission Settlement.

At Little Current several Indian families have settled; and as they speak a different dialect from those at Shequindah, there is no prospect of their being induced to remove to the Mission Settlement. There also a rapidly increasing white population invites the services of a Clergyman of our Church. It is proposed therefore to make immediate arrangements for the erection of a school-house at Little Current, which may also be available for Church purposes. The distance between the two localities is such as to enable the Missionary to hold services at both places on Sundays, and to exercise an oversight over the labours of the Catechist and Schoolmaster settled at Little Current. The services of Mr. H. C. Fraser have also been secured as Teacher of the Mission School. He is rapidly acquiring familiarity with the Indian Language, and the Rev. J. W. Sims reports most favourably of him as one holding out great promise of usefulness in the mission work of the Church.

The Committee would beg leave earnestly to press on the consideration of the Society the very partial nature of the work yet accomplished

by the Church in this important field of Missionary enterprise. From careful enquiries made through the Indian Department and Officers of the Hudson Bay Company, it is believed that the Indians still surviving in Upper Canada, and on the north shores of Lake Huron and Lake Superior—apart from those in remoter regions of British North America,—number upwards of 13,000. Upwards of 3,000 of these are in the Diocese of Huron. The remaining 10,000 are in this Diocese. From data furnished by Indian Superintendents, and Officers of the Hudson Bay Company, the Indians on the north shores of Lakes Huron and Superior are estimated at 3,200; on the Manitoulin Islands they probably amount to 1,200. Three years ago, the Indian Superintendent stated their number as high as 2,126; including in this, doubtless, the Indians visiting the island for trade or presents. At Fort William an annual temporary influx of Indians from the Saskatchewan and Red River, also brings hundreds of them within reach of Missionary influence in this Diocese.

To meet the wants of the thousands thus perishing in our midst, wasted by the vices of the white man, and abandoned to the degrading superstitions and cruelties of heathenism, the Church has now two Missionaries, with their assistants, paid from the following sources:

At Garden River the Rev. James Chance receives from the New England Company £150 sterling; and Mrs. Chance, as teacher of the Mission School, receives from the Colonial and Continental Church Society £60 sterling.

At Manitouawning the Rev. J. W. Sims receives from the Society for the Propagation of the Gospel £50 sterling, from the Colonial and Continental Church Society £50 sterling; and a like sum from the Church Society of this Diocese. Mr. John Burket, employed as Catechist and Teacher at Little Current, receives from the Church Society £75 currency; and Mr. H. C. Fraser, a young man recently placed in training under the Rev. J. W. Sims, for teaching and missionary work, receives from the same source £50 currency. It will thus be seen that the Church in this Diocese has hitherto borne a very partial share in sustaining the Missionary work carrying on among the representatives of those Indian Nations on whose lands our Churches are reared, and from whose soil we derive our subsistence, and all the resources of our growing wealth.

It is impossible for us to look with regret on the fact that smiling farms and busy marts, schools, colleges, and churches, have displaced the trail of the hunter, and the wigwam of the savage. But if it be indeed inevitable that those nations, the aborigines whom we are displacing, shall perish from our midst, it cannot be too strongly impressed on our Church, that it owes a solemn duty to have a care for the souls of those whose earthly inheritance we are thus assuming as our own. We must be up and doing while it is yet time; for here in a peculiar sense may we say: "The night cometh when no man can

work." In the hopeless condition of the poor Indian, the blessed and glorious hopes which the Gospel reveals are peculiarly suited to his case; and the Indian Mission Committee would earnestly urge upon the Church an increasing zeal in reference to this important Mission field, where not only does it already ripen to the harvest, without the labourers appearing to gather it in for the Lord of the Harvest, but where it would almost seem as if we are now offered for the last time, the opportunity of sending forth labourers into this field.

While the Committee are called upon to record their high sense of the zealous and indefatigable labours of the two esteemed Missionaries already named; they are more and more impressed with the obstacles they have to encounter from their work being carried on in the immediate vicinity of white settlements, where the example and the influences of the majority of the settlers expose even the Indian converts to many vicious temptations, and tend to the demoralisation and ruin of the Indians as a people. The Committee are therefore led, after serious and earnest consideration of the whole question, to urge upon the Church the establishment of a mission beyond the white settlements, where the Christian Missionary may hope to carry on his work, in making known Christ, and the blessed truths of his Gospel, with at least fewer impediments from the pernicious and contaminating influences of those whom the poor pagan Indian has learned to look upon as examples of the white man's Christianity.

Three places on Lake Superior offer advantages for the proposed mission. Mitchipicottin, as a Hudson's Bay post, forms the centre of a district occupied by upwards of three hundred Indians, who resort to the post in large numbers at certain seasons of the year. Fort William is, in like manner, the summer resort of hundreds of Indians from the North West. But the Committee's attention has been finally fixed on the Indian settlement on Lake Neepegon, where between three and four hundred Indians are to be found, remote from any influence except that of a few Hudson Bay men, little less in need of the services of a Christian Missionary than the poor Indians themselves.

A Missionary of our Church established at this point could extend his labours to other stations on the north shore of Lake Superior; and might hope with God's blessing to be the instrument of winning many souls, and of raising up native evangelists to carry the glad tidings to tribes even now beyond the corrupting influence of European vices. Much self-denial will undoubtedly be required from any one prepared to undertake this frontier post of the mission field. But the Committee cannot doubt that the Great Head of the Church will call forth in response to its exertions, zealous and devoted servants of Christ, ready to spend and be spent in their master's service; and

not only willing, but longing to win the souls of the poor perishing Indians for their hire.

The Committee recommend that the Missionaries be authorized to solicit contributions throughout the Diocese for the special expenses at present involved in the changes at Manitoulin; and they would beg now to commend the cause of Indian Missions—the special missionary work of this branch of the Church,—to the earnest prayers and the generous sympathies of our Clergy and people.

All which is respectfully submitted.

Chairman.

During the year the Committee have expended much time in arranging the larger portion of the stock of Books and Tracts into classes according to the subjects of which they treat. Specimens of the Books and Tracts, so arranged, are constantly kept in that part of Mr. Rowsell's sale-room devoted to the Church Depository; and they give the Clergy and others the opportunity of making their selections, according to the objects they have in view.

According to the authority entrusted to them last year, the Committee have distributed a considerable portion of the old stock of Books and Tracts amongst the Clergy, and are still prepared to distribute them.

The Committee have expended the annual grant of \$100 in procuring small books for Sunday School Rewards and Libraries, and they have now a better stock on hand than usual. The demand for such books has, however, hitherto been so much beyond the supply they could provide, that they propose still to avail themselves of the authority given them, by expending \$100 this year.

All which is respectfully submitted.
