RESOLUTIONS.

Passed by the Church Society of the Diocese of Huron; sanctioned and approved by the Bishop of the Diocese.

Moved by the Rev. G. J. R. Salter, M.A., seconded by Rev. F. W. Sandys, D.D.:

Whereas it frequently happens that persons from various parts of the Diocese, and from other Dioceses, make application for assistance in building Churches, Parsonages, &c., to the Clergy and Laity of the Church throughout the Diocese, without any recognized authority and proof of the facts of the case for which application is made:—Resolved, therefore, that the Bishop be respectfully requested to establish as a rule in the Diocese that no Clergyman or Layman be permitted to collect money for any Church purpose beyond the bounds of his own Mission, or to proceed to any other Diocese for the same purpose without the sanction and approval of the Bishop, given as a heading to his Subscription List: and that it be the duty of such Collector to communicate with each Clergyman before he makes a collection in his Parish: and that, on his return from his collection tour, every person collecting shall present his Subscription List to the Bishop, and account for all moneys received. And further, that no person from any other Diocese shall make collections in this Diocese without first obtaining the sanction of its Bishop, under his hand and seal.

Moved by the Rev. F. W. Sandys, D.D., seconded by the Rev. G. J. R. Salter, M.A.:

Resolved, That inasmuch as great inconvenience and loss arise from the delay that too often takes place in making the collections for the Church Society and transmitting them to the Secretary, the Clergy are therefore requested to make the collections on some Sunday during the month appointed for each Collection, and to see that they are forwarded without delay to the Secretary.

Moved by Rev. C. C. Brough, A.M., seconded by G. Ryland, Esq.:

Resolved, That all applications for grants of money, books, &c., shall be submitted for the consideration of the Standing Committee previous to action of the Society thereon.

Moved by Rev. J. Gunne, seconded by Rev. J. W. Marsh, M.A.:

Resolved, That no change shall be made in the Constitution of this Society, unless notice has been given at the previously quarterly meeting; and, further, that all proposed changes of the Constitution shall be brought before the Standing Committee for them to report upon.

RESOLUTIONS.

5

Moved by P. Roe, Esq, seconded by Archdeacon Brough.:

Resolved, That the Lay Representatives of the Synod be considered *ex-officio* members of the Church Society in so far as to enable them to attend and take part in all meetings of the Church Society, which may be held during any week in which the Synod meets during their term of office as members of the Synod.

Moved by Rev. G. J. R. Salter, M. A., seconded by Rev. J. McLean M. A.:

That, seeing it is absolutely necessary for the successful working of the Church Society and the furtherance of the various objects embraced by its constitution, that all parts of the Diocese should co-operate: Be it therefore resolved that no assistance be given to any Parish or Congregation unless all the collections are regularly made by such congregation, and a Parochial Association established in connection with the same, from which collections are annually made for the Society: and, further, that the Bishop be respectfully requested to apply the same rule to the S. CONSTITUTION

OF THE

Church Society of the Diocese of Huron.

ADOPTED BY THE SOCIETY AND CONFIRMED BY THE BISHOP,
SEPTEMBER 22ND, 1868.

INCORPORATED FOR PROMOTING THE FOLLOWING OBJECTS:—

FIRSTLY—For the encouragement and support of Missionaries and Clergymen of the United Church of England and Ireland within the Diocese of Huron, and for creating a fund towards the augmentation of the stipend of poor Clergymen, and towards making a provision for those who may be incapacitated by age or infirmity, and for the Widows and Orphans of the Clergy of the said Church in the said Diocese.

SECONDLY—For the encouragement of education, and for the support of Day Schools and Sunday Schools in the said Diocese, in conformity with the principles of the said Church.

THIRDLY—For granting assistance, where it may be necessary, to those who may be preparing for the Ministry of the Gospel in the said Church, within the said Diocese.

FOURTHLY—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other books and tracts as shall be approved by the Central Board or Managing Committee of the said Association.

FIFTHLY—For obtaining and granting aid towards the erection, endowment, and maintenance of Churches, according to the establishment of the said Church in the said Diocese: the erection and maintenance of Parsonage-houses; the setting apart of burial-grounds and church-yards; the endowment and support of Parsonages and Rectories, according to the same establishment; and the management of all matters relating to such endowment.

I.

That before the Society shall enter upon any business at any of its meetings, the following prayers shall be said:—

Prevent us, O Lord, in all our doings, with Thy most gracious favor, and further us with Thy continual help; that in all our works, begun, continued and ended in Thee, we may glorify thy holy name, and finally by thy mercy obtain everlasting life, through Jesus Christ our Lord. *Amen.*

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favor our Sovereign Queen Victoria, and so rule her heart that she may in all things seek Thy honor and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the Clergy; the endeavors of all who are engaged in spreading the knowledge of true religion in this Province, and the labors of those missionaries who are promoting the same in foreign parts. And may thy Holy Spirit direct all our consultations to the advancement of Thy glory and the good of Thy Church, through Jesus Christ our Lord. *Amen.*

"O MERCIFUL God, who hast made all men, and hatest nothing that Thou hast made, nor wouldst the death of a sinner, but rather that he should be converted and live: have mercy upon all Jews, Turks, Infidels and Heretics, and also upon all those heathen nations upon which the light of Thy glorious Gospel has not yet shone; especially the Indians of this Continent. Bless the means used for their civilization and conversion, and take from them all ignorance, hardness of heart, and contempt of Thy Word: and so fetch them home, blessed Lord, to thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold, under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with thee and the Holy Spirit, one God, world without end, *Amen.*

"OUR FATHER, which art in heaven, hallowed be Thy name. Thy kingdom come. Thy will be done in earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil; for thine is the kingdom, the power and the glory, for ever and ever. *Amen.*

AND WHEN BUSINESS IS ENDED.

"ALMIGHTY God, Father of all mercies, we thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving kindness, to us and to all men: more particularly for the providential support by which this Society has been enabled to spread abroad the knowledge of Thy sacred truth. But above all, for Thy inestimable love in the redemption of the world by Thy blessed Son; for the means of grace and for the hope of glory, which thou hast given us in the same our Lord and Saviour Jesus Christ; to whom with thee and the Holy Ghost be all honor and glory, world without end. *Amen.*

"The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. *Amen.*"

Moved by L. Lawrason, Esq., seconded by Rev. J. P. Dumoulin,—

2. That the past measure of success which has attended the efforts of the Church Society calls for our grateful thanks to Almighty God. *Carried.*

Moved by Rev. J. Smythe, B. A., seconded by P. Roe, Esq.,—

3. That the growing wants of this Diocese call for increased exertions on the part of Churchmen, in support of the objects for which the Church Society was established. *Carried.*

Moved by W. Eliot, Esq., seconded by Rev. J. Carmichael,—

4. That the continued assistance received by this Society from Societies in our Fatherland, calls for our heartfelt thanks; and this meeting, while rejoicing in the noble work they are doing in all parts of the world, earnestly prays that the causes which have led to their incomes being diminished during the past year may soon pass away, and that a larger measure of success may yet attend their efforts to make known the glad tidings of salvation. *Carried.*

Moved by Rev. J. W. Marsh, seconded by Rev. J. McLean.

5. That the thanks of the Church Society are due, and hereby tendered to his Worship the Mayor, and the members of the Corporation, for their kindness in granting the free use of the City Hall for the meeting, and that the Secretary be directed to send a copy of this resolution to his Worship the Mayor. *Carried.*

FIFTH ANNUAL REPORT
OF
THE INCORPORATED CHURCH SOCIETY
OF THE
DIOCESE OF HURON.

In presenting their Fifth Annual Report, the Standing Committee feel that they have again much cause for thankfulness to Almighty God, although the past year has been one of trial to all Religious and Benevolent Societies, both in our Fatherland and on this Continent—caused, in great measure, by the sad events which have taken place in the neighbouring States. This has affected the working of the Religious Societies in England, as may be seen by their Reports; and in addition to the distress brought on our countrymen at home, consequent upon the Civil War still raging among our neighbours—distress which has called forth great exertions and self-denial among all classes at Home, and in which we also have felt it our duty and our privilege to bear a part—we, in this Diocese, have had to contend against, what will always seriously affect the work of the Society in this county, a harvest nowhere abundant, and in many parts very far below the average. Under these circumstances, then, the Committee feel that they have cause for thankfulness when they are able to report an income derived from the Diocese, during the past year, only \$224.75 less than the previous year; and when they

take into account that only 4 Collections were made for the Society during the last year, against 5 in previous years, they feel justified in reporting the income as really, by comparison, increased rather than diminished.

Instead, however, of regretting the omission of one of the usual collections, the Committee hail with satisfaction the opportunity which was afforded our people in this Diocese of proving their readiness to assist our brethren at home in their hour of need; for the object for which that collection was made was to assist in relieving the distress prevailing in the cotton districts of Great Britain, and the response made to the call of our Bishop was \$1,719 75, all, except a small sum, sent through the several congregations in this Diocese, in addition to the general subscription for the same object, made in almost every place, to which our people had liberally contributed.

When, then, we consider that this sum, though not raised for the Church Society, was an offering made in our churches, we shall see that, instead of there being a deficiency in the amount subscribed by our people during the past year, they have really contributed \$1,583 more than the previous year; and, although this large sum was not poured into the coffers of the Church Society, the Committee feel that it is not lost to the Diocese; for in addition to the joy and gladness which it has helped to spread through many a poor family at home, they believe that it will leave a blessing behind in increased exertions for the work in our own Diocese, for they have full confidence in what they read, that "The liberal soul shall be made fat: and he that watereth shall be watered also himself."

INCOME.

The Income for the past year is \$7,156 22, derived from the following sources:—

Annual Subscriptions of the Incorporated Members and Parochial,	
Association Collections	\$1,226 59
For General Purposes Fund Account	87 72
For Widows' and Orphans' Fund	457 40
For Mission Fund	2,484 51
	\$7,156 22

This the Committee call the Income proper of the Society, being obtained by collections and subscriptions direct from our people, exclusive of dividends from investments and other special funds, which added to the above would swell

it into a very large sum ; but this would not be a fair criterion of the efforts made by our people each year.

GENERAL PURPOSES FUND.

The sum received on this account during the past year was \$4,264 31. From this Fund grants of books have been made to a large number of Sunday Schools, amounting, including a few Service Books for Stations, to \$159 18 ; two parsonages have received grants of \$100 each, and thirteen churches have received together \$1,055 ; and \$1,000 have been carried from this Fund to the credit of the Mission Fund, leaving a balance of \$1,595 56 to commence the coming year's work.

WIDOWS' AND ORPHANS' FUND.

The total amount received for this Fund during the year was \$1,429 84, which, added to the balance on hand at the end of the previous year, made \$2,621 60 ; out of this \$600 have been paid to three widows, \$1,955 89 have been invested, and \$56 90 remain at present to the credit of this Fund.

MISSION FUND.

The sum received from the Diocese for this Fund was \$2,434.51 ; this, with \$1,000 from the General Purposes Fund, and \$1,771.26, the balance on hand at the commencement of the year, made a total of \$5,208.77, out of which the Society has been enabled to contribute \$700 for Indian Schoolmasters and Interpreters, \$2,260 towards the Stipends of 19 Clergymen, besides \$914 for Missionary Outfits, &c., granted by the Bishop ; \$100 pension to a retired Clergyman, and \$75.92 to make up the \$200 a year to the S. P. G. Missionaries, leaving a balance in hand of \$1,155.85 to commence this year's work.

DEPOSITORY FUND.

No collection was made for this Fund during the past year, as the collection on Thanksgiving Day was appropriated, by the Bishop's direction, to the relief of the distressed Operatives in the Cotton Districts of Great Britain.

The sum of \$797 15 was received from Sales of Books. This enabled the Committee to pay off the debt remaining

on this Fund last year, and to purchase more Books. There is a Balance of \$18 96 to the credit of this Fund, besides a large quantity of Books on hand.

TRUST FUNDS.

COMMUTATION FUND.

The capital invested in Debentures is \$268,989. This Fund has been increased \$386 by reinvestment during the past year.

The interest on this Fund has been paid regularly, with the exception of the City of Hamilton, which is 18 months in arrears for interest, and the Town of St. Thomas which only paid a portion of the interest due on its debentures; the Committee hope that some definite arrangement may soon be made with these Municipalities.

The interest account is at present in debt, but the Committee look forward to its being placed in a better position as soon as some settlement can be come to with the City of Hamilton; action will probably be taken in this matter during the next session of the Provincial Parliament.

EPISCOPAL FUND.

The capital of this Fund shows a gradual improvement; the interest, however, is not yet sufficient to pay the claims upon it; and during the past year the Committee had to borrow a large sum from the Gore Bank to make this Fund meet the heavy expenses connected with it, in addition to the Episcopal Stipend; as may be seen by the accounts published in the appendix. During the past year a portion of the General Purposes Lands has been sold, and the interest derived from the sale of these lands will be used temporarily, as has been already agreed upon, to assist this Fund, and the Committee look forward to receive substantial assistance from this source during the coming year for the Episcopal Fund.

SOCIETY FOR PROMOTING CHRISTIAN KNOWLEDGE FUND FOR BUILDING CHURCHES.

A grant of £200 Sterling, besides a special grant of £100 Sterling, to Mohawk Indian Church, was made by the Society for Promoting Christian Knowledge to the Bishop during the past year, and this, with the balance in hand from the previous year, enabled the Bishop to give

assistance to fourteen Churches, besides a small grant towards fitting up the school house and lecture room at Woodstock. A balance of \$260.12 remains on hand to assist in Church building in the Diocese.

Such is a brief review of the different funds of the Society for the past year, which the Committee rejoice to say shews more work done—more Churches and Parsonages assisted, more contributed towards Missionary Stipends—than during any previous year; and as the applications for assistance are rapidly increasing, as the ministrations of the Church are being extended in all parts of the Diocese, the Committee trust that the members of our Church will realize more and more the responsibility that rests upon them to contribute liberally towards the furtherance of the objects for which the Society was established.

During the past year all the Dioceses in Canada have had to mourn the loss of one or more clergymen by death, except the Diocese of Huron; again we meet, by the good hand of our God upon us, with ranks unbroken, to make, our Fifth Annual Report; and while we rejoice in this, we are reminded that in our sister Diocese, of which we were but lately a part, four clergymen have been called away by death within a few months; this should surely lift a warning voice to us to work while we have the time, and whatsoever our hard finds to do, to do it with all our might, and nothing can be more for the general good, as all parts of the Diocese are reaping the benefits, than forwarding the objects of the Church Society.

The Committee must, ere they conclude, again record their grateful thanks to those Societies at home which continue to assist us in the work we have in hand; and, while hoping for a continuance of like favors, the Committee trust that the coming year will be one of increased zeal, increased liberality, and of increased benefit to the Diocese at large.

All which is respectfully submitted.
