Fifty-Page Judgment Justice Martin is Exhaustive in Proving Provincial Jurisdiction in Divorce Cases. VANCOUVER, June 18.—(Special.)—To disturb the jurisdiction of the courts of this province in divorce and matrimonial matters, which has been exercised for the past thirty-one years, would be to create a social and domestic calamity. This is but one view expressed by Justice Martin, after a judicial review covering that entire period, in a fifty-page judgment supporting the jurisdiction of the provincial courts. It is the most exhaustive judgment ever handed down upon any question before the local courts, and will be used by the attorney-general upon the appeal before the judicial committee of the privy council next month, an appeal against the decision of Justice Clement, the only provincial supreme court judge holding an opposite view.

IS SEEN FOR TRIAL CHARGES AND VENUE CHARGE Witnesses Swear That Accused Had Made Threats of Vengeance, and to One 'He Said, "Did It." TILLSONBURG, June 18.—(Special.)—Chester Buckborough appeared before Police Magistrate Hays this afternoon, charged with setting fire to the Queen's Hotel, when three lives were lost. After the crown evidence was heard the young man was committed for trial. None of the defence witnesses were called, but the cross-examination of the crown witnesses revealed a picture of the fire which the jury had not originated in the lower part of the house, as Mero claims, but in the third story, and therefore could not have been started by the prisoner. The evidence given by the last crown witness made a commitment inevitable, however.

St. Margaret College.
 The closing exercises for the year of the preparatory school of St. Margaret's College will be held at 10 o'clock this morning in the assembly hall, when the parents of the children and those immediately interested in that department of the college will be present. Miss Isabel Brown will conduct the exercises and the prizes will be presented by Mrs. Dickson.
 In the evening an informal musicale will be held for the pupils of the school and the visiting graduates.
 On Sunday afternoon at 3 o'clock the Rev. Charles H. Short, who has recently returned from his missionary labors in Japan, will address the pupils in the assembly hall of the college. On Monday morning at 10:30 o'clock Fr. Goldwin Smith will meet the members of the college staff and the pupils and will deliver an address and certify the certificates of honor. In the evening the medals and prizes will be presented at the formal closing exercises, which will begin at 8 o'clock.

At St. Joseph's Convent.
 Mr. Sbarretti attended the closing exercises at St. Joseph's Convent yesterday and was accompanied by Bishop Scollard of North Bay, Vicar-General McCann and Mr. Sinnott, secretary to the delegate. The music hall of the convent was tastefully decorated with the papal colors (white and gold), and crowded with priests, parents and friends of the pupils.
 Mr. Sbarretti thanked the pupils for their kind words of welcome and love for the holy father. He congratulated them on their splendid talent, of which they gave such an example. He praised in the highest sense the great work accomplished by the Sisters of St. Joseph in the cause of religion and education. The sisters have on exhibition a large quantity of hand-made work that will be sent to the Pope on the occasion of his golden jubilee. They consist of everything used on the altar, a display of beautiful needlework by the pupils included fancy embroideries of all descriptions, underwear, hats, and gowns. An embroidery was admired and given by Miss Bendel was admirable.
 The following are the winners of the important prizes:
 For Bishop Scollard gold medal, Dennis McBrien and J. T. Eagan, gold. This prize is for proficiency in Christian doctrine.
 The literary medal, by Joseph McDonald, North Bay.
 A Columbian gold medal in oratorical contents, by Dennis McBride, Hamilton.
 Madigan medal, for highest percentage in examinations set by business college, won by Joseph Cook, Mar-mora, Ont.
 O'Connor medal, gift of Bishop O'Connor, Peterboro, for mathematics, won by Dion Halford, Toronto.
 The graduates are: Miss Mary Williams McDowell, Toronto; Miss Anna M. Bourke, North Bay; Miss Eugenie Joyce Gillies, Baltimore, Md.; Miss Christina C. Chatterbox, Toronto.

Mrs. Norton's Musicals.
 The pupils of Mrs. K. Chattoe-Morton gave a musical in St. George's Hall last evening which demonstrated that under Mrs. Chattoe-Morton's careful and thorough training these pupils have attained a position in the musical world by which many other similar recitals will be judged. After an excellent program of solos had been rendered the pupils gave the lovely cantata, "Coronation of the Rose," and the rendering was perfect. The massed singing of the 24 voices was as fine as could be desired, and the solos were well rendered. Miss Margaret L. McCann, whose reputation as a reader was long since made, gave Jean Blewett's "In Sunflower Time," Martin's "Apple Blossoms," and Martin's "The Honor of the Woods," giving sympathetic and telling interpretations of the selections. Mrs. Morton sang a lovely solo, Maccharoni's "For All Galloway," with violin obligato by Mr. Galloway. Others who gave able and pleasing assistance to Mrs. Norton were Miss Shirley M. Bickle, soprano; Miss Jean E. Winters, soprano, and Mr. Fred Race, accompanist.

Elizabeth, was united in wedlock with Mr. William Edward Hunter of the Copeland-Chatteer Company, son of Mr. and Mrs. William Hunter, lifelong residents of Brampton and vicinity.
 The bride, who was attired in embroidered India mull over white silk, with veil, and carried a beautiful bouquet of orchids, roses and lilies of the valley, was attended by her cousin, little Miss Bessie Caswell, in embroidered muslin, carrying a basket of sweet peas. The ceremony was performed by the Rev. Dr. R. N. Burns, pastor of St. Paul's Church.
 The wedding march was played by Miss Nina Bickle of Toronto and Mr. J. Edgar Todd of Walkerton sang "O Fair, O Sweet, O Holy." A company of some forty invited guests sat down to a tempting dejeuner, followed by the usual congratulatory speeches, after which the bride zipped away to don a traveling suit of Wedgewood blue Panama, worn with a blouse of Cluny lace, with hat to match. The groom's present to the bride was a solitaire pearl ring and to the flower girl a pretty engraved gold bracelet.
 The array of wedding gifts bespoke the esteem of a large circle of friends. The bridal couple left in the evening to spend their honeymoon in Muskoka.

Many charming and delightful features made the Webster-Hamilton nuptials at Elm-street Methodist Church yesterday afternoon one of the most notable of this month of weddings. The principals are two exceptionally popular young people—Mr. J. Charles Webster, son of Mr. A. F. Webster, the well-known steamship agent, and Miss Nora Eileen Hamilton, daughter of Mr. E. C. Hamilton, 88 St. Mary-street. The bridal party reached the church at 2:30, their arrival being intimated by the strains of Lohengrin's wedding march, played by Miss Jessie C. Perry. A gown of white satin striped tulle trimmed with lace and sash of duchesse point lace was worn by the bride with charming effect. She carried orchids and lily of the valley.
 The bridesmaid, Miss Jessie Gibson and Miss Eva Sleeman of Burlington wore pink embroidered mull with large black hats set with pink roses. They carried bouquets of pink roses.
 Miss Bessie Webster, sister of the groom, and Miss Helene Allworth of Montreal, niece of the bride, as flower girls, looked very sweet in white lace trimmed with pink ribbons and wearing hats filled with daisies.
 Mr. Jack Moore of Hamilton was best man, the ushers being Messrs. David Prentice, Ralph Burns, Dr. Fulton Risdon, and H. McDonald. Rev. T. Bartley, pastor of Elm-street Church, pronounced the ceremony before the altar, which was decorated with a wreath of pink roses. A pleasing feature was a solo, "Because," by W. J. A. Carnahan. As the bridal party retired from the church the organist played softly Mendelssohn's comparable wedding march.
 About two hundred guests were present, including the bride's sisters, Miss W. H. Allworth of Montreal, Detroit, Niagara Falls and other places. Mr. and Mrs. Webster left for the south, and on their return will reside at 102 Kendall-avenue.

James Madison
 (4th President, U. S. A.)
IN George Washington, the American Revolution had its conquering general; in John Adams its intrepid organizer; in Jefferson its bold philosopher; and in Madison its constructive statesman.
 He it was who caused to be deeply imbedded in our highest law those vital and fundamental guarantees of life, property and Personal Liberty.
 In private life he was extremely social—yet truly temperate—drinking good malt beer and wine in strict moderation. Once, when sick in bed, he caused his couch to be wheeled near the dining-room door, that he might call to his acting representative at the festive board: "Doctor, are you passing the bottle? Do your duty, doctor, or I must cashier you!"
 Justly named "The Father of the Constitution," he died at eighty-five. When shall his name be forgotten?

 The evenings are cool every service is well attended. The talks by Evangelist Howe are short, but full of instruction on Bible topics. Little studied. The blackboard, maps and life-size paintings are in constant use. The remark "I never heard the Bible explained so clearly before" is often repeated by those who come to nearly every service. The meetings are carried on in a very quiet and orderly manner. Some of the new songs are greatly enjoyed.

MISSIONARY REVIVAL.
 J. C. White May Tour Canada From Coast to Coast.
 J. Campbell White of New York announced last night that the general committee of the Laymen's Missionary Movement is contemplating a campaign in Canada in September and October extending from Halifax to Vancouver. Mr. White is contemplating taking the trip himself and looks for great success.
 He said the spread of the movement in this country and in the States was something marvelous.
 "Why in twenty-five of the cities we have visited," he said, "they have increased their donations by \$500,000, and this is not a spasmodic thing, but will go on year after year."
 "Toronto holds a unique position in this movement," he went on, "because she has set a higher standard than any other, and its influence is being felt all over the world, so that, when the American Synod called for me to address a meeting I accepted at once."
 "We are trying to increase the funds three or four fold," he said, "and when we have fully covered the territory, I think we can do so. The general committee in Canada will do what they can, and we will give all the help we can from headquarters in New York City."

HAD COPPER HANDS.
 Man Wanted by Theford Police Captured.
 PORT HURON, Mich., June 18.—Fleeing from Theford, Ont., where he is wanted on a burglary charge, James Henry, an Indian, aged 32, blacked his face and thus disguised attempted to cross over into the United States.
 He thoughtlessly neglected to blacken his hands and the Port Huron immigration officers placed the man under arrest.
Acquitted of Murder.
 MONTREAL, June 18.—George Wilson, a Chateaux farmer, who shot and killed Wenceslas Fortin at Chambly a few weeks ago while the latter was trying to break into his house in an intoxicated condition, was to-day acquitted of a charge of murder.

MICHIGAN LUMBER CUT.
 Falls Off With Inroads on the Forest Preserves.
 WASHINGTON, June 18.—The Lake States, one of the greatest forest regions that ever contributed to lumbering, are rapidly falling behind in timber production, according to a preliminary statement just issued by the bureau of the census.
 Statistics concerning the annual output of forest products, from more than 2100 sawmill operators in Michigan, Wisconsin, and Minnesota—the big three—show that the cut last year was only five and one-half billion feet of lumber, which is 12 per cent. less than the cut of the preceding year.
 The heavy inroads made in the timber resources have been too much for the great forests. Six million acres in Michigan, known as "pine barrens," have been thrown on the delinquent tax list, also under proper regulations they might still be yielding lumber annually.
Betrayed by Countryman.
 MONTREAL, June 18.—An officer of the Roumanian Government named Costachescu is held by the local police on a demand from his government for his extradition on a charge of stealing the sum of 60,000 francs.
 He was betrayed by a fellow-countryman who first got 20,000 francs from him under threats of exposure. The betrayer then boarded a steamer for Liverpool where he will be arrested.

Just One Feature
 of the C. P. R. line to Muskoka Lakes is the splendid smooth-running roadbed, ten times better than one would expect of a line only in its second year. A gentleman lately returned from Bala remarked yesterday in the city ticket office, "Your roadbed is as good as any I have ever traveled, not excepting the new York Central and Pennsylvania lines." High praise, indeed, and welcome to the men that have worked and planned to make the Canadian Pacific the premier line to the beautiful lakeland district, not only in trucks, but in trains, times and every detail of service. How well they have succeeded is best judged by a run up to Bala, which, by the way, is now the recognized western gateway to Muskoka Lakes.
 M. B. Jackson was the unanimous choice of the Liberals for the federal constituency of Marquette, Man. John Brant, a married man, was tried before Judge Curman at St. Catharines on the charge of trying to escape away a young girl. Decision was reserved.

Torpid Livers
Must Not be Treated Harshly
 Salts and cathartics will wake the liver to action. But note what else they do. They ruin the stomach, so that nearly all dyspepsia is due to them. They harden the liver, as shown by the fact that a larger dose becomes necessary. The end is dyspepsia and constipation. You have caused what you sought to cure.
 Delicate organs cannot be helped by abuse.
 Drastic physic is never used by those who know. This is the day of the gentle in medicine.

But Opposition Condemns the Government's Action Just the Same.

OTTAWA, June 18.—(Special.)—Most of the day in the commons was devoted to Mr. Fielding's bill to authorize a certain issue of Dominion notes, and it was finally passed.

Mr. Fielding stated that the entire \$5,215,000 advanced had been repaid within the appointed time, the only expense being the commission of \$1500 to the Bank of Montreal.

Dr. Sproule criticized the method, but claimed that the opposition were quite as willing to render aid to move crops as the government, while Mr. Cookshut said the whole proceeding was a farce.

Mr. Fielding's bill to authorize the issue of government annuities for old age was also discussed in committee and stands for third reading.

Mr. Oliver with warmth, "that if the opposition should come into power and such conditions should arise, they would not meet it."

A SAFE STORE

There are several features about the new building of the Robert Simpson Co., Limited, which are specially designed for the safety of the public.

Many people doubt that the so-called fireproof buildings are in any sense really fire proof. It is thought that some are only more fireproof than others.

But the new store of the Robert Simpson Co., Limited, when completed, will be truly the safest store in the Dominion.

First as to fire protection. The floors and roof will be constructed of reinforced concrete. This means that in case of a fire there will be no chance for the steel to become hot and expand.

Then, even if a slight blaze from the fabrics were to take place, the store will be so thoroughly equipped with automatic fire extinguishers that a 9-foot spray of water will be thrown on the blaze within two or three seconds.

WALL STREET NERVOUS ON POLITICAL RUMORS

New York Stocks Undergo Another Moderate Recovery—Domestic Stocks Are Dull.

World Office Thursday Evening, June 18. An improvement in the reserve of the Bank of England and a further decline in the Berlin Bank rate was accepted as a pure matter of course, and was therefore of no influence in today's stock market.

Wall Street Pointers. Bank of England rate unchanged. Republic Steel preferred dividend has been passed.

Work of Improvement is Very Much Needed and Should Be Carried Further. The statement of Roadways Engineer Powell that the work of laying down a vitrified block pavement on East Queen-street, from River-street to the C.P.R. crossing at the Don, early next week, will be hailed with much satisfaction by a considerable section of the public, especially as it is intimated that the King-street portion of the approach to the crossings will be also paved in the not too distant future.

It is no exaggeration to say that the Queen-street roadway from River-street to the Don is in a wretched condition, and a real menace to vehicular traffic of all kinds.

Another feature of the new route is the electrification of St. Clair Tunnel, which has now been completed, and that under the former methods of handling trains through the tunnel there was occasionally a disagreeable odor from engine gases.

Work of Improvement is Very Much Needed and Should Be Carried Further. The statement of Roadways Engineer Powell that the work of laying down a vitrified block pavement on East Queen-street, from River-street to the C.P.R. crossing at the Don, early next week, will be hailed with much satisfaction by a considerable section of the public, especially as it is intimated that the King-street portion of the approach to the crossings will be also paved in the not too distant future.

It is no exaggeration to say that the Queen-street roadway from River-street to the Don is in a wretched condition, and a real menace to vehicular traffic of all kinds.

Another feature of the new route is the electrification of St. Clair Tunnel, which has now been completed, and that under the former methods of handling trains through the tunnel there was occasionally a disagreeable odor from engine gases.

BAPTIST Y. M. ANNUAL GAMES ON SATURDAY

Great List of Entries for Athletic Events on Varsity Field — Officers.

Judging from the number of entries received, the Baptist games to be held at Varsity Field on Saturday will surpass most in the athletic line held here this season. One hundred and seventy individual entries, with one more club to be heard from, complete the list. In former years the competition was principally between Ossington-avenue Club, Jarvis-street and Walmer-road, but this year ten clubs are entered, and the competition for the shield will be the keenest in the history of the games. Jarvis-street team, which hold the shield, in point of numbers, have the strongest, but they will have to fight every inch of the way to beat off Ossington and Walmer-road. What these two latter clubs lack in quantity they more than make up in quality. E. Harding, the veteran; J. Campbell, Jewell and W. Major, all competing for Ossington-avenue; Parkinson, Bowron, Cameron and E. Farmer, for Walmer; H.

Everyday Sees the Membership Nearer Complete

Our June Housefurnishing Club Limited to 500 Members of Whom Over 400 Have Already Joined.

DECISION of character is one of the staunchest of the virtues. Decide—decide! Time flies. June is passing. The Club is rapidly nearing the full number. Do you want to join? Why not? It costs nothing. First and last its services are free. Price your carpets, price your curtains, furniture covering, draperies, price your furniture price your wall paper and pictures precisely as if you were to be a spot cash customer. Then join the Club. You'll find not a particle of difference except this: Club members pay at convenience. They have practically speaking carte blanche to choose what they want and have it delivered NOW with the remainder of the year in which to pay for it. It shouldn't take long to decide about that proposition. The only question is—do you need it? Does your house lack for anything that Club membership would make it more convenient just now to supply? Decide to-day. The Club Secretary will talk it over with you personally if you will make it convenient to call to-morrow morning at his Office, Curtain Department, 3rd Floor.
