"WAITING AT THE CHURCH"

One of The Synod Ministers Now Believes In Short Sermons

Was Locked in First Church For Nearly An Hour—Policeman To Rescue

He was a tall man—tall and thin, wore glasses, and had a sandy complexion. He also wore a sandy moustache. He was a minister, and he came from one of the eastern towns to attend the meeting of the Synod in First Church. This was all the information which could be gained about him. It was all he would give. When he arrived in the city last night, he went straight from the station to the church, and he became so interested in the discussions of the meeting that when it came time for adjournment, he forgot where he had placed his hat and coat. It was raining and he couldn't leave the church without them. Everyone had gone, and the janitor was still looking for his wearing apparel, and when the janitor finally turned out the light and locked the door, he did not hear the cries which came from a distant corner of the church, to wait a minute. The janitor was gone, the door was locked, and the minister was inside. He was hungry, and the prospect of getting supper, bed and breakfast in the church was by no means the most comforting, especially in view of the truth of the old saying about the church mouse: There was nothing he could do to pass the time away. He couldn't play the organ, and it is no fun preaching to an empty church. The only thing he could do was hold a small prayer meeting, and his supplications for aid were never more sincere.

After almost an hour of tedious waiting, broken only by beseeching cries to imaginary passersby, help did come. In the person of a big-hearted policeman. The minister was standing inside, with his head outside, when he espied the officer of the law. It was a glad sight, and the policeman proved a friend in need. The janitor, who was standing from a peaceful slumber and soon arrived at the church with the keys. The minister was naturally quite wrathful and what he said to the janitor might have been put in more expressive terms, had not he remembered his calling, and with considerable regret, modified his language. It is said that the minister is today a firm believer in short sermons. He knows now how exceedingly uncomfortable it is to be unnecessarily detained in a church.

CARD OF THANKS

Mr. A. W. Merritt and family wish to convey their most sincere thanks to their many friends for the kind expressions of sympathy and aid to them in their late bereavement.

THE GRAND MARCH

The roller rink promises to be a very popular spot for the young people of this city to-night. A Grand March will be held. Everything is in readiness, and a jolly time is expected. The impression has got out that this affair would be held to-morrow night. This is an error. The Grand March will be held to-night.

JANITOR'S RESIDENCE IS UNSANITARY

A. W. Merritt, caretaker of Harrison Hall, has handed in his resignation. Mr. Merritt's reason for doing so is that the residence in the basement of the hall is highly unsanitary. The ill-health and recent death in his family is attributed to this cause. His predecessor, Mr. Blackburn, experienced much the same poor health while he was janitor of the hall. The basement is underground, and is continually damp. Since the underground residence has been proven to be so unhealthy, it is up to the Council to make some move to better conditions. It has been suggested that when they advertise for a new janitor that they offer a higher salary, so that the new caretaker may occupy healthier premises outside of the hall.

BIG BREWERY IS BURNED.

Fire At Toronto Destroys \$200,000 Worth of Property.

Cause Of Fire Is Unknown—Had Its Origin In An Old Elevator.

Toronto, April 30.—Fire swept the buildings of the Davies Brewing Co., at Queen street and the Don Esplanade this morning. The loss may reach \$200,000. Those who suffer loss are: The Davies Brewing Co., \$80,000. The Ontario Storage Co., \$40,000. The Dustless Method Cleaning Co., \$5,000. The Crown Bottling Works, \$5,000. John Dick, owner of a portion of the buildings, \$30,000. The blaze originated in the old elevator of the brewery, now occupied by the Ontario Storage Co. The cause is unknown. At 12.30 a.m. P. C. Hawthorne saw flames coming from the roof of the building, a two-storey brick structure, and he pulled an alarm from box 217. General Alarm.

Chief Thompson was one of the first to arrive and promptly sent in a call for reinforcements, the firemen from Bay, Queen, Yonge street and Rose avenue stations responding. There was a dense smoke, and the fire was hard to get at.

At 1.30 John Dick, who owns the building, warned the firemen to beware of the east wall, which, he said, was in danger of collapsing. A few minutes later the blaze got into the malthouse of the brewery, and in less than an hour the roof had fallen in.

It was feared that the storage department would ignite. A corrugated iron building, occupied by the Dustless Method Cleaning Company, was badly damaged. Two tanks of gasoline were in the building, and made the task of the firemen very dangerous.

A building occupied by the Crown Bottling Works was scorched. Arthur H. Davies is proprietor. The Davies Brewing Company includes Arthur H. and Franklin J. Davies. They estimate the loss to the malthouse at \$20,000 on contents and \$30,000 on building. The storage warehouse is valued at \$60,000.

The building occupied by the Storage company is owned by John Dick, and was valued at \$30,000, and fully insured.

John H. King is proprietor of the Storage Company.

Three horses were taken from a stable which was threatened.

The residence of A. H. Davies, on River street, was in the danger zone, and the contents were removed.

Firemen Hampered. The structure of the buildings, with few doors and windows, greatly handicapped the firemen in getting at the blaze. The storage building was beyond saving when the firemen reached the spot, and the attack of the sheets of flame on the surrounding buildings could not be resisted.

The engines from Berkeley, Lombard and Bay streets were in commission, and a good water pressure was the result.

Conservatives Get Busy.

Montreal, April 30.—It is understood that R. L. Borden and leading followers in Parliament will hold a series of political gatherings throughout the country during the present season, and that before the House again meets both the Upper and Lower Provinces will have been visited by the Conservative leader and his chief lieutenants. It is also stated that particular attention will be given to the special sections of the Province of Quebec and five districts of Montreal. Three Rivers and Quebec as well as the Eastern Townships, will hear the Conservative chief, with Messrs. F. D. Monk, M. P., J. G. H. Bergeron, M. P., T. Chase Casgrain, ex-M. P., Hon. Thomas Chapais, Hon. L. P. Pelletier, L. T. Marschal, together with such English speakers as Messrs. Rufus M. Pope, ex-M. P.; H. B. Ames, M. P., and others.

\$75,000 Ransom Paid.

Constantinople, April 30.—Seventy-five thousand dollars was the ransom paid for the release of Robert Abbot, the son of a prominent British subject residing at Salonika, who was kidnapped from his father's garden March 24, and eventually liberated when the demands of his abductors had been conceded. The brigands originally demanded \$100,000. The British Government will insist that the ransom be repaid by the Turkish Government.

Fatal Boiler Explosion.

Watertown, N. Y., April 30.—One man was killed and several others injured yesterday afternoon by the explosion of the boiler of a locomotive on the Cranberry Lake Railroad at Wanakona. The dead man is a Horace Tussell, a passenger. Among the injured is William Reynolds, another passenger of Watertown, and the engineer and fireman.

Charles A. Smith, of Stewart, brother of Dr. Neil Smith, of this city, left via C. P. R. for North Battleford, Sask., this morning.

DEATH OF MRS. WOODS

Respected Lady Passed Away At Three O'clock This Morning

Was One Of The Early Settlers Of Chatham—A Useful Life

Mrs. Emma Elizabeth Woods, relict of the late Judge Woods, passed peacefully away this morning at three o'clock after an illness extending over one week. Death was due mainly to natural causes and old age. Mrs. Woods was very highly esteemed in this city, and wherever she is known. All during her illness, innumerable friends have daily inquired concerning her condition, and she will be greatly missed by many to whom she was near and dear.

The late Mrs. Woods was born in Philadelphia, Pa., on June 21, 1821, the daughter of Gen. John George Schwartz. Her mother was a Miss Catharine Sheridan, of Philadelphia. General Schwartz was associated with the original John Jacob Astor in the fur business, and went to Detroit when Mrs. Woods was a baby, travelling much of the way by stage. Until her marriage in 1849 to R. S. Woods, she lived in Detroit, and was very widely known by the older Detroiters. Judge and Mrs. Woods came to Chatham in 1851, and from that time on, they always lived here. Two daughters and two sons, constitute the surviving family. They are Mrs. S. Starr McCrea of Buffalo, Mrs. John J. O'Dwyer of Montreal, N. B., and Robert G. Woods and John J. Woods of Vancouver, B. C.

Her daughter, Mrs. McCrea, was present at her side when the final call came. One particularly sad feature of the demise is that Mrs. McCrea, who was attending her mother, was called to Buffalo two weeks ago to-day, by the death of her husband. She arrived back in Chatham, however, to attend her mother again. The funeral will be held on Thursday at Christ Church.

POLICE COURT

Mac McLeod, the Workingman's Fitter, who was charged under the Transient Trader law, was given a hearing in the Police Court this morning, and after the hearing of the evidence, the case was adjourned for a week for decision.

The King St. barber, who was charged with the theft of a sum of money, was given his preliminary hearing this morning, and sent up for trial. He elected to be tried before a jury. He is now out on bail.

BIG CONCERT TO BE HELD AT KENT BRIDGE

The Chatham and Camden Township Sunday School Association will hold their annual convention at Kent Bridge on May 16, afternoon and evening. Mr. H. W. Brown, of Toronto, teacher training secretary of the Provincial Association, will take part in both sessions. Other speakers who will be present are Rev. C. P. MacFarlane, Rev. J. A. McKelvey, and Mr. Fred Collins. The music will be furnished by the Kent Bridge Methodist choir. This concert is being looked forward to as one of the finest musical events of the season, and one which the Sunday school workers will find very interesting as well as instructive.

PARK STREET S. S. HOLDS ANNUAL MEETING

The annual business meeting of the Park St. Methodist Sunday school officers and teachers was held last evening, the pastor, Rev. Mr. Rutledge, presiding. The reports for the past year, received from the Superintendent and Secretary-Treasurer, showed the finances of the school to be in the best condition they have been in for years, and there has been a marked increase in attendance both at the Bible Classes and the Young men's Club.

Arrangements were made for the S. S. excursion to Belle Isle via the Str. City of Chatham, early in July, and a program was arranged for the coming Sunday, when the school will celebrate its anniversary. Rev. Mr. Cobbleick, B. A., who was formerly pastor of Park St. Church, but now of Woodstock, will take charge of the services, and there will be a platform meeting in the afternoon. Last year's officers were re-elected as follows: Superintendent—Ald. C. Austin. Secretary-Treasurer—Ex-Ald. W. T. Piggott. Asst. Secy-Treas.—P. K. Morley. Librarian—S. Reid. Bible Class Leader—Dr. A. A. Hicks. Leader of the Young Men's Club—Ald. W. H. Westman.

THE COLORED SUPPLEMENT.

In referring to Postmaster General Lemieux' postal rate reform as it affects United States literature, an article upon which recently appeared in The Planet, the Montreal Witness has these wise words to say regarding the colored supplement advertisement which a few Canadian newspaper publishers import from the United States:

"If by alterations in postal regulations anything may be done to check the flow of vulgarity and worse that makes the press one of the unclean spirits of our age such change should be hailed. It is our young people who suffer most. Even our very nurseries are being invaded by the coarser fun and false art of the colored supplements of the Sunday papers which some of our Canadian newspapers, we regret to say, are using with their Saturday evening issues. These things are not merely inane, they are unwholesome to the last degree."

Even the people in the United States are getting disgusted with the cheap and nasty colored supplement, adds the Brockville Times, and it is no credit to Canadian taste that any of our leading newspapers should pay out their good money for these discarded and degenerate freaks.

The Brockville Times also reproduces the article from the Woman's Home Companion, which was previously published in The Planet, with the following comment:

"We have frequently criticised the colored supplement abomination which some of the Canadian newspaper publishers import from the United States, as being devoid of art, wit or refinement—without a solitary redeeming feature. We have also drawn attention to the fact that the educated intelligence of the United States has become disgusted with the hopeless vulgarity of the colored supplement and awakened to a realization of its injurious effects upon children from the educational point of view."

Now that the North Essex and the West Kent License Commissioners have each turned down an application for a hotel license at the Light-house, the same old way of getting refreshments there will have to be carried out again this summer.—London Free Press.

A Tilbury correspondent writes to say that forty minutes is not too much time to allow to a Sunday sermon. Our correspondent will probably agree with the sentiment that a sermon is not to be judged by the number of minutes required for its delivery.—London Free Press. Of course, it should also be kept in mind that it is often possible to get too much of a good thing.

The Board of School Trustees in Chatham seem to think that the system of special examinations for High School entrance is as likely to find out what a pupil doesn't know, as what he really does know, and it has passed a resolution recommending, in effect, that pupils be passed to this institution on their regular work at school, as from one book to another. This, no doubt, would do something to facilitate the continuity of teaching work, in moving from one institution to another, and reduce the feeling of change in moving from one institution to another. This is one that cannot be co-ordinated so easily, even under sound theories. Transitions always mean changes, and changes involve the risk of proper adjustment. Then again, education is more a tendency than a state.—Blenheim News-Tribune.

Change in United States

Subscription Rates

The Planet, in common with all other newspapers of Canada, has been notified by the Postoffice department at Ottawa that on and after May 8th next, the rate of postage on papers entering the United States will be changed from one-half price of the Daily Planet sent to the cent for every four ounces or fraction of four ounces.

This means that single papers entering the United States will each require one-cent postage, that parcels of papers sent to one office will be four cents a pound. In view of this, after May 8th the price of The Planet sent to the United States will be \$5 per annum. There is a reduction in the actual price of the paper of over \$1, as the postage the publishers will be obliged to pay will be \$3.12 a year on each subscription. The Weekly Planet will be \$1.50 per annum, strictly in advance.

THE MEN WILL GET TO WORK

New Departure In Church Work Started Off In First Church

Ladies Provide An Excellent Banquet—Splendid Addresses

It was a very large and happy gathering of men who assembled in the First Presbyterian Church last evening to enjoy the "good things" which had been prepared for their entertainment and pleasure, by the good ladies of the congregation. It was a unique affair—a new departure in church work in this city, and it turned out to be an exceedingly pleasant and profitable undertaking. At six o'clock precisely everything was in readiness. The ladies of the church had gone to considerable trouble and labor to provide one of the most attractive and inviting menus ever offered at a Chatham banquet. Large tables were placed in the Sunday school room of the church, and the men, for whom all these preparations had been made, were there in numbers to enjoy it. The ladies proved to be excellent entertainers. Their part of the program was carried through with a forethought only known to the members of the gentler sex. Mr. Fred. Stone was elected to the position of chairman of the evening, and seated on his left and right were the speakers of the evening, Rev. F. H. Larkin, a former pastor of the church, and Prof. Kilpatrick, who officiated so capably at the anniversary services last Sunday.

After the banquet, the chairman, in a few appropriate words of introduction, announced the speakers of the evening. Two excellent addresses were given.

Rev. F. H. Larkin, of Seaford, a former pastor of the First Church congregation, and who is known and esteemed by everyone in Chatham, was the first speaker. He expressed his pleasure at being present, and spoke of the special pleasure which he felt at being privileged to meet so many of his former friends and acquaintances. He indulged in a few pleasant reminiscences, and spoke of the many pleasant memories he had of his pastorate in Chatham—memories which would be dear to him, as long as life lasts. His whole speech was especially suitable for such an occasion and his hearers were pleased to hear more note his admirable thought, clearness of expression, and fluency of language. His remarks were greeted with tumultuous applause, as was the first announcement of his name.

Rev. Prof. Kilpatrick was then called upon, and delivered an admirable address, which was at the same time scholarly and comprehensible. Prof. Kilpatrick well deserves the reputation of being one of the biggest men in the Presbyterian Church. Those who heard him on Sunday were pleased to again listen to the words of wisdom and superior judgment which fell from his lips last evening. He opened his remarks by paying a great tribute to Chatham as a city of exceeding beauty and apparent prosperity. He was particularly impressed with the excellent pavements, the well-kept lawns and the prosperous looking residences. He was surprised to find that these were not confined to the more wealthy people of the community, but were enjoyed by almost a full extent by the workmen and laborers. He thought Chatham was a very beautiful and therefore fortunate city.

It was not so with the towns of the Old Country. In that part of the world there are many questions of a social character which the people of this country never have to face. He went on to show how the church was the chief factor in the solving of these problems, and supported this condition of affairs with the statement that it was only right that it should be so. He drew from history facts which went to show that the church has in times past been almost directly responsible for the great reforms which have taken place and which have resulted in universal good. The ringing note of his address was to the men of the church. He had no intimate knowledge of how the affairs of the church were managed in this section of the country, but he found in many places that the churches were almost entirely run by the women. While he did not depreciate the work of the women, he thought that the men of the church should take a deeper and more active interest in the work of the congregation. He gave instances in Scotland where the men were the chief workers in the church, and in every case the result has been that the greatest good has been accomplished. The men should not leave all the work of the church for the women. They should not stand idly by and let the women do the work which they are capable of doing. He advocated the formation of a men's association in connection with the work of the church.

At the conclusion of the Professor's address, both of the speakers were given votes of thanks, and a similar vote was also passed to the ladies who had worked so faithfully to make the banquet the success that it was.

Prof. Kilpatrick's address created a profound impression, and the results of his words of advice were not long in coming. At the conclusion of the speeches, Mr. J. S. Black, one of the managers of the church, rose with the immediate suggestion that the advice offered relative to the formation of a Men's Association be acted upon at once. He moved, and the motion was not long in being

seconded, by Mr. Spencer Stone, that such an organization be placed on record, and that the officers be named as follows:

Hon. Pres.—Ex-Mayor S. T. Martin.
President—Mayor Wm. Stone.
Vice-Pres.—J. W. Aitken.
Secretary—R. W. Angus.
Executive Committee—A. B. McCaig, Geo. Wands, W. E. Merritt, W. A. Coltart and F. D. Laurier.

It will be the duty of these officers to call a meeting of the men of the church as soon as possible, when the organization will be formed upon the regular basis. Judging from the sentiments expressed last evening, the organization will not be a dead one, and results of a beneficial character are earnestly expected. It was hoped that the above named gentlemen would have the hearty co-operation of every man in the church in their future efforts to make this association a live one, and an influence for good.

This concluded one of the most enjoyable functions ever held in connection with the church, and adjournment was made to the church auditorium, where the session of the Synod was opened.

CATARRH CAN BE CURED

Kill the Germ by Breathing Hy-o-mei—Gives Quick Relief.

Many people who have suffered with catarrh for years naturally feel that the disease cannot be cured, and become discouraged.

Their failure to get relief is due to the fact that they have not used the right remedy. Catarrh is an affection of the head, throat and lungs, and cannot be cured by stomach dosing.

The only scientific and natural treatment for this disease is Hy-o-mei, which is breathed through a neat pocket inhaler, so that its healing medicated air reaches the most remote air-cells, kills all catarrh Hy-o-mei is the only cure for catarrh that has ever been sold with the understanding that it was to cost absolutely nothing unless it cured. C. H. Gunn & Co. sell Hy-o-mei in this way and are always ready to refund the money if it does not relieve and cure catarrh.

The healing and antiseptic balsams of Hy-o-mei perform their purpose to perfection, and by using this remedy for a few times each day, you can soon cure yourself of any catarrhal troubles. A complete Hy-o-mei outfit, consisting of a bottle of Hy-o-mei and an inhaler, costs but \$1.00.

RATES FOR JAMESTOWN EXPOSITION.

Although the much-talked-of Exposition at Jamestown, Virginia, will not be officially opened until the 26th of this month, and probably not at its best until some time later, the special railroad rates are already announced by the Canadian Pacific Railway. There are special rates for season tickets, sixty-day tickets and thirty-day tickets from Toronto to Norfolk, Va., and return, from now daily until the last day of November. Norfolk is reached by several different lines of railroads and steamboats; during the summer a particularly delightful journey, but the very variety of routes renders it difficult to give rates. There are too many. All Canadian Pacific agents will be glad to quote them and give full particulars of service, or write to C. B. Foster, District Passenger Agent C. P. R., Toronto.

THE LAST DAYS OF THE CHEAP WESTERN AND COAST EXCURSIONS VIA CANADIAN PACIFIC.

The popular Western and coast excursions, which have been in effect for the past month and a half, will be over very shortly, the last day that you can leave Chatham at the following very low rates, is April 30. Until then we can offer you second class tickets to many points in California, Oregon, Washington and British Columbia for \$40.30 and \$41.95, according to route. The Canadian Pacific runs the most comfortable tourist cars, clean through to the coast without change, on every train. Call at the city ticket office, corner King and Fifth streets, for an illustrated booklet on the far famed West, our Tourist Guide, etc. Do not book until you have consulted us; we can give you the best advantages.

YOUNG CHILD VICTIM.

Little Girl Assaulted and Murdered By Her Uncle.

Bennington, Vt., April 30. -- News was brought here yesterday of an unusually atrocious crime in North Bennington Sunday night, the victim of the tragedy, a child less than 4 years old, having been criminally assaulted and then murdered.

The victim of the crime was Ethel Mahan, the daughter of German Mahan, a carpenter. The alleged assailant and murderer is Alfred Mahan, 23 years old, a brother of the child's father, who had volunteered to accompany the little girl from a pond where her father was fishing, to her home.

When the fishing party returned home there was no trace of the little Ethel. Search was made, and in a clump of bushes the body was found with the throat horribly cut and bearing other evidence of fiendish mistreatment.

Alfred Mahan, who is said by the authorities to have been the last person seen with her, was arrested.

Rev. Mr. Kilpatrick, who preached in First Church Sunday, was driven around the city Sunday afternoon, and expressed his very pleasant Chatham as a prosperous looking place. He was particularly delighted with the pavements and prosperous looking homes and lawns, and pleasant grounds. Mr. Kilpatrick is a native of Aberdeen, and has been in this country for six years. He thinks that Chatham is one of the finest cities he has ever visited in this country.

Humane Officer James McGregor laid up a couple of horses on Saturday. Just at this season of the year, the Humane Officer is a busy man. A short time ago a couple of young men hired a horse from a local livery stable, and took a drive in the country. Since that time the horse has been under the care of a veterinary surgeon, who says that the horse is sick as a result of being overdriven. Mr. McGregor is investigating the case, and if he finds matters as represented, he will prosecute the young men.

S. N. Gardiner has completed his second year at McGill College, Montreal, and has returned home for the summer. Mr. Gardiner passed his examinations successfully and took honors in mathematics and surveying. He had a number of valuable instruments destroyed in the recent big fire at McGill, but was fortunate in saving his notes. Mr. Gardiner has in his possession several good photos of the building taken during the fire and after.

More interest is being manifested every day in the good fishing which abounds in the river this spring. It is so long since fish were plentiful in the stream, that everyone seems to be getting the fever. Men and boys and even a few ladies are enjoying the sport. One young man caught as many as one hundred and five good fish in the river in one afternoon last week. Since the nets were taken out there is nothing now to stop the fish from coming up the river. Local people are beginning to appreciate the good results of the new regulations.

Not an uncommon experience was that of Mrs. H. S. Wilmet, of Shuler, N. S. Doctors failed, still a quick cure was found in Catarrhazone. No time this statement. "I have been a most dreadful sufferer from hemorrhoids and catarrh. On damp days I would hawk and suffer great distress in my throat. I used all kinds of medicines, but didn't get permanent relief till I used Catarrhazone. It has strengthened my throat, cured my cough and made me entirely well." Refuse substitutes for the one reliable Catarrhazone and throat cure. All dealers sell Catarrhazone in 25c. and \$1 sizes.

A SUCCESSFUL FURNACE

A GOOD ARTICLE EFFECTIVELY ADVERTISED FINDS A READY SALE.

McClary's "Sunshine" Furnace in Use from Halifax to Vancouver.

With this issue of The Planet the McClary Manufacturing Co., of London, Ont., commence their advertising for the year, using a series of ten attractively illustrated ads. The illustrating in these ads is the work of an artist, as can readily be seen, and while the quality of the drawings is of a very high order every ad. deals with a practical feature of the furnace. From glancing over the ten advertisements you are quickly impressed with the many good features of the "Sunshine." The reading part is also very clear and forcible. The McClary Co. claim to be the largest manufacturers under the British flag, of stoves, ranges and furnaces, employing over twelve hundred people all the year round. Their London factories cover nearly three city blocks and are considered to be about the best equipped in the world.

The McClary business was established in 1852, and has grown steadily since the beginning. Branch warehouses have been established in all the leading Canadian cities and a large force of travelling salesmen are constantly calling at every city, town and hamlet in the interests of this mammoth concern. The McClary Co. freely admit that a large measure of their growth is due to carefully planned and persistent newspaper advertising, which is a strong evidence of the influence and force of the Canadian press.

GREAT DISTRESS IN HER THROAT

Not an uncommon experience was that of Mrs. H. S. Wilmet, of Shuler, N. S. Doctors failed, still a quick cure was found in Catarrhazone. No time this statement. "I have been a most dreadful sufferer from hemorrhoids and catarrh. On damp days I would hawk and suffer great distress in my throat. I used all kinds of medicines, but didn't get permanent relief till I used Catarrhazone. It has strengthened my throat, cured my cough and made me entirely well." Refuse substitutes for the one reliable Catarrhazone and throat cure. All dealers sell Catarrhazone in 25c. and \$1 sizes.

WALLACEBURG

Wallaceburg, April 30.—Mrs. Jas. Purser gave an At Home on Thursday evening last in honor of Mrs. D. H. McMullen, of Minneapolis, who has been visiting here. Mrs. W. D. McRae assisted Mrs. Purser in the parlor and Mrs. Platt, Mrs. Coursey and Mrs. D. A. Gordon received the guests. The Misses Ruby Gordon, Marie Forhan, Jean Fraser and Rheba Murphy assisted in the tea room, where about 150 guests were waited upon. Mrs. Purser wore mauve ecru while Mrs. McMullen wore cream crepe de chine over cream silk. Mrs. McMullen left on Saturday for her home in Minneapolis.

Miss Margaret Barry spent Sunday in town.

Wm. Barry visited here on Monday.

The services at the Methodist church on Sunday were both special. In the morning the pastor, Rev. W. A. Gunton, preached the annual sermon to the Independent Order of Oddfellows. There was a good turnout of the Order and they received much good from the excellent sermon preached to them. The music was also a special feature of this service. In the evening a service was held in memory of the late Mrs. Wm. Campbell. These services were both largely attended.

Mr. and Mrs. Wm. Drader, Mr. and Mrs. Burdette and Mr. Basil Martin, of Chatham, attended the memorial service at the Methodist church on Sunday evening last.

Simon McNamee's house is being rushed to completion by McNamee Bros., contractors.

Thomas Yazbeck, south side, is building a large wing to his present house and store.

The Baptist church was crowded on Sunday evening, it being a special baptismal service. The pastor, Rev. W. A. Gunton, preached very acceptably from Romans 6: 4. Directly after the regular service ten persons put on their Lord in baptism.

Mr. Myland, of the Herald-Record, visited friends in Chatham on Sunday.

The steam engine at the glass works was broken in some way on Monday morning, and through this nearly the whole staff of men will be laid off work for perhaps some weeks.

McNamee Bros. received a boat load of lumber on Monday by the steamer "Energy."

The Wallaceburg Co-operative Company are running their stove mill here full blast.

PRINCE EDWARD WILL ENTER AT ROYAL NAVAL COLLEGE.

Young Princes to Follow in Their Father's Footsteps—Education to Be Truly Moral and English—Will Get Inside Knowledge of Engineering and Take Part in Manual Labor—Under Naval Discipline.

The two eldest sons of the Prince of Wales will proceed to the Royal Naval College at Osborne to become naval cadets.

Prince Edward will enter his 14th year next June and thus he will be about the same age as was the Prince of Wales when, in company with the late Prince Albert Victor, he proceeded to the old cadet training ship at Dartmouth.

This decision to enter the two young princes as naval cadets at Osborne is particularly noteworthy because the system of training which is adopted there is entirely novel. It is essentially the type of training which would

OPENING OF THE SYNOD

Important Meeting of Presbyterian Ministers is being Held Here

Rev. Dr. Ross Delivers Retiring Moderator's Sermon

The opening session of the Presbyterian Synod of Hamilton and London was held last evening in the First Presbyterian church. There was a very large attendance of ministers from all over the district covered by this Synod, and there was also a goodly number of elders also present.

The opening of the proceedings was quite formal in character. Rev. Dr. Ross, of Port Dalhousie, the moderator appointed last year, conducted a short devotional service, after which he delivered the retiring sermon. His address to the assembled delegates was in point of thought and eloquence. The subject was directly suitable for an occasion of such a character, and during the course of his remarks he pointed out which to his mind were the vital principles for a true minister of the Gospel to keep in view. These were Faith, Love and Hope. He supported his statements by reference to the Gospel according to St. Paul.

Dr. Ross was highly complimented upon his excellent discourse, and at its conclusion he was tendered a hearty vote of thanks.

The clerk of the Synod, Rev. Dr. Radcliffe, then gave his report. There have been, according to the statistics handed in to him, eleven new ministers added to the Synod, and only four deaths during the past year. The election of the new moderator to preside over the proceedings of the present Synod, resulted in the selection of Rev. W. M. Martin, pastor of Calvin church, Exeter. He was nominated by Rev. Mr. Fletcher, who took advantage of the occasion to pay a very high tribute to the man of his choice. The nomination was seconded and unanimously carried.

Mr. Martin has been a member of the Hamilton-London Synod for the past 32 years, and during that time he has only missed attending three of its meetings. Although he is a very young appearing man—and he assured the meeting that he was by no means what people would call an old man—he has been in the ministry for over 40 years. He is a man of considerable ability, and the general feeling was that no mistake had been made in the selection of a moderator.

Dr. Radcliffe, the efficient and faithful clerk of the Synod, was not overlooked when the complimentary words were being passed around. Since the last Synod meeting he has secured the degree of D. D., and the meeting went on record as complimenting him upon the honor to which he had attained.

Dr. Kilpatrick, who was present, constituted a member of the Synod, and was invited to take part in the proceedings of the sessions. The report of the Business committee was read. They recommended among other things that the following be appointed a committee on bills:

The clerk of the Synod with the clerks of the nine different Presbyteries in the Synod, and the following ministers and elders:

Paris—Rev. Dr. Dickie and Mr. Hosie.

London—Rev. H. W. Reid and Mr. Thomas Baillie.

Chatham—Rev. Dr. Smith and Mr. Burncliffe.

Sarnia—Rev. Mr. Lindsay and Mr. Crawford.

Huron—Rev. Mr. Fletcher and Mr. McKay.

Mailand—Rev. D. McKernan and Mr. Chisholm.

Bruce—Rev. John McLean and Mr. J. Craig.

An Elders' Commission was appointed. They are J. S. Hardy and J. Milden.

The hours of meeting will be from 9.30 a. m. to 12.30 p. m., and from 2.30 p. m. to 5.30 p. m., and from 8 p. m. to 10 p. m.

The committee on Obituaries will consist of the retiring moderator and the clerks of the different Presbyteries where deaths have occurred.

The report of the committee was adopted.

The meeting then adjourned until Tuesday morning.

The choir of First Church assisted in the musical part of the service last evening.

BOND-JENNER

The home of Mr. Wm. Jenner, Botany, was the scene of a very happy event on Wednesday evening last when his daughter, Miss Sylvia, and Mr. Stephen Read, of Northwood, were united in marriage.

The ceremony was performed by Rev. R. Fulton Irwin, of Thamesville, under an arch of evergreens. The bride was beautifully attired in a gown of white organdie and carried a bouquet of cream roses. The wedding repast was sumptuous and the presents numerous and useful.

Mr. and Mrs. Read left on the evening train for Niagara Falls, where they intend spending their honeymoon. They have the best wishes of a large circle of friends.

MUCKLE—CARLE

Mrs. J. F. Carle and John Muckle were married at 5.30 o'clock yesterday morning at the bride's home, 1232 Washington street. The ceremony was performed by the Rev. George Reynolds, pastor of the Second Presbyterian Church. Mr. and Mrs. Muckle left an hour later for Chicago and the East.

Mrs. Muckle is the widow of J. F. Carle, who was president of the Carle Oatmeal and Cereal Company, who died about twelve years ago. She has lived in Kansas City thirty-five years. Mr. Muckle is an attorney, with offices in the New York Life building. He lives at Maple Inn. In Chicago the couple will visit Mrs. Muckle's son, Eugene Carle, who is a wholesale candy manufacturer in that city. From Chicago they will go to Pittsburgh, where Mr. Muckle's son lives. —Star-Times, of April 26.

The above item is taken from the Kansas City Star-Times, and will be of interest to a number of Planet readers in this county. Mr. Muckle, the gentleman connected with the pleasing event, is an old Kent boy, and was born in the Township of Harwich. He also lived for some time in the Maple City, and is a brother-in-law of Mr. James Birch, Lorne Ave. Mr. Muckle is very widely connected throughout the county, and a host of relatives and friends will extend to him hearty congratulations.

THIS TONIC BUILDS UP.

Many medicines stimulate, break down, leave you worse than ever. Ferrozone is different—it's a blood-former, a nerve-strengthenener, a body builder. Pale, anaemic girls are given color and vigor. The tired and sleepless are strengthened and restored. "Better than all tonics I found Ferrozone," writes Mrs. F. F. Castleton, of Woodstock. "I was completely rundown, cheeks were blanched, lips white and had every sign of anaemia. Ferrozone added to my weight, gave me strength, ambition and good health." Nothing better, try Ferrozone yourself; 50c. per box at all dealers.

BEDFORD—FERGUSON

An event of more than usual interest transpired Wednesday evening when Jean, the winsome daughter of the Mistress of Craigdarroch was united in wedlock to Bruce Bedford. The palatial home of the Fergusons was beautifully decorated and a large number of guests partook of the hospitality of the generous Lady of Craigdarroch.

By this marriage a union of two of the old pioneer families has taken place. For, for full seventy years the names of Bedford and Ferguson have been honored ones in Harwich.

OPEN WEEK'S ENGAGEMENT

Marks Bros. Played To A Packed House Last Night

Made A Fine Impression and The Crowds Will Undoubtedly Continue

The Grisco Opera House was simply massed with humanity last night to welcome Marks Brothers on the first production of their current week's engagement. And the company deserved the splendid reception, which is saying a good deal. The play presented, a touching Southern drama, though with plenty of humor to balance the tragic, was "The Ragged Princess," and chief Gracie Marks claimed the audience in the title role. The first scene is laid in a Kentucky cotton field where the Princess is discovered in a small barrel in hiding from her supposed parents, who are in reality her enemies, who had stolen the child out of revenge. Colonel Silverthorn, the kindly old gentleman, is ready at "The Magnolia," the fine country residence held in trust by him for the child of his brother, but who disappeared many years previous, and which, of course, in due time proves to be "The Ragged Princess." The little girl is adopted and kept in the house that is her own. However, the two cousins, Juliet and Lee Silverthorn, hate the real "Selma" from the first, and with the assistance of Judas, an Octroon, an ex-slave, try to get rid of her in various cunning ways, but the timely interference of Waggles, the tramp philosopher, and at heart a true gentleman, always prevented any very serious results.

The company are above the average, and Mr. Marks is to be congratulated on the excellent amount of material he has surrounded his popular plays with. As to the specialties they have to be seen to be appreciated, and it is no exaggeration whatever to say they are well worth the price of admission doubly over. To-night "The Mountain Maid" will be the attraction.
