[*ssented to 23rd May, 1873.*]

Preamble.

HER MAJESTY, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :

Part of Kildare attached to St. Alphonse de Liguori.

1. The territory comprising the lots of land numbers one, two and three of the first range of the township of Kildare, in the County of Joliette, is attached to and shall form part of the parish of St. Alphonse de Liguori, and of the County of Montcalm, for electoral purposes.

The first section of chapter two of the Consolidated Statutes of Canada, and the sixteenth and seventeenth subsections of section one, of chapter seventy-five of the Consolidated Statutes for Lower Canada, in so far as they apply to representation in the House of Commons of Canada, shall be read and interpreted in conformity with the foregoing provision.

CHAP. 30.

An Act to re-adjust the amounts payable to and chargeable against the several Provinces of Canada by the Dominion Government, so far as they depend on the debt with which they respectively entered the Union.

Preamble.

WHEREAS by the provisions of "*The British North America Act, 1867,*" and by the terms and conditions under which the Provinces of British Columbia and Manitoba were admitted into

into the Dominion, Canada became liable for the debts and liabilities of each Province, existing at the time of its becoming part of the Dominion, subject to the provision that each Province should, in account with Canada, be charged with interest at the rate of five per cent. per annum on the amount by which its said debts and liabilities exceeded, or should receive interest at the same rate by half yearly payments in advance, on the amount by which its said debts and liabilities fell short of, certain fixed amounts ;

And whereas the amount fixed as aforesaid in the case of the Provinces of Ontario and Quebec, conjointly (as having theretofore formed the Province of Canada), was sixty-two million five hundred thousand dollars (\$62,500,000), and the debt of the said late Province, as now ascertained, exceeded the said sum by ten million five hundred and six thousand and eight-eight dollars and eighty-four cents (\$10,506,088.84) for the interest as aforesaid on which the said two Provinces were chargeable in account with Canada ;

And whereas it is expedient to relieve the said Provinces of Ontario and Quebec from the said charge, and for that purpose hereafter to consider the fixed amount in their case as increased by the said sum of ten million five hundred and six thousand and eighty-eight dollars and eighty-four cents ; and to compensate the other Provinces for this addition to the general debt of Canada : Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :—

1. In the accounts between the several Provinces of Canada and the Dominion, the amounts payable to and chargeable against the said Provinces respectively, in so far as they depend on the amount of debt with which each Province entered the Union, shall be calculated and allowed as if the sum fixed by the one hundred and twelfth section of "*The British North America Act, 1867*," were, increased from sixty-two million five hundred thousand dollars, to the sum of seventy-three million, six thousand and eighty-eight dollars and eighty-four cents, and as if the amounts fixed as aforesaid, as respects the Provinces of Nova Scotia and New Brunswick, by "*The British North America Act, 1867*," and as respects the Provinces of British Columbia and Manitoba by the terms and conditions on which they were admitted into the Dominion, were increased in the same proportion. Increase of the sum fixed by B. N. A. Act, as to Quebec and Ontario ; and as to other Provinces in same proportion.
2. The subsidies to the several Provinces, in July, one thousand eight hundred and seventy-three, shall be paid in accordance with the foregoing provisions of this Act. Subsidies in July, 1873.
3. All sums payable under this Act shall be a charge upon and payable out of the Consolidated Revenue Fund of Canada and accounted for in like manner as other moneys payable for like purposes out of the same. Sums under this Act how paid and accounted for

An Act respecting the admission of the Colony of Prince Edward Island as a Province of the Dominion.

[Assented to 23rd May, 1873]

pursuance of the provisions of "*The British North America Act, 1867*," be pleased to admit the Colony of Prince Edward Island into the union or Dominion of Canada, before the next session of the Parliament of Canada, and it is therefore expedient to make certain provisions which shall take effect in the event of such admission: Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. On, from and after the day on which the said Colony of Prince Edward Island shall be admitted to the Union or Dominion of Canada, as a Province thereof, by Her Majesty the Queen, by and with the advice of Her Majesty's Most Honorable Privy Council, under the provisions of the one hundred and forty-sixth section of "*The British North America Act, 1867*," all the Acts of the Parliament of Canada, passed in the present or any former session thereof, and relating to the following subjects or any of them, that is to say:—

Governor in Council may modify certain provisions.

2. The Governor in Council may from time to time, suspend, relax or modify as respects Prince Edward Island any of the provisions or requirements of the said Acts respecting the Customs or Excise, (except such as fix the duties payable under them,) which he may deem it impracticable or inconvenient to enforce in the said Island.

As to dutiable articles brought into other Provinces from the Island.

3. If, after the admission of Prince Edward Island into the Dominion, there be brought from it into any other Province of Canada, any article of commerce not being the produce of the Island or of Canada, and liable to any duty of Customs when imported into Canada from any foreign country, or any such article produced in the Island, and liable to a duty of Excise if produced in Canada for consumption therein, then if such Canadian duty of Customs or Excise be greater than the duty of Customs or Excise paid on such article in the Island, the difference between the Canadian duty and the duty paid in the Island, shall be payable on such article when brought from the said Island into any other Province of Canada; and such difference shall be collected under such regulations as the Governor in Council may, from time to time, make in that behalf: and any such difference of duty payable under this section shall be a duty of Customs within the meaning of the Acts respecting the Customs hereby extended to the said Island,—all the provisions whereof, (including those respecting warehousing) and the penalties for contravention of such provisions, shall apply to such difference of duty.

CHAP. 41.

An Act respecting the Export Duties imposed on Lumber
by the Legislature of the Province of New Brunswick.

[Assented to 23rd May, 1873.]

WHEREAS by chapter fifteen, title three, of the Revised Preamble.
Statutes of New Brunswick, amended and made permanent by later Acts of the Legislature of that Province, certain duties of export on lumber shipped therefrom are imposed, the proceeds whereof belong to the said Province, and by section one hundred and twenty-four of "*The British North America Act, 1867*," it is provided that nothing in that Act shall affect the right of New Brunswick to levy the lumber dues imposed by the said Provincial Act or any Act amending it, before or after the Union ; B. N. A. Act.

And whereas, by article XXX of the Treaty of Washington, it is agreed that for the term of years mentioned in article XXXIII, Her Majesty's subjects may carry, in British vessels, without payment of duty,—goods, wares and merchandise from one port or place within the territory of the United States, upon the St. Lawrence, the great lakes and the rivers connecting the same, to another port or place within the territory of the United States as aforesaid, provided that a portion of such transportation is made through the Dominion of Canada by land carriage, and in bond, under such rules and regulations as may be agreed upon between the Government of Her Britannic Majesty and the Government of the United States ; and, by Article XXXI of the said Treaty, it is declared that Her Britannic Majesty further engages to urge upon the Parliament of the Dominion of Canada, and the Legislature of New Brunswick, that no export duty, or other duty, shall be levied on lumber or timber of any kind cut on that portion of the American territory in the State of Maine watered by the River St. John, and its tributaries and floated down that river to the sea, when the same is shipped to the United States from the Province of New Brunswick ; and that in case any such export or other duty continues to be levied after the expiration of one year from the date of the exchange of the ratifications of the said treaty, it is agreed that the Government of the United States may suspend the right of carrying therein before granted under Article XXX of the said Treaty, for such period as such export or other duty may be levied ; Treaty of
Washington
cited.

And whereas, the privilege granted by Article XXX of the said Treaty will be of advantage to Her Majesty's subjects in Canada, and tend to facilitate the commerce of the Dominion with the United States, and it is therefore desirable that such arrangements should be made with the Province of New Brunswick respecting the said export duty on lumber as will prevent the suspension of the said privilege, and with that view to offer to the said Province such fair indemnity as will compensate the
present

present and prospective loss it would sustain by the total repeal of the said export duty and the abandonment of the right to impose any such duty in future,—inasmuch as it would be difficult to abolish the said duty on lumber cut on American territory only, without incurring great loss and expense and the risk of possible misunderstanding with citizens and authorities of the United States :

Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :—

Additional
subsidy if
N. B. repeals
duty and
abandons
right to
impose it.

1. If the Legislature of the Province of New Brunswick shall pass an Act providing for the repeal of all duties of export on lumber exported from the said Province, and renouncing and abandoning all right of imposing any such duty thereafter, to the satisfaction of the Governor General, then from the time such repeal shall take place, there shall be paid to the said Province out of the Consolidated Revenue Fund of Canada, and in addition to any subsidy to which the said Province may be then entitled, a subsidy at the rate of one hundred and fifty thousand dollars annually, as indemnity for the loss of such duties and the right to impose the same.

and stamped under the authority of this Act, provided that the gas to be consumed in an hour shall not exceed the quantity per hour the meter is intended to measure, and marked on the outside thereof, as herein provided.

21. In every case, the owner of the meter, whether such owner is the buyer or seller of the gas for the measurement whereof the meter is used, shall keep every such meter in good repair, and shall be responsible for the due inspection thereof; and except as herein otherwise provided, shall pay the fee lawfully chargeable for such inspection, and shall be liable for all penalties incurred in respect of such meter.

For soundness.

(3.) The meter to be tested for per centage of error shall be fixed in a horizontal base, and shall be tested at a pressure equal to a column of water one inch high, and also under a pressure equal to a column of water five-tenths of an inch high, and passing the quantity of gas or atmospheric air per hour, which shall be marked thereon as its measuring capacity per hour; and the water used in such testing, and the air of the room in which such testing is made, shall be as nearly as practicable of the same temperature as the gas or air passed through the meter.

SCHEDULE A.

Apparatus for Testing Gas.

The apparatus for testing the illuminating power of gas, shall consist of the improved form of Bunsen's photometer, known as Letheby's open sixty inch photometer, or Evan's enclosed one hundred inch photometer, together with a proper meter, minute clock, governor, pressure gauge and balance.

The burners to be used for testing the gas shall be such as shall be prescribed by regulation.

The

The candles used for testing the gas shall be sperm candles of six to the pound, and two candles shall be used together.

The apparatus for testing the presence in the gas of sulphuretted hydrogen, shall consist of—

A glass vessel containing a strip of bibulous paper moistened with a solution of acetate of lead, containing sixty grains of crystallized acetate of lead dissolved in one fluid ounce of water.

Mode of testing for Illuminating Power.

The gas in the photometer is to be lighted at least fifteen minutes before the testing begins, and it is to be kept continuously burning from the beginning to the end of the tests.

Each testing shall include ten observations of the photometer made at intervals of a minute.

The consumption of the gas is to be carefully adjusted to five cubic feet per hour.

The candles are to be lighted at least ten minutes before beginning each testing, so as to arrive at their normal rate of burning, which is shown when the wick is slightly bent and the tip glowing. The standard rate of consumption for the candles shall be one hundred and twenty grains of sperm each per hour; and all candles shall be rejected as unsuitable when their rate of burning exceeds that quantity by more than ten per cent., or when it falls short of it by more than five per cent. Before and after making each set of ten observations of the photometer, the gas examiner shall weigh the candles, and if the combustion shall have been more or less per candle than the proper weight as aforesaid per hour, he shall make and record the calculation requisite to neutralize the effects of the difference.

The average of each set of ten observations is to be taken as representing the illuminating power of that testing.

Mode of testing for Purity.

For sulphuretted hydrogen, the gas shall be passed through the glass vessel containing the strip of bibulous paper moistened with the solution of acetate of lead for a period of three minutes or such longer period as may be prescribed by regulation; and if any discoloration of the test paper is found to have taken place, this is to be held conclusive as to the presence of sulphuretted hydrogen in the gas.

CHAP. 84.

AN Act to enable the Buffalo and Lake Huron Railway Company to make arrangements respecting their Bond Debt.

[Assented to 23rd May, 1873.]

WHEREAS by an indenture, dated the twenty-fifth day of August, one thousand eight hundred and fifty-two, and made between the Brantford and Buffalo Joint Stock Railroad Company, of the first part, and Arunah Huntington, David Christie, and Dean Richmond, of the second part, the said Company mortgaged its railroad, then in course of construction from Fort Erie Ferry to Paris, in the present Province of Ontario, to the parties thereto of the second part, for the purpose of securing an issue of bonds to the amount of one hundred and twenty-five thousand pounds sterling, the principal thereof to be payable in London, England, on the first day of August, one thousand eight hundred and seventy-two, with interest in the meantime at the rate of six pounds per cent. per annum; And whereas the said company was afterwards empowered to extend its said railroad to Goderich, also in the present Province of Ontario, and its name was changed to the Buffalo, Brantford, and Goderich Railroad Company; And whereas by an indenture dated the first day of July, one thousand eight hundred and fifty-three, and made between the Buffalo, Brantford, and Goderich Railroad Company, of the first part, and Arunah Huntington, David Christie, and Aaron D. Patchin, of the second part, the said Company mortgaged the section of its railroad, then in course of construction from Paris to Goderich, to the parties thereto of the second part, for the purpose of securing an issue of bonds to the amount of one hundred and eighty thousand pounds sterling, the principal thereof to be payable in London, England, on the first day of July, one thousand eight hundred and seventy-three, with interest in the meantime at the rate of six pounds per cent. per annum; And whereas the bonds issued on the security of the said respective indentures are hereinafter referred to as the first and second section first mortgage bonds respectively; And whereas, by an indenture dated the first day of June, one thousand eight hundred and fifty-four, and made between the said Company, of the one part, and James Kerby, David Christie, and Myron P. Bush, of the other part, the said Company mortgaged its entire railroad from Fort Erie to Goderich to the parties thereto of the latter part, for the purpose of securing an issue of bonds to the amount of three hundred thousand pounds sterling, the principal thereof to be payable in London, England, on the first day of June, one thousand eight hundred and seventy-four, with interest in the meantime at the rate of six pounds per cent. per annum; And whereas in the year one thousand eight hundred and fifty-six, the said company, with the authority of the legislature of the then Province of Canada, sold its railroad to the Buffalo and Lake Huron Railway Company, in consideration

consideration of certain annual payments or rental, partly immediate and partly deferred,—the immediate rental being fixed at an amount not more than sufficient to meet the interest of the several classes of bonds hereinbefore mentioned ; And whereas, by an indenture dated the eighth day of August, one thousand eight hundred and fifty-six, and made between the Buffalo, Brantford and Goderich Railway Company of the one part, and George Brown, William Smith and Hugh Finleyson, of the other part, the said Company mortgaged the said deferred rental to the parties thereto of the latter part, for the purpose of securing an issue of bonds to the amount of one hundred and sixty-six thousand six hundred and sixty-six pounds thirteen shillings and four pence sterling, the principal thereof to be payable in London, England, on the first day of July, one thousand eight hundred and eighty-six, with interest in the meantime at the rate of six pounds per cent. per annum, which interest the amount of the deferred rental would not be more than sufficient to meet ; And whereas, by or in pursuance of other arrangements made between the said two companies, in the year one thousand eight hundred and fifty-six, the Buffalo and Lake Huron Railway Company adopted the bonds of all the classes hereinbefore mentioned, and re-purchased the said deferred rental, subject to the security of the bonds secured thereon as aforesaid ; And whereas, in the year one thousand eight hundred and sixty-five, the Buffalo and Lake Huron Railway Company issued certain capitalized coupon bonds to the amount of sixty-one thousand and seventy pounds sixteen shillings and eight pence sterling ; And whereas a working agreement which had been made in the year one thousand eight hundred and sixty-four, between the said Company and the Grand Trunk Railway Company of Canada was confirmed in the year one thousand eight hundred and sixty-six by an Act of the legislature of the then Province of Canada ; And whereas, by an Act of the Parliament of the Dominion of Canada, passed in the year one thousand eight hundred and seventy, another agreement between the two last mentioned companies, dated the second day of February, one thousand eight hundred and seventy, was made valid and binding in favor of and upon both the said companies, and all mortgagees, debenture holders and creditors of each of them ; and by the said agreement so confirmed, the said agreement of one thousand eight hundred and sixty-four was cancelled, and the railway of the Buffalo and Lake Huron Railway Company was vested in the Grand Trunk Railway Company of Canada, in consideration of certain payments to be made periodically by the latter company to the former, and subject, first, to all obligations imposed on the former company by its several Acts with respect to the maintenance, management, and working of the vested property ; secondly, to all then existing mortgages and incumbrances on the same property ; thirdly, to all mortgages and incumbrances to be created under a power thereby given to the former company to issue, for the purposes and within the limits therein mentioned, mortgage bonds, debentures or debenture stock, extending over the undertaking of the former company vested in the latter ; and fourthly, to an annual rent-charge, on the vested property and on the tolls or rates arising therefrom, of the sum of forty-two thousand

five hundred pounds, payable by the latter company to the former but not to extend to any further portion of the said periodical payments; and it was provided that the mortgages and incumbrances on the whole or any part of the undertaking of the former company then existing or thereafter to be created under the aforesaid power should, according to the respective rights and priorities of the holders, be the first charges on the sums from time to time payable to the same company under the now reciting agreement, and that so long as those sums were duly paid to that company according to the terms of that agreement, but no longer, none of the holders of such mortgages or incumbrances should exercise any of their powers or rights against the undertaking or property of that company, but only against the said sums; And whereas, by the last recited agreement, confirmed as aforesaid, it was further provided that a certain trust deed, dated the tenth day of January, one thousand eight hundred and sixty-five, and entered into for securing the said capitalised coupon bonds, should, as to any future operation thereof, be wholly void and of no effect, and that from the first day of January, one thousand eight hundred and seventy, the interest then payable by the Buffalo and Lake Huron Railway Company upon all its mortgages and bonds then outstanding (among which the bonds adopted by the said Company, as hereinbefore recited, were intended and understood to be included) should be reduced from the rates of interest then payable thereon to the uniform rate of five pounds ten shillings per cent. per annum, provided that the same were duly paid half-yearly or within three calendar months from the day on which such interest should fall due, and that all arrears of interest due to mortgage bondholders and debenture holders of the same company to the thirty-first day of December one thousand eight hundred and sixty-nine, including the arrears capitalized by the said trust deed of the tenth day of January, one thousand eight hundred and sixty-five, should, by the said company, be partly paid as therein mentioned, and the residue funded in five and a half per cent. bonds; And whereas, for carrying such funding into effect and for other purposes, the Buffalo and Lake Huron Railway Company, since the date of the last recited agreement, has issued bonds to a considerable amount, carrying interest at the rate of five pounds ten shillings per cent. per annum, but none of such bonds are secured on the undertaking of that Company vested as aforesaid in the Grand Trunk Railway Company of Canada, or on any part thereof, notwithstanding the power in that behalf reserved to the former company by the said agreement; And whereas, on the first day of August, one thousand eight hundred and seventy-two, the Buffalo and Lake Huron Railway Company made default in the payment of the principal of the first section first mortgage bonds, and thereupon a meeting of the holders of the several classes of bonds of or adopted by the said Company was held in London, England, and at such meeting a committee was appointed, upon receiving the report of which a second meeting of the said bondholders, held in London aforesaid on the twentieth day of September, one thousand eight hundred and seventy-two, passed a resolution requesting the Directors of the said Company to apply for an Act for the conversion of the

said

said bonds into permanent charges as hereinafter enacted; And whereas, by a further resolution, passed at the last mentioned meeting, with the view of facilitating the contemplated arrangement, the holders of the first and second section first mortgage bonds were recommended to extend the period for the payment of their principal for two years and one year respectively, and were requested forthwith to lodge their bonds at the said Company's office to be endorsed accordingly at five and a half per cent., which many of them have since done, and their bonds have been so endorsed: And whereas the total bonded indebtedness of the said company for principal does not now exceed the sum of seven hundred and sixty-three thousand seven hundred and fifty-eight pounds sterling: Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

Certain mortgages, bonds and debentures to be void.

1. Except for the purpose of securing such interest as may accrue and become due on or before the first day of September, one thousand eight hundred and seventy three, all the said mortgages and other bonds and debentures issued or adopted by the Buffalo and Lake Huron Railway Company, and all coupons belonging thereto, and all mortgage or trust deeds for securing any of the same, shall, from and after the passing of this Act, be absolutely void and of no effect.

What shall be substituted therefor.

2. In lieu thereof there are hereby created first and second mortgage bond debts of the Buffalo and Lake Huron Railway Company: the former not to exceed a total of three hundred and five thousand pounds sterling, being the aggregate principal amount of the outstanding first and second section first mortgage bonds, and bearing interest at the rate of six pounds per cent. per annum from the first day of September, one thousand eight hundred and seventy-three, payable half-yearly on the first days of March and September, or within twenty-one days from such dates respectively, in London, England; and the latter equal to the aggregate principal amount of all the other outstanding mortgage or other bonds or debentures issued or adopted by the said Company, and bearing interest at the rate of five pounds ten shillings per cent. per annum from the same date, and payable half-yearly, on the same days and at the same place; and the holders of the first and second section first mortgage bonds shall be entitled to, and shall be deemed to hold portions of the said first mortgage bond; debt and the holders of the said other mortgage or other bonds or debentures shall be entitled to, and shall be deemed to hold portions of the said second mortgage bond debt, equal to the principal amounts of their respective bonds or debentures: Provided that the aggregate amount of the said first and second mortgage bond debts shall not exceed seven hundred and sixty-three thousand, seven hundred and fifty-eight pounds sterling

Mortgage bond debt charged on the Company.

3. The said first mortgage bond debt and the interest thereof are hereby charged on all the railway, undertaking and property of the Buffalo and Lake Huron Railway Company, vested in the Grand

Grand Trunk Railway Company of Canada, subject only to the obligations imposed on the former Company by its several Acts, with respect to the maintenance, management and working of the vested property, and on the said rent charge of forty-two thousand five hundred pounds, and all other sums payable by the latter company to the former; and the said second mortgage bond debt and the interest thereof are hereby charged on the said railway undertaking, property, rent charge and other sums next after the charge of the said first mortgage bond debt.

4. Every holder of any amount of either of the said mortgage bond debts shall have all such remedies at law and in equity as though the Buffalo and Lake Huron Railway Company had conveyed or assigned to him the said railway, undertaking, property, rent charge and other sums by way of mortgage, to secure his portion of such debt and the interest thereof, subject and in the order of priority mentioned in the preceding section, and with all the other incidents herein expressed in relation thereto, and as though such mortgage deed were duly registered in every county in which any portion of the said railway or property is situate; but any judgment, decree, appointment of receiver or other relief which shall be given at the suit of any person upon either of the charges hereby created, or as though upon such a mortgage as mentioned in this section, shall be expressed to be, and shall in fact enure, for the equal benefit of all other holders of any portion of the same mortgage bond debt who shall be in the same position with the plaintiff,--they contributing proportionately to the cost of suit.

Holder of such debt to have remedy at law and in equity.

Judgment, &c., to be for benefit of all joint holders of mortgage debt.

5. The said Company shall, at its office in London, deliver, free of expense, to the persons hereby declared to be entitled to the respective portions of the said respective mortgage bond debts, bonds in or as near as may be to the effect of the forms set forth in the schedule hereto, with interest coupons for twenty years attached,—each such bond representing one hundred pounds sterling of the respective mortgage bond debt; the portions of which debts so represented shall pass by the delivery of the bonds; and the interest thereon shall be paid against surrender of the coupons in the usual manner; and when the coupons attached to the bonds shall be exhausted the bearers of the bonds shall be entitled to demand and shall accept from the said Company, free of expense, new interest coupons for twenty other years, and so perpetually or until redemption as hereinafter mentioned.

such

such notice shall cease from the expiration of the notice, and all further coupons from that date attached to such bond shall be void and of no effect.

Re-issue of first mortgage bonds.

And of second mortgage bonds.

7. It shall be lawful for the said Company, for the purpose of such redemption as aforesaid, to re-issue at par all or any part of the amount of first mortgage debt so redeemed, but so that the re-issued bonds, while similar in every other respect and incident to the original bonds, and ranking *pari passu* with those outstanding, if any, shall carry interest at a less rate than six pounds per cent. per annum; and also for the same purpose to create and issue at par any further amount of second mortgage bond debt, similar in every respect and incident to and ranking *pari passu* with the second mortgage bond debt hereby created; but save as in this section expressed, the said Company shall have no power to issue any first or second mortgage bond debt in excess of the respective amounts authorized by section two of this Act, nor any mortgage bonds, debentures or debenture stock, except subject to the said first and second mortgage bond debts.

So long as the sums payable to the Buffalo and Lake Huron Railway Company by the Grand Trunk Railway Company of Canada, under the said agreement of the second day of February, one thousand eight hundred and seventy, confirmed as aforesaid, are duly paid to the former Company by the latter, but no longer, the holders of any portion of the said first and second mortgage bond debts respectively shall not exercise any of their powers or rights against the railway, undertaking or property of the former Company vested in the latter, but shall exercise them only against the said sums.
