LOWAY'S PILLS.
MARY CURE OF LOSS OF HEALTH,
STOMACH, INDIGESTION AND
ATION OF BLOOD TO THE HEAD.
Letter from Mr. John Lloyd, of
Bristol, Merionethshire.
HOLLOWAY.

all myself of the first opportunity of loss, for a very long period, I was affected by giddiness and frequent眩晕 (dizziness) and frequent fits of convulsions, attended by loss of appetite, diarrhoea, & constipation, head. Every now and then I give me an apparent relief, and at times it seems that I am really well, but without an attendant. In this situation, I waited patiently upon Mr. Phillips, for the purpose of consulting him and better do, he kindly recommended them without delay, and after taking a short time I am happy to bear testi-
monial evidence of his skill and enabled to resume my usual state of liberty to publish this letter in my think proper.

CURE OF DROPSY.
Letter from Edward Rowley, Esq., of
Tobago, dated April 26, 1852.

HOLLOWAY.—I have it a duty to owe to you and the public to inform you of a most miraculous re-
covery from dropsy, Dr. Rowley, and God, was effected by your invaluable treatment five times within eight months, treated by two medical practitioners, but cured, still had recourse to your re-
storative skill all I had undergone, this medicine cured me in the course of six (Signed) EDWARD ROWLEY.

OUR LIVER COMPLAINT AND SPASMS
EFFICIENTLY CURED.

Letter from Mr. Bostock, Druggist, of
Under Lyne, dated July 21, 1852.

I have much pleasure in handing to you of the efficacy of my Medicines. A neighbour, with whom I am well known, had for long suffered from a disease in the stomach, liver, and kidneys, which he could not get rid of, and the effects of a disease, which he was obliged to assume is

The spasms were of an alarming character, frequently left him in a weak and debilitated state. At length he heard of the salutary effects of my Pills, and was induced to give them. The first dose gave him considerable relief, following this with confidence, they have acted so wonderfully in his liver and stomach, and strengthening the organs, that he has been restored to the good health.

remain, dear Sir, your faithfully,

WILLIAM BOSTOCK.
