REGULATIONS  
OF THE  
MONTREAL AUXILIARY BIBLE SOCIETY.

---

I. This Society shall be denominated THE MONTREAL AUXILIARY BIBLE SOCIETY and its object shall be to co-operate with the BRITISH AND FOREIGN BIBLE SOCIETY in promoting the distribution of the Holy Scriptures, both at home and abroad.

II. Conformably to the principles of the Parent Society, the Bibles and Testaments circulated by this Auxiliary shall be without note or comment.

III. All persons subscribing two dollars or upwards, per annum, shall be members of this Society; or, forty dollars at one time, shall be members for life.

IV. The business of this Society shall be conducted by a President, Vice-President, Treasurer, two Secretaries, and a Committee consisting of not less than twenty members, with power to add to their number. Five members of this Committee shall form a quorum.

V. No lay member of the Society shall be eligible as a member of the Committee, unless he is a Life-member, or pays an annual subscription of at least four dollars.

VI. The Committee shall have the power of nominating persons who have rendered essential services to the Society as Honorary Governors for life.

VII. The Committee shall meet once every month, or oftener, on some day to be fixed by themselves.

VIII. The whole of the subscriptions and donations received by this Society, and not required for its own operations, shall from time to time be remitted to the Parent Society.

IX. For the purpose of giving full effect to the benevolent designs of the BRITISH AND FOREIGN BIBLE SOCIETY in their grants for the Scriptures for distribution among the poor, the Committee shall make it their business to inquire what families or individuals are in want of Bibles and Testaments; and it shall be the duty of the Committee to furnish them forthwith at prime cost, reduced price, or gratis, according to their circumstances.

X. A general meeting of the Subscribers shall be held annually at Montreal, when the accounts shall be presented—the proceedings of the past year stated—a new Committee appointed—and a Report agreed upon to be printed under the direction of the Committee, and circulated among the members.

XI. No alterations shall be made in these Laws, except at a general meeting of the Society, called by special notice, to be advertised in two of the Montreal newspapers one month previously.

MONTREAL AUXILIARY  
OF THE  
BRITISH AND FOREIGN BIBLE SOCIETY.

BENEDICTION.

## REPORT FOR 1896.

"Encouragement" is the keynote of the Seventy-sixth Annual Report of this Auxiliary. The friends of the Bible Society here cannot indeed rest satisfied with what has hitherto been done, but past evidences that their labour is not in vain stimulate to renewed exertion henceforth.

We are very glad to be able to submit without alteration last year's list of Office-bearers and Agents. But from our General Committee four valued names have been removed by death, those of Canon Henderson, D.D., the beloved and honoured Principal of the Diocesan Theological College, for nearly twenty years at the helm of one of our most important religious institutions, who entered into rest on October 20, 1896; of the Rev. W. J. Smyth, Ph.D., for many years the zealous pastor of Calvin Presbyterian Church; of the Rev. John McGillivray; and of the Rev. A. M. Phillips, B.D., pastor of Douglas Methodist Church, called suddenly home at an early stage of his useful career. We trust that new friends, as earnest and able, may come forward to fill these gaps in our ranks.

The Anniversary Meeting on January 29th, 1896, will always be remembered as one of the most successful ever held in Montreal. The presence of a number of our Colporteurs added to the interest of the proceedings; and the speeches of the Rev. F. M. Dewey and of the Rev. Donald Grant were regarded at headquarters as of such special value in setting forth the purpose and character of the Society's work, that they were reproduced in full in the *Bible Society Monthly Reporter*.

A very interesting meeting was held on September 28th, 1896, in connexion with the Protestant Ministerial Association, to take counsel with the ministers of Montreal as to our work.

The circulation of the Society's excellent periodicals, especially of *Gleanings for the Young*, has increased, and we hope it may increase still further. The actual number of Bibles sold is smaller than in some former years, but this fact is far from proving that the Society's influence is decreasing. Its success has, on the contrary, stimulated other people to sell Bibles at low prices, so that the Scriptures have been more widely diffused than ever. Every effort in this direction is a good thing, and at the same time the Bible Society holds its own, and must continue to do so, as selling Bibles of really good quality at the lowest prices.

We are much indebted to the Editor of the *Witness* for the regular insertion of our monthly column, which during the last two years has replaced the *Monthly Bible Reporter*.

The annexed report of our District Secretary, the Rev. Henry Gomery, indicates the unflagging zeal and encouraging success with which his important work has been carried on during 1896.

The operations of the Parent Society have been of peculiar interest lately. We may note particularly the completion of the Bible for Uganda, by Mr. G. L. Pilkington, within twenty years of the arrival of the first missionaries in that wonderful land of Central Africa.

Your Committee has pleasure in recommending that the sum of one hundred pounds be voted to the Parent Society in aid of its general work.

The work of this Auxiliary during 1896 may be thus summarized :—

#### 1.—FINANCE.

The abstract of the Treasurer's Report of the cash transactions shows the *Total Receipts* (including the balance from last year) to be \$15,715.88, which includes the following special sums :—

From the Parent Society we have again to express our thanks for a grant of \$244.44 for the salary of a French Bible Woman.

Also for a grant of \$236.38 for the value of French Scriptures supplied to Missionary Societies ;

A donation of \$40 from the Perth Auxiliary Bible Society ;

A donation of \$42 from the Paris Branch of the Upper Canada Bible Society ;

A donation of \$240 from a lady to pay the salary of a Bible Woman ;

A donation of \$100 from Mrs. Redpath towards payment of Bible Women ;

A donation of \$198.44 towards the salary of The Hospital Bible Woman from a lady.

*The Disbursements* amount to the sum of \$15,165.49, in which are included—

\$4717.31 remitted for Scriptures ;

\$742.35, value of grants of Bibles and Testaments supplied to Missionary and other Societies ;

\$792.43, a donation to the Parent Society ; and additional donations from Brockville Branch, \$60 for 1895, and \$60 for 1896, and from Mr. S. Wallace, \$20 ;

\$2872 paid for salaries of Colporteurs.

\$1640 paid for salaries of Bible Women.

## 2.—ISSUES.

Eighteen thousand, two hundred and twenty-eight copies of the Scriptures have been issued during the past year, namely:—7709 Bibles, 6215 New Testaments, and 4304 Portions, value \$6370.77, in English, French, German and other languages.

The gratuitous distribution has been three thousand, five hundred and ninety-four copies of Bibles and Testaments, value \$742.35.

The following Missionary Societies and others have received grants of Scriptures:—The Presbyterian Board of French Evangelization, the Methodist Missionary Society, the Church of England Sabrevois Mission, the Baptist Grande Ligne Mission, Christian Mission to the Jews, Old Brewery Mission, Ladies' Benevolent Institution, Chinese Mission, Boys' Home (Mountain Street), Iroquois Indians, Miss Barber's School for Hebrew

### 3.—THE REV. H. GOMERY'S REPORT OF THE BRANCH SOCIETIES.

The year 1896 is one to be remembered by all the officers of Missionary Societies on our continent, owing to the great difficulty in meeting their financial pledges through the falling off in contributions ; while the demand for still greater endeavours to supply the needs of the nations who know not God are more and more apparent to those who are privileged to live in close communion with Him who commands us to "*Disciple all the nations, baptising them into the Name of the Father, and of the Son, and of the Holy Ghost.*"

Compared with these, the Montreal Auxiliary Bible Society has great cause for thankfulness in the fact that its members and friends have so well maintained their liberal support, notwithstanding the increasing local demands of the various organizations. There is an increased attendance at our meetings. Our Collectors merit our warmest thanks for their earnest and laborious work, while our local officers evidence their interest by their careful appointment of fit collectors, and I am sure our work finds place in their prayers.

Our ministerial friends have responded to our appeals for their co-operation nobly, not only with their presence and noble words, but many a dollar has come from God's servants who had but few left ; yet the heart full of sympathy yields more real joy than hoarded money.

I have visited all our working branches and also twelve new places of more or less promise, and I have still invitations to others during the coming year.

With all the many risks of travel, my health has been good, so that I have been enabled to keep all my appointments.

The friends of the Bible Society are as hospitable as ever. To the owners of my many homes I offer my grateful thanks for their kindness. One of the remarkable incidents in the days of the early church was the tribute borne by the pagan lookers-on, "See how these Christians love one another ;" and while in the world "the old order changeth," yet the Word declares, "Beloved, thou doest a faithful work . . . toward them that are brethren and strangers withal : who bare witness to thy love before the church : whom thou wilt do well to set forward on their journey worthily of God : because that for the sake of the Name they went forth, taking nothing of the Gentiles. We therefore ought to welcome such, that we may be fellow-workers with the truth."—III. JOHN, 5-8 (revised version).

Very many of our friends note with pleasure the monthly Bible Society column in the *Witness*.

We feel that the blessing of the Holy Spirit has indeed rested upon our feeble efforts to glorify His Name and spread the Word of His Grace. To Him with the Father and the Son be all the glory.

## 4.—COLPORTAGE.

The work of the distribution of the Scriptures through Colporteurs has been steadily carried on. Six Colporteurs have been employed by the Society, two English and four French who speak English. Four Colporteurs have been enabled to continue work the whole year, and the other two about seven months each. They have travelled in the following districts, or parts thereof, assigned them :—Missisquoi, Nicolet, Prescott, Huntingdon, Drummond, Bagot, Arthabaska, Beauharnois, Richmond, South Leeds, Brockville and Argenteuil.

They have made the large number of 26,591 visits to families. Further particulars of their work will appear in a tabulated statement on Colportage in the printed Annual Report.

## 5.—MONTREAL LADIES' BIBLE ASSOCIATION.

The seven Bible Women through whom the work of the Ladies' Association is carried on have paid 10,069 visits during the past year. These visits have been made day by day from house to house in the poorer districts of the city, among those who are often in sore need of Christian sympathy and kindly counsel.

Many of the poor, if deprived of the Bible Woman's help, would never hear the message of God's love revealed in His Word.

The work done is quiet and unobtrusive, but who can tell what great results God in His Providence may bring forth from that faithful sowing of the Word. The constant shifting of population, inevitable in great cities, though discouraging to the workers, who must often feel that they are writing their words upon the sand, spreads the truth over larger areas than they themselves can possibly reach, and the harvest, though unseen by them, is sure. The Bible Women need our prayers and sympathy. They are doing the work of Christ Himself when on earth, preaching "the gospel to the poor," going about "doing good," and often their labours meet with as little appreciation as did His.

Through the liberality of the Parent Society, we are enabled this year to have another Bible Woman labouring among the French population.

To all who realize the importance of this branch of the work this is a cause for deepest gratitude. We have been fortunate in securing the services of a former French Bible Woman, who will thus bring to the work knowledge derived from past experience. The only change we have to report is the resignation of our Bible Woman in South Point St. Charles, who laboured faithfully for so many years in that district, and still shows her continued interest by giving her successor every assistance in her power.

The Association is indebted to the exertions of its Honorary Treasurer, Miss Isabella MacIntosh, for securing the aid of several zealous and efficient Lady Collectors, who have succeeded in reviving the interest of many in the work, and in considerably increasing the amount of the collections. The cordial thanks of the Association are due to these voluntary labourers in the good cause.

All of which is respectfully submitted on behalf of your Committee.

J. W. DAWSON, *President.*

THE REV. HENRY GOMERY'S JOURNAL, 1896.

SPRING TOUR.

MAY.

1st.—**St. Lambert.**—In commencing, after winter is past, on a lovely spring day, hopes and fears for the success of this year's work alternate in one's heart. This first meeting is of happy promise. Christian friends come together to talk over the triumphs of the warfare against ignorance and indifference won by the "Sword of the Spirit, which is the Word of God." The Rev. Messrs. Dart, Kelly and Watson, representing different schools of thought, harmonized upon the common ground our Bible Society occupies. D. Scott-Bruce, Esq., reported continued prosperity in the work of this good branch society. I hope Conference will place the Rev. E. R. Kelly still within my range of work, amongst the coming changes.

3rd.—**Sunday.—English River, Howick and Georgetown.**—I preached in each of these churches to large congregations. Our annual report shews the good work of this strong society, formed by the three churches, our dear friend, the Rev. C. McKeracher, the secretary, and the Rev. G. Whillans, with the other officers, render good aid to the society.

4th.—**St. Louis de Gonzague.**—Our friends met in great force. With us we had a French farmer, who told us the story of a copy of the Scriptures which had caused so great a change in his views that he had severed his relations with the Roman Catholic Church, in which he had been brought up. It was a very manly act on his part to thus acknowledge his gratitude for the Society's work. The Rev. Mr. McCuskar made a spirited appeal, urging his people forward, in their aid to the Society.

5th.—**Laguerre.**—Meeting assembled in larger numbers than I remember before. The officers were elected, (the secretary for the twenty-fourth time). The collectors reported favorably.

6th.—**Dundee.**—The Rev. Dr. McDonald presided over a pleasant meeting. Good results of the work of the collectors; an able speech from the pastor.

7th.—**Kelso and Kensington.**—Met the Society in the Presbyterian Church (whose turn it was this year). The Methodist minister

ready for any service he could render. Here also the secretary presented a good report.

**8th.—Athelstan.**—The meeting, under the presidency of the Rev. A. Rowat, was successful, in numbers, interest, and financially; cheering in every way.

**9th.—Anderson's Corners.**—The old school-house was well filled and great interest shown in the report of your secretary for the past year. Here the younger people are well to the front, an encouraging feature. Good collections.

**10th, Sunday.—Huntingdon.**—The largest Bible Society meeting for years past in the Methodist church, all the pastors of the village being present. W. S. Maclaren, the president, announced another method of raising funds during the coming year, the result of which I wait with some anxiety.

**May 11th.—Ormstown.**—The meeting was not large, but considerable interest was shown. Local circumstances had prevented the usual subscriptions being taken up. We trust the coming year may be one of renewed prosperity in this branch.

**12th.—Franklin Centre.**—It was the turn of the English Church to have the meeting, the Rev. J. W. M. Beattie presiding. Each of the churches here appointed collectors, two of them showed good results, the third, the Rev. Mr. Thomas, will forward later. The Rev. J. Brown, who, according to precedent, would have been the president for the coming year, proposed Mr. Gentle in his place, thus placing a layman in that position.

**13th.—Russeltown.**—Another local event somewhat depleted our meeting. The Rev. P. Drummond, who was with us, gives us hope of increased prosperity in the coming year. The secretary's report exceeded last year.

**14th.—St. Chrysostom.**—The usual numbers assembled in the school-house. The report of last year showed a falling off financially, but some changes were made in the local officers, which should obviate this in the future.

**15th.—Covey Hill.**—A pleasant meeting and prosperous report.

**16th.—Roxham.**—A good meeting in numbers. The Rev. F. Pratt, newly appointed Anglican minister at Hemmingford, had driven over to help. The report here was considerably better than last year. I think we may consider this branch as possessing the elements of usefulness and prosperity.

**17th, Sunday morning at Hemmingford.**—The Presbyterian church was well filled, the Rev. Messrs. McKay and Young taking part. The treasurer, Julius Scriver, Esq., M.P., stated that the collection at this service was the largest ever taken for the Bible Society.

**17th, Sunday evening.** I had been directed by a shorter road to Beech Ridge, but, as often happens, it was the longest way around. For some miles it crossed a bog, and my horse plunged through the crust at every step. His remonstrances were not loud but deep. However, all things have an end, and so had my journey. The Beech Ridge church was fairly filled with attentive listeners. I was gratified at the report I received of the work of the year.

**18th.—Beauharnois.**—The Rev. Mr. Boyd had secured collectors for the first time since my visits, who had canvassed with gratifying results, and the meeting was successful.

**19th.—Chateauguay Basin.**—A pleasant and hearty gathering, with an excellent report, cheered me in my work.

**20th.—Laprairie.**—The usual meeting was held. The Rev. T. C. Perry, our secretary, had a good report of subscriptions. The little Protestant colony shews a laudable desire to take its full share in our work.

**21st.—Radnor Forges.**—It was sharp work to make connections with boat and trains to reach this place, but the effort was successful, and in our meeting the branch officers were properly organized, so that we look for continued and useful work. The effort already made was very praiseworthy.

**22nd.—Three Rivers.**—A good meeting of the young people, the Rev. J. R. McLeod presiding, the Rev. H. Stuart also being with us. A good report of subscriptions. I took the night train, reaching Montreal to get my horse for the tour of the district north of Montreal, reaching Mascouche on the evening of the twenty-third, where we held a good meeting, our friends gathering in great force, both Anglican and Methodist ministers being present.

**24th, Sunday.**—Preached in the English church at Mascouche in the morning; in Terrebonne in the afternoon, in the beautiful church just erected, and in Charlemagne in the evening (at the mills). These three appointments are among our youngest branches (the last mentioned not being yet organized), appear to be good openings for the Society's work. Good results are already apparent.

**25th.—Joliette.**—The meeting here was smaller in numbers than usual, but the report was excellent. The Rev. L. R. Bouchard presided, and also addressed the meeting.

**26th.—Kildare.**—The meeting here was a failure. Of course, some one had blundered, but some of the officers will do their duty, so that the work of the year will not lapse.

**27th.—Rawdon** was in marked contrast. The Rev. W. Davies and J. Moorhouse, together with G. Irwin, Esq., had worked heartily and well. Of course, the result had been a good one. Over forty dollars had rewarded the labors of the collectors, naturally this was

followed by a capital meeting, the Methodist church being well filled.

28th.—New Glasgow.—The Rev. P. S. Vernier presided in the absence of our old friend, Mr. Murray, who is seriously ill. The day had been stormy and wet, which reduced our numbers considerably. An average financial year was reported.

29th.—Shawbridge.—Good numbers in attendance. The treasurer presented a good report of subscriptions, the first-fruits of this new branch.

30th.—Mille Isles.—Although the meeting here was held on Saturday night, the church was filled with attentive listeners. This is another new branch, their contribution since last year had been \$17.25. The Rev. Messrs. Meek and Stephens present and taking part with us.

31st.—Lakefield.—Yet another new branch. The Methodist church was well filled. The president, T. Copeland, Esq., was able to hand to me \$11.22.

A month of hard work, but of satisfactory results.

#### JUNE.

1st.—Lachute.—Although in the turmoil of politics, in view of the approaching elections, yet our meeting here was the brightest yet and the interest well maintained by the Rev. Messrs. Given, Mackie and Waddell, who all gave us help. Evidently the change of time here meets the approval of all our friends. Our secretary, Mr. McQuat, will send in a good report.

2nd.—Brownsburg.—This is one of our new ventures and this time our friends organized a branch with officers who are highly spoken of, and from whom we anticipate much good work.

3rd.—Dalesville.—This is the third visit to this place, and now some financial work has been begun. The lady collectors have found their way round, and made a fair start. May success attend their future efforts.

4th and 5th.—Old Harrington and Avoca do not shew enough interest to warrant further visits in the near future.

7th, Sunday.—Grenville.—Preached in the English church in the morning, and in the afternoon in the Presbyterian church. A truly union service, for our friends from all the churches gathered in, testing the capacity of the house. A capital report from T. Williamson, Esq., of the year's work, was presented at our business meeting on Saturday. Went to Cushing in the evening, good congregation in St. Mungo's church. The Rev. James Fraser, as always, our good friend and helper, had been with us in the afternoon, and

here also conducted the service. Mr. Weir, the treasurer, had a good list of contributions from our collectors.

8th.—**St. Andrew's.**—A very happy gathering here, our friends here agreeing that I should take this on my journey at this time, instead of the winter. This is therefore the second visit this year. The Revs. Dr. Paterson and J. Dennis ably addressed the meeting, T. Lamb, Esq., presiding.

9th.—**Grande Freniere.**—The Rev. A. Morrison had driven about fifteen miles over vile roads to meet and welcome me to his charge here. I appreciated his generous self-denying brotherliness, of course. I had driven a longer distance through rain and mud, but that has become so usual with me that I look upon such a journey as a part of my work. Evidently my brother has learned to "Endure hardness as a good soldier of Jesus Christ." Our friends came in good numbers; we had a good report from our president.

10th.—**St. Eustache.**—The Protestant community came together, evidently enjoying the meeting, funds on the increase, good music and singing.

11th.—**St. Therese de Blainville.**—Was offered the hospitality of the Manse, but I longed for a sight of my own home and family, so after a successful gathering of our friends and listening to a capital report, and an able speech from the Rev. A. Morrison, I determined to drive home by the light of the stars, reaching Montreal in "the wee sma' hours ayont the twal."

15th.—Crossed to Laprarie by boat and drove to Napierville, where the same faithful friends we looked for came together. Good work showed consequent good results. Many larger constituencies might well take pattern from our generous, kindly members here.

16th.—**Lacolle.**—An important gathering of Sunday-school teachers of Iberville Deanery was in session this day, by kindly concessions, our meeting was held in an interval of their work, so I was enabled to address a far larger number than I had ever before in Lacolle. The report was not ready, for the work of this branch was not complete.

17th.—**Noyan.**—A good attendance in St. Thomas's church, the Rev. W. Robinson presiding. Our collectors had completed their work, and proved that "Mony a mickle mak's a muckle," for the results were very favorable.

18th.—**Clarenceville.**—A pleasant meeting in the Parish Hall, the rector in the chair, the Rev. J. Ferguson (Methodist) taking an active part and fully endorsing the object of the Society. We appointed a new secretary, Miss F. Johnson, as Miss Derick had removed from the vicinity. The subscriptions were a pleasant sur-

prise to me, so thorough had the canvass been. Great credit is due to the young lady collectors.

19th.—Called at Pike River and received subscriptions from Mrs. Blakeley, then journeyed on to Mystic. Not a large meeting, but the usual work had been done. I was sorry to miss some faces I have been used to see here. Mr. Merrill Bockus presided.

21st, Sunday morning.—Philipsburg.—Preached among our Anglican friends. I find subscriptions rather behind last year. Drove between storms to Mapledale, rain entirely prevented our meeting, but successful work in collecting had been accomplished. At Bedford in the evening, a good congregation in St. James church. On Monday morning I learned that financially this branch is considerably in advance of last year.

22nd.—Stanbridge East.—Total paralysis has befallen this branch, the excitement of politics has proved too much for it. No meeting, no funds.

23rd.—Dunham.—This was election day, as the politician remembers, yet, to the credit of our friends, our meeting went on. The numbers were small, both Rouge and Blue were side by side in brotherly, Christian fashion. R. P. Small, Esq., presided, the Rev. N. A. F. Bourne taking part. A good sum was paid in as the result of one book, another still to come in.

24th.—Frelightsburg.—The echoes of the political fray have not died away yet, so our meeting was small in numbers, yet the Rev. Canon Davidson and the Rev. N. P. Yates were on hand with hearty speeches, breathing forth good will to men of every race and tongue. Sales and subscriptions are good.

25th.—Abbott's Corners.—Most of our old friends gathered here once more to listen to the story of the triumphs of the Word of God. Subscriptions had been taken up, but sales had fallen off.

26th.—Abercorn.—We proved that it was possible to frame a pleasant meeting without any music. For once, we had to do without it. None of our ministerial friends could be with us. The work had been done, so we enjoyed Mr. Anderson's report and trust that his successor may prosper in her turn.

27th.—Sutton had been engaged in politics, the echoes here also still linger in the air, yet our friends of both parties came together in the interests of the Gospel of peace and good will. The Revs. H. Fowler, W. Howitt, E. Capel and J. Garvin, the pastor of the Advent Church, in which we met, all united in making our gathering a happy one. The audience was numerous, and there appears to be good warranty for a prosperous year's work.

28th, Sunday.—Brome in the morning, I had the pleasure (by the courtesy of the Rev. J. Lackey) of preaching to a large congregation

in his church. The collectors had done very well. West Brome in the afternoon. Preached in the English church here to a good congregation. Our secretary, Mr. F. Pettes, handed me a good subscription list afterwards.

Drove through a violent thunderstorm to Knowlton for the evening. St. Paul's church was unusually quiet, the storm had evidently kept the congregation away, for only a faithful few were present to watch for His coming. Yes, He was there!

## SUMMER TOUR.

### AUGUST.

11th.—Sorel.—Found several of our friends were from home, seriously reducing our subscription amount, but our meeting was bright and cheerful. The Rev. Mr. Des Brisay, having arranged for our meeting, presided. He informs me that several of our earnest French friends had come over five miles to be with us.

17th.—St. John's.—Started out on another three months' tour. Our meeting appeared small in the large Methodist church. Only one of our ministerial brethren could be with us, the Rev. B. P. Lewis, who had come over from Iberville and brought with him the subscriptions which had been paid in, but the collecting there was not completed. Our officers in St. John's had decided to let the collecting wait until the return of our out-of-town subscribers. The president's (R. C. Montgomerie, Esq.) speech was very happy and bright. Sales had been small.

18th.—Cowansville.—The meeting in the Parish Hall (Church of England) was fairly well attended. The Rev. Messrs. Elliott, Gunn and Henderson shewed a good example to their people by the interest they evidenced, and, we think, imparted to the assembled friends. Rev. Ernest Taylor was prevented from being present by urgent duties but his books were carefully written up to date. A good interim report from Miss Jaques on the collectors' work was given by Dr. Gibson, our president. The return of sales at the Depository was an excellent one. I since learned that \$81.00 have been collected.

19th.—Knowlton.—I had gone out of my way to give a second opportunity to our friends here, the violent storm of June 28th having reduced the church congregations to a minimum. This day was appointed for a wedding, to which all Knowlton turned out, the bride being the daughter of our worthy secretary, H. Knowlton, Esq. I was invited to assist at the ceremony, after which I hoped to see a good attendance at our meeting, but alas, one interesting event was enough; our meeting was non est.

**20th.—East Farnham.**—Our friends had been busy and successful. An excellent report.

**21st.—Farnham.**—The Rev. Canon Mussen made some exceedingly good points in reviewing the history of the Society, as did the Rev. T. C. Cassidy on the importance of the study of the Bible. The report is not ready here.

**23rd, Sunday.—Adamsville.**—A heavy rainstorm prevented a large congregation here, but as the weather cleared, we had a good one at West Shefford at night. A successful canvass had been made here.

**24th.—Waterloo.**—It was the turn of the Methodist church for the meeting. Their district meeting being in progress many of our ministerial friends were present. E. D. Lawrence, Esq., presided, the Ven. Archdeacon Lindsay and the Rev. C. E. Bland took part. The returns exceeded last year and good sales of Scriptures were reported.

**25th.—Frost Village.**—The Ven. Archdeacon Lindsay is so deeply interested, both in this place and the Bible Society, that he is resolved that the two should be well acquainted. I think he had been connected with each for nearly fifty years. He was present with words both wise and kind. A. Whitcomb, Esq., presided, expressing good hopes of future usefulness for the branch.

**26th.—South Stukely.**—The president, the Rev. J. Garland, reported the best year's collection for a long time. Great credit is due to those ladies who had made this report possible.

**27th.—Eastman.**—After several efforts I was enabled, through the co-operation of the Rev. F. Eastman, to form a branch society here, with able officers. The meeting, which was a good one, took hold heartily and elected L. B. Phelps, Esq., president; the Rev. J. Fowkes, M. Dunlop, and Miss Parsons, vice-presidents; the Rev. F. S. Eastman, secretary.

**28th.—Potton Branch (at Mansonville).**—A very slim meeting in the Methodist church. Principal Smith, of this Academy, gave a good speech on the building up of the Hebrew Bible and the actual mode of copying the same. The Rev. Rural Dean Brown and C. Sykes each deserved, from the merits of their addresses, a larger audience. The report was incomplete.

**30th, Sunday.—East Bolton.**—A large congregation filled the Methodist church, but so far the report is not up to last year.

**31st.—Magog.**—A special attraction at this time with strong local patronage enlisted public interest, so our attendance was small, but the secretary, Mr. S. Beers, gave us a good financial report, in advance of last year.

## SEPTEMBER.

1st.—Georgeville.—The best meeting I have seen here. The Rev. Messrs. Williams and Nelson (of Bolton) not only spoke, but sang some charming duets, and the treasurer reported increased subscriptions.

2nd.—Fitch Bay.—Congregational church shewed up well in numbers, the Rev. Mr. Howkins, the new pastor, taking a share of the work. A good financial shewing by J. A. C. Gage, Esq.

3rd.—Beebe Plain.—Service in English church, the Rev. H. Hart and W. Allin taking part in business meeting afterwards, fair returns—"Hard times" quoted, but friend Rexford had his work done.

4th.—Stanstead.—A really good meeting in the Rock Island church. The Rev. Messrs. W. Read (Congregational) and Forsyth gave capital addresses, the first on the Bible as the great Foreign Missionary, the latter on the Bible and the Home, urging that not only should the Bible be sent abroad, but it should be read and studied by, and for, ourselves. Additional collectors were appointed for wider districts than had previously been covered. Dr. Cowles presided, entering into the spirit of the meeting with enthusiastic vigor.

6th, Sunday.—How the rain pelted down, yet Cassville Church held an interested congregation of faithful friends, who listened gladly to the story of Gospel triumph. The funds were more than maintained, shewing some increase. Still it rained as I drove on to Ayer's Flat, but there was again a good congregation present, and the organization formed last year had good returns of subscriptions and sales of Scriptures. On to Massawippi for the evening. Good numbers present for all the rain and mud. Finances about up to last year. Our good friend, Mr. Parker, is removing into Montreal with his family, his kindly, earnest face will be missed here. The Rev. H. Stevens gave me his kind help in both the last services.

7th.—Waterville.—Dr. Powers presided over a pleasant meeting. The work here follows, so that it seems out of date now to speak of last year's work, although it was a good one. We trust this will prove as good, and with our present officers have reason to expect so.

8th.—Hatley.—Our friends came up to our help as usual, L. E. Parker, Esq., presiding, the Rev. G. H. Williams welcomed the secretary in brotherly fashion. Mr. Geo. Boyes presented a good list of subscriptions, and still I asked for more—people at our meeting.

9th.—Way's Mills.—This is the fourth visit here, and as yet we have not organized a board of officers. I must try again another year.

10th.—Barnston.—Our Baptist friends had done well and set a good example to their neighbors; their minister, too, a promising young man, gave us a nice address.

11th.—Coaticook.—Met in the new Baptist church, O. M. Moulton, Esq., presiding, the venerable Dr. Somerville taking part, also later, the Rev. A. Lee Holmes offered a timely and wise suggestion, which will tend to the increased knowledge of our work and an increased attendance at our annual meeting. G. L. Masten, Esq., our tried friend, was appointed as president and Major Wm. Thompson, secretary for the coming year. Finance not fully up to last year, but one district had not reported.

13th, Sunday.—Perryboro in the morning. This is my first visit here. A good congregation present in the English church, evidently interested. Good ground apparently for a new branch. In the afternoon to Hall's Stream, which I must visit again before I can report. I could not arrange for Hereford this year.

14th.—Drove about 24 miles to Dixville, where at last officers are appointed and good results expected.

15th.—Compton.—Better attendance, Mr. Jordan presiding. Secretary Craig gave us a good report of work done.

16th.—Moe's River is doing about as well as for some years past, but there is now a resident pastor. From the earnest cooperation of the Rev. Mr. Coles we anticipate larger results in every way.

17th.—Martinville.—Only a small attendance here, but an average subscription list, thanks to our lady collectors.

18th.—Johnville.—W. E. Alger, Esq., presided over a good and interested gathering of friends, who are always anxious to hear of the trials and triumphs of our Bible work. This branch has done well.

20th, Sunday morning at Eaton.—The Rev. Mr. Hay gave me the opportunity of addressing his people on the missionary work of the Bible Society in Africa. Secretary Hodge states that the work is not ready to report. Birchton in the afternoon. Had a large congregation. After the sermon, Mr. J. L. Taylor spoke of the good work of the collectors.

Cookshire in the evening. Preached in St. Peter's church, which was well filled, the Rev. A. Robertson conducting the service. A special meeting of the Epworth League rather stood in the way of our annual meeting on the Monday in the Methodist church. E. S. Orr, Esq., our secretary, will report later.

22nd.—Sawyer'sville.—The Presbyterian church was well furnished with the happy assembly gathered there. The Revs. Radley and Steel were in good form. The Rev. A. C. Baker had another call, so

could not be with us in the body, but expressed his interest by message. The Rev. A. D. Reid was also with us. W. Sawyer, Esq., our secretary, in a very happy address on the aspect of Bible work, shewed a balance of subscriptions of \$53.43, and some others to report.

23rd.—Island Brook is still doing well, showing earnest effort on the part of the collectors.

24th.—Robinson, perhaps better known as Bury (the name of the township). Only a few at out meeting, rain had prevailed most of the day, so our meeting was not nearly as good as the report which Mrs. A. J. Cooke and Miss Hepburn had by their efforts enabled Dr. Wales, our faithful secretary, to show for the year.

25th.—Scotstown.—The Rev. A. King presided over our annual meeting, several of our officers were absent, but R. B. Scott, Esq., the secretary, had sent a good report. A considerable change was made in our officers. We trust our new friends will enter into our work, with the hope of rendering good service to our Master, by "holding forth the Word of Life."

27th, Sunday morning.—Marsboro.—After the Gaelic service, a large number who understood "the English" remained to hear of the work of the Gospel in other lands, among other races, and the men and women of this hardy race seemed to tremble with emotion as they listened to the "Word of His power." On the previous (Saturday) evening, the committee met and reported favorably on the work here. I hope to visit Megantic, a village which has grown into importance, a few miles beyond this (which has hitherto been our farthest point eastwards) next year.

Sunday evening, at Hampden church, in charge of the Rev. A. F. McQueen, who welcomed me to his charge. I visited this for the first time last year, and this year some young ladies have been collecting in aid of our work. The congregation was a large one. I hope to organize a branch when I come next year, which, D.V., will be on a week-day.

28th.—Lingwick Branch.—Met in the village of Gould, in the pretty English church, had a bright, happy service. Owing to some local misunderstanding, there was no report for the past year, but we start again with good prospects for the coming year.

29th.—Brookbury.—I think this was in every way the best meeting held here in my time, minister, officers and members all united to make it a bright, joyous gathering. The report was far in advance of last year. Surely "God loveth the cheerful giver," and the house was full of them, and His love was evidently there also.

30th.—Bishop's Crossing (Dudswell).—A good meeting showed how well the Rev. J. H. Murray had prepared the minds and hearts

I am glad to say that the subscriptions for this past month are larger than those of the corresponding month of last year.

#### OCTOBER.

1st.—**Erle.**—Through the kind interest of the Rev. J. H. Murray in this part of his circuit, and at his intimation, I visited this place, and although it was pouring with rain, I found a good number had stood by their minister, and at once formed themselves into a branch and elected officers. May prosperity attend their efforts for the coming of God's kingdom over all the earth.

**Marbleton** in the evening. We met in the parish hall, the Rev. J. Chapman in the chair. The president's address was on the important service the Society renders to our missionaries in the foreign field. This was ably followed by the Rev. J. H. Murray. A good report was furnished through the good work of the collectors.

2nd.—**East Angus.**—A small meeting, but the best report of work yet offered. We congratulate the Rev. W. Adcock upon the faithful work of the young lady collector, may he always select as good.

4th, Sunday.—**Ascot.**—Preached here on the influence of the Word of God, and having prepared the way, hope next year to form a branch for active work.

Drove on to **Lennoxville**, and in the evening preached in **Huntingville** to a numerous congregation, and trust the interest in this part of the Lennoxville district will be materially advanced, as no address has been given here before. Mr. W. H. Abbott had a good report ready on Monday.

5th.—**Sherbrooke.**—Our arrangements collided with the anniversary of the Presbyterian church, for which the arrangements could not be altered, so our meeting was held in the afternoon, in the parlor of the Young Men's Christian Association, which was well filled, the Rev. J. Lennie presiding, the Rev. M. Therrien testifying to the great service the Bible Society rendered in French evangelization. An excellent report was furnished by the secretary, S. D. Gilkerson, Esq.

6th.—**Windsor Mills.**—The Rev. C. Tanner was out of town, but we had the Rev. Mr. Jones, who opened the meeting, which was a small one numerically, partly due to unfavorable weather.

7th.—**Kingsbury.**—It takes more than rain to keep people away from the Bible Society meeting here. No one who has not had the

responsibility for a long series of meetings can positively know how one's courage and vim rally when, on a wet night, the friends turn out in good numbers, and make one feel that the best he can give is none too good for such earnest friends. Why, there are faces I have seen every time, and to miss them would be an intense disappointment. No wonder Kingsbury presents a good report.

8th.—**Richmond.**—Dr. Kellock out of town, Congregational friends busy with convention, others on sick list, the mysterious workings of Conference had taken our friend, the Rev. C. Deeprose, away, but had brought another good fellow in his place, the Rev. D. T. Cummings, from Clayton, Ont., whom I knew there. He presided and gave an address on the Word of God shewing forth His power. Mr. H. P. Wales gives promise of being a faithful and earnest secretary.

9th.—**Danville.**—The Committee and officers met first in orderly fashion at Miss Parker's and discussed the secretary's report, including the list of officers for the coming year, then adjourned to the public meeting held in the Methodist church, which was a successful one, the two latest arrivals of the ministers, the Rev. W. Robinson and Elder Chadsey, acquitted themselves well in the spirit and power of the gospel. Danville has again done well.

11th, Sunday.—**Kingsey Falls.**—Preached here in the morning to a good congregation in the Baptist church. Our collectors had done faithful work.

Trenholme in the evening. A still larger congregation. I was glad to learn of the increased success of our lady collectors.

12th.—**Ulverton.**—Made a good shewing in the Congregational church, our old friend, — Mountain, Esq., presiding and giving an address full of common sense on the duty and privilege of all Christian people in helping forward the greatest work of this age. I believe the influence of the Rev. J. H. Wright will advance our work here and at South Durham. The treasurer, J. Miller, Esq., gave an excellent account of his stewardship.

13th.—**Bethel.**—The little Methodist church was well filled, the Rev. C. P. Abbott and the local pastor assisting. W. L. Davidson, Esq., our president, gave a capital speech. Subscriptions good.

14th.—**Zion (Valcourt P.O.).**—Good meeting, collection taken up in new district helped our finances, still we missed some of the faces of last year. I hope to see them all next year.

15th.—**Lawrenceville.**—Many of the old friends came up to our help, the Rev. Mr. Humphreys assisting kindly and heartily. Reorganized with a good board of officers, promising good success.

16th.—**Warden.**—The numbers here were few, meeting in the Methodist church basement, but — Temple, Esq., our president, was

a host in himself. The Rev. R. B. McEwan, the newly appointed Anglican clergyman, in a few modest, manly words, expressed his desire to assist every good work in the parish, ours among the number. Here also the collectors had been both diligent and successful.

18th.—North Shefford (Savage's Mills P.O.).—How it rained, till I feared there would be no one at our service, yet there were, and the right kind too, and the first subscriptions from this new branch were handed in. We trust both churches will join heartily in the work.

19th.—Granby.—A splendid meeting, with a united choir of fine voices rendering anthems of praise and thanksgiving, the Rev. Messrs Longhurst and Mavity dividing the honors due to their eloquence. The collectors enabled the secretary, F. West, Esq., to present a report good in every respect, deserving the hearty thanks given them by the meeting.

20th.—Abbotsford.—A dark night and muddy roads prevented a large attendance. The Rev. H. Horsey was absent unavoidably, his place in the chair was filled by M. Fisk, Esq. Good report of finances.

21st.—Chambly.—After a long, weary drive in the rain over bad roads we had a small meeting and organized, appointing officers, so that there may be a live working branch here. The Rev. W. W. Ryan and the Rev. Mr. Boy (French Presbyterian) were with us in person, the Rev. J. C. Irwin arranged for the meeting very kindly, but was absent in Montreal on special business.

22nd.—Drove into Montreal for a week's rest.

#### ST. LAWRENCE TOUR.

31st.—A long drive of nearly 40 miles, the last part over disgraceful roads, from Montreal to Coteau.

#### NOVEMBER.

1st.—Coteau Landing.—Most of the Protestant families here represented at the little English church. Although these are not many, a substantial amount had been collected for our work by Mrs. T. J. Brown.

2nd.—Moulinette.—Another long drive of over forty miles. I was rewarded by a pleasant gathering of warm-hearted friends, and finances in good shape. The Rev. Mr. Brown gave efficient help and Mr. E. O. Winter reported some practical work here by the W. C. T. U. in distributing many copies of the Scriptures among

the Italian and French laborers on the Cornwall Canal. We pray good results may follow this Christian effort.

**3rd.—Morrisburg.**—A good number met in the Methodist church., the Revs. Timberlake (pastor) and Cameron, were present with words of earnest goodwill. J. H. Meikle, Esq., reported improvement in subscriptions.

**4th.—Iroquois.**—T. S. Edwards, Esq., our local president, with his usual forthought, prepared special bills for our meeting and stirred up the friends, making it impossible for any to forget the occasion, yet there were friends absent from town, causing our list of subscriptions to fall below the high water mark of recent years, but even now our treasurer Mrs. Whitney's balance sheet might be envied by many a larger town. The Rev. Mr. McAllister spoke of the good results of some of ourwork within his knowledge.

**5th.—Brockville.**—Other good work divided the interest of our friends here to-night, making our meeting smaller than usual, but our subscription list was longer. The Hon. Judge McDonald read an extract from the report of the branch over forty years before. The good work then reported speaks well for the energy of the men who have made Brockville what she is to-day. "Seek ye first the kingdom of God and all these things shall be added unto you."

**6th.—Gananoque.**—Arrived here after a long, wet drive, just in time for our meeting, which had been placed at seven o'clock to allow some of the friends to leave for another meeting later, however, most were inclined to remain with us. The Rev. H. Gracey presided, the Rev. Dr. Jackson added force by a few short but weighty words of sympathy. Better work is being done here along our lines than for two or three years past. Our depository for sale of Bibles has perished by fire recently, making a serious loss. The report of subscriptions is unaccountably detained.

**8th, Sunday morning.—Mooretown.**—At the invitation of the Methodist pastor, the Rev. Mr. Williamson, I visited this place for the first time, receiving a hearty welcome and good collection. I hope to come here again on a week-day.

**Wilstead** in the afternoon. A much better congregation than last year, the weather and other conditions being more favorable. Here we have lost our president, P. Richardson, Esq., whose departure in his prime leaves a large circle, outside of his bereaved family, of sorrowing friends. Robt. Wilson, our veteran secretary, who recently celebrated his "Golden Wedding," read a favorable report as to funds and announcing the appointment of R. Cunningham, Esq., as our president here.

**Maple Grove** in the evening, had a crowded congregation of interested friends, which warrants our expectation of even a better

report than the present, which was a good one, considering the "hard times."

**9th.—Lansdowne.**—The Rev. J. Fairlie presided over a good meeting in the Methodist church. After many years of service Jno. Redmond, Esq., gave up the office of secretary. This, his last report, was an excellent one; we are glad to record that by unanimous vote he was elected president, Mr. W. N. Webster being appointed secretary-treasurer.

**10th.—Escott.**—A good meeting in the Methodist church. The Rev. A. Robertson conducted prayer and praise, then in a pleasing speech called to the front Norman Hutcheson, our president, to take charge. The report was not yet complete, but is to be in time for the close of the month.

**11th.—Mallorytown** responds heartily to our call, the Rev. G. S. Reynolds gave his reasons for supporting the Bible Society in a forcible address, convincing all of the fact of its stand upon the Inspired Word of God, neither less nor more, avoiding all disputes on doctrine, boldly offering the Bible to all sorts and conditions of men of every nation under heaven. I liked the report read by Mr. Thos. Mallory, although the amount realized was not quite equal to last year, because, when one of his collectors had failed him and he could not at once secure another, he, a business man, had faced the difficulty and himself collected.

**12th.—Caintown.**—A goodly number present in the Presbyterian church, the Rev. J. J. Wright had driven over from Lyn to preside and show his sympathy by his personal help. A good report read by J. G. McDonald, Esq., our secretary.

**13th.—Lyn.**—This village and suburbs does well for the Society, the secretary is always encouraged by a good meeting and an excellent report. Jas. Cumming, Esq., being absent, the Rev. J. J. Wright again presided. Evidently the watchword for this branch is "Advance," for we have again to congratulate Mr. Omer Mallory on his report of increased success. Scripture sales also had been good.

**14th.—Fairfield.**—This year the place of meeting had been changed to the Manhard Methodist church, securing by this means larger numbers than I have met before. So far I think the change is beneficial and likely to add strength to our work here. Greater interest is promised in the future.

**15th, Sunday morning.—Algonquin.**—Stormy and wet, this reduced our numbers, yet our collection was a good one and added to the amount gathered by our good collectors, together made up a good showing. The Rev. T. J. Murdoch also urged faithfully the claims of the Society upon all Christians.

**Maynard.**—Accompanied the Rev. T. J. Murdoch to his church and preached on the work in Uganda. A good collection followed. I have visited here three times to prepare the way, next year I hope to come on a week-day and organize a branch.

**16th.—Prescott.**—Diligent officers had made thorough preparation, so a good meeting followed, with a choir assisting, though I missed some voices I had listened to in other years. The Rev. J. M. Hagar gave us an address, powerful and spiritual in tone, the Rev. J. Stuart expressed his earnest sympathy, the report of G. E. Johnstone, Esq., was a model one, which will be found in full in another place, showing the continued prosperity of this branch.

**17th.—Cardinal.**—The success of our work here is largely due to K. Macpherson, Esq., who, in the absence of our secretary, had acted for him and set the work in order. The Revs. Macarthur and Rilance were both with us, rendering able service, the former speaking gratefully of the influence of the Bible training he received from his father, how it had guided him through life, urging the duty of parents in impressing Bible truths upon their children in early life.

**18th.—Aultsville.**—Stormy night, yet a good attendance, the Rev. J. B. Hicks gave us a worthy address on the value of the Bible, M. Cook, Esq., presiding. If the interest shewn at the meeting is any criterion, this branch should have an increase in finances for next year.

**19th.—Farran's Point.**—Politics just now interfered somewhat with our success, but we had a good attendance of the younger community. I. Defoe, Esq., our president, was at his post. Owing to sickness Mr. C. Farran, the secretary, asked to be relieved and Miss Eacult was appointed to the office.

**21st.—Osnabruck Centre.**—This date had been changed at the request of the Baptist friends, who had a special call of theirs on the day (20th) of our appointment, our meeting, therefore, was not large, our officers have hardly got fairly into harness, yet their report was encouraging, both Methodist and Advent pastors taking part in the proceedings, the latter being my kind host.

**22nd, Sunday morning.—Northfield.**—Good congregation met in the Advent church. Subscriptions a little in advance, hope to arrange meeting in Methodist church next year, to interest all the community in our work.

Lunenburg in the evening, Presbyterians and Methodists united, filling the church of the latter to the doors, the Rev. A. Russell conducting the service. The report from here is good, with one place to hear from.

**23rd.—Wales.**—All due preparation had been made by Mr. J. D. Colquhoun, so he presented a good report both of subscriptions and sales of Bibles to a numerous meeting.

24th.—**Cornwall.**—A very interesting and good gathering in St. John's church, the Revs. Dr. McNish, Hastie, Tennant and Charles being present, the two former taking active part. J. P. Watson reported from some of the collectors an advance upon last year.

25th.—**Summerstown.**—Severe storm of wind and snow made a small gathering here, collecting is to be commenced forthwith—hence no report, the secretary being sick.

26th.—**Martintown.**—The Bible Society meeting was appointed as the Thanksgiving Service, and our friends gathered loyally. St. Andrews Hall was well filled, our report was cheering and satisfactory, the Rev. J. Mathieson was taking part with us, but the Rev. J. S. Burnett, our good secretary had left for Scotland, Mr. W. E. McEwan was elected in his place.

27th.—**Williamstown.**—The meeting was not as good as the report, which was excellent. Mr. W. H. Smyth also reported a good sale of Bibles. The Revs. P. Watson and A. Givan evidenced their hearty sympathy by their presence and help.

29th, **Sunday morning.**—**Lancaster.**—At East Lancaster, where the Rev. J. Gordonsmith wished me to address his people who were too far away to be at the annual union service in Lancaster. In the afternoon at **Glen Gordon**, where the old school-house was well packed, a most satisfactory report of over fifty dollars collected here, sets a good example to many a larger place.

Knox Church, **Lancaster**, in the evening, held the union meeting of the churches to hear of our Society's work, the Rev. A. Graham, B.A., presiding, supported by the Revs. Gordonsmith and I. Hall, each taking part, and a splendid choir, all united to make this service full of holy joy. This branch makes return of over seventy dollars subscriptions.

30th.—**Lachine.**—An excellent meeting in the Methodist church, where another good annual return was shewn. Some changes were made, we regret that we had to relieve our treasurer, but another of the same family was appointed and Miss Davidson was appointed secretary in place of Mrs. Goucher, who, after a most successful course, asked for some rest. We heartily wish that the new executive officers may receive the same cordial support awarded to their predecessors. The clergy of all the local churches were with us.

#### DECEMBER.

1st.—**Hochelaga.**—An excellent spirit pervaded our meeting in the Cross Lane Mission Hall, the Rev. H. Jekill of St. Mary's and the Rev. A. J. Belton, Methodist, present. The president of the branch, Jas. Brown, Esq., was in his place and announced that the ladies of the

united churches would furnish refreshments at the close of the meeting. I do not know whether the pleasant and earnest speeches, or the efforts of these ladies was the brightest feature of the evening, which, with a good report of funds gathered, cheered the hearts of all present.

**2nd.—Point St. Charles.**—Met in Grace Church Hall. I think as successful as any meeting of this branch yet, Mr. Cayford presiding happily, the Revs. W. B. Cruikshanks, D. C. Sanderson, Wm. Sanders, and the Baptist pastor, with an excellent choir, all taking part in praising God for his goodness in blessing the work of the Society during the year.

**6th, Sunday.—Cote des Neiges.**—I was sorry to miss the presence of our genial friends, the Rev. J. M. Crombie, and the president, J. Broughton, Esq., the first being confined to the house by bronchitis. Owing to general sickness the work of collecting in this branch, in which are united Norwood and St. Laurent (which places I also visited this day) had not been completed, so the report was not ready.

**8th.—Cote St. Paul.**—Our loss here during the past year has included the president, treasurer, vice-president and secretary, the first two had died, the last two removed, so we had to-night to reorganize altogether, which, with the help of the Rev. J. Charlesworth, we did. Early work is promised, so that this branch may hold its place in the year's work.

**13th, Sunday.—Sault au Recollet.**—St. Andrew's church was well filled and the congregation gave a hearty response to our appeal.

#### WINTER TOUR.

JANUARY, 1897.

**4th.—Cote St. Henry (Co. Vaudreuil).**—By train to Coteau Junction, then back to Coteau Landing for my horse (which I had left there on my St. Lawrence tour). To my dismay, owing to the thaw carrying away what little snow had fallen, I had to take my buggy through muddy cross country roads, but arriving here had a hearty welcome at Mr. Grisdale's. Found a numerous and hearty company in the little church here, and a report in advance of last year, which, being the first, was encouraging for the New Year.

**5th.—Hudson and Como.**—Meeting this year in the Gibb School Hall, W. F. Halcro, Esq., presiding. The Rev. J. Watson (treasurer) and the Rev. J. Carmichael (secretary) presented their reports showing good financial returns. Sales of Bibles had been small. Last

year, when we met in Hudson, we missed many of our Como friends, now we miss the Hudson friends, excepting those who are always faithful.

6th.—**Point Fortune.**—Intense frost had left the roads in a terrible condition for a horse to travel on, only a walk could be maintained, so the journey was very tedious, however, just as I reached this place, the snow fell so heavily that I wired at once for my cutter to be forwarded to Hawkesbury (but alas, the hope was only fleeting and the storm local). Our meeting here was good in all points, J. Middleton, Esq., presiding, the Rev. F. T. Phillips giving an address upon the importance of Bible study. A good report was rendered by our secretary, Mr. J. McClintock.

7th.—**Hawkesbury.**—The old, tried friends gathered round us and one new one at least, the Rev. Mr. Bennett, Presbyterian pastor, expressed very forcibly his entire sympathy with our work. J. W. Higginson, Esq., always our tried and approved friend, in the chair, a good report, close up to last year.

8th.—**L'Original.**—I could not yet use my sleigh, so left it behind. Our meeting in the Presbyterian church, now transformed and beautified, was as all our meetings would be, if equal desire were shewn in the interests of Bible work. This branch well maintains its efficient character, its officers are conscientious in discharging their duty, their minister being in the van in all good work. Under these conditions, the report, of course, was an excellent one. John C. Cameron, Esq., in spite of advanced age and weakness, was still at his post as president.

10th.—**North Nation Mills.**—Having to drive about twenty miles up the river, I got my cutter from Hawkesbury and enjoyed the rapid motion upon the ice after creeping over the hard frozen mud of the bare roads. I found some snow also on the north shore of the Ottawa, when I had to drive back to the Mills. The old school-house was well packed, apparently all were deeply interested. Our returns for sales and free contributions were in advance.

11th.—**Plantagenet.**—No sooner had I left the river than bare roads were the rule. The numbers present at our meeting were scanty, but our collectors made the report a good one. The Rev. Mr. Hardie gave a short, pithy address.

12th.—**Pendleton.**—Fairly good gathering in the Glenburn church, and good report from Miss Wight.

13th.—**Riceville.**—Excellent meeting. The Rev. H. Krupp conducted the devotional part and gave a short, practical address. The collecting here was not completed, so there was not a full report as yet.

14th.—**Vankleek Hill.**—Nearly twenty miles of sleighing over

sand and gravel was hard on my horse. The night was so cold, it affected the attendance considerably, but all the ministers were with us, taking part in the work, and the report was even better than last year, M. McCuaig, Esq., presiding. Well done, good branch.

15th.—Brodie.—The Glen Sandfield and Brodie branch met here this year, in good numbers. This part of the field had responded well to our collectors.

17th, Sunday.—Kirk Hill.—Preached to the members of the (erstwhile) Free Kirk in the morning, who have for many years taken keen interest in our work. I was glad to learn from our secretary that this year shews an advance. My good friend, the Rev. M. McLennan has gone to Scotland, to our sincere regret.

In the afternoon, by permission of the Rev. M. McKenzie, of the Church of Scotland, I spoke to his congregation to interest them also in our work, but owing to a heavy rainfall, the attendance was small, but the minister handed me a sum of money, the offering of his people on the previous Sunday.

I hurried on ten miles over bare, wet roads to Dunvegan, where I found the hospitality of the Manse and the Rev. J. Campbell gave me the same kind welcome accorded me by his predecessor. I could not have expected, with such weather and roads, so magnificent a congregation as filled the church here. Many old friends and I should think all the young folks of the district were present. Mr. N. McLeod Murray stated briefly that the friends had done even better than last year.

18th.—N.W. Glengarry.—After twelve hour's steady rain, the weather suddenly changed and became intensely cold, falling to twenty below zero. The mud of this morning, now as rough and hard as granite, making my poor horse limp and wince as we slowly plodded on, and the keen north-west wind blew furiously. Hardly anybody out on the streets of Maxville, little wonder our meeting so severe conditions was slim, only those living close could be present, the Revs. J. Cormack and J. McKillican (of Montreal) being present and rendering yeoman's service. P. McNaughton, Esq., read a capital report of subscriptions.

19th.—West Roxboro (Moose Creek).—Intense cold still continued, the road was so rough I walked all the way beside my horse to lighten the load. However, the wind slackened at sundown, so we had a good meeting after all, J. Johnson, Esq., presiding. V. Begg, Esq., our secretary, read a good report, and the sales had been excellent.

20th.—Crysler.—I again walked the whole of the twelve miles, as much of the road had just been gravelled and the rest bare and rough. When I arrived here, no arrangements whatever had been

made for our meeting, so of course we had none. One blessing, however, came, the snow so long wished for, came falling all night, steadily and plentifully, so that some of the drifts were quite deep, but we all, I think, were so glad, we forgot to grumble at anything.

**21st.—Morewood.**—Good roads, good meeting, good subscriptions, good help from the Rev. J. Kellock. Mr. Hunter had secured faithful collectors, and the sales of Scriptures were fair. Altogether, a cheering report.

**22nd.—Chesterville.**—H. W. Moad, Esq., presided over a small meeting. However, the report was fair.

**24th, Sunday.—Winchester.**—By the kindness of the Rev. Foster McAmmond, I addressed a large congregation in the Methodist church in the morning (we had attended to our business on Saturday night) when a liberal collection was added to an already good report.

**Inkerman** in the afternoon, where I was gratified to meet unexpectedly, the Rev. W. Service, who obtained a supply for another appointment, in order to be with us and strengthen our hands. I commend his good example to his many brethren, his influence has been already evidenced by a good increase in the report of subscriptions.

**Hallville** in the evening. Addressed a fair number in the Presbyterian church, supported very heartily by the Rev. J. Higgins. Here the work is done after my visit each year, this makes any allusion to the report old news, when speaking of ten months ago. However the branch always contrives to be creditably reported in our printed lists.

**25th.—Reid's Mills.**—This place, on the invitation of the Rev. J. Higgins, has been placed on our list on three consecutive years, but the first time a snowstorm intervened and prevented a meeting, last year I was able to go there on a Sunday afternoon, receiving a cordial welcome and hoped this year to have organized, but again a violent storm from the north caused our friends there to wire that the meeting would be impossible under the circumstances. I am urged to make a special appointment later in the spring.

**26th.—South Mountain.**—The storm is over, everybody being out, the roads are broken fairly, and a large meeting filled the Presbyterian church, both the pastor, the Rev. J. McFarlane and the Rev. T. McAmmond, giving wise and earnest words of congratulation and counsel, with a good report from the collectors, all united to make this a successful gathering.

**27th.—Heckston.**—All our friends came out to-night, Mr. A. J. Cumming being chairman. Report in advance of last year.

**28th.—Kemptonville.**—Heavy snow storm all day filled the streets

here, so that the Baptist church was not as well filled as we hoped. The new pastor, the Rev. J. A. Kennedy, expressed his sympathy and welcome. The Rev. H. J. McDiarmid, my good friend and host, was too modest to occupy more than two or three minutes, but did that well. Mr. Hugh Brownlee, as president, and Mr. D. Pelton, our secretary, had made such efforts as ensured success by securing good collectors. The returns were not all in, yet those we heard made a good shewing.

**29th.—Oxford Mills.**—Not one of our strongest branches, yet one we would be sorry to pass by, but all the responsibility should not be allowed to rest on one man, however good he may be. Our meeting was a pleasant one, but the aim of our Society is something beyond this. Our collectors had not been as successful as last year.

**31st, Sunday.—Bishop's Mills.**—The congregation filled the church and appeared most interested. I was delighted with the liberal support given to the Bible work. After many years discontinuance of visits to this place, a contribution of nearly seventeen dollars and sales to nearly the same value, was a good shewing from our friends.

A sharp drive of twelve miles brought me to **Burritt's Rapids** for the usual afternoon service in the Methodist church, where many of our friends listened to the narrative of the work in Uganda as a fulfilment of the prophesy, Isaiah ix., 2. Here our collectors had prospered in their work, making a good shewing.

We have in this month's work good cause for thanksgiving and praise.

## FEBRUARY.

**1st.—Merrickville.**—Met in Methodist church, the Rev. E. Aston presiding. I found that the work of the year had been satisfactory, and the collectors enabled the secretary to give a good report. Some local work had reduced the numbers at our meeting.

**2nd.—Easton's Corners.**—Meeting well attended, the numbers being the largest I have ever seen here. H. McCrea, Esq., in the chair. The Rev. I. Wilkinson gave a brief address, the report shewed an advance on last year.

**3rd.—Jasper.**—The Revs. J. Wilson and E. Aston gave us their help in our gathering in the Methodist church, the former presiding, the latter giving us an original address on "Wasted Time and Energy," in reading trifling smatterings of everything, instead of studying some one thing thoroughly—hence the Bible is largely neglected by many of our church members. This new branch has hardly got into working order, but is shewing already good results.

**4th.—Wolford,**—J. McCarthy, Esq., presiding over a hearty meet-

ing here, a good report from our secretary, Mr. Wm. Chalmers, was read and adopted.

5th.—**Lombardy.**—Amidst many discouragements, Mr. Jno. Rabb, the worthy secretary,, continues his labors and keeps our work going. His report of work was a good one for this year.

6th, **Sunday.**—**Toledo.**—The weather had changed, the rain had poured all Saturday, and I had driven through it and caught cold, which flew to my throat, so my voice was only a croak, yet with the kind help of my friend, the Rev. J. J. Cameron, I was able to address the large congregation in the Presbyterian church. Good returns were made from our collectors.

**Chantry** in the afternoon. Our friends here are slow in organizing, but some work has been done in collecting.

**Philipville** at night, the roads were flooded in many spots, so only a few good faithful people came out to meet me, but from the kind invitations I received I anticipate better results from here in the future. I drove on to Forfar, to the hospitable home of Mr. T. C. Hales, where I knew by experience I should receive every assistance to doctor my throat.

8th.—**Forfar.**—After continuous efforts to keep down my hoarseness, I managed to face the meeting at night. It was a very good one; the collectors had worked well, so the report was good.

9th.—**Westport.**—Special meetings were being held in the Baptist church, and our friends united our meeting with theirs, so our audience was a very large one. We trust this will enable our lady collectors to secure larger results next year, as there was a slight falling off in the present report.

10th.—**Newboro.**—An average meeting, the Rev. Mr. Shortt presiding and urging the claims of the Society upon all Christians. Subscriptions fair, sales low.

11th.—**Elgin.**—By an unfortunate oversight, the proposed meeting had not been announced, so was a failure.

12th.—**Morton.**—The night was a stormy and very cold one, and half an hour after the time advertised for the meeting, the secretary and I found the fires had not been lighted, but they were going to be. As this would have involved at least another hour of delay, we decided to adjourn at once. So the meeting was not held. Very little had been done, except by the secretary, in the way of subscriptions, but better than last year.

13th.—**Lyndhurst.**—Gathering of young people, principally, in the Orange Hall, the Rev. W. Moore presiding. The report was an increase over last year, our secretary, Mr. Jas. Thompson, being about to leave, we appointed a lady to that position, and heartily wish her success.

14th.—Delta.—There was a very large gathering in the Methodist church, the Rev. G. Poyser conducting the service, with an excellent choir assisting. I am always glad to speak to our friends here. Our own work had collided with a special effort to assist the Indian Famine Fund, with which we are in such hearty sympathy, as to accept cheerfully our somewhat reduced share of the subscriptions.

15th.—Athens.—The earnest addresses of the Revs. J. J. Cameron and J. Scanlon, were worthy to be listened to by all who live in this pleasant town, appealing to the highest aims and principles of the Christian church. The numbers present were the largest seen here for years. Miss Etta Wiltse reported a good subscription. J. Thompson, Esq., presided.

16th.—Glen Buell.—The desirability of establishing a branch here had been urged, but some slackness in arranging for the preliminary prevented its success, another attempt must be made before we decide.

17th.—Addison and Greenbush.—Met this year at Greenbush. I was glad to mark the improvement in the church building, and the increased reverence of the young people, now, if this be followed up by earnest endeavors in the Lord's work, this would be a prosperous branch. The pastor is a good friend to our work.

18th.—North Augusta.—Our friends were prepared with report of faithful work and assembled to hear of the Society's work, J. Bellamy, Esq., presiding. The Rev. M. Danby gave us a very nice address. Mr. T. E. Ralph read the report, not quite up to last year's

19th.—Spencerville.—Fine meeting in Presbyterian church, the Rev. J. Sinclair presiding, S. C. McLean, Esq., M.D., giving a good report of continued prosperity. The work of this branch speaks well for the interest shewn by its officers and collectors.

21st, Sunday morning.—Ventnor.—Special service planned for us in the Methodist church, the ordinary one being held in the evening. A large congregation gathered, great interest apparent. This branch has done well this year.

Brinston's Corners (North Matilda branch) in the evening, good attendance. Better work shown for the past year than in any recent year. I trust that there may come to this branch yet greater success in the future.

21st.—North Williamsburg.—A heavy snowstorm with driving east wind, not only made the journey difficult, but continuing, spoiled our meeting, only about a dozen braving the storm to be present. One of these, I am glad to say, was the Rev. J. Shunk, the Lutheran minister. We had no report, nor did we consider any business.

22nd.—**Winchester Springs.**—A very good attendance here, the best for years, the Rev. W. T. Smith presiding. Good report.

24th.—**Dunbar and Elma.**—Meeting due this year at Elma, where the pastor presided and gave good reasons why all Christians should aid the Society, whose only object was to help in missionary work at home and abroad. The work shewed an advance on last year.

25th.—**Colquhoun.**—Another snowstorm filled up the roads, so that the meeting was small and only partial returns were possible.

26th.—**Grantley.**—Our first meeting in this place was a decided success in point of numbers, yet, on the advice of the pastor, organization was deferred until next year, when he hoped to have more of the older people present. However, he suggested some friends whom he knew would be in sympathy with our work as interim officers. Our acknowledgments are due for the kind interest shewn by the Rev. R. C. McConnell and Mr. Eli Robinson.

27th.—**South Finch.**—Business meeting on Saturday night. Sunday, Feb. 28th. A large congregation in St. Luke's church. I was very pleased to learn that while this parish had generously given a hundred dollars to the Indian Famine Fund on the previous Sunday, yet they had resolved not to take any of their support from the Bible Society, indeed, the report shews the largest amount received yet by me.

**Avonmore,** in the evening we had a large audience in the Presbyterian church to hear of the onward march of the Word of God. A good average report was furnished next day by the treasurer, W. Brownhills, Esq.

#### MARCH.

1st.—**Gravel Hill.**—Our collectors here are two of the older members of the community, Mr. J. Robinson being ninety years old, hale and strong, his friend, Mr. Margerrison, though his junior, is probably among the seventies. These hearty old gentlemen are the cause of our increased success in this branch.

2nd.—**Apple Hill.**—This active branch, with the last named, is under the pastoral care of the Rev. D. D. McLennan, to whose kindly words and judicious arrangements our success is largely due. The report this year is again of good earnest work and happy results.

3rd.—**Alexandria.**—A good, profitable time was spent in our meeting, the Rev. D. McLaren in a brief speech, which was illustrated by two large charts, shewed the circulation of the Scriptures from the time of Luther to the year of the formation of the Bible Society,

and the immense advance since then. There are reasons which would explain the report being below that of last year.

4th.—Dalhousie Mills.—We have lost our good secretary here, the Rev. A. K. McLennan, who has left for Boston, hence the arrangements for our meeting broke down, but some work was reported.

5th.—Cote St. George.—Notwithstanding a sudden change in temperature and heavy rains, our meeting was successful, both in numbers and interest shown. Report so far promises good returns when complete. This finishes the tour for the winter.

## REPORT OF BRANCHES.

### DANVILLE, QUE.

The last Annual Meeting of the Danville Bible Society was held in the Presbyterian church. The Rev. Henry Gomery occupied the most of the time in his instructive lecture. The ministers present each spoke of the Bible as the first and foremost agent in the redemption of the world from sin. To the Treasurer the collectors from the several districts brought \$111.70. From October, 1895, to October, 1896, we have sold 44 Bibles and parts of Bibles, worth \$20.65. Grants have been made of three Bibles and two parts, worth \$1.77. We now have in the Depository, 153 copies, worth \$63.64. Mr. James Riddle, President; the Revs. A. Stevenson, R. Robinson and A. W. Main, Elder Chadsey, Vice-Presidents; M. S. Parker, Sec.-Treasurer; C. C. Brown, W. Carson, R. Kidd, Geo. Adams, Committee.

PRESCOTT.

Mr. President and Contributors.—On this our Fifty-seventh Annual Meeting we have been permitted to meet to discuss matters that may tend to advance the interest of this Branch of the Montreal Auxiliary of the British and Foreign Bible Society. It is gratifying to see so many familiar faces present; and any who are present for the first time must feel that they are in good company, when surrounded by the members and contributors of this noble Society. We feel sure that, as in the past, we can rely upon one and all to help carry on the good work. We thank you for your hearty co-operation with us during the year now closing and we ask that the same mutual help may be extended to our successors whom you may appoint this evening. We earnestly request that any who do not contribute to the Society's funds will do so during the evening, and we want you to join heartily in to-night's programme. We strongly urge on all such, the advisability of enrolling themselves in the membership before our next anniversary. One dollar per year will constitute you a member and entitle you to a copy of the Annual Report, which not only gives us the report of the Montreal Auxiliary to which we belong, but in addition gives us many interesting extracts from the journals of the Parent Society in London, England. We consider the Bible Society one of the best institutions of the world and one having the noblest aims.

This grand movement began about 92 years ago and then as now, had for its object the circulation of the Word of God throughout the world. At its second annual meeting the distinguished philanthropist, Wilberforce, was present, and at the ninth anniversary the Duke of Kent, father of our beloved Queen, stated it was the wish of his father, King George III. that there should be a

Bible in every cottage in Great Britain, and that Royal Mandate has been observed with gratifying success. At the time of its organization in 1804, there were only about four million Bibles in the whole world, now our glorious Society has circulated over one hundred and forty million copies in parts or whole. The Society appealed to all classes, and has met with the hearty approval of the very best circles of society. Our beloved Queen has set an illustrious example by contributing to its funds, the Archbishop and Bishops of the Church of England, leading clergymen and layman of all denominations are among its leading officials and liberal contributors.

It is fitting that we should place on record our approval of the Parent Society and sincerely wish it "God Speed" in its work of faith and labor of love and pray that the Holy Spirit may render the truth published mighty to the pulling down of the strongholds of all those that array themselves against the circulation of the knowledge of God, so that instead of the thorn shall come up the fir tree, and instead of the briar the myrtle tree, that it may be to the Lord for a name, for an everlasting sign, that shall never be cut off. We are anxious to make mention of the names of those who have so kindly assisted us in the past. We thank Professor Kenyon and the united choirs for their generous and delightful share in the make up of our programmes, and also the resident ministers for their cordial addresses, and to our welcome friend, the Rev. Henry Gomery, for his genial presence and his gratifying and instructive report of the work that he and our Society are engaged in. The substantial contributions of the current year, which we are able to report to-night, are largely due to the energetic work of the faithful and diligent young ladies who act as our collectors.

That success, in abundant measure, may rest on our united labors and that our efforts and offerings may find favor in the sight of God is our ardent desire,

Respectfully submitted on behalf of the Committee,

G. E. JOHNSTON,  
Secretary.

## REPORT.

If, as has been well said, "no work is more important than women's work among women," we may truly claim the place of pre-eminence for the work carried on by the eight Bible-women employed by this Association. It is a record of faithful house to house visiting, and there in the home preaching Christ Crucified, Risen and Glorified to many who would never hear it proclaimed from the pulpit or trouble to open God's Word and read it for themselves.

The work is, as the name denotes, the woman with the Bible, and her life and conversation are watched and expected to be a faithful mirror of what she preaches.

The number of visits paid during the year by seven Bible-women is 12,671, and the average length of time for each visit from twenty to twenty-five minutes. The number of Bibles sold by three Bible-women is 125, New Testaments, 67, and 14 Gospels. We regret not being able to get the return of sales from all the Bible-women.

The work of the French Bible-woman differs in some respects from that of the English ones. While she has visited some 2,453 homes, she has been received and able to read and pray in only 501. Her work requires special gifts of tact, patience and love.

Through the liberality of the Parent Society, we are enabled this year to have another Bible-woman labouring among the French population. To all who realize the importance of this branch of our work, this is a cause of deep gratitude. We have been fortunate in securing the services of a former Bible-woman, who thus brings to the work knowledge derived from past experience.

We have to report the resignation of one superintendent and one Bible-woman. The Bible-woman's place has been, we trust, ably filled by one who had already shown her interest in the work by voluntarily assisting our former Bible-woman. The position of Superintendent is still vacant.

The grateful thanks of the Association are due to Lady Galt for her interest in collecting funds to pay the rent of the mission rooms, etc., thus filling the place of her late sister, Mrs. Vanneck; and to the Hon. Treasurer, who has brought the financial year so creditably to a close.

The following reports from the various districts will be read, we are sure, with great interest.

## ST. MARY'S WARD.

"It was in June, 1869, that the way was opened for me to work in the vineyard of the Lord. I was conscious of inability without God, but asked Him, as I went forth in His Name, to go with me, and that I might be received into the homes whither He would lead me. It happened on two occasions only that the door was shut in my face, and that was the result of drink." God has been with her whose words we quote, all through these 27 years, shedding more and more light upon her path, and making her rich in the treasures of His Word, that she also, through the ministry of the Spirit, may make "rich in faith" the poor whom God has chosen. This year has been one of much trial and hardship to many, but precious lessons have been learned in the school of adversity concerning God's tender care and loving supply. Just in such circumstances is the opportunity of the Bible-woman, and to her is given the privilege of leading back to the Saviour those who have wandered from Him, or of making Him yet better known and more lovingly trusted by those who have long been His followers. In the moment of need, God has directed her to one and another of such cases. One, a nursing mother, with no employment and there was no bread in the house. A loaf was quickly brought, and warm were the thanks the Bible-woman received. The week before that woman had only earned 25c. To another mother, sad and desponding, with three small children, and without food, the husband out of work and still seeking it, the Bible-woman came in, and read of "God feeding the fowls of the air." Her eldest child of four years she had sent to her widowed mother, who works hard for her living. She also was helped.

How many such cases may be given, for the great need of the unemployed is a feature of this year's record. Every monthly report tells the same sad story. When a man has to face want for his family, and neither the skill of his right hand nor the strength of his right arm can procure bread for his crying children, he has to learn the lesson of his absolute dependence upon God for everything, and when the lesson of trust in God instead of himself is learned, God gives back to him the power to provide for his own. His temporary loss has brought him eternal gain. God's own Word becomes the daily bread of himself and family.

It is this simple lesson of trust in the living God, so simple that many of us pass it by, that the Bible-woman is sent to teach. It is the same lesson at the bedside of the sick and dying, trust in that Saviour who takes His own, without letting them see death, for He is with them, and on Him their eye is fixed. The same lesson

is taught week by week by the Superintendent at the mothers' meeting in the manifold ways it is set forth in the Word of God, and the people gather to hear.

As regards our Mission Room, we have never before been in such good quarters. The person in whose home we meet was at one time a Bible-woman herself, and her heart seems still to be in the work, which she understands so well, and in that and other ways she is so helpful and cheering to us all. Certainly God opened that door and let us in, for we never looked for anything so good, and the people themselves were greatly surprised. The Clothing Club goes on as usual, but not on so large a scale as formerly. Still, in times like the present, \$523.40 is no small sum for the year 1896. The payments in 1892 amounted to \$1,070.80. The large Sewing School is still held every Saturday morning, entirely in the hands of the young ladies from the West End, who are eager to adopt better and more progressive ways in their system of teaching, so that the largest benefit may be gained by the children. The mothers, when asked at the mission room, tell with pride and satisfaction what their little ones are able to do. The attendance this winter is larger than ever. We rejoice at the success which has followed the self-denying efforts of these ladies, a better form of praise than any words that we can offer.

#### ST. LAWRENCE WARD.

For two years the Bible-woman has been labouring in this district with the Holy Scriptures as her passport, and faith and prayer for the Spirit's guidance in the God-given and God-chosen work.

Naturally, at the close of the year, in reviewing the past, the question arises, "Has any progress been made along Scriptural lines?" The answer comes in the Word, "God's Word shall not return unto Him void, but it shall accomplish that which He pleases and it shall prosper in the thing whereto He sent it."

The Bible-woman has visited some homes where her experience has been a new one. The Bible certainly was there, but evidently only because they thought as Protestants they ought to possess it. To them it was a sealed book, they knew nothing of its power, it was merely a good book, and told them about Jesus, who died for sinners. Indifference and ignorance had darkened their spiritual vision and hardened their hearts. In other homes of the poor, however, the Word of God has been unfolded as a great blessing coming into their lives, and a love for its teaching has influenced their characters, witnessing the change of heart both in their homes and in the world. The greatest hindrance has not been that people closed their

doors against the Bible-woman, but that their hearts and ears have been closed to the truth. Another barrier to the work is the great poverty in this district. The bread-winners struggle to support their families amid many discouragements, too often brought on by intemperance, but the good seed, even in such cases, has fallen into good soil and is now bearing fruit.

The Bible-woman is greatly encouraged in some of her interviews with French Canadians. She finds a great thirst for the Scriptures amongst them. Whenever opportunity offers to read or talk to them about spiritual things they display a hunger unusual in Protestants. They begin to feel the lack of something that they are deprived of, some blessing that Protestants enjoy.

The Mothers' Meeting, held weekly, continues to increase in earnestness and numbers. The service of song which follows the reading and explanation of Scripture has been greatly blessed. The hymns chosen and asked for by the members of the class, often silently express the great sorrow or need of the heart going up in song to the loving Saviour. The young ladies who for some years have guided this portion of the work have lately been joined by six of the "King's Daughters," who have brought fresh life into the whole undertaking.

Another branch of the work is the "Clothing Club and Helping Hand," which provides ready-made garments, new and old, at a small cost, thus enabling many a tired mother to secure more time for other home duties. The proceeds of these sales are used to supply necessaries for the sick or otherwise to help those in need.

Discouragements, disappointments and hindrances beset the Christian worker on all sides, but with the eye of faith fixed on the Master, the promise can be claimed, "I will direct their work in truth," and, "stablish them in every good word and work."

#### FRENCH POPULATION.

Madame Piché, the French Bible-woman, has continued her work faithfully during this year in Maisonneuve, Hochelaga and the East End in general. The committee hear with thankfulness that several hundred families have come in contact with the Word of God for the first time; for they believe that, sooner or later, the seed sown broadcast over the field must bear fruit.

If the Bible-woman cannot sell as much as she would desire, owing to scarcity of money and want of work among people she visits, it is encouraging to find that she is well received and that the people are willing, even desirous, to discuss several religious points; their eyes are being opened, and they want to know more and more,

though they are afraid of being influenced to "change their religion." One person said to Madame Piché: "What is the use of knowing so much? We are forbidden to ponder over these things. Why were priests given us? It is not to lead us? We must believe in them, as they are holy men. If they don't teach us right, so much the worse for them, they are responsible. I am afraid of your books. I have one, the "Evangile pour tous les jours." I have two brothers who began to study that book and to-day they have changed their religion and they can only talk about that new religion. When they come to see us they repeat some of the passages that you have just shown me now, and if my husband goes to see them they discuss all the time. They have even succeeded in getting our father, an old man, to study that book and he is now a Methodist. Oh! she continued, "I have already spoken too much with you; you had better go out. We are forbidden to talk with 'Orangiste' and 'Methodiste.'"

In the November report we read that a woman said: "I have great confidence in the Holy Virgin, who is without sin. She can obtain favours from her Son for us, who are sinners; it is true, as you say, that we should confess to God alone, as He alone knows our hearts; but you know, in order to be good Roman Catholics, we must not reason, for as soon as we think, we see absurdities"

"One day," says Madame Piché, "when I was offering a New Testament to a woman, she said, 'I had one a few years ago, and I used to enjoy so much the reading of it, but my husband took it from me. I know that it is in that book that we can find the pure doctrine that our Saviour taught. Oh! I cannot resist. I must have one. I will hide it carefully and read it when my husband is away.'"

"In one house," says the August report, "I met in a family two women on a visit from Maskinonge, who were deploring the spirit of insubordination of some parishioners to their bishop. A man, who happened to be present, remarked: 'The bishop was wrong, and those people have only shown pluck and courage and surely they have good strong heads.' 'Yes,' replied the women, 'but the bishop has a bigger head, and they ought to obey him. When they were immersed, they should have been left under the water.'

"When they had left, the man remarked to me, 'There are still many like those bigoted women, but there is progress, undoubted progress and less fanaticism,' and he wished me success in the sale of my books, so that people could be enlightened."

The field is very large and it was impossible for one Bible-woman to cover it. The Parent Society, which assumed the responsibility of Madame Piché's salary, has generously offered to pay for a second Bible-woman, and the committee were fortunate in secur-

This was felt to be providential and so the committee did not hesitate to re-engage her. She began her work on the 4th of January, 1897, with her old-time energy and zeal, and has entered the field with a heart full of enthusiasm. She will work in St. Jean Baptiste and Point St. Charles, and also help Madame Piché in the large and crowded districts of the East End.

During the year 1896, Madame Piché has visited 2,453 houses offering the Word of God, and has been received and able to read and talk in 501 families.

#### MONTREAL GENERAL HOSPITAL.

During the past year the work has been continued with more or less encouragement. Some patients have been visited many times, also convalescents in institutions or in their own homes. One man, visited after he returned home, entered into the rest of faith while listening to the words, "Just as I am, without one plea." A lad of 17 years told his mother while he was in the hospital, that he had been led to Christ by the Bible-woman. A young man accepted Christ in the early summer, went out expecting to get strong, returned in the winter and died, saved through the atonement of Christ brought to his knowledge by the Bible-woman.

Many strangers, some of them Christians coming from a distance, having no friends to visit them, have greatly appreciated the visits they have received.

The number of Roman Catholics who have shown an interest in the Bible has increased during this past year. One girl from Ontario said so earnestly, "The more I hear, the more I want to hear." She thankfully accepted a copy of the New Testament, having "long wished to own one." The Bible-woman prefers to look on the bright side, and in giving a review of her work has not emphasized the disappointments caused by indifference and unbelief, and in some cases, resistance to the Gospel. She has faith that there will be sheaves at the great in-gathering of which she has now no counting.

#### SOUTH POINT ST. CHARLES.

The work this past year was carried on in all its branches with the energy and efficiency characteristic of former years up to the middle of November, when we were regretfully obliged to accept the resignation of our Bible-woman in that district. Owing to failure in health and nervous debility, the result, in part, of her earnest and

faithful service, she was forced to retire, for a while at least, to a quiet spot, where rest of body and mind "by God's good hand upon her" may be found.

Reluctantly she laid down the work, for six years' experience in it had greatly deepened her sense of the distressing spiritual poverty of those amongst whom she laboured, and her heart was full of pity for them, but committing the district and its people to the Lord, she left us, strong in the assurance that He who was calling her apart to rest awhile, would not allow the work so prayerfully begun to languish and fall away.

Before Mrs. Carter left the city, her successor was found, so that without a day's interruption the service has gone on.

Family duties prevent our present Bible-woman carrying on the Sunday-school and evening classes that have been such a valuable and distinctive feature of this section of our mission. We regret very much that these classes must be discontinued, for the children gathered into them received great benefit from the instruction given, and were fondly attached to our kind and good Bible-woman, who shewed such loving interest in them and tried so faithfully to lead them aright and to bring some cheer and brightness into their otherwise dull lives.

There were, as usual, some cheering incidents through the year, chief amongst them being the conversion of a young woman who, when our Bible-woman met with her last summer, was in a low condition, both physically and spiritually, for she was suffering from dropsy, her case incurable and her soul in doubt and darkness. As the result of the daily visits, and careful instruction in the truth with prayer and sympathy from our Bible-woman, she came to a knowledge of the Saviour, and died three months later rejoicing in Jesus, whose precious blood had made full atonement for her.

Then, again, the Word of God was introduced into a Roman Catholic family, and readings from it readily and gratefully received by both the father and mother, who gathered their children in to listen to it. Several visits were made to them, and the Bible-woman was always well received. The seed has been sown, and who can tell what the result will be? Certainly, our Bible-women are pre-eminently seed-sowers. Day by day they scatter it carefully, prayerfully, and God nourishes their efforts, for many a soul has been brought into loving contact with a crucified and living Redeemer through their presentation of the gospel.

The Mothers' Meetings continue to be well attended. They are held every Thursday afternoon, 28 or 30 women on an average being present, with quite a number of children.

## NORTH POINT ST. CHARLES.

The Bible-woman has been going from house to house, visiting the sick, the infirm and the aged, reading the Bible to poor, tired mothers, whose family cares seldom allow them to attend church services, directing them to the burden-bearing and life-giving Saviour, and faithfully striving in God's strength to do God's work.

"Sometimes," she says, "when I have washed dishes, swept the room, or cooked a meal for a poor woman who is hardly able to stand up, it has seemed as true mission work as when I was reading the Bible to her."

While listening to the many sad stories poured into her ear daily, she has prayed for wisdom rightly to advise or comfort these troubled ones, and her report says "God always hears and answers my prayer."

She is constantly finding families with neither food nor fuel in their homes and although not able to supply their wants herself, she has often, through God answering her prayer, been able to direct them to where they could get their temporal needs supplied. The Lord does provide for those who put their trust in Him.

Sometimes her heart is rejoiced by the unfaltering faith of some poor suffering saint, like one she speaks of as dying of cancer, who is praising God for supporting her in weakness and pain by His Almighty strength, and abiding with her in the valley of the shadow of death. Another time she says, "Although my work often casts a gloomy shade over my life when I can do so little to relieve so much misery, yet the constant reading of God's Word and prayer, comforts me, while I am comforting others, and I feel indeed the results of a firm faith in God's promises." This Bible-woman has sold 107 Bibles and 29 Testaments during the past year.

## HOCHELAGA AND MAISONNEUVE.

This past year was a most encouraging one to the Bible-woman working in this district, although there has been much suffering and distress caused by the husbands and fathers being unable to procure employment. Many cases of extreme need have been found; indeed, since the cold weather has set in, it is nothing unusual for the Bible-woman to find mothers and children cold and hungry while the father is out seeking work or food. The words of the Saviour come vividly to mind, "The poor ye have always with you." Yet it is in these homes of poverty and suffering that the work of the Bible-reader is best seen, and upon such dark backgrounds the Word and promises of God stand out with greater light. Won-

derful indeed is the change in many of those homes. Instead of the grumbling and complaining between husband and wife, making themselves and the children unhappy, they realize that poverty can be better borne with a spirit of love, and a calm, patient trust in God.

As the blessed promises are repeated to them and their cases taken directly to God in prayer, it is touching to hear their expressions of faith and trust in God, and did we not know that He is faithful that promised, we might often wonder at the direct answers to prayer.

The Mothers' Meeting has had an increase of twenty-five over last year, and a marked interest in the Word of God is noted. It comes to them with a freshness and reality that gives them a hunger to hear it again, and a desire to live its truth out in their lives.

The Tuesday evening evangelistic service is still increasing both in numbers and interest. New faces are seen almost every week, and many are testifying to the great spiritual good received from the Word so faithfully proclaimed.

Our future hope is in the children. The work in this department is being most successfully carried on. A meeting for the children is held in connection with both the Friday afternoon meeting and the Tuesday evening service, and their young minds are being well stored with Bible truths. Many of them, indeed, know more about the Bible than those that are much more advanced in years. A most enjoyable treat was given them at Christmas time, at which over a hundred children and about forty mothers were present.

Great benefit has been derived from the exchange formed by the Circle of King's Daughters from the West End. Here the mothers are able to procure clothing for their children and families for nominal sums. Those that have no money, can sew for two hours while the sale is going on, and are allowed so much for their work. Assistance is thus given to all.

Altogether we start out with brighter hopes and firmer trust in God for the year upon which we have entered.

## NOTICE.

All Branches, Associations, and Depositaries are particularly requested to make out a yearly Report, which shall embrace all the principal occurrences of the year, and a list of subscribers, and send the same to the GENERAL AGENT, Bible House, Montreal, or to the REV. H. GOMERY, District Secretary, No. 498 St. Urbain Street, Montreal, on or before the 25th day of December, that there may be sufficient time to prepare the Annual Report.

It is requested, when remittances are made, that it be specified whether the same are to be placed to Purchase Account, or are Free Contributions.

It is further particularly requested that Branches and Agencies will effect insurance on their stock. In many cases it may be made an item in the policy which the Depositary takes on his stock in trade; but where that cannot be done, if the stock of Bibles be of the value of \$100, special insurance must be effected.

## REGULATIONS AND INSTRUCTIONS FOR AGENTS AND COLPORTEURS.

### (A)—THE DISTRICT SECRETARY.

1. The District Secretary is charged with the oversight of the various Branches, Depositories and Agencies of this Auxilliary.
2. He has to make periodical visits, once a year, if practicable, to the Branches, for the purpose, in conjunction with the Office-Bearers of the same, of holding public services, at which services special information touching the operations of the Parent Society and of this Auxilliary is given by him; and any necessary public business between the Branches and this Auxilliary is despatched. On such occasions he is also expected, in such ways as he may deem proper, to encourage and stimulate the people to greater zeal and effort in the work of Bible circulation.
3. He has to make annual visits to the several Depositories and Agencies connected with this Auxilliary, for the purpose of inspecting the books or stock therein contained, and of taking account of the same with the Depositories.
4. He is authorized to receive, and to give receipt for the same, any moneys due to this Auxilliary on purchase account, or offered as free contributions.
5. He may take orders for supplies of Scriptures, should such be tendered him.
6. All receipts of money and orders for Scriptures are to be duly recorded by him, and reported to the General Agent.
7. Timely notice must be given by him to the General Agent of his intended visits to Branches or Agencies, in order to the preparation by the latter of the necessary statement of accounts for stock-taking and settlement with the Depositories.
8. Any omissions or discrepancies that may be found in the statement so furnished and the books of the Depositories must be reported in writing to the General Agent, with a view to the immediate rectification of the same.
9. A monthly Report is to be prepared and sent by him to the General Committee of the Branches and Depositories visited by him, of the public services held, and of moneys received, and also of colportage operations, should these in his judgment call for special notice.
10. He is charged with the preparation of an Annual Report to the Committee, giving an account of the work and condition during

the year, of the various Branches, Depositories or Agencies that are comprised within the Society's field of operation ; and also with preparation for publication in the Society's Annual Report, of the list of Branches, etc., with their Office-Bearers, together with the Subscription Lists of the same.

11. New Branches or Depositories may be organized or opened by him in or for such districts as may be found desirable to occupy as new centres of operation.

(B)—THE GENERAL AGENT.

1. The General Agent is charged with the management of the business of the Society, as conducted in and from the Bible House of Montreal.

2. He has under his care the stock of Scriptures and other property belonging to the Society in the Bible House, and is held responsible for the safe keeping and good condition of the same.

3. It is his province to attend to the retail sales of Bibles at the Bible House, and to keep account of same.

4. A Monthly Report must be prepared by him and submitted to the General Committee at its regular Monthly Meeting of :—(a) the condition and amount of stock on hand, or required ; of the number of copies sold during the month at the Bible House, with an account of cash received for the same, together with a statement of the same items in the corresponding month in the previous year ; of the state of account between this Auxilliary and the Parent Society, or other parties ; of applications for grants of Scripture ; and, generally, of any other matters he may deem of importance to bring under the notice of the Committee. (b) Of receipts and disbursements made at the Bible House during the month.

5. Special Reports may be called for from him by the General Committee or any of the Sub-Committees.

6. Notices of all Meetings, whether of the General Committee or of the Sub-Committees, are issued by him ; and he has charge of the place of meeting of the same.

7. On the receipt from the District Secretary of the programme of his intended visits to the Branches or Depositories, the General Agent is required to furnish him with the accounts of the several Branches set down on the programme, at least one week previous to his, the District Secretary's, departure on his tour of visitation, in order that time may be afforded for examination of these accounts by both Agents together if found necessary.

8. Copies of the Monthly Report and of the Abstract of the Annual Report of the Parent Society, as also copies of all other publications sent to the General Agent, which may contain information useful to the District Secretary in his visits among the Branches, are to be

promptly and regularly sent forth from the Bible House to such places as he, the District Secretary, may designate.

9. All mistakes, omissions, or irregularities that may be reported by the District Secretary, as existing in the books or statements or accounts appertaining to any Branch or Depository, are required to be placed on file and promptly attended to ; and such file may be called for at any meeting of the General Committee or Agency Committee.

10. Orders for supplies of Scriptures from the Branches, the District Secretary or Colporteurs are to be carefully entered and promptly executed ; and in case of any unavoidable delay occurring of the kind of books ordered not being in stock, notification of the same must at once be made to the persons sending the order, and further instruction sought from them.

11. An account current with each Colporteur employed by the Society is required to be kept of all books sent to his order, of cash received from him, of time spent in the service of this Society reported by him, and of payments on account of stipend made to him.

12. The General Agent has to prepare for the Corresponding Secretary all statistics or other details appertaining to the department of the General Agent that may be called for in the preparation of the Annual Report of the Society or of any Special Report.

13. On the publication of the Annual Report, the General Agent is required to distribute, without unnecessary delay, copies of the same to subscribers entitled to receive them, both in the city and country districts.

14. The General Agent has the oversight of such Assistant or Assistants as may, with the sanction of the Committee, be employed in the Bible House.

#### RULES RECOMMENDED FOR BRANCH SOCIETIES AND BIBLE ASSOCIATIONS.

The following Constitution of a Branch Society and Bible Association is inserted for the purpose of facilitating the formation of those useful institutions. Persons in the country are particularly invited to form themselves into Auxiliary Societies. Besides discharging the duty of assisting in disseminating the Word of God (which is incumbent on every Christian) they would consult their private advantage, and thereby be enabled to obtain Bibles and Testaments at the Society's prices, whereas at present they purchase from country merchants at a higher rate.

1. That the object and Constitution of the British and Foreign Bible Society have the cordial approbation of this meeting.

2. That a society be formed to be called "The Branch Bible Society, for the purpose of co-operating with the British and Foreign Bible Society, through the medium of the Montreal Auxiliary Bible Society, in promoting the distribution of the Holy Scripture, both at home and abroad."
3. That, conformably to the principles of the British and Foreign Bible Society, the Bibles and Testaments to be circulated by the Society shall be without note or comment, and those in the language of the United Kingdom of the authorized version only.
4. That all persons subscribing one dollar per annum or upwards, or ten dollars or upwards at one time, shall be members of this Society.
5. That the business of this Society shall be conducted by a President, Vice-Presidents, a Treasurer, Secretaries and a Committee consisting of not less than three other members; and that three members of the Committee constitute a quorum.
6. That every clergyman or other minister who is a member of the Society shall be entitled to attend and vote at the meeting of the Committee.
7. That the Committee shall meet once a quarter or oftener, on some day to be fixed by themselves.
8. That the Committee divide this neighborhood into districts, and appoint collectors for each district, for the purpose of soliciting subscriptions and donations and collecting the annual fees of the members.
9. That the whole of the subscriptions and donations received by the Society shall be remitted yearly, after deducting incidental expenses, to the Auxiliary Bible Society of Montreal, on condition of the Society granting to this the same privileges which the Parent Institution grants, in such cases, to the Auxiliary Societies.
10. That the Committee shall make it their business to enquire what families or individuals, residing within the several districts, are in want of Bibles or Testaments, and unable to procure them; and that it will be the duty of the Committee to furnish them therewith at prime cost, reduced prices, or gratis, according to their circumstances.
11. That a general meeting of the subscribers be held at \_\_\_\_\_ in the month of \_\_\_\_\_ each year, when the accounts shall be presented, the proceedings of the past year reported, and a Committee elected.
12. That these resolutions be published in such a manner as the Committee may direct; and a copy of them, signed by the chairman, transmitted to the President of the Auxiliary Bible Society of Montreal.

NOTE.—Branches or Depositories selling Scriptures on credit, do so at their own risk and responsibility, as it is contrary to the rules of the Society. There is no need for it, as other provision is made for the poor.

#### COLPORTEURS.

1. The Classification of Colporteurs shall be as follows:—To be known respectively and indicated on the Monthly Report as:—Class I.—Class II.—and Class III. That promotion be made from one class to another only on account of fidelity, success or length of service, and by vote of the General Committee; that the Monthly Allowances be for Class I., \$40.—Class II., \$35.—Class III., \$30, with addition of fifteen dollars per month where the Colporteur, by direction of the General Committee, uses in his work a horse and a conveyance.
2. Colporteurs are required to keep carefully within the limits of the District assigned to them as their field of operations, and not to labor beyond them without the sanction of the Committee.
3. They are expected to visit, as far as practicable, every family within the limits of their field, in order to ascertain whether or not they are supplied with copies of the Scriptures, and, when these are found to be needed, to supply them at such prices or on such terms as may from time to time be ordered by the Committee.
4. In the case of poor families or persons, Colporteurs may, in the exercise of due care, supply copies, either at reduced price, or by loan, or by gift; but all transactions must be recorded and reported to the Committee.
5. Sales on credit are made without the sanction of the Committee and at the sole risk of the Colporteur making them.
6. The Committee require that a daily record be kept of the places visited, of the number of copies sold, and of the moneys received for the same; and, further, that a monthly report of these and other matters properly belonging to their work be made by each Colporteur. For this purpose blank forms are supplied, which the Committee expect each Colporteur carefully to study and fill up.
7. All monthly reports shall be made up to the 25th of each month, and on that date mailed to the Corresponding Secretary for presentation to the ensuing Monthly Meeting of the General Committee.
8. All days that are not reported as spent in the service of the Society, due allowance being made for sickness or bad weather, will be deducted in the payment of the monthly stipend, unless leave of absence has been before obtained from the Committee.
9. When in the neighborhood of Branch Societies, Colporteurs are required to report themselves to the officers of the same, in order to receive from them such co-operation and advice as they may be

able to give ; and, also, to report themselves to the District Secretary whenever he may visit any part of their district, that they may have the benefit of his suggestions, and may assist him in his public meetings, etc., should he need assistance.

10. Colporteurs when on duty for the Society, are required to abstain from taking part in public political meetings or discussions, and also to avoid, as far as possible, points of controversy between different Christian denominations or Churches.

11. The general work and duties of Colporteurs are, to circulate the Word of God among all classes and creeds of the community, and, as opportunity offers, to read the Scriptures, hold religious converse and prayer with families or individuals. When the great object of the Society can be promoted by religious services and addresses to public assemblies these may be held. But in proceedings of this character the Committee desire that Colporteurs seek the countenance and co-operation of Ministers of the Gospel, without distinction of denomination.

\*\*\* Branches and agents in the country are particularly requested, when they order books from the Bible House, to Provide a Conveyance, or direct how they can be sent without delay.

SPECIMENS OF TYPE USED IN THE SOCIETY'S BIBLES AND TESTAMENTS.

DOUBLE PICA TYPE

LONDON.

O give thanks unto the LORD, for *he is good*: for his mercy *endureth* for ever. *Psalms cvii. 1.*

PICA TYPE

And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works. *Rev. xx. 13*

MINION TYPE

Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the LORD, and he will have mercy upon him; and to our God, for he will abundantly pardon. *Isai. lv. 7.*

OXFORD.

O give thanks unto the God of gods: for his mercy endureth for ever. *Psalms cxxxvi. 2.*

SMALL PICA TYPE

O Zion, that bringest good tidings, get thee up into the high mountain; O Jerusalem, that bringest good tidings, lift up thy voice with strength; lift it up, be not afraid; say unto the cities of Judah, Behold your God! *Isai. xl. 9.*

NONPAREIL TYPE

Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy path. *Prov. iii. 5, 6.*

RUBY TYPE

I was glad when they said unto me, Let us go into the house of the LORD. Our feet shall stand within thy gates. O Jerusalem. *Psalms cxxxiii. 1, 2.*

ENGLISH TYPE

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. *John iii. 16.*

BREVIER TYPE

And they came to a place which was named Gethsemane: and he saith to his disciples, Sit ye here, while I shall pray. *Mark xiv. 32.*

PEARL TYPE

How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace, that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth! *Isai. lii. 7.*

DIAMOND TYPE

Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord. *Colossians iii. 16.*
