REPORT OF THE COUNCIL
OF THE
ONTARIO RIFLE ASSOCIATION
FOR THE YEAR ENDING 31st DECEMBER, 1893.

Your Council has the honour to submit the Twenty-fifth Annual Report of the proceedings of the Ontario Rifle Association.

Owing to the fact that the Dominion Government had given possession of the garrison common ranges to the City of Toronto for Exhibition purposes in August, 1892, and that the New Rifle Ranges were not completed in October, 1892, your Council decided not to hold a match in that year.

The Annual Prize Meeting was held on Monday, 21st August, 1893 and three following days, for the first time on the new ranges (Long Branch Rifle Ranges), situated on the shore of Lake Ontario, about twelve miles west of the Union Station, Toronto. The Grand Trunk Railway provided a good railway service, viz.: six trains a day each way; the members of the Association enjoyed the advantage of a very low return rate, from the city to the ranges.

The Long Range (800 and 900 yds.) was not ready in time for the matches, and the Council decided to fire the second stage of the "Gibson" at 600 yds., 15 rounds, with same prize list as for 800 and 900 yds. This seemed to give satisfaction to the 50 competitors who were entitled to shoot in this match.

The Association is to be congratulated upon the fact that our team of eight, at Dominion Rifle Association matches at Ottawa, this year, again won the London Merchants' Cup.

The entries this year were not as large as in 1890 and 1891, but an increase may be confidently expected next year, if the matches are fired with Martini Henry Rifles only, instead of Martini Henry and Snider Rifles.

The Treasurer's Statement of Receipts and disbursements is herewith submitted.

Your Council desires to acknowledge with thanks the following grants :--

His Excellency the Governor-General, silver and bronze medals.

The Dominion Government, its annual grant of \$1,800 ; the Ontario Government, its annual grant of \$1,000 ; the Canada Company, its annual grant of \$127.75 ; and Wm. Mulock, Esq., President, a donation of \$100.

Your Council desires to thank the Press for its assistance ; the Association is indebted to the *Mail, Empire, Globe* and *World*, of Toronto ; and the *Canadian Military Gazette*, of Montreal, for full and complete reports of the matches.

Your Council desires to thank the following officers for valuable services rendered in the management of the matches, Major Mason, 13th Batt.; Major Sam Hughes, M.P., 45th Batt.; Major Macdonald, 48th Highlanders ; Major Bruce, Royal Grenadiers ; and Captain Mercer, Queen's Own Rifles, on the Executive Committee ; Lieut. The meeting discussed the matter at considerable length, when the following resolution was adopted :—

Moved by Major Mason, 13th Batt., seconded by Capt. Mercer, Q.O.R.,

“That in view of the fact that the new ranges are not ready and will not for some time be ready to be handed over to the Government, it is not considered advisable to make any arrangements at present for their occupancy and maintenance, as between the Ontario Rifle Association and the Toronto Corps, but that the arrangements hitherto in force shall prevail during the present year, it being understood that the negotiations alluded to in the resolution of the 24th October, 1892, shall be resumed and settled before next year.” Carried.

Moved by Major W. C. Macdonald, seconded by Major S. Hughes, M. P.

“That all the regular matches of the Association be fired on Nos. 3 and 4 butts, numbering from the west, and that necessary firing points be built opposite these butts so as to admit of all the targets being utilized on these two ranges for the same distance at the same time—two different matches or two different distances of the same match not to be fired simultaneously; the 400 yard range to be utilized for 500 yards extra series competition.”

The following addition to the above resolution was proposed by Major Mason, seconded by Capt. Mercer, viz. :—

“Provided that the Match Committee, after a personal inspection of the

ranges, consider the above arrangement expedient, having in view the question of danger, expense, and the nature of the ground, the Match Committee to report to the Council." Carried.

The mover and seconder of the original motion accepted the amendment as a rider to their motion.

The resolution as amended was declared carried.

Moved by Major Delamere, seconded by Capt. Mercer,

"That at all ranges over 500 yards any position be allowed, but no artificial support to the body external to the clothing be allowed." Carried.

"That recommendation of Annual Meeting August 25th, 1891 (see page 26, Report 1891) be referred to the Match Committee."

Moved by M. A. Elliott, seconded by Major J. J. Mason,

"That about \$600 be added this year to the Prize List so as to leave a reserve fund of \$1,000."

XIX.—GENERAL REGULATIONS.

The meeting will be under the direction of an Executive Committee, composed of five members of the Council, three of whom shall form a quorum, whose decision shall be final and binding in all matters submitted to them for their consideration ; but they may, at their discretion, refer any questions to the decision of the Council, in which case the decision of the Council on such questions shall be final.

The Executive Committee will meet each day at gun for "cease fire" noon and evening.

1. All competitors will be subject to the Executive Committee, Officers or Non-Commissioned Officers in charge of their respective ranges or squads, the Camp Police, and the General Regulations for the conduct of the meeting.
2. Competitors must make themselves acquainted with the General Regulations of the meeting, as also with the conditions attached to the prize or prizes for which they have entered, *as the plea of ignorance of such regulations and conditions will not be entertained.*
3. They must refer to the Notice Boards daily, and ascertain whether any orders have been issued which alter or affect the original details.
4. They must attend at the firing point punctually at the hour detailed and deliver their tickets to the Register Keeper. Unless a competitor produces his firing ticket at the firing point, he will not be allowed to fire. Should a competitor lose his firing ticket, omit to take it to the firing point, or fail to attend at the hour detailed, and so *by his own neglect* miss the opportunity given him of competing for the prize for which his ticket was issued, he shall have no claim on the Association thereunder.
5. The Matches will take place, if possible, at the time named. Any deviations from the rule will be posted on the Board at the Secretary's Office. Temporary discontinuance on account of bad weather will be at the discretion of the Executive Committee.
6. The firing will begin daily at 8.30 a.m., except on Monday when it will begin at 9 a.m., and cease when the midday gun is fired. It will be resumed at 1 p.m., and cease at 6 p.m.

7. Two guns will be fired for the firing to commence, one, ten minutes before the named hour, to warn competitors to move to the firing points: the second being the signal that firing is to begin. Two guns also at the "Cease Fire," one ten minutes before the named hour, after which no competitor will be allowed to begin his score; the second as a signal that all the scores begun before the first gun, are completed.
8. Competitors must submit their rifles and ammunition for inspection whenever required.
9. No hair triggers will be allowed.
10. Slings may be used as an assistance at all matches; but in those restricted to the Militia the slings must be of regulation length (54½ inches, not including the tongue or buckle) and pattern, and attached to the rifles, as in government arms.
11. "Blowing off" shall not be allowed at the firing points, or after competitors have taken their position for firing. Pits will be provided at places near the firing points where competitors can "blow off" before joining their squads on presentation of a "blow off" ticket, which will be sold for five cents each and will include the cost of one round of ammunition to be obtained from the person in charge, on delivery of the ticket.
12. Competitors may clean their rifles during a competition between distances only.
13. No two competitors shall fire with the same rifle in the same match (except in the "Martini-Henry Matches"); nor shall a competitor change his rifle during a match, unless it becomes unserviceable through an accident, which must be verified by the Range Officer.
14. Every competitor must enter and shoot under his own name, and unless otherwise specified, not oftener than once for any prize.
15. No member of a squad or firing party shall absent himself without leave during firing. Any competitor delaying the squad will be passed by.
16. No competitor shall load his rifle until he has taken his position at the firing point.
17. In all competitions except "The Gzowski" competitors will be formed up by threes, and fire shot and shot *alternately*, and only competitors firing will be allowed within the firing ropes. No person except the Register Keeper, or Officers on duty will be permitted to speak or offer any advice to a competitor after he has taken his place at the firing point.
18. Where only one competitor is present he must fire his shots without undue delay; but the Range Officer or some one named by him must witness the shooting and countersign the Register.
19. Register Keepers are required to call out the value of each shot fired, and the competitors must see that their scores are correctly entered on the Score Board, so that any objection to the score recorded may be investigated before the next shot is fired. The Range Officer is required to see that each score recorded on the firing ticket corresponds with that on the Score Board.
20. In individual competitions, a competitor may use a binocular or telescope, *not mounted on any kind of stand*, provided his doing so does not delay the firing.

21. Any competitor protesting against the ruling of a Range Officer, or feeling himself aggrieved in any way must make a statement of his grievances in writing, giving the names of two or more persons who can bear him out in his statements, and hand it to the Secretary; but the firing must not be delayed for that purpose.

22. No practice will be allowed on the ranges during the continuance of the meeting, either before or after the day's firing.

By Order,

W. G. MUTTON, Capt.,
Secretary.
