PREPARATORY DEPARTMENT.

This Department sustains to the University the relation of a Grammar School, and is designed to qualify pupils for the University Course, or to give them a thorough elementary training in any, or all of the following subjects, namely :—Arithmetic, Geography, History, English Grammar, Book-keeping, Algebra, Natural Philosophy, and the French, Latin, and Greek Languages.

Those presenting themselves for admission into this department must be 12 years of age, and able to pass an examination in Geography, and Arithmetic as far as fractions.

MEDICAL DEPARTMENT.

This Department will be conducted in Toronto as heretofore, and those who complete the prescribed curriculum, and pass a satisfactory examination, will receive the degree of Doctor of Medicine from the Senate of the University.

The lectures commence on the first day of October, and continue six months.

Any further information required, may be obtained by applying to the Dean of the Medical Faculty, the Hon. Dr. Rolph, Gerrard Street, Toronto.

DEGREE OF M. A.

This degree is conferred in course on all Bachelors in Arts of three years' standing, whose mental improvement and moral character have appeared satisfactory to the authorities of the University. Application must be made by letter to the President, one month prior to Convocation. The fee is the same as for the degree of B. A.

in August.

EXPENSES.

Board in College Hall, including furnished room and fuel, 12s. 6d., currency, per week; washing and lights extra.

Tuition, £3 per term, or £6 for the year. The charge is the same whatever studies are pursued.

Payment for tuition is required *in advance* for each term; for board in advance for each half term.

The charge for *incidentals* is one pound per annum, payable on admission.

Any student wishing to attend the College on a Scholarship must bring an order from the owner of the Scholarship.

No Scholarship is available unless paid up in full.

Students not having Scholarships will be charged the customary tuition fees, as specified above.

DISCIPLINE.

Students connected with the College will be expected to conduct themselves with propriety, and to observe all regulations imposed by the President and Faculty.

A record is kept of each Student's deportment, and will be furnished to parents in special cases.

Students, whose conduct or progress in study is unsatisfactory, will not be allowed to remain in the Institution.

RELIGIOUS SERVICES.

All Students are required to attend Divine Service on the Sabbath, at such Churches as their parents or guardians may prefer.

They are also required to attend daily prayers, with the reading of the Holy Scriptures in the College Chapel.

An effort is thus made to secure a healthful, moral and religious influence, but the inculcation of sectarian views will be avoided.

MISCELLANEOUS REMARKS.

No Student entering on the last term of the year is allowed to leave before the Annual Examination, except for urgent reasons; and parents are reminded that the withdrawal of their sons before the end of the Session is exceedingly detrimental both to the Students themselves and to the College.

No one is received for less than a term. Parents are *earnestly requested* not to furnish their sons with *spending money*, or at least to do so very sparingly. Compliance with this rule is of the first importance, especially in the case of younger lads.

Remittances for Board are to be sent to Captain Patterson, Steward of the Hall; other communications to the President.
