PUT MORE "PEP" IN THE CAMPAIGN!

Carleton County Must Show More Enthusiasm in Victory Loan or Lose Prestige

Two years ago the Town of Hartland and Brighton Parish led the county, and the county led the province in the matter of subscribing the Victory Loan. The present campaign offers the best and safest possible investment, and Canada at large will more than take the \$300,000,000 offered. But from present indications Carleton will fall away behind if she does not gain speed and do her part to the remaining few days that the campaign runs.

Will Carleton win the German Gun Trophy? If not, why not? Chairman T. O. Creighton writes The Observer with regard to the gun:

"I have taken this matter up with the members of the county committee, and suggested that instead of having the names of the committee and canvassers engraved on the gun, in case we are successful in winning it, that we have the names of the fallen heroes from Carleton county, who fell during the great war. The committee have agreed with me that it would be not only more appropriate, but it would also be more of an incentive for the public to subscribe toward the loan. I am enclosing you a statement of the standing throughout the county at the end of the first week of the campaign. The poor standing is no doubt due to a great extent to the fact that the recent election distracted the attention and efforts of a great percentage of our canvassers until it was over, and in some parishes they are just now getting squared away to

give the Victory Loan the required attention. I would appreciate very much if you would use the facts I have enclosed, putting them together in the proper way, and give us quite a write-up in your paper the next issue, on the general situation, with a view particularly to putting more enthusiasm into the parish of Brighton committee, as up to the present time they have not shown their usual enthusiasm and aggressiveness in this matter. I feel that if we can get the amount in the parish of Brighton which is allotted to them, we will be able to secure the allotment for the county."

Boyd-Boone Wedding

The residence of Mr. and Mrs. George Boone of Carleton was the scene of a very pretty home wedding Wednesday afternoon, Oct. 19 at 2 p.m., when their daughter, Miss Rita A. Boone, was united in marriage with Harry C. Boyd of Woodstock. The ceremony was performed by Rev. W. Norris, pastor of Knight Memorial Methodist church, the bridal party standing beneath a beautiful arch of ferns and cut flowers. They were unattended and little Miss Helen Boone, niece of the bride, acted as flower girl. The bride looked very attractive in a wedding dress of white satin and gossamer and she wore a veil of tulle, caught with orange blossoms. Following the ceremony luncheon was served by the girl friends of the bride—Miss Marie Dutch, Miss Winnifred Dutch, Miss Marjorie Morrell and Mrs. Leo McDonald. The out of town guests were Mr. and Mrs. F. M. Boyd of Woodstock and Wiley Day of Bath. The happy young pair, who are very popular among the younger set, motored through to Connecticut for a honeymoon trip, and upon their return will reside at Woodstock.

Nerves are Exhausted

When you have frequent headaches, find yourself easily irritated and annoyed, feel discouraged and down-hearted, cannot rest and sleep well, and find appetite fickle and digestion bad, you may know that the nerves are in bad condition. Don't wait for these symptoms to become chronic, but start in early with the use of Dr. Chase's Nerve Food and head off disaster.

Upper Kent Items

George Hawthorne an old and very much respected resident of this place was struck by the train and badly hurt. We are glad to say he is on the road to recovery.

Charlie Smith had his leg broken on the same day. Dr. Brown of Contraville was called and attended both cases.

James Stewart of Kilburn was calling on friends in this village on Sunday last. His horse got his leg broken, and had to be shot.

Elmer Ritchie and his bride returned home recently.

Miss Gladys Bell of Stickney has taken the school for the remainder of the term.

Rev. Samuel Perry spent a few days in Upper Kent, the guest of his son Councillor Perry.

Memorial Day

The G. W. V. Association will meet at the Armory at 10.30 Sunday, Nov. 9, and will turn up in proper marching order and proceed to the United Baptist church where Rev. E. A. Trice will conduct the Memorial service for our late comrades who gave their lives in the cause of Liberty. The service will open at 10. All returned men are requested to come and join in the march to the church. Come in full uniform if possible, but if it is not possible to come in uniform come in ordinary dress but be sure and come and march with us. We cordially invite every one who has lost a loved one. Come and let us "honor our noble dead." Who can forget them? Who can forget what they did for King, Country and loved ones!

We expect a full church.

We expect full hearts.

We expect to open our homes to the ones from afar, and make this a service to engrave its purpose on the minds of our children.

Card of Thanks

I would like through the columns of your paper to express my appreciation to my supporters who worked so willingly and faithfully during the contest in the recent by-election of Carleton-Victoria. I also wish to take this means of gratefully acknowledging the numerous congratulatory letters and messages received from all parts of Canada, as time will not permit a personal acknowledgement.

Again thanking you all, I am,

Yours truly,

T. W. OALDWELL

T. W. Caldwell and G.W.V.A.

Mr. Caldwell, the new federal member for Carleton-Victoria, met with the G.W.V.A., at Hartland just before he went to Ottawa to take up his duties. He gave a very plain address on the Farm Settlement Board and other matters of particular interest to returned men and his speech was received with interest and was much appreciated by the boys.

Operation for Appendicitis

Mrs. J. A. Ballantyne, Sturgeon Falls, Ont., writes:—"My husband was treated for appendicitis and the doctors ordered an operation. But he would not consent to an operation and began the use of Dr. Chase's Kidney-Liver Pills. Since doing so he has had no need of an operation or even of a doctor as the trouble has completely left him. I cannot find words to speak our gratitude for his cure."

A Public Appeal

I want to thank the people for their kindness and patronage in the many years I have travelled this county in the effort to make an honest living.

I have visited the people in their homes both to get work for myself and to do work for them, for quite a few years. But now my health has failed until I can no longer do this. So I would like the people to come to me as much as possible. I will appreciate very much any work sent in or any purchase made from me. I have put up a little store here in Somerville and sell Edison and Brunswick Phonographs and have a fine line of records. Sell the Aladdin lamp which gives a light very much like the electric; also have the White Light Burner that fits any ordinary lamp or lantern and is far superior to the old-style burner.

Am still at the job of enlarging and Framing Pictures, both Oval and Square styles. Have a lot of new framing material in now. I also sell Soap, Confectionery, Spices, Hygienic Books, School Supplies, etc.

Anyone wanting work done and cannot bring it to me, may leave it with T. B. Thistle at the Jewelry Store, or with R. A. Hall at the New Drug Store, Hartland. I will do the work and leave it there for them to get again. Or, send it by mail and tell me where to leave it when done. With any work so sent in please please write name and directions plainly.

Yours Respectfully

DOCTOR PRAISES ZAM-BUK

"For sixteen years," writes Dr. A. P. Shibley of Washington, D.C., "I have used Zam-Buk in my practice, and am convinced that there is nothing to compare with it for skin troubles, from roughness and irritation to chronic skin diseases. Zam-Buk, without a doubt, has wonderful curative properties, and when I have occasion to recommend a balm to my patients, I always recommend Zam-Buk. I have found the results from its use to be perfectly satisfactory."

Members of the medical profession are noted for their caution in recommending a remedy—only doing so when they have absolute confidence in it. The fact that Zam-Buk is so highly recommended by doctors the world over, and that in Dr. Shibley's experience it has stood the test of sixteen years' constant use, puts it, undoubtedly, in a class by itself.

In the home, in the office, shop and factory, on the farm and when travelling, Zam-Buk should be kept always handy. It is indispensable for all sores, eczema, boils, ulcers, blood-poisoning and piles, as well as for cuts, bruises, burns and scalds. All dealers 50¢ box.

COULDN'T LEAVE HOUSE FOR YEAR

Hamilton Tells of His Wife's
Remarkable Improvement
Since Taking Tanlac

"Last Sunday my wife was able to be out of the house for the first time in almost a year, and she wouldn't have been out then if Tanlac had not put her on her feet," is the remarkable testimony of William Hamilton who resides at 149 Preston St., Halifax, Nova Scotia, Canada.

"Mrs. Hamilton had Spanish Influenza over a year ago," she continued, "and had never been able to overcome the effects of it. Her appetite was gone completely and she fell off in weight and strength until she was frail and thin as anybody could be and still be around. Her nerves were all torn up and the least little noise would make her jump and quiver like a leaf. Many a night she has lain awake until daylight in nervous misery. She complained of dull throbbing headaches and it has made me actually suffer at times to see her so weak and run down and in so much pain. Somebody else had

to attend to the housework as she could just barely creep about the house and hadn't been able to go out-of-doors for nearly twelve months. She was confined to the bed most of the time, and even when she would get up in her room for a while, she really ought to have been in bed.

"It sure was a surprise to me to see her build up the way she has since she started taking Tanlac. Her appetite is just fine now, why, she told me the other day that if she kept on, she would eat us out of house and home. Every day she seems stronger and more like her old self and she never complains of being tired and weak and run down anymore. Last Sunday she went out for a long walk with me for the first time she's been out of the house in nearly a year. She seems like a different person and is beginning to feel that her troubles are all over. Tanlac is the only thing that ever did her any good, and we both are happy as we can be over the way she has recovered her health since she has been taking it and we are glad to recommend it all the time."

Tanlac is sold in Hartland by Estey & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centre-

vile by Stevens Bros. in Woodstock by E. W. Mair, in Benton by W. E. Porter, in River de Chute by Daniel B. Baird, and in Florenceville by A. B. Lovely and in Bath by Bath Drug Co.

A Good Investment

Speculation is one thing, investment is another. The majority of citizens want an investment, not a speculation. And they want a safe investment. Victory Bonds fill that requirement as does no other investment. Because behind every bond there is the national wealth of Canada—a wealth so great that it staggers the imagination.

Canadian Bank Clearings

That Canada is well able to support the Victory Loan is clearly shown by the Canadian bank clearings for the current year. They indicate that the year's total will exceed \$15,000,000,000 compared with \$13,774,000,000 in 1918. And the year's total clearings should be three times those of 1909.

Must Subscribe More

Dividing the people of Canada into three classes—the comparatively poor, the moderately wealthy, and the very wealthy—it would seem that if contributions to the Victory Loans constitute service to the nation, the moderately wealthy class is hardly doing its share. Of the money subscribed to the Victory Loan 1918, two hundred and seventy-one million dollars were in bonds of \$5,000 and under, ninety-four millions in bonds of between \$5,000 and \$25,000, and three hundred and one millions in bonds of \$25,000 and over.

Sure it Was His Fault
"Say, what's the matter with you fellows?" snapped the dance manager. "You've played three pieces all evening. What's the big idea?"
"It's your own fault, friend," responded the trap drummer. "You asked for a three-piece orchestra, didn't ya?"

A Soft Answer

"See here, John!"
"What?"
"Mother noticed you downtown today and you were looking at every pretty girl on the street."
"There were none in your class, dearie. I made careful comparisons."

Figure It Out

"I hope the critics didn't roast the play I wrote for Miss Fribbels."
"I dunno whether you'd call it a roast or not," responded the Old Codger. "They agree that it serves admirably as a vehicle for her lack of talent."

Only a Few Eccentrics

"Everybody knows about it. Some people take her part and some take her husband's part."
"And I presume there are a few eccentric individuals who mind their own business."—London Tit-Bits.

THERE IS ONLY ONE GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all.
Your druggist gladly will give you the genuine "Bayer Tablets of Aspirin" because genuine Aspirin now is made by Canadians and owned by a Canadian Company.

There is not a cent's worth of German interest in Aspirin, all rights being purchased from the U. S. Government. During the war, acid imitations were sold as Aspirin in pill boxes and various other containers. But now you can get genuine Aspirin, plainly stamped with the safety "Bayer Cross"—Aspirin proved safe by millions for Headache, Toothache, Earache, Rheumatism, Lumbago, Colds, Neuritis, and Pain generally. Handy tin boxes of 12 tablets—also larger "Bayer" packages.
Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monocetateidester of Salicylic Acid.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderrine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp, of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderrine, applied every time you wash your hair, will surely save your hair.
Get a small bottle of Kanawon's Danderrine from any drug store. You may see how beautiful hair and scalp of it if you will just try a little Danderrine. Save your hair! Try it!

A Second Word To All New Brunswickers

In my appeal to you a few days ago I sought to show you that self interest was a compelling reason for aiding the 1919 Victory Loan. Today I ask you to consider an equally compelling reason, the obligation of Self Respect in maintaining our obligations. War forced our government to make enormous expenditures, assume tremendous responsibilities and incur immense obligations. Among these obligations were:

The cost of bringing our soldiers home and paying them until discharged, including hospital and medical attendance.....	\$200,000,000
War gratuities to our soldiers still unpaid.....	61,000,000
Vocational training and medical attendance for returned soldiers after discharge.....	88,000,000
Loans to returned soldiers for stock and implements to enable them to settle on the land.....	24,000,000
	\$318,000,000

Every Dollar of this total of \$318,000,000 is a direct obligation of the war.

That Two Hundred Million spent to bring the boys home should be cheerfully provided but not more cheerfully than the hundred and eighteen millions which is to be spent in fulfilling our promises, in meeting the obligations assumed when they went overseas.

The Debt of Honor is a debt that must never be questioned and no debt of honor has the appeal of that of Canada to her gallant sons. There is only one way to meet it. Subscribe to the limit for Victory Bonds. Self Respect demands that of us.

Chairman Provincial Executive,

GUARD THE CHILDREN FROM AUTUMN COLDS

The Fall is the most severe season of the year for colds—one day is warm, the next is wet and unless the mother is on her guard the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mothers' best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose will prevent colds or if it does come on suddenly the prompt use of the Tablets will quickly relieve it. The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

Rev. C. H. Orser.

Rev. C. H. Orser died at the home of his sister, Mrs. Martha Nevers, Hartland, on Oct. 20, of heart failure in the 77th year of his age. He professed religion early in life and was baptized by the Rev. G. W. Orser. At the age of 21 was married to Miss Permelia E. Shaw, and to this union were born twelve children, seven sons and five daughters, but only four of the sons are alive. The mother, the five daughters and three sons died some time ago.

He entered the ministry in 1873 and was ordained at Carlisle in March, 1874, where he commenced the 40 years of his ministry. At his own request the funeral services were held at Hartland and conducted by Rev. P. J. Quigg, assisted by Rev. A. Hatfield, J. M. Mallory, G. A. Giberson, J. Sprague and H. V. Bragdon. After the service at Hartland the remains were taken to Mars Hill where another service was held conducted by Rev. Urish Kiloolilins. He was an honorable

negotiated for the most part, contented himself with simply carrying out what might be called an offensive-defensive with a view to containing this turbulent people to their mountains. One state after another fell before the Turk, Bosnia, Herzegovina, Albania, the Venetians at Scutari, but Montenegro successfully resisted all attempts at conquest. Even Napoleon was unable to conquer the Black Mountain.

And so when the Balkan League was formed, in 1912, and its great war on Turkey launched, it was the unconquered and unconquerable Montenegro that fired the first shot, as it was Montenegro that set all the powers at debating when, after the most delightful "arrangement" with the Turkish commander, it insisted on retaining possession of Scutari.

At the outbreak of the great war, in the August of 1914, Montenegro immediately threw in her lot with Serbia, and, once again, for some months, resisted Austria as successfully as she had resisted the Turk. In the autumn of 1915, however, when Serbia was finally overrun by the Austro-German forces, the fall of Montenegro before any determined advance by these forces appeared certain, and in the first days of the new year the end came. The Austrians captured the "impregnable" Mt. Lovcen, which for so long had threatened and dominated their great harbor of Cattaro. It is still contended by many that this was not altogether a "feat of arms, but, however this may be, once taken, the submission of Cetinje and the rest of the country was inevitable. The King and his family went into exile, and Montenegro, like the rest of the overrun lands, waited for the victory of the allies. As to the union of the country with Serbia, it had been advocated, and had gained a large measure of approval, in both countries long before the war. King Nicholas and his party have steadily opposed it, in any sense that would involve the suppression of the dynasty, but the Montenegrins themselves have apparently been leaning more and more towards this solution of the matter, and now at last if the message from Belgrade proves well founded, a definite decision has been taken.

member of the Oddfellows and the order was present with their solemn and impressive burial service. The remains were carried by his four sons and laid to rest in the cemetery at Mars Hill beside his wife and children that have gone on before to await the morning of the resurrection. Bro. Orser will be much missed as he made many warm friends during his ministry who stood around him in the battle of life and especially missed by the Primitive Baptist ministry as he has been their leader for a number of years. Besides his four sons he leaves to mourn, one brother, Edward Orser, now in the 83rd year of his age, and three sisters: Mrs. Neil Pratt of Carlisle, Mrs. Martha Nevers, Hartland, with whom he died, and Mrs. Hannah Campbell of Boston; besides a large number of other relatives and friends.

Anyone wishing a more detailed statement of his life and works may have the same by applying to Rev. P. J. Quigg, Pastor.

Dauntless Montenegro Dethrones Old Monarch And Forms New Kingdom

THE announcement from Belgrade to the effect that the Grand National Assembly of Montenegro has proclaimed the union of that country with Serbia and, consequently, with the new kingdom of the Serbs, Croats, and Slovenes, signifies the coming to an end, as a separate state, of one of the most picturesque of the minor European kingdoms. It is true that Montenegro has never been taken very seriously as a "power," that Europe has been wont to regard its claims to sovereignty and its patriarchal king with much the same indulgence it might extend to a time-honored tradition. The fact, however, remains that the sturdy people of the Black Mountain, whose fathers, centuries ago, preferred the freedom of the hungry hills to thralldom under the Turk in the plains, had never until recently been conquered. After the decisive battle of Rososvo, almost exactly 539 years ago,

KING NICHOLAS.
When the power of Serbia went down before the oncoming Ottoman tide, George Balsha, the ruling prince of the Zeta, withdrew to the mountains of the northwest, and his territory became an asylum for all the Serbs who were outlawed or persecuted by the Turkish conqueror. Balsha refused all submission, even nominal, and the long-drawn-out struggle with Turkey began. The Turk quickly conceived a wholesome dread of the great hills and narrow valleys of the rock-bound country, and, although he often searched against the Monte-

Commenting on their behavior an old timer remarked that "the kids of this generation don't know the first word of Halloween devilry" and he proceeded in dramatic style to recall some of the high doings of the old days "when boys were boys."

WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winnipeg, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERTA SUTHER, 608 Ontario St., Winnipeg, Minn.

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Galt's experience, and take this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

GENERAL DEBILITY FOLLOWING INFLUENZA

Strength Can Only Be Regained by Enriching the Blood.

Following a wide spread epidemic of influenza, general debility is on the increase, and its effects may be noticed in the worn listless appearance of so many men and women you meet. Influenza always leaves behind it impaired vitality, and with the modern conditions of life that use up nerve force so rapidly, general debility becomes one of the most common maladies. The symptoms of debility vary, but weakness is always present. There is poor digestion, languor, weak, aching back, wakefulness at night, often distressing headaches and a feeling of fatigue. These symptoms indicate impure and impoverished blood. It is significant of nearly every attack of influenza that it is followed by anemia and debility.

For all such run-down conditions, new blood is the most reliable cure. Sufferers should begin at once to make thin blood rich and red with Dr. Williams' Pink Pills. Under a fair treatment with this medicine they will realize more and more the health restoring influence of good rich blood and how this new blood brings a feeling of new strength and increased vitality. Proof is given in the case of Mrs. G. Robertson, Winnipeg, Ont., who says: "When the Spanish influenza spread over our town I happened to be one of the first attacked, and the attack was a very severe one, and worse still the after effects of the trouble left me in continuous misery. I had severe pains in my side, felt low-spirited, and with no ambition whatever. My head ached almost continually, my eyes felt heavy, and pimples broke out on my face. I was advised to try Dr. Williams' Pink Pills, and after taking them for a time I felt like my old self able to do my household and feeling well and strong. I am strongly recommend Dr. Williams' Pink Pills for the serious effects of influenza as I am sure they will restore all sufferers to good health." You can get these Pills through any dealer in medicine or by mail, postpaid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The annual meeting of the Centreville Branch of the U.F. of N.B., will be held in the Farmers' Hall on Saturday, Nov. 8 at 7.30 p.m. F. W. Simonds, sec.

COPENHAGEN CHEWING TOBACCO

Copenhagen is used differently from ordinary chewing tobacco. Take a small pinch, for a start, and put it between the lower lip and gum, in the centre. Afterwards you can increase the size of the pinch to suit the strength of the chew you desire. Copenhagen is strong because the tobacco of which it is made is cut into fine grains, which retain its strength thoroughly and quickly. Hence, a little "pinch" goes a long way, showing that Copenhagen is not only an extremely economical but also one of the finest quality, being made of the best, old, ripe, high-flavored tobacco.

The proceeds of the Loan will be used to pay indebtedness incurred, and to meet expenditures to be made in connection with demobilization (including the authorized war service gratuity to our soldiers, land settlement loans, and other purposes connected with their re-establishment into civil life), for capital outlay upon shipbuilding, and other national undertakings forming part of Canada's industrial reconstruction programme, and for the establishment of any necessary credits for the purchase of grain, foodstuffs, timber and other products, and will be spent wholly in Canada.

10% on application; Payment to be made as follows: 20% December 9th, 1919; 30% January 9th, 1920; 20% February 10th, 1920; 30% March 9th, 1920.

The last payment of 31.25% covers 30% balance of principal and 1.25% representing accrued interest at 5½% from November 1st to due dates of the respective instalments.

A full half-year's interest will be paid on May 1st, 1920, making the cost of the bonds 100 and interest.

Subscriptions may be paid in full at the time of application at 100 without interest, or on any instalment due date thereafter, together with accrued interest at the rate of 5½% per annum.

This Loan is authorized under Act of the Parliament of Canada, and both principal and interest are a charge upon the Consolidated Revenue Fund.

The amount of this issue is \$300,000,000, exclusive of the amount (if any) paid for the surrender of bonds of previous issues. The Minister of Finance, however, reserves the right to allot the whole or any part of the amount subscribed in excess of \$300,000,000.

Payments

All cheques, drafts, etc., covering instalments are to be made payable to the Credit of the Minister of Finance. Failure to pay any instalment when due will render previous payments liable to forfeiture, and the allotment to cancellation. Subscriptions other than those paid in full on application must be accompanied by a deposit of 10% of the amount subscribed. Official Canvassers will forward subscriptions or any branch in Canada of any Chartered Bank will accept subscriptions and issue receipts.

Subscriptions may be paid in full at time of application at 100 without interest, or on any instalment due date thereafter, together with accrued interest to time of making payment in full. Under this provision, payment of subscriptions may be made as follows:

If paid in full on or before November 1st, 1919, per without interest or 100%.

If remaining instalments paid on Dec. 9th, 1919, balance of 90% and interest (\$90.55 per \$100).

If remaining instalments paid on Jan. 9th, 1920, balance of 70% and interest (\$70.84 per \$100).

If remaining instalments paid on Feb. 10th, 1920, balance of 50% and interest (\$51.08 per \$100).

If remaining instalment paid on Mar. 9th, 1920, balance of 30% and interest (\$31.21 per \$100).

Payment of instalments or payment in full after November 1st, 1919, can be made only on an instalment due date.

Denomination and Registration

Bearer bonds, with coupons, will be issued in denomination of \$50, \$100, \$500, and \$1,000, and may be registered as to principal. The first coupon attached to these bonds will be due on May 1st, 1920.

Fully registered bonds, the interest on which is paid direct to the owner by Government cheque, will be issued in denominations of \$500, \$1,000, \$5,000, \$10,000, \$25,000, \$50,000, \$100,000, or any multiple of \$100,000.

Payment of Interest

A full half-year's interest at the rate of 5½% per annum will be paid May 1st, 1920.

Subscribers must indicate on their applications the form of bond and the denominations required, and the securities so indicated will be delivered by the bank upon payment of subscriptions in full.

Bearer bonds of this issue will be available for delivery at the time of application to subscribers desirous of making payment in full. Bonds registered as to principal only, or fully registered as to principal and interest, will be delivered to subscribers making payment in full, as soon as the required registration can be made.

Payment of all instalments must be made at the bank originally named by the subscriber.

Non-negotiable receipts will be furnished to all subscribers who desire to pay by instalments. These receipts will be exchangeable at subscriber's bank for bonds on any instalment date when subscription is paid in full. All receipts must be exchanged before 1st June, 1920.

Form of Bonds Interchangeable

Subject to the payment of 25 cents for each new bond issued, holders of fully registered bonds without coupons will have the right to convert into bonds with coupons, and holders of bonds with coupons will have the right to convert into fully registered bonds without coupons, at any time, on application to the Minister of Finance or any Assistant Receiver General.

LOCAL AND PERSONAL ITEMS

The witches and ghosts of the
vicinity, old and young of 101
pounds over and under, made
merry in the opera house on Fri-
day evening at a Hallow'e'en
party given by the members of St.
James Episcopal church. The
hall had been prettily and appro-
priately dressed in Hallow'e'en
garb with a profusion of ever-
green, Japanese lanterns and
Hallow'e'en favors. Guests of all
ages began to arrive at 8 o'clock
and were greeted on all sides by
spooky ghosts and cadaverous
witches. At 8:30 o'clock the
party was called to order and the
following programme cleverly
rendered: Opening chorus by
Witches and Ghosts, Pantomime
Drill by Ghosts and Witches,
Farce, "The Haunted House" by
Miss Irvine and Hugh Peppers,
Solo by Rev. J. Rees-Jones,
Farce, "Murder Will Out" by
Messrs. Peppers, Wilkinson
and Lee, and Misses O'Hara, Pe-
ppers and Lee. Closing chorus by
the Ensemble. Following the
programme a most delicious line
of refreshments was introduced
to which all present did full jus-
tice and heartily enjoyed. The
remainder of the evening was
given up to promiscuous merry-
making. The chief attractions
were a fortune teller's retreat in
a Sylvan dell, where one could
find out what they had done, had
not done, were and were not go-
ing to do for a lifetime, and a grab
bag in the form of a witch's cal-
dron where you were liable to get
something or nothing by gam-
bling a dime. The evening was
most pleasantly spent and the
handsome little sum of eighty dol-
lars was netted for church pro-
ceeds.
