"On 31 March 1945 I was commander of 13 platoon "C" Company, THE QUEEN'S OWN CAMERON HIGHLANDERS OF CANADA. A plan of attackon a cross-roads had been formed by the Company Commander, and I had gone forward on recce. I came back and stopped about 100 yards in front of my platoon I shouted for the platoon to advance and follow me. There was considerabl hesitation and loss of time. The Section Commanders were having trouble getting the men to move. Finally the platoon came up, minus two men one of these men was L.107194 Pte.Dyck, G. whom I now recognize, I saw the CSM shouting at them after 13 platoon move off, so I left L.107 194 Pte. Dyck, G., and the other man to his discretion. I gave no permission to any man to remain out of the attack on the cross roads.

PLEA OF MITIGATION OF PUNISHMENT By Defending Officer

Mr. President, Members of the Court:-

In behalf of the accused, I would like to place before you one or two outstanding factors which might be given your consideration in passing sentence on charge of which the accused is found guilty. In evidence submitted, it has been brought out that prior to this charge, the accused and members of his platoon had been subjected to heavy fire repulsed and forced to lie in ditch on side of road, awaiting reorganization of his coy.

Further evidence indicated that at no previous time had this man shown tendencies of cowardice and I feel that this young man being confronted with these conditions became mementarily afraid for his personal welfare and felt that he was not capable of carrying on with rest of his platoon. Fact that platoon commander was not in close contact with his platoon at time in question, did not give him an opportunity to prevent his feeling to his platoon commander and receive reassurance from him. Had this been possible, this youth, he is till a yo th, has a future to face and I feel that at this period, an unduly heavy sentence might influence and prejudice his outlook socially when he returns to a civilian status.

Therefore, I ask you to keep this in mind when weighing the evidence and dealing out punishment.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s).(1) and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charges, to call witnesses as to character and make an address in mitigation of punishment.(2)

(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. No - Sir.

(1. *RP 37(B).* 2. *RP 37(D) fn 6.* 3. *RP 35(B) fn 5 para 3, MML p. 54 para 47.* 4. *See para E3 of Record Form E.* 5. *Statement, if any, recorded per Notes.*)

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)

(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)

(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by one of paras D1 to D8 inclusive of Record Form D on p 3.* *RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination : and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused : Do you wish to make a statement ? Ans .....[5]

(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.[1]
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by one of paras D1 to D8 inclusive of Record Form D on p 3. D5. President to accused : You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ? Ans Yes I wish to give evidence on oath.

RECORD FORM E—PROCEEDINGS ON CONVICTION BEFORE SENTENCE.

E1. President to accused : Do you wish to give evidence yourself or to call any witnesses as to your character ?[1] Ans No I do not.

STATEMENT COVERING REQUEST FOR ADJOURNMENT: FROM DEFENSE COUNSEL FOR H-16699, A/CPL. DYER, G. L.

24 hours

Defence respectfully requests adjournment on the following grounds:-

(1) Defence Counsel was warned of his duties at about 1000 hrs. 12 Aug., and at once interviewed the accused, and examined all papers relative to the case which had been given to the accused.

(2) The Summary of Evidence refers to EXHIBIT "A", but the accused was not given a copy of this exhibit, although it appears to be the most vital piece of evidence on which the Prosecution should base its case.

(3) At 1140 hrs. 12 Aug. defence counsel went to the office of the Legal Officer and requested a

copy of Exhibit "A". No copy was available. A sergeant employed in Legal Office promised to provide defense counsel with the required copy as early as possible.

(4) At 0820 hrs. 14 Aug., defense counsel was warned that court-martial proceedings would commence at 1000 hrs. 14 Aug.

(5) Up to the time of this writing (0945 hrs, 14 Aug.) defense counsel has NOT received copy of Exhibit "A".

(6) It being an imposition and obstruction to the defense to have had such delays, the defense hereby states its inability to conduct adequate defense until such time as defense counsel is provided with all available means of preparing its case.

J. F. Gonder Capt.
Defense Counsel

(7) Up until 0955 hrs. 14 Aug. the accused had not been medically examined nor provided with a report. R. P. (836) has been duly apprised of 14th Aug. D. R.

FIRST WITNESS
FOR THE
PROSECUTION, having been duly sworn, states:

"I am Lt-Col G.F. Clingan, Comd "H" Wing, 6 CIRU;"

Q. Do you recognize the accused?
A. I do not. To the best of my knowledge, I never saw the accused before.

Q. Will you tell us what happened on the night of 29-30 Jul 44?
A. On the night of 2930 Jul 44, at approximately 0010 hrs, I was returning to Camp accompanied by Capt Ackerman. We were on foot. At approximately half way between the main gate and No. 1 Camp, we were overtaken by a 5 cwt car without a top travelling at a high rate of speed, which I estimated at the time to be approximately 40 m.p.h. The night was quite dark and there were a number of men on the road. As the speed limit within the camp area is 15 m.p.h., we stopped at the Transport Office to check which vehicle this might be. We were assured that no vehicle on charge to 6 CIRU was authorized to be out. As I considered the car to be driving at a dangerous speed, I instructed Capt Ackerman to ascertain, if possible, the number of the car and the name of the driver.

CROSS EXAMINED BY THE DEFENDING OFFICER

Q. Do you recognize the accused?
A. I do not.

Q. What is the speed limit in this Camp area?
A. 15 m.p.h.

Q. Are you cognisant with 6 CIRU Standing Orders?
A. Signs within the Camp say: 15 m.p.h. speed limit.

Q. Have you seen such signs?
A. Yes.

Q. On the night in question, on what side of the road were you walking?
A. On the left side of the road.

Q. How was visibility on the night in question?
A. The night was dark.

Q. Considering the darkness of the night, do you think your own judgment was just as clear as it was possible to be.
A. I have said that I estimated the speed of the vehicle at 40 m.p.h.

Q. What distance do you judge you were from Camp entrance when the car passed you.
A. Approximately half way between the Camp gate and No. 1 Camp.

Q. Could you be more specific?
A. I estimate the distance between the main gate and "A" Wing office as 600 yards. I was approximately 300 yards from the main gate.

Q. Are you thoroughly familiar with the road in question?
A. Fairly well.

Q. Do you admit that there is a sharp up-hill left hand turn a few hundred feet inside the main gate?
A. Quite.

Q. Do you know if 6 CIRU authorizes employment of vehicles used by the Provost?
A. I do not.

R.P. 83 (2) has been complied with.

15th Aug 44 2.
P.P.

SECOND WITNESS FOR THE PROSECUTION, having been duly sworn, states:

"I am A/Capt J.H. Ackerman, Administration Officer "H" Wing, 6 CIRU":

Q. Do you recognize A/Cpl Dyer as being the accused?
A. Yes.

Q. Will you tell us what you saw on the night of 29-30 Jul 44 at approximately midnight?
A. On the night of 29-30 Jul 44, at approximately midnight, I was returning to Camp from Otley. At about half way between the main gate and No. 1 Camp, a 5 cwt vehicle passed us. I would estimate that the vehicle was travelling at approximately 40 m.p.h. There were a lot of soldiers on the road at that hour. With Colonel Clingan, I stopped at the Transport Office in order to find out which 5 cwt vehicle had authority to be out of Camp, with a view of finding the driver. We were informed by the Transport Office that neither of the two 5 cwt vehicles belonging to the Unit had authority to be out of Camp.

CROSS EXAMINED BY THE DEFENDING OFFICER

Q. Did you see the accused just after midnight on 30 Jul 44?
A. I did not.

Q. How was visibility on the night in question?
A. It was very dark.

Q. On your latter enquiries, in connection with this vehicle, did you consult Camp Standing Orders as regards the speed limits?
A. Speed limits have been published in Part I Orders, in Camp Standing Orders, and there are signs on the road.

Q. Do you recognize this (presenting a paper)?
A. This is Camp Standing Orders, made up in Whitley Camp. They do not apply to this Camp in particular.

QUESTIONED BY THE COURT

Q. What investigation did you make after you went to the Transport Office?
A. The following morning, Colonel Clingan asked me to find out, if possible, who the driver of the vehicle was that had passed us the previous night. I went to the Transport Office again and had the records checked to verify the information I had received the night before. I again received the answer that no 5 cwt vehicle had been authorized to leave Camp by the Transport Office, 6 CIRU. Knowing that the Medical Officer had a 5 cwt vehicle for his personal use, I checked with the M.O. and also with the driver, and was informed that this 5 cwt had not been out of Camp. I then went to "A" Wing office and was told that No. 2 Detachment 7 Provost Company was in possession of a 5 cwt vehicle. Accompanied by Lt L.G.R. Smith, I proceed to the place where the Provost vehicles are usually kept and found a 5 cwt vehicle. I heard Lt Smith ask for the Provost Sergeant and question him as to whether the 5 cwt vehicle which apparently belonged to 7 Provost Company had been out of the Camp the night before. I heard the Provost Sergeant ask several men who were standing near us if the 5 cwt vehicle had been out and one of them answered "Yes". I then heard Lt Smith ask the Provost Sergeant to find the driver, and a few minutes later, Cpl Dyer came out. Cpl Dyer stated he had had the vehicle out the night previous and had returned to Camp just after midnight.

15th Aug 44 P.R.

Q. Did you make any personal check at the main gate to see if a 5 cwt vehicle had passed the gate?
A. I did.

Q. What did you find out?
A. I asked "A" Wing to find out the name of the Guard at the gate at 0010 hrs 30 Jul 44. The name given to me was Pte Allard. I asked to see him but at that time, he was not in Camp. I interviewed Pte Allard the following morning and asked him if he was at the main gate at 0010 hrs 30 Jul 44. The answer was "Yes". I then asked him if a 5 cwt vehicle had entered Camp at approximately 0010 hrs and again the answer was "Yes".

Q. Did you ask Pte Allard if he had checked the WD number of the vehicle when it stopped at the gate?
A. I did not ask him if he had checked the number. He did tell me that the vehicle had stopped.

Q. Did you verify the WD number?
A. I understand they do not always take down the number when the vehicles go in and out at the gates.

Q. Did you ask Pte Allard if it was a Provost vehicle?
A. Yes.

Q. What did he say?
A. He said "Yes".

RE-CROSS EXAMINED BY THE DEFENDING OFFICER

Q. Is it true that carrying out the instructions given out by Colonel Clingan, you gathered all the information you could find and presented it to Colonel Clingan?
A. I turned in all the necessary information.

Q. Did you ask Pte Allard whether he saw the accused that night or not?
A. No, I didn't consider it necessary.

Q. Did you question Pte Allard before or after Cpl Dyer admitted having had the vehicle out?
A. After.

R.P. 83 (B) has been complied with.

THIRD WITNESS
FOR THE
PROSECUTION, having been duly sworn, states:

"I am Pte Allard, R.P., Number D.163131, attached to "A" Wing, 6 CIRU".

Q. After midnight between 29-30 Jul 44, did you see a 5 cwt vehicle come into Camp?
A. The MP's car, a jeep, stopped at the gate. I checked the work ticket and when I saw that it was correct, I let it pass.

Q. Do you remember having seen the accused in charge of the vehicle?
A. The only thing I remember is that he was a Corporal.

Q. After his entry in the Camp, did you notice the speed of the vehicle?
A. About ten to fifteen m.p.h. when he started moving.

CROSS EXAMINED BY THE DEFENDING OFFICER

Q. When you examined the work ticket, did you recognize the accused?
A. No.

Q. Between midnight and 0015 hrs on the night in question, were there any other military vehicles stop at the main gate?
A. Yes, a staff car and trucks.

Q. During this same period of time, did you stop any other 5 cwt vehicles?
A. No.

Q. At the time you saw the 5 cwt vehicle drive away from the main gate, did it seem to be under control?
A. Yes.

QUESTIONED BY THE COURT

Q. Are you sure you recognize the accused as being the driver of the 5 cwt vehicle you stopped at the main gate?
A. I noticed the stripes, but not the face.

Q. Are you sure the 5 cwt vehicle stopped, or did it just slow down?
A. It stopped.

Q. Do you check the work tickets when vehicles go out and in?
A. Yes.

Q. Did you check this work ticket when the vehicle came in?
A. Yes, I checked the number of the vehicle and the place.

R.P. 83 (B) has been complied with.

Submission by the def. Officer
to establish a prima facie case. (P.B.)

194

The Defence requests the Court to dismiss this case because evidence is insufficient to establish a prima facie case, for the following reasons:

The Prosecution has failed to prove beyond any reasonable doubt that the accused, Cpl. Dyer, has any connection with a vehicle driven at an excessive rate of speed.

The Prosecution has failed to prove that any person positively saw the accused, Cpl. Dyer, anywhere on the night of 29-30 Jul/44.

With reference to the Prosecution's claims through the evidence submitted by Pte. Allard, the Court is reminded that Pte. Allard stated on oath that there were other military vehicles at the gate from 2359 hrs. 29 Jul to 0015 hrs. 30 Jul., but that he failed to recognize or identify the driver

of any ~~that~~ which 5 cut car passed through the main gate during this period. He also states that this particular car was in good control, not driven at any excessive speed.

Summing up for the Defense

The accused has pleaded NOT GUILTY to two charges. Let us consider the charges first and then the evidence.

The first charge specifically contains tow significant facts: (a) Within Camp Area (b) 10 miles per hour.

(a) WITHIN CAMP AREA. Evidence has been produced that there is some doubt as to what particular area is referred to. The prosecution very cleverly rummages through Unit Standing Orders to produce an appropriate sub- paragraph which can be incorporated within the implications of a serious charge; but it fails to notice that the said Standing Orders refer specifically to an area covered by Map Sheet No 124, some hundred of miles away from the Unit's present location. Possibly this blunder is less the fault of the Prosecution than of the unit itself. Whatever motives either the prosecution or the unit may have had in this matter they have produced a highly ambiguous means of pinning down their victim.

(b) 10 MILES PER HOUR Again the prosecution employs a categorical ruling, unequivocal and precise in itself, but inappropriate to existing regulations, because it is rendered void by accepted, prominently displayed restrictions. It has already been demonstrated that Unit Standing Orders are not up to date. Further evidence proved that the Unit ingraciously contredicts itself by displaying unmistakable signes for the benefit of military drivers. Whereas the Standing Orders stick to 10 miles per hour, the signs at the main camp entrence and within the camp itself, boldly tell the world that the speed limit is 15 miles per hour. How then does the Unit propose or expect to enforce it's unique traffic control system.

On the basis of ambiguity alone, the first charge defeats itself, for the charge as worded cannot convict the accused, because it cannot be proven beca se what it seeks to establish bears no reference to anything that happens here and now, or a a week or tow ago. In short, the Prosecution propounds a paradox, nothing else.

As regards the second charge, we have to contend with a more insiduous phrase - AN EXCESSIVE RATE OF SPEED. Enough has already been said to nullify the existence of any definite speed limit in the present area. It is necessary, there fore to establish w what is an excessive rate of speed. A recapitulation of the evidence will determine the answer to that.

In summing up the evidence the salient facts are these : -

The prosecution has not produced a single witness who positively saw the accused on the night in question. Practically all witnesses state it was a very dark night, and yet the Prosecution claims that two witnesses actually saw a 5 cwt car being driven at 40 m p h. Such a statement is out of all reason, neither is it verified by any evidence; but since the accused, after having performed his normal duty, was know to be in the neighbourhood at the time, he was charged with an offence.

The responsibility and experience of the accused proves his reliability, but he is thought by the Prosecution to be a dangerous, irresponsible character. Nothing has been produced to support such a supposition.

In view of the week evidence of the prosecution, and the ambiguity of existing speed regulations, the defence hopes and trusts that the Court will find the accused NOT GUILTY.

R.P. 83(b) have been duly complied with.

Signed. H.B. Gonder Capt

D Examples may be given.

Summing up by the (1) Prosecution 15 Aug 44 JLB.

Two witnesses have stated that the vehicle was travelling at approx 40 M.P.H. in the camp area. Such a speed, even if held only for an instant is sufficient to constitute a breach of Camp Standing Orders which limit the speed of Vehicles to 10 m.p.h. The opinion of the witnesses that the speed limit in camp is 15 m.p.h in no way alters the case. Further, I submit to the court that a speed of as low as 11 m.p.h., if proven would equally establish the guilt of the accused. For this reason I would ask the court to accept the statements of Lt Col Chapman and Capt Ackerman that the speed was approx 40 m.p.h. as proof that the vehicle was going at considerably more than 10 m.p.h.

The third witness Pte Allard agrees that a 5 cwt belonging to the Provost Corps driven by a Corporal entered the camp just after midnight 29-30 July 1944.

Capt Ackerman has investigated and, I believe, supplied sufficient

testimony to establish that Cpl Piper must have been in charge of the vehicle at the time.

The defence has attempted to prove that the accused drove cautiously. To have driven cautiously does not mean necessarily that the vehicle did not exceed the speed limit as laid down by the Camp standing orders. The defence grasps the fact that the standing orders were originally designed for an area some hundreds of miles from here. This only a technicality and it is pointed out that the map quoted on the orders does not alter the fact that the orders still apply to #6 C.I.R.U. While it exist as a camp covering a relatively large area and made up of a large number of huts connected by Avenues over which traffic must be controlled. Further, the accused admits that the passengers he picked up had to be in their respective camps as close to 12 o'clock as possible. This would supply a reason to step up his speed. It is admitted by the prosecution that

Cpl Dyer was not sure (Due to D.R.
darkness) by the prosecution witnesses.
But there is no doubt that he drove
the vehicle and that the vehicle
was seen travelling at an excessive
speed. & therefore I ask that he be
found guilty as charged

Plea of Mitigation

At such a time as this considering the stage at which court procedures have reached, the defence has no right or reason to attemp to submit further evidence. The object of this speech is to plead for mitigation. The grounds on which this plea is made are: the record of service and conduct sheet of the accused clearly show that he has been a trusted and valuable soldier and NCO. The action of unit comds which although Cpl Dyer was awaiting trial in a court martial, nevertheless trusted him to carry out his duties freely is an action which somewhat belatedly indicates this unit's appreciation of this NCO. Since the value of Cpl Dyer is thus indicated we plead for special consideration which will encourage him to remain a loyal, obedient and dependable soldier in the preformance of his duties, in spite of this court martial.

The plea is made ofr yet another reason: that the unit has already been harsh in the treatment of his case. The court is of the opinion that action is justifiable against the accused. If this is so it is also true that this case could have been dealt with by a senior officer in this unit, without recourse to a court martial. It is logical to assume that this unit's primary function is to prepare soldiers for the battle field, where Canadians are fighting and dying to-day. Therefore time is valuable or should be in this unit. Yet the unit appears to institute proceedings which involve labour, presonnel and time within and without the unit, rather than exercise it's own power to check a supposed offence on the part of a single solitary soldier. In spite of the prostitution of valuable time which this unit authorized and abetted, the unit has none the leass not found time to render it's orders compatable with common sense.

It is a sad irony that only in a court martial does a soldier dare to criticize unit orders which coerce or embarass him, and he can only do so then because he is fighting for the sake of his reputation and his record which would ultimately affect his civilian career.

The existing provost section attached to this unit has materially reduced the shocking number of court martial involved within this unit. The accused is a member of this provost section and he went out of his way to prevent tardy soldiers from getting into trouble. We beg to plead that circumstance in mitigation also, for it is a pity that he should have been accused as a result of a kind hearted action on his part. Such experiences as can be suffered by an accused soldier in a court martial and particularly Cpl Dyer on the pretext revealed in this court frequently cause a good soldier to become bitter.

The Defense respectfully asks the court to consider the plea of mitigation mainly on the basis of Cpl Dyer's future service to the army, and secondly on the basis of his record, which is good, and his services which has helped this unit to improve it's discipline.

R.P. 83(1) has been duly complied with.

DISCIPLINE
H16699 Cpl DYER GL

1. On the night of 29/30 Jul 44 at approx 0010 hrs I was returning to camp accompanied by Capt Ackerman. About half-way between the main entrance and 1 camp a 5-cwt car without a top passed us travelling at an excessive rate of speed. I would estimate the car was travelling at about 40 m p h. It appeared to stop at 1 camp.

2. Capt Ackerman and I called at the transport office to ascertain if the vehicle of this description belonging to this Unit had authority to be out of camp. We were told by the NCO on duty in the transport office that neither of the 5-cwts was authorized to be out.

3. The following morning Capt Ackerman again checked with the transport office and "A" Wing. It was learned from "A" Wing that 2 det, 7 Pro Corps had a veh of this description in camp. Accompanied by Lt LGR Smith, Capt Ackerman went to the veh park of 7 Pro Corps where a 5-cwt of this description was found, bearing number CM116512. Capt Ackerman and Lt Smith interviewed the Pro Sgt who inquired among his men as to who had been out the previous night. H16699 Cpl Dyer GL admitted having had the veh out and stated that he returned to camp at approx 0010 hrs. Capt Ackerman checked with the sentry on duty at 0010 hrs, D163131 Pte Allard JW who states that the Pro Corps 5-cwt entered camp just after midnight.

4. The speed limit is 15 m p h. It was a particularly dark night and a number of soldiers were returning to camp. For a veh to drive along a camp road at an excessive rate of speed under these conditions is an exceedingly dangerous practice.

5. May disciplinary action be taken, please.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

First Witness for the Prosecution

727662 BSM Riley I. (R.A) attd 11 (Bn) Comm Depot having been duly sworn states:

I recognize the accused. On the a.m. of 15 Dec 44 it was reported to me that the accused previous night had lost 2 blankets. He was issued with 2 more. Owing to the fact that issued blankets had been missed, on the a.m. of 16 Dec 44 I asked CSM Portman if he could assist in recovering said blankets. He said he could and returned to my office in company with a civilian tailor. CSM Portman, the tailor and Sgt Holliday were in a room overlooking the parade. The civilian tailor pointed out the accused who was brought to my office in company with 2 other soldiers. CSM Portman questioned them as to whether they knew a civilian tailor in town. They said they did not. The civilian tailor was then brought to my office and again recognized the accused. I then placed them under close arrest.

Cross-examined

The accused lost three blankets on the p.m. of the 13th. It was reported to me on the 15th a.m.

Second Witness for Prosecution 791012 CSM Portman I (NH), RCA Commands, having been sworn states:

I recognize the accused. As a result of a [illegible] with BSM Riley concerning the loss

of blankets I made enquiries at a tailor shop in Deurne. As a result I went with the tailor to the Astoria Hotel and placed him in a room overlooking the Parade ground. When the accused appeared on parade, the tailor identified him as being one of three men who came to his shop the previous evening with blankets. I sent for the accused, had him brought to the Coy. Office. The tailor again identified him as being one of the three men concerned. I placed the accused in close arrest. In the afternoon of the same day, Dec 15, 1944, I went to the tailor shop accompanied by 2 Gendarmes, K514 Pilly, and Cpl May of the C.M.P. The tailor produced 19 army blankets when asked to do so. These were taken into possession by Cpl May.

Cross-examination:

I was in the sanctum of the Belgian tailor when he identified the accused. I did not assist him in identifying the accused. It is 20 feet from the upper storey window to the parade ground. Sgt. Halliday was in the room when the tailor pointed out the accused.

Then they let me go. ~~I left~~ I paid 800 francs for 8 blankets to the tallest one. This soldier did not get any of that money. He was there, though. The soldier picked out the soldiers ~~I left~~ before I picked them out. I could have picked them out myself. The accused was at my shop with 2 other soldiers.

Closing Address For Prosecution:

S-4615 Pte. David Robert Dyke:

Sir:

It has been proven beyond a doubt that the accused is guilty. The Police Mr. Marcel Nanke positively identified the accused as one of the soldiers who sold him blankets on the night of 15 Dec 44. Mr. Nankes' evidence has been given under oath and he certainly has nothing to gain by committing perjury.

I do not hesitate in saying that the witnesses for the accused do not aid him in establishing an alibi for the evening of 15 Dec 44. The times they state do not correspond with others. The accused movements on the night of 15 Dec 44 leave ample opportunity to have sold the blankets between the hours 1900 and 2000 hours.

B. D. Dunn Lt

Prosecuting Officer.

Closing address by the Defending Officer.

Mr. President & Members of the Court:

The accused Pte Hyke is charged with being concerned in the selling of three Army blankets property of H.M. Forces. The prosecution has brought forth Marcel Vanhee, who claims that he identifies the accused as being a member of a party of three who appeared at his house between 17 & 0'clock on the 18th Dec 44. Marcel Vanhee only saw the accused once and then for only a few minutes. Is it not possible then for this Belgian tailor to have been mistaken in his identity of the accused. The identification was highly irregular and I submit gentlemen of the court that Marcel Vanhee was literally prompted in the identification of the accused, when the ~~C.S.M.~~ Provost Sergeant pointed out the accused to Marcel Vanhee before he had a chance to identify the accused. It seems to me quite impossible for the tailor to identify the accused by saw a ground storey window since he only saw the accused once, and then for only a short time.

The defence has proved conclusively that the accused was no where near the house of Marcel Vanhee on the evening of the 18th Dec 44, Pte Harrison, ~~a friend of the accused~~, was with the accused at all times during that evening of the 18th He states emphatically that the accused did not visit Marcel Vanhee at any time during the time he was with the accused, which was all evening. Sgt McClaymont states that he saw the accused in the company of Pte Harrison at the Brasserie Ispeil at 1845 hrs. Sgt McClaymont also states that the accused stayed at this Estaminet approx one hour. Spr James Wilson states that he saw the accused at approx 1915 hrs entering & joining the others. He also saw the accused in the others. Sgt Edmond Boyland saw the accused in a cafe between 2000 hrs & 2100 hrs.

I submit Mr President that the accused could

not possibly have misled the Boy tailor [illegible]
these defence witnesses are reliable and have
nothing to gain by perjuring themselves.

The accused himself states that he never was
in the tailor trade before in his life and furthermore
he never sold Military equipment, let alone
blankets, to anyone at anytime.

The facts show that there is more than
reasonable doubt as to the guilt of the accused
and I therefore ask for an acquittal on
both charges.

Plea in Mitigation

Mr President & members of the Court:

Pte Hyde, who sits here before you, is one of many thousands who has done a grand job in the hills fighting in the Adriatic. He is a very young man, only 20 yrs of age, and yesterday has had to stand a short time. He joined up in Canada in July 43 and came overseas in July 44. He landed in France in Sept and was in action two days after arrival. He was relieved of front line duty in Dec 44 with a touch of T.B and naturally this has been a heavy weight on his mind.

His mom's family consists of two brothers and one sister, all of whom are in the Army. One brother landed with the Can troops on "D" day. This is certainly a fine record for our family.

Pte Hyde's brothers are married and his father is deceased, having died in 1940. Gentlemen, Pte Hyde's mother is getting along in years and her only means of support is the money that Pte Hyde has assigned to her.

He has $20. per month assigned
to him plus what ever spare
money he can send by postal note.

Pte Hyde only asks of one thing
and that is to be well again so that
he may rejoin his comrades,
and fight shoulder to shoulder with
them in the front line.

PROCEEDINGS OF A FIELD GENERAL COURT MARTIAL IN THE CASE OF B9183, Gunner DYKE, Fred, 53 Lt. A.A. Bty., 3 Lt. A.A. Regiment, R.C.A., Canadian Army (Overseas)

Held at Colchester, Essex, on the 4 July 41. The Order convening the court, the charge sheet and the summary of evidence are laid before the court..

Rules of Procedure 22 and 23 are set out and complied with.

The order convening the court was read to the court in the presence of the accused and witnesses.

Court: Captain Osler is ineligible to sit on this court and his place has been taken by Lieut. T.K. Stephens. The reason for his being ineligible, is that he was a member of the officers mess from which certain meat is alleged to have been stolen.

Q.1: Have you any objection to being tried by court martial, by me as president of the court?

A.1: No sir.

Q.2: Have you any objection to being tried by court martial, by either of the members of the court?

A.2: No sir.

Q.3: Have you any objection to Gunner Crone acting as shorthand writer on this court martial?

A.3: No sir.

The President and members of the court and the shorthand writer were then sworn in.

The charge sheet was read to the court.

Q.4: To that charge, how do you plead?

A.4: Not guilty sir.

Q.5: Do you wish to apply for anadjournment on the ground thatany of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had suffieient opportunity for preparing yo r defence?

A.5: No sir.

1st. WITNESS FOR THE PROSECUTION: Detective Constable R. Spiller, Colchester Borough Police

Prosecution: Will you identify yourself to the court?

A.7: Detenceive Constable Reginald Spiller of the Colchester Borough Police.

Q.8: Do you recall the day of Sunday, 25 May, 41?

A.8: Yes sir.

Q.9: Will you tell the co rt what happened on the day of 25 May last?

A.9: About 8.30 P.M., I saw the accused Dyke, and Gunner Kehoe standing against the fence at the amusement park on Butt Road. I approached them, and said, "I am a police officer, what have you got in the bag?" Dyke then walked away and the other man, Kehoe said "Nothing only my kit, I am going on leave" On asking to see what was in the bag, Kehoe opened it up and there was some meat in it. I said to him, "I am satisfied that you and Dyke stole the meat" I cautioned them both and took them to the police station and took them to Detective Sergeant Kemp.

Q.10: Can you identify this bag?

A.10: Yes sir, that is the bag that contained the meat.

Q.11: How do you identify it?

A.11: By the number on it.

Prosecution: I produce this kit bag as exhibit '1' for the prosecution.

Q.12: Was the accused sober when you arrested him?

A.12: No sir, he was drunk.

Q.13: Did the accused just walk away or did he seem think he was in some kind of trouble and start to get away from you?

A.13: No sir, he didn't try to run away, he just walked away.

Q.14: When you said to them, "I am satisfied that you stole the meat, did they seem to realize that they were in a well, in a jam more or less?
A.14: I think that they realized that they were in trouble, yes.
Q.15: They were not too drunk to realize that?
A.15: No sir.
Q.16: Were they properly dressed when you accosted them?
A.16: Yes sir, as far as I know, they were properly dressed.

Defence: Constable Spiller, you say you saw these men with a kit bag and you went over to them and asked them what they had in the bag. What made you particularly suspicious of these men. Surely you see dozens of men carrying kit bags these days when there are so many soldiers about.
A.17: Well sir, you don't very often see men with large kit bags unless they have all of their equipment on too.
Q.18: Would you have arrested them for being drunk, if you had not seen what was in the kit bag?
A.18: Noxsir.
Q.19: Why not. You just said that they were drunk?
A.19: We don't usually arrest a man for being drunk unless he is making a disturbance of some kind or making a nuisance of himself.
Q.20: Just how drunk were these men?
A.20: Well, sir, they had been drinking but they were not to the point of being so drunk that they did not know what they were doing or what was going on.
Q.21: Constable Spiller, do you remember giving evidence at a previous summary, when you said that they were both 'very' drunk?
A.21: That was evidently an over-statement on my part sir. They did know what they were doing. They were not too drunk for that.
Q.22: Then you are right this time, when you say that they were not so very drunk?
A.22: Yes sir.

2nd WITNESS FOR THE PROSECUTION: M60955, Gnr. BANNON, J. 17 Lt. A.A. Bty., 3 Lt. A.A. Regiment, R.C.A.

The witness was sworn in.

Prosecution: Will you identify yourself to the court?
A.23: M60955, Gnr. Bannon, J., 3 Lt. A.A. Regiment, sir.
Q.24: To what batter do you belong?
A.24: To the 17th. Lt. A.A. Bty., R.C.A.
Q.25: Do you recall anything that happened on May 26th. last?
A.25: Yes sir.
Q.26: Will you tell the court in your own words what you know about anything that happened on that day?
A.26: In the mornin sir, about 6.30 I think it was, I was going through the supplies for breakfast and I noticed that there was some of the bacon missing.
Q.27: Did you notice anything else missing?
A.27: Not right then sir.
Q.28: How are you employed?
A.28: As a cook in the officers' Mess, sir.
Q.29: Which officers' mess?
A.29: The 3rd. Regiment Officers' Mess.
Q.30: What time did you notice this bacon missing?
A.30: In the morning sir, about 6.30 in the morning.
Q.31: On Monday morning?
A.31: Yes sir.
Q.32: And did you notice anything else missing?
A.32: No sir, I wasn't looking for anything else to be missing.
Q.33: Did you see this bacon at the previous summary of evidence?
A.33: Yes sir.
Q.34: Would you say it was the same bacon?
A.34: Well sir, I couldn't positively say it was the same bacon but it was cut in the same way and the same thickness.

Q.35: Was the bacon sliced?
A.35: Yes sir. It was sliced with an automatic slicer.
Q.36: And did you see the other meat that was in the kit bag?
A.36: Yes sir.
Q.37: What was it, what cut was it?
A.37: It was a prime cut of roast sir.
Q.38: How big was it?
A.38: It was 17 lbs. 4 oz. sir, if I remember correctly.
Q.39: And was that the usual cut that you got for the mess?
A.39: Yes sir, that was the usual cut and the usual size of the cut.
Q.40: And what about the margarine? Did you see it too?
A.40: Yes sir.
Q.41: Was it any special kind of margarine?
A.41: No sir, it was just the ordinary margarine that is issued to the messes.
Q.42: Now coming to Sunday afternoon. Did you see the accused in the mess or in the kitchen on that particular afternoon?
A.42: Yes sir, he was in the kitchen on that afternoon.
Q.43: Did you wonder what he was doing in the kitchen, or was it an ordinary thing for him to be in there?
A.43: It wasn't out of the ordinary for him to be in the kitchen because he was in and out of there very often in the line of his duties. He is a fireman in the mess, there.
Q.44: Where was this meat kept?
A.44: It was kept in a room at the back of the kitchen sir.
Q.45: And did Gunner Dyke ever have occasion to go into that room?
A.45: I don't think so sir.
Q.46: What time on Sunday did you leave the kitchen?
A.46: About 8 o'clock sir, in the evening.
Q.47: Was anybody in the kitchen at that time?
A.47: No sir, there was nobody in there then, I left to go to my room and write some letters.
Q.48: Did you check your stores on Saturday?
A.48: Not particularly sir.
Q.49: And where was this bacon kept? In the meat room too?
A.49: Yes sir.
Q.50: Was it out in the open or was it locked up?
A.50: It had a cover over it sir.

Defence: Gunner Bannon, you say that the bacon that you saw in the kit bag when it was opened up, was similar to that which was missing from the mess. Can you positively say that it was the same bacon?
A.51: No sir, I wouldn't say that it was because bacon all looks pretty much the same but it was the same kind of bacon and it was sliced with a slicer and it was sliced to the same thickness as we always slice it.
Q.52: So that the only thing you can say is that it looked like the same bacon. Is that right?
A.52: Yes sir.
Q.53: How long have you been working at the officers mess?
A.53: For three months sir.
Q.54: Then I take it you are fairly familiar with the kind of bacon that you use in that mess?
A.54: Yes sir.
Q.55: So that you have seen a good bit of bacon?
A.55: Yes sir.
Q.56: And I suppose it all looks pretty much the same doesn't it? Or is there a difference in the kind one mess gets from that that another mess gets?
A.56: No sir, it is all pretty much the same.
Q.57: And this beef, was it any different to any other beef?
A.57: No sir, I guess not but it was the same cut as we always get and it was approximately the same size.

3rd WITNESS FOR THE PROSECUTION: M49757, Bdr. Olive, R.A., 17 Lt. A.A. Bty., 3 Lt. A.A. Regiment, R.C.A.

The witness was sworn in.

Prosecution: Will you identify yourself to the court?
A.58: M49757, Bdr. Olive, R.A., 17 Lt. A.A. Bty., 3 Lt. A.A. Reg't., R.C.A.

A.J.

Q.59: How are you employed?
A.59: I am a cook sir.
Q.60: On the 25th of last May, how were you employed?
A.60: I was employed in the officers' Mess.
Q.61: Which officers' mess?
A.61: The 3rd. Regiment officers' mess sir.
Q.62: On Monday morning the 26th. May, do you remember what took place at that officers' mess?
A.62: Yes sir.
Q.63: Will you tell the court what happened?
A.63: Sir, I was down town on Monday morning getting groceries for the mess and I returned around 12 and went into the meat house to see about the meat for the evening meal and I found that there was not enough. So I asked Gunner Bannon what had happened to the meat that was there on Saturday.
Q.64: So there was a shortage of the meat, was there?
A.64: Yes sir, there was a large roast missing.
Q.65: Was there anything else missing?
A.65: I didn't miss anything else sir, right at that time. All I missed was the beef.
Q.66: How much was missing? What was the size of the beef?
A.66: About 20 pounds sir. That was the usual size of the cut.
Q.67: Did you see this beef that was brought back?
A.67: Yes sir.
Q.68: Would you identify it as the one that was missingx from the mess?
A.68: No sir, I couldn't say exactly sir, but it looked like the same one.
Q.69: It was the same cut?
A.69: Yes sir, it was the same cut.
Q.70: And how much bacon was there missing?
A.70: About two pounds sir.
Q.71: And to whom did this meat belong?
A.71: To the Officers Mess sir, of the 3rd. Regiment, R.C.A.
Q.72: Would Dyke or Kehoe have any right to that meat?
A.72: No sir.
Q.73: Would Gunner Dyke have any right to go into the room where the meat was kept?
A.73: No sir. He was just the fireman for the mess.

Defence: Bdr. Olive, you were in charge of the cook-house, were you?
A.74: Yes sir.
Q.75: Did you always keep the meat room locked?
A.75: No sir. Not all the time. The lock was broken.
Q.76: But could anyone get into that room if they so desired?
A.76: Yes sir, you could open the door if you pulled on it hard enough.
Q.77: You can't positively say that the meat which was brought back was the piece that was missing?
A.77: No sir, it was about the same size and the same cut and it looked like the same one but I can't say for sure that it was the same one.

4th. WITNESS FOR THE PROSECUTION: M60581, Bdr. Kurze, M.F., 17 Lt. A.A. Bty., 3 Lt. A.A. Regiment, R.C.A.

Prosecution: Will you give your regimental number, rank and name to the court?
A.78: M60881, Bdr. Kurze, M.F., 17 Lt. A.A. Bty., R.C.A.
Q.79: You were present at the time that a kit bag was opened up and some contents weighed? Is that right?
A.79: Yes sir.
Q.80: What was in the bag?
A.80: Some beef, bacon and margarine sir.
Q.81: Is this the kit bag which you saw opened?
A.81: Yes sir.
Q.82: How do you identify the bag?
A.82: By the name and number on it sir.
Q.83: What happened to the bag after it was emptied?
A.83: I gave it back to Lieut. Gillies sir.

Judge Advocate: Where did you get the kit bag?
A.84: It was at the regimental orderly room sir.

Gunner Bannon was then recalled.

Prosecution: What happened to the things that were in the kit bag that was found in the possession of the accused?
A.85: I took them out sir and used what I could of them.
Q.86: How long after the evidence was taken did you have the meat?
A.86: Almost a week, I think sir.
Q.87: Were they fairly well kept or in what condition were they?
A.87: The meat was going bad so I used just what I could of it.
Q.88: Who brought this kit bag over to you?
A.88: I don't know sir, somebody brought it over but I don't know who it was.
Q.89: You used up all the meat?
A.89: Yes sir.

Defence: In this case, I submit that the prosecution has not proved that the meat that was found in the kit bag was the meat that came from the officers mess and was not meat that could have come from anywhere else. There has been no witness that could identify the meat positively. They alwaysx said that it looked like the meat but they couldn't say that it was the meat in question. And as for the bacon, there is no way of telling that the bacon was in the officers mess or that it could not have come from any other place. It merely looked like the bacon that was on the mess. And the margaring was just ordinary margarine and could have come from almost anywhere. So I submit that there is no proof that the goods that were in the kit bag came from the officers mess of the 3rd. Regiment, as specified in the charge sheet. I submit that the meat has to be positively identified as that which was stolen from the officers mess in order to prove that the accused did steal it.

Prosecution: I would submit that the meat has been identified as a piece that is similar to that which was missing from the mess and that the bacon has been identified as the same as was used in the officers mess and the margaring is the same as was used in the mess, although it is the same as was used in the other messes. It is unlikely that part of the goods would be taken from one mess and the remainder taken from another mess. I submit that all the goods were taken from the one mess, the Officers Mess of the 3rd Lt. A.A. Regiment, R.C.A.

Court: Do you wish to give evidence yourself on your own behalf?
A.90: No sir.
Q.91: Do you intend to call any witnesses in defence?
A.91: Yes sir.
Q.92: Is he a witness as to character only?
A.92: No sir.

1st. WITNESS FOR THE DEFENCE: A17155, Sgt. Paisley, 53 Lt. A.A. Bty., 3 Lt. A.A. Regiment, R.C.A.

Prosecution: Will you identify yourself to the court?
A.93: A17155, Sgt. Paisley, 53 Lt. A.A. Bty., sir.
Q.94: Can you identify this man?
A.94: Yes sir, he is Gunner Dyke, sir.
Q.95: Did you see him on Sunday afternoon, on the 25 May, last?
A.95: Yes sir, I saw him. I am not positive about the date but I saw him on that Sunday afternoon. He was in my room, sometime between 4 and 6 o'clock, I believe, I don't remember just exactly the time but it was around in there somewhere.
Q.96: Was he intoxicated?
A.96: Yes sir, he was drunk, that day.
Q.97: How did you know that he was drunk?
A.97: By the way he was talking sir, he did a lot of mumbling.
Q.98: Would you say that he was responsible for his actions at that time?
A.98: No sir, I am positive that he wasn't.

Prosecution: You don't remember what date it was when you saw the accused?
A.99: No sir, I don't remember the date but I know it was on a Sunday.
Q.100: What time in the afternoon was it when you saw him, was it fairly early or was it late on in the afternoon?
A.100: I would say sir, approximately 5.30 in the afternoon.
Q.101: And although you say that this man was not responsible for his action, you didn't put him under arrest?
A.101: No sir, I didn't put him under arrest.
Q.102: Is that a practice in your regiment, to let men go around in a drunken condition and not put them under arrest?
A.102: I have seen more than men going around drunk sir, and they were not put under arrest sir, so that, unless a man is making a nuisance of himself or annoying anyone, I don' t put him under arrest. I told him to go home and get a little sleep and he would be all right.

Defence: Although you didn't put this man under arrest, you did send him home to get some rest and sleep it off, did you?
A.103: Yes sir, I told him to go and get some sleep and he would be all right.

Prosecution: You didn't put anybody over him as escort?
A.104: No sir. I didn't. I just told him to go home and get some sleep.

2nd. WITNESS FOR THE DEFENCE: A17104, Sgt. Ross, R.L., 53 Lt. A.A. Bty., 3 Lt. A.A. Regiment, R.C.A.

Defence: Will you identify yourself to the court?
A.105: A17104, Sgt. Ross, R.L., 53. Lt. A.A. Bty., R.C.A.
Q.106: Do you recognise this man?
A.106: I do, sir,
Q.107: Who is he?
A.107: Gunner Dyke sir.
Q.108: Did Gunner Dyke come into your room in the afternoon of ~~xxxx~~ Sunday, May 26th. last?
A.108: Yes sir.
Q.109: In what condition was he?
A.109: He was drunk sir
Q.110: He was drunk when he came into your room on that day?
A.110: Yes sir.
Q.111: What made you think that he was drunk?
A.111: By the way that he was talking sir, and he was very giddy ;and unwary in the way that he walked.
Q.112: Would you say that he was responsible for his actions?
A.112: I don't think he was sir, at athat time.
Q.113: What time was it that he came into your quarters?
A.113: About 2.30 sir.
Q.114: Are you sure of the time?
A.114: Yes sir, I am quite sure of the time.

Prosecution: Who do you room with?
A.115: Sgt. Paisely and Sgt. McCallum sir.
Q.116: Was the accused in that, your room between 5 o'clock and 6?
A.116: No sir.
Q.117: What time was it then?
A.117: About 2.30 sir.
Q.118: This man was not drunk enough to be put under arrest?
A.118: Well sir, he was drunk all rught but he wasn't put under arrest.
Q.119: He wasn't put under arrest?
A.119: No sir.

3rd. WITNESS FOR THE DEFENCE: B9067, Sgt. McCallum, W.F., 53 Lt. A.A. Bty., 3 Lt. A.A. Regiment, R.C.A.

Defence: Will you identify yourself to the court?
A.120: B9067, Sgt. McCallum, W.F., 53 Lt. A.A. Bty., sir.
Q.121: Do you recognize this man?
A.121: Yes sir.

Q.122: Who is he?
A.122: Gunner Dyke sir, is his name.
Q.123: This man came into your quarters on Sunday, May the 25th. Is that right?
A.123: Yes sir.
Q.124: And in what condition was he when he came into your quarters?
A.124: He was very drunk sir.
Q.125: Was he staggering?
A.125: Well, I wouldn't exactly say he was staggering sir, but he was very unsteady on his feet.
Q.126: Would you say that he was responsible for his actions?
A.126: No sir, I don't think that he was, at that time.
Q.127: What time was it that he came into your quarters?
A.127: Between 2 and 3 sir, in the afternoon.

Prosecution: You are quite sure of the time, are you?
A.128: Yes sir. It was between 2 and 3 o'clock in the afternoon.
Q.129: And you didn't put him under arrest?
A.129: No sir.

4th. WITNESS FOR THE DEFENCE: B9071, L/Sgt. Wood, J.H., 53 Lt. A.A. Bty., 5 Lt. A.A. Regiment, R.C.A.

Defence: Will you identify yourself to the court please?
A.130: B9071, L/Sgt. Wood, J.H. 53 Lt. A.A. Bty., R.C.A. sir.
Q.131: Do you recognize this man?
A.131: Yes sir.
Q.132: Who is he?
A.132: Gunner Dyke sir.
Q.133: Would you tell the court under what circumstances you saw the accused on Sunday afternoon, May 25th last?
A.133: In the afternoon of the 25th of May, sir, I went over to Gunner Dykes room to pick up Gunner Kshoe and take him over to the ball game and both the men were drunk.
Q.134: Why did you think that they were drunk?
A.134: They both seemed to be very dizzy sir.
Q.135: Did you see any bottles there in that room?
A.135: Yes sir, there were some large bottles of cider there on the table in the room.
Q.136: How many bottles were there that you saw?
A.136: 8 or 9 sir. Some of them were full and some were empty.
Q.137: What time would that be?
A.137: About 5 o'clock sir, about 1700 Hours.

Prosecution: How many bottles did you say were there?
A.138: 8 or 9 sir.
Q.139: And some of them were full?
A.139: Yes sir.
Q.140: How many of them were full?
A.140: I don't really know sir.
Q.141: Did you put these men under arrest?
A.141: No sir.

Court: Is cider an intoxicating drink?
A.142: Yes sir.
Q.143: How do you know?
A.143: I have drunk it sir, and I know that you can get drunk on it.

5th. WITNESS FOR THE DEFENCE: Major Woodrow, O.C. 53 Lt. A.A. Bty., RCA

Defence: You are Major Woodrow?
A.144: Yes.
Q.145: You are the Commanding Officer of the 53rd. Lt. A.A. Bty?
A.145: That's right.
Q.146: Do you recognize this man?
A.146: Yes, Gunner Dyke.
Q.147: How long have you known him?
A.148: Since April last year, 1940.

He was with me in the 4th. Field Regiment before he came to the 53rd. Battery.

Prosecution: Would you say he was a good soldier?
A.148: He is a good soldier in every respect. He alway does his wonk in a very conscientious way and is a soldier through and through. He has not been in this kind of trouble before to my knowledge and has a good record in the service. He has only one failing, he likes the bottle too much.

Defence: Sir, I would submit that the prosecution has not proved beyond any douht that the goods alleged to have been stolen, are the goods that were found in GunnerDyke's kit bag. They were not found in the possession of the accused, only found in his kit bag. I dont think that the evidence justifies a conviction on this charge. The goods could have come from almost any mess, but in the charge, the 3rd Regiment Officers Mess is specified. From his character, it is evident that he is not a thief at heart and would under no circumstances steal anything or take anythin that did not belong to him unless, as in this case, he was not in full control of his will-power. He had been drinking and would therefore be not exactly responsible for his actions. However, I submit sir, that there is not conclusive evidence that the accused stole the meat from the Officers Mess of the 3rd. Mt. A.A. Regiment.

Prosecution: Sir, I submit that the evidence against this man is such that it shows that he had the opportunity to take the meat from the mess in question. He was in the kitchen of that mess on the afternoon that the meat was taken. He was found with the meat, not actually in his possession at the time but with another man who was apparently carrying the meat. It was in his kit bag. The mere fact that he had been drinking and was probably not himself does not excuse the fact that he did appropriate certain goods that did not belong to him and that he had no right to. He apparently was not so drunk that he should have been put under arrest for there were no less that three sergeants that saw him in an intoxicated condition and none of them put him under arrest and I am quite sure that it is not the policy of the regiment to allow men to go around drunk all over the place. So I submit sir, that the accused was in possession of his senses to an extent that he knew what he was doing.

Court: Have you any evidence as to character and particulars of service of the accused?
Prosecution: Yes sir.

Lieut. D.S. Gillies

Court: Have you any evidence as to character and particulars of service of the accused?
A.149: Yes sir, I have here A.F.B. 296, Statement as to character and particulars of the accused.
Q.150: Is the accused the person named in this statement?
A.150: Yes sir.
Q.151: Have you compared the entries on this statement with the entries in the Regimental Books?
A.151: Yes sir.
Q.152: And is this statement a fair and true summary of the entries?
A.152: Yes sir.

Defence: I would like to address the court sir, on behalf of the accused.
Court: Yes, go ahead.
Defence: I refer first to the crime sheet of the accused sir, it is a good one considering that the accused has been in the army since shortly after the war broke out. He is a man whose service is not short. He served in the last war and is in

possession of 4 medals from the last war. He has a wife and 3 children to support and I would suggest that any harsh punishment would hurt them possibly more than it would him. He has served 39 days in custody already and I would suggest that this be taken into consideration by the court.

Summary of evidence in the case of No. B.9183

Gnr. Dyke, F. 53 Light Anti-Aircraft Battery,

3 Light Anti-Aircraft Regiment, R. C. A.

1st. WITNESS: Detective Constable Reginald Spiller, Colchester Borough Police,

states:

At about 8-30 p.m. on Sunday, 25 May 1941, I was on duty in Butt Road, when I saw the accused in the Amusement Park, beside the accused Kehoe was a kit-bag. I approached them and said, 'I am a police Officer, what have you got in the kit-bag?' Kehoe replied, 'Only my kit, I am going on leave.' Whilst this conversation was taking place the accused Dyke walked away. I then said to Kehoe, 'Let me have a look.' He then opened the kit-bag and I saw the meat I said to him, 'Where did you get this?'. He replied, 'It came from the Officer's Mess, we thought we would give someone a treat.' I cautioned him and told him he would be arrested.

I then saw Dyke and said to him, 'I am satisfied that you are concerned in stealing this meat,' and he replied, 'What meat?' I don't know what is in the kit-bag.' I arrested him and brought them to the Police Station, where after being cautioned again Kehoe made a statement which I wrote down in my pocket book and he signed. The

They were charged by Det. Serg't. Kemp and on the charge being read over to them made no reply.

2nd WITNESS: No. 60955 Gunner Bannon, J., 3 Light A.A. Regt. RCA.

I am a cook in the Officer's Mess, Goojerat Barracks. It was on Monday morning when I first noticed anything. We were going through the bacon for breakfast when I noticed it was short. Then it was referred to Bdr. Olive from then on I think.

QUESTION: What time was the bacon missed?

ANSWER: Approximately 0630 hours Monday morning.

QUESTION: Were there any other rations missing that you noticed?

ANSWER: No. I wasn't looking for any other shortages. It was Bdr. Olive who missed the rest.

QUESTION: Can you identify this bacon as having come from the Officer's Mess?

ANSWER: Not definitely, although it is cut to the same thickness as bacon we have been getting.

3rd WITNESS: No. M49757 Bdr. Olive, E.A., 3 Light A.A. Regt. RCA.

I am the Bdr. Cook in the Officer's Mess, Goojerat Barracks. I had been on a week-end pass and on Monday morning I went down town to buy some groceries for the mess and when I came back I went in the meat room about noon to see if there was meat for Monday's supper. There wasn't sufficient meat so I asked Gnr. Bannon what had been used while I was away. He said all but a rib roast which was for Monday's supper and we found that that was missing.

QUESTION: Was there anything else missing?

ANSWER: No, I couldn't say there was anything else. Gunner Bannon had told me that we were short of bacon for breakfast.

QUESTION: Can you identify this meat?

ANSWER: I would say that it is the same cut, that is, prime ribs and about the same size as the cut that was missing.

QUESTION: Would you say it is similar?

ANSWER: Yes.

B2 STATEMENT BY THE ACCUSED M21104 Sergeant (A/RQMS) Dyke, Frank Gough, 23rd Medium attery, 5th Cdn Medium Regt., R.C.A. (not given under oath)

"Well Sir I think on taking these rations I had taken them while I was in a sub-conscious mind and figured that I could build up a reserve being that I was in the Quarter Stores and always on the scrounge and as I said I did this act while I was in a sub-conscious mind. Prior to this act it was my day off and I was fed up with life in general and I went out and started to indulge intoxicating liquors.

Wit — As far as I am concerned he is efficient, never known him to be otherwise than honest, and generally a very good sort all round.

PLEA BY THE DEFENDING OFFICER, CAPT. S. R. SHEPS, IN MITIGATION OF SENTENCE

"Sir, the accused has considerable military service, service from January, 1940, of which 8 months has been served as a Sergeant and more recently as a R.Q.M.S. The record of service shows a clear conduct sheet and as the court has heard the accused has a military character that is very good. The accused is before this court on two charges. The first "having in his possession something to which he had no right of possession". I would ask the court to consider the attending circumstances in guiding them in their evaluation of what punishment is necessary. I would submit to the court that the act of taking the rations is predicated on a state of drunkenness, that it occurred during a period of drunkeness, according to the evidence of RQMS Weir and Gnr Freeman "very much so" and the evidence of L/Bdr Milne "he was very drunk and practically blind". I ask the court to consider what sort of taking and carrying away there was in this instance. The accused is a Quartermaster and as he suggested to the court the only possible explanation he can give for his action is that he was performing a typical quartermaster's act of being on the scrounge. I suggest that this is creditable in an examination of the circumstances. The accused asked the RQM for a case of rations, he was refused, they argued over Q.M. principles, and then the accused took the box of rations. He took it from one Q stores into another Q Stores where his clerks were and the implication in the evidence of L/Bdr Milne is that they sleep in there as well. There is no suggestion, I would suggest, of reducing that box of rations to his own personal use - I don't think he was in a condition to reduce it to anything at the time, but in any case the rations were unopened behind the first counter in his Q stores. I would suggest then to the court that this is not a criminal act at all - there is no element of dishonesty in it, and that the accused took it into his Q Stores because under the circumstances it seemed like a good idea at the time. Therefore, Sir, in essence it is not a serious offence, he is not reducing to his own use public property, he just had in his Q Stores what should have been in Regimental Q Stores only.

As to the second offence I direct the court's attention to Sec 19 where in the case of soldiers a differentiation is made in drunkenness on duty and drunkenness while not on duty. The middle of the 2nd para " quote " also in the 3rd para "quote"

That the Army Act distinguishes between drinking on duty and drinking whilst not on duty that in one case the maximum is 6 months detention and the other is imprisonment under the full powers of the Act.

Further on page 25 of the Manual, chapter 3, para 45, especially indicates further the differentiation that is made on "drunkenness on duty" and "drunkenness whilst not on duty".

We look at the circumstances of this case. The accused was on his day off - it was 2045 hrs, just before curfew - the accused was back in the billet area and admittedly was drunk. At that time of day Sir I would submit that it was not a harmful drunk, not a drunk that militated against his efficiency as a soldier but was the type of drunk that sneaks up on a person because of the powerful effect of the local "vino" and has not the accused walked into RQM Stores I would suggest that he would have walked quietly into his billet and gone quietly to sleep. I then submit to the court that the offences with which the accused is charge and to which he pleads "guilty" are not under the circumstances serious offences, that the accused has a very good [illegible]

records both as to character and efficiency and that the court take these into consideration when considering the sentence.

List of Exhibits

1. One (1) box of American "C" Rations.

1st Witness - P6631, R.Q.M.S. Weir,J. 5 Cdn.Med.Regt.R.C.A. having been duly sworn states :-

I am P6631 R.Q.M.S.Weir,J.

At Approx. 2045 hrs. 8 Dec.43 I returned to the R.Q.M. stores having been out for the evening. ~~Lieutd.D.Tucker was present in the R.Q.M.stores drawing a case of American "C" rations on authority from the Regt'l. C.P.~~ R.Q.M.S.Dyke was also present and asked if he might have a case of rations also. I informed him definitely No, that the rations were not to go out of R.Q.M.stores without authority. He knew that this was so. R.Q.M.S.Dyke did not want anyone going over his head and drawing rations for personnel of his Bty. direct from the R.Q.M. We discussed this situationand came to the agreement that it should remain as before, i.e., All rations were to be drawn on the authority of the R.Q.M. Capt.C.D.IVES. R.Q.M.S.DYKE then left with his storeman Gnr.FREEMAN,A.F., who had come in to the stores during the discussion.

Approx. 5 minutes later I was informed by S6077 L/Sgt.PRICE,W. that he had seen R.Q.M.S.DYKE leaving the courtyard of the R.Q.M. stores with a case of American "C" rations. I immediately went out to follow R.Q.M.S.DYKE. I came in to the barrack block through the rear gate and met B21037 L/Sgt. ADAMS,R. in the quadrangle. He was returning from 7 Bty Q.M.Stores. Together, Sgt.ADAMS and I went in to the 23 Bty Q.M.Stores and inquired from R.Q.M.S.DYKE where the case of rations was. R.Q.M.S.DYKE made no reply so I went around behind the counter where I found a box of American "C" rations.

I said to R.Q.M.S.DYKE, "You know the meaning of this,Frank," and then left the 23 Bty Q.M. stores, stopping on the way at 7 Bty Stores. R.Q.M.S. DYKE had made the statement that other people had rations as well. For this reason I went to 7 Bty stores and asked R.Q.M.S.BROWN if he had any rations in his stores. He replied that he had, and produced a half case of rations from one of his packing cases. I then asked him where he had obtained them and he replied that they were surplus rations from the advance party on the rail trip from PALERMO to ZAFFERINA, that he had neglected to turn in.

This was all in the presence of L/Sgt.ADAMS,R. I then took the case and a half of rations and returned to the R.Q.M.stores.

I reported the matter to Capt.C.D.IVES this morning 9 Dec.43.

Question - What was R.Q.M.S.DYKE'S condition at this time?

Answer - In my opinion R.Q.M.S.DYKE was very much under the influence of liquor.

Question 2 - Upon what do you base this statement?

Answer 2 - Upon his appearance, his manner of speed and upon his actions, all of which indicated that he was not in control of his senses.

Question 3 - Do you recognize this box of American "C" rations?

Answer 3 - Yes, Sir. This is the box of rations (American "C") which I removed from the 23 Bty Q.M. stores and returned to the R.Q.M.stores. It is identical with the boxes of rations on hand in Regt'l. Ration stores.

Second Witness - B6077 L/Sgt.PRICE,W. 5 Cdn.Med.Regt.R.C.A. having been duly sworn states :-

I am B6077 L/Sgt.PRICE,W., regimental M.T. N.C.O. employed in R.Q.M. stores. At approx. 2050 hrs. on the 8 Dec.43, as I was leaving the R.Q.M. stores I saw B21194, R.Q.M.S.DYKE,F. leaving the courtyard of the R.Q.M. stores with a small wooden case on his shoulders. A few minutes later I went back into the stores and found R.Q.M.S.WEIR and Sgt.ADAMS checking the rations, R.Q.M.S.WEIR asked me if I knew anything of a case of rations which were open in the stores. I said "No." R.Q.M.S. then stated that there was a box of rations missing, so I then told him that I had just seen R.Q.M.S.DYKE carrying a wooden box out of the courtyard.

Third Witness - B21037, L/Sgt.ADAMS,R. 5 Cdn.Med.Regt.R.C.A. having been duly sworn states :-

I am B21037 L/Sgt.ADAMS,R. employed in R.H.Q. as Technical Storeman. On the evening of 8 Dec.43 at approx. 2100 hrs. I had completed a check of small arms in the 7 Bty Q.M. stores. I had just left the 7 Bty Q.M. stores and met R.Q.M.S. WEIR in the quadrangle. R.Q.M.S.WEIR asked me to accompany him to the 25 Bty Q.M. stores. Onentering the 25 Bty Q.M.stores R.Q.M.S.WEIR inquired from R.Q.M.S.DYKE as to the whereabouts of some American "C" rations. R.Q.M.S.DYKE mumbled something which I could not understand. Then R.Q.M.S.WEIR looked behind the first row of shelves and found one case of "C" rations, unopened. R.Q.M.S.WEIR then picked up the box of rations and we left the stores. Together we went into the 7 Bty Q.M.stores and R.Q.M.S.WEIR asked B.Q.M.S.BROWN,A.G. if he had any "C" rations in his stores. R.Q.M.S.BROWN replied that he had a part of a case of rations, which had been left over from the train trip from PALERMO to ZAFFERANA. He took the rations out of a packing case and handed them over to R.Q.M.S. WEIR. R.Q.M.S.WEIR and I carried the case and the parts case of rations back to the ration hut at the R.Q.M. stores.

Question 1 - Do you recognize this box of American "C" rations?

Answer 1 - Yes, Sir. This box of rations is the one which R.Q.M.S.WEIR and I picked up in the 25 Bty Q.M. stores. It is identical with the supply of boxes of rations which we have in ration stores in the R.Q.M. stores.

Fourth Witness - B21104, Gnr.FREEMAN,A.F. 5 Cdn.Med.Regt.R.C.A. having been duly sworn states :-

I am B21104 Gnr.FREEMAN,A.F. 5 CMR, RCA, employed as storman in 23 Bty Q.M.stores. On the evening of 8 Dec.43 at approx. 2035 hrs. having been working in the stores checking equippment I went ~~in the R.Q.M.~~ out to see if B.Q.M.S.DYKE was around. On looking in the R.Q.M. stores I met him there. He was under the influence of liquor so I asked him if he was coming home. He replied "Yes", so I left him and came back to the 23rd Stores to make his bed. About 10 minutes later B.Q.M.S.DYKE staggered into the stores with a wooden case on his shoulder. We, myself and L/Bdr.MILNE, R.C. the tech.storeman, took the case off him and put it behind the shelves. At this point R.Q.M.S.WEIR came into the stores with B21037, L/Sgt.ADAMS,R. R.Q.M.S.WEIR wanted to know where the case of rations was. L/Bdr.MILNE showed the R.Q.M.S. where the box of rations was and he picked them up and left the stores.

Question 1 - In your opinion, was B.Q.M.S.DYKE drunk?

Answer 1 - Yes, Sir! Very much so.

Question 2 - Upon what do you base your statement?

Answer 2 - B.Q.M.S.DYKE was staggering and almost fell in through the door with the box of rations. He did not appear to be able to see what he was doing and we had to undress him, and put him to bed.

I was in the 23 Bty Q.M.stores when B.Q.M.S.DYKE staggered in through the door and dropped a case of American "C" rations on the floor. Gnr.FREEMAN,A.F. and I were just trying to put him to bed and then return the rations to the R.Q.M. stores when R.Q.M.S.WEIR came in. The R.Q.M.S. asked about the case of rations and walked straight over to the box of rations and picked it up and left the stores. L/Sgt.ADAMS,R. was with him and left with him.

This morning when I woke B.Q.M.S.DYKE I asked him if he remembered anything about the box of rations. He said that he couldn't remember anything about the box of rations. He said that he couldn't remember anything at all about it.

(*1. If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p* 3. *RP* 37(*D*).)

President to accused : You will now be tried with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Plea in mitigation of sentence

G 32934 Sigmn Dykeman R. A.

Sigmn Dykeman has acknowledged his guilt of the offence with which he is charged. There is little to offer in extenuation - however the court will notice that the only offence shown in this man's conduct sheet are dissimilar and charges which do not have any connection with the absence now in question. As a matter of fact the absence was entirely connected with liquor by the accused's own admission in this particular instance Sigmn Dykeman had just completed serving within the last 48 hrs a sentence of 14 days Field Punishment. He had requested a pass for the evening of 23 Jan 44 which had not been granted and he states that he was given no reason for it not being granted. In the usual manner of persons feeling hard done by he took "French Leave". After spending the night and the following day on Tham Bridges he returned to Hospital at Ledeacon by train and

Exam by Court: He said—"I've had enough parades".

RP 85(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence is taken by him in narrative form, RP 85(B) should be complied with. If taken verbatim, RP 85(C) will be complied with.

But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP* 61.)

(vi) Closing address by Prosecutor. (*See RP* 40 *fn* 7, 87(C), 92(C) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by EP* 46(E), *KR Can* 565(a).)

Q On the 24 Jun was Dyment up before his C.O. for orders? and did he remand him for a summary?

A He did.

Q Was this summary not taken until nine days had passed, the 3 Jul 44?

A I know there was quite a lapse of time, I am not sure of the exact number of days. Efforts were made again to obtain specific evidence as to the accused hospital condition and as to the exact hours of his discharge.

Q Was Pte Dyment in close arrest from 19 Jun until today's date?

A He was in close arrest from the time of his apprehension until today's date.

RE-EXAMINED BY THE PROSECUTOR

Q It is pointed out that the summary of evidence was not taken until 3 Jul 44. Was certain evidence needed from the hospital to benefit the Prosecution or the Defence in this case?

A The evidence which the hosp could give us, in my opinion would benefit the accused.

Q Would you say then that the delay in taking the summary of evidence was for the sake of confirming what the accused said to the C.O. of his condition when he left the hospital?

A Yes.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

CASE FOR THE PROSECUTION IS CLOSED.

NOTE D-6

EVIDENCE FOR THE DEFENCE

1st WITNESS FOR THE DEFENCE

B 37583, the Accused (Pte DYMENT, G.A.) on strength 1 CBW, RCEME having been duly sworn states:

I went on pass which expired on Sat 20 May. This pass entitled me to be absent from barracks until 2359 hours 20 May 44. (Witness produces pay book) this pass is stamped on a sheet of paper hotticheed to my A.F.W. 1. I show you this sheet and particularly the date 20 May 44 and the next one dated 21 May 44. There is the signature of Capt Ross my Coy Comd written across the unit stamp. Above these stamps are the following words, "the bearer B 37583, Cpl Dyment G.A. has permission to be absent from his quarters from after 6 p.m. until 2359 hours on the date of ..... within the Toronto area by an officer and if so is then a good pass.

I ceased to be a cpl on the 4 Apr 44.
I proceeded to London, and remained in London that evening and the following day, having an after-duty pass for that day also, for the 21 May. I felt ill and suffering from a sore throat. I was subject to tonsilitis so I went to bed early that evening. I went to sleep and did not waken in time to catch the train to my unit the following day which was the 21 May. On the following day, the 22 may, I was feeling no better and I went to visit a Doctor Dunlop. He prescribed a gargle for my throat and gave me some tablets and advised me to stay indoors and out of drafts. I was also in a run down condition so I carried out his orders and remained in doors for that week. On the 3 Jun I again visited Doctor Dunlop and he examined me and said I had evidence of Quinsy and advised me to carry on with the prescription and that I apply a poltice to my throat which I did. On the following day which was the 4 Jun he visited me and examined my throat and advised that I had quincy and told me to continue using the gargle. On the 5 Jun he again came and seeing that my tempeture was still up he decided to send me to Paddington Hospital and called an ambulance. I was admitted to Paddington hospital, I have on me a certificate signed by Doctor D.W. Dunlop dated 29 June 44 which certifies that I consulted him on the 22 of May 44 and on the 3 Jun 44 and on the 4 Jun 44 and that I on a later date, he found me suffering from quincy and that on the 5 Jun he sent me to Paddington Hospital. While in hospital I was under the care of the House Physician, they kept me there until the 14 Jun and on that day I was discharged as my throat had cleared up. On coming out I felt very weak, due to the fact that I had been in bed for the length of time and had lost 18 pounds. As I did not feel able to return to my unit I remained there until Sunday 18 Jun at which time I reported to my guard room.

CROSS-EXAMINATION BY THE PROSECUTOR

Q Did you receive a pass on the 20 May44?
A I failed to pick it up from the orderly room.

Q Did you, between the 20 May and 19 Jun report to any military authority?
A No Sir. I phoned from the hospital to my unit and they got in touch with the duty officer and they told me that the duty officer was aware of the fact that I was in hospital. I asked them to phone again, they told me that they were aware of the fact and there was no need of any more phone calls.

Q Did you leave Paddington Hospital on the 14 Jun by walking out?
A Yes Sir, I was a walking case.

Q Was the doctor aware of the fact that you were walking out?
A Yes Sir.

Q How long after you left the hospital did you report to the military authorities?
A Four days.

BY THE COURT

Q Did anyone inform you that the Paddington Hosp was a military hosp?
A No Sir, but I thought it was a military hospital, there were other soldiers in the ward that I was in.

In the opinion of the Court it is unnecessary to comply with RP 83(5)

CASE FOR THE DEFENCE IS CLOSED.

PROSECUTOR ADDRESSES THE COURT ON THE FINDING

Sir,

The evidence produced by the Prosecution has proved the fact that the accused was absent at 2230 hours on the 20 May and I would like to point out that this absence was first shown as beginning on the 22 May in Exhibit "1" and is amended in Exhibit "2" to read 2230 hours 20 May 44. The evidence for the Prosecution shows that the accused did not return to his unit until 0140 hours 19 Jun 44. The Defence has brought forth evidence that this man was in a civilian hospital between the time he was found absent and the time he returned back to his unit. The accused was absent four days after he was released from this civilian hospital in London. The Prosecution maintains that the accused is guilty under Sec 15(1) MML, i.e. AWL.

DEFENDING OFFICER ADDRESSES THE COURT ON THE FINDING

Sir,

I would like to point out one or two irregularities in the proceedings. First the accused returned to his unit at 0140 hours 19 Jun, he was not paraded before his Coy C.O. until 21 Jun, 3 days elapsed. Secondly on the 22 Jun 44 he was remanded for 48 hours instead of 24. Thirdly, when remanded by the C.O. for the summary of evidence this summary was not taken until nine days afterwards, the 3 July. He was charged with being AWL from the 20 May 44 until 19 Jun 44, when a soldier is AWL he cannot be accounted for by his unit. Yet this soldier's own unit shows him admitted to and discharged from Paddington Hospital during this period of absence on the charge. Therefore, how can he be absent for that time? I have before me a letter from a London Doctor stating that he was being treated by this doctor from the 22 May continuously up to the 5 Jun, when the accused was admitted by this doctor to Paddington Hospital. I also have CMRQ Records Teleprinter corroborating the period of the hospitalisation as shown in Exhibits "3" and "4". In view of these confused circumstances and irregularities of procedure, also the accused has now been under close arrest for 26 days awaiting this trial, I ask that this case be thrown out.

COURT IS CLOSED TO CONSIDER THE FINDING
COURT IS RE-OPENED

PLEA IN MITIGATION OF PUNISHMENT

Sir,

I feel that this man has been unjustly kept under close arrest and he was very sick at the time of his AWL. In view of the fact that he was sick and the good conduct sheet and his good all around record as an NCO and soldier I would ask the Court to be as lenient as possible when sentencing him. He has been in the army since 3 Dec 1941.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. *RP* 35 *fn* 3. 2. *MML p* 54 *para* 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. NO, SIR.(5)

(1. *RP* 37(*B*). 2. *RP* 37(*D*) *fn* 6. 3. *RP* 35(*B*) *fn* 3 *para* 3, *MML p* 54 *para* 47. 4. *See para* E3 *of Record Form E.* 5. *Statement, if any, recorded per Notes.*)

B3. The Court considers the accused's statement (5). The Court decides (not) to advise accused to change his (their) plea(s) of Guilty to Not Guilty on the charge(s). The accused is (are) so informed, and he (they) change(s) his (their) plea(s) to NG charge(s). Part I of the Schedule is amended accordingly.

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)

(1. *RP* 25(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)

(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing on Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras* D1 *to* D8 *inclusive of Record Form D on p* 3. *RP* 37(*D*).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C1. As to the charge(s) on which accused pleaded NOT GUILTY the trial is continued by using paras D1 to D8 inclusive of Record Form D on p 3 before proceeding with C 2.(1)

(1. *RP* 37(*A*) (*E*).)

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B1 to B5 of Record Form B above.(1)

(1. *Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. If any plea is changed to Not Guilty, trial thereon proceeds by complying with paras C1 to C4 inclusive in Record Form D on p* 3 *and making an appropriate record thereof on a separate sheet.*)

C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? Ans.(1)

(1. *If "Yes", see RP* 39(*A*) *for procedure. Statement or evidence, if any, is recorded per Notes.*)

D2. The Prosecutor makes (an) (no) opening address.(1)

(1. *RP* 39(*B*), 60(*A*) (*B*), 90, 92(*C*) (*D*). *Record address per Notes, subject to RP* 95(*C*).)

D3. The evidence for the Prosecution is taken.(1)

(1. *RP* 39(*C*), *114, KR Can* 555. *Record evidence per Notes. As to Prosecutor giving evidence himself see RP* 39(*D*) (*E*).)

D4. The Prosecution is closed.(1) The Defending Offr submits that the evidence for the Prosecution does not establish a prima facie case against the accused on the charge(s).(2) The Court is re-opened, and the President announces that the submission is disallowed on the charge(s), and allowed on the charge(s), and that, accordingly, the trial will proceed on the former, but the accused is (are) found Not Guilty on the latter charge(s).(3)

(1. *Delete remainder of this para, if submission not made.* 2. *Arguments on submission, answer and reply are recorded per Notes.* 3. *RP* 40 *fn* 1. *See MML p* 71 *paras* 12-14 *and p* 81 *para* 42. 4. *Delete part not used. If accused acquitted on all charges use second alternative in para* D6.)

NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (*RP* 80(*C*), *114, 115.*)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans. Do you intend to call witnesses on your behalf? Ans. Are they witnesses as to character only? Ans.

(1. *RP 115.* 2. *RP* 40(*A*), *see* 80(*D*). 3. *RP* 40 *fn* 10. 4. *RP* 40 *fn* 2, 9.)

D7. The Court is closed to consider the finding(s).(1) The finding(s) of the Court is (are) recorded in Part I of the Schedule.(2) The Court is re-opened.

(1. *RP* 42, 117(*A*). *See Notes in Part I of Schedule.* 2. *RP* 44(*E*).)

D8. The President announces the finding(s), if any, of Not Guilty, and states to the accused that the finding(s) of the Court on the charge(s), being subject to confirmation, will be promulgated later.(1)

Or, The President announces that the accused is found Not Guilty on all charges and is to be released forthwith, and that the proceedings are accordingly terminated. Part I of the Schedule is dated and signed.(2)

(1. *AA* 54(3) (*b*), *RP* 45, 120(*A*). 2. *AA* 54(3), *RP* 45, 117. *This alternative pronouncement is not applicable when there are pleas of Guilty outstanding and dealt with under Record Form B or C.*)

D9. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E below.

RECORD FORM E—PROCEEDINGS ON CONVICTION BEFORE SENTENCE.

E1. President to accused: Do you wish to give evidence yourself or to call any witnesses as to your character?(1)

Ans. NO, SIR.

E2. The Prosecutor produces Statement(s) as to Character and Particulars of Service(1), and certified true copy (copies) of Conduct Sheet(s)(2), purporting to refer to the accused, which he submits to the Defending Offr for examination, and then to the Court for admission in evidence. The Court is satisfied that these documents refer to the accused, because (i) they purport to be signed in the manner required by AA 163(1) (*g*) (*b*), and (ii) they purport to refer to (a) soldier(s) having the same number, rank, name and corps as the accused. Admitted in evidence and marked Ex B and Ex C respectively.(3)

(1. *MML* 215 *or AFB* 294. 2. *MML* 6. 3. *RP* 46, *KR Can* 552. *If above documents not produced, see RP* 46 *fn* 1 *para* 1.)

At about 2230 hrs on 7 Jul while on duty as duty officer at HQ Army Tps Area, I received a phone call from the police in Dorking to the effect that the a/m soldier had reported in to the Police Station, stating that he had just returned from leave, and could not now locate his unit.

I sent transportation to Dorking to bring the man to this HQ's and on questioning him, found that he was returning from absence without leave, stating that he had been away for about 20 days.

As I believe that his unit has moved, I placed him under close arrest and kept him in custody overnight. It was 2315 hrs when he was brought to me. No statement of surrender or apprehension was furnished by the Dorking Police, as they did not know the man had been AWOL.

STATEMENT MADE BY THE Defending Officer in the case of G 48901 Pte. Dymond, C.W.

The accused enlisted for Active Service 28 Feb 40 and proceeded overseas Aug 41. Six months ago he applied for permission to marry Miss Patricia Archer of Surbition from O.C. 66 Gen Tpt Coy. Two months later similar application was made from 63 Tp Tpt Coy. In each case permission was NOT granted but no reasons were given though in the second case letter of recommendation from employer and a negative blood test report were both produced. About three months ago the accused learned that Miss Archer was pregnant and when she became quite ill Pte. Dymond asked for compassionate leave. When he was granted a 24 hrs pass on 17 Jun he went to her and stayed with her until the sickness culminated in a miscarriage. The following day he surrendered himself to the civil police at Dorking.

His conduct sheet shows cases of A.W.L. of less than 15 hrs with one exception only when the accused was brought in sick with a doctor's certificate having been absent 2 days and 9 hours. The accused had a social responsibility to that girl and it was his duty to be with her during that period. He also observed his responsibilities to the army since as soon as the sickness was over he returned. The man has been ~~xxxxxx~~ under close arrest for 15 days.

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(C)), any objections (*RP* 95(B)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accd in Court is Pte Smith. About 1400 hrs on 15 Jan 42 I ordered the accd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—" I've had enough parades ".

RP 82(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP 95 fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in *CF A 96*, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply so far as practicable, having due regard to the public service. (*RP* 122.) (i) Opening address by Defending Offr. (*RP* 89(C), 87(C), 92(C) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA (RP 40 fn 10)*), or evidence by accused, as to facts or his character or both. (*See RP 41 fn 3, 46 fn 1, 80.*)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP 46 fn 1.*)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP 89(B)*), or to prove previous convictions when accused has called witnesses as to character. (*RP 89(C).*)

(v) Closing address (*on matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP 46 fns 6-12, 87(C), 92(C) (D).*) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP 61.*)

(vi) Closing address by Prosecutor. (*See RP 46 fn 7, 87(C), 92(C) (D). Prosecutor has no right to address Court on subject of sentence except as provided by RP 48(E), KR Con 565(a).*)

Boundary: Cpl Dymond - Sgt Mossop

Capt Norman: Taken for Court: answer:

On the 2nd of Sept 1944 in my section
was sent to the front the end of a group
of about 15 soldiers + civilians dressed
back home three of our gunners were
obviously drunk + wounded in the shoulder
I ordered BSM Gillam to find a room
to be used as a guard room + to have
the three drunken gunners put into it.
under close arrest. Two of them went
in without any difficulty, but the third,
hearing of my order, became very
aggressive in front of the group of people
+ threatened to fight anyone who
tried to put him into the guard room.
There was quite likely about two
I ordered BSM Gillam to
detail two men at once to have
Gnr McMahon put in the guard room.
I heard BSM Gillam call Cpl
Dymond and Gnr Mossop, the two accused,
Gnr Dymond at that moment was
walking away from the disturbance +
was directly opposite the Estaminet, + Gnr
Mossop was in the Estaminet. Cpl Both
came towards the Sgt Maj + he advanced
towards them. I heard him, from a RODS
distance of approx seven paces, give
a lawful order to the effect "You take

him McMahon and put him on the guardroom and as he spoke he pointed out & waved towards it. On receiving the order Lce Sgt Dymond & Lce Mason both stepped in their tracks Lce Mason a little pause, the Lt Major then continued to walk towards Lce Sgt Dymond & Lce Mason who was approx two paces to the rear of Lce Sgt Dymond. I did not catch what B S M Cullen said but throughout it all neither of the Lce Sgts made a move. I saw B S M Cullen look at them & then say something more & then saw Lce Sgt Dymond & Lce Mason walking into the guardroom themselves without escort.

DO. Did you see B S M Cullen warn the accused of the seriousness of the charge.

A. No I did not.

DO Could you give me some idea of the length of time from when B S M Cullen told Lce Sgt Dymond and Mason to take the men into custody & they walked into the guardroom.

A/ Definitely not longer than five minutes and may have been less.

Pres. Was Lce Sgt McMahon in plain view of the accused

A McMahon was at B S M Cullen's right rear. All

B S M. Sellers - 2nd Statement for the Prosecution:

On the 2nd of September about your 1 o'clock I called to Lce Sgt Dymond & Morson to come & apprehend Lce Mc Mahon who had been drinking & place him in a room I had selected as a guard room. They approached me, Lce Sgt Dymond within two or three feet & Lce Morson slightly in the rear, but closely enough to hear what I said. After giving them the order that if they could not bring out the order to place Lce Mc Mahon in the guard-room, that they would be disobeying an order, & that they would have to place the guard on themselves. After I had told me they about disobeying the order, Lce Sgt Dymond said I will go in the guard room. I do not in you go & you will be under close arrest. The Lce Sgt Dymond went into the guard room followed by Lce Morson.

A/ I called ~~him~~ Sergeant Major to come & my exact words were to "Throw Mr Mahon in the guard room"

Q. Did either of the accused make any effort to carry out the orders.

A/ No none at all.

Q. As closely as possible what were your words when you cautioned the accused

Motion for dismissal.

(1) Defense moves that the order X "Show him in the guard room" is not a lawful command.

(2) The superior officer, B S M Killen, did not allow sufficient time for the accused to act on his order.

Court is closed to consider the motion.

The court finds that X "Show him in the guard room" was a lawful command given by a superior officer in the execution of his office.

(2) The superior officer, B S M Killen, gave no clear alternative to the accused if the steps to comply with his order. They escaped the stockade and entered the guard room themselves

The court disallows the motion for dismissal.

First Witness for the Defense - Sgt Raymond Brown:

~~Do~~ ~~To be [illegible]~~ I just came around the corner of a shed next to the cook house when B S M Lillen called me to throw how Mc Mahon in the guardroom. As I came up to B S M Lillen, how Mc Mahon happened to be going by and I told him that he had better go into the guard room, that he had a lot of fellows in trouble. B S M Lillen then said, "Never mind the ~~or~~ to throw him in the guard room, or go in yourself, and close up." I stopped to think for a minute, as I did not want to throw him in the guard room, since I had never thrown a man in before, & I had never pulled hold of any one how never pulled hold of any one except in fun. B S M Lillen told me to go into the guard room myself, so I went in.

DO. In what way did B S M Lillen caution you as to the seriousness of not carrying out his order.

A/ He said if you do not do it you will go in the guard room yourself.

DO/ Have you any other reason for not using force.

A/ I am a colored fellow & I have had enough time getting along with white people without fighting. I told him, & I knew if I took hold of Mc Mahon it would mean a fight.

Plea for Mitigation of Punishment

H65120 Pte. W.F. Dziadyk.

Pte. Dziadyk is 22 years old and was born in Inwood Manitoba of Ukranian and Polish parentage. He joined the army in June 1941 and came overseas in Nov 1941 ready and willing to fight for Canada. Since joining the army he has dealt for various Officers and has always got along very well. Pte Dziadyk feels that he has had rather rough treatment from his present unit, for although she is a qualified driver i/c he had very little opportunity of getting away from camp during the day while batting. He asked his o.c. if it wouldn't be possible to get on the road with one of the recovery crews for even a week or two until his boredom had worn off a little, but was turned down. He finally became very discontented and restless and when he complained that he no longer wanted to bat was put on sanitary and general duty fatigues and kept there.

In connection with the charge laid against Pte Dziadyk, he feels that Sgt. Morby might have given him the opportunity to finish shaving before going to arrest the tent. He also resented having to raid the present batman in his duties when he didn't request or expect help when he was doing the job. I therefore asked the court to consider these points in this case of Pte Dziadyk.

EXHIBIT A 43

SUMMARY OF EVIDENCE

Summary of Evidence in the case of No. H.65120 Pte. Dziadyk W.F. 5 Canadian Heavy Recovery Section, 2 Canadian Recovery Company, RCEME, C.A.O., Charged with disobeying a lawful command given personally by his superior officer (A.A. Sec. 9(1).

The accused demands that the evidence be taken under oath.

First Witness:- B.57209 S/Sgt. Morby, B.S., 5 Canadian Heavy Recovery Section, 2 Canadian Recovery Company, RCEME., sworn, states:-
"At approximately 1700 hours 1st Sept. 1944, I was instructed by Captain Palmason to get two men to help erect a tent for Lieut. Thomas, who had just arrived in camp with the remainder of the section. Seeing Pte. Dziadyk standing by the Orderly Room truck having a wash, I walked over and told him to help erect the tent, which already was at the proper location. I then went on to find a second man, succeeded and returned. I noticed that Pte. Dziadyk had not done as he was told so I spoke to him again, saying "Pte. Dziadyk go and help erect Mr. Thomas' tent" or words to that effect. He answered, "There is a batman for that job. Fuck you, I am not going to do it." I then said, "Are you refusing that order?" He answered, "Yes!" I immediately reported this to the Sgt/Major, and found another man to erect the tent. When the tent was erected I told Pte. Dziadyk that he was on charge for having disobeyed a command given by a superior officer. During the interval I ensured that Pte. Dziadyk was not prevented from following my order by any regimental duties or orders from any other source.
Cross-examined by accused:-
Q. When did I say "Fuck you"?
A. Just as the statement shows.

B. S. Morby S/Sgt

The accused was cautioned as follows:-
Q. "Do you wish to make any statement or to give evidence on oat You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evide

A. I wan t to make a statement.

Q. On oath or not on oath?

A. On oath.

B. S. Morby S/Sgt

The accused, sworn, states:-
S/Sgt. Morby was not properly dressed when he came up to tell me about the job which he brings me up to do for Mr. Thomas. I asked him "Where did the Batman go that I got to do batmen's work for the officers?" "Then S/Sgt. Morby told me that I should go to help put Mr. Thomas' tent up. I was still shaving when he told me the first time. He returned to order me. He still wasn't dressed properly for me to take orders from a sergeant who was Orderly Sergeant for the day. Just before I finished clearing up the shaving equipment S/Sgt. Morby came up from the orderly room and warned me that I was on charge and C.B. to the camp area. I did not understand either the first or second order was definite. I said, "There's a batman for this job." S/Sgt. Morby said, "Come on, Come on," without letting me finish my shaving.
I did not recognise S/Sgt. Morby until we came to the point where he put me on charge. S/Sgt. Morby was improperly dressed when he spoke to me at the last moment and put me on charge.

W.F. Dziadyk

The accused does not call any witnesses.
Rules of Procedure 4(c), (d), (e), and (f) have been complied with.

I certify that the foregoing Summary of Evidence, consisting of One page, we taken down by me in writing in the presence and hearing of the accused this 14th day of September 1944.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. *RP* 35 *fn* 3. 2. *MML p* 54 *para* 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans.....(5)

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)

(1. *RP* 35(*B*). *If one plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex....., initialled and read aloud by the President.(1)

(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras* D1 *to* D8 *inclusive of Record Form D on p* 3. *RP* 37(*D*).)

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

The accused Bkt 068 Bob Elkins, RA USMC
having been duly warned, testified:

I am Bob Elkins, USMC. On 11 Oct 44 at approximately 0745 hrs I went to see Sgt McLean in the orderly room and asked him if I could get permission for Bob Stinson to relieve me of present duty for a short while. Sgt McLean said having as the CSM detailed me for this present he could not definitely give me the permission. I asked him if the CSM was around and if I could see him. Sgt McLean replied that the CSM was around somewhere but he didn't know where. I then said to him that if I can't find the CSM, is it O.K. for Bob Stinson to relieve me. Sgt McLean replied it is O.K. as far as I'm concerned.

After I left the orderly room I tried to locate the CSM but could not do so. By reason of the fact that this type of incident is common in my previous regiment and is accepted as an understood fact as long as the duty is properly performed & unknown to me from the understanding with Sgt McLean that it was O.K. I then told Bob Stinson it was all right for him to relieve me because the CSM could not be found. At 1745 hrs 11 Oct Sgt McLean knew of my absence from this present. No action was taken on the subject before 0745 hrs 12 Oct by Sgt McLean. [redacted]

RACK.

closing address for the defence in
the case of Pte. Rack.

Gn. the President, gentlemen of the
court, the charge that bears the accu-
sation against the accused, that
he was not present at his picket
duty, we agree that he was not
there for a while. But we have shown
that this was due to some kind of
a misunderstanding and that every
effort has been done by the accused
to be able to face any enquiry. The
whole chain of circumstances
that envelopes the action of the
accused, by habits of normal
regimental life, minimizes so
much the strength of the accusa-
tion that the charge itself seems
to disappear completely.

a) The man made all the researches
possible to be relieved properly
from his duty for a very short
while.

b) Due to some kind of a misunder-
standing or facts understanding
he met a friend of his, from the
same regiment, performed his
duty.

c) The accused took all the possible
precautions to be able to resume
his tour of duty at any moment in
the evening.

d) He did not even go out of the
country, but in a ground
at very well known places.

e) A witness, to the details
told you what was the good

standing of Mr Albin injurious
in the last weeks.
For all those reasons we ask
to the Court justly Mr Albin
is guilty. We are convinced
of the contrary.

Prosecution Address

Mr. President and Members of the Court. Rebk.

The accused is charged with deserting himself without leave after being duly warned for picquet duty from the time the picquet mounted, i.e. 1745 hrs. until the time the accused would be appointed duty, i.e. 2130 hrs.

I call the attention of the court to Sec 15 (1) (1) of the Army Act P. 441 of M.M.L. (Para 3 of Rules under it) "Note" "The desire - - - without leave"

Upon this rule the case of the accused is we submit a breach of the wording of the picquet, as it was his duty so to be.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

THE CASE OF C11611 Private ELIGH, L.J. of 63 CDN ARMY TPT COY RCASC.

FIRST WITNESS: Cpl Farris A.L. of 63 Cdn Army Tpt Coy RCASC having been duly sworn is questioned by the defence.

Q.1 Cpl Farris, will you give evidence as to the accused Pte Eligh?

A.1 I have known Pte Eligh since July 1944. He was in the section when I came. He has worked very hard and has always been very tidy. He has done a lot of work on his own and travelled by himself. He has never caused me any trouble what-so-ever.

Q.2 Have you anything to add to that?

A.2 No, Sir.

SECOND WITNESS: D.127085 Cpl Gardin, G.A. of 63 Cdn Army Tpt Coy RCASC, being duly sworn is questioned by the defence:

Q.1 Cpl Gardin will you make a statement to the court about Pte Eligh?

A.1 I have known him ever since I entered this 63 Coy shortly after it was formed. As a Cpl Instructor in #1 weapons I have had to train among other men Pte Eligh, his reaction of my instruction convinced me that he was willing and benifited by what ever training I attempted to give him. Again when I was a Sgt in HQ Pl of the same coy, Eligh was in the said platoon during which time I have had occasion to ask him to carry out certain duties. He was always obident and complied with my orders willingly. Since coming to France, having again contected him in "B" Platoon even though he is not in my section he has been co-operative and gives me the impression generally that he is a patriotic soldier. This is all, Sir.

PROSECUTION appears as witness I hereby submit M.FM, 6 certified true copy. I have checked the entries against the regimental books and found that they are correct. I also submit M.F.H. 355 which has been checked by Capt. Eagle of this coy and he has signed it.

Q.1
Defending Officer Do you wish to address this court in connection with the M.F.M. 6 and M.F.H. 355 or on behalf of the soldier?

A.1 Yes, Sir the accused wishes me to make a statement in mitigation.

PLEA IN MITIGATION

Sir, Members of the Court

The accused admits his guilt on both charges. He admits that he used a military vehicle for personal recreation. He admits that he was A.W.L. for a period of 1 day and 1½ hrs.

Will the court remember that this admission refers to the fact that he took a vehicle for 3½ hours to go a distance of twenty to thirty miles? He declares this in his evidence given under oath. In the second charge that he admits, will the court in passing sentence, remember that it would have been 4½ hours not 1 day and 1½ hours if he had not stopped for for 1 day and 8½ hours to attempt to recover a vehicle that had been stolen from him; because he realised his responsibility and duty to make an effort to regain it. This he admits in his evidence given under oath. The court is requested to take into consideration the unfortunate train of circumstances which led the accused astray, his bed roll in another lorry because his was full, his steps to recover his bed roll because he did not want to spend another night without it, the unfortunate chance of meeting with a man whom he thought was his friend, a man who pressed him to do a favour for past favours, a man who talked him into carrying out an act contrary to military law. These facts the accused has pointed out in his evidence given under oath. Finally I would ask the court to remember that the accused is a man who has given four (4) years and (9) nine months of service to the army, who has carried out his duties in action in this theatre of war consientously without a single point against him until this happened. He is not a man who has wilfully and malignantly committed an act detrimental to the discipline of the Cdn Army, but is a man who has allowed himself to be mislead.

THIRD WITNESS Lieut. D.M. Irvine, 63 Cdn Army Tpt Coy RCASC, having been duly sworn, states:

"I am Lt. D.M. Irvine, Pl Comd of "C" Pl, 63 Cdn Army Tpt Coy RCASC. I was convoy comd of 24 vehs from this Unit, employed on a tpt detail #T439/858 moving 2 Cdn Gen Hosp. These vehs included Nos. 1 and 2 Sections from "B" Pl of 63 Cdn Army Tpt Coy RCASC. On the afternoon of the 7 Nov 44 the vehs under my charge arrived in Ghent and were split into four groups and sent to different parts of the City. #2 Sec containing Pte Eligh's veh was parked under guard in the veh park of 9 CBRG. On the evening of 7 Nov and the morning of 8 Nov I checked with the NCOs in charge of the four sections and was informed that all vehs were present. On the morning of the 9 Nov I returned to my unit HQ near Antwerp to report the progress of the detail and I did not return to Ghent until the morning of 10 Nov. On my return to Ghent I was informed by Cpl GARDIER that Pte Eligh and his veh had been absent the previous day but that Pte Eligh had returned on the morning of 10 Nov without his vehicle. I immediately checked with Cpl FARIS, NCO i/c of Pte Eligh's section and found that Pte Eligh had been absent from approximately 1900 hrs on the 8 Nov to 0800 hrs on the 10 Nov. At approximately 1000 hrs on the 10 Nov Pte Eligh reported to me stating that he had taken his veh on the evening of 8 Nov and gone to Menin. He also stated that Pte Daniels, a cook in "C" Pl had been with him and that they had become separated and that Pte Daniels had taken the lorry away at approximately 2230 hrs on the evening of 8 Nov. I placed Pte Eligh on charge immediately, and on return to my Coy HQ, reported the circumstances to my O.C."

Third Witness cross-examined by Capt Eagle

Q 1 Did you or anyone else to your knowledge give any general order permitting the men on tpt detail in Ghent to leave their sec lines on 8 Nov 44 ?

A 1 No, sir.

...../3

Q 2 Did you or anyone else to your knowledge give Pte Eligh permission to leave his sec lines in Ghent on 8 Nov 44 ?

A 2 No, sir.

Q 3 Did you or anyone else to your knowledge give Pte Eligh permission to use a lorry to pick up his bed roll at #1 Sec lines or for any other purpose ?

A 3 No, sir.

(D. M. Irvine) Lieut.

(The accused declines to cross-examine the witness)

The accused elects to make a statement as evidence under oath, having been duly cautioned in accordance with R.P. 4 (e) as follows;

"Do you wish to make any statement or to give evidence upon oath ? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing, and may be given in evidence."

C-11811 Pte ELIGH, L.J., 63 Cdn Army Tpt Coy RCASC, having been duly sworn, states:

"I am C-11811 Pte ELIGH, L.J., a driver in #2 Section, "B" Pl, 63 Cdn Army Tpt Coy RCASC. On 8 Nov 44 I was in Ghent with my section which was employed on a tpt detail moving 2 Cdn Gen Hosp. I had during the previous nights on this detail been sleeping in Pte Prescott's lorry and my bed roll had been left in that vehicle. As our section had been split up on arrival in Ghent, Pte Prescott's vehicle had been sent to a different location from mine. I found out where that was, and at approximately 1700 hrs on 8 Nov I took my veh #4266163 and went to the other parking place to get my bed roll. I stayed there for supper and afterwards was in conversation with Pte Daniels of "C" Pl. He asked me to drive him to Menin to visit a lady there whom he had known in Canada. As he told me it would only take about 20 minutes, I consented to do so. On arrival in Menin the lady concerned invited us in for tea and also gave us several drinks. While we were there, Pte Daniels asked me if I would go with him to Lille but I told him I would not and that I was going to return to Ghent. Shortly after 2100 hrs I was in the kitchen of the house we were in, helping the lady dry the dishes. Pte Daniels was not there with us. I missed him and went to look for him but found that he was not around the house and discovered also that my lorry was gone. As I did not want to return to camp without my lorry, I hitch-hiked to look for Pte Daniels. On the way to Lille, I stopped at Roubaix and looked about there for Pte Daniels and my vehicle. As I did not find them I went on to Lille and spent all night looking in the places I thought Pte Daniels might be. I continued my search until the evening of the 9 Nov but, though I found traces of him, I was unable to catch him. At approximately 2200 hrs on 9 Nov, I gave up the search and hitch-hiked back to Ghent where I arrived early in the morning of 10 Nov. At approximately 1000 hrs on the 10 Nov I reported to Lt. Irvine and told him the circumstances of the case."

STATEMENT OF EVIDENCE IN THE CASE OF

A-38071 Pte. Ellerbrun, C.W.J., The
Highland Light Infantry of Canada
3 Cdn Div.

Sir:

At Hove on the 21 March 1943 about 0045 hrs. I was on duty in Kingsway where I saw a vehicle approaching towards me at a very fast speed on the wrong side of the road. I signalled with my torch for the driver to stop. He applied his brakes and swerved across the road colliding with a traffic island in the centre of the road, and was unable to stop until he had proceeded about 100 yards past me. I approached the vehicle (W.D. Jeep No. CM 4230335) and found it contained a female civilian passenger. I asked the above named who was the driver, the nature of his duty, and the authority to carry a female civilian passenger. He replied that he had taken a gun to be repaired and was on his way back to and was giving a girl a lift. I examined his Work Ticket, and found it made out to a Pte. Myers, L.J. of the same unit, and dated 27 Feb 1943. He was unable to produce his M.B.M. 1, and stated it was at his billet. He further stated that he should not be here, and was giving the girl a lift home from Angmering. He admitted to me that he was absent from his unit from 2359 hrs. 20 March 1943.

I placed the soldier under arrest and he was taken to Brighton Police Station where he was handed over to the Station Sergeant to be detained awaiting an escort.

F-56917 Pte ELLIOTT- accused sworn. NNSH. having been duly sworn states, that:-

I- F-56917- Pte Andrew Alexander Elliott, NNSH. at about 1215 hours 30 Nov 44, when on my way to lunch, Capt Bennett, of NNSH. O.C. "A" Echelon, stopped me, and asked me what I was doing there. I replied that Capt. Campbell, had told me to stay, until I was called for. He then told me to get out of there & that he did not want to see my face, any more & then he walked away.

C.S.M. Grant was standing near by & heard what I said. C.S.M. Grant winked at me, but did not say anything.

I then went & had my lunch & after lunch, I thought things over & decided if that was the way they felt about it, & that I was not wanted, there was no use in staying there.

I have never had any other crimes before, since enlisting in May 43 & have always tried to do my best.

I wish to go back to a fighting Unit, but not the NNSH, as there might be more trouble there.

F-56917 Pte ELLIOTT, Andrew Olsen, NNSH having been duly sworn states that:

I , F-56917 Pte Andrew Olsen ELLIOTT, NNSH, at about 1215 hrs 20 Nov 44 when on my way to lunch, Capt BENNETT, of NNSH, OC "A" Echelon, stopped me, and asked me what I was doing there I replied that Capt Campbell had told me to stay, until I was called for. He then told me to get out of there and that he did not want to see my face, any more and then walked away.

CSM GRANT was standing near by and heard what he said. CSM GRANT winked at me, but did not say anything. I then went and had my lunch and after lunch I thought things over and decided if that was the way they felt about it, and that I wasn't wanted, there was no use in staying there.

I have never had any other crimes before, since enlisting in May 43 and have always tried to do my best.

I wish to go back to a fighting unit, but not the NNSH, as there might be more trouble there.

First Witness for Prosecution.

Statement in mitigation of Sentence in the case of #135488 Pte. Elliot C.R.

Defending Officer:- Capt. J. R. Learn.

Pte. Elliot was in my B. in this Unit from July 44 until March 45, during which time he discharged his duties as a soldier to my satisfaction. The time Pte. Elliot took it upon himself to go A.W.L. the Unit was out of the line and had been in that state for over a week. Further Pte. Elliot has had no other crime, since leaving Canada and no major crimes during his service in the army. Finally this soldier was not apprehended but did make his own way back to his Unit, which took a period of four days, inasmuch as the Unit was some distance from the Reichswald forest, where he had left it.

Lieut. F. P. Gasocque, R [illegible] Pro-Div Pros. Sec. WCIS C,
having been duly sworn states:-

I am Canad by Frs. TCVS 4 Cdn Armd Div

9 Apr 45 I attended and Frs rendered by H. Coll C
Volkman OC Unit & Wed Regt. Particulars of TCV Frs
is attached. Later I came into OC Frs with my aide to
effect removal of non-prisoners & surrender
17 Apr 45 an order by Lance Wed Regt from Corps,
17 Apr 45 was read & Regt in process, the accused
was in charge of the Regt at the time (Order
Marked by Prosecutor, marked Exhibit A
and signed by the Frs.)
Subsequently Ex A was proved by accused
and filed later as part of files he maintained
as Regt Clerk.
10 Apr 45 we were in Regt, Germany, when the
Germans counter-attacked the Town and all troops
were ordered to stand to.
About 1 pm I was standing by the POW Cage and
saw the accused, walking down the street with two
German women and one German man. I called to
him and asked where he was going. His reply was
that he was taking these people to the doctor because
they were afraid of the firing. I ordered him to
return to his area and let them go alone.
About ½ hr later, I went into my kitchen which
was located at the rear of the Battn's stores
and glancing thru a glass door saw the
accused sitting in a room with a number
of German civilians. I went into the room
and ordered him to leave the house and
told him he must not go back in that area as
was fraternizing.

The accused went out of the house but when I returned at about 1030 hrs I saw 2 soldiers in same room, one of whom was the accused. I went into the room and saw that there were some German civilians and the 2 soldiers accused and other soldier were sitting among them with bottles and glasses at their side.
I placed the accused and other soldiers under open arrest and told them they would be charged with fraternising also.
Later on I saw the accused lying sprawled on the sidewalk asleep. I ordered Cpl. Quadros V.R. & Rumani the accused & the house and then turned right Cpl. Quadros walked with me in my presence, and the accused had his dinner. At this time the accused's face was flushed and he walked unsteadily.
Later - may be ½ hr - I went behind the house where we were billeted where there was a garden separated from POW cage by a hedge and there through this hedge I saw the accused speaking with a female civilian who was in the cage.
I then called two soldiers and placed him in close arrest.
I state that by my instruction there was a distribution of cards warning against fraternising also of April 45
I do not think it was duty of accused to walk on street with German civilians.
The liquor was not issued by the Troops. I don't know where it came from.
When I had accused put under close arrest he had to be assisted by his escort
After being placed under close arrest he was put in a house - about 4 to 5 hrs as I came off

Otta heard - he shut his head out the window and said - "What is this - an invitation to fuck off!"
When placed under close arrest he was not in condition to carry out his duties.
In this case orders were that anyone would be ready to stand too. Some soldiers were posted as adjacent sentries. I assume
The accused's duty was as herb by Cpl. Madsen stand-to that not given any special duty.
X-examination -
Accused did return immediately to area when ordered to do so.
The detention cell was not used by our people - if it was used by them it was without my knowledge or consent.
I did not actually see accused talking with Corleans at any time.
I doubt even if lorries were shuttling.
Accused was shuttling in any Corleans.
If a human resource tries to make statements it were official matter I would report them to him - otherwise I would discreet them
I have power to return about official matters which is not pertaining my.
Cpl Madsen would presumably warn accused.
At stand-to, accused would normally remain in the office
In case of stand-to, accused job is to do what his superior tells him to do.
I did see Elliott without his weapon - the only time I saw him with it was when he was escorted by civilians down the street.
I was reliably sure that accused was drunk by the time he was in the street.

I doubt knows nationality of female POW in cage of whom accused was speaking.
Civilians were rounded up that morning as a detail rescued by civilian surgeon.

By the Court.-

I had a long discussion by Lt Schutt of "with my troops. I don't know accused was there - I silently take up duty and was there.
We had had food to before, accused knew what he was to do - stay in Orderly Room with me.
I don't know if accused spoke German.

Judge advocate.

The accused was with German civilians, in habitant by Germany in the kitchen.
In my opinion the accused was drunk from the time I put him under open arrest.
He seemed to get more drunk after dinner.
He was improving by time I put him

PART I ORDERS

BY

LT-COL R C COLEMAN, MC - OFFICER COMMANDING

Last Issue No 15, d/12 Feb 45 148 - 154 Issue No 16, 17 Feb 45

148. RELATIONS WITH THE GERMANS

1. The relations adopted by the Allied Armies of Liberation towards the GERMANS will have great bearing upon the peace planning and upon the whole future of Europe. In order that the standards of behaviour and method of approach should be the same amongst all the Allied Forces, the Supreme Commander has laid down the policy which is outlined below.

2. German Attitude and Propaganda

(a) The German mental attitude during the previous occupation of Germany ranged from hatred, through friendliness, to fawning subservience. In the coming occupation, all attitudes of mind may be encountered, differing with persons and localities, and changing from time to time. However, because of this war's greater air-bombing damage and possibly ground combat within Germany, and because of the intense Nazi indoctrination, German hatred may be far deeper and more universal than in 1918. Also, the whole country will be occupied, as compared to only a small fraction in 1918.

(b) The German conception of themselves as a "Master Race" has been too deeply implanted to be eradicated outright; many Germans will accept defeat as only a temporary phase of a continuing struggle, and strong efforts will no doubt be directed towards regaining a commanding position in Europe. Plans for underground continuation of the struggle are believed to exist.

(c) Aside from initial resistance by any German mil forces not immediately under control, the occupying forces must be prepared for civil disorders, incl sniping and assaults on individuals, sabotage, provoked riots, perhaps even organized raids. Hidden arms will undoubtedly be available.

(d) Later there is likely to be deliberate, studied and continuous effort by the Germans to influence the sympathies and thoughts of the occupying forces, with a view to minimizing the consequences of defeat and preparing the way for a resurgence of German power. Propaganda in widely differing forms may be expected. It will probably endeavour to weaken the Allied solidarity; to undermine the Allied determination to exercise supervision and enforce the surrender terms; to induce a reduction in the occupying forces; and to lower Allied morale and mil effectiveness.

While open propaganda through press and radio will probably be ineffective because of Allied supervision, it is expected that word-of-mouth propaganda, under the direction of underground agencies, will be attempted unceasingly by the population wherever it contacts Allied personnel. Its methods will incl attempts at fraternization by civilians (especially by children, women, and old men); attempts at "soldier-to-soldier" fraternization; and social, official, and religious contacts. The propaganda may incl appeals to generosity and spirit of fair play; appeals to pity for victims of devastation; appeals to racial and cultural similarities between Germans and Anglo-Saxons; organization of

148. RELATIONS WITH THE GERMANS (Cont)

2. German Attitude and Propaganda (cont)

(c) (cont) sympathy for an allegedly misled and oppressed people and its starving children; sowing of discord between British and American forces and between them and the Russians; and attempts to prove that Nazism was an alien idea implanted against the general will in the cultured and unaggressive minds of Germans. The propaganda will be universal, insidious, and dangerous, and will require extensive means to avoid and combat it.

3. General Conduct

(a) Allied personnel will so conduct themselves in their relations with the inhabitants of Germany as to command respect for themselves and for the countries which they represent.

(b) The Germans, as a nation, hold the armed forces and all things military in deep respect. A high standard of conduct and discipline must therefore be maintained by Allied personnel.

(c) Acts of violence committed when not in the lawful course of mil duty are forbidden, as are acts of pillage and oppression. If such transgressions occur, offenders will be severely punished.

4. Drunkenness

Strict measures will be taken to control the consumption of liquor by Allied Personnel. Cases of drunkenness will be firmly dealt with.

5. Non-Fraternization

(a) Definition: "Non-Fraternization" is the avoidance of mingling with Germans upon terms of friendliness, familiarity or intimacy, whether individually or in groups, in official or unofficial dealings. However, non-fraternization does not demand rough, undignified or aggressive conduct, nor the insolent overbearance which has characterized Nazi leadership.

(b) There will be no fraternization between Allied personnel and the German officials or population.

(c) This policy of non-fraternization is necessary in order to emphasize the relationship between the occupation forces and themselves and to encourage their efforts to defeat the objects of the occupation. They must learn this since that their supp[illegible] and allegiance of militaristic leaders, their acceptance and furtherance of racial theories and [illegible] this [illegible] in Europe have brought them to complete defeat and have caused the other people of the world to look upon them with [illegible].

6. Attitude towards German officials

(a) Allied personnel dealing with Germans on official business will be just but firm. They will adopt an attitude of [illegible] stay. They will make it clear by words and attitude that immediate compliance with orders and instrs will be required and enforced. In official, as in personal matters, there must be no fraternization. The definition laid down in para 5 above applies to both.

/148. RELATIONS WITH THE GERMANS

143. RELATIONS WITH THE GERMANS (cont)

6. Attitude towards Germans in Official Contacts

(b) Contacts on official matters with Germans, both military and civilian, will be restricted to the minimum necessary to ensure adequate supervision of execution of the surrender terms and other official business. There will be no entertaining, "official" or otherwise.

(c) Germans holding or appointed to official positions, such as police, administrative or mil positions, will be made to understand that they hold office by consent of Allied authorities, and only so long as they conform to Allied instructions and requirements.

7. Implementation of Policy of Non-Fraternization

The policy of non-fraternization will be implemented by the adoption of the following measures:

(a) Segregation in Quarters. The billeting of offrs or men in the homes of the population is forbidden. Separate quarters for tps will be obtained by the use of permanent barracks, schools and other public bldgs, by requisition of hotels, private bldgs and houses, or by the use of hutted or tented camps. Permanent quarters will be so located as to minimize contact with the German population.

(b) Marriage. Marriage with Germans or personnel of other enemy countries is prohibited.

(c) Religious Services. Whenever possible, church services conducted by Allied chaplains will be provided. Where this is not possible, attendance at German churches will be permitted; in such cases, separate seating will be provided for the tps.

(d) Restrictions on Contacts. The following must be prohibited: visiting German homes, drinking with Germans; shaking hands with them; playing games or sports with them; giving or accepting gifts; attending German dances or other social events; accompanying Germans on the street, in theatres, taverns, hotels or elsewhere (except on official business); discussions and arguments with Germans, especially on politics or the future of Germany.

(e) Execution and Enforcement. Commanders will take energetic action to implement and execute the policies and instrs contained in this section. Uniform enforcement of non-fraternization is especially important throughout the zones of the Allied armies.

8. Application to all Allied Personnel

The provisions of this memorandum apply to all personnel of the Allied Expeditionary Forces [illegible] Army, Navy, Air Forces, and all civilians under military control.

149. DAILY C & S STATES

(a) C & S States are necessary each day for 3 purposes:
(1) To show the actual str of the Bn to the offrs who are responsible for reinforcing it--these are the figures on which rfts are demanded from the UK.
(2) To notify those concerned of casualties due to battle, sickness, and other causes, so that Records (and, where necessary, next of kin) may be infm.
(3) To allow rations to be divided correctly to ensure fair distribution.

(b) C & S States are made out daily to reach the Adjt by noon each day on the pro-forma already published. During recent operations, the daily C & S State was ignored or submitted with false figures by clerks who had not positioned themselves so as to ensure that they would collect the maximum of correct infm. The effect of this was to falsify the actual str of the Bn: cas were over-estimated by higher fmns and rfts were sent fwd greatly in excess of what was actually needed. This situation might easily have occurred in reverse, so that coys would have fought greatly under strength. Correct cas reports can be made without holding a muster parade on the battle-field: the CQMS usually knows how many he feeds, the SBs can usually remember individuals they have helped, and the RAP can usually state who has passed through. It is the duty of the coy clerk to utilize all these resources to secure a true picture of the state of affairs.

(c) Accuracy is of the greatest importance. Names, numbers, rank, and initials are required, together with the DATE of the occurrence, and the exact nature of the casualty. "Evacuated to hosp" is not sufficient: always state, "Evacuated wounded", "Evacuated sick", "Evacuated injured", as the case may be. Personnel who are SOS on committal to Detn Barracks, posting to another Unit, etc, should be so shown.

(d) For the purpose of calculating the ration str, attached personnel should be listed on the reverse of the form, by name except in the case of large numbers.

(e) It is the particular duty of the CSM to see that the Coy Clerk receives the maximum co-operation in this regard, and that it is properly recorded.

(f) Part I Orders No 91 para 2, 102 para 13, 117 para 5, of 1944, are CANCELLED.

150. SHORT LEAVE ALLOTMENTS

Short leaves to BRUSSELS are allotted as follows:

1 Mar - 3 Mar 45: Each rifle coy & Sp Coy, 4; BnHq 1.

151. MARCH DISCIPLINE AND DRESS

Coy Comds are reminded that troops must march in single file facing the flow of traffic, i.e., on the left side of the road. Coy Comds will ensure that there is proper spacing and standardization of dress, on the march and at all other times during trg. Dress will be either battle-dress alone, or leather jerkins over battle dress on the march, in trg areas, or in any area in rear of Bn HQ; offrs will dress like their men. Jerkins leather with sleeves sewn in may continue to be worn, but new ones will NOT be made; shortened greatcoats will NOT be worn. Summary of Evidence in the case of A55786 Pte. Edward Hagues ELLIOTT, "E" Group T.C.V., 4th Cdn. Armd. Div. Tps. Coy, R.C.A.S.C. The Commanding Officer has directed that the evidence be taken on oath.

1st Witness Lieut. F.C. Gascoigne of 4th Cdn. Armd Div. Tps. Coy, R.C.A.S.C. having been duly sworn states:
I am Lieut. F.C.Gascoigne, Cmd. "E" Group T.C.Vs., 4th Cdn. Armd. Div. Tps. Coy, R.C.A.S.C.
On the night of 9th April, 1945, following a meeting with the Officer Commanding the Lincoln & Welland Regt. I warned the personnel of "E" Group that the orders regarding fraternization must be regarded as serious and would be enforced.

On the morning of 10th April, 1945 the enemy counter-attacked the town of Sögel and there was fighting in the streets. "E" Group T.C.Vs. personnel were ordered to stand by with their weapons. At about 0900 hrs. I saw A55786 Pte. Elliott, E.J. whom I now recognize, walking down the street outside the Group area with three civilians. I asked him where he was going and he said that he was accompanying them to the doctor because they were afraid of the firing. I ordered him to return to his area and let ~~him~~ them go alone. About 30 minutes later I went to my cookhouse which was located in the rear of a German' baker's house in Sögel, and through a glass door saw Elliott sitting inside with civilians. I went in and ordered him out of the house and re-iterated my warning against fraternizing. I recognized the civilians whom he was visiting as the same people he had been accompanying down the street earlier. About an hour later (approximately 1030 hrs.) I again went to the cookhouse and looking in saw two soldiers there. These soldiers were Cpl. Roy, L.N. and Pte. Elliott, E.J., they both had bottles and glasses by their sides and there were some six civilians in the room with them. I placed both of them in open arrest, warned them that they would be charged with fraternization, and ordered them to leave the house and not to return. Shortly afterwards I returned to the cookhouse and found Elliott sprawled on the pavement on his back in an ungainly attitude. I ordered Cpl. Meadows, V.R. to remove Elliott to the house and to tell him he must stay there until he had sobered. Some minutes later I went to the rear of the house in which I was billetted and where the office was located. Adjoining the garden at the rear of this house was a prisoner of war cage, and I saw Elliott speaking to a female civilian who was being detained by the Provost Detachment. I then ordered him placed in close arrest, but allowed him to sleep on the lawn close to the house with his escort. ~~Shortly after~~ ~~[illegible]~~ He had to be assisted by his escort ~~to~~ the rear of the garden as he was unable to walk unaided. In my opinion this was because he was drunk. About this time the Germans began to shell the town and rounds were dropping within 50 yards of the Group area, therefore I ordered that Elliott be taken into the house and confined for his own protection. Sometime after dinner I was walking towards the house when Elliott opened the windows of the room in which he was held and leaning out said "hey! whats this supposed to be, an invitation to fuck off" I then decided that he was sufficiently recovered to be removed and I released him from close arrest and sent him to the Lincoln & Welland Regt. "B" Echelon, as I did not want a non-effective in the Group while conditions were so unsettled.

The following questions were asked by the accused:

Q-1. Did you see us talking to the civilians Sir?
A- No! I did not, but as I had been told earlier that these people were being taken to the doctor because they were afraid I knew that there had been some conversation.

(continued)

Q-2 Did you see more than one bottle sir?
A-2 I am not certain, but it is my ~~x~~ impression that there was a bottle beside each man.

I am H52044 Pte. Warren, C.E., a member of "E" Group T.C.Vs., 4th Cdn. Armd. Div. Tps Coy, R.C.A.S.C. On the morning of the 10th April, 1945 when "standing to" in the Group area, I heard Lieut. Gascoigne say "where are you going Elliott"? Elliott said "I am taking these three people to the doctor".

The accused declined to cross-examine this witness.

3rd Witness H52083 Cpl. Meadows, V.R., 4th Cdn. Armd. Div. Tps. Coy, R.C.A.S.C., having been duly sworn states:
I am H52083 Cpl. Meadows, V.R., a member of "E" Group T.C.Vs., 4th Cdn. Armd. Div. Tps. Coy, R.C.A.S.C. On the morning of the 10th April, 1945 I was standing near the P.W. Cage behind the house where I was billetted. I went into the house and Lieut. Gascoigne told me that Cpl. Roy and Pte. Elliott were under arrest. I walked over to the kitchen and saw Pte. Elliott lying on the floor. I went to the Admin. lorry, and a few minutes later returned to the kitchen and called Pte. Elliott for dinner.

4th Witness H51783 Cpl. Roy, L.N., 4th Cdn. Armd. Div. Tps. Coy, R.C.A.S.C. having been duly sworn states:

At approximately 1030 hrs. 10th April, 1945, Elliott invited me to a drink of wine in the kitchen of the house in which our cooker was located. ~~The kitchen was in the room next to the kitchen.~~ The cooker was in the room next to the kitchen. I went into the kitchen to have a drink, shortly after Lieut. Gascoigne came in and ordered us both to leave the room, which we did.

The following questions were asked by the accused:

Q-1 Did you hear me speaking with the civilians?
A-1 No.

Q-2 How many bottles of spirits were there in the room?
A-2 I only noticed one.

L.N. Roy

Cpl: Roy, L.N.

Statement made by the Accused.

On the morning of the 10th April, 1945 I was in the cookhouse which was located in a German house. A civilian called to me from the kitchen door and asked me if I would escort a sick man to the doctor as they were afraid to be alone on the streets amongst the soldiers. I agreed to do this, as I certainly did not think it would be fraternizing. I did not at any time do any drinking with any German civilians.

THE HIGHLAND LIGHT INFANTRY OF CANADA

Date 21 Jul 45

B-143704 Cpl. Elliott, J.

This is to certify that the U/M is fit/~~unfit~~ to undergo a Field General Court Martial.

Medical Officer

1st Character Witness for the Defence — Lt. C.J. Tancock, HLI of C, having been duly sworn states:

About 27 Mar 45 I became Pl Comd in the HLI of C. About 25 Mar 45 Cpl. Elliott returned from the NCO's school as one of my NCOs. From the Div. school he had a favourable recomendation. I immediately employed him as Section Leader. Cpl. Elliott did a very fine job and as soon as vacancy permitted I had him promoted to full Cpl. Cpl. Elliotremained with me till the end of hostilities and was always ready to do any job I asked him to do. When volunters were called for C.F.E.F. Cpl. Elliot and four of his sect. submitted their names. A separate platoon of C.F.E.F. personel was formed and Cpl Elliot left my platoon. In my estimation Cpl. Elliot did a very fine job and saw plenty of action.

Q. Do you know any reason that might contribute to Cpl. Elliot absenting himself?

A. Yes. When C.F.E.F. draft was called out Cpl. Elliot was one of the men not called on Draft. He was very keen to go C.F.E.F. and every day he used to ask me if there was any word on his going to the East. I think when his four men left on draft and the expectation of going home tended to get him a little browned off.

NO CROSS EXAMINATION

RP 83(B) complied with.

2nd Character Witness for the Defence — A.37833.L/Sgt L.A. Carty, HLI of C - "A" Coy, having been duly sworn states:

I have known the accused since last August and he has always been in my section and he has always carried out his duties efficiently. He has never been in any trouble. He was a very good man in action. He has always done his duty with good spirit.

Q. Do you know any reason why Cpl. Elliot might have absented himself?

A. He had voluntered for the Far East Forces and he got fed up with hanging around and they didn't seem to be doing anything about it.

NO CROSS EXAMINATION

QUESTION BY THE COURT

Q. You made a statement, Cpl. Elliot was in your section since with the unit. Did you ever know him to be AWL before?

A. No, sir.

RP 83(B) complied with.

Statement in mitigation

I would first of all like to call your attention to the M.F.M. that while there are a few marks on them you will find them clean since accused left Canada.

I would also like to your attention that it is very unusual for a case of this kind (4 days absence) to be remanded for 2 M.M. as it could have been disposed of as usually the case by reducing accused to the ranks, so I ask that you keep this in the for in considering this case.

(Contd)
On next page.

Mr. President + Members of the Court,

I would like to say a few words on behalf of the accused, Cpl. Elliott. He came to the unit last July just after Caen and since that time has served steadily and well.

During the Falaise Campaign last fall, throughout the winter on the flats below Nijmegen, and in the campaign leading up to the Rhine, the accused was a member of my platoon serving as a Bren gunner and latterly [redacted].

I might say that he was an excellent fighting man and at all times proved steady, dependable and efficient.

After the cessation of hostilities in Europe, he volunteered for service in the Far East but as yet has not been called for draft. He apparently found the period of waiting very monotonous and in that spirit deserted himself for a few days.

That he is guilty of absence is quite evident, but I would ask what ~~as~~ you consider punishment you will do so in the light of this statement, bearing in mind that ten months in the front line was his contribution to victory.

I have been cautioned by Sgt Frost No 1 C.I.C. that I need not say anything I wish to do but that anything I do say will be taken down in writing and may be given in evidence. I understand this caution & wish to make the following statement. J.C. Elliott.

Last Saturday I moved into billets in Steenbergen. I was in charge of the Sigs vehicle. There was a safe in these billets. We had been working in the evening and at about 2000hrs Matheson, Bouchard & Rauh and I decided to try to open the safe. I don't know who got the tools out of the truck but we forced the door open & shattered the bottom out of it. I got about 200 Swiss and a watch and a ring. I have hidden them but will try to recover it all. The rest of the cigars were given away. We had 3 or 4 boxes altogether. I would like to straighten this out as best I can and will repay any loss incurred.

SUMMARY OF EVIDENCE

Summary of evidence in the case of M35465 LANCE SERGEANT JIM CHARLES ELLIOTT of 95 Cdn Fd Bty, 15 Canadian Field Regiment RCA. By direction of the commanding officer this summary is taken under oath.

First Witness

F.75799 Cpl W.P. Forbes, 8 Canadian Provost Company, Canadian Provost Corps, having been duly sworn, states :

I am F.75799 Cpl W.P. Forbes, 8 Cdn Pro Coy, Cdn Pro Corps. On Sunday night, 5 Nov 44, I was instructed by my commanding officer to proceed to 15 Cdn Fd Regt and interview Capt Saunders in order to establish which troop of the 15 Cdn Fd Regt occupied certain billets - B172 WOUWSEHEESTRAAT, STEENBERGEN. This was done and I found that these billets were occupied by the wagon lines of "D" troop. I then made arrangements for a complete check of men and equipment. This was set for the following morning at 1000 hrs. The following morning with RSM Wilson, one or two sgt-majors and two officers, I proceeded to the area then occupied by "D" troop wagon lines. The men and their kits were brought out and while I questioned a number of the men, an officer inspected the kits in turn. These men were questioned in the presence of Capt J.H. Forbes. While I was questioning one of these men RSM Wilson came to me and asked me to follow him. He went to a vehicle and he pointed out a box of tools which had been found in a truck close by. During the questioning the vehicles were being searched as well as the kits of the men. The tools in the box, that is the hammer, the file, the rule, the chisel and the wire cutters were covered with a white powder. This white powder, to my knowledge, is the same as that found in the room where a safe had been found broken open. I had examined this room on Monday morning, 6 Nov 44, as a result of a complaint by PIETER VOGELAAR of STEENBERGEN that a safe belonging to him and kept in a room at his residence at B172 WOUWSEHEESTRAAT had been broken into and certain articles belonging to him removed. I was detailed to make an investigation. The white powder referred to is found between the lining of the safe and the outer wall. It serves as an insulator to render the safe fire-proof.

(A box of tools is shown to the witness marked Exhibit "A"), I identify this exhibit as the box of tools which I examined at the vehicle. On a further search of the truck a number of cigars in a box hidden in the camouflage netting were found. A number of DUTCH bank notes were also found concealed in various places about the truck. All these articles were taken to Provost HQ and kept until delivered to the Adjutant, 15 Fd Regt RCA. On 8 Nov 44, seven members of M.T vehicle, being the whole crew, were called to Provost HQ for questioning by Sgt Frost of SIB, First Cdn Army. As a result of this questioning four soldiers - Sgt Elliott, and Gnrs McAlister, Rank and Moullett-admitted participation in the removal of property from this safe. Sgt Frost, the four soldiers and I then went to B172 WOUWSEHEESTRAAT where a camera was produced by Gnr McAlister in the presence of Sgt Frost. We then went to a farmhouse about four miles further on in an area where the troop had been billetted later. I accompanied Gnr McAlister to a nearby farm where he produced a roll of money from a rafter of an out-building. Then Rank made a search in the garden of the same place assisted by me. There we found buried a cup containing a number of Dutch notes. We then left the area and went back to WOUWSEHEESTRAAT and there Sgt Elliott went into a yard where a tank was parked. I followed for a distance but he asked to be allowed to retrieve the goods by himself. This was granted by the SIB Sgt. Sgt Elliott returned with some money, a watch and chain and two rings and delivered them to

Sgt Frost. We then returned to 15 Cdn Fd Regt where we delivered the four soldiers to the RSM

The accused declines to cross-examine this witness.

Second Witness

No. B.21172 Sgt J.R. Frost of No 1 Special Investigation Section, Canadian Provost Corps, First Canadian Army, having been duly sworn, states :

I am B.21172 Sgt J.R. Frost of No 1 SIS, Cdn Pro Corps, First Cdn Army. On 9 Nov 44 I investigated a complaint by a civilian living in STEENBERGEN which involved the breaking open of his safe and the theft of a quantity of jewelry and money. At thattime I interviewed H.34951 Gnr McAlister, D.; H.56009 Gnr Houllett, J.; M.35465 Sgt Elliott, J.O. and B.122569 Gnr Rank, W.J., all of 15 Cdn Fd Regt, at which time they made and signed voluntary statements after being duly cautioned. Cpl Poirier was present. These statements I now produce in evidence (marked as Exhibit "S"). The following day I accompanied the four accused to the billet area where I was present with Gnr McAlister when he recovered 120½ Gulden in cash from a rabbit hutch and when he recovered 60 Gulden in cash from an out house and a camera, No 817940, from the ground near a barn at the scene of the offence. Also at that time Gnr Rank recovered 48½ Gulden in cash buried in a cup in the garden. I was also present when Sgt Elliott produced 514 Guldon in cash, one diamond ring, one signet ring, one gold watch and chain. (Witness is shown articles corresponding to the above and identifies them)

The accused declines to cross examine this witness.

I certify that in my opinion the attendance of PETER VOORHAAN cannot be readily procured owing to the expense and loss of time involved and a written statement of his evidence, purporting to be signed by him, has been read to the accused and is included in this summary. The accused does not demand the attendance of this witness for cross-examination.

Question to the accused --

Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

Answer by Accused -- No Sir.

I certify that Rules of Procedure 4 (C), (D), (E) and (F) have been complied with.

Taken down by me in the presence of the accused in the Field, Holland, this 17th day of November, 1944.

Last Saturday I moved in to billetts in Steenbergen. There was a large safe there which was locked. Sgt. Elliott, McAlister, and Rank and myself broke the safe open by forcing the bottom with a cold chisel. We used the tools out of the Mike 5 truck. The money was split four ways. I got about 200 Guldens. I am sure there was only one ring. Sgt. Elliott had the ring and the watch. I don't know who had the camera. This was not done in a sense of crime but more out of curiosity as the money was no use to us anyway. I am willing to repay any damage done if possible.

OPENING ADDRESS BY PROSECUTION

I would like to make a few remarks to the Court, with regard to the first and second charges. The Accused was given permission to leave the guard room, for the specific period, but with the caution, 'to hurry back'. As this man ate neither hurry back nor make any attempt to get back until over 5 hours after, his conduct under the circumstances qualifies the permission to leave.

No.73256 L/Cpl. SMITH, J.E., 48th Highlanders of Canada, having been duly sworn, states:

Q.1 You have heard the charges read, will you please tell the Court in your own words, what you know with regard to the first and second charges?
A.1 On 26th December, 1940, I was commander of the guard on Lewes House, at [illegible], Sussex. I told Pte. Elliott that he must not leave the Guard Room, but he said he wanted to [illegible] trip. I said o.k., but hurry back. He did not return back to the Guard Room, and when I went to look for him, I found him in the Transport Lines, in the same building. Just after 2200 hrs.

Q.2 Did you find the Accused drunk at 2200 hrs?
A.2 Yes sir, I would say he was drunk.

Q.3 When the Accused said he wanted to go out and get a drag, you gave him permission, but told him to hurry back?
A.3 Yes sir.

Q.4 What time did you give him permission to leave?
A.4 At about 2000 hrs when he came off his tour.

Q.5 Did he hurry back?
A.5 No sir.

Questioned by the Defence:

Q.1 You were Guard Commander at Lovat on the 28th of December, 1940, and the Accused was a member of that Guard?
A.1 Yes sir.

Q.2 When he got permission from you to go for a crap, he was on his 4 hours off?
A.2 Yes sir

Q.3 When did he come off?
A.3 At 2000 hrs.

Q.4 Did the men on your Guard take off their equipment, and lie down when they came off their beat?
A.4 Yes sir.

Defence: I submit to the Court that under K.R.(Can) 927 An officer or soldier will not take off any article of clothing or accoutrements while on guard, unless this is authorized by the officer commanding the station in the interests of the men's health, and taking this into consideration, corporal Keith was lax in his duty to allow men to take off their equipment and lie down while on guard. I should also like to point out the following excerpt from K.R.(Can) 936 quote, A commander will never quit his guard except to visit his sentries, and will then inform his next in command of the probable time he will be absent. I would point out that Cpl. Keith quitted his guard to look for Elliott.

Q.5 Did you give the Accused permission to leave the Guard Room?
A.5 I did sir.

The Defence rests.

Witness
xecution

B.79302 Pte. Adams, E.D., 48th Highlanders of Canada, having been duly sworn, states:

Q.1 You have heard the charges read, what do you know about the first and second charge?
A.1 Pte. Elliott did leave the Guard Room. I was the only Guard left, other than the n.c.o. in charge of the guard. Pte. Elliott went out and he was out for about 2 hours, and was drunk when he returned. He was in my estimation, too drunk to carry on as a guard.

Q.2 When did he leave the Guard room?
A.2 at about 2000 hrs.

Questioned by the Defence:

Q.1 Pte. Adams, You were a member of this Guard?
A.1 Yes sir.

Q.2 Did L/Cpl Keith give the Accused permission to leave the Guard room to go for a crap?
A.2 Yes sir.

The Defence rests.

B.73236 L/Cpl. KEITH, J.T. 1st witness for the Prosecution, is recalled:

Q.1 Please give the Court your evidence as regards the second charge?

A.1 I was in charge of the Guard, and Pte. Elliott finished his shift at 0000 hrs and came in to the Guard Room. As soon as he came in he went for a crap, and did not return until 2220 hours.

Q.2 You gave him permission to leave the guard room to proceed to the toilet with the specific instructions to hurry back?
A.2 Yes sir.

Q.3 Where did you find him?
A.3 In the Transport Lines, in the same building.

Q.4 Was the Accused in the guard room at any time from 0000 hrs to 2220 hrs?
A.4 No sir.

Questioned by the Defence:

Q.1 The accused was absent without leave from the guard room for 2 hours and 20 minutes?
A.1 Yes sir.

Q.2 You were in charge of the guard, of which he was a member, and you gave him permission to go to the toilet, and to leave the guard room, and he was gone for 2 hours and 20 minutes?
A.2 Yes sir.

Q.3 What do you think's reasonable time for a man to have a crap?
A.3 About 20 minutes.

Q.4 The Accused is charged under A.A.15 in that he was absent without leave, while on page 440 of the Manual of Military Law, quote: "A soldier absent from parade owing to drunkenness should be charged under A.A.19 and not under this paragraph." The Accused has pleaded guilty to a charge of drunkenness, so it would seem that the A.W.L. charge is out of order.

Q.5 Where did you find the Accused?
A.5 In the Transport Lines.

Q.6 You definitely gave him permission to leave the guard room?
A.6 Yes sir, but I told him to return in a hurry.

Q.7 Sir, I now submit that the Accused is charged with absence without leave, while the witness definitely states that he gave him permission. I would like you to take note of that.

Address by the Prosecution:

Sir, I would like to point out to the Court that the Accused was given permission to leave the guard room to do a specific job and to hurry back, and further that he did not return for 2 hours and 20 minutes, yet 20 minutes is conceded to quite a reasonable time to allow for the job in question. His tardiness in returning would, nullify any permission granted to him in this case, as he was definitely cautioned to return immediately. Therefore the fact he was granted permission does not alter the case.

5. Pte. Adams, D.F., was sworn for the Prosecution, and recalled:

Questions by Prosecution:

Q.1 When you came off Guard duty was the Accused in the Guard Room?
A.1 ~~Yes~~ sir. No sir.

Q.2 What time did you come off guard duty?
A.2 2200 hrs.

Q.3 Have you any idea what time the Accused returned to the guard room?
A.3 About 20 minutes after 8 p.m.

Q.4 Are you sure of your time?
A.4 Yes sir, I was on Guard from 2000 hrs to 2200 hrs.

Q.5 You said he returned at 2020 hrs, and you were on guard at that time?
A.5 Sorry, sir, I meant that the Accused returned to the Guard Room at 20 minutes after 10 p.m.

Q.6 When you went on duty, you were in the guard room, was the Accused in there also?
A.6 No sir.

Q.7 When you came off duty 2 hours later, was the Accused there then?
A.7 No sir.

Q.8 What time was the Accused brought in?
A.8 About 2220 hrs.

Questions by the Defence:

Q.1 Pte. Adams, when you went on duty at 2000 hrs you say the Accused was not in the guard room at that time?
A.1 That's right sir.

Q.2 He had permission to go and have a drop at that time?
A.2 I don't know what time he got permission to leave, I can only guess that he was not in the guard room when I went on Guard.

Q.3 This 2000 to 2200 hrs was part of you 24 hour tour of duty, and you had spent 4 hours off just before~~that~~?
A.3 Yes sir, our guard took over at 1800 hrs.

The Defence rests.

6. Acting L/Cpl. KEITH, D.C. 1st Witness for the Prosecution is recalled:

Questions by the defence:

Q.1 Under what circumstances did Pte. Gillett called you a "Cockcrucker and a Prick" as laid down in Charge Sheet?
A.1 After I found him in the Transport Lines, I put him under close arrest, at which time he started to used abusive language, and while doing this he used the words Cockcrucker and Prick.

Q.2 You are sure he called you a Cockcrucker and a Prick?
A.2 Yes sir.

Q.3 The Accused has already pleaded guilty to a charge of being drunk, and Cpl. Keith put him under close arrest as soon as he found him in this inebriated condition, and then he ~~he~~ used the abusive language to you, is that right?
A.3 Yes sir.

Q.4 Did you use any abusive language to him?
A.4 No sir, I kept quiet and ignored hi talk.

Q.5 I would like to submit to the Court Page 28 of the Manual of Military Law, and para 47 of that page states: Mere abusive and violent language used by a drunken man, as the result of being taken into custody should not be used as a ground for framing a charge of using threatening or insubordinate language to a superior officer."

1st Witness
Defence S.73762 Pte. ELLIOTT, J.H., 48th Highlanders of Canada, the Accused, having been duly sworn, stated:

Q.1 Pte. Elliott, you were intoxicated when you used this language to Cpl. Keith, that you are accused of?
A.1 Yes sir.

Q.2 You were put under close arrest by Cpl. Keith?
A.2 Yes sir.

Q.3 Pretty strong language, did Cpl. Keith curse you in any way?
A.3 No sir, but he did make some remarks.

Q.4 What remarks?
A.4 When I had been saying something to him, I don't quite remember quite the words, he said, "Some of the boys in the Regiment think you are a prick too."

No questions by the Prosecution.

2nd Witness
Defence

S.73382 Pte. ADAMS, E.G. 48th Highlanders of Canada, is recalled by the Defence:

Q.1 What do you know about the charge of calling L/Cpl. Keith a 'cocksucker and a prick'?
A.1 On the night in question, there was an Imperial soldier delivered from the civil police to our unit guard room for us to keep till his regiment sent for him. I was detailed to look after him, and this language must have been used while I was out to the washroom with this man. I heard quite a bit of profanity from the guard room at that time.

Q.2 Did you hear L/Cpl Keith used profane language to the Accused?
A.2 No sir.

Q.3 You say you were in the washroom when this took place, then you could hardly be in a position to say that the Accused was the only one to use abusive language?
A.3 No sir, not really, as I was out of hearing ~~~~ for a while.

Q.4 Yet you say it was not L/Cpl. Keith who was using profanity?
A.4 I would swear to that sir.

Q.5 Yet you were out of hearing for a short while?
A.5 I mean while I was in hearing up in the guard room.

Q.6 You could not really swear that the Accused used profane language to L/Cpl Keith, as you were not there?

A.6 No sir.

Q.7 Who was in the Guard room when you left?
A.7 Just L/Cpl. Keith and Pte. Elliott.

Q.8 Did you not assume that the profane or abusive language was being used by Pte. Elliott, rather than know for sure?
A.8 Yes sir, I guess that is it.

The defence rests.

Court: Do you wish to give evidence yourself or to call any witnesses as to character?

Accused: No sir

Court: Please call the Adjutant.

Lieut. J.C.Clarke, A/Adjutant after having been duly sworn, proceeds to read Statement of Character and Service of the Accused.

On 08th Dec 40 I was commander of the guard on Lewes House, Lewes Sussex. I told the accused that he must not leave the guard room, but he said he wanted to have a crap, So I said hurry back. He did not return to the guard room, and in my search fo him, I found him in the Transport lines.

He was not drunk while actually on Sentry duty, it was after his tour of duty that I saw him drunk. That is to say in between shifts. I cannot say that I saw the accused drunk while on guard. I dont think he would have been capable of going on his next shift.

I was in charge of the guard on 08th Dec 1940, and the accused called me a "Cocksucker and a Prick"

Question. Was the accused drunk when you found him in the Transport lines?

He was paraded before me as his Coy Commander, when he told me that the reason for going absentwas, that he had got a woman into trouble in Scotland. He was paraded to the O.C. 48th Highrs. who awarded him 17 days' detention. F. 93449 Pte Elliott. J. M.

Pte Elliott joined the Can army on the 11th May 1940. (R.C.O.C.). On the 26th of Aug. 1940 he was attached to the 4th. M. G. Highrs and has been with this unit ever since.

Since his first day of Enlistment he has never had a charge against him as his records show. (M.M.6) and has done a good job throghout this time.

I would like to point out that although Drunkness is no excuse for crime the hqrs in this county is apparently much stronger than you get in England and sailors are so cautioned against its effects they might consume to much and do things which they would not ordinarly do.

Pte Elliott is doing a pt which calls for a lot of extra work at night along with his regular work as he is a mechanic. Throghout the time he has been with the unit he has always done his work cheerfully and well.

I would ask the Court to

Consider this case in view of the

has been ~~very good~~ one to be proud of.

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

Elliott is an engine fitter 1/c and because he was a tradesman was sent to C.B.R.C as the unit had no call for his trade just at that time. Spr. Elliott spoke to his troop officer asking if he could go as a driver and relinquish his trades pay, because he had been with the unit so long that he never nearly saw them, and exactly how they worked. This failed and Spr. Elliott was sent to C.B.R.C. He just waited and another chap and myself would too. Elliott decided to go and see them [illegible] who were still with the unit and [illegible] began to feel that the unit had let them down so they decided to [illegible] go away. Spr. Elliott

Third Witness

C 42000 Sgt Gibbs, L.A., No. 1 S.I.S. First Cdn Army, sworn, states:-

"I am Sgt C 42000 Gibbs, L.A. no 1 S.I.S. First Cdn Army. On the 2nd of August, 1944 I interviewed C 33557 Pte Elliott, W.A., whom I now recognize, who was atthat time a patient at No 7 Cdn General Hospital. I interviewed him atthe hospital and I was accompanied by Cpl Cochrane of my section. We interviewed Pte Elliott in a tent. There were only the three of us there. I first informed Pte Elliott who we were and informed him he was classed as a self inflicted wound case. He was not under arrest at the time, he knew there had been no charges laid atthat time. I then informed him we intended to question him regarding how he received his wound. He was then cautioned in the following manner "You are not obliged to say anything but anything that you do say will be taken down in writing and may be used in evidence if you are charged". The caution was then explained to Pte Elliott and he assured us he understood he did not have to say anything unless he wished to do so. I then took down his Regimental particulars and particulars regarding his service. I then asked him to explain how he received his wound and this was re-enacted with the assistance of Cpl Cochrane with something representing the weapon. After re-enacting the incident, I asked the accused if this was how he received hiswound and he replied "I guess you have it pegged out". He then agreed to make a statement. He was again cautioned as follows, "You are not obliged to say anything but anything that you do say will be

taken down in writing and may be used in evidence if you are charged". We did inquire from the accused what it was like at the front but we used no threats and did not hold out any inducement or hope of reward and did not use any coercion. He then made the following statement.

The statement referred to in the evidence of the above witness is attached hereto as Exhibit "C".

L. A. Gibbs

Cross examined by the accused

Q.1 Did I or did I not actually say I shot myself?
A.1 You gave the same words as I have in your statement here, "I saw the muzzle of my rifle pointing at my left foot. I then decided to wound myself, I pulled the trigger. The rifle went off I felt a pain in my foot and I knew that I had shot myself."

Fourth Witness

Capt W.E. Armour, RCAMC, No 7 Cdn General Hospital, sworn states:-

"I am Capt W.E. Armour, Medical officer in charge of ward 6 No 7 Cdn General Hospital. This ward is reserved for the treatment of patients suspected of self-inflicted wounds. Pte Elliott was admitted to my ward on 30 Jul 44. He stated he had been wounded at 0440 hrs that morning. On examination he was suffering from a through and through wound of the left foot. Points of entry and exit were just inside of the instep just below the bone and on the sole below the middle point of the fifth metatarsal. I am not prepared to say which was the wound of entry and which the wound of exit. The X Ray shows no fracture. He was operated upon and the wound was cleaned and a plaster cast applied from toes to knee. His progress has been good. It is expected that he will be totally disabled for about two months. There should be no residual permanent disability. In my opinion the direction and nature of this wound render it possible that it could have been caused by a rifle bullet discharged from a rifle held in the man's own hands. There were no powder burns on the skin.

I found Pt. Elliott, — I remember the night he received his wound, it was about a week ago. I was sleeping in a dirt trench that night, — I was awakened by the fire of a rifle shot closely. I heard Pt Elliott say he was shot in the foot. I got up, — found him at the side of the dirt trench. I took his boot off, — dressed the wound with a first field dressing. It would be about 11.20 P.M. it was dark.

I asked him what had happened, he said he slipped to step off, — was shot by a German sniper. That was about what he said he

I enlisted in Frame pour, after 'D' day. I came as a reinforcement for the Cameron Highlanders of Ottawa. I joined the battalion about two weeks ago, & have since then been in action most of the time. From the time I went in action my work became steadily worse. When I was on Guard I felt the worst, but when in a slit trench I felt a little useful. Last at 0400 hrs, 30 Jul 44, I left my slit trench to go on Guard. After coming

it went off. The Bird he was closing off. Jerry dobbed a few shells loose, he grabbed his rifle & hit for a stiff branch, his rifle went off when he grabbed it shooting the end of the heel. I asked him how he got it in the left foot when his rifle was on the right side of him. He said he must have had his leg forward, left over right. ELLIOTT, W. A. Cameron Highlanders of Ottawa.

I have been cautioned that I am not obliged to say anything, but anything I do say will be taken down in writing & maybe used in evidence if I am charged. I fully understand this caution.

I arrived in France four days after 'D' day. I came as a reinforcement for the Cameron Highlanders of Ottawa. I joined the battlion about two weeks ago, & have since then been in action most of the time. From the time I went in action my nerve became steadier by worse. When I was on Guard I felt the worst, but when in a shell trench I felt a little safer. Last night at 0400 hrs, as just as I put my shit trench to go on Guard. After coming

on guard during mortar fire started, & my nerves got so bad I did not know what I was doing. Gas Came close & I grabbed my rifle. I was lying down at the time. I felt that I had to get out of it some how, so I half sat up, & saw the muzzle of my rifle pointing at my left foot. I then decided to wound ~~myself~~ myself, & I pulled the trigger. The rifle went off, I felt a pain in my foot & I knew that I had shot myself.

I then called for the other fellow who was on guard. I don't know his name, but they call him 'Snuffie'. He went & got a Lieutenant, & another fellow who was in charge of us, came up & put a first field dressing on my foot. I was then taken to the C.D.S. & finally Came to Ld: J Canadian Gen. Hospital,

what I have been interviewed & made this statement.

This statement has been read over to me. It is the truth, & I have nothing more to say.

PROSECUTION'S CLOSING ADDRESS

This man is charged under Section 22 of the A.A. with escaping from confinement. The 1st Witness, Sgt Troughton, established that the accused was placed under close arrest on the 14th of December, 1942. The Sgt also established the accused was to be guarded by Gnr Silverthorne. The fact was also established by this Witness that for at least some period between 1600 and 2300 hours on the 14th of December the accused had escaped from confinement. L/Bdr Scott corroborated the evidence of the 1st Witness and established the fact that he had given satisfactory orders to the accused's guard. L/Bdr Scott also corroborated the fact that the accused was absent from his place of confinement on the 14th of December. This absence was furtherenumerated upon by the 3rd and 4th Witnesses. It is admitted by the Prosecuting Officer that the accused offered little violence in his escape and returned unescorted, but it is also pointed out that the accused knew he was under close arrest during this period by evidence of the order which was given to him personally by his D.C. The accused has been in the Army long enough to know the meaning of close arrest. Under Section 22 of the A.A., by virtue of Note 3 therein, an escape may be with or without force or artifice, or with or without consent of the custodian. Therefore it is pointed out by the Prosecuting Officer that the accused is guilty under this section even though he used no force and had the consent of his custodian at the time of his escape.

DEFENCE'S CLOSING ADDRESS

The accused is making no attempt to deny that he was absent from his quarters. There was much doubt in his mind as to the terms of close arrest and of the orders given to him. In spite of the fact of Section 22, para 3 points out it is an escape whether or not you have the consent of your custodian, it is very doubtfuly whether one, Gunner out of one hundred would know this fact. Gunner Elliott obtained permission from his guard to go for a walk; he requested and was given permission to go to a movie and did so; he missed what was to have been the rendezvous by possibly a very few minutes, and in a perfectly normal course of time returned to his quarters. To him this seems not to have been any attempt to escape and he was back in his quarters before tattoo roll was called.

Do you wish to make any statement of any circumstances in reference to the charges on which you have pleaded guilty?

Defending Officer: The accused has asked me to make a statement on his behalf. If agreeable to the Court we will attempt to answer these four charges as one. When the accused was paraded to Battery Office on the 14th of December he was faced with three charges of being A.W.L. on consecutive days. He pleads guilty to these charges, but at the same time he cannot understand why he was allowed to continue to be reported A.W.L. day after day without being notified of the fact. When he was told at Battery Office of the three charges, it was the first time he knew anything about their having been laid. Immediately after this he was marched from the Orderly Room, and if ever anybody had a right to make a delay in making a left turn and loose his balance - which is the unsoldierly conduct with which this man is charged - he did.

PROSECUTION'S CLOSING ADDRESS

The essence of this charge is the disobeying of an order. The witnesses called have brought out the fact that a satisfactory order was given which was heard by the B.S.M. This order was not carried out. The accused has admitted by his Defending Officer that he had been in the locality for a period of six weeks, in which period he has been carrying out a normal syllabus of training which of itself has necessitated the accused attending Troop Headquarters to attend compulsory lectures The mere fact that the Def. brought up the question, and questioned the second witness on the point of whether the accused repeated the order in the second witness's presence has no relation to the case, and makes no difference in military law whether the accused took the order willingly or begrudgingly. It was an order given by a superior N.C.O. and carried out and to be questioned afterwards.

A Fisher Logan President.

DEFENCE'S CLOSING ADDRESS

When this order was given the accused had matters on his mind which would not give a clear comprehension to any order. He acted upon the order to the best of his ability.--Under the circumstances, which was to go directly to the Troop Stores and draw boots as instructed by his Sergeant and from there he went directly to his quarters, not knowing at the time where the rest of his detachment were undergoing training. He was waiting there when Sergeant Troughton found him.

F-40545 Gnr. Elliott, W.M.

Summary of Evidence

Taken on oath by direction of the C.O. 7 Lt.A.A.Regt., RCA.

Prosecution 1st Witness

B-22420 B.S.M. Smith, E.W., 42 Lt.A.A.Bty., R.C.A. sworn sta tes:

"I am the B.S.M. of the 42 Lt.A.A.Bty., RCA. I paraded the accused to the A/O.C. 42 Lt.A.A.Bty., RCA. at Battery Office at approximately 1400 hrs 14 Dec 42. The accused after having been dealt with would not respond to my commands in a soldierly manner. For example when I gave the command to left turn p rior to leaving the A/O.C's office the accused would not left turn with the remainder of the guard, but would do so a few seconds later. On performing the a/m movement the accused lost his balance and reached out with one hand to support himself by grasping the edge of the mantle over the fireplace. I then marched him out of the orderly room which he did in a very slevenly manner. After breaking the accused off, I questioned him by asking him if he was drunk which he denied. I then asked him if he had been drinking during the noon hour, which he also denied. I smelt liquer on the accuseds' breath, but he was by no means drunk, and fully aware of what was going on. I then turned the accused over to B-22453 Sgt. Troughton, G.W., whom I heard order the accused to report to the Battery Q.M. stores to draw boots and then to proceed to "A" tp. H.Q. for duty."

The accused declines to cross-examine this witness.

B-22420 B.S.M. Smith, E.W.

Prosecution 2nd Witness

B-22453 Sgt. Troughton, G.W., 42 Lt.A.A.Bty., R.C.A. sworn states:

"I am the Detachment of No. 1 detachment "A" Tp. 42 Lt.A.A. Bty., R.C.A. The accused was turned over to me by B.S.M. Smith, E.W. at the conclusion of Battery Office 14 Dec 42. Gnr. Elliott had been drinking but was not drunk. I ordered the accused to report to the Battery Q.M. stores to collect his boots, and then to proceed to "A" Tp. H.Q. to attend a lecture. On arriving at Tp. H.Q. I asked whether the accused Gnr. Elliott had arrived, and later went to the lecture room to see for myself. The accused was not in the lecture room. I then returned to our billets, which were about 700' from the Battery Q.M. stores and about 200' from A tp H.Q. I found Gnr. Elliott lying on a bed upstairs. I asked him why he did not report to "A" Tp. H.Q. and he replied that he did not know the location, although he had been there on many occasions. Approximately one hour had elapsed between my giving the order to the accused to pick up his boots at the Bty Q.M. Stores and proceed to "A" Tp H.Q. and finding him lying on a bed in his billet. I then placed the accused under close arrest at approximately 1500 hrs 14 Dec 42 and ordered B-22539 Gnr. Silvertherne to guard the accused. I gave further instructions to Gnr. Silvertherne that neither he nor the accused were to leave the billet except for meal parades, when they would go together. I then told B-22482 L/Bdr Scott what I had done and ordered him to make certain that Gnr. Silvertherne understood the order perfectly. L/Bdr Scott, P.R. in my hearing repeated to Gnr. Silvertherne the order which I had previously given him dealing with the guarding of the accused.

When I returned to my billets at approximately 2220 hrs 14 Dec 42, I went upstairs to check on the accused and his

guard. I found neither the accused nor his guard present. I then went downstairs and asked the men if anyone of them had seen Gnr. Silvertherne or the accused, to which they replied they had not. When L/Bdr Scott arrived I had him go upstairs and check all the rooms thoroughly. He reported to me that neither Gnr. Silvertherne nor the accused could be found. The accused returned to his billet without an escort at about 2245 hrs 14 Dec 42. I questioned the accused as to where he had been and he replied that he had been out walking. I asked him where Gnr. Silvertherne was and he said he (Silvertherne) had left earlier in the evening. At approximately 2255 hrs 14 Dec 42 Gnr. Silvertherne returned and I asked him why he had not looked after the accused. He offered no reason. I then informed Gnr. Silvertherne to carry on with his duties of guarding the accused.

I have on several occasions given orders to my detachment of which the accused is a member, that if a man is absent after 2300 hrs., he is ~~XXXXXX~~ marked absent on the tatoo report, and must either report to myself or to the N.C.O. in charge when they return. Otherwise they will be marked absent until 0630 hrs the following morning."

The accused asked the witness the following questions:

Q. Was I under close arrest when paraded to A/O.C. 42 Lt. A.A. Bty. RCA at approximately 1400 hrs on 14 Dec 42?

A. No, you were not placed under close arrest until approximately 1500 hrs 14 Dec 42.

B-22453 Sgt. Troughton, G.W.

Prosecution 3rd Witness

B-22482 L/Bdr. Scott, F.R., 42 Lt.A.A. Bty., R.C.A.

sworn states:

"I a m the L/Bdr. of No.1 Detachment "A" Tp., 42 Lt.A.A. Bty. On the 13th day of Dec 42 at 2300 hrs I called the roll in No.1 Detachment and found the accused to be absent. Due to the fact tatoo was at 2300 hrs I therefore marked the accused A.W.L. The accused did not report to me until I called the roll at 0630 hrs 14 Dec 42. The accused had at a prior date been ordered by B-22453 Sgt. Troughton, G.W. in my hearing that if he did ever come in after 2300 hrs he was to wake the N.C.O. in charge up and report himself in. The accused came in sometime prior to reveille 14 Dec 42 but never woke me up, this he was ordered to do for I was the N.C.O. in charge on 14 Dec 42.

On the 14 Dec 42 I was told by B-22453 Sgt. Troughton, to detail one man to act as guard for the accused. I ordered B-22539 Gnr. Silvertherne to act as guard for the accused from 1500 hrs 14 Dec 42 to 0830 hrs 15 Dec 42. I further instructed Gnr. Silvertherne that neither he nor the accused were to leave the billet except for meal parades. At approximately 1700 hrs 14 Dec 42 I went to Beckenham, Kent. When I left both Gnr. Silvertherne and the accused were in the billet. On my return at 2250 hrs 14 Dec 42., I found both the accused and Gnr Silvertherne absent. Gnr. Silvertherne reported in at about 2255 hrs 14 Dec 42. On questioning him as to his whereabouts and the whereabouts of the accused, Silvertherne informed me that he had arranged with Gnr. Chapman to relieve him ~~XXXXX~~ without asking first the permission of an Officer or N.C.O. At approximately 2300 hrs 14 Dec 42 the accused came in and on asking him where he had been he replied he had been downtown (Beckenham, Kent). I then asked the accused if he had heard me give Gnr. Silvertherne the order that neither he nor the accused were to leave the billet except for meal parades and he replied he had heard me give this order. The accused was then placed in custody again with Gnr. Silvertherne acting as guard."

The accused declines to cross-examine this witness.

B-22482 L/Bdr. Scott, R.R.

Prosecution 4th Witness — B-22400 Bdr. Whitehead, L.A. , 42 Lt.A.A. Bty. R.C.A., sworn states;

"I am Bdr. of No.1 Detachemnt "A" Tp., 42 Lt.A.A. Bty. When I called the roll at 2300 hrs 11 Dec 42 the accused was absent.. At 0640 hrs 12 Dec 42 I noticed that the accused was present. There is a standing order in the detachment of which the accused is amember, and with which the accused is well acquainted that if a soldier comes in after 2300 hrs, he must report to the N.C.O. on duty or an N.C.O. of No.1 Detachment. If this is not done the soldier is marked absent until 0630 hrs the following morning.

On calling the roll at 2300 hrs 12 Dec 42 I found the accused to be absent. At 0630 hrs 13 Dec 42 on making my rounds I noticed that the accused was present. The accused failed to report to any N.C.O. when he arrived at his billets after 2300 hrs 12 Dec 42, and therefore following the order regarding reporting to an N.C.O. I marked the accused absent until 0630 hrs 13 Dec 42".

The accused declines to cross-examine this witness.

B-22400 Bdr. Whitehead, L.A.

Prosecution 5th Witness — B-22539 Gnr. Silvertherne, D.M., 42 Lt.A.A. Bty. R.C.A., sworn states:

"I am a member of No.1 Detachment "A" Tp., 42 Lt.A.A. Bty., R.C.A. At approximately 1500 hrs 14 Dec 42, B-22482 L/Bdr. Scott ordered me to act as guard for the accused. I was to be on duty until the following morning. L/Bdr. Scott gave me orders that I was not to let the accused out of my sight and that I was to accompany him on meal parades. I made arrangement with B-85334 Gnr. Chapman without consulting with an Officer or N.C.O. that he (Gnr. Chapman) would relieve me from 1800 hrs to 2300 hrs 14 Dec 42. At 1800 hrs 14 Dec 42 Gnr. Chapman arrived to relieve me as guard of the accused and I went down town (Beckenham, Kent). I returned to my billets at 2300 hrs and found the accused in the same room as I had left him with Gnr. Chapman acting as guard of the accused."

The accused declines to cross-examine this witness.

B-22539 Gnr. Silvertherne, D.M.

Prosecution Witness — B-85334 Gnr. Chapman, J.M., 42 Lt.A.A. Bty. R.C.A., sworn states:

"I am a member of No.1 Detachment "A" Tp., 42 Lt.A.A. Bty., R.C.A. I came off M.T. guard at approximately 1745 hrs 14 dec 42 and B-22539 Gnr. Silvertherne asked me at that time if I would take over his duty of guarding the accused. I told Gnr. Silvertherne I would take over from him. I asked Silvertherne if he had the permission of Sgt. Troughton or Bdr. Whitehead to leave his post or obtain someone to relieve him to which he replied he did not, but said everything would be alright if I stayed with the accused.

stayed with the accused. Gnr. Silvertherne then went out Gnr. Elliott asked me if he and I could go for a walk and replied yes. Gnr. Elliott said later while we were walking together that he would like to see a picture and I let him on the promise that he would meet me at an appointed place as soon as the picture was over. I let the accused go to the pictures and he did not meet me when we had arranged to meet after the pictures were over. I returned home alone. Gnr. Silvertherne never told me the accused was under close arrest. I did not even know why I had to stay with him.

The accused declines to cross-examine this witness.

The accused, F-40545 Gnr. Elliott, W.M., having been warned in the terms set out in R.P.4(E) makes the following statement:

"I am in No.1 Detachment "A" Tp., 42 Lt.A.A. Rty. R.C.A. On returning to my billet at 1100 hrs 14 Dec 42, L/Bdr. Scott came and told me that Sgt. Troughton, G.W. wanted to see me in his room. This is the only statement L/Bdr. Scott made to me on this occasion. He never as he alleges in his statement, asked me if I heard him tell Gnr. 3rd Pros
Witness. Detective Constable 47 J. Holloway
Oxfordshire Constabulary duly
sworn states. –

On 2 Feb 43 I visited accused at his residence at 4 Council Houses Blackbarn near Banbury in Oxfordshire. I told him I was a police constable & I asked him to produce his identity card required under the National Registration Act 1939. He produced one numbered 2 D A G 7023 in the name of Andrew Ellis & signed Andrew Ellis. Upon examining this card it appeared to me that the word Andrew & the figure 7 had been inserted subsequent to the original card being issued. I cautioned Ellis & he made a statement as his declaration which I took down in writing. He signed the caution & the statement in my presence. (Witness reads statement) Attached & marked 'J'. Two days later on 4th Feb 43 I again visited Blackbarn in order to find that Ellis & his wife had left Blackbarn & that their whereabouts was not known. On 10th Feb 43 I went to London & from enquiries found Ellis in employment at the Vauxhall Motors Ltd Luton. This time I had a warrant in my possession respecting the identity card. I conveyed Ellis back to Banbury where he was questioned as to his true identity. (The witness identifies the accused as the man Ellis whom he was investigating)

JH

He still refused to give satisfactory as to his true identity. On 11 Feb 1943 he appeared before a civil court at Bunbury on a charge relating to the identity card & was remanded until the 25th Feb 1943. Details description of his tatoo marks were taken & with the assist of New Scotland Yard & the desertions records Police London I was satisfied that he was identical with A. C. Ellis published in the Police Records of deserters as being a deserter from the R.H.L.I. since Nov 1941. On 25th Feb 43 Ellis was charged with desertion. To this charge he pleaded guilty & on the advice from the magistrate he was handed over to the military escort provost of the time & disposed of the case by military authority.

Cross exam:- It is a matter of registration Identity card. Card marked "J". He was charged with using a wrong card before he was found to be a deserter & the first charge then dropped. The court made no ruling on the identification card. From my investigations I am satisfied that the card was issued to one woman named Ellis & that her christian name Phyllis Strasburg was erased & the name Andrews substituted & the number altered.

Re Examination. On every occasion I saw Ellis in civilian clothing.

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS. When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(C)), any objections (*RP* 95(B)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.
A 12345 Cpl H. Jones, RWR, sworn, states:
I am a cpl of the pl to which Pte Smith belongs. The accsd in Court is Pte Smith. About 1400 hrs on 15 Jan 62 I ordered the accsd to go on parade. He refused and did not go on parade.
Cross-exam: He did not say he was sick. (or, None.)
Re-exam: None.
Exam by Court: He said—" I've had enough parades ".
RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP 95 fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the pars in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 118 provides that for procedure on defence RP 40-42 will apply *so far as practicable*, having due regard to the public service. (*RP* 122.) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:
(i) Opening address by Defending Offr. (*See* 60(a), 87(C), 92(C) (*D*).)
(ii) Opening statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA* (*RP 86 fn* 10)), or A1 option of accused, statement by accused (*see supra*) or subject to cross-exam by Prosecutor, Court or JA (*RP 86 fn* 10), or evidence by accused, as to facts or his character or both. (*See RP 41 fn* 3, *46 fn* 1, 86.)
(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP 46 fn* 1.)
(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP* 86(B)), or to prove previous convictions where accused has called witnesses as to character. (*RP* 86(C).)
(v) Closing address (*on matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP 40 fns* 8-12, 87(C), 92(C) (*D*).) But Defending Offr or accused will confine his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP* 61.)
(vi) Closing address by Prosecutor. (*See RP 40 fn* 7, 87(C), 92(C) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP 46(E), KR Can 562(a).*)

FGCM - C6033 Pte Ellis, D C S CIRU (att 1 CBOD)

In the spring of 1942 the accused, Pte Ellis, was att to my pl - 11 Pl, B Coy, H & P E. We were stationed at Middleton-on-Sea.

Pte Ellis came to me one day and disclosed some trouble he had had with a girl in this country. He asked me to endeavour to get him three days leave, I believe in order to go to see the girl in London as I recall,(but I am not quite sure on that) in order to straighten out some difficulties. The girl had written him and was expecting a child. As I remember it, Pte Ellis was anxious to marry the girl because I believe they were more or less sweethearts and he wanted to give what he considered his own child his name. I believe he was given three days leave - I am not certain - yes, I am sure he got three days leave. When he came back he made application for Permission to Marry. Later he left my platoon.

I understand that permission was granted but due to his being recalled to Witley and numerous changes of Padres in the regt, his papers were evidently lost .. his papers of Permission to Marry.

At Witley he made application again but here a change in Padre left the thing in the air and he returned to the regt again.

Since that time he has been transferred to this Unit and nothing further has been done in regard to a wedding.

In Dec 43 he received notice from the girl that she was about to have a second child. The accused was not sure that this child was his. The girl has more or less threatened him with legal action. He went AWOL to see the girl and try to straighten things out.

I personally feel that the accused's affairs have been somehow neglected through bad management and would like some definite action taken by the authorities to get this man straightened out.

While he was with my platoon, I considered him one of my best men. He was a clear cut fellow and very earnest. He has more or less a previous record but I think that you will find the majority of his crimes have been since the spring of 1942 and while he was with the battalion. He was a good soldier while I had him but this trouble came about. I would ask for leniency because in my opinion his previous absences are largely attributable to the trouble above referred to.

MEDICAL OFFICERS CERTIFICATE

24 July 1944.

This is to certify that G.17988 Gnr Ellis, C.G.
is fit/~~unfit~~ to undergo trial by Field General
Court Martial.

Date 24 July 1944

Medical Officer
3rd Cdn A/Tk Reg R.C.A.

G.17988 Gnr. Ellis, C.G., 3 Cdn Anti-Tank Regt., having been duly sworn states:-

From #10 C.B.R.G. I was sent to the 3rd A/Tk, 94 Bty, approximately 15 June 44, as a driver. I was immediately put on a gun and was there three weeks. I had no gun drill in England. When I was there one of our crew was killed. I was afraid of what might happen if I had to take over the gun, should I be the first to reach the gun if required to fire. I knew nothing of the gun. We moved back to Cairon which I thought was a rest area. We were right in the village so I went down about 75 yds to a house. We talked there and had some drinks of Cider. When I came back at 2000 hrs I was checked up by Sgt. Pollo who bawled me out. I was afraid he would have me up and I don't know what made me do it, but I went away again at approximately a half-hour later. I don't know where I went to actually, I woke up in the morning in a slit trench. I didn't know where my unit would be. The best thing to do was report to #9 C.B.R.G. which I did at Fontaine Henry at 1830 hrs the following day, 30 June 44.

Q. What type of Gun was that you speak of?

A. 6 Pdrs.

Q. What reinforcement unit did you come from in England?

A. # 2 C.A.R.U.

Q. How long had you been in # 2. C.A.R.U.

A. About a year.

Q. What Anti-Tank Guns did you receive training on while there?

A. None, sir.

Q. How do you account for that?

A. I took my basic training in "A" Bty, and was sent from there to "D" Bty on a Driver's Course. When I finished the Driver's Course, I took an MC Course and was sent to the 5th A/Tk Regt. as a driver. While I was there I drove the Major of the Bty. I was there for nine months but did not receive any training on any A/Tk Guns whatsoever as I was in B.H.Q.

Q. Did you receive any A/Tk Training in Canada?

A. Two half days on 6 pdrs.

Q. When did you join the Army?

A. June, 1940, with a 25 pdr battery, I transferred to A/Tank after 1½ years time. I was in M.T. in Petawawa.

Q. Are you a qualified driver i/c?

A. Yes.

I realize the foolishness of this and am very sorry I do not know what made me do it. I have a wife and two children who depend entirely upon my pay.

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE, and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER

Nil in mitigation adduced

A Plea in Mitigation of punishment in the case of 3/2016 Pte Ellis, H., Perth R.

In mitigation of punishment in the case of the accused, Pte H. Ellis, I would like to say that the accused is fully aware of his position and is quite ready to accept his punishment. While in conversation with the accused, he informed me of his reason for going A.W.L. He had received some very discomforting news about his wife back in Canada. He tore up those letters as he didn't wish anyone to learn about it. When he got for the news he was so mentally tormented that he took it upon himself to go A.W.L. to get away from everything and everybody and be by himself.

What mental anguish he went through will never be known.

this, I concur, does not excuse him from committing an offence against military laws. But I hesitate to suggest what I or you might have done in a similar state of mental anxiety. However, after being a W.L. for some time he realized his great mistake, gave himself up and prepared to take his punishment.

I doubt if he would have told anyone else the true circumstances. Possibly he told me because he used to be in my company and on me or more former occasions, while still in Canada, we were able to iron out one or two domestic problems.

But being many thousands of miles from you loved ones makes any unhappy news from home much more disconcerting.

I sincerely believe that in this case if the accused had had someone to turn to in his mental anxiety, he wouldn't have taken the step he did.

We must not forget that although he may have quite a number of crimes against his record he is still a human being, such as you and I, and therefore has feelings for his loved ones which can cause the deepest mental anguish when he hear disconcerting news.

I, therefore, feel that there is some reason for his action and therefore worthy of a plea in mitigation of punishment.

Then, too, my recently one of his buddies in custody with him made his successful escape and I do believe the accused could just as easily have escaped. However, he

remained to take his punishment.

Further he enlisted some 3½ years ago on his own free will to fight for his loved ones and for what he thought was right for which I think stands to his credit. Several years have passed and he has seen any action. Years which, of course, are just ample time for one to get into trouble. I believe he is still sincere in the ideals of his original enlistment — to fight for his loved ones. Then to get any disconcerting news about those same loved ones must have caused considerable mental anguish.

What you or I might do under similar circumstances no one can say. Nevertheless, he has committed the offence of A.W.L. and is punish-

prepared to accept your
punishment.

Taking these reasons into
consideration I feel that the
case merits a plea for
mitigation of punishment.

DD

Do you wish to give evidence yourself or to call any witnesses as to character? *Question to the accused.*

I Wish to give evidence myself. *Answer.*

The accused proceeds to give evidence A 3164 Pte. Ellison E.C. being duly sworn states:- *Evidence as to character.*

I enlisted 7 May 1900. My home is in Rodney Ontario and I am married. I have a family of two children ages 6 and 7 years. Shortly after I came overseas I received letters from two or three friends of mine stating that my wife was at times seen out at parties & dances with two or three different fellows. After that I had got worried and lost nearly all interest in soldiering at the time I did not want to get a divorce because of the two children so that is the way it has been going along for approximately 2½ years. I have probably at home who could look after the children because my mother is dead and my father is aged about 75 years. He lives alone, is rather old and leads a careless life so that I would not like him to look after the children.

By DD.

Before my two days absence in December I had no crime against me for ten months. I like the army and I wish to stay in it until the end of the war.

Cross-examination.

Q1 - You have been under some form of mental strain for some time?

A1 - Yes, sir.

Q2 - The cause of this has been based on letters you have received from friends?

A2 - Yes, sir.

Q3 - Have you ever taken any steps to have these charges against your wife investigated?

A3 - No, sir.

Q4 - Do you realize that there is machinery for investigation of complaints of this nature?

A4 - Yes sir, I do.

Q5 - Why did you not take advantage of this machinery?

A5 - Because I thought it best to wait until after the war because of the children.

Q6 - Did it not occur to you that it might be necessary to check up and confirm the source of complaints

Page DD 2.

against your wife? (Plea by Private Hay not guilty)

A6 At the time I did but I let it go in hopes that the war would soon end?

Q7- In other words you voluntarily underwent this mental strain which might have been avoided by investigation of the charges?

A7- Yes, Sir.

Q8- Do you not think it was foolish for your own welfare and well-being?

A8- Yes, sir. I do, in a way.

Q9- When was your second last offence?

A9- January or February 1942.

Re-examination declined.

R.P. 83(B) complied with.

Address To Court

The Presiding Officer in his address stated:-

1. The circumstances behind the causes of this case go below the surface of the family trouble at home

2. That he was NOT prepared to blemish the future of his children by attempting to get a divorce at this time. However the mental burden of awaiting for the end of the war to clear up this matter was too much for him

3. That he now realizes that this type of conduct does NOT pay and that he intends to soldier for the rest of the war, and get back to his children

4. That he wished the Court to remember that the accused had been in confinement for twelve days awaiting trial.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans.....[5]

(*1. RP 37(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex....., initialled and read aloud by the President.[1]
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? D5. President to accused: You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither?
Ans. No Sir.....

Note D-3

Evidence for Prosecution.

FIRST WITNESS FOR THE PROSECUTION.

A.37561 Sgt. DOWNEY, H.H., No. 3 Canadian Infantry Reinforcement Unit, having been duly sworn, states:

I was present at the warning of a draft at No. 3 C.I.R.U. on 31 Dec 43, at 1115 hrs. A roll call was taken and all the men answered their names. At the end of the roll call, Major J.H. Anderson read the draft warning, and asked the parade if there were any questions. No questions were asked. I produce a certified copy of No. 3 C.I.R.U. Part I Order dated 3 Jan 44.

(Marked Exhibit I by this Court)

Paragraph I of Exhibit I is the warning that Major Anderson read to the draft that day. The name of the accused is in its proper alphabetical order among the 'Es' on nominal roll in Exhibit I. There was also present when the warning was read

Lieut. J.R. Henderson
Lieut. G.A. Hampson
Sgt. A.W. Elmes

FIRST WITNESS FOR THE PROSECUTION (continued)

Cross-examined by the Defending Officer.

The draft was not told where they were going, they only knew they were going from one place to another.

The Court were of the opinion thatit was not necessary to comply with R.P. 83b.

SECOND WITNESS FOR THE PROSECUTION

Major J.H. Anderson of the Highland Light Infantry of Canada, having been duly sworn, states:

On the 31 Dec 43 I was on the strength of No. 3 C.I.R.U., commanding 'E' Coy. It was one of my duties to get drafts ready and dispatch them. We had a draft, I believe "Walnut", at that time.

(Prosecutor shows witness Exhibit I)

Witness continues: I remember that draft quite well. At approximately 1100 hrs on the 31 Dec 43 I, and the witnesses shown on Exhibit I, assembled. The roll was called in my presence and I read the warning shown on Exhibit I. There were no absentees. On the afternoon of 2 Jan 44 I turned the draft over to the Field Officer of the week, and the roll was called in my presence and in the presence of the Field Officer. Every member of the draft answered his name except one absentee, whose name had been struck from the roll. That was not the accused. The draft left on draft from No. 3 C.I.R.U., I would think about 1430 hrs. 2 Jan 44

Cross-examined by the Defending Officer.

The accused had answered his name and was on the draft when it left No. 3 C.I.R.U.

The Court were of the opinion that it was not necessary to comply with R.P. 83b.

THIRD WITNESS FOR THE PROSECUTION

Lt. G.A. Hampson, of No. 3 Canadian Infantry Reinforcement Unit, having been duly sworn, states:

I recognize the accused. On 31 Dec 44 I was employed in 'E' Coy, No. 3 C.I.R.U., in assisting in clearing drafts overseas, locally, and on course. At approximately 1115 hrs on that date the draft, exercise "Walnut", was formed up and the warning order was read to that draft by Major J.H. Anderson in my presence. Prior to the reading of the warning order the nominal roll was read and when the draft was turned over on 31 Dec 44 it was reported that one man was absent, who was Pte. Pelteau.

(Prosecutor shows witness Exhibit I).

Witness continues: I recognize the warning in Exhibit I as being the warning on that parade.

Cross-examined by the Defending Officer.

The men are not told where they are going, they are merely warned for draft.

The Court were of the opinion that it was not necessary to comply with R.P. 83b.

FOURTH WITNESS FOR THE PROSECUTION

Capt. H.K. Russell, Records Officer, No. 1 Canadian Base Staging Camp, having been duly sworn, states:

I am the Records Officer of No. 1 Canadian Base Staging Camp. I produce herewith nominal roll of personnel to No. 3 C.I.R.U. who reported at Chobham Camp for exercise "Walnut" in the afternoon of 2 Jan 44. The name of the accused appears on this roll and there were no absentees when the draft reported to this camp.

(Nominal roll marked Exhibit 2 by this Court)

FOURTH WITNESS FOR THE PROSECUTION (continued)

(The Defending Officer stated he did not object to the admission of this document)

Witness continues: I produce a movement order for Serial 8002/2 of exercise "Walnut" for a movement on the 11 Jan 44 of that draft from Chobham Camp to a port of embarkation.

(The Defending Officer said he doubted whether this document should be admitted as the accused was absent before the 10th day of January, 1944, and the proceedings mentioned in this order were never brought to his attention. The Court declined to admit the document.)

The serial number of the draft referred to in Exhibit II was 8002/2. This draft was to arrive at Chobham Camp and leave Chobham Camp. This was the concentration point for the draft. The draft would leave here on 11 Jan 44 for a port of embarkation. The accused did not proceed on the draft referred to from this Unit on 11 Jan 44. He was then absent without leave. I produce a certified copy of record of declaration of Court of Inquiry respecting the illegal absence without leave of the accused.

(Record marked Exhibit III by Court)

I produce P.C.2797, Certificate of Apprehension, of the accused. This certificate refers to the accused.

(Certificate of Apprehension marked Exhibit IV)

Cross-examined by Defending Officer.

I was present when the said draft arrived from No. 3 C.I.R.U. I heard the nominal roll called and the accused was present. No warning was given to this draft that it was still on draft. I know that these personnel come here to go out on draft. We felt that as they had been warned before they came here that it was unnecessary to warn them here. This draft did proceed on 11 Jan 44 from this camp and on that date before they left they were given a further warning order.

The Court were of the opinion that it was not necessary to comply with R.P. 83b.

FIFTH WITNESS FOR THE PROSECUTION

C.20975 R.S.M. Mather, G.K., Regimental Sergeant Major No. 1 Canadian Base Staging Camp, having been duly sworn, states:

I am R.S.M. Mather, G.K. On the evening of 6 Jan 44 it was reported to me by the Orderly Sergeant of the portion of the draft of which the accused was a member, that the accused was absent at Tattoo Roll Call, held at 2215 hrs of that evening. This report was made to me in the ordinary course of the day. I then caused in his name to Bn. Orderly Room an an absentee at Tattoo Roll Call. On the morning of 7 Jan 44 I held a Muster Parade and roll call of the Royal Canadian Regiment personnel on that draft, the accused being a member of that regiment. The accused failed to answer his name. I did not see him. I continued to call the roll each morning until and including the morning of 11 Jan 44, and during that period the accused did not answer his name. This draft left on the night of 11 Jan 44, and the accused, to the best of my knowledge, was not on this draft.

Cross-examined by the Defending Officer.

At this Camp we stage troops from Canada, and also drafts going abroad. Troops coming here are not told that this a camp in which they are intransit.

The Court were of the opinion that it was not necessary to comply with R.P. 63B.

SIXTH WITNESS FOR THE PROSECUTION

Capt. D.M. Jacquest, Quartermaster, No. 1 Canadian Base Staging Camp, having been duly sworn, states:

I am the Quartermaster of No. 1 C.B.S.C. At about 1600 hrs, 13 Mar 44, I inspected the kit of the accused in his presence, and I found him deficient the following articles, opposite each of which I give the full Vocabulary Price and the Used Wear Price on the basis of 75% of the Vocabulary Price.

SIXTH WITNESS FOR THE PROSECUTION (continued)

Article		No.	Vocabulary Price	Used Wear Price
Boots, ankle	prs.	1	1- 4- 5	0- 18 - 4
Drawers, woolen	prs.	1	0- 5- 4½	0- 4 - 4
Gloves, knitted drab	prs.	1	0- 2- 1	0- 1 - 7
Lanyards, knife		1	0- 0- 1	0- 0- 1
Socks, worsted	prs.	1	0- 1- 8	0- 1 - 3
			£1-13-7½	£1-5-7

There is a scale of issue for privates in the Canadian Army in the appendix to C.R.O. 3959. The accused when I inspected him could not produce Part III of his Pay book, but these are deficiencies as checked against the scale of issue in the Routine Order. After the inspection of kit I informed the accused of his deficiencies and he made no objection.

These drafts coming in are ordinarily not attached to us for any purpose except to send them forward and we do not get a Q.M. clearance. The accused was kit inspected when he came to this camp after 2 Jan 44, and it was found his kit was complete, except for sleeve detectors - 4, which is not included in the present deficiencies.

The Court were of the opinion that it was not necessary to comply with R.P. 83b.

NOTE D-5

Evidence for the Defence

FIRST WITNESS FOR THE DEFENCE

The accused, having been duly sworn, states:

I am twenty-eight years old. I am married, my wife lives at Rodney, Ontario, Canada, and I have four children. I came to England in August, 1940. About a year after that I received letters from friends that my wife had been running out on me. About 22 Dec 43 I received a letter from my wife and she said she did not want anything more to do with me. This worried me quite a bit. I did not know what had happened to the children.

I recall being warned for draft on 31 Dec 43. I proceeded with the draft to Chobham Camp. I had no idea where the draft was going. I did not know and do not know now what C.R.C.C. means. No one told me why the draft was in this camp. I was warned at No. 3 C.I.R.U. that I was proceeding on draft and the draft arrived in this camp. Having got this letter I was in a low frame of mind, being down in the dumps. We got paid on 6 Jan 44. I got in a dice game and I cleaned up quite a considerable sum of money. Still feeling depressed I went to Sunningdale, about one mile away and I got drunk. I came to two or three days later in London.

FIRST WITNESS FOR THE DEFENCE (Continued)

My recollection of that period is rather hazy. My recollection is that I found myself in a service club with two Canadians and I had been out with them the night before. I asked then what day it was. I am pretty sure they said it was Monday. I went drinking again. This continued for some time.

I realized I was absent. I knew I had been on a draft. Respecting the draft having arrived at Chobham Camp, that was as far as I knew it was going. When I went absent I did not do so with the intention of not further proceeding on the draft.

I do not know what happened to the articles which I am charged with being deficient. They were all with my kit when I left Chobham Camp. When I left Chobham Camp I went merely in my battle dress, boots and cap. All other kit was left in camp. I do not know what happened to Part III of the Paybook. When the Provost picked me up I knew myself that I was drunk, but I do not show it, I do not stagger around.

The Court were of the opinion that it was not necessary to comply with R.P. 83B.

The Prosecution declines to cross-examine.

The defence is closed.

Prosecutor's address to the Court.

The first charge against the accused is under Section 12(1)(a) of the Army Act, while on active service deserting his Majesty's service.

In the charge it is alleged that when the accused was proceeding on draft, with intent to avoid further proceeding on such draft he absented himself without leave during the period stated. To prove this charge the prosecution must establish both absence and intention to avoid the draft. The accused has admitted his absence. The Court has heard the accused's evidence as to his intention when he left without leave. If the Court accepts that statement they must find the accused not guilty of desertion, if the Court is satisfied, the prosecution has established an intent to avoid further proceeding of the draft, the accused should be found guilty of desertion. It is open to the Court to infer such intention from the evidence that the accused did not proceed with the draft. On this matter the Court is the sole judge of facts. If the Court is unable to find intention on the part of the accused, it is open to the Court to find the accused guilty of the lesser charge of absence without leave, which may be founded on the charge of desertion. It is submitted by the Prosecution, if the charge of desertion has not been proved the accused must be found guilty of absence without leave.

On the second charge under section 24(2) of the Army Act, losing clothing and equipment by neglect, it is submitted that the accused has submitted apart from the proof tended by the Prosecution that the articles deficient as charged were with his kit when it was left on the 6 Jan 44. That his kit was examined on the 13 Mar44 in his presence the articles as alleged were missing according to the Quartermaster who made the inspection that the accused did not object when told of the deficiencies. It is submitted that there is sufficient evidence to support 'guilty' on this charge. It must be pointed out to the Court that the accused is presumed to be innocent and that the onus of proving the charges is upon the Prosecution. Unless the Court is satisfied beyond reasonable doubt, all doubt must be resolved in favour of the accused.

Defending Officer's address to the Court.

Respecting the second charge, the Court is requested to note Section 24(2)(6) of the Manual of Military Law. If there was any neglect on the part of the accused that it was not necessarily culpable neglect.

With respect to the first charge, the question is what construction shall the Court put upon the actions of the accused. First the accused receives very upsetting news about his wife in Canada. Then on 31 Dec 43 he is warned for draft. He was not told where the draft was going or for what purpose. When the draft left No. 3 C.I.R.U. the accused left with it. He arrived at Chobham Camp on 2 Jan 44 and went absent without leave on 6 Jan 44.

The Defending Officer pointed out that the absence must be deliberate or clandestine nature.

The evidence shows in this case that the accused had no knowledge that as he went absent without leave that he was avoiding any draft service. His actions show no intent to evade all service, and as the essential ingredient of the offence is intent I submit he cannot be found guilty of desertion as charged. His actions throughout are those of an individual who had no guilty knowledge or intent of committing any crime except that of absence without leave.

The Court will now be closed and consider its finding.

The Defending Officer said in mitigation that -

The accused has four children and is only twenty-eight years of age, and has been in England since Aug 40. I submit, sir, that, although theM.F.M. 6 of the accused does not disclose what you could by any means call a good record, they are essentially not vicious crimes, mostly A.W.L.'s. I might point out too, sir, that the Court in dealing with this individual should possibly take a lenient view of the accused's troubles a suggestion of which have come out before the Court today. I might also point out that a human being is a fine piece of machinery, for example a watch, the rougher you treat it the more erratic it runs.

Defence
A-3965 Pte ELLISON Earl Carl RMR

having been duly sworn states:-
I am A3965 Pte Ellison, Earl Carl, I arrived in England Aug 1st 1940. shortly after I received letters from one of my friends telling me that my wife had been going out with different men. I saw my padre about it and there was nothing done about it at all. Just before Christmas 1944 I received a letter from childrens Aid Society St Thomas saying that my wife had put a child in their care. The child was born June 13th 1944. This was the first I had heard about it. If I can get a divorce through the army I'm willing to soldier again. I have four other children, the oldest about 9 years of age the others between that age and four years of age. I have not heard of or from them for the past two years. I have never stopped my dependents allowance to my wife, and the only other relative or friend I have is my father who is a chronic invalid. I have not heard from my wife in two years and have no idea where she is.

R.P. 83 (b) complied with.

PLEA OF MITIGATION
in the case of
A-3965 Pte Earl Carl ELLISON (RMR)

Gentlemen of the court:

Pte Ellison enlisted May 40 Came UK Aug 40 and in Northern Europe Oct 44. I must bring to the attention of the court that this soldier is out of Canada for 5 years, His conduct as a soldier is not very recommanded, but we find behind a big thing who change a lot a men, not only in the army, but also in civilian life. If you consider the life easiest in the army, I still think when you have family troubles, you are far away and letters told you"Your wife is doing all right with another man, you dont like it, but when you cant have a straight proof it pass like a cold shower, but when letters, and letters by reliable persons said so you are very unhappy and more when the news arrived to you that you have a child newly born in June 44 and the last time you have seen your wife is in/40. Pte Ellison spoke of his troubles to his Coy Comdrs, Padres etc nothing was done for cutting his family allowances or having a divorce, so his stability is affected, he is not a normal man, he hasnt a life like the others. I ask the court for the accused that the convening authorities shoudl be advised in relation of all those troubles. When a decision will take place Pte Ellison will be happy and he will serve his country with the best of his ability. I recommend him to the court. And for his four children in Canada.

I am A-3965 Earl Ellison. I am 28 yrs old. I enlisted in the infantry on 7 May 40 and arrived in Eng 1 Aug 40. In the first week of Oct I landed in France, with reinforcements; and was sent to RMR. I have been with my unit since arriving in France. Just after my joining up my wife began to go out with other men. Since arriving in Europe I have received a letter, stating that a boy was born to her and sent to the welfare society in St Thomas Ont. I knew all along that my home life was wrecked and consequently could not give my mind to soldiering. On the 26 Dec 44 I left my unit at 1330 hrs and was arrested on 28 Jan 45 at 1130 hrs in Brussels. If I could arrange a proper settlement, of my married life I feel sure that I could be a good soldier. This is a voluntary statement. I have had the opportunity to add change or delete anything I wish.

PLEA OF MITIGATION Of Punishment

for

F-2704 Pte Glen Conrad ELLS, No-1 Canadian Base Transport Company RCASC.

Mr President and Members of the Court I would like to make a plea of Mitigation on behalf of F-2704 Pte Glen Conrad ELLS. Pte Ells Volunteered for the Canadian Actice Service Army on 26 March 1942. After only a very short period of approx 2 Months in Canada he was sent to England. Then followed 2 Years training in England. I would like to point out that during all this time Pte Ells MFM 6 remained without any entries. On "D" Day plus 24 came to France and during some of the most difficult periods of this war carried out his duties as Driver i/c in an exemplary manner. Pte Ells was always found to be willing, co-operative, and extremely good soldier. On the occasion when Pte Ells was wounded in the leg he requested immediate return to his unit which was granted.

Pte Ells action when involved in the accident was such as to prevent damage to the other vehicle or injury to any of the occupants.

In conclusion may I stress the service Pte Ells has rendered to his country and may I point out this will be the first mark on Pte Ells clear record.

Having heard in brief a record of his good service in the army I trust that you will be as lenient as possible at thr same time it is realized that discipline must be upheld.

There was a civilian truck in front of us and an Airforce Dodge truck in front of the civilian truck, and a civilian truck in front of the Airforce truck. Pte Ells sounded his horn and passed the civilian truck in front of him. He blew his horn and started passing the Airforce Dodge. The left hand front wheel struck the rocks and swung the truck into the ditch. When the truck finally stopped I got out and found Pte Ells laying on the ground between the door and the box of the truck. I helped him to his feet and found that he could not walk and had been injured. A Jeep stopped and we put him in it and it took him away to get medical treatment.

Statement in Mitigation.

The last time I was out in the car, I was only there for a short while and we stayed out there for 4 hrs and got relieved by another Pde, and at the time I was out there, I got sand fly nerves and couldn't eat, and went in the R.A.P. and the H.Q. W.O. S.R. told me I had no temp. he said I was nervous. Then he put me with the stretcher bearers until we were relieved that night, the unit returned to Ortona that night between 4 & 5 o'clock, and then they brought me back to my coy area, I reported to the Dr next morning. when I asked the Dr. what he would do with me, he told me he wouldn't have anything more to do with me. That's the reason I went A.W.L.

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

Exam by Court: He said—"I've had enough parades".

RP 83(B) complied with.

(*See RP 40 fns 8-12, 87(C), 92(C) (D).*) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP 61.*)

(vi) Closing address by Prosecutor. (*See RP 40 fn 7, 87(C), 92(C) (D). Prosecutor has no right to address Court on subject of sentence except as provided by RP 48(E), KR Can 565(a).*)

Exhibit #3
Def

Plea for mitigation

G-3437 Pte Ellsworth G.W.

The defendant enlisted in March 1941, at the age of 16 yrs. He wanted to do his bit, being a single man.

He tried repeatedly to get overseas but was turned down. Finally, in Dec 1944 he succeeded in getting his name on a draft.

He had no crime prior to Aug 1945 when he committed a minor offence. Since then his only crime has been A.W.L.

This soldier is anxious to return to Canada as soon as possible, as his home has been practically broken up.

Only last week he had a judgement rendered against him for the payment of a child which he is not sure is his.

These troubles drove the defendant to the local pubs, trying to obtain a respite, even only for a few hours.

He had been drinking on the day in question, which caused him to go to London.

He had arrived in Aldershot, shortly before noon on the 4th Dec, which was a Saturday.

He tried to obtain a pass from his unit, but was refused, being informed it was too late.

He intended to return the same day, in fact he was at Waterloo Stn on his way back when he was apprehended.

This soldier is not a criminal, and I beg the court to be lenient in meting out punishment.

In the case of C.3437 Private George William ELLSWORTH, RCASC, on the strength of No. 1 Canadian General Reinforcement Unit, a soldier of the Canadian Army Overseas.

"I Produce the following document pursuant to Overseas Routine Order 5352, which has been read over and shown to the Accused, and which is attached hereto as an exhibit."

(1) Certificate in Accordance with P.C. 2797 of 10 Apr 42, which declares that C.3437 Pte. Ellsworth, G.W. was apprehended at London at 2140 hours 15 Dec 45 by Canadian Provost Corps.

Officer detailed to take the Summary of Evidence.

FIRST WITNESS for the Prosecution

B.99757 Cpl. MacPherson, J.A., No. 6 (Area) Provost Coy, Canadian Provost Corps.

The attendance of this witness, due to the exigencies of the Service, cannot in my opinion be readily procured. A statement purporting to be signed by him and marked "Appendix "A" and attached to the Summary of Evidence, has been read and shown to the Accused.

Appendix "A" is a statement signed by B.99757 Cpl. MacPherson, J.A. and corroborated by L.155871 L/Cpl Chadwick, C.E., to the effect that C.3437 Pte. Ellsworth, G.W., when asked to produce a leave pass and M.B.M. 1 Pts 1,2 or 3 at London at 2140 hours 15 Dec 45, could NOT produce a leave pass. When asked the name of his Unit, he struck B.99757 Cpl. MacPherson, J.A. in the face with his fist.

The Accused does not require the attendance of B.99757 Cpl. MacPherson, J.A., first witness for the prosecution, for the purpose of examination.

(J.F. Hodgins) Captain
Officer detailed to take the Summary of Evidence.

THE ACCUSED WAS CAUTIONED AS FOLLOWS:

"Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you say or any evidence you give, will be taken down in writing and may be given in evidence."

The Accused reserves his defence.

The Accused does not call any witnesses.

G-3437 Pte. Ellsworth G.W.
No.1.C.G.H.U.

Sir;

At London at about 2140 hrs 15-Dec.45 I was on patrol duty at WATERLOO STATION in company with L/Cpl. Chadwick C.E. where I saw the s/m soldier. He was improperly dressed i/e his tunic was open to the full extent and he was not wearing his issue head-dress.

I approached him and requested to see his leave pass and M.B.M.1.pts.1.2.or.3. He could not produce a leave pass. He was A.W.L. When I asked him his unit. He stated." Go fuck yourself you no good cocksuckers." and struck me in the face with his fist.

I placed him under arrest and escorted him to No.6.(Area) Cdn.Provost Company Detention Office where I ordered him to tell me his unit. He again refused. I then turned him over to the N.C.O. i/c of cells to be detained.

CASE OF

G-3437 Pte George William ELLSWORTH - 1 Cdn Adm Tpt Coy RCASC

TRIAL OF THE ACCUSED ON THE FIRST AND SECOND CHARGES

FIRST WITNESS

Lieut M. Cote, 1 Cdn Adm Tpt Coy, RCASC, having been duly sworn, is examined by the Prosecution:

Q. What was the nature of your detail on Friday, 21 Sep 45?
A. I was detailed to take 10 vehicles to Colchester, Roman Way Convalescent Hospital to pick up barrack stores. We arrived at the hospital at approx 1400 hours in the afternoon. We had a light lunch in the kitchen and immediately commences to load the vehicles. Once this was done I ordered all vehicles to be parked against the buildings inside the camp. I then got a lorry to bring the drivers to town and proceeded myself to town along with Lieut McIlveen in a jeep. On returning to the camp at approximately 2300 hours we passed by the vehicle park and I noticed one vehicle missing. I tried to find out where the vehicle was and on whose authority it was removed. This being impossible to find out I decided to proceed to Colchester and report the lorry as stolen. On arriving in town I met a policeman and we asked him if he had seen any of our lorries. He told me that they were holding a lorry and two Cdn soldiers in the police station which happened to be across the road from where I met the policeman. On entering the police station I noticed two Cdn soldiers sitting on a bench whom I recognized as Ptes Spurlock and Ellsworth, the accused, who is now in this room. Then the policeman on the desk told me why they were being held. I don't think the accused could hear him. He notified me of a lorry being in the yard. I then went outside to identify the lorry and found it to be the one missing from the park.

Q. At the taking of the Summary you said that the number of the vehicle was CL-198669. Is that true?
A. As far as I know it is, sir. I then asked the Camp SM if he had a Det or guard room where these two men could be placed under close arrest. On being informed that they had none I requested the civil authorities to keep them in custody until the following morning. I then warned the two accused that they were under close arrest and would be brought back to Farnborough under escort in the morning which was done. On arrival at our own guard room I turned them over to our Regimental Police.

Q. Were the men in your convoy instructed to take their blankets with them?
A. No, mess kits only.

Q. Then blankets were removed from camp without authority?
A. Without my authorization anyway.

CROSS-EXAMINED

Q. You are quite certain that it was specified that mess kit only should be taken?
A. Yes sir.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83 (B)

SECOND WITNESS

Lieut. G.A. McIlveen, Cdn Sp Services, having been duly sworn, is examined by the Prosecution:

Q. Will you tell your story of the detail you were on on Friday, 21 Sep 45?

A. On Friday, 21 Sep 45, I was detailed to go to Colchester and pick up some ten truck loads of Cdn Bk stores. When we arrived at Colchester it was rather late and the drivers and the work party hadn't had anything to eat. They were given lunch and after that we began to load the sotres that were laid out by the QM. The trucks were loaded in a matter of 2 or 3 hours after which they were backed up against the building and left within the confines of the camp. The men were fed and transport laid on to take them to town. Lieut Cote and myself and two Sgts also went down town and returned to camp at approximately 2300 hours. At that time it was noticed as we passed the truck that one of them was missing. Therefore we proceeded down town again and met one of the Colchester policemen in the town. The policeman informed us that he had two of our men and a truck at the back of the court. We proceeded to inspect the truck and found that the lot of Bk stores was intact and that besides that there were ten Army blankets in the cab. The two men were at that time in the Court. They were left there overnight and brought back to this camp under escort.

Q. You stated that there were ten Army blankets found in the cab of the truck. Are these the blankets you saw in the truck?

A. These blankets are tied in the same way with the same string and I believe they are the same blankets.

Q. Who took charge of them at the time?

A. Lieut Cote.

THE TEN ARMY BLANKETS ARE MARKED EXHIBIT "1"

Q. As a Bks Officer can you identify these blankets as Army blankets?

A. Yes, they are.

CROSS-EXAMINED

Q. Did the blankets form any part of your lot of Bk stores that you were taking back?

A. No.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83 (B)

THIRD WITNESS

Mr. H.J. Douglas, 60 East Hill, Colchester, having been duly sworn, is examined by the Prosecution:

Q. Would you just give your story of what happened after you first met the accused?

A. I was in the Fleece Hotel Tap on the 21 Sep 45 at about 6 or 6.30. I was having a drink. A Cdn soldier approached me. He asked me if I wanted some blankets or if I could dispose of any. I then asked how many he got. What colour were they. He said they were all colours. I asked him where they were. He said he was going back to the truck and would get them and

me here later. The other Can soldier was not more than two feet away from the soldier that was speaking to me and he could hear what was said. They decided to go and get the truck. Then they returned to the pub with the truck in the entrance to the car park. The road was too narrow for them to come down. I said there was no other way for them to come in. They were down to the Headgate Corner where they turned the truck around. That was a wider road to get into the car park. They had the blankets there in the truck when the truck got into the car park. While they had been gone for the truck I had notified the police. When they arrived with the blankets and told me where they were the Police arrived and I pointed the two men out to the police. They said they wanted 10/- a blanket.

Q. Do you see either of those two soldiers in this Court?
A. The accused was one of the soldiers. This is the fellow that did the talking first.

CROSS-EXAMINED

Q. Was there a dog in the Fleece Tap which you were feeding?
A. Yes.

Q. Where did you first see the truck that you refer to?
A. In the car park.

Q. Can you describe it?
A. It is very difficult. I see so many of them in a week.

Q. Was it a small English vehicle or a van or what type of vehicle was it?
A. More like an English vehicle.

Q. Did you see any blankets? I am referring to before the police came?
A. I didn't see any blankets before the police came.

Q. Did you see any blankets after they came?
A. Yes sir. in the truck. I couldn't say how many were there.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 53 (B)

FOURTH WITNESS

P.C. 30, Frederick William BESCH, Colchester Borough Police, having been duly sworn, is examined by the Prosecution:

Q. Will you give your story of what happened on this case?
A. About 1030 p.m. on Friday, 21 Sep 45, I was on duty in High Street, Colchester, in company with Police Sgt White and W.R. Kipps. In consequence of instructions received from Sgt White in company with Kipps I went to the Culver Street car park, Colchester, where I saw Mr. Douglas of 60 East Hill, Colchester. In consequence of what he said to me I went to the west end of the car park where I saw Ptes Spurlock and Ellsworth. I saw the accused and he was one of them. I said to them that they had been trying to sell blankets to civilians. I cautioned them and they replied "no". I asked them if they had a lorry on the car park and they replied "yes". I asked them what it contained and they replied furniture. I asked them if they had any blankets in the lorry and Spurlock replied "I have ten in the cab which I brought

from Farnborough." I told them I was not satisfied and that I was going to take them to the police station. I saw Lieut Cote of the Cdn Army at the police station who complained that a 30 cwt Cdn lorry had been stolen from Roman Way Camp at Colchester. I showed him the lorry and he identified it as the one stolen from Roman Way Camp. I showed him the blankets which had been in possession of these men but at the time he was unable to say if they had been stolen. He was seen by the duty inspector who asked that the two men be detained at the police station until an escort arrived in the morning.

FIRST WITNESS - DEFENCE

G-3437 Pte Ellsworth, G.W., 1 Cdn Adm Tot Coy, RCASC, the accused, having been duly sworn, is examined by the Defence:

Q. Will you tell the Court your version of that night?

A. On Friday, 21 Sep 45, I was ordered to go to Colchester as DR of a convoy and we were supposed to take our overnight kit with us. I also took my blankets along as I had been in the habit of taking one or two blankets out with me as the nights are pretty cold and we usually have to wait at the Station until the troops come in. We got there at 1400 hours, had a lunch, loaded the vehicles and around six we had supper and then we was told that there was a recreational lorry going to Colchester for our benefit that evening. I wasn't particular about going to Colchester. I had been working on my bike and was dirty and after around quarter after 7 I was washed up and cleaned up and when I was coming out of the wash room I met Spurlock. We got talking and decided we would go down town for a few beers. Seeing that Spurlock had a work ticket for a truck we decided to take his truck. At the time we wasn't planning on staying down any length of time. We drove down to Colchester which was about 12 miles from the camp. We parked the car in the car park which we found out to be behind the Fleece Pub. We then immobilized the truck and walked for about a block to a pub. We had three or four beers and got feeling not too bad. There wasn't anything going on there so we left that pub to see what the town looks like. We got down the street into another pub. This we found out after was the Fleece Tap. We had 3 beers there and getting to feel better all the time decided to see what we could have for some fun. About this time this old gentleman comes over to feed his dog in the corner so we thought we would see if we could have some fun with him if we could. Spurlock asked him if he wanted to buy some blankets. He said 'Yes' but I must see his friend. He goes to see two women in the corner. He comes back and asks how many we have got. We told him we could give him as many as he wanted. He said how much. I looked at him and didn't think he had much money so said 10/-. We had a couple more beers and he leaves us. We leave the pub and go out on the street to see if we could see any women. There didn't seem to be much doing there. That was about 0830. We go in this other pub and have a

beer and there is two women there. We get talking to them. We stay there about 20 minutes to half an hour. After they left we fealt like having some fun somewhere and went out on the street. We go to another pub and have a beer there. It is getting on near 10 o'clock and we decided we would go have a final beer and go back to camp. As the truck was behind the Fleece Tap we went in there. I left Spurlock outside as he went to the Lavatory. I went in and this old fellow who we had been talking to before comes up and asks me if I had the blankets. I decided that I would have some fun with him and said yes I got them in the truck. This time Spurlock comes in. The old man takes us out and asks us around the pub and in back to the car park and tells us we can bring them out there. Our truck is already parked in amongst American and English lorries. That is about 5 to ten then. He says he wanted to get a beer before closing time. He walked off to the pub in the back way. Spurlock goes to mobilize his truck as we were going back. I decided to have one last beer but the bar had closed. When I comes out the old guy came out with me and with his dog. When I get half way across the car park he leaves me and says he is going to get his sons car to get the blankets in. Then I go over to tell Spurlock that the old man must have seen that we were fooling him and pulling his leg and had gone home. Then a couple of RAF girls come over. We were kidding along with them and the driver came with their lorry and they left. We were going to get into our lorry and look around and see that the old man had come back with two cops. We stayed to hear what they had to say. The old man leaves the cops about half way across the car park. One of the cops says to us 'I hear you are trying to sell some blankets' and Spurlock answers 'no'. He asked us if we had a lorry and we said 'yes'. He asked us what we had in it and we said furniture. He seemed surprised but we go over and show him the furniture. He asked us what we had in the cab. We told him ten blankets which we had brought from Farnborough. He asked for the work ticket and took us over to the Police Station. We sat in one room and they went into the Inspector's Office. Shortly after that Lieut Cote and Lieut McIlveen came in.

Q. Why were you blankets in Spurlock's lorry?
A. I ride a motorcycle and I asked him to take them with him.

Q. Why did you quote a price of 10/0 and why at all?
A. If we hadn't of said something he wouldn't have wanted them. We weren't going to give them to him.

Q. Why did you mention blankets? Why not boots or clothes?
A. We were talking about people selling them on the continent. Spurlock had been on the continent and seen how they were sold there.

Q. Were you aware that such a conversation could be construed an offence under the Army Act?
A. No sir.

Q. Did you understand that mess kit only was to be taken on this trip?
A. No, I didn't.

Q. Is it customary amongst the men to take blankets out of camp and why?
A. I can't say any more than for myself. I have seen guys taking them out at night as it gets cold sitting and

waiting for trains at night.

Q. Waiting for trains for what?
A. Our platoon are hauling these fellows coming back from the continent.

CROSS-EXAMINED

Q. You said you were ordered to take out night kit? Who ordered you?
A. It comes out on a duty roster on the door.

Q. Did anyone else take blankets besides you and Spurlock?
A. I couldn't say that.

Q. How many did you take?
A. Five blankets.

Q. Normally you are only issued with 4? How did you get five blankets?
A. I had three issued. One on a 1098 and there was one blanket for a seat cover on a truck when I was up north. I used it for a pillow.

Q. Did you know that recreational transport was being laid on that night?
A. Yes sir.

Q. You didn't take advantage of that?
A. No sir, I wasn't ready to go.

Q. Didn't you think it was unusual taking a loaded vehicle into town on your own?
A. A little sir.

Q. You thought it was quite regular for the driver to take his truck after it had been lined up with the rest?
A. I have pleaded guilty to taking the truck.

QUESTIONS BY THE COURT

Q. Tell us how you took the five blankets in the morning and in what truck you put them?
A. I put them in Pte Spurlock's truck.

Q. Did you know he was taking any blankets?
A. Yes sir.

Q. How many did he take?
A. I suppose he took 5.

Q. Did you turn yours over to him?
A. Just that morning.

Q. What did you say to him?
A. Just if he would put my blankets in his truck.

CLOSING ADDRESS BY DEFENCE

As written out and handed in.

CLOSING ADDRESS BY PROSECUTION

The Defending Officer has gone rather fully into contract law. The evidence establishes the fact that the blankets were taken contrary to orders. The orders were given to take mess kit only. Therefore the blankets were taken without authorization. They were offered for sale to Mr. Douglas which is

established by the evidence. As far as a contract is concerned it is only a meeting of the minds. I contend there was a meeting of the minds. The blankets were offered for sale, an offer was made of 10/-. As far as the two soldiers were concerned the deal had gone through. Mr. Douglas was there to collect the blankets. Both persons were sane and over 21 years of age.

CLOSING DEFENCE ADDRESS: Pres. & Members of the Court.

1. Charge No. 1 "Improper Possession"

It has been established that these men took their own blankets with them for a legitimate purpose.

It is therefore submitted that a charge of improper possession has not been substantiated.

NOTES:

2. Charge No. 2 "Attempt to sell"

In summing up I invite the attention of the Court to the following facts:

1. MOTIVE: There was no motive for any attempt to sell:

(a) a sale is consumated primarily for a profit motive, and there is obviously no profit in selling an article for 10 shillings when the net result is an immediate deduction from your pay of 3s9d -- a net loss of 27s 6d.

(b) consummating a sale would, in this case have had one of three immediate results:
(i) deliberate theft of blankets from a comrade --which the evidence of character witnesses precludes.
(ii) A charge of Losing by Neglect & deductions from pay.
(iii) do without blankets these cold nights & with winter coming on. motiv is therefore lack-

CLOSING ADDRESS (cont'd)

2. INTENT: There was no intent to sell:

(a) The conversation ~~xxx~~ with the old man in the Pub was of a jocular nature, initiated under the jovial spirit produced by a few drinks and carried further after a few more drinks had raised the tempo and made the defendants sense of judgement disproportionate.

Under normal circumstances neither would have engaged in such buffonery.

(b) Even under the circumstances, had the defendants any conception that it could be construed as an offence in relation to selling or attempting to sell they would not have engaged in such a conversation.

3. The elements of a sale are:

"goods offered in return for money at such a price as to make a profit.

~~IN~~ ~~THEREXXXX~~ The anticipation of such elements must therefore be inherent in any attempt to sell.

(a) There was no offer made such as "we will sell you blankets" NOR were blankets at any time offered to the old man.

(b) There could be no expectation of receiving money from this man as he appeared poor. NONE was asked for. NOR was any attempt made to ascertain if £5-0-0 (the cost of 10 blankets at 10s) might be procured from this man in spite of his indigent appearance.

(c) No profit could possible accrue.

These elements of a sale ~~xf~~ or an attempt to sale are therefore lacking.

4. Attention is invited to the fact that, although there are two witnesses against on e in the Fleece Tav conversation, that no attempt has been made on the part of the defendants to dispute the statements of the old man, but they have been frankly admitted and adequately explained.

CONCLUSION:

As an attempt to sell presupposes the ultimate intention to consumate the sale it is submitted that evidence has shown that no such intention was present, and that the ~~evidence~~ apparently incriminating circumstances have been adequately explained, and therefore no charge of attempting to sell has been substantiated.

FIRST WITNESS: Lieut. M. Cote, 1 Cdn. Administrative Transport Company, R.C.A.S.C., having been duly sworn states:

On Friday 21 Sep. 1945 I was detailed for a convoy to pick up stores at Roman Way Convalescent Hospital, Colchester. We arrived there at approximately 1400 hrs the same day. After having lunch at Camp we immediately began loading our vehicles with furniture and barrack stores. On completion of loading I ordered all lorries to be parked against two buildings. I then proceeded to the transport office of the Camp and arranged recreational transport for the drivers to go to Colchester that evening, as we intended to leave the following morning. This transport left the Camp at 1930 hrs. After having dinner, Lieut. McIlveen and myself, along with two Sergeants took my jeep and proceeded to town in it. We returned to Camp at approximately 0300 hrs, and on passing the place where the trucks were parked I noticed that one was missing. I immediately tried to find out where, and on whose authority the truck had left the car park. This being impossible I proceeded to Colchester with Lieut. McIlveen to report the lorry missing. As we came into the town I met a policeman and asked him if he had seen a lorry. He entered the Police Station which was across the road, and returned telling us that the lorry was in their yard, and that two Canadian soldiers were being detained. I recognised this vehicle as CL-196669, the missing lorry.

On entering the Police Station I noticed two soldiers sitting on a bench, and recognised them as the accused. The Constable on duty told me how they came to be in custody. On being told of the attempted sale of blankets, Lieut. McIlveen decided to check the remainder of the lorry. I accompanied him, and he was satisfied that the load was untouched. I re-entered the Police station and requested that the two accused be detained for the night, as we had no guard room in Camp. The following morning the accused were picked up and returned to Aldershott with the convoy, under escort. I then turned the accused into the unit guard room.

The accused declines to cross-examine the witness.

MY

SECOND WITNESS Mr. Robert Joseph Douglas, 60 East Hill, Colchester, having been duly sworn states:

At 2030 hrs on Friday Sept. 21, 1945 I was in the Fleece Tap when two Canadian soldiers approached me. The taller one (Pte. Spurlock) asked me if I wanted any blankets. I asked how many they had and they said I could have as many as I wished. I asked the price, and they said 10 shillings each. I then asked them what colour they were, white or otherwise, and they said they were all colours, brown, grey, etc. I asked them where the blankets were and they said they would have them along presently, and where would they meet me. They said they would have to get the truck. The short one (Pte. Ellsworth) said he would get the truck, and then they said they would both go. I said I would remain in the Fleece Tap until they returned. We left together to go to Head Street Corner. I asked them where the truck was and they said they couldn't get the truck down that way. I then asked them where the truck was, again, and they said they would bring it to the Bus Park. Then the Police arrived.

White, I went to the Car Park Culver Street with W. H. Kipps. On arriving there I saw Mr. DOUGLAS, 60 East Hill, Colchester, and in consequence of what he said to me, I went to the west end of the Park, where I saw Pte. No. G.3457 George William ELLSWORTH, R.C.A.S.C., also Pte No. H.126831 Harold Raymond SPURLOCK, both stationed at No. 1 Administrative Transport Company, R.C.A.S.C., Farnborough, Hants.

I said to them "I have received information to the effect that you have been trying to sell blankets to civilians." I cautioned them and the replied "No." I asked them if they had a lorry on the car park and they replied "Yes." I asked them what was on the lorry and they replied "Furniture." I asked them if they had any blankets, SPURLOCK replied "I have 10 in the cab which I brought here from Farnborough." I told them I was not satisfied and would take them to the Police Station.

On arriving there I saw Lieut. H.S. Cote, No. 1 Administrative Transport Company, R.C.A.S.C., Farnborough, Hants., who stated that a 30 cwt lorry had been stolen from Roman Way Camp. In consequence of what I said to him, I showed him the lorry which had been in possession of SPURLOCK and ELLSWORTH. Lieut. COTE identified it as the one stolen from Roman Way Camp. I showed him the blankets but he was unable to say at the time if they were stolen.

Lieut COTE asked if SPURLOCK and ELLSWORTH could be detained at the Police Station until the morning of 22nd instant, Lieut COTE had a conversation with Inspector Bestley and these men were detained to await escort.
