Evidence in the case of G22621 Pte Durant, Allison.

Accused pleads not guilty to the charge.

First Witness for Prosecution

"Iam Lieut K.N. Webber, Mortar Offr, W.N.S.R. At approx 21 00 hrs 22 Feb 44 I was working in my forward O P which was also a Forward listening post and used by 14 Pl., C. Coy. W.N.S.R. At this time there was one NCO and four men posted from 14 Pl. to give local protection for the post. At approx 2105 hrs. L/Cpl Northern, P.J. who was this NCO in charge of the guard, came to my room, which was the one opposite to that in which his men were sleeping and informed me that one of his men refused to obey his order to go on guard duty in a trench approx. 25 feet outside the building. I then proceeded to the place where the the accused was quartered. On inspecting the room I found accused in bed. I woke him up and asked him if he had been ordered by L/Cpl Northern to go on guard duty. He said that he had been and also stated that he would not go on guard. I explained to accused that if he did not obey the NCO's order he would be charged with disobeying an order and liable to be tried by Court Martial. Accused then stated that he did not care "how much he got" and that he still would not go on guard for anybody. I then ordered L/Cpl Northern to place accused under close arrest and proceeded to inform his Coy Comd, who made arrangements to have accused taken away and another man put in his place.

Cross-examination of Witness by Defence:/

Q - Would you say that the accused was in fit condition to go on guard at the time stated?

A - He was.

Q - Did he appear nervous, sleepy, or under the influence of liquor?

A - No.

R.P. 83(B) complied with.

Second Witness for Prosecution

" I am F66275 L/Cpl Northern P.J. On 22 Feb 44 I was the NCO in charge of the guard at a forward O P, of which Pte Durant was a member. At approx 2100 hrs I went to waken the guard for duty. I woke Pte Durant and it took several minutes for me to get him to sit up in bed. When he was awake I told him that it was his turn to go on guard and he said that he would not go. I then ordered him on guard. He took off his shoes and went back to bed. I explained to him what would happen to him if he did not go on guard saying that he would be placed under arrest and would be charged with disobeying an order. He still refused to go on guard andwent back to sleep. I then went across the hallway to Lieut Webber Mortar Offr, and informed him of what had happened.

Question by Court

Q- Did the accused give any reason for not wanting to go on guard

A- Accused said that he felt he was not getting a fair deal in the allotment of guard duty and should have been on the first shift of the evening. I pointed out to him that he would have been on the first shift if he had come down stairs in time, as he had had an opportunaty of doing.

Q- In what manner did accused refuse to go on guard?

One of the members of the Mortar Pl. relieved me while I went into the house to see what was delaying my relief. When I went into the house L/Cpl Northern the guard Comd. was trying to get Pte Durant out of bed. Accused, after 5-10 minutes, left his bed and was told by L/Cpl Northern to hurry out for his turn on guard. Pte Durant said that he was not going on guard tonight. He then took off his shoes and went back to bed. L/Cpl Northern then across the hall and came back with Lieut Webber, Lieut Webber explained to Pte Durant the seriousness of refusing to go on guard and what would happen to him if he did not go. Accused said he did not care what happened.

Date. 14 July 44

R. Laing Capt. (Med)
Medical Officer
(unit) 13 Fd Amb RCAMC

1 st witness for the prosecution, R.A.M.C. 13 Bn. 2 CBRG.

Sgt. Crumby, W., L 26316, sworn states:

I was on duty as Orderly Sgt. of C4 Coy. on the night of 22nd June 1944. At approximately 2330 hrs. Cpl. Crawford turned his pass in at the Orderly Room. He came back about five minutes later, bruised and with blood coming from his mouth.

I went with Cpl. Crawford to the tent. I asked the accused why he had hit him. He replied "Can you prove it?"

I went to the C. S. M. to see what I should do. I escorted Cpl. Crawford to the Medical Officer. The Medical Officer examined him & said there were no fractures but two bad bruises; one bruise was behind his ear.

I placed the accused under arrest and put him in the Guard Room.

Cpl. Crawford moved allright the first time I saw him. There was no man in the tent besides the accused when I went to the tent with Cpl. Crawford.

R.P. 83 (b) complied with.

2nd Witness for the prosecution

Capt. H. Reid. R.C.A.M.C., 13 Bn. 5 BAG.

sworn states:

I was Duty Medical Officer on the 22nd June 1944. The next morning at about 0030 hrs. I was awakened in my tent and a soldier had a Corporal with him ~~for examination~~ ~~and asked me to examine him~~. He had no serious injuries but had a few bruises on the face, his body swollen, a bruise I had the ~~me~~. He had the appearance of having been in a fight, his clothes & hair being disorderly and having the a/m injuries.

I instructed him to report on Sick Parade the next morning.

He failed to report on Sick Parade the next morning.

Cross-examination by Defending Officer

Q. Do you think it possible in the darkness that a man under the influence of liquor could ~~not~~ have fallen and received the same injuries by a striking a hard object?

A. In my estimation the bruises were ~~to~~ generalized to have been caused by a fall and to have struck something.

He had no actual cuts. The bruises were much of the same form without any break or laceration of the skin and without any evidence of dirt that one would expect if falling on a hard surface.

The three houses I mentioned were the main ones. They could have been possibly caused by falls. The rest of the four showed slight gunsh puffiness.

R.P. 83(b) complied with.

3rd Witness for the prosecution,

Cpl. Crawford, F. J., G 34046, RCAMC, 13 Bn. 2 CBG

sworn states

On the night of the 22nd June 1944 I came in from Aldershot and handed in my pass at the Orderly Room. I went to the tent to make my bed. While doing this I accidently stepped on Pte. Durand's arm. I apologized. We had a conversation about the space between our beds. Pte Fribert went to the latrine. While he was away Pte. Durand made the remark that he would fix me now, and jumped on me while I was in my bunk in the centre of the tent and began hitting me with his fists. Pte Fribert came back after a minute or so and pulled Pte. Durand off.

I asked Pte. Fribert for my times and went to the Orderly Room and made the report. After that Sgt Crumby handled the case.

One man and Pte. Durand were in the tent when I came in. They were not asleep. I talked to Pte. Durand. I am sure he knew who I was since before he attacked me he said. "I'll get you Corporal".

I left camp at about 1645 hrs. and returned at approximately 2330 hrs. I drank 4 pints of bitter only while away. I was with

Pte. Livingstone and Hurley in Aldershot. I left them and came home by myself. I walked home with a stranger soldier and I directed to 12 Bn.

Cross Examination by Mr Spain

Q.- Could you tell us in detail what you did at Aldershot?

A. We went to an amusement hall and had supper. Then we went to a pub near Woolworths store and stayed there for awhile. From there we went to a pub near the Town Hall. That was the last pub we were in

Q.- You mentioned something about your word being better than Pte Hurrell's, didn't you?

A- I said in the discussion that my word was as good as his, if not better.

Q- Why did you make that statement?

A- Just on account of my rank, that is all.

Q. During the scuffle you didn't try to protect yourself.

A- No, sir.

Q. Why didn't you?

A. I didn't have much chance, being on my back.

Q- Would it have been possible for Pte. Hurrell to mistake you in the darkness?

A. I don't think so, as we slept side by side.

Q- In the darkness and Pte. Hurrell being asleep could he not have mistaken you for a stranger, possibly under the influence

Page 3.

of liquor coming into his tent.

A. I believe he knew it was me, as we ~~had~~ have sleeping in the same tent.

Q. Did you have much difficulty getting into the tent at the beginning?

A. It is hard to get in at anytime with the ropes and double flap.

Questions by the Court-

Q. How long have you been sharing a tent with Pte. Durand?

A. Since the 16th June.

Q. How many times did you step on Pte. Durand?

A. Only one, sir.

Q. Apart from stepping on Pte. Durand can you give any other reason for his attacking you.

A. No, sir

Questions by Prosecution:

Q. How long were you in the tent before Pte. Fralick went out?

A. About five minutes, sir.

Q. Were you talking to Pte ~~Fralick~~ during that time?

A. Yes, sir.

R.P. 83 (b) complied with.

Fourth witness for the prosecution B. 145 604 Pte Trileck, J.S., duly sworn states:

I was lying in bed in the same tent as Pte Durand. When Cpl Crawford came in, he accidentally stepped on Durand. The latter said there was enough room in the tent to make his bed without stepping on him. I said "Why not leave him alone. You can see he's had a few drinks." I then got up and went to the latrine for a couple of minutes. When I came back I found Cpl. Crawford on the ground moaning with Pte. Durand on top of him. I pulled Durand off and Cpl. Crawford then stood up. I shone my flashlight on him. There was blood on his face. I handed him his tunic. Crawford then told Durand that he couldn't get away with striking a superior officer. Sgt. Morrison came in in his shirt sleeves and ordered Durand to get dressed. He refused and Sgt Morrison went to get the orderly Sgt. ~~On being questioned by the prosecution witness states that~~ Crawford was in the tent 4 or 5 minutes and I knew who he was talking to by his voice.

On being cross-examined by the defence, witness states: ~~I did~~ I was not in the tent during the scuffle. I could tell that the Cpl. had been drinking by the fact that he talked louder than usual and he told me so himself.

The Cpl. stepped on the accused only once to my knowledge of the witness. The Cpl. did not fall while I was in the tent. I was out of the tent between 1½ - 2 minutes.

tripped but the Cpl could possibly have
(the Cpl.) was ~~not~~ I it doesn't seem likely.
witness states: ~~that~~ by the prosecution,
by his voice and it was light enough for me
to see him. Durand was awake before
~~the~~ went out.
On further cross-examination by the defence
witness denies having said "Leave the
Cpl. alone. I will put him to bed".

~~the witness~~ the cpl could possibly have tripped but there were no beds where he (the Cpl.) was and it doesn't seem likely.

On re-examination by the prosecution, witness states: ~~that he~~ recognized Cpl. Crawford by his voice and it was light enough for ~~him~~ me to see him. Durand was awake before ~~the witness~~ went out.

On further cross-examination by the defence witness denies having said "Leave the Cpl. alone. I will put him to bed".

Fifth witness. G-45516 Pte Livingstone, JR. being duly sworn, states:

I was with Cpl. Crawford on the night of 22 Jan 44. We had supper in Aldershot and went to two pubs and consumed three or four pints of beer. We just sauntered around until appx 2145 and I left Crawford at that time. He was on his way back to camp in the company of another chap to whom he was showing the way. He looked normal to me. I've known him since we were in school together and have never known him to be ill-humoured or violent after drinking.

On cross-examination by the defence, witness states: I left Crawford a short distance from the pub.

Statement by the Accused

E. 101459 Pte Adrien Durand, being duly sworn, states:

About 11 o'clock on the night of 22 Jan 44 I closed the flap of my tent and went to sleep. About 15 or 20 minutes later I heard a sound at the door but did not pay much attention to it. Somebody came in and started telling Pte. Pollock how he had spent the evening. He stepped on me and hurt me. I told him to be careful. He mumbled something unintelligible. He walked back and forth telling his story and stepped on me 2 or 3 more times. I told him there was room enough in the tent without stepping on me. While making his bed he further annoyed me.

Trileck went out at that time ~~& this~~ this other person took off his tunic and called me a "goddamned prick" and said he could walk on me any time he wanted. He came over to jump on me. I got up and as I did so I felt myself strike something with my head and he fell against the post. Then I jumped on him to keep him down. Perhaps I might have done something to him while he was on the floor as I was holding him to keep him quiet. Trileck then came back and told me to leave him alone and he would put him to bed. I started to help him take off his anklets and Trileck took me by the shoulders and said "Leave him alone. I'll look after him." Then the other man got up and said that I would pay for this and his word was better than mine. He got his tunic from Trileck and went to make a report of the incident. He came back shortly after with a Sgt. This sgt. came and asked me my name and number. He went away and another one came and told me I was on charge and put me under close arrest. One of the sgts asked me why I struck the Cpl I said "Can you prove that I hit the Cpl?"

SUMMARY OF EVIDENCE IN THE CASE OF E-101459 PTE ADRIEN DURAND, RCAMC, 13 BN., 2 C.B.R.G., A SOLDIER OF THE CANADIAN ARMY OVERSEAS.

By direction of the Commanding Officer all evidence is taken on Oath.

1st Witness for Prosecution

L-26316 Sgt. Crumley W., RCAMC, 13 Bn., 2 C.B.R.G., having been duly sworn, states:

"On the night of 22 Jun 44 I was Orderly Sergeant and at approx. 2330 hrs Cpl. Crawford handed me his mid-night Pass and proceeded to his quarters. About five minutes later he came back into the Coy Orderly Room and blood was coming from his mouth and lips. His lips were swollen and there was a large lump behind his ear. He stated to me that he had been beaten by a Pte in his tent. I asked him if they had been quarreling and he said "No" but he said that in the dark he accidently stepped on a soldier's the soldier said some words to him. Cpl Crawford said that he apologised to him and said that he was sorry and the soldier said to him that he would get him for this. Cpl Crawford told me that he was on his knees making his bed and while in that position the soldier beat him. I proceeded to the Tent accompanied by Cpl Crawford and when I entered the Tent I asked what the trouble was, and I asked the accused, whom I now recognize, why he hit the Cpl and he just answered me "Can you prove it?" I place him under close arrest and had him escorted to the Guard Room. After, I took Cpl Crawford to the M.O. and had him examined. The M.O. after examining him said there was no fractures but only a couple of bad bruises. There were about four or five soldiers sleeping in the Tent. It was quite dark in the Tent at that time of night. At that time there was only the accused and one other soldier in the tent who was asleep beside Cpl Crawford.

2nd Witness for Prosecution

G-24046 Cpl Crawford F.J., RCAMC, 13 Bn., 2 CBRG having been duly sworn states:-

"On the 22 Jun 44 I came back to the tent approx. 2330 hrs after just handing in my Pass and proceeded to make my bed. I accidently stepped on Pte Durand's arm (the accused whom I now recognize). Afterwards I said I was sorry and then proceeded to finish making my bed and while on my knees with my back turned I heard the remark: "I will fix you, Cpl." and before I knew it he had jumped on me and started pounding

"me with his fists. Just before this happened Pte Frilcok left the tent to go to the urinal and when he came back he dragged Pte Durand off of the top of me. I immediately reported to the Orderly Sergeant and with him came back to the tent, after which he took me to the M.O. There were a few words spoken netween us while I was making my bed. I did not strike Pte Durand at any time ever while I was struck. I sleep next to Pte Durand on his right. We have been sleeping in this Tent since 16 Jun. At that time I had my tunic on carrying my Cpls stripes. There was enough light so that one could recognize one another if they were facing each other. I can recognize Pte Durand's voice. I am positively sure that Pte Durand recognized me when I came into the Tent. There was just Pte Durand and Pte Frileck in the Tent when I came in. Pte Frileck sleeps just about opposite to where we do."

Cross examined by the accused.

Q.1. Did you go out that evening?
A.1. Yes.
Q.2. Did you come back alone?
A.2. Yes.
Q.3. Why did you have so much trouble in opening the tent flap?
A.3. Because it was fastened or tied on the inside.
Q.4. Did you not tell Pte Frileck that you did enjoy the drinks you had with those who were with you?
A.4. Yes.
Q.5. Have you any trouble with your eyes?
A.5. No.
Q.6. Do you remember telling me that they would take my word against yours?
A.6. I said that my word would be as good as yours if not better.
Q.7. When we came to see the C.O. do you remember that you told the C.O. that our bed was about six inches apart?
A.7 Yes.
Q.8. Is it not so that we have our large pack and haversack standing side by side at the head of our beds.
A.8. Yes.
Q.9. Do you think it possible that a man who has been drinking can fall if he trips over something?
A.9. Yes, anything is possible.

3rd Witness for Prosecution

B-145604 Pte Frileck J.S., RCAMC, 13 Bn., 2 C.B.R.G., having been duly sworn, states:-

"On the night of 22 Jun 44 at approx. 2330 hrs I was lying in bed in my tent when Cpl. Crawford returned; he started making up his bed which was alongside that of Pte Durand. While he was making his bed he stepped on Pte Durand who was at this time in his own bed. Pte Durand told him that he

had enough roomand didn't need to step on him. Cpl. Crawford apologised for stepping on him. At this time I got up to go to the urinal outside the tent and on my return I heard a scuffling inside and found Cpl. Crawford on the floor of the Tent and Pte Durand over him. I pulled Pte Durand away, struck a light and saw that Cpl. Crawford was bleeding from the mouth. Cpl. Crawford then put on his tunic and reported to the Orderly Room. I have been sleeping there since the 17 Jun 44. Knowing the chaps it would be possible to distinguish one from another in the light there was. It was easier to know the chaps by their voices. When I took Pte Durand off of Cpl Crawford he was not wearing his tunic. We, all the members in this tent seemed to be chummy and there was never any strife between us. I dont know if Pte Durand was awake or asleep at the time Cpl Crawford came in."

Cross examined by the accused.

Q.11 Do you remember if Cpl Crawford had any trouble in openeing the tent flap?
A.11 I dont, but there is a difficulty in unhooking the flap at all times.
Q.12 Have you ever been drinking with Cpl. Crawford?
A.12 No.
Q.13 Would you state that Cpl Crawford was frinking that night?
A.13 I would surmise that he had been by the tone of his voice.

(B-145604 Pte Prileck J.S.)

This man is going on draft.

The accused was cautioned in accordance with Rules of Procedure 4 (e) of the Army Act.
The accused wished to make a statement on Oath.

E-101459 Pte Adrien Durand, RCAMC, 13 Bn., 2 C.B.R.G., having been duly sworn, states:-

"On the 22 Jun 44 at 2300 and 2330 hrs I threw the flap of the tent over the opening and I went to lie in my bed. I was about half asleep when I heard someone making a noise at the entrance to the tent and the man that was there seemed to have trouble in opening the tent flap. Finally he opened it and walked in. I heard him telling Pte Prileck how he spent his evening and he seemed to be drinking. While he was walking in the tent talking to Pte Prileck he walked on my legs. At first he apologised and then turned back and walked on me again. He did so twice, stating that he did not have enough room in the tent to make his bed and walk about. I told him that he had enough place to walk and that he dod not need to walk on me. He answered me by saying: "I dont give a dam for you and if you have something to do, just get up and do it." As I figured that he was looking for

trouble I stopped the argument and laid back in bed. In the meantime Pte Frileck went out and Cpl Crawford took off his tunic and started to walk in my direction and told me that he could walk on me and that he would do it and he walked on me again and it hurt my legs, so I made a jump to get up and he started backward and fell down against the centre tent post and probably on my boots that were laying there becuase they were crushed when I picked them up. I went over to him and knlet down and in the meantime Pte Frileck came in the tent and Pte Frileck told me to leave the Cpl alone, that he would put him to bed. O offered to take off his boots and anklets and Pte Frileck told me to leave him alone. Then Cpl Crawford got up and told me he was going to place me under arrest and that his word would be taken rather than mine. He said: "You wont be sleeping here tomorrow night" After that he went out to get the Orderly Sergeant. He came and put me under close arrest."

Def off in mitigation :-

Accused in army 1½ yrs – had 2 minor crimes only. – not a bad record + as a whole quite good. Durand has held various jobs in Bn.

In summary has stated reason for going absent - another man wanting to fight. Durand did not want to fight – made mistake in not reporting + left - Not malicious, attempt to keep out of trouble, returned next morning. Thought it was the best thing. No dis absence, not at time when services likely to be required.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his pleas of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 paras 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans Yes (5)

B5. The Summary of Evidence is marked Ex , initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). 1st Witness Sgt. Horne having been duly sworn and being identified the accused states.

On the 4th Jan at approx 2000 hrs I checked the duty roster which was posted in the guard room at Havenock petrol dump I found that Pte Durand was supposed to be on guard at this time. This duty roster was posted at least 24 hrs ahead of the duty to be performed. Pte Durand was not in the guard room and could not be located in the petrol dump. I waited Cpl. Tindale was present at this time both he and myself took turns at doing carrys out this guard until approx 2100 hrs. At this time Cpl. Tindale & myself, as Pte Durand was still absent went down the road to try & locate Pte Durand We succeded in locating him at approx 2100 hrs.

2/ I told Pte Durand that he was supposed to be on guard at 2000 hrs he said he thought he was on guard at 2200 hrs I asked Pte Durand if he was going on guard and he said no Cpl Tindale and myself then returned to the petrol dump and both of us carried out Pte Durand's tour of duty until 2200 hrs At approx 2345 hrs Pte Durand returned to the petrol dump & ofter a few minutes he went to bed next tour of duty was I to the guard room we had our duty roster up When I told him he was supposed to be on guard I explained that it was an order to come back & he did not make any motion to return I asked him if he was going on guard he said "No" I have no doubt that I made the point clear to Pte Durand that he was to return immediately At approx 0400 hrs on 5 Jan 45 I checked the duty rosters and found that Pte Durand

was scheduled to go on duty at
0400 hrs. Cpl. Tindale was
present at this time I went over
and shook Pte Pacaud & he mumbled
"Yess Yes" etc. As he did not make
any motions toward getting up I
went back again and shook him
and tried to awaken him he mumbled
"Yes, Yes, Yes; etc" I then said "Pacaud
its 0400 hrs and you are going on guard
now" he said "Yes Yes etc." I then
asked him if he was going on guard
& he answered "No" I personally
took over his tour of duty from 0400
hrs until 0600 hrs I did this
in order that the duty roster would
not have to be changed by the
absence & placing another man
on his duties.
The first time I shook him I am not
certain he was awake but the
second time he was.

This man enlisted Oct 1940 and has given the army good service (DFC) since then as a D/r first with the 4PLDG (1st Dis Recce) after. latter with Public relations. He realized his mistake and is now anxious to go & finish the job he started. In consideration of this I ask the court bring in a lenient sentence as he will be doing his country no good in detention

During the time that he was supposed to be on guard the duty was taken over by Cpl Tindale and myself. Pte Durand returned to the dump at approximately 2345 hrs, and went to bed without asking any questions about his tour of duty.

Pleas in Mitigation of Sentence in Case of Pte Shurent.

Pte Shurent enlisted in the Edr Army on 23 Feb 40 and has been serving overseas for nearly 3½ years. During this period he has been in action against the enemy for nearly 4 months. The record shows that this man has not caused any trouble whilst with his present Company. Also that he was a good man in action. Being a good front line soldier these days is something that proves to be a very important factor. Pte Shurent has not been granted any leave for some time. He admits going AWL and is prepared to suffer the consequences, but in view of the fact that he is such a good man in action I ask the Court to consider this fact before passing sentence on him.

Address Coach & Cage Cafe, Lingfield.

Age 66 yrs. Occupation Cafe Proprietress.

I have been the proprietress of the Coach and Cage Cafe Lingfield for the last twenty years. I live in rooms attached to the Cafe.

Just before 6 p.m. on the 24th December 1942 I locked and secured all the windows, doors and made sure the outside gate was properly fastened.

At approximately 11.10 p.m. on Thursday the 24th December 1942 I was in my sitting room when I heard a scraping noise in the Kitchen. Thinking it may be rats I crept quietly to the Kitchen and then saw a man standing outside the kitchen casement window and he was scraping the putty from a pane of glass near the window catch. It was moonlight and I could see this quite plainly, but could not identify the man, neither could I say whether it was a soldier or a civilian.

I went to the telephone near the foot of the stairs and I lifted the receiver quietly and whispered to the operator. I thought it would not be heard so I went upstairs and made another call from the extension.

I returned to the kitchen and could still hear the man scraping the window.

I then went to the back door with the object of seeing the Policeman arrive and also escaping should the man get in the Kitchen. I could still hear the scraping at that time.

I waited there a few seconds and then walked through my living room to the Cafe where I unbolted the side door which leads to the garden. As I did this I heard voices.

I went outside and saw two figures, one a Policeman and one a soldier. The Policeman said "Alright its the Police".

They were standing near the corner of the building which would be only a few yards from the window.

I heard certain conversation between the Policeman and the soldier and saw the soldier hand the Policeman some papers.

A few minutes later the soldier went away and I made a certain complaint to the Policeman and showed him the kitchen window. I later examined the side gate and found the fence broken and the staple out of the catch and a large shutter had been moved away.

I cannot truthfully say that the soldier who I saw with

Campbell asked them how they got passed the guard with the M/C, and they said they ~~xxxxxx~~ pushed it out the back way and started the motor outside the Pl lines. He also asked them if they had signed out or had a pass for 13 Oct 44 and they stated that they had not. Lieut. Campbell, Pte. Richardson and myself proceeded to ANTWERP and reclaimed the M/C. I asked the accused when he had taken the M/C out and how he got it out of the area and he told me he did not know what time he had taken the M/C out, but that they had not started the motor in the area, but had pushed the M/C out of camp and then started the motor. They also explained that they had been drinking. I asked them if they had a pass for the evening of 13 Oct 44 and they said they had not. As the M/C was still held by the Provost and required the signature of an officer before it could be retrieved, I took Cpl. Burgard and Pte. 2168 IMPROVEMENT OF RD MOV
Republished from 2 Cdn CRO No. 392 dated 19 Sep 44.

1. A study of traffic problems during the recent rapid adv indicates that the great majority of traffic tangles and blockages were caused by one of the following faults:

(a) Halting nose to tail on rd.
(b) Double banking.
(c) Overtaking by convoys.
(d) Nose to tail driving by hy and slow moving vehs which prevents overtaking by lighter vehs under authorized conditions.
(e) Halting of vehs and convoys without sentries to wave on passing traffic.

2. Shortage of TC resources precludes all routes being regulated or even patrolled. It is the duty of every offr to take effective action to check traffic offences. Offrs will not overrule TC personnel but will act in the absence of such personnel or to assist them. This duty will be notified to all offrs and disciplinary action will be taken in any case of failure to perform such duty.

3. Overloading of rds has been caused in a number of cases by convoys travelling on routes for which a mov authority had not been obtained. In future, cases of overloading of rds to the detriment of normal mov will be dealt with by putting such unauthorized mov off the rd until the congestion has cleared, when they will be allowed to proceed.

First Witness

Lieut. G. A. Campbell, "C" Pl Comdr, 10 Canadian Infantry Brigade Company, RCASC, sworn, states:

I was, on 26 Sep 44 and still am "C" Pl Comdr, 10 CIB Coy, RCASC. I am a acquainted with G52298 Pte. Durelle, A., whom I recognize as the accused. On 26 Sep 44 my platoon drew petrol at 134 Pet Depot, Aubers, and after the draw I decided to send the pl back to pl area by sections, under control of sec NCOs. On checking up on the sections, at about 1340 hrs, it was reported to me by one of the M/Cs that there had been an accident in Armentiers, involving two lorries of "C" Pl. I immediately proceeded to the scene of the accident and found both lorries with broken radiators. Both lorries were Chevrolets, 3-ton, GS, No. CL 4239195 on charge to B91970 Pte. Brown, H.R., and CL 4239196 on charge to G52298 Pte. Durelle, A. C35194 Pte. Green, C.E., spare driver to veh CL 4239195. Lorries and pers were of my pl. I asked them how the accident occurred and both Pte. Durelle and Pte. Brown replied to the effect that they had been proceeding along the road in Armentiers in convoy at approx 15 m.p.h. at 15 yds distance between vehs, and on approaching a corner to turn right onto the main road, the veh in front of Pte. Durelle, driven by C101229 Pte. Pitts, G.R. came to a sudden stop. Pte. Durelle could not stop in time and hit the lorry Pitts was driving and Pte. Brown's lorry, which was the last lorry of the convoy ran into the rear of Pte. Durelle's lorry. I instructed Pte. Durelle and Pte. Brown to stay with their lorries until the breakdown arrived to take them in tow. I then returned to Coy HQ area and instructed K 75667 Sgt. Waddington, A.J., my pl Sgt. to return to the scene of the accident with the breakdown lorry and take the two damaged vehs in tow and return them to "C" pl area. I then took two empty lorries to the scene of the accident to off-load the petrol from the two damaged lorries, arriving there at approx 1700 hrs. When I arrived, I found Pte. Green in charge of both vehs. Pte. Green told me Ptes. Durelle and Brown had not returned to their damaged vehs, I started to look for them. The time was about 1750 hrs. I looked in two or three cafes, two hotels and two pubs and I could not find them. In all, I spent about one hour looking for them. I then instructed Pte. Green to stay with the lorries until the breakdown lorry arrived to bring the damaged vehs into pl area, and I returned to "C" Pl. I did not see either Pte. Durelle or Pte. Brown again until the 1700 hr parade 28 Sep 44, when I placed them under arrest.

C35194 Pte. Green, C.E., Driver Mechanic, No. 11 Section, "C" Platoon, 10 Canadian Infantry Brigade Company, RCASC, sworn, states:

I was, on 26 Sep 44, and still am, Driver Mech, No. 11 Sec, "C" Pl, 10 CIB Coy, RCASC. I am well acquainted with G52298 Pte. Durelle, A., whom I recognize here as the accused. On 26 Sep 44 I was spare driver to Pte. Brown, veh No. CL4239195. We were proceeding from Aubers to "C" Pl area with a load of petrol, and on approaching an intersection at about 15 m.p.h. the veh in front of us, driven by Pte. Durelle, stopped suddenly and our veh ran into it. No signal was given for the stop. The radiator of the lorry was damaged, also the steering. Pte. Durelle's lorry also had a damaged radiator and was stopped in front of ours. About twenty minutes later, Lieut. Campbell came along and inquired about the accidnets. I told his both vehs would be tow jobs. Lieut. Campbell then told me to stay with the vehs until the breakdown lorry arrived. Ptes. Durelle and Brown were standing on the opposite side of the road when Lieut. Campbell gave me this order. Lieut. Campbell then proceeded in the direction the convoy had gone. I have no idea what time it was when Lieut. Campbell was speaking to me. After some time waiting, Ptes. Durelle and Brown said they were going for a shave, wash and something to

eat. They left and walked up the street. About ten minutes after they had left, Lieut. Campbell arrived with two lorried and asked where the accused were. I told him they had just left for a shave, wash and something to eat. I helped unload petrol from damaged vehs to the vehs Lieut. Campbell had brought up. On completion of the loading, Lieut. Campbell told me to remain with the damaged lorries and then left. A few minutes later the breakdown lorry arrived. Sgt. Waddington, who came up with it, only gave me ten minutes to look for Ptes. Durelle and Brown while he was hooking up the lorries. I made a search and could not find them. I then returned to "C" Pl area with the two damaged vehs in tow.

We left Armentiers at approx 1945 hrs and upon arrival at Coy locn at 2300 hrs I reported to Lieut. NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(C)), any objections (*RP* 95(B)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12245 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accd in Court is Pte Smith. About 1400 hrs on 15 Jan 43 I ordered the accd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (or, None.)

Re-exam: None.

Exam by Court: He said—" I've had enough parades ".

RP 82(H) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP 95 fn 1.*) If the evidence is taken by him in narrative form, RP 82(B) should be complied with. If taken verbatim, RP 82(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply so far as practicable, having due regard to the public service. (*RP* 122.) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (*RP* 60(C), 87(C), 92(C) (*D*).)

(ii) At option of accused, statements by accused (*not sworn or subject to cross-exam by Prosecutor, Court or J.A.* (*RP* 40 *fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 2, 42 *fn* 1, 46.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP* 46 *fn* 1.)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP* 86(B)), or to prove previous convictions when accused has called witnesses as to character. (*RP* 88(C).)

(v) Closing address (*on matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP* 40 *fns* 8-12, 87(C), 92(C) (*D*).) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (When accused charged jointly see *RP* 61.)

(vi) Closing address by Prosecutor. (*See RP* 40 *fn* 7, 87(C), 92(C) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP* 40(*E*), *KR Con* 565(*a*).)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. *RP* 35(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras* D1 *to* D8 *inclusive of Record Form D on p* 3. *RP* 37(*D*).)

On behalf of the accused the Defending Officer makes the following statement:

Acc. did not intend to avoid a particular service - was rather an intention to get some where where he could quietly think over the mental condition he was suffering under.

Defending Officer states he is not ready to proceed on plea of NOT guilty.

Court is Adjourned.

1. AD

On 11 Jun 45 Court re assemble pursuant to adjournment
Prseent same members.

1st Witness
For Prosec. D81041 CSM J P Young 1 Bn The Black Watch RHC sworn states:

On 1 Apr 45, at approx 0515 hrs I searched the area for the accused, Pte Durkin, whom I recognize, he could not be found I came across his equipment and arms. I did not see Accused until 16 April 45 when he came back to unit under close arrest.

Cross-Examined

I did not speak to accused on morning of 1 April 45, acc. left a sten gun behind and i carried ti into action.

By JA

I was not present at briefing of pln. I do not know if acc. was briefed for an attack.

RP 83 (b) complied with - Witness withdraws.

2nd Witness
For Prosec D81169 HQMS TD Tweedale 1 Bn The Black Watch sworn, states:

At approx 1215 hrs on 14 April 45, the accused Pte Durkin was on lunch parade at "B" Ech. He told me he was LOB and that he had permission to visit the educational corporal. On 16 April 45 at about 0800 hrs I asked the acc if he was AWL. He answered that he w s I put him under close arrest.

AD

2.

Cross Examined

Acc. was not carrying any weapon at that time, that I remember. We were 35 miles from Bn.

1st Witness for Defence

On morning of 1 April 1945 at about 0400 hrs I was in a house iwth my section. I was very nervous, there were airbursts coming at us. and I was very nervous. I went AWL I took my steal helmet, but no weapon of any kind. I was under a strain and I feel I was not responsible for my actions.

Cross-Examined

On that date, 1 April 1945 I had been with that platoon about 6 months. Our section comdr L/Cpl Matulis briefed our section that here was going to be an attack. This was at 0500 hrs on 1 April 45. I knew that an attack was to be carried that morning.

Summing up by Prosecution

Unit was to attack that morning. Accused admits orders passed down to section, also that he did not participate in attack. Acc intended to avoid that particular action. Charge has been proved.

Summing up by Defending Officer

Accused knew of impending attack but he was extremely strained. Acc left weapon behind him and was carrying no equipment which shown he was not acting reasonably. Acc volunteered for navy in 1943 when he was 19. Lied to join. served on a destroyer. Honorably discharged asmedically unfit, for nervous condition. Was in Navy from May 43 until March 44. Volunteered in Army as GS arrived in England in Jun 44. In July 44 TOS RHC. Since then with exception of one 48 hr leave, served continuously at 1 RHC or 5 CIB. Nervous condition may have resulted from action with the Navy. Not responsible for his actions because of extra strain..

By JA

You must remember that the accused must be presumed innocent until proven guilty. Definition onus of proof on shoulders of prosecution. If guilt not proved beyond reasonable doubt acc must be found NOT guilty. By reasonable doubt is meant the doubt of a common sense man arising out of the evidence and not cased on imagination, fancy or undue simpathy. Acc is charged with desertion under AA 12(1) (a). To establish charge proc must prove absence and intent of not coming back or of wanting to avoid particular service. Should you think that such an intent was not proven beyond reasonable doubt but that acc was away without leave then you may bring in a lesser finding of Guilty of AWL. You are to decide on matters of facts and of law but should take my advice on the latter. The president, prosecutor, defending officer declare they have no further points they wish clarified.

Statement in Mitigation

May Court consider that acc saw service in Navy and Army. Length of service in European zone of operations. Acc only 20 yrs. Volunteered twice for active service.

The prosecutor proceeds to call witnesses.

First witness for prosecution. D/11178, Sgt Marsh, J. W., 1st/5th Black Watch (RHR)

being duly sworn, is examined by the prosecutor.

2 identify accused as Pte Durocher, A.J. while in Petawawa camp on 2 June at approx 2130 hrs - as 2 passed tents where Durocher stays. 2 heard a shot, smelt it was a live round. 2 went into trees + as 2 approached a truck 2 saw Durocher - he was holding his arm + mumbling "help me". 2 took hold of him + helped him to RAP - on the way we passed thru 2 coy lines + one of medical orderlies came to our assistance - 2 questioned Durocher on way over but as he was in pretty shape he could only say that he had an accident + wanted help - 2 left him with RAP + reported to Duty officer, Capt McLaurin. On going back 2 found rifle which was loaded with 4 live rds in mag + 1 expended round in the chamber. Couldn't hear his exact words but it was to the effect that he had accident cleaning rifle. The truck backed in + the rifle was leaning against a tree approx 10' from rear of truck. There was a trace of blood from the tree back towards some tents which were 25 to 30' away. The trace of blood lead around the tents + into clearing where 2 met Durocher. Woods were reasonably open quite a number of large trees + quite a bit of bushes + shrubs - trace was fairly easy to follow. Durocher was sitting on ground in tram + standing where rifle found.

C 2

Cross-exam.
Knew it was rifle shot. Had orders to investigate because lot of thunderflashes were put off previous + all NCO's ordered to check up all bangs. Would be possible to be shooting to simulate thunderflash — Had been training but was then clear + quite light. Matter of a minute or so between shot + when 2 met Durocher — Couldn't place shot immediately + went with behind latrine first then around + met Durocher. — Durocher mumbled about accident + I gathered that it was from cleaning but he didn't say so.

Re-exam
2 was 50' from track when 2 heard shot.

Court.
Butt on ground + muzzle leaning against tree. Rifle in good condition — safety catch was off, was definitely in working order. Durocher is not in my section.
2 went down to RAP when time taken off + it was wounded in shoulder (indicating) Were various marks in mud because men going around — but no marks other than blood around rifle — blood trail leading from track toward what 2 thought was Durocher's tent. Blood followed usual path.
Live ammo had been issued.

2nd Wit Pros. D 82536 Pte Stewart, W., 1st Bn Black Watch (R.H.R.)
duly sworn, states:-
2 knows Durocher (indicates accused)
On 3 June around 9 o'clock I saw Durocher coming down lines + blood streaming down his right arm — 2 took him to RAP + gave him first aid. He was then put into ambulance. Another man was helping Durocher — 2 heard rifle shot in distance about 5 mins. before. 2 had no conversation with Durocher.
No cross-exam.

Court. Wounded thro front + right out back collar blade — right shoulder (indicating) Went straight in, struck shoulder blade, went up + out. 2 examined as carefully as 2 could but didn't spend much time; 2 bandaged it.

3rd Wit. Pros. Det Sgt Arthur Stringer, Eastbourne of Eastbourne Police.
duly sworn, states:-
Have had contact with accused Durocher. About 9.20 am on 3 June 2 was engaged at Eastbourne on certain enquiries in consequence of something 2 was told 2 went with PC 98 Thomas

to grand parade Eastbourne where I saw Durocher on a seat - I said I am police officer would you care to tell me what you are doing here - He replied I am on leave - He produced a pass made out in his name to Inverness & was valid until 1800 hrs 7 June 42 - I questioned him about pass & he replied I got fed up with Inverness & came to Eastbourne - In presence of Durocher I showed pass to PC Thomas & drew his attention to the date. - He was in my company after that for about an hour.

Cross-Exam

Can't tell you who signed pass. - It appeared to be usual pass & I was only interested in the date of expiry - He produced 3 transport during certificates made out in same name as pass - Pass in handwriting - Positive pass valid until 7th - that was my main interest - It was valid on that date - I'm positive it was a 7. I returned it to the soldier. He said "I got fed up with Inverness & came here - quite sure he said "fed up"

No Re-exam.

Court accused accompanied me of his own free will. left me about 10.30 a.m.
I thought pass was genuine.

Accused's right to apply for adjournment explained since following witness's evidence not in the absence of

4th Wit. Pros. P.C. 98 Thomas, B.Q., Borough of Eastbourne police duly sworn, states:-

I know Durocher (indicating accused). about 9.15 am I saw accused asleep & at about 9.30 same day, 3 June, I accompanied Sgt Stringer to Grand Parade & pointed out the dft. at that time Sgt interrogated accused in my presence & accd produced a pass which Sgt handed to me after examining it. On my own

12

examination I saw this pass expired at 1200 hrs on 7 June the purpose for which to proceed to Smeaton - Dept then accompanied by Sgt Stringer in a police car. - I did not accompany them. accused was on same seat at 715 + 930. Didn't see him between 715 + 930

Cross-exam

Was asked to produce other identification - don't recall seeing railway ticket - Pass was written quite legible writing - main object to see that he was on leave that day - wouldn't concern us if pass for later time - If figure was badly made it wouldn't concern us.

Re-exam

Expiry date was 1200 hrs 7 June

Court Examined for expiry date + fact of signature only.

5th Wit Pros

D82413 A/Cpl Roe, J. T., 1st Bn Black Watch (RHR) duly sworn, states:

At Buccleuch sitting over there (indicating accused) For first few days in June while Bn on Exercise Tiger 2 was orderly room clerk. Before exercise 2 started I inserted for railway warrant + made out privilege leave pass for 1200 hrs 23 May to 1200 hrs 25 May + privilege leave pass 1200 hrs 25 May until 1200 hrs 1 June. When Buccleuch returned on 1 June he reported in to me. He handed in short leave pass + he told me the other pass had been lost. I have short leave pass here. Until Bn returned from Tiger on 6 June Buccleuch was not granted any leave. At approx 630 or 645 on 3 June I received phone call + as a result I found Buccleuch in camp area about 715 + took him over to see Capt McLaurin + Capt McLaurin spoke to him - While Capt McLaurin on the phone I heard a rifle shot

CS.

Then Durocher was down at RAP where 2 saw him — he was given medical attention. 2 took statement + acsd said he had taken rifle out + tripped over a twig.

Cross-exam:

2 made out passes for all ~~pass~~ personnel of rear party + 2 did not make out any pass for extension of leave.

2 recognize P/L II order #49 of 1 aug. 42. - 2 don't make out casualty returns so 2 can't say as to date on them. (Exhibit "A")

no passes issued except through orderly room. C.O.P. notified me of AWL's + 2 wasn't notified on 2nd + 3rd June that Durocher was AWL.

2 had all passes + warrants locked up.

Re-exam:

2 don't do casualty returns + can't explain discrepancies in evidence re privilege leave — Durocher reported to me on 1st the day he was due back.

Court: 2 am positive the 7 day pass was made to follow directly after the short leave pass - the short leave pass is made to Inverness + the 7 day pass was to Inverness + London. 2 have 2 day pass here + it definitely states 1200 hrs 25 may as expiry date.

Prosecution closed.

Defending officer submits no prima facie case established on 1st, 3rd + 4th charges.

no intention on 1st charge

no conclusive proof on pass or on AWL.

Prosecutor in reply: submits 3rd charge prima facie established + 4th there is evidence that acsd was absent for shorter period than charged but he was absent + that is sufficient.

Court closed to consider submission.

Court allow submission on 1st charge + disallow on 2nd + 4th charge

The evidence of the witnesses for the defence, including that of the accused, if he is a witness, will be taken here in the order in which they give evidence.

1st Wit D81994 L/Cpl Young, J. W., 1st Bn Black Defence Watch (RHR) duly sworn, states:-

I identify Coy record of leave book. I made entries on page 2 2 was by Coy clerk on 28 May - Entry " Durocher, A. J. date of leave 28-5-42 to 4-6-42, previous leaves 2, previous warrants 2, warrants & destination Annuaness" I go around to men when leave is due & ask them where they want to go & submit to Coy Ord. room.

Cross-exam

Frequent changes between time man wants to go & when he really goes - am not sure man went merely because entry in book.

Re-exam - nil.

Court couldn't say when I made list out. couldn't say when Durocher went on leave We were on scheme & he left from scheme. He would come in from scheme to Bn orderly room & get his pass there. Don't know when Bn left on scheme. I made entry into book when we came back from scheme from a list I kept. Bn in Pulborough at end of may it is about 30 to 40 miles to Eastbourne.

Defence closed.

Defending officer:- no evidence of negligent handling rifle - Only thing close is that is statement that he had an accident, is not evidence of negligence. Evidence on 3rd & 4th charge leaves doubt in favour of the accused. Pass could have been on 4th Battalion 7th not reported AWL during this time.

Prosecutor:- Sgt Marsh's evidence that was good safety catch not on - reasonable precaution therefore not taken. submits that second charge establishes negligence by the fact of it happening. On third charge, two civilian witnesses' evidence undertaken & definite on expiry date. On AWL charge direct conflict of evidence but Pte Rae's orders not infallible & Cpl Rae's evidence very ~~reform~~ definite, no doubt as to time of accd's leave - Had made them out & delivered to Durocher & remembers Durocher reporting back on 1 June.

EASTBOURNE COUNTY BOROUGH POLICE

Our Ref. 274/1/42.

Police Headquarters
Grove Rd.Eastbourne
7th June 1942.

Subject: ~~SHOPBREAKING - 37, SEASIDE RD, EASTBOURNE~~

1. ~~With reference to the above, I beg to report that between 11.16 p.m.,~~ Tuesday the 2nd and 7-45 am, Wednesday, the 3rd June 1942, No. 37 Seaside Road, in the occupation of "The Southern Counties Dairies Limited," was feloniously entered.

2. Entry was effected by ~~making~~ a hole in small panel of tongue boarding which covered part of what had previously been a glass panel in the shop door, inserting hand and operating spring lock.

3. Fifteen eggs, 1½ pints of milk in two bottles, one tin of baked beans, and the contents of four charitable collecting boxes were stolen. Two tins of pork sausage meat had been removed from the display window and were found to bear finger impressions.

4. Enquiries were at once made and patrolling Police officers recollected having noticed a soldier on a seat under some trees a short distance from the entered premises. This soldier was eventually found on a seat on the parade and interrogated. I asked him to produce his pass and he did so. It was made out to No.D82458 Pte.A.J.Daroucher, 1st Bn The Black Watch Regiment, for a journey to Inverness. He stated that he got "fed up" with Inverness and came down to Eastbourne. The pass was due to expire at 1200hrs, 7th June42. Daroucher also produced three Motor Transport driving licences, which described him as age 38, weight, 184 lbs, hair brown and eyes brown.

5. Daroucher denied all knowledge of the crime and told a specious story of having seen a civilian who he described about 7 am on a seat near the shop, and added that he had seen this man open and drink a pint bottle of milk. I was not satisfied with Daroucher's story but in the absence of any evidence it was not possible to detain him. He readily agreed to be taking fingerprints and obviously he did not believe that useful clues had been found at the scene of the crime. I took his fingerprints and he was then allowed to go.

6. The same evening I telephoned to the Adjutant, 1st Bn, The Black Watch Regiment, Pulborough 165, and verified that Daroucher was a member of that Unit. He had apparently returned, and was at once interrogated by the Officer about having been in Eastbourne on the night of the 2nd, and 3rd. instant. He denied having been in this town, and I then informed the Adjutant that Daroucher's fingerprints had been found to be identical with those found in the shop. Daroucher apparently was informed of this development and shortly afterwards I was informed that he had been accidently wounded by a shot in one of his arms. A further telephone message on the evening of the 5th instant, ascertained that Daroucher is suffering from a wound in the right chest, and is detained under military guard at the 19th Canadian General Hospital, Bramshott.

7. Meanwhile, the photographs of the finger impressions found at the shop together with Daroucher's fingerprints were forwarded to the Commissioner of Police, Finger Print Department, New Scotland Yard, London, S.W.1 and a telephone reply has now been received that Daroucher's fingerprints are identical with those found in the shop at 37 Seaside Road, Eastbourne. Daroucher is therefore definitely wanted at this Borough for this offence of shopbreaking.

8. I respectfully beg to suggest that duplicate copies of this report be forwarded to the Superintendant of Police, West Sussex Constabulary, Petworth and that he be asked to be good enough to cause enquiries to be made of the Officer Commanding, 1st Bn The Black Watch Regiment, Canada, as to the probable date of Durocher's discharge from hospital, when it is requested that he be detained pending the arrival of an escort from this Force, and further that the Officer Commanding be handed the duplicate copy of this report for the purpose of his records, and the result to be communicated to the Chief Constable, Eastbourne in due course.

SIGNED Arthur Stringer
Detective Sergeant.

Instruction.

† If there is no summary or abstract of evidence, sufficient evidence to enable the Court to determine the sentence, and to enable the confirming officer to know all the circumstances connected with the case, will be taken on a separate sheet in the same manner as on a plea of "Not Guilty."

If from the statement of the accused, or from the summary or abstract of evidence, or otherwise, it appears to the Court that the accused did not understand the effect of his plea of "Guilty," the Court shall alter the record, and enter a plea of "Not Guilty," and proceed with the trial accordingly.

Plea for Mitigation

The accused, whose M.F.M.6 is before the Court, is in his 3rd year in Great Britain. He has a wife and family in Canada. He came overseas with a close chum of his who was killed in the Blitz, and since then has apparently been subject to periods of depression. When he was transferred from the Officers Mess to C Coy he felt that he was being discriminated against, since his record in the Mess (in a position of trust) has been a good one.

Under these circumstances the defence feels that this man who is undoubtedly not of a normally cheerful disposition is entitled to all the consideration which the Court may feel it wise to show in fixing the sentence.

The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

was told by Sgt McCracken that I was to be
transferred to the 4th Field Ambulance I immediately
asked him to parade me to Lieut Robbins O/C
#1 Sqt Plat. 2nd C.R.C. Mr Robbins informed
me I was being transferred on orders from Div

enquired why I was being transferred. He told me
it was on account of my past record. I assured
him that I did not wish to be transferred. After
a short conversation with him he ordered Sgt
McCracken to march me out upon leaving the
orderly room I walked into the adjoining room
and some one went downstairs and began
calling Pte Johnson who I knew wished to
be transferred. I walked back to the Orderly
room and was in order to avoid hearing
the conversation I went over to look out the
window. It was then that Sgt McCracken
told me to take my kit and put it in the
car.

After hearing Pte Johnston being called to
the orderly room I was under the impression
that he also had requested my wish to
remain in the Coy. I answered Sgt McCracken
by saying "No I am not going" He said
something to the effect of realizing what I was
saying by appearing to begin again.

I repeated yes I do I believe Sgt McCracken
ordered me again and I gave the same answer.
I was then placed under close arrest by Capt Ward.

As has been brought out in the Evidence of the first three witnesses called the Accused did not obey a lawful command given personally by a superior officer. Capt Hodgins has brought forward evidence that the accused would not carry out the order that was given later.

He was given ample time to obey the order. He knew what the order meant he was cautioned, and further he admits on his own statement that he did not obey the order in question. From the time he was paraded to Capt Hodgins till the time he was placed under close arrest he did thereby in such a manner to show wilful defiance of authority.

Transcript of Plea in Mitigation of Sentence

STATEMENT OF DEFENCE PTE DUROCHER

This man has pleaded guilty to a charge of escaping when in confinement and to being absent without leave for a short time. One naturally asks what motivated such behaviour. I maintain that this was the act of a desperate boy who felt he had been very badly treated by a previous Court Martial. About a month ago Pte Durocher was charged in front of the O.C. 85 Cdn Bridge Coy. RCASC. on a charge of disobeying a lawful command under section 9 (2) of the Army Act. He could have received only 27 days detention from the said O.C. but nevertheless elected trial by Court Martial, a perfectly proper procedure if he wished to make use of it. For this offence he was sentenced to the savage sentence of a hundred and twenty days detention, which was mercifully reduced to sixty days field punishment by CRASC. First Cdn Army Tpt Coln. The reduction was not enough. The following were the trivial facts for which this preposterous sentence was meted out. A L/Cpl. with whom he had formerly been associated with as a private, and had no connection with his section, gave him an order to unload a vehicle. At the time he was buisy doing maintenance on his own vehicle and refused this none to well authorized command until he had complied with the previous order to do maintenance. When he finished his maintenance the lorry had been unloaded. In my opinion there was not enough evidence for a conviction under the Army Act. Much less the imposition of this monstrous sentence. Now what was the reaction on the mind of a boy who had only had the advantage of a seventh grade education in the Province of Quebec. He felt the world to be against him. He was overcome with a desire to escape from a situation where he did'nt seem to have a friend. While he was awaiting transportation to a field punishment camp he met another prisoner with a bad record who outlined to him the method of escape outlined in the Summary of Evidence. Could any fair minded man blame him for taking advantage of this opportunity to escape. What would the members of this Honourable Court do if they found themselves in a similar predicament. I maintain that only their superior education would keep them from following a similar course. At the trial this man was prosecuted by a Captain with years of experience in such matters. As his defending counsel he had a very sincere Lieut. taking his first case. That was neither fair to the accused or this counsel. I ask this Court to remedy a great wrong by punishing this man by giving him a sentence of one day C.B. which would be in my opinion just one day too many. I crave the indulgance of this Court.

E. 1. Witness as to character for the accused.

Lt. G. H. Ashigne of 85 Base Bridge Coy RCASC, sworn states:-

I am Pte Dunoher's P.L. off on his occasions. I have always found him a satisfactory man in a platoon I have not known him to have any counts against & cannot recollect any Orderly room cases while I have known him. It does not appear to me to be typical of Pte Dunoher to escape from detention at 90 and I think that it may have been due to lonesiness which he expected when he closed tent by O.C. instead of Cook Sentry, and did not receive I have discussed the case with Pte Dunoher & other officers and feel that his case was not properly handled I intended to handle his previous case myself but as we were on exercise I remanded him to the O.C. & Pte Dunoher, feeling that his misdemeanour was not serious & that he should not receive other than a minor punishment elected trial by case instead of accepting the O.C.'s punishment. This I think is what led him to break out of confinement & go AWL as he felt he had not been justly treated The sentence awarded him by the Coy. was 60 days D.P.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement ? Ans ..... (5)

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if charged to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Closing Address by Defending Officer

Note 7 on page 435 of MML states that the command must be a specific command; and culpability for having failed with the formation. It has been proven that there were two sets of orders, one from

Closing address by Defending Officer (Continued)

Knott, MT sergeant of the platoon and the other from Lt Lt Lt Allardyce, who is usually administrative NCO. The man was doing his maintenance in accordance with the set of orders, when he receives another order. Being in charge of, and responsible for the lorry, he is right in giving for a reason that he has some act to put in the lorry.

The defence submits that the proof of the command has not been proven well enough that it was a lawful command. The way it happened, to make it a lawful lawful command, the corporal should have noticed that another order came in, and that he would relieve Pte Dunsden from responsibility of doing that urgent part of his maintenance, that is, to put some oil in the lorry now.

Para 11, chap 2, page 17 of MML states that the man must have had an opportunity even if he said "I will not do it". From the evidence of L/Cpl Kerr, there is only one thing that can be deduced that L/Cpl Kerr, Pte Dunsden and Cpl Pace talked together during about five minutes with the result that by that time, by the end of five minutes, Dunsden was already on charge under fourteen, although nothing was mentioned about it.

The defence admits that Pte Dunsden was performing his duty as a driver while the unloading, in the situation they were in, could have been done by four drivers.

From Pte Dunsden's evidence there is only one thing to believe, that he was a responsible man that

Closing Address by Defending Officer (continued)

gave an donation, and stuck to his donation which in some para 11 chap 3 page 17 of MML it is asserted that desertion should be wilfull and deliberate

And if at that point he smoked a little too much, it is on account of misapprehension, in other words even at that point he did not consider that the order was strong enough to reverse previous when that he had received.

closing Address by the Prosecution.

The defence contends that the command was not specific. In my humble opinion, the prosecution has proven, particularly on the admission of the accused himself, that he was told by L/Cpl Kerr and Cpl. Pownall to get down and help unload the truck.

The defence also contends that there were two sets of orders given. The prosecution would point out again, on the admission of the accused, that no specific order was given for daily maintenance, other than the fact that it was a daily routine and subject to the particular judging requirements as required by the exercise on which they will participating. Even Conceding the defence the benefit of the doubt, the accused has been in the army some three years and should have at least acquired the knowledge that it is the last order issued which supersedes all others and is the one which has to be obeyed.

The defence has quoted several extracts from M.M.L. one of which I would like to quote, which is para. 12, page 18, which defines a lawful command as one which is justified by Military law, ~~to~~ namely to do or not to do or to desist from doing a particular act. Such being the case in the command given by L/Cpl Kerr and Cpl Pownall, on the accused's own admission the command called for instant or proximate obedience, yet in spite of the fact that the remainder of the platoon were on the vehicle park originally for the same purpose as the Burochers, namely the maintenance of their vehicles and with the order to unload the equipment from the two trucks was issued to the platoon W.O.O by the platoon L/Sgt, the men so engaged were split up into two parties, excluding the D.R's, in such a way as one party could be allotted to each vehicle. They carried out the order to unload the equipment but the Burocher felt that he should first consider whether such a thing was an order or not; would not acting as a soldier of three years

standing and complying with the order, did not do so and was permitted at least fifteen minutes to make up his mind before he was placed on charge and under open arrest, still did not do so. However having decided that after all it might be better to consider the command given by Cpl. Ponnle and L/Cpl. Kerr to be an order, he decided he better make an attempt to unload the bridging equipment, but then found that it had all been unloaded.

In closing I believe the prosecution has fully established that a specific command was given and that the accused disobeyed this command not through any misapprehension or slowness and that the refusal was definitely deliberate and obstinate

Plea In Mitigation

The only thing I want to say is that from his conduct sheet, that every time he has been on charge and dealt with summarily he has been punished to the fullest extent and that this time, despite fact that he spent fourteen days under close arrest to prove that he is innocent is self evidence of his good faith. These documents should be great assets in Pte Durocher favour. He just waited fourteen days under close arrest, to be tried by a court and have justice.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. No, sir (5)
(1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MML p 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.)

The accused is (are) so informed, and he (they) change(s) his (their) plea(s) on ..... charge(s). Part I of the Schedule is amended accordingly.
(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. RP 35(E). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(E). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C1. As to the charge(s) on which accused pleaded NOT GUILTY the trial is continued by using paras D1 to D8 inclusive of Record Form D on p 3 before proceeding with C 2.(1)
(1. RP 37(A) (E).)

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B1 to B5 of Record Form B above.(1)
(1. Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. If any plea is changed to Not Guilty, trial thereon proceeds by complying with paras D1 to D8 inclusive in Record Form D on p 3 and making an appropriate record thereof on a separate sheet.)

C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused : Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence ? Ans. ..... (1)
(1. If "yes", see RP 39(A) for procedure. Statement or evidence, if any, is recorded per Notes.)

(1. Delete remainder of this para. if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP 40 fn 1. See MML p 72 paras 12-14 and p 81 para 42. 4. Delete part not used. If accused acquitted on all charges use second alternative in para D8.)
NB : If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 80(C), 114, 115.)

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

D9. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E below.

RECORD FORM E—PROCEEDINGS ON CONVICTION BEFORE SENTENCE.

E1. President to accused : Do you wish to give evidence yourself or to call any witnesses as to your character ?(1)
Ans. No, sir
(1. If evidence has already been given by accused or his witnesses as to his character, delete this para. RP 37(C) fn 4, 40 fn 3. Accused and witnesses are sworn. Evidence recorded per Notes.)

E2. The Prosecutor produces Statement(s) as to Character and Particulars of Service(1), and certified true copy (copies) of Conduct Sheet(s)(2), purporting to refer to the accused, which he submits to the Defending Offr for examination, and then to the Court for admission in evidence. The Court is satisfied that these documents refer to the accused, because (i) they purport to be signed in the manner required by AA 163(1) (g) (h), and (ii) they purport to refer to (a) soldier(s) having the same number, rank, name and corps as the accused. Admitted in evidence and marked Ex B and Ex C respectively.(3)

E4. The President states that the Court is closed to consider the sentence, and that the sentence to be awarded by the Court, being subject to confirmation, will not be announced, but will be promulgated later, and the proceedings in open court are accordingly terminated.(1)
(1. AA 54(4), RP 120(A).)

E5. The Court considers the sentence.(1) The President records the sentence in Part I of the Schedule, which is dated and signed by him and the JA, if any.(2)
(1. When several accused tried separately see RP 71 (D). First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accd in Court is Pte Smith. About 1400 hrs on 15 Jan 43 I ordered the accsd to go on parade. He refused and did not go on parade.

Re-exam: None.

Exam by Court: He said—"I've had enough parades".

RP 82(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 85(A), be taken by him verbatim. (*RP 95 fn 1.*) If the evidence is taken by him in narrative form, RP 82(B) should be complied with. If taken verbatim, RP 85(C) will be complied with.

(*See RP 40 fns 8-12, 87(C), 92(C) (D).*) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP 61.*)

(vi) Closing address by Prosecutor. (*See RP 40 fn 7, 87(C), 92(C) (D). Prosecutor has no right to address Court on subject of sentence except as provided by RP 46(E), KR Can 562(a).*)

PLEASE WRITE ON BOTH SIDES

The president having read to the accused para D5 on record form "B", the Judge Advocate addresses the accused:

I will endeavor to explain to you the effect of a plea of "guilty".

This court and the superior authority who convened this court are most anxious that your trial be fair and just beyond all possible doubt. If, therefore, you have been forced or induced to plead "guilty" by any threat of what would happen if you did not or any promise of a lighter sentence, then it is vital that you now understand that this court has no instructions as to what sentence to give you. If you have been led to think that your sentence would be less if you pleaded "guilty", I must advise you that such is not the case. In fact if you pleaded "not guilty" and witnesses were called, it is possible that facts might be adduced showing extenuating circumstances.

Now if you plead "guilty", no witnesses will be called by the prosecution but the summary of evidence which was taken in your presence will be read to the court so that it will know the circumstances surrounding the offence to which you have pleaded "guilty" in order that it, the court, may be helped in deciding what sentence they will award. Anything that you wish to say or any witnesses you wish to call will be heard and your defending officer may address the court on your behalf, but the whole proceedings will merely be a question of what sentence you are to be awarded.

You have pleaded "guilty" to "misbehaving before the enemy in such a manner as to show cowardice". This is a very serious charge and the court will have failed in its duty if it allows your plea of "guilty" to stand without being convinced beyond all possible doubt that you understand the charge and the effect of your plea of "guilty". This charge is constituted of four distinct elements. The prosecution alleges that all four elements were present when the alleged offence was committed. If you plead "guilty" you admit that all these elements were present, and if any one were not present then you should plead "not guilty". These elements are:

(a) Misbehaviour: That means that you did something which you should not have done, something which, even if it had not been accompanied by the presence of the enemy or by cowardice, would still be misbehaviour.

(b) Before the enemy: The prosecution further alleges that that misbehaviour happened in a place in which the enemy was substantially making his presence felt. To be "before the enemy" either you must be a member of a body in direct contact with the enemy, e.g. making or repelling an assault or a raid, or you must be in an area in which the enemy is substantially making his presence felt, e.g. by close shelling or action by aircraft.

(c) The prosecution alleges cowardice. I doubt if there is any need for me to endeavor to define cowardice. The particulars of the charge allege that "from an unsoldierlike regard for his personal safety in the presence of the enemy (you) failed to stay in order to attack with his pl". If you plead "guilty" you admit to this.

(d) The fourth element is that the cowardice was shown. This means that the prosecution alleges that your actions were seen either by the enemy or by our own troops and that those actions were of such a nature that, if seen by the enemy, it was encouraging to the enemy; or, if seen by our own troops, were discouraging and demoralising to our own troops. The prosecution alleges that not only were your services lost through the cowardice but that it was of such a nature as to be demoralizing to our own troops who were present.

Now if you plead "guilty" you admit that all of these elements were present. If you do not understand anything that I have said or if there be any point of law that you do not understand, the court will close and you may consult me as Judge Advocate. Do you wish to consult me and do you wish to make any statement now?

Accused: No, sir.

The Commanding Officer directs that the witnesses be taken on oath.

1st Witness
for the prosecution A71032 Sgt. Collings G.A. 12th Bn.

The O.R.C. having been duly sworn states.

On the night of 20 Sept 44 at approximately 2230 hrs. myself and the rest of the platoon N.C.O.s & 10 pte. B company were briefed on Enemy Taking up position that night, by Capt Elliott the Coy. commander. After this briefing the section leaders issued orders to their sections. All sections then came to get H.Q. to learn their equipment and to be briefed by me. While I was briefing Pfc. Gibson said he wouldn't go and the other men appeared very nervous, so I reported to Capt. Elliott who told me to ask for volunteers. There were 12 volunteers. Capt. Elliott said that was not enough and told me to order the whole platoon to proceed on the operation. Plea of Mitigation
in the case of

A 87233 Pte DUROCHER, Stanley Joseph,

This soldier is a volunteer who has served in the Canadian Army since 9 Oct 42. He has gone through the Italian campaign with his unit and has never had any trouble prior to this charge. His crime sheet is clean. Therefore we request that the Court take into consideration this soldier's length of service and also the fact that this is his first offence and also the fact that his unit was in a rest area and not in the line when he left.

1st Witness for Prosecution

14416 A/Sgt. Hart, H.F. of C.T.S. being duly sworn, states,

I was in the accused. On 9 Aug 43 about 1130 hrs I saw the accused trying to get his hand in to officers mess kitchen. I told him to go to hut to eat and that he could have to any of his duties or write in the officers mess and get his dinner later. He said that he was late for his dinner was because he was packing clothes. He then said "If I am not fed I don't work" and he went out into the centre road and continued to hang around. I again spoke to him but he made no reply. At 1220 hrs I had my instructions translated in French to the accused with the warning that if he did not go back to duty he would be placed in arrest. At 1240 hrs I told the accused to get dressed and get his hands out of pockets and to get him to the guard room under arrest. I gave this instruction

to the accused as a duty ~~duties~~. He is accustomed to coming in the officers mess at this time and knows what his duty was.

Cross-examination

I am not quite sure of the exact words. I do not remember his saying "I cannot work" instead of "I will not work."

2nd Witness for Prosecution

No 4122 L/Sgt Nelson, P. of C.T.S. having been duly sworn, states:-

On Aug 7th 1943 the accused was in the kitchen and S/Sgt Hall asked me to tell the accused in French that if he, the accused did not go to work he would be put under arrest. I did this. The accused appeared to understand what I was telling him. He said in reply "I cannot work without my shoes". I am positive these are the words he used. I am a P/W of the kitchen staff. The interval usually exists from 10a to 12a but on this day there is no regular meal periods for us to.

Cross-examination

Previous to this event I had given the accused permission to go and pass the time of day.

Re-examination

I gave him the permission right after the breakfast that morning. I did not think that he had to be back at any given time.

The Prosecution is closed.

R.P. 40 complied with.

The Defence proceeds to call witnesses.

1st Witness - [illegible] sworn, having been duly sworn, states:- for Defence.

On the day in question, I got back to the kitchen at 1145 hrs. I was trying to get my dinner and the cook was going to give it to me. The Sgt Mess came along and he said "Medicine for you before the officers eat". I said to him "I am very sorry that I cannot work if I don't eat". He said nothing more, I waited 15 minutes and then at 1200 hrs the Sgt Mess came back and said "What the matter"? I told him what I had said again, then he said he will put me under open arrest. At 1230 hrs SSgt Velan came to see me and he warned me in French that Sgt Mess was going to put me in close arrest if I did not work. At 1245 hrs Sgt Mess came to me and then he took me to the guard house.

I am C 2 category. I have had stomach trouble. I cannot eat meat because it does not agree with me. If I do not eat I faint. I have been examined by the medical people of both in Canada and the United Kingdom. I did not mean to disobey any order, it was just that I thought the Lt. Col was joking as me.

Cross-examination

Lt. Col. did not give me an order. He just said. "If you do not ask you do not get". I was thought passing my clothes about 11:30 hrs.

Re-examination

The Defence is closed.

The Prosecutor makes a final address (attached sheet)

The Presiding Officer makes a closing address (attached sheet)

The Court is closed for consideration of finding.

The Court is re-opened and it is announced that the accused has been found "Not Guilty" of the charge.

Arthur L. Pettypiece

Address by Prosecutor.

Sir

It would appear that the accused was aware that work was required of him. His own statement - "If I don't eat I can't work" points to this. Otherwise, Why should the accused mention work at all? It was more his normal duty is to work in the Mess between 1200 - 1300 hrs regardless of when he eats. He did not perform his work.

Both the witness assert that he made the same remark to them that

Adjt.

[redacted] Address of Defending Off.

The Defense contends that no direct order understandable to the Accused was given to him by Sgt Short and that T/Sgt Palmer when told by Sgt Short to translate the Order did not translate a direct order but stated that if the accused did not work he would be put under arrest.

The words of the accused "If I don't eat I cannot work" was NOT wilful defiance of authority but was merely an explanation to Sgt Short of the fact that due to his physical condition the Accused could not carry on

without a meal.

SUMMARY OF EVIDENCE

in the case of D 63071 Pte Xavier DUROCHER, of the Fusiliers Mont Royal, posted to Administrative Wing, Canadian Training School Canadian Army (Overseas).

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS FOR PROSECUTION — K 14100 A/Sgt Short, H.P., RCASC, posted to Canadian Training School, having been duly sworn states:

"I am the Mess Sgt on duty in the Officer's Mess, Canadian Training School. I was on duty in the Officer's Mess at 1150 hrs 9 Aug 43. The accused came into the Mess Kitchen at 1150 hrs, and asked the cook for his dinner. I refused to let him get his dinner from the cook as it was too close to 1200 hrs, when the officers eat. I told the accused, who was on duty as a waiter in the Officer's Mess, that he could have his dinner after the officers had eaten. I asked him why he was late in coming in for his dinner, as the waiters usually dine at 1130 hrs. He replied, "I had permission from L/Cpl Palmer, P., to be in my room from 1000 hrs, pressing my clothes." I was not previously aware that L/Cpl Palmer, P. had given the accused this permission.

I then ordered him to start work in the Officer's Mess waiting on the table between 1200-1300 hrs. He replied, "If I don't eat, I don't work", or words to that effect. I told him, "If you refuse to work between 1200-1300 hrs I will place you under Close Arrest in the Guard Room." The accused understood the order I had given him but did not obey it. At 1230 hrs I had L/Cpl Palmer translate the order into French for the accused's benefit. At 1245 hrs I told the accused to get his lunch after which I took him to the Guard Room and placed him under Close Arrest. It is a definite rule that all waiters parade for their lunch at 1130 hrs although sometimes the lunch isn't ready until 1135 hrs or 1140 hrs."

The accused declines to question the witness.

The evidence was read over by the witness and signed by him.

SECOND WITNESS FOR PROSECUTION — C 4122 L/Cpl Palmer, P., East & P.E.R. posted to Adm Wing Cdn Trg School, Cdn Army (Overseas), having been duly sworn states:

"At 1230 hrs 9 Aug 43 I was on duty in the Officer's Mess, Cdn Trg School. A/Sgt Short, the Mess Sgt, told me to translate an order into French for the accused's benefit. The order was, "You are to work in the Officer's Mess between 1200-1300 hrs. If you don't obey the order to work in the Mess waiting on the tables, Sgt Short will place you under Close Arrest in the Guard Room." The accused then said, "Sgt Short went give me my dinner, and I wont work unless I get my dinner." I then saw Sgt Short in order to get the accused his dinner, and Sgt Short gave it to him, after which he took him to the Guard Room under Close Arrest.
The dinner parade for waiters has no definite time, being between 1150-1155 hrs depending whether or not the tables are set and the dinner is ready."

The accused declines to question the witness
The evidence was read over by the witness and signed by him.

C 4122, L/Cpl Palmer, P.
East & PER posted Cdn Trg School.

THE ACCUSED WAS CAUTIONED AS FOLLOWS:-
IN FRENCH AND ENGLISH.

" Do you wish to make any statement or give evidence on Oath?" You are not obliged to say anthing or to give evidence unless you wish to do so, but whatever you say, or any evidence you give will be taken down in writing and may be given in evidence."

THE ACCUSED, HAVING BEEN DULY SWORN STATES AS FOLLOWS:-

"I came into the Officer's Mess at 1145 hrs 9 Aug 43 and asked the cook for my dinner. The cook was going to give me my dinner, but Sgt Short said that I would have to wait until after the officers had eaten between 1200-1300 hrs. The other waiters were eating. There was still 15 minutes before the doors opened for the officers to start eating. I told Sgt Short that if I didn't eat I couldn't work. Sgt Short had told me that I could have my dinner at 1300 hrs, after the officers had eaten. He said,"If you don't obey the order I have given you I will place you under Close Arrest in the Guard Room."

At 1230 hrs Sgt Short told Cpl Palmer to translate the order into French. Cpl Palmer did this and told me if I didn't obey it Sgt Short would place me under Close Arrest in the Guard Room." At 1245 hrs Sgt Short gave me my dinner and then took me to the Guard Room under Close Arrest. I did not do any work between the hrs of 1145-1300. Being Category C2 I felt that I could not work unless I had something to eat first. I could not wait until 1300 hrs for my dinner. L/Cpl Palmer, Pl had given me permission to go to my room at 1000hrs to press my clothes." Sgt Short did not give me a direct order to work in the Mess at 1145 hrs.

Sgt Lepage, R. having been duly sworn translated and read over the accused's statement to the accused in French. The evidence is signed by the accused.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

Lt J. Duff HQ Sqn 4 Can Armd Div sworn.
Identifies accused.
I am O i/c HQ Sqn Tanks.
At present I am i/c 8 Shermans.
Cross x-mn.
On 17 Oct 44 I had 8 Cmdrs tanks. I was only officer on tanks and was employed in an ops role. I/c should be at least 3 offrs, so I took it only on Nov's to perform offrs duties. The accused was Cmdr commander of a tank on 17 Oct and was up to date of his arrest.
On 17 Oct 44 I issued an order to the tank Cmdrs that all the wireless reception equipment must be turned in to Sigals to instrument Mechanic. The reason for the order was the fire hazard. On that day a fire had been caused by a short circuit the use of ext. equip over drew the batteries I cannot remember if the accused was present when I gave the order but I instructed Sgt Godin to pass it down. Godin is my senior Sgt and my A i/c.

[illegible] on [illegible] and we had an op job - The enemy was out here left and we had a protective job. I had ordered a stand to at that time. I visited the [illegible] of the armour and in going there saw into an estaminet leading from it to his billets, which was in a house. His car was the only one in that house.

I found the armour and asked him what he was doing with the estaminet and if he had received the order concerning it. (No objection taken by Maj) He said he had received the order but he was "first" witness - it. He did not tell me what he was using the wireless station for and I did not look in the house to find out. I ordered him to turn the equipment in. He told me I by order was all wrong and got sarcastic. I told him I was officer i/c the tanks and he would take my orders. I told him to stand to attention.

He did not stand to attention but returned his salute and said "OH Tuesday" and started to walk away.

I called him back, but the Sgt Major place him under close arrest.

He told me that my order was all wrong because there was no danger of fire. As a previous accident we had had a fire which burned the extention.

As crew could not answer was responsible ~~of~~ for the matter concerning his task.

L Cpl Cann.

I saw in my best humour in the morning. I don't remember saying to the man "I don't give a damn if you salute or not" If I had said that I would have encouraged informality. I have not encouraged informality.

The previous fire was started when we were under canvas. ~~Later on~~ There would be much less danger of fire when we were living in billets. I did not investigate the jump

Exam by Court. I did not investigate what the trial was for as I had other tasks to visit. It was the task of the accused that did the trial etc.

The accused was a couple of paces from me when he said "OK Hamish" to one other than the accused and I was there when he said these words. The words were said in a normal voice and were said to me.

Nothing was said as to
how they might be obtained

It is impossible for
me to remember the individual

Defense.

1 W Key.

Lt. D.R. Columbo H.O. Sqn. H can hands did speaks. Jump leads are standard equipment for tanks and are intended to be used when the ones are disrounded for purposes of communication. They are most important in ops.

I was not present when the charge was laid. After it was laid Lt Berry came to me and told me the charges of failing to turn in the allotted equip and insolence had been preferred against the accused. I was away when the order was given.

The afternoon when the charges were investigated I spoke to Lt Berry. The tells me the accused had not been very cooperative and issues probably be remanded for a summary. He did say that the accused had taken the attitude he had and

if he had pleaded guilty to that matter he would have probably lost only one stripe and got it back but as the matter was now going to court he would probably be reduced.

I did attempt to influence Duffy to drop that second charge as he might have trouble proving that matter. The facts are he would have no trouble in proving the matter.

(The Duty Officer states he was hindering evidence as to credibility of pros. witnesses).

It was ~~extended~~ made fairly plain that I was to tell the accused, if he had accepted the - Det's punishment he would probably lose only one stripe. Det assumes in some way responsibility.

4. Exam: The students on duty here are equipped with jump leads. I was told at Sandhurst they

was important.

I did not know Lt Berry's order given.

When I go to the tanks I go as a crew of 4 tanks during ops. I return to main Div when I am not on ops. Lt Berry is in full charge of the 4th tp.

Lt Berry has a good record in the 4th tp. The crews are good. Their moral is the 4th of the army is high.

Re-exam. All tank crews are of high moral otherwise they would not be in a tank.

Except by Lt. The accused was not given the opportunity to put this by em. He was warned for this.

There is always a certain amount of informality in Court cases.

1. No proof that order was transmitted to Sjt Barrand. Evidence of Sjt Godin.
2. Having noted proper authority – Custom of the service in all Unit units – viz General Washington order and evidence of Lieut Clarke.
3. No Hon natives to alleged use of abominable language – Natives cannot be accused unless not facing him when alleged remark was made. In any case unfamiliar and improper expression by omission of any order viz evidence of own commander Sjt Martin.
4. Provocation if offence actually was committed viz evidence of both witnesses – Early morning 4 o'c roll call!!!
5. Order was given to formed fire – which under cover – If natives was aware of the order might interpret this as viz offering a bribe from Sjt Martin was no more favourable to future use
6. Lack of notes in transmission of orders. Lieut Daly did not state whether accused was to fire or not. It was shown that he was in fact not fired.
7. Men were ordered then not to fire in no action – Taken in reference to viz evidence Sgt Major Shufot.
∴ Total fire in action viz evidence of Sjt Davison.
8. Attitude toward crew of trade store then how seen – viz evidence of Sjt Skerton re employer dress.
9. Good record to date. Lack of supervision by O.C. This Lieut given apparently a carefully free hand.
10. Grand lack of leadership. whilst Admitted that man is a marked failing ~~[illegible]~~ of restraint in accepting this fact as a [illegible] Credibility

11. Officer of S/t always has a strong case in favor of officer.

12. Interview of accused by Lieut Colonel with assent of accused indicates that officer laying charge really considered his allegations and laying of charge were petty, and probably felt he should have handled the whole affair himself.

16/

Notes by Prosecutor re Summing up the evidence given against K 37684 Sgt Querrand W.D.

1. Sgt Querrand was a crew comdr, has stated to Lt Reay that he knew of the order. He replied to Lt Reay that the order was all wrong and that he was "beat" without the wireless extension.

2. The order was a lawful command in every sense of the term and there is definite proof that it was disobeyed by Sgt Querrand. If the disobedience was immediate, and ~~it~~ appears that it was immediate disobedience, he is certainly guilty of the offence under the alternative charge Sec 40 AA.

3. The evidence of Lt Colombo & Sgt Houghton has no immediate relation to the charges as laid and is merely conversation between two Brother Officers. Don't know how the O.C. Apt could deal with this case.

4. Lt Sgt Scheder's evidence would appear to be slightly biased as he had been formerly relieved of his comd in the tk troop by Lt Reay as incapable.

5. The evidence given by Tpr Conkus, to my mind, is of no consequence and is only proof that Lt Reay is not a perfect human being.

6. No evidence has been produced by two witnesses to the effect that Lt Reay did tell the tk tp that he didn't care if they obeyed or not. Quite likely this is a fact but he wouldn't make such an utterance without qualifying it further & there could be every reason to believe that there was more said at the parade than is revealed in the evidence.

7. It has also appeared in the evidence that the Lt Tk in question does enjoy a state of informality. To my mind and the instruction I have received as an Armoured Corps Officer, this is ~~to be kept~~ a desirous ~~state~~ condition for an armoured troop. However it is hard to draw the line, as to just how far this informal state is allowed to be carried. For I have observed that in the case of the majority of OR's they will take advantage of an Officer and when he ~~does~~ is forced to discipline one or more of this number they find it a bitter pill to swallow and claim that he is being unfair.

8. Lt Dery has a fine record of service ~~out~~ on this H.Q. Lyn and has shown himself as a ~~well~~ capable & well qualified Tk Officer & leader of men. In fact not long ago the crews in action with Lt Dery were high in their praise for his bravery & leadership.

In Summation

In first charge must be shown that a command was given by the Duty or by another for him; that the order was disobeyed and the disobedience was proximate and immediate.

In part of the second charge must show improper conduct prejudicial to good order and military discipline

In this charge must not in accordance with for the A.A.F. - particularly for J.

Presumption defined and discussed.

Benefit of reasonable doubt.

Credibility of prosecution witnesses has been challenged Court has heard the witness and will draw its own conclusions.

SUMMARY OF EVIDENCE IN THE CASE OF R-37684 Sjt William Daniel DURKLAND, HQ Sqn 4 Cdn Armd Div, a soldier of the Canadian Army Overseas, whilst on Active Service charged with:

FIRST CHARGE
AA SEC 9(2)

DISOBEYING A LAWFUL COMMAND GIVEN BY HIS SUPERIOR OFFICER

- in that he -

In the Field having been ordered on or about 17 Oct 44 by Lieut J Derij to turn in all tk wireless extension eqpt to the Tp Signals Instrument Mechanic, did not do so.

SECOND CHARGE
AA SEC 9(2)

USING INSUBORDINATE LANGUAGE TO HIS SUPERIOR OFFICER

- in that he -

In the Field on 25 Oct 44, when warned by Lieut J Derij that he should moderate his language, turned his back on that officer and said, "Oh Verpeckit".

THE COMMANDING OFFICER DIRECTS THAT ALL EVIDENCE BE TAKEN ON OATH.

First Witness: Lieut James DERIJ, HQ Sqn 4 Cdn Armd Div, after being duly sworn states:

"I am Lieut James DERIJ, OIC Tk Tp HQ Sqn 4 Cdn Armd Div. On or about 17 Oct 44 I issued an order to the tk tp, incl the accused, that all tk wireless extension eqpts would be turned in to the tp sigs instrument mechanic and would only be drawn and used on my orders. The basis of this order was the conservation of batteries and the reduction of fire hazard to the tks. This order was given at an 'O' Gp at which the accused was present. This order was also passed on by Sjt Godin, my 2 i/c, who was directed by me to see that all this eqpt was turned in. This eqpt is not part of tk eqpt and is not issued with the tk. On the morning of 25 Oct 44 I went around to the various tks at 0600 hrs to check the "Stand to" which I had ordered as we were then in an eqpt role. On coming to the tk occupied by the accused, I ran into an extension running from his tk into his billets. When I asked the accused why he had not turned in this extension eqpt he stated that he was "bogit" without it. I asked him if he remembered the order given by me that this eqpt was to be turned in. He replied that he did remember. I then ordered him to turn in the eqpt immediately. He told me that my order was all wrong as there was no risk of fire. I told him that regardless of his opinion that my order stood and I was still in charge. He passed some sarcastic remark which I cannot now recall. I also told him that I considered his language was very sarcastic. I reminded him that he was speaking to an officer and that he would stand at attention. He then turned his back on me and started to walk away, and as he did so, he said, "Oh Verpeckit". I called him back and ordered him into close arrest.

First Witness: (Cont'd)

The witness is cross examined by the accused.

Q-1 When and where was the order given about the extension eqpt being turned in?

A-1 I cannot be absolutely sure about the time but to my recollection it was given sometime between 1500 & 1700 hrs on 17 Oct 44, at CUDDEBACHT CHATEAU, when we were harboured. I remember that the five in the tent took place around 1500 hrs and I knew that we moved off from the harbour about 1700 hrs. The order was given sometime between these two events.

Q-2 Was the order given at the 'O' Gp?

A-2 I cannot remember for sure whether it was given at the 'O' Gp or not, but it was given about that time.

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP 95(C)*), any objections (*RP 95(B)*), and any statements by accused, may be summarised and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accd in Court is Pte Smith. About 1400 hrs on 15 Jan 43 I ordered the accd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—" I've had enough parades ".

RP 82(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP 95 fn 1.*) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply so far as practicable, having due regard to the public service. (i) Opening address by Defending Offr. (*RP 88(C), 87(C), 92(C) (D).*)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA (RP 40 fn 10)*), or evidence by accused, as to facts or his character or both. (*See RP 41 fn 3, 46 fn 1, 80.*)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP 46 fn 1.*)

(v) Closing address (*on matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP 40 fns 8-12, 87(C), 92(C) (D).*) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP 81.*)

(vi) Closing address by Prosecutor. (*See RP 40 fn 7, 87(C), 92(C) (D). Prosecutor has no right to address Court on subject of sentence unless so provided by RP 40(E), KR Can 562(a).*)

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and then on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans NO SIR.(5)

(1. *Court may be cleared to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. *RP 25(E). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ____, initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3.* *RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

First Witness for Prosecution

Capt RL Rogers, Adjt, Linc & Welld R, having been duly sworn states:

4 Sep 44 the Linc & Welld Regt moved into a rest area - the next day as a result of information received, I reported the accused whom I identify as Pte Dusome as being AWL from 2200 hrs 5 Sep 44.
I did not see the accused until the afternoon of the 10th of Oct 45 when he was brought to me under escort.
During that time I was Adjt of the Regt continuously and on the Regt centre line so that anyone coming up to the Regt would have to come thru me.
With the exception of four short periods the Regt was engaged in action with the enemy from 5 Sep 44 until 5 May 45.

I have in my custody as Adjt, the following documents relating to the accused-

(a)Certified copy of declaration of Court of Inquiry MFB 375 (Marked Ex "A" by President, initialled and attached to proceedings)

(b)Certificate of Apprehension in accordance with Sec 163 AA (Marked Ex B By the President, initialled and attached to the proceedings.

X-examination:

Accused joined Regt in action 8 Aug 44. So he was in action for about 4 weeks. There was one heavy period between 8 & 11 Aug 44 and on 27 Aug 44. remainder of period was mainly pursuit.

The fighting at the time was between Caen and Falaise and on the 27 Aug it was ontne Seine. There were two heavy battles in that period. I believe the accused was in Baker Coy throughout. 27 Aug F Coy suffered heavy casualties particularly from battle exhaustion, everyone was fairly tired.

By the Court:

The accused was continuously absent from the Linc and Welld Regt from the 5 Sep 44 until the 10 Oct 45.

Statement by Pte JG DUSOME, B-41515

of the Lincoln & Welland Regt

I joined the Linc & Welland Regt on 6 Aug 1944 at Grainville-Langammerie in France. I was with B Coy and we were in heavy action continuously for the next month. There were a lot of fellows killed and my best friend Pte Jackson was wounded as well. My nerves started to go and on 5 Sept, 1944 I wandered off to a nearby village about two miles away where I stayed for a few days. About four days after I walked back to where the Regt. was, but it had gone on. I hitch hiked for a couple of days to catch up with it, but it had gone a hundred miles or so by this time. I was afraid of the C.M.P.s catching me, because of the consequences, and as I was near Brussels at the time, I stayed there. I intended coming back to the Regt., but kept putting it off because I was afraid of getting Court-martialed. I had my Service Book in my possession when the Provosts picked me up in Brussels and they kept it.

Defence Witness

B-116047 L/Cpl Cheel SC, Linc & Welland Regt, having been duly sworn states:-

I joined this Regt 1 May 44. I knew the accused during period 8 Aug to 5 Sep 44. We were in the same Coy "B" Coy.
To my knowledge the accused did not shirk his duty at any time.
He never failed to obey an order.
The action was very severe during this period.
Everyone in the accused Pl with exception of accused were wounded. His good friends Jackson was wounded.
I remember one time a shell landed on a slit trench and the accused was dug out.
You could see the accused was getting a little nervous.

X-examination declined.

Closing Address by Defending Officer:

From the foregoing evidence, the court will see that Pte Dusome the accused, was with the Regt during a period when some of the Regiment's fiercest battles were fought, between Caen and Falaise. The young lad saw many of his comrades fall, including his best friend, Pte Jackson, and underwent many grueling experiences. The battle exhaustion from his continuous fighting and his nervous condition, caused him to drop out while the Regiment was at rest on the Somme. The accused did not intend to desert, for several obvious reasons. One--- he had his rifle and kit with him when he left, which he would have not taken if he had intended to desert. Two --- If he had intended deserting the army, he would have done so in the first few days of battle, but instead he fought through four weeks of some of the toughest fighting of the war, around Caen, and as you have heard, carried himself in a proper manner. However, his nerves were bad, and he wandered into a nearby village to steady himself. The court can see that he did not intend to desert, and would have returned, had not the Regiment moved off in the meantime. Failing to catch up with the Regiment, because of the speed of advance, he was afraid to give himself up to the Provosts, because of the consequences. Now a victim of circumstances, he did not know what to do, and taking the line of least resistence, let things slide, and did nothing, probably hoping that he would get caught, to get it over with, but just put it off, to avoid facing the music. I assure the court that Pte Dusome would never have left the Regt, even in his exhausted state, had he known the difficulties in getting back again, and realized the consequences involved.

"AM Raybould" Lt

The Court will bear in mind that the accused is innocent until proven guilty and that onnus is on the prosecultion throughout.

The Court will also bear in mind that the accused is entitled to the benefit of every reasonable doubt. A reasonable doubt is not any doubt is such a doubt as would affect a reasonable man in making decisions affecting his own affairs.

With respect to this Charge, intent is an element. Before the accused can be found guilty the Court must be satisfied in the evidence that the accused went absent with the intent to avoid further service. If the Court does not find this intent proven the Court will then consider if a charge of absence without leave has been made out. It is laid down that length of absence in itself is not proof of intent to desert.

In adition to the evidence before the Court the Court is entitled by virtue of RP 74 to take judicial notice of matters known to the members by reson of their service as Army Officers.

I have known accused since 3 May 41. Dusome was a good soldier to my knowledge. I was in same Coy with him.

Accused has not been in trouble to my knowledge. He was about 17 years old when he joined the Army. He joined about same time I did.
He is married in Canada - was married in 43, ther is one child of the marriage. I think Dusome just got in with the wrong bunch. As far as I know him he has been pretty good.(RP 83(b) complied with)

PLEA OF MITIGATION

"EE W"

I woul like to offer the court a plea of mitigation against the charge proved against Pte Dusome. Gentlemen, the Linc & Welld Regt is a well known regt and the fact alone that he has been charged with deserting the army will be known far and wide. Pte Dusome is only now twenty / one years of age, having enlisted one monthe after his 17th birthday. He has a wife and cheld back home in Canada depending on him for support, and a long and severe sentence would only impose further punishment on his wife and his child, a girl who will soon be going to schllo, to face the jeers of other children for years to come.

I contend that Dusome is not a bad character, but jouning at such an early age, he was irresponsible with regard to the Army rule which says that a man must not leave without permission and as a result has got himself into a jam of which he did not realize the consequences. This is a breach against army discirline, gentlemen, and not against society. As you have heard, Pte Dusome never stole or committed a crime against society. The mere fact that he has been charged as a deserter will be punishment enough as to his future life in Canada.

Give this young lad a chance to make good, for his wife and child's sake and for his, sake.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. *RP* 35 *fn* 3. 2. *MML p* 54 *para* 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. NO .(5)

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)

(1. *RP* 25(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex. B, initialled and read aloud by the President.(1)

(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p* 3. *RP* 37(*D*).)

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

STATEMENT BY THE ACCUSED

I enlisted on the 7th of September 1939 at the Mount Royal Armouries with the Fusiliers Mount Royal to which I still belong. While in Canada I went to Iceland with this unit, and all the time I had a good conduct shit.

I left Iceland for the United Kingdom on the 1st of Nov 1940 and up to now I had a very good conduct shit. I also want to tell you that I took part in the Blitz raid. I also have been awarded a good conduct badge.

I was a corporal stretcher bearer with my unit until a sergeant came back and took my place in the section and voluntarily reverted to private.

When I enlisted I was the only ~~[illegible]~~ child. On the 18th of Sept. 1940 my father died, three years later on the 5th of July 1943 my mother died. I have no brothers or sisters.

Taken down by me this

Plea in mitigation of sentence

Gentlemen:- You have just heard a statement of the army life and character of the man I am defending. This statement proves that this man has been a good soldier since he enlisted. His conduct sheet proves it and I am sure his Offrs would say the same thing if they were available. To prove this fact he was awarded a good conduct badge with his unit. There are a few points I beg you to consider before you pass sentence on this man. He has been in the army for nearly 5 years and his record has been good during that period. He has been a useful soldier. He has been in action with his unit at DIEPPE with his comrades. Since he left home his father and mother have died and he was their only son. His only relations and friends are those with his unit. He wants to go back there as soon as he is able to be in action with them.

To conclude, please remember these facts, his past long and good service to the army, that he has been in action, that he is an orphan, that he has no friends or anyone to write to outside his unit, and that we can still get very good service from him if he is returned to his unit and if we give him this chance. I am sure that the sentence that you are going to pass is going to be as light as it

*The Magistrate will insert the name and address (in full) of the person for whom the reward is recommended, and the amount (5/-, 10/-, 15/-, or 20/-) which in his opinion should be granted in this particular case, having regard to the following rules :—

1. When soldiers are apprehended in uniform near their quarters it is considered that as a general rule 5/- is a sufficient reward. Not more than 10/- will be allowed in any case where the soldiers were in uniform.

2. When soldiers are apprehended in plain clothes, at a distance from their units, and after having been absent for some time, the reward may be increased to 10/- or 15/- according to the nature of the case and the trouble incurred in apprehension. A reward in excess of 15/- will seldom be granted.

3. The reward of 20/- should be strictly reserved for cases where superior intelligence has been displayed in apprehending men in plain clothes, or under difficult or exceptional circumstances.

Rewards and expenses attendant upon apprehensions will be paid by the Command Paymaster of the Command or District in which the soldier's Unit is stationed.

4. No reward can be authorised if the Deserter or Absentee voluntarily surrendered, or if it shall appear that he was in collusion with the person who apprehended him, or if the apprehended man was not a Deserter or Absentee.

INSTRUCTIONS FOR THE GUIDANCE OF MAGISTRATES.

(1) When a man is apprehended by the Civil Power as an absentee without leave, or as a deserter, if the information tendered leaves no doubt in the mind of the Magistrate that the prisoner is a soldier, this return should be completed and given to the Police to hand to the escort on arrival.

(2) To avoid delay in the arrival of the escort a telegram stating the Number, Rank, Name and Unit of the soldier should be sent by the Police, as soon as the man is committed, to the Officer Commanding the soldier's Unit. The place where the escort is required to attend should be stated, also whether the soldier *surrendered* or was *arrested*.

Prosecution

- The prosecutor made an opening address (copy attached)

First Witness Helga Kohlhof. 3. Hotmeg. Bad Salzuflen. states, having been sworn On 8th July 3 spoke to a few soldiers. I recognise the accused as that soldier
While walking along Hasforder Strasse at 2 o'clock the accused walked behind me and asked whether he could walk home with me. He spoke in broken german and English I told him more than once that I did not want to walk home with him He grabbed hold of my hand and walked along with me and offered me a cigarette which I did not accepted.
The soldier did not go into the house with me. He went into the garden did not see him inside the house at any time

Cross-examined
I was in the garden for a few minutes with him. I told him to go away quite often during this time.
I called for my grandmother and a certain Miss Küffer to come down which they did and while Miss Küffer who speaks english told the soldier to go away I went up stairs

First Witness.

Questioned by the Court

Part of the time I was in the front garden of No 3. Hellwig and when I tried to get away I went into the back garden and the soldier followed me.

Second Witness Hedwig Wehmeyer. 3 Hellwig Bad Salzuflen states: having been sworn; I am a german citizen. On the 8th July I saw a Canadian soldier in my house and I recognise him as the accused. The time was shortly after 2 o'clock. It might have been 2.15 hrs I did not invite him into my house He spoke English but I could not understand. I asked him to leave the house repeatedly and I pushed him as I could not make him understand. I did not strike him, he did not leave the house on my request. The soldier did not touch or strike anyone in the house but he pushed me. I think the soldier was in the house for five minutes but it might have been for as long as ten minutes. I did not accept any gifts from the accused whilst he was in the house.

Second witness

Cross-examined. Was with the soldier
the whole time he was in the house, until
the police came. At no time was
the soldier actually in the house,
he was ~~was~~ just outside
the house. This was in front of the
house. At no time while I was
there did the soldier go to the back
of the house. The soldier did not
threaten me with his pistol but
he played about with it and I
got worried. He did not make
any noise.

Third witness Josefine Kiffner 3 Hamburg.

Bad Salzuflen states:-

I am a german citizen. On the 8th July
I met a Canadian soldier between
2145 hrs and 2200 hrs. I recognise
the accused as that soldier.
I first saw the accused outside
at the back door. The soldier was with
Helga Hellop whom I also recognise
I understand very little English, I also
speak it very little
I did not see the accused in the house
but I saw him standing in the
doorway. He did not say anything
to me. I took the soldier to the
front garden and told him he was
drunk and should go home

Lord Withers (continued)

the accused did not ask me if he could see a girl. I went for help and fetched two soldiers. One told the accused to leave but he refused and drew his pistol, then the soldier ran away and said so too. I did not see anything else happen.

Cross-examined.

The accused was not making a noise. I did not see him struggle with or strike anyone.

Fourth Witness 1589043 Pte Goulds H.
189 Pioneer Coy. sworn states:-
On evening of 8th July I was on guard at 67. D.I.D. in Bad Salzuflen. I was on guard from 1900 hrs to 1300 hrs outside main gates of 67 D.I.D. About 2015 hrs a woman spoke to me and as a result I went with her and Pte Watkins to a house at the rear of 67. D.I.D. When I got there I saw the accused whom I now recognise. I went into the house when Pte Watkins remained outside. I went into one of the rooms on the left hand side and heard shuffling and said a canadian soldier called a woman. I spoke to the soldier and said "Don't you think it is time you was

Fourth Witness (continued)

on your way. He said "Who the Bloody hell are you". I told him I was detailed to get him out of the house and he said "You English bastards are always spying on Irish people" He heard me say that I had been detailed by my officer to go there before I could say any more he pulled his pistol out. When I saw the pistol I said "Don't be foolish Stunch you had better come on your way". My rifle was on my left shoulder and he made a dive for it. I managed to struggle with him and told him not to be foolish. I held on to him and got him towards the door. I managed to get him down the verandah stairs to the front gate. We walked down the lane and the accused still had the pistol sticking in my ribs. Half way down the lane the accused shouted to the Watkins and asked where he was going and pointed the pistol at him and forced the Watkins to light a cigarette for him. As we walked up the lane I told the accused that the C.M.P.'s were at the top.

Frank Wilkes (continued)

the accused said "to hell with them". When we got to the top of the lane Frank told him to put his fists away which he did. When we got to 67. D.D. Frank told the accused that he had better be on his way. I left him outside hearing said good night. I noted the incident in my office while the accused was in the house he was struggling with Hedwig Schmeyer whom I could see quite plainly.

Cross-examination

At first I could not see anything in the room, but on going inside the room saw the accused with a woman. The accused pulled out the fists while I was in the room talking to him, and afterwards made a dive for my life. He was still holding the fists when he did this. I got him out of the way with the assistance of my colleague. The accused did not appear to be drunk and had not been drinking. The fists appeared to be an

Fifth witness (continued).

automatic
The accused pulled his pistol
out while he was ~~giving his~~ ~~evidence~~
my previous statement that
the accused pulled out his
revolver in the ford is incorrect.

Fifth witness 18271/29. Private Walkins W.
169 Pioneer Coy sworn states:—
On 8th July at approx 2230 hrs I was
on guard at 67. D.I.D. As a result
of certain information brought to
a certain house I found Pte Gault
struggling with a canadian soldier
whom I was recognise. On entering
the steps to go into the ford the
accused pulled out his
revolver and was a little nervous
to ~~pass~~ down the steps and
the accused came down the
steps while Pte Gault still struggling
to get his rifle from the accused
I saw the accused take his
pistol from his holster while
in the ford. A few minutes
later the accused pulled out
his cigarettes. I saw them at
me and told me to light one
for him. After doing so I told
to get away to find ~~Gaston~~ myself
I could not find Corporal of the
guard at 67. D.I.D. me went

I knew the police had arrived and I was called to identify the accused I did not struggle with the accused He did not strike or touch me at any time. I did not see him strike anyone but he was struggling with Pte Grubb. His fist was in his right hand and he held Pte Grubb's rifle with his other. The revolver was pointed at both me and Pte Grubb. I saw it pointed at Pte Grubb but I did not see it touch Pte Grubb.

Cross-examined

I was asked by Pte Grubb to go down to the house. He ran and I walked. Grubb was then ~~about~~ not more than two minutes before me. The front door was open. I saw one german woman but she was the one who had been to the Office.
When I arrived the accused had one hand on Grubbs rifle and the other was free, and the only struggling was the holding on to the rifle by the accused. ~~Accused's~~ fist was a large black one of the automatic type. In my opinion the accused

had been drinking but not unduly
He was a little unsteady on his
feet but was capable of standing
He was dull and heavy
I was not close enough to smell
his breath.

Fmr Witness D - 123431 Private Dutoma A.
N.T. Inspection Branch. R.E.A.S.C. sworn states

8th July 1945 I went on my day off. I breakfasted about 11 o'clock in the morning with a friend who was going back to Canada and we wanted to celebrate. We found a bottle of German liquor which was strong tasting. We drank all the morning and then went down for dinner. After dinner we started celebrating again. By about three o'clock as far as I can remember we had drunk two bottles. After then I did not remember any more. The next thing I remember I was down in the Empire Club. There we finished the other bottle and after that I do not remember anything. I do not remember leaving the Empire Club.

The next thing I remember was going down to the toilet at 10 o'clock the morning. Normally I do not do much drinking. I had not drunk any for two and a half months previous to this occasion.

I joined the Army 2nd July 1941.
I proceeded overseas 22nd November 1941.
I came to this theatre 6th July 1944.
I have had no crime since joining the Army.

Second Witness Major. B. Ellison.

Officer commanding 3. Edn Movement M.T. Inspection Branch. R.A.S.C. sworn states:-

I recognise the accused as Pte Andre Dubeau. I have known him since October 1941. When he was in my workshop Redcar 80. Edn Bridge Coy.

At the time I have known him he has been my batman until 20th May 1944. During that time to my certain knowledge he has been absolutely trustworthy and his character and actions at all times have been beyond reproach. During that period I have never known him drunk. I never had him get himself into any trouble whatsoever. He has always been of a quiet and pleasant temperament and always ready to carry out any order I have seen the accused from time

Second Witness (continued)

to time since 20 May 1944 and to my knowledge there has been no trouble with him

He came to his present unit in February 1945 and has been here since then and has been my batman again since May 1945 until present time, and his conduct has been first class

You have heard the evidence which in short is this: The accused arrested a young German girl on the road and despite her request for him to leave her alone he persisted in following her to her home and he did on the garden again repeatedly ask him to leave her to no avail. There the accused attempted to hold conversation with the girl. Next the accused entered the house and demanded of her mother after repeated requests to make love to her. Here the evidence ends. The very elderly lady. A little contradictory of the elderly lady now states that the accused did NOT hold her in his arms, but the evidence of Pte Grubb states he found the elderly lady & the accused in such an embrace. that in fact it was their shuffling which attracted his attention. The evidence is clear on the question of the revolver which was displayed in the house. As to the charge of common assault - (see Evid. page 113) there is no question that upon the evidence the accused did point at and prod Pte Grubb in the ribs with the revolver.

I would respectfully submit that the charges have been adequately proved and would ask that the Court find the accused guilty as charged.

Closing address of Defending officer.

Refer to charges in turn.

First Charge - no evidence that there was any disturbance. 3 Civilian Witnesses and Grubb all agree no loud noise or molesting or struggling with any woman. Three Civilian witnesses say accused never in the house. No evidence that he brandished a pistol or struggled with a woman. First charge should ~~not~~ be not guilty.

Second Charge. No evidence that fraternizing is conduct to the prejudice etc. In any event accused did not fraternize. Refer to dictionary for meaning of word. Mate friends with." Accused did not do this. Merely attempted to

Unreliability of Grubb's evidence. Inconsistencies as follows (a) Question as to when pistol drawn. Grubb inconsistent with own statement at Summary. Watkins' statement that pistol drawn outside house, where ~~other~~ Watkins was.

(b) Accused's drunkenness. Grubb says no evidence of drinking. Watkins a 3rd witness both of fact.

(c) Arrival at house. Grubb said he arrived with Watkins, who says he arrived after Grubb.

(d) Grubb says he was detailed in company with Watkins who says he came along at request of Grubb.

Hence Grubb's evidence not such as should support a conviction

Third Charge. Submit pistol drawn on arrival of Watkins. Quite consistent that accused thought 2 Soldiers were going to attack him, there for he drew pistol. Had all opportunity to assault Grubb if he had so desired. Submit no assault, but merely drunkenness.

I saw a soldier who stood in front of the house with ADELA MUELLER. My landlady asked me to send the soldier away. I spoke to the soldier and told him to go away. I had the impression that he was drunk. After that I went into the house and closed the door behind me and went into my room. I heard the bell and then I was called downstairs again and saw the soldier standing there. The soldier told me that I was not the girl he wanted to see. After that I went away and fetched two English soldiers. After about 15 minutes I returned with those two English soldiers and one of these asked the soldier who stood in our house to go with him. At that moment the other soldier drew a pistol and told the soldier who had come with me to go away. I said I was only guarding the "Food Depot" and had no interest what he was doing. The Canadian looked very queer, I did'nt know quite what to do, he had hold of my rifle sling so I could'nt make a move without being shot. He did not seem convinced what I had told him and we walked further down the lane - all the time with his hand on my rifle sling and his right hand holding the revolver. I expected something, he looked queer. I talked and talked until I finally persuaded that things were O.K. as far as I was concerned. I was with him half an hour.

I identified the Canadian when he was brought into custody.

Frau Hedwig Wehmeyer having been duly sworn states:-

On the 8 July 1945 at approximately 2200 hours I stood at my window where saw my granddaughter coming along with a soldier. I went into the kitchen as my granddaughter did not come upstairs at once, I looked out of the window in and saw her trying to hinder the soldier from coming into the house. Miss Kupper who was with me came down stairs with me and I opened the door t my granddaughter in. Some minutes later I heard another noise. I went stairs and saw the same soldier who had entered the house. The people living downstairs told him to leave the house, but he always asked for

About 5 minutes later the CMPs arrived - I understand they had been phoned for when the woman first appeared - And I accompanied them up the road in the direction which the Canadian had taken. I identified him to the CMPs and they arrested him.

1827129 Pte Watkins W. having been duly sworn states:-

I am 1827129 Pte Watkins W. of 189 Coy Pioneer Corps. I was on guard at 67 D.I.D., on the night of the 8th of July 1945 when I was asked by Pte H.S. Grubb to help him evict a Canadian soldier from a house at the side of the Depot.

I accompanied Pte H.S. Grubb to the house and when we arrived at the house Pte Grubb went inside and I stood outside, just inside the porch.

After a few minutes I saw Pte Grubb coming out of the house towards me struggling with a Canadian soldier, who on seeing me produced a revolver and kept pointing it at both Pte Grubb and myself. At that time he had hold of Pte Grubb's rifle and in this manner they started walking slowly up the lane.

The Canadian produced a packet of cigarettes and forced me to light a cigarette for him.

Pte Grubb was still trying to get his rifle away from the Canadian and seeing my chance I slipped away to try and obtain further help.

I was not present when the Canadian soldier was arrested but I identified him to the CMPs later on in the 67 D.I.D. Office.

The accused declines to cross examine the witness.

FOURTH WITNESS

1589043 Pte Grubb H.S.
189 Coy Pioneer Corps

1589043 Pte Grubb H.S. having been duly sworn states:-

I am 1589043 Pte Grubb H.S. of 189 Coy Pioneer Corps. I was on guard at 67 D.I.D., RASC, Bad Salzuflen, on the night of 8th July 1945.

At approximately 2315 hours I noticed a woman running towards the D.I.D. office crying and trembling. I stopped her and she said to me in broken English "I want to see the Officer"

I accompanied her into the office and heard her say to the Corporal who was on duty - a RASC Cpl - that a soldier was in her house causing a disturbance and would not leave.

The Corporal telephoned upstairs to the Officer in charge D.I.D., who told him to send two of the guards to the house.

The Cpl detailed myself and No. 1627129 Pte Watkins W, and we proceeded to the house to see what was happening.

When we arrived there the door of the house was open, and I walked in while Pte Watkins waited outside.

I entered the first room on the left leading off the hall, and at first glance the room appeared empty, but looking behind the door I saw a Canadian soldier holding a woman who was crying and struggling with him.

I intervened and said to the soldier "Don't you think it was time you were on your way, soldier". Thereupon he left the woman and made a dive for me. He started struggling with me and tried to wrest my rifle from me, saying, "English bastard spying on me, what do you think you are on here?".

I said to him, "I have been sent to fetch you out of the house".

I managed to lever him out of the house into the porch with my rifle, and motioned to the woman to close the door on us.

Outside in the porch we again struggled, moving down the three steps, and he said to me "I'll blow your brains out if you try anything here", and with that he pulled his revolver out and jammed it into my ribs.

I said "Don't be silly man, you are very foolish".

He quietened down a bit and moved towards the lane with me, but he still had hold of my rifle and his revolver was still in my ribs.

Pte Watkins was a few yards away, and the Canadian soldier shouted to him, "Hey you, what are you doing" and took his revolver from my ribs and pointed it at Pte Watkins.

Pte Watkins came up and the soldier threw a packet of cigarettes on the ground and said "Light one for me and take one for yourself". Pte Watkins did so.

Then the three of us moved up the lane, with Pte Watkins leading. All this time the Canadian soldier still had hold of my rifle.

When we came abreast of the D.I.D. Office, the Canadian let go of my rifle, as I told him that the MPs were up at the top, and I slipped into the Office while he was outside.

I reported to the Officer i/c D.I.D., and the Officer, apparently thinking that the Canadian soldier had gone away, said, "that's all right", and before I had time to explain I turned round and found that the soldier had gone off.

Plea for Lineancy

in the case of C-30382 Pte. Duthie, J.H.

Sir:

The accused, C-30382 Pte. Duthie, J.H., has been on Active Service in the Canadian Army since 27 June 1940. He arrived in England on the 2 March 1941. On the 27 June 1942 Pte. Duthie was awarded a good Conduct stripe. On 9 Sep 1943, he had a letter from his mother stating that his wife was misbehaving and living with another man. Pte. Duthie immediately asked his O.C. for compassionate leave. The application for leave was rejected but promise was made of an investigation being carried out as to his wife's conduct.

On 10 March 1944, Pte Duthie received a letter from C.M.H.Q. informing him that an investigation had been made, that his wife had been misbehaving and that her allowances had been cut.

On 11 Apr 1944, Pte Duthie requested Divorce proceedings to be started.

On 18 Jul 1944 a letter from the D.J.A.G., C.M.H.Q. informed Pte. Duthie that developments on the Divorce had been asked from the accused's solicitor.

All that time Pte. Duthie was not getting any news regarding his children except that they were being moved from place to place and at the present time he does not even know where they are.

On 18 Oct 1944 the O.C. of No. 9 Can. Mobile Laundry and Bath Unit wrote to the D.J.A.G. to get further developments on Pte. Duthie's divorce as the delay was affecting the latter's morale badly.

Later On, on 29 Nov 1944 information came that Pte Duthie's case was being delayed further because the man to whom the accused's wife was in relation had gone to Saskatchewan. Sir, the accused begs to infrom the Court that all that series of events. A wife which he loved had left him, his children being deprived of a home, a divorce which after months of waiting is still not granted, a compassionate leave home which would have fixed everything refused, all those events contributed to Pte. Duthie becoming an absentee. Pte. Duthie begs the Court for lineancy in judging his case.

First Witness for Prosecution: 13069132 Cpl Haynes L. 217 Pioneer Coy 25 Air Field Const Gp. Br Army sworn states:

On 30 Oct 44 I was acting as gd comd at the village of Knesselle at 2120 hrs the accused, whom I recognize was stopped into the gd run by a Pte from the R.E.s and asked him his business and whom he wanted. He stated he was a Canadian Officer and a Sgt with that he wished to speak to an officer with regards obtaining some food and petrol for a party of men whom he had left outside the village. I noticed that the accused had civilian clothes on and no head dress. I told him he must wait until the arrival of an officer to whom I sent. The Officer being Lt Alderson R.E.s who on arrival Lt Alderson arrived at 2215 hrs. I spoke to him about the accused. Lt Alderson questioned the accused in my presence. The accused was placed under close arrest at 2215 hrs 30 Oct 44. The accused handed to me his pass which I in turn handed over to the Lt Sgt. The pass produced as Exhibit 'A' is one of the passes that was handed to me by the accused. The accused stated I am a Canadian Officer and wish to see an officer so as I can get some food and petrol for my men. I took to that effect. The accused could not produce papers of an Officer in my presence.

Cross-Examined The accused did not in any way show signs of an officer. I would not say the accused had been drinking. He certainly was not drunk. He did not appear normal as he kept repeating himself in his speech. From about the first hour the accused spoke was not intelligent in any way.

cont'd

I was in charge of the accused all night and I spoke to him in the morning. In the morning he did not insist he was an officer. The accused knew his surroundings in the morning as he knew he was in a guard room.

Capt. He ~~disagreed~~ insisted he was an officer during our conversation at approx 2120 hrs and a couple of times checked me for not addressing him as "Sir". The accused was dressed in Battle Dress blouse and trousers and wore a short macintosh. The accused appeared very tired RP 93 (B) Complied With.

Paper as here Pro Produced By Execution as Ex "A".

Second Witness for Execution: Capt. R. Alderson. 8th Fd Coast Coy. 25 Air Field Coast Gp. att First Canadian Army. sworn states.

On the 30 Oct 44 at approx 2200 hrs I had the occasion to visit the guard room of 217 Pioneer Coy ~~Det~~ det. While I was there it was reported to me that the accused purported to be an officer. I asked the accused ~~to~~ what identification papers he had but all he could produce was his AB 64. This book produced as Ex "B" is the book that the accused produced. I checked the document and also I pointed out to him that the rank he should be holding was that of Lt Col. He still asserted that he was an officer saying he was a one pipper. He declared that he expected to be promoted to Lt Col on 1 Nov. I asked him where he was at the time of the Arnhem ~~school~~ and he replied 1942. I then placed him under close arrest and had his papers and personal effects brought to me. Amongst these personal belongings was a piece of paper crudely written which I assumed from the wording thereon to be some sort of a pass. He admitted his true rank at approx 0900 hrs 31 Oct 44 and gave me the name of his unit which was 10 CBR Bn.

D.J. cont'd

I informed him that he was held on a charge of impersonating an Officer and also for attempting to obtain food and petrol under false pretences. On the evening of the 30th during the time I was questioning the accused he asked for food and petrol which I refused to supply. I recognize the stated pass shown as "Ex H" it was produced with his A.B. 64. I also recognize the workshop report marked as "Ex C" it was also produced by the accused in an envelope addressed to H.B. CREME. The accused stated the food and petrol was for his convoy which he had left on the road to Maseru. The accused also stated he had a MP which he had left on the roadside about 300 yds away. The accused made the statement about "Ex H" saying "that is just a pass". The accused seemed tired but sober on the night of the 30th.

Cross Examined. I would not say that the accused spoke clearly but his conversation was sober and intelligible. The accused kept repeating himself. The accused said nothing about the pass "Ex H" being genuine or not.

The Court. I greeted the accused with Good Evening, and he responded with Good Evening. Shortly after our conversation started he addressed me as Sir. At no time did he say my name is It seemed as if there was an exchange of names between the accused and myself. Accused insisted he was an Officer.

RP 83(3) Complied With.

Third Witness for Prosecution Capt E.J. Ferguson. I am a CMF officer stationed at Maseru and I have been employed as records Officer since 25 Apr 46. According to my records we have never had a Major Norman at Maseru.

Cross Examined. My records only show personnel as strength and SCs at Maseru. I could not know if there is a Major Norman in the Basuto Army or not.

RP 83 (3) Complied with.

Prosecutor sums up as follows.

The fact that the accused impersonated an officer has been established by the witnesses Cpl Harper & Lt Anderson. It is admitted by the accused stated he was an officer in the presence & associated on declaring himself as such until he was ascertained from papers in his possession that he was not an officer. In addition to this the accused was attempting to obtain food & petrol for a fictitious number of ~~motorists~~ vehicles by declaring ~~he~~ he was an officer. Therefore the accused is guilty of the crime as charged

E 3.

Mr. President and Members of the Court.

It is not my wish even to attempt to contradict the evidence brought fourth in the case of L/Cpl. Dutium, the accused, rather I am emphasizing on the truthfulness of the facts brought fourth both by the prosecution and the defence.

I will start by giving you a brief summary of different circumstances and events surrounding this man's army life. L/Cpl Dutium joined the army in April 41 and proceeded overseas in September of the same year. From the time of joining to this present date the accused has a clean record, the proof of which is his good conduct stripe he still wears. He went into action on "D" Day or about and it only took one and one half days of battle to convince the M.O. that the accused was definitely a nervous and mental case so he was evacuated to England for one month's rest. He was then brought back into battle and after an hour or so of battle a different M.O. once more saw his mental incapacity to withstand the strain of battle and re-ordered the accused to be evacuated, and this time, along with battle exhaustion he suffered with a temporary loss of memory. These strung along with the thought of his three brothers, one a P.O.W. and the two others seriously wounded drove out of him the bit of sence he had left and led him to commit his first army offence.

I am presenting herew a psychiatrist report on the present condition of the accused and I must state that , although it conforms with my statements, the accused mentally state was worst a few weeks ago , having since then the quietness and restfulness of our detention quarters.

Now, let us take the evidence of the prosecution's first witness, Cpl Haynes stated that the first hour's conversation with the accused was anything but a normal one and that he raved and constantly repeated himself. He talked about the accused demanding a supply of petrol and rations, preferably corned beef. Now I ask the court, being in a tired state as he was reported to be in xx and having no transport, if this is sane reasoning. Cpl. Haynes also afirms that the accused had absolutely nothing in his dress that indicated he was an officer. He also states that the accused demanded to see an officer instead of staying away from such, no doubt his mental condition prompting him of his superiority of rank.

Lt. Alderson , the second witness states that when he asked the accused for his identity card he answered that he hadn't any but produced his soldier pay book, a fact which would be obvious proof recognized by any sane soldier as a complete give away. Both witness stressed the fact that the accused was not drunk.

In conclusion I am stating the fact that the accused, prior to going into action was made a L/Cpl. and therefore a section leader, proving his leadership qualities and initiative and that his battle experiences and other troubles I have mentioned have been contributary factors to his mental and physical deficiencies which have been confirmed in the psychiatrist's report. I therefore request the court to consider and weigh the evidence as given , proving temporary insanity.

(XVIII) SOLDIER'S WILLS

1. Particulars of next-of-kin should always be set out in the form on pages 4 and 5 of this book but the soldier must understand that these entries have no legal effect as a Will.

2. The making of a Will is not compulsory. It is, however, desirable in the interests of next-of-kin that all military personnel should have made Wills, even though they may leave nothing more than a balance of pay and allowances and personal effects. It is immaterial whether the Will was made before enlistment (a civilian Will) or after enlistment (an army Will).

3. Personnel who have made civilian Wills which they wish to keep in force should not make army Wills.

4. An army Will, unless specifically stating the contrary, completely cancels any previous Will. In some cases, individuals have made army Wills as a result of a misunderstanding of their effect. In any such cases, where an individual wishes the provisions of his civilian Will to remain in effect, he should make a new Will for the purpose of reviving it. Advice and instructions in this regard should be obtained from the Legal Aid Bureau of the formation.

5. Under the laws of most of the provinces of Canada, a Will made prior to marriage is revoked by marriage, except when it is stated expressly in the Will that it is made with the intention of such marriage. Accordingly, personnel who have married after making a Will should make a new Will.

6. A "soldier's Will" (made on the Short Form of Will at pp 23 and 24 of this book) is valid for the disposal of all property, both real and personal, in any of the provinces of Canada, except New Brunswick and Prince Edward Island where it disposes of personal property only.

7. In making a "soldier's Will" on the Short Form at pp 23 and 24 of this book, the instructions thereon are out as to manner of completing the Will should be followed. The Will need not be in the handwriting of the soldier, although it must be signed by the soldier in his own handwriting.

8. Where it is desired to dispose by Will of real property (i.e., land) situated in the provinces of New Brunswick or Prince Edward Island, the Will must be in writing (not necessary to be handwriting) signed by the person making the Will in the presence of two witnesses who must sign in his presence and in the presence of each other. Such a Will may be made on the Form of Will, MFM 10 or 10a or in similar form.

9. If a soldier cannot write, or read and sign his name, advice and instructions as to completing any form of Will should be obtained from the Legal Aid Bureau of the formation or from an officer with legal knowledge.

10. In order to ensure that the information may be available in the event of personnel becoming casualties, it is desirable that either the Will, or the name and address of the person holding the Will, should be on file with the O i/c Records at either NDHQ or CMHQ. Thus, if a soldier's Will is in private custody he will inform his Company or equivalent Commander or the Paymaster of his unit who will complete and sign the following memorandum and *forward two copies thereof to the Officer i/c Records CMHQ.*

Memorandum

Number..... Rank.....

Name.....

reports that a Will made by him is in the custody of

Name.....

Address.....

Date..... Signature and Rank of Officer.

11. As a safeguard against the possibility of the loss in transit of original Wills despatched to Canada, all Wills, whether in the Short Form, on MFM 10 or 10a, or otherwise, should be made in duplicate. In the case of a Will in the Short Form, the duplicate may be on an ordinary sheet of paper. The duplicate must be signed by the soldier and, if not made on the Short Form, by both witnesses in the same way as the original. Both copies will be forwarded to the Officer i/c Records CMHQ and the following memorandum will be completed and signed by an officer:

Memorandum

Date..... Signature and Rank of Officer.

*Delete part not applicable.

DO NOT DETACH EITHER OF THE ABOVE MEMORANDA.

Solely for use on Active Service. The Will, on page 24, must **NOT** be used until you have been placed under orders for Active Service.

SHORT FORM OF WILL

(Write Will on next page)

If a soldier on active service, or under orders for active service, wishes to make a short Will, he may do so on next page. **It must be signed by him and dated.** The full names and addresses of the persons whom he desires to benefit, and the sum of money or the articles of property which he desires to leave to them, must be clearly stated. **The mere entry of the name of an intended legatee on the next page without any mention of what the legatee is to receive is of no legal value.**

The following is a specimen of a Will leaving all to one person:—

In the event of my death I give the whole of my property and effects to my mother, Mrs Mary Bull, 999 High Street, Toronto.

Private No. 30000,

Date 5th August, 1936.

The following is a specimen of a Will leaving legacies to more than one person:—

I am K.52761 CSM McBRIDE, J.C. of 51 Coy 11 CBR Bn at approx 1500 hrs on the 5th of Oct 44 I called 51 Coy on parade to tell of a draft. I called the roll and H.41627 Rfn DUTIAUME, L.L.A. answered to his name with his Regt'l number. On that parade I warned the draft and told him that they would be proceeding the following morning early the exact hour of which they would be told of later. On the morning of the 6 Oct 44 I called the draft on parade at 0715 hrs, and called the roll. Rfn DUTIAUME failed to answer to his name. I detailed Sgt McKENZIE to search the Company lines for Rfn DUTIAUME. Rfn DUTIAUME was not found. When the draft proceeded at 0730 hrs. Rfn DUTIAUME did not leave with it. I placed Rfn DUTIAUME's name on an absentee report from 0730 hrs 6 Oct 44. I repeated Rfn DUTIAUME's name and number on *every* company parade held from the 6 of Oct 44 until the 12 of Oct 44, when Rfn DUTIAUME was posted to 43 Coy 10 C.B.R. Bn. He did not answer at any time, on his name and number being called.

/Lieut ALDERSON, R. on the strength of 681 Rd Construction Coy, 25 Air-field Construction Group, 1st Canadian Army, having been duly sworn states:

I am Lieut ALDERSON, R. 681 Rd Construction Coy, 25 Air-field Construction Group. On the 30 Oct 44 at approx 2200 hrs I visited the guard room of 217 Pioneer Coy detachment there I was shown a soldier whom I now recognise as the accused. He had presented himself to the guard as an officer and was asking for food and petrol. I asked him for his AB 2606, but he was unable to produce one. On checking through his AB 64 I realised that the accused was a L/Cpl. However the accused still persisted in his story that he was of commissioned rank. I asked the accused why he did not wear the badges of rank of an officer, the accused replied that it was because he was only a one pipper and expected his second pip on the 1st of November. I asked the accused when he went at Officers school and he said 1942. I asked him why he wanted food and petrol and he answered that he had a convoy of 5--15 Cwt vehicles waiting in the road to Wemmin. The accused said this Major was in Wemmin and had instructed him to report to there before going to Ghent the accused stated that he had a motorcycle about 300 yards away from our camp, but the search parties which I sent out for a quarter of a mile along all the roads from the guard room, were unable to find one motorcycle. I detained the accused on the charge of impersonating an officer and attempting to obtain food and petrol under false pretenses. The accused was handed over to his unit the following day. During the period that the accused was under arrest in 217 Coy Pioneer guard room I had all his personal effects removed from his possession. Amongst these was his AB 64 Pts I and II, personal photos, a pass for 24 hrs which expired on the 29th Oct 44 at 1228 hrs, and an envelope addressed to O.R.E.E.E. First Can Army, which the accused stated had been given him by a O.R.E.E.E. (U.K.) whose machine had broken down and had asked the accused to deliver the envelope for him. This envelope contained a workshop activity report and duplicate of 32 L.A.A. workshop R.E.E.E., 107 A.A. Bde dated 26 Oct 44 and signed by Capt C.C. 32 L.A.A. Workshop R.E.E.E.I Herewith submit as evidence the pass and workshop activity report.

I then ordered Gdsm Riendsau to leave us alone and proceed on his way but he refused to do so. I then placed him on charge and asked him to accompany us also. Once out in the street both the accused were using profanity examples of which are, you dirty son of a whore, you son of a bitch, you no good bastard, fuck you and everything imaginable. They were directed at us some of it, and the rest at anybody in general. I ordered them to stop this kind of talk on the street and just come along. Pte Dutot stated he would remember our faces and would eventually get us. I then told him to stop this foolish talk and to just come along. At this Gdsm Dutot struck I was hit on the forehead. I immediately struck back and Dutot fell to the ground. Sir, to continue my evidence I have to bring in Riendeau. We then contacted another patrol who helped us escort Dutot and his accomplice to the police station. We arrived at the police station at approximately 2200 hrs. There they were placed in a cell.

It has been proved that he used threatening language to them on the street and it was stated that it was the accused who struck Cpl Piroski.

Closing address of the Defence

Sir, the first two charges using insubordinate and threatening language both come under Sec 6 and I drew to the attention of the court the foot note on page 434 MML, the words must be used with an insubordinate intent, that is to say, they must be, either in themselves, or in the manner of circumstances in which they are spoken, insulting or disrespectful, and in all cases it must reasonably be clear that they were intended to be heard by a superior officer. The essence of the first two charges is intent. MML is quite definite, there must be intention. We have the evidence of the witnesses that the accused had been drinking, in fact the evidence of the Insp was that the cell after admission did smell very very strongly of liquor. The accused in his own statement

states quite frankly he went out with Gdsm Riendeau and they started on a drinking bout. It is quite possible illness resulted after an evenings drinking, it did in this case. I would also like to draw the attention of court to page 25 of MML para 47 half way down the para. "mere abusive etc. (this is read). The defence submits, by the accused's own statement and that of witnesses that the accused was drunk. The accused himself frankly admits that he cannot remember anything at all that evening after he started on this bout. On the same grounds the defence submits that the third charge be dismissed although there is evidence that there was a fight a man in a high state of intoxication does hit back in self defence. The Defence submits that the first and second charges should be dismissed as there was no intention. He was obviously so much under the influence of liquor that he cannot be accused of striking his superior officer.

Summing up by the Judge Advocate.

Mr. President and Gentlemen, I just want to draw to your attention the law dealing with intoxication. This is found on MML p 106 para 9 (this is read). I don't think there is anything else I can say, the evidence is entirely within your perrogative.

Is there anything further you wish me to say Mr. Defending Officer
No sir.
And you Mr. Prosecutor
No sir.

Statement by accused in Mitigation

I enlisted in the army a year ago this month and this is my first crime.

Mitigation by the Defence

I have known the accused for some time myself and although he is not in my particular Sqn I have discussed his record with his Sqn Comd and I am convinced that the accused is not a bad soldier, is in fact a good soldier and on the night in question he went out to celebrate. We had just come back from a spell in the field. The conduct sheet of the accused is clear and the Sqn Comd tells me he is one of his most reliable men. I am convinced that he is a good soldier and as stated it is his first offence.

Plead Guilty

Lieut R.A. McDonald (Interpreter) 8th Provost Coy, Canadian Provost Corps, having been duly sworn states:

I identify these two Gdsm as the two Gdsm I put in custody in Neuwied the night Oct 15th, 1945. I was officer in charge of the picquet in Neuwied the night of Oct 15, 1945. Cpl Picard reported to me that he had placed two Gdsm under [illegible] close arrest and that they were in custody in the civilian police station. Approximately one hour later I went to the police station to interview these two Gdsm. I was admitted to the cell by the civilian police and I saw these two Gdsm there. They were both asleep when I entered. I had them awakened and attempted to question a Gdsm whom I now recognize as Gdsm Richardeau. When I questioned him he refused to make any statement as to what took place in that he did not say a word. Then attempted to question Gdsm Butot and received no answer to my question. There was vomit on the floor which smelled strongly of intoxicating beverage. I then contacted the Canadian Orderly Room Corporal and requested transport and escort and also a fatigue to remove the mess in the civilian police station. The escort arrived at approximately 0200 hours 16 Oct 1945.

Question by Lieut Macdonald

Q Cpl Picard. The only person to report to you?

Answer by Lieut McDonald

A.

Both the accused declined to question the witness, Lieut R.A. McDonald.

No 135 Cpl Picard, R. having been duly sworn states.

At 2130 hours 15 Oct 1945 I was accompanied by L/Cpl Wilson at the bottom of the stairs leaving the MAAFI. The two accused were standing there, as I started walking by Gdsm B tot a yelled to me and asked me why in the hell I was following them and told me to fuck off. I immediately placed him under arrest and proceeded to take him to the civilian police station in Neuwied. The soldier named Gdsm Richardeau insisted on coming along, I ordered him to leave but he refused to do so. I then placed him under close arrest and the two accused turned the police station. On the street both the were using unbelievable profanity as specimen of which is - you dumb - fuck you - dirty son of a bitch - son of a whore. I ordered both soldiers to stop using such language but they refused to do so. They then stopped on the street and told me and L/Cpl Wilson that they would remember us these and finally put us. I then told them to cut out such foolish talk and come along, at this Gdsm Butot struck me on the left side of my forehead. I immediately struck back in self defence and Gdsm Butot fell to the ground. Upon turning around and looking for the other accused and escort I saw the escort on the ground with the other accused over him. I grabbed the other accused receiving a few blows and forced him to sit down until he cooled off. We then contacted another patrol who also acted as escorts for the two accused to the police station. Upon arrival there at approximately 0.45 hrs. the two accused were placed in a cell to await escort [illegible]. After being there for approximately 1 to 1½ hours the accused Gdsm Butot became sick and vomited on the floor. Gdsm Richardeau had vomited previously. At the time of arrest both had been drinking but were definitely sober, Sir.

Question by Lieut Shaughnessy.
Was L/Cpl Wilson with you from the time you left the NAAFI until the two accused were placed in jail?
Answer by Cpl Piroski
Yes.
Lieut Shaughnessy.
Who was the bad language directed at?
Cpl. Piroski
Some at us and the rest at no one in particular.
Lieut Shaughnessy.
You say after Gdsm Dutot struck you you struck back. In just which way did you strike back?
Cpl Piroski
With my fist.
Lieut Shaughnessy
How many blows?
Cpl Piroski
Until he hit the ground.
Lieut Shaughnessy
What was/were the other accused doing to L/Cpl Wilson?
Cpl Piroski
When I turned around L/Cpl Wilson was sitting on the ground and the other accused seemed to have his hands on L/Cpl Wils ons shoulders.
Lieut Shaughnessy
How many people were in the other patrol?
Cpl Piroski
Two men.
Lieut Shaughnessy
Were the accused soldiers in your sight during the entire time you were at the police station?
Cpl Piroski
No, they were locked in a cell and I could not see them unless the door was open.
Lieut Shaughnessy to Gdsm Riendeau.
Have you any questions to ask the witness?
Gdsm Riendeau
Yes.
Are you sure that I was not drunk?
Cpl Piroski
I am positive that he was not drunk.
Gdsm Riendeau
Did you say that I had previously vomitted?
Cpl Piroski
Yes.
Gdsm Riendeau
Do you know the cause for having vomitted like that?
Cpl Piroski
I don't.
Gdsm Riendeau
How do you know I was not drunk?
Cpl Piroski
Reasons for my belief are - He spoke with a clear voice- His eyes were not bloodshot - He did not stagger-
Gdsm Dutot
The Cpl States he saw Gdsm Riendeau on top of L/Cpl Wilson. How was he able to see in the darkness?
Cpl Piroski
By means of a flashlight.
Gdsm Dutot
Do you know how I got a scar on my right temple?
Cpl Piroski
When I struck Gdsm Dutot in self defence he received a bump above his right eye upon impact with the sidewalk, but until the time his unit escorts picked him up at the police station I did not see any cut on Gdsm Dutot's face whatsoever.
Lieut. Shaughnessy

Lieut Shaughnessy
Can you tell me exactly how you hit back after Adam Dubot struck you?

Cpl Pivoski
I hit Adam Dubot with my right fist, and he hit the ground.

Third Witness (sgd) M. Pivoski

Dudley George Butcher Inspector Port Stanley Police, Sworn, having been duly sworn states.

Question by Lieut Shaughnessy
Do you remember those two men?

Inspector Butcher
Yes, I recognize them having seen them in the Police Station the evening of Oct 31, 1945. The first when I returning with the best of my ability as Adam R endeau was brought into the cell by members of the Provost Corps. He was using bad language the "fuckin" being used frequently. He was placed in the cell and shortly the second man was brought in whom I now recognize as Adam Dubot and placed in a cell also. Shortly afterwards Lieut Holmes RC of the Provost Corps arrived and I went to the cells with him. Both men were lying down and there was a great deal of vomit on the floor. They were ordered up by Lieut McDonald RCPC and spoke to them in turn. The cell was extremely heavy & noisy. From it I could not understand the first word and saw the two men standing in the cell. One of them I took the other back on the bed and said, "Keep quiet Grumpy". In pushing him back the one who fell on the bed I think struck his head on the cell wall. When the escort arrived there was a great deal of vomit on the cell floor.

Lieut Shaughnessy
How many members of the Canadian were concerned in bringing these men in?

Insp. Butcher
To the best of my knowledge there were four.

Lieut Shaughnessy
Was the second man acting when he was brought in?

Insp. Butcher
The second man was more or less carried and seemed to be drunk or sick.

Lieut Shaughnessy
Did you smell alcohol in the vomit in the cell?

Insp Butcher
Yes, it was very noticeable.

Lieut Shaughnessy
Was there any resistance between the two Messrs of and the Canadian Provost Corps?

Insp Butcher
No.

Lieut Shaughnessy
In your opinion was either or both of the men drunk when they were brought in?

Insp Butcher
I should term the first man "fighting drunk".

Lieut Shaughnessy
Was any marks on the accused found when they were brought in?

Insp Butcher
Not that I noticed.

Lieut Shaughnessy
Can you remember which one of these two was the one that was pushed back on the bed?

Insp Butcher
I think it was Adam Dubot who was pushed on the bed by

Adam Riendeau

Lieut Shaughnessy to Adam Riendeau
Have you any question to ask the witness?

Adam Riendeau
No.

Adam Dubot
Were we having a fight among ourselves in the cell?

Insp Butcher
No, they were standing.

Adam Dubot
Were there just four Provost us of in bringing us in?

Inspector Butcher

Four brought the first man in and wether or not they were the the same ones who brought the second man in I am not sure.

Question to the accused Gdsm Riendeau (sgt) D.C. Butcher, Insp.

Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you say or what evidence give will be taken down in writing and may be given in evidence.

The accused C21651 Gdsm Riendeau, F.P.E. having been duly sworn states:

On the evening 16 Oct 1945 on my way back to the trucks in Newmarket, I was in company with Gdsm Dutot. As far as I remember, I remember having a fight with someone on the street. I do not remember anything else until someone woke us up in the cell and asked for our paybooks. I remember giving my pay book and I think Gdsm Dutot was just getting out of bed and there was an arguement about paybooks in front of the persons who were standing in the cell. Then I remember pushing Gdsm Dutot on the bed and he fell on the bed in a sitting position close to me. I took his paybook out of his pocket and gave it to the persons in the cell. I then went back to sleep on the floor. Later I was awakened by Sgt Kingston and escorted to a vehicle and taken back to the regiment here. I also remember while I was in the truck Gdsm Dutot being carried in by someone and he looked to be unconscious.

Q. Do you remember who was in the cell when you pushed Gdsm Dutot?
A. I think there were two persons in the cell.

Q Do you remember ~~XXXXXXX~~ having an arguement with Gdsm Dutot at any time other than that?
A. No

Q Had you been drinking?
A. I had been drinking heavily.

Question to the accused Gdsm Dutot (sgt) Fred Riedeau

Do you wish to make any statement or to give evidence upon oath? You are not obliged to give evidence or to say anything unless you wish do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

The accused A11600 Gdsm Dutot, W.G. having been duly sworn states:

We had been drinking fry heavily and had gone to get something to eat and starting back to the trucks due to the fact that we had both had too much to drink to continue on the streets, when this trouble took place. I remember someone grabbing me by the arm and I struck back in self defence not knowing who they were. From then on things were a haze and I remember nothing more until the next morning.

I certify that the Rules of Procedure (a)(c), (D), (E) and (F) have been complied with.

Taken down by me in the Field in the presence of both accused soldiers this 28th day of October 1945.

STATEMENT OF EVIDENCE IN THE CASE OF:

Re- C21631 Gdsm Riendeau, F.P.E.
A116608 Gdsm Dutot W.G.
22 Cdn Armoured Regiment (CGG)

Sir,

1. On 16 Oct 43, I was IC of Newmarket Patrol, at a pproximately 2130 hrs I was in company with L/Cpl. Wilson on my tour of checking patrols. At this outside the VICTORIA DANCE HALL, the m/n soldiers asked me why I was following them, and told me to "FUCK OFF". This being an insubordinate remark I placed them both under CLOSE ARREST and proceeded with them towards the POLICE STN.

2. They then began using profane language stating that they will remember our faces and finally get us. Then they attacked us. We both received blows.

3. Previous to them attackig us I ordered them to watch their language, because they were out in the street with women around, but this did not make them stop in the least. They were at all times very resistent to L/Cpl. Wilson and myself.

4. We finally got them to the POLICE STN, and looked them up. All this time they were very insulting to the CDN PROVOST CORPS.

5. Through our Coy Hq we contacted their unit and has escorts report to the POLICE STN, and return them to their billets.

6. At the time of the arrest the m/n soldiers were not DRUNK, but had been drinking.

7. For your infm, please. Sir,

STATEMENT IN MITIGATION

The accused did not intend to write in his letter anything which would be of use to the enemy. He had not been warned that the information he had was in any way secret. He was carried away by enthusiasm over the new equipment. The enthusiasm of a gunner for his guns is unique in the army and always permeates the signal section attached to a regiment. The accused heard the big news from the gunners of his regiment where it was common knowledge in spite of its secret nature. He did not hear it from his own officer who could have warned him of the secrecy of the information. He was not to know that this was one of the

first appearances of a Party and
the matter was not to be discussed.
The letter was to his wife & he has
not seen for two years & was the
letter of a soldier who joined with
the idea of getting at the enemy,
who has waited a long time & who
has been given a big boost by
the knowledge that new & special
equipment is coming & that it
may not be long before he
gets his chance. The statement
was also made with the knowledge
that the letter would be censored &
that any part of it which offended
the censor could easily be deleted.
It was not the drunken talk
so dangerous in pubs nor the
bragging in a public place. It was
the enthusiastic letter of a soldier to
his wife and he knew anything

he said was subject to censorship.
The accused has pleaded guilty although
a large part of the evidence in the
summary is inadmissible as
opinion evidence of persons not
expert witnesses. He has not asked
for an adjournment in spite of
the fact that R.R. 14 B has not
been complied with. His
attitude throughout is not that of
a criminal or obstructionist but the
attitude of a soldier who because of
misguided enthusiasm has committed
an offence which he admits & for
which he puts himself at the
mercy of the court.

No. 1575 MAIL SERVICE (3 Cdn Div R.O. No. 57)

1. To ensure the most speedy tpt possible and to expedite delivery of Canadian mail on arrival, the following arrangements are in force:-

(a) allocation of space on fast troopships for tpt of letter mail is procured.

No. 1575 Continued

(b) Cdn Movement Control offrs are located at the larger ports. One of their duties is to make certain that no delay in unloading or despatch of Canadian mail place.

2. Arrangements are being made to establish a Trans-Atlantic air mail service between Canada and the U.K. This will facilitate the air mail situation considerably.

3. There is no automatic refund in the case of airmail addressed to British troops which of necessity has been transported by surface vessels. The only automatic refund of this kind occurs when a letter stamped "AIRMAIL" is addressed to a destination for which there is no airmail service. The automatic refund is made to the sender. This concession is applicable to both Canadian and British troops.

4. In the case of ordinary airmail letters, for which postage has to be paid at the rate of 1/3 per ½ ounce, a refund to the sender may be made on application by either the addressor or the addressee, when a letter in this category has, of necessity, to be despatched by surface craft. In this case, the stamped envelope must be forwarded, with the application for refund, to the G.P.O. A refund to the sender is made for the difference between the airmail rate and the ordinary postage rate. This concession applies to both Canadian and British troops.

5. In the case of the Armed Forces Air Letters, this is a special service at reduced rates for troops. No refund is made in cases where necessity demands that these letters be despatched by surface ships. This applies to both British and Canadian Troops.

6. As previously advised, the Airgraph service is fairly certain and dependant only on flying conditions for bombers. The Canadian Public have been advised of the advantages in sending airgraph in preference to the Armed Forces Air Letter.

7. Every possible means of delivering mail to Canadian Troops both speedily and safely have been investigated and adopted where feasible. Such delays as do occur are the direct result of prevailing wartime conditions.

SINGING COMPETITION - The finals of the Div Community Singing Competition will be held at the Pier Pavillion, Worthing at 1945 hrs 24 Feb 43.

Dismissing with the whip.

If an officer is on parade, on the command "Dis - Miss", the squad will turn to the right, place the whip under the left arm, loop to the rear, cut the right hand to the side, salute as in Sec. 18, 16, and break off in quick time. Movements will be carried out at the same pace as in quick time, the hand being cut away on the sixth pace.

If no officer is on parade, the squad will, on the command "Dismiss", turn to the right, keeping the whip in position of "attention."

SQUAD MOVEMENTS

In slow time the hands must be kept steady by the sides. In quick time the arms must not be stiffened, but should swing freely and naturally from the shoulder; the right arm swings forward with the left leg and vice versa. The arms must not be bent at the elbows and the hands must be kept closed, not clenched.

Length of pace. In slow and quick time the length of pace is 30 inches. In stepping out it is 33 inches, in double time 40, in stepping short 21, and in the side pace 12 inches.

Time. In slow time 70 paces are taken in one minute. In quick time 120 paces, equal to 100 yards in a minute, or 3 miles, 720yards in an hour, are taken. Except during the first weeks of recruit training, recruits, when not in marching order, will take 130 paces a minute in quick time at drill. In double time 180 paces, equal to 200 yards a minute, are taken. The time of the side pace is the same as for quick time.

DRILL WITH THE WHIP (OR CANE)

Position of whip at attention. The whip will be held firmly in the right hand, in a perpendicular position close to the right side of the body, first joint of the fore finger of the right hand underneath the knob of the whip and pointing towards the thigh, thumb across the front of the whip. The remaining three fingers grasping the whip.

Position of whip when standing at ease. The back of the hand in palm of the left. Whip to be between the right arm and the body, loop pointing obliquely upwards and to the right front.

Position of the whip on the march. On the command "Quick March," step off as described in Sec. 19, 7. As the left foot comes to the ground the first time bring both hands smartly to the centre of the whip (one movement), whip to be kept perpendicular in the right side. As the left foot comes to the ground the second time, cut the left hand to the side, and carry the whip to the right side, whip to be carried parallel to the ground, balanced between the thumb and the first two fingers, loop to the front. The arms to be swung as in marching without whips, but the whip must be kept parallel to the ground.

The whip is now at the trail.

Halting. On receiving the command "Halt," whips will be kept at the trail. After a slight pause, whips will then be brought to the position of "attention" in two movements:-

1. Seize the whip with left hand at the centre and bring it to perpendicular position at the right side, and at the same time move the right hand to the knob of the whip as in the position of "attention."

2. Cut the left hand smartly away to the left side.

Statement of C6271 Pte. Duttan, J.A.

In my previous statement I only gave a brief outline of my case. I wish to take this opportunity to place before the court my whole case.

In the first place I haven't a friend in the army. But I found one in civilian life. She is a girl and a real friend in my estimation. She has treated me better than anyone I know in this country. I've known her for quite some time.

My real reason for going to London was to see if this girl had sent Capt. Wills uniform to me or not. I had left it there sometime ago and had wondered if she had sent it to me. She had but I haven't received it yet. I never intended to go A.W.L. but had intended going up and back the same night.

Previous to being attached to this Unit I was with No 2 C.A.C., R.A. at Aldershot. I had just been released from Kedley on the 12th Dec. and had asked for a 24 hr. pass from the C.O. on 14th Dec. I waited all day and later that evening I was informed by the Orderly Room clerk that I was going to the R.C.A.S.C. on the morning of the 15th Dec. I had seen Capt Wills on the same day and he gave me a week to get his uniform back or else he would take steps to have me punished. When I arrived at this Unit I immediately went to London to find out about the uniform as I have stated before.

When I was in Kedley I met a chap who went to London quite regularly as his father lived there. This chap was a Canadian

and I had asked him to phone this girl for me and give her a message. He said he would and I thought no more of it. When I got to London and met this girl, she told me that this fellow had called her up, quite often in fact and had made a date with her. Now knowing this girl as I do, she told me every thing of what had happened. I knew for a fact that this chap had had V.D. before, but this girl didnt, so I told her what I knew. She just went to pieces; not having a Mother since she was 10 years old and her father in the civil service, she had only myself to help her. She worried so much that she lost her job and finally went and stayed at her girl friends apartment. We decided to see a Doctor. This Doctor lives in Kensington and is quite expensive. We took tests for both Syphilis and Gonnorhea and told us he would let us know the results in about 10 days time. So I waited and we found that she had not contracted any disease.

We then decided that I should return and tell the truth about it all. I gave myself up to the Hammersmith Police on 8th Jan.

I hope the court will understand my case, as I figured I was doing the best I could, after all I was really to blame if this girl had contracted a disease. It would have worried me all the time as it was through me she met this chap. I'm not a bad soldier as I like the Army. I've been in and out of it for a number of years since I was 17 years old.

I haven't heard from my wife for at least 5 months, she may have written but I haven't received any letter, parcels or cigarettes for at least that time.

After all I ask in this army is to have friends as I get feeling quite low at times.

I plead guilty to being A.W.L. but make the above statement in my defence and ask that the court deal leniently with me and make the sentence as short as possible.

On 15 Dec 42 I left Barracks and went to London on business. When I got there I found that there had been some trouble between a girl I knew and a chap to whom I had introduced her. She thought she had contracted venereal disease so I stayed in London until I was sure that both she and I were free from it.

My original intention was to go to London and get a uniform which I had taken up there for Capt. Mills of No. 2 C.A.C. R/U. It had been left at this girl's place.

I had asked for a pass from the Commanding Officer No. 2 C.A.C. R/U. on the 14th Dec and he had given me no satisfaction. I was ordered to No. 1 C.A.S.C. R/U. the next day.

I gave myself up at 2330 hrs, 6 Jan 43.

has been referred for psychiatric examination.

He complains "It's my nerves, I get such a pain in my head, it's terrible. He states that he went on leave and overstayed it because he felt upset and preferred to be "on his own". He spent his time after the manner of a vagrant and sleeping out in public parks.

HISTORY:- His maternal grandfather spent his last years in a mental hospital. One maternal aunt was "very nervous"; his father also was "very nervous"; his brother is "always very sickly" and a sister suffers from "paralysis of her right leg". His father-in-law died recently and since then he has had very disturbing letters from his wife.

Duval himself has always been nervous and liable to headaches all his life but they are more pronounced and more persistent since he was exposed to a bombing raid in 1940. He spent 6 weeks in hospital at the latter end of 1940 but was not much improved. One M.O., he states, advised him to drink to relieve his symptoms but, when he drinks, he says "his heart smothers him". Although he was previously a heavy drinker he has not had a drink for 6 months. Of late he has frequently had "bad dreams" and he often feels that people are watching him although he has been told "it's imagination". He has always been of a solitary disposition for the most part.

In civil life he was a farmer and his hobby was wrestling. When 17 yrs. old he sustained an injury when wrestling but was not rendered unconscious. Was originally a driver i/c in the army but has been employed in the cookhouse for the last 6 months.

Seven previous charges of absence without leave are recorded against him in his A.F.B. 122 and he has been four times in detention including one period of 6 months.

ON EXAMINATION:- I noted that he was restless and fidgetty and belched several times. There were no signs of gross mental disorder.

IN MY OPINION:- He is a psychopathic personality with emotional abnormality.

SUMMARY OF EVIDENCE IN THE CASE OF: A-3891 Pte. Duval, Archie Charles, of The Royal Canadian Regiment, a soldier in the Cdn. Army (Overseas).

By direction of the Commanding Officer the evidence is taken on oath.

FIRST WITNESS

Capt. D.R.Ladore of the Royal Canadian Reg't. having been duly sworn ~~in~~ states:

I am and was at all times, material hereto, Officer in Command, (Rear Party) The Royal Canadian Regiment.

After church parade on Sun. July 11/43, I was informed that Pte. Duval had been arrested by the Provost Corps and returned to this camp. I had Pte. Duval paraded to the Coy. Orderly Room under escort. He said he was from "A" Coy., Royal Canadian Regiment, and that he had gone on seven days privelege leave from Auchinleck which expired on June 15/43. He further stated that when he returned to Auchinleck he found that the Unit had left. He did not know the date of his return to Auchinleck and claimed that his memory had been affected by air raids in Southampton in 1940 and that he spent six weeks at Bramshot Hospital.

Regarding the seven days leave, he claimed he had been granted to him, I checked his Pay Book and found that his last pay entry was on the 7 June 43. I also checked another soldier's Pay Book who went on leave on the same date. This soldier had been granted five days only, inasmuch as July 12/43 was the deadline for all leaves. Apparently Pte. Duval was granted five days leave from July 7/43, with four other R.C.R. privates.

Pte. Duval claimed that his eyes have been bothering him of late. I examined his Service Book which showed him to be a first class shot in the early part of 1943. He explained this by saying that he had had a particularily good coach when firing this practice. I tried to ascertain the approximate date of his alleged trip from Southern England to Auchinleck to rejoin his Unit as he claimed, but he said he could not rememberthe date.He said he thought it might have been about the end of June.

The Provost charge sheet shows that he was arrested by civil police. I telephoned the D.A.P.M., London Area, who confirmed that he was arrested by civil police and that he did not surrender himself. The Provost also states that there is no record of a pass being turned in and the civil police handed over all papers to them. I also called the civil police who stated that he was apprehended by P.C. Knowles, Army Form O1617 at the top shows the word "surrendered", which is explained by the fact that this is a standard form laid down by the War Office to be used by the civil authorities when apprehending military personnel. The civil police clearly state that he was apprehended. The accused on July 11/43 told me that the civil police had his pass. On July 30/43 he told me that he was picked up by the civil authorities who asked to see his pass which he could not do.

I produce the following documents and records as exhibits

A-AF B252 Charge Sheet from D.A.P.M. London Area, dated 9 July 43

B-AF O1617 Certificate of arrest dated 9 July 43.

C- Expense voucher for cost of escort amounting to £1-7-11.

SECOND WITNESS: A 6137 Sgt Griffiths, A.M. Royal Canadian Regiment, having been duly sworn, states:

I am, and was at all times material hereto, Sgt. (Special Increment) attached to the Royal Canadian Regiment.

On Saturday, 10 JUL 43, I spoke to Pte. Duval in the unit Orderly Room, and he informed me that he had been absent from leave terminating 15 JUL 43. He further added that on that date he had reported to "A" Coy, R.C.R. former area in Penyland Camp, AUCHINLECK, where he found no Canadian personnell but only English pionner troops. When I informed him that part of the 48th Highlanders had been there continuously to 30 JUN 43, he stated that it may have been that he did not remember

.....Sgt.

RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(C)), any objections (*RP* 95(B)), and any statements by accused, may be summarized and, the evidence, subject to *RP* 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

Re-exam: None.

Exam by Court: He said—" I've had enough parades ".

RP 83(B) complied with.

(i) Opening address by Defending Offr. (*RP* 60(C), 87(C), 92(C) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA* (*RP* 40 *fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 2, 42 *fn* 1, 80.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP* 42 *fn* 1.)

(*When accused charged jointly see RP* 81.)

(vi) Closing address by Prosecutor. (*See RP* 40 *fn* 7, 87(*C*), 92(*C*) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP* 46(*E*), *KR Can* 565(*a*).)

Case of D128018 Pte Duval, F.

Sir: The accused D128018, Pte Duval, F. came Overseas some three years ago. He found that he could not grasp the advanced part of the Artillery, so, having passed his Basic training quite easily, he quite asked for a transfer to the Infantry.

Nothing happened after the request & for some time he was a General Duties man in his Holding Unit.

Late, having been a short time in civilian life, he paraded to his C.O. & requested to be allowed to follow this

trade. He was assured that his request would be granted immediately, but time passed & he heard nothing more, he still carried on as a General Duties Man — doing fatigues, guards, etc.

In April of this year, he was refused privilege to go. This was done at the time.

First Witness for Prosecution.

A 12345 Cpl B. Jones, RWR, sworn, states:

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

CASE OF

D-3 E-4732 CORPORAL (ACTING SERGEANT) DUVAL, L. CIC, 4 CITR

FIRST WITNESS

B-76339, R/MS CLARK, J.F., 4 CITR, sworn, states:-

Q. Will you tell the Court what you know in connection with this watch?
A. Sgt Duval, the accused, was employed as Tech Sgt at 4 CITB and I cannot recollect actually the date that the watch came in, or rather the watches, sometime in Jan. Sgt Duval asked me if he could have the loan of a watch, as C/MS Gagne had his watch. That day the watches came in, I told him not to take one till C/MS Scatter had entered them in the Attractive Store Ledger. Actually, I cannot say that he had one; I've seen the watch hanging on his bed, if it was one of ours I cannot say. The day that the watch was missing the accused reported that the watch that he had from the unit was missing. That was about a month after he had taken it from the cupboard.

CROSS-EXAMINED

Q. What are your functions at 4 CITR?
A. R/MS.

Q. You must know what happen to your own stores?
A. Not necessarily, Sir. I have a Sgt T & D that works in the stores. The R/MS is the supervisor under the QM.

Q. Is he responsible for the watches, binoculars and compasses, wold he be responsible for them or would you be?
A. It is laid down by Ordnance that the CO is responsible.

Q. DID the accused work under you on the 25 Jan 45?
A. Yes, Sir.

Q. You were his superior officer?
A. Yes, Sir.

Q. To approve passes?
A. Yes, Sir.

Q. Are you responsible to see that no one passes at the back of the counter in the stores?
A. Everyone employed there is responsible to see that this is enforced.

Q. Is there any rule laid down prohibiting unauthorized people from going behind the counter in the stores?
A. There is a sign on which it is written, "Staff Only".

Q. Do you remember passing a watch to the accused?
A. I never did.

Q. Were you informed that the accused had a watch?
A. He told me "Is it alright for me to have one?", and I said, "Yes".

Q. You knew he had one?
A. Indirectly. I said to him not to take one until they were checked.

Q. Is there not an order in the army that says that one must sign for any object taken from the Tech Stores?
A. Yes, Sir, but aman who has been employed as a Tech Sgt, trade tested, should know and see that this order is carried out.

Q. In other words, if he asked for something he must sign for it even if he works there.
A. Yes, he must.

Q. This order was not carried out in the case of the missing watch?
A. No, Sir.

Q. Are watches part of tech eqpt?
A. Yes, and he was the issuer or in charge of tech eqpt while employed at 4 CITB.

A. If not on leave, I would be there.

Q. Do you remember any person walking in the stores or warming up by the stove behind the counter the day that the watch was reported lost.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 82 (B).

SWORN WITNESS

D-81436 Ste PROVOST, J.J., 4 CITB, sworn, states:-

Q. Tell us what you know about the morning of the 25 Jan when a watch was reported missing in your stores?
A. One morning, when I was working in the Tech Stores, Sgt Duval, the accused, came back from the ammn dump and asked me if I had seen the watch which was hanging against his bed. I said, "No". He asked me if the RCMS had taken the watch. I told him "No". I was busy giving some stuff away and I didn't have a chance to look if the watch was gone. There was a couple of dvrs near the stove behind the counter that morning.

Q. Did you see the watch near the accused's bed?
A. It was hanging on the right-hand side of his bed. It had been there about a month. This bed is in the building used to keep tech stores. It is in a building like a hut. When you go in the door there is a counter, behind the counter you walk about six maybe ten steps and you get to the beds; there are four there. By Sgt Duval's bed I've seen a watch hanging there which I knew belonged to the Tech Stores because we issue some of them.

Q. When did the accused ask you about the watch?
A. The same on which the watch disappeared.

Q. How did you know that?
A. I saw it was gone from where it had always been for about a month. I don't remember what day it was but it was the day the accused spoke to me about.

CROSS-EXAMINED

Q. Do you remember the 25 Jan 45?
A. I remember the morning that the watch disappeared, I don't know the date.

Q. On that certain day, do you remember any people being in the stores, people that were not allowed.
A. There were people in there that were not allowed to be in there.

Q. Were they behind the counter?
A. Yes, Sir.

Q. Who was the senior of the staff inside working there while you were there?
A. C/S Scarrel.

Q. Do you remember him telling the people that this place was out-of-bounds on that morning?
A. Not, from him.

Q. Did anybody else tell them?
A. I don't think so, Sir.

Q. Is there a notice?
A. Yes, on which is marked, "Staff Only". I made it myself the first day I came in.

Q. To pass from outside to inside the counter, what must one do?
A. You have to lift up part of the counter to get in.

Q. Did the accused ever touch that watch?
A. He used to wind it. I could see him do it as I slept in the same room.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(B)

A. Since Dec 44.

Q. Do you know the accused?
A. Yes, Sir.

Q. How long has he been there?
A. He was there when I first came.

Q. Do you know anything about a watch?
A. I knew that Sgt Duval had a watch hanging by his bed, an Army issue watch. It was always hanging there. On the 25 Jan 45, the accused was out with one of the trucks to the ammn dump. When he came back I heard him say that the watch had disappeared from above his bed. I took it for granted it was the watch hanging above his bed. It was a GS watch.

A. There is a kind of a board that you lift before you can get behind the counter.

Q. Was there any sign?
A. Not that I noticed myself.

Q. Do you remember if the accused was present in the stores on the 25 Jan 45?

Q. Is this the watch that is missing?
A. Yes, Sir, GSTP 2239.

CROSS-EXAMINED

Q. If anybody in your stores would come to you and ask you for something, let us say a Bren gun, would you let him have it?
A. My staff would not need a Bren gun

Q. If he did have a need for it?
A. He would have to get the permission of the Captain.

Q. You would enter the number of the watch?
A. Yes, and have someone sign for it.

A. His name is not shown on the register.

Q. Whose duty was it when he took thewatch out of the attractive store curboard to see that he signed for it?
A. His own, Sir.

QUESTION BY THE COURT

Q. What is the value of the watch?
A. The vocabulary price of the watch is $3-6-0.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 85 (B).

DEF OVER

PROS WITNESS

Q. On the morning of the 25 Jan 45, do you remember if there was somebody in the stores.

Q. Was there any one senior to you at the time in the store?
A. Yes, RQMS Clark and CQMS Scarrol.

Q. Who sleeps in that room?

A. No, Sir.

Q. How long was that watch beside your bed?
A. From the 6 Jan till the 25 Jan.

THE COURT IS CLOSED TO CONSIDER THE FINDINGS
THE COURT RE-OPENS

E-1

E-4738 CORPORAL(A/SERGEANT) DUVAL, L. CIC No. 4 CITH

PLEA IN MITIGATION OF SENTENCE

I would ask the Court to be very lenient with this Sergeant who has had a very clear record for five years. He is a Sgt in a responsible position in the stores and it will look very bad for him to have this serious charge on his record. The watch is lost and you think he is responsible. I would ask the Court to be very lenient with him. I think that RQMS Clark and S/Sgt Scarrol are equally responsible, if not more responsible, than the accused and they too should be charged for the loss of this watch, and I ask the Court to remember that when they fix the punishment for this man. He was not there when the watch was taken. Theother NCOs were there. They let people go behind the counter which they should not have done and they are the people who are responsible equally, if not more so than the accused.

address of Pros. after finding -

Gentlemen of the Court.

You have heard the evidence against Sgt Duval As the one in charge of issuing technical stores he was responsible for their safe keeping The fact that he had not signed for the G S watch Changes in no way his responsibility He was using said watch for his own use and as such should have taken greater care for its safe keeping. He neglected to do what for he left it in a place where it was unguarded without anybody noticing it That Sgt Duval himself felt responsible is shown by the fact that he reported its loss If Sgt Duval had taken proper Care of the watch as he was supposed to it would not have been lost so I ask the court to find the accused guilty as charged

A Walter Light
Prosecutor

17 Mar 45

Gentlemen of the Court.

Before closing this case, I would like to point out to you the important statements brought out during the proceedings:

First of all it can not be proven that the watch was loaned to the accused for he never inquired for it

Secondly

The watch was placed on the wall in the Private Room of the accused & R.Q.M.S. Clarke. The accused knew very well that it was safe to keep it there for that room was out of Bounds to all except the staff. R.Q.M.S. Clark evidently approved of placing the watch on the wall as he saw it there every day, every moment of the day — he never mentioned to the accused that it was neglecting the safe keeping of the watch to leave it there as he knew very well himself

P7

that the place was out of Bounds to all

Finally
as you heard the accused has been in the army 3 yrs 4 mths. two years of which he spent in the Technical stores. He started storeman and was promoted to Cpl & Sgt while working in the Technical Stores. During his 3 yrs 4 mths service he kept his Conduct sheet clean.

I therefore Gentlemen due to the fact that the prosecution failed to prove that the watch was issued to the accused and also that precautions were not taken for the safekeeping of the said watch, I humbly submit that the charge be dropped and the accused acquitted. I thank you.

SUMMARY OF EVIDENCE

In the case of No E-4732 Acting Sergeant Leo DUVAL, of The Canadian Infantry Corps, on the strength of 4 Canadian Infantry Training Regiment, a soldier of The Canadian Army Overseas.

By direction of The Commanding Officer this Summary of Evidence is taken on oath.

First Witness for the Prosecution

B-76339 RQMS Clark, J.F., of The Cdn Inf Corps, on strength of 4 C.I.T.R., having been duly sworn states as follows:

"The accused, Sgt Duval, L., whom I now recognize, has been technical storeman since Nov 44. About the first of Jan 45 he asked me if he could have a watch until he could get his own back. I told him he could have one from the Technical Stores, the issuing of which he was supervisor. He took a watch, GS, Serial No 2239, and kept it pinned to a blanket that was hanging at the head of his bed. At about 1210 hrs 25 Jan 45 Sgt Duval, L reported to me that this watch No 2239 was missing. I reported full particulars of the loss of watch to Sgt Weaver, of the Regt'l Police 4 CITR, and also to Capt Sheehan, QM of 4 CITRn." Ordnance price for said watch is £3-6-0."

The accused declines to cross-examine this witness.

.....RQMS
(J.F. Clark)

Second Witness for the Prosecution

D-81436 Pte Prevost, J.J., of The Cdn Inf Corps, on the strength of 4 C.I.T.R, having been duly sworn states as follows:

" I have been working in the Technical Stores for almost a year. I knew Sgt Duval, the accused, had a watch GS, which he had pinned to a blanket that was hanging down behind his bed. I saw that watch on many occasions pinned to his blanket all the time. Onemorning Sgt Duval came to me and asked me if I had seen this watch. He was unable to find it. He had gone out that morning to the ammunition dump and when he came back the watch had disappeared. Apart from the staff that morning there was 1 officer and 3 drivers who were allowed in the stores to get warm by the stove that was close to Sgt Duval's bed. Only the staff were supposed to be in the Tech Stores and there was a sign saying that it was out of bounds except for the staff."

The accused declines to cross-examine this witness.

.....Pte

Third Witness for the Prosecution

B-77057 Pte Brocklesby, J.J., of The Cdn Inf Corps, on strength of 4 C.I.T.R., having been duly sworn states as follows:

" I have been working at the Tech Stores 4 CITRn since 24 Dec 44. On several occasions I saw a GS watch pinned to a blanket which was hanging down from a shelf behind the head of Sgt Duval's bed. I used to refer to that watch sometimes to get the correct time. Towards the end of Jan 45 Sgt Duval came in and told us that the watch had disappeared. We made a search for it around his bed, but were unable to find it. The RQMS, Sgt Duval, myself and three other storemen had access to the Tech Stores room. Besides that 2 drivers used to come in to warm up by the stove near Sgt Duval's bed. The morning the watch disappeared the two drivers were in the stores for part of the morning."

The accused declines to cross-examine this witness.

The accused was then cautioned as follows: "Do you wish to make any statement or to give evidence on oath? You are not obliged to make any statement or to say anything unless you wisht to do so, but whatever you may say or any evidence you may give will be taken down in writing and may be used in evidence."

The accused declines to make a statement and reserves his defence.

I certify that the foregoing Summary of Evidence, consisting of one page, was taken down by me in the presence and hearing of the accused, and that Rules of Procedure 4 (c), (d), (e) & (f) have been duly complied with.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. *RP* 35 *fn* 3. 2. *MML p* 54 *para* 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans.....(5)

(1. *RP* 37(*B*). 2. *RP* 37(*D*) *fn* 6. 3. *RP* 35(*B*) *fn* 5 *para* 3, *MML p* 54 *para* 47. 4. *See para* E3 *of Record Form* E. 5. *Statement, if any, recorded per Notes.*)

The accused is (are) so informed, and he (they) change(s) his (their) plea(s) on.....charge(s). Part 1 of the Schedule is amended accordingly.

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part 1 of the Schedule.(1)

(1. *RP* 35(*E*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex....., initialled and read aloud by the President.(1)

(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea pleading to Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras* D1 *to* D8 *inclusive of Record Form D on p* 3. *RP* 37(*D*).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B1 to B5 of Record Form B above.(1)

(1. *Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? Ans.....(1)

(1. *If "yes", see RP* 39(*A*) *for procedure. Statement or evidence, if any, is recorded per Notes.*)

D2. The Prosecutor makes (his) (no) opening address.(1)

(1. *Delete remainder of this para, if submission not made.* 2. *Arguments on submission, answer and reply are recorded per Notes.* 3. *RP* 40 *fn* 1. *See MML p* 72 *paras* 12-14 *and p* 81 *para* 42. 4. *Delete part not used. If accused acquitted on all charges, use second alternative in para* D8.)

NB: *If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance.* (*RP* 60(*C*), 114, 115.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans. TO Give evidence. Do you intend to call witnesses on your behalf? Ans. NO-SIR Are they witnesses as to character only? Ans.

The Court is satisfied that these documents refer to the accused, because (i) they purport to be signed in the manner required by AA 163(1) (g) (h), and (ii) they purport to refer to (a) soldier(s) having the same number, rank, name and corps as the accused. EVIDENCE FOR THE PROSECUTION NOTE D-3

1st WITNESS FOR THE PROSECUTION

Capt W FERN, on strength C Pro C, 1 CGRU, having been duly sworn states:

Q 1 During the period 25 Nov 43 to 18 Feb 44 where were you stationed?
A 1 I was Assistant Comd, Cdn Det Bks.

Q 2 Did you have any duties with regard to the Sgts Mess?
A 2 Yes I was PRI of the unit.

Q 3 Do you know Pte Dwane?
A 3 Yes I know him, I see him here as the accused, he was on the staff during that period.

Q 4 What was his position with regard to the sgts mess during the above period?
A 4 He was Secretary Treasurer with the rank of S/Sgt.

Q 5 Did you at any time give any instructions to him with regard to the sgts mess?
A 5 I gave S/Sgt Dwane some instructions immediately after I received them from the C.O. to the effect that there would be no alcohol bought or sold in the sgts mess, that would be about the 25 Nov 43 when I received the order from Col Shankland.

Q 6 What do you mean by alcohol?
A 6 Alcohol or spirits, whiskey, gin, rum etc. The order was that there would be no more spirits bought or sold in the sgts mess. I gave those orders to the RSM, President of the mess and Staff Dwane and to CSM Reistrich and several members of the mess at various times. However I gave the order to these three immediately I received it from the CO.

Q 7 I show you a document, will you identify it?
A 7 This document is one that was presented to me on the 1 Nov 43 by Staff Dwane which was an application or notification to the Wine and Spirits Department, NAAFI, Esher, Surrey, signed by myself stating the number of members in the Sgts Mess in this unit. This letter is dated 1 Nov 43.

(Document marked Exhibit "1" by the Court. The Prosecutor stated that this exhibit as well as other documents which he will tender in evidence are required for other urgent purposes as they form part of the record of a GCM which has already been held. Prosecutor then tendered a copy of the said Exhibit "1". The President compared the said copy with the original and certified the said copy and marked it exhibit "1". The Prosecutor stated that he would return the original exhibit to the Officer In Charge of the record of the said GCM).

Q 8 In dealing with the NAAFI is it necessary to forward such letters from time to time?
A 8 Yes I believe it is the custom when you are dealing with the NAAFI to keep them informed on the number of members, the supply or allotment you are allowed is based on that number.

Q 9 How often or at what times is such a letter sent to the NAAFI?
A 9 I understood from the accused that it had been customary to forward letters similar to that one at the beginning of each month.

Q 10 Was such a letter forwarded to the NAAFI at the beginning of Dec 43?
A 10 No.

Q11 Was any such letter forwarded to NAAFI subsequently during that period which I have referred to?
A11 No, no letters were ever sent subsequent to that one that was cancelled.

Q12 On or about 25 Nov did you give any instructions to then Staff Sgt Dwane with regard to forwarding such letters to the NAAFI?
A12 Subsequent to receiving the order from the Comd that there would be no spirits bought or sold in the sgts mess I told S/Sgt Dwane that the letter which I had signed on the 1 Nov 43 to the Naafi would be cancelled, and that no spirits would be bought or sold in the sgts mess and he said that he would tend to it.

Q13 I show you another document, will you describe that?
A13 This is a letter to Lloyds Bank, dated 22 Nov 43 signed by myself telling the bank that S/Sgt Dwane and myself are the signing authorities, it has samples of our signatures on it.

(Letter marked Ex "2" by the court. A copy was also dealt with in the same manner as Ex "1").

Q14 I show you a NAAFI invoice dated 1 Dec 43, do you recognize this invoice?
A14 Yes, it was shown to me at the Court of Inquiry at Cdn Det Bks sometime in May 44. I had never seen it before that time, it is dated 1 Dec 43.

(Invoice is marked Ex "3" and a copy dealt with by the Court in the same manner as Ex "1")

Q15 I show you a cheque dated 6 Dec 43, is that your signature?
A15 Yes.

(Cheque marked Ex "4" and a copy dealt with in the same manner as Ex "1" by the Court)

Q16 I show you NAAFI receipt dated 10 Dec 43, do you recognize it?
A16 I recognize this as one I first saw on the Court of Inquiry at Cdn Det Bks in May 44.

(Receipt marked Ex "5" and dealt with in the same manner as Ex "1" by the Court)

Q17 I show you another NAAFI invoice dated 1 Jan 44, do you identify that?
A17 Yes, it was first shown to me at the Court of Inquiry in May 44, that was the first time that I saw it.

(NAAFI invoice marked Ex "6" and a copy dealt with in the same manner as Ex "1" by the Court)

Q18 I show you cheque dated 6 Jan 44, is that your signature on it?
A18 Yes.

(Cheque marked Ex "7" and a copy dealt with in the same manner as Ex "1" by the Court)

Q19 To the best of your knowledge what was the payment for in the case of these two cheques?
A19 To the best of my knowledge they were for supplies from the NAAFI assumed by me to be dry canteen stuff and such items as were purchased from the NAAFI.

Q20 As far as you know at present were the payments for these particular xxxxxxxx xx invoices produced as Exs "3" and "6".
A20 Yes

Q21 Did you at any time buy spirits from the accused, then S/Sgt Dwane?
A21 Yes, I bought spirits from him on three occasions to the best of my knowledge.

Q22 To the best of your knowledge what was the nature of these transactions?
A22 It was a personal transactions between S/Sgt Dwane and myself and I had no reason to believe it was otherwise.

Q23 What made you think it was a private transaction?
A23 I had know the accused for a number of years and often during our conversations he told me that his connections were very good and it was not difficult for him to get spirits. He had people in Durham for instance from whom he had often been able to get supplies of spirits and when I was at the Det Bks we had no officers mess and it was most difficult to get spirits and when I approached the accused he said it would be quite simple to get me whatever requirements I desired.

Q24 I show you cheque dated 12 Jan 44 is that your signature?
A24 Yes, it is for the sum of £19

(Cheque marked Ex "8" and a copy dealt with in the same manner as Ex "1" by the Court)

Q25 I show you cheque dated 13 Jan 44, is that yoursignature?
A25 Yes, it is for the sum of £1-10/-

(Cheque marked Ex "9" and a copy dealt with in the same manner as Ex "1" by the Court)

Q26 I show you cheque dated 15 Feb 44, is that your signature?
A26 Yes, made out to cash for the sum of £6-5/.

(Cheque marked "Ex "10" and copy dealt with in the same manner as Ex "1" by the Court)

Q27 I show you Ex "8", do you recognize the signature of the endorser?
A27 Yes, it is that of S/Sgt Dwane, Cdn Det Bks, Sgts Mess.

Q28 I show you Ex "9" do you recognize the signature of the endorser?
A28 Yes, it is"J.R.Dwane, Cdn Det Bks".

Q29 Do you recognize the signature of Ex "10"?
A29 The signature of the endorser is that of J.R Dwane, Cdn Det Bks.

CROSS EXAMINATION BY THE DEFENDING OFFICER

Q30 Who was RSM of the Cdn Det Bks and what were his duties on the 25 Nov 43?
A30 RSM Illingsworth, he was the senior member or officer in the mess and I suppose his duties were those of a senior officer. He was the channel of communications between myself and the sgts mess.

Q31 Therefore instructions which you had to issue to the mess you would issue to him and not every one else?
A31 Not in every case, when this particular order regarding sale of spirits and re-opening of the mess on the 25 Nov came out I personally gave orders to sever members of the mess and I also gave orders to RSM Illingsworth, CSM Steele and Staff Dwane, I discussed it with them immediately.

Q32 In your evidence you gave at the summary of evidence you made a statement on page 1, which I will read to you "I believe that sometime in Nov I told the accused not to send that letter and to cancel it," you say "I believe" I issued these instructions and now you say "I did issue these instructions" what is it that you mean, is your recollection more clear now at this Court Martial or that it was at the summary which was taken over a month ago?

A32 When the summary of evidence was taken I had just arrived back from France, I was called here to give evidence without the slightest warning I had not thought of it and at that time could not be sure, later I got away by myself and reconstructed the thing and thought it out and began to recall the facts and the I got the picture and the events quite clearly in my mind, I remember quite well issuing the instructions.

Q33 You discussed this matter with other people?
A33 No, I have only discussed it with one person, that officer who defended me at my GCM. This matter was again brought up at the GCM.

Q34 In the summary on page one you say "to the best of my recollection sometime in Nove on or about the 25 I gave an order to the accused to the effect that there would be no purchases or sale of spirits for the sgts mess. And now of course you are very certain that you issued these orders?
A34 The same explanation is applicable.

Q35 You say on page two of the summary, "I gave an order to RSM Illingsworth and CSM Steele, President Sgts mess" and again " to the best of my recollection it included the accused" and now again you are positive? At that time you were clear that you gave the order to the RSM and still you were not certain about the accused, why?
A36 The same explanation applies here, it was not until I got away by myself and was going over the case that I recalled what actually happened and I then knew that I included the accused and that I told him to cancel the letter and I also remembered very well telling him that there would be no spirits bought or sold in the sgts mess.

Q37 In your evidence in chief you stated that the accused was Secretary Treasurer for the period in question is it not correct that he was the Treasurer only and that someone else was Secretary?
A37 Yes that is correct, the Secretary was Sgt Steed.

Q38 When dealing with the NAAFI is it not correct that you first find out what the NAAFI can supply you and then you place your order accompanied by a cheque? that is the invoice and cheque are returned to get the goods?
A38 Yes.

Q39 In the case of Ex "3" it is dated 1 Dec, whereas Exhibit "4" is the cheque for payment is dated 6 Dec, in both cases 1943? Is it a fair assumption from those two dates that the invoice was received first and then the cheque was made out?
A39 Yes.

Q40 And the goods were afterwards delivered?
A40 Yes.

Q41 Was it your practice to insist on knowing for what cheques were made out for the sgts mess before signing them?
A41 No as far as the sgts was concerned I did not think that I had time to check them, I was a very busy man and I depended on the mess committee to carry out any regulations.

Q42 Then the answer is "no" you did not check or ask for invoices to be shown to you before signing cheques to pay for them?
A42 No.

Q43 Ex "2" was a letter requiring your signature to be one of the signatures on all cheques on behalf of the sgts mess along with S/Sgt Dwane or CSM Steele. What did you understand was the purpose of having your signature on the cheques?
A43 Well it was according to instructions contained in the regulations it lays down that an officer will be appointed by the CO as signing officer for all cheques in the unit Institutes.

Q44 Then you felt your being appointed as signing officer merely meant you to sign checks you did not have to know what they were for or anything like that?
A44 Yes for the goods of the sgts mess and regimental institutes.

Q45 What regimental institutes are there?
A45 The sgts mess.

Q46 Did you not feel that you should see the cheques and the invoices?
A46 Well ordinarly I would but I was burdened down with duties and I had no time and I depended on the sgts to take care of their own mess.

Q47 Did the accused not voluntarily produce these invoices?
A47 No he never presented any invoices or receipts with the cheques. He siad it was for supplies required for the sgts mess and I of course ~~ex~~ accepted his word for it.

Q48 Did it seem unnatural to you that bills of £52-16/-11d should be given to the sgts mess by the NAAFI, was that not a bit high?
A48 At that time there was a large membership at the sgts mess, I knew they were pruchasing dry canteen supplies from the NAAFI, it never occured to me that the cost was excessive.

Q49 You knew that were not purchasing beer from the NAAFI?
A49 Yes, I knew that they got their beer from the brewery.

Q50 You knew that they were pruchasing dry canteen goods and not beer and £52 was not excessive?
A50 Idid not think so.

Q51 You say that you know now these cheques were for large quantities of spirits?
A51 Yes, the first I knew of it was at the Court of Inquiry.

Q52 Very convenient that you did not know this in view of the fact tht you were relying on Staff Dwane to get you a supply of spirits?
A52 I did not rely on him, I asked him if he could get it, had he not been able to get it I would have endeavoured to get it from other friends.

Q53 He said he could get it and you relied on him to get it?
A53 Yes.

Q54 And at one time he got you £19 worth?
A54 Yes, 12 bottles.

Q55 A lot of spirits to get in this country at one time is it not?
A 5 Yes

Q56 You could not have gotten that amount yourself at one time?
A56 Yes I could have, I know a chap in London that could have gotten it for me, it is not normal but I had been getting it from him for the last three or four years, but instead of going to him I went to the accused was closer at hand.

Q57 Did it never occur to you that he was getting these spirits from the NAAFI?
A57 No.

Q58 I show you the original Ex "3" dated 1 Dec 43, it is related to Ex "4" which is cheque dated 6 Dec 43, as you said you signed it, what do you suppose happened to that invoice after you had signed the cheque and spirits bought?
A58 I don't know, I saw it at the Court of Inquiry.

Q59 The echque was paid out of the sgts mess and the accounts closed on the 31 Dec and an audit was taken I suppose?
A59 Yes.

Q60 You had to sign the proceedings of the audit board?
A60 Yes.

Q61 Did you not see an entry for the cheque or invoice at that time?
A61 I did not I depended on the audit board and I accepted their signatures for their responsibility. I was very busy and had I attempted to carry out all this work myself it would have been a little too much. I do not remember the names of the members of the board but they would be officers of the unit.

Q62 Would they be Lt Cawley and Lucar?
A62 They might have been, I should not be surprised.

Q63 Did neither of them mention to you that the spirits had been sold in the sgts mess?
A63 No.

Q64 Supposing they had, what action would you have taken?
A64 I should have investigated it.

Q65 What would you have done if Staff Dwane had brought you this invoice and cheque and asked you to have signed it?
A65 I should have refused to sign it and taken action immediately.

Q66 And in the case of the second invoice and cheque, Exs "6" and "7"?
A66 I would have taken the same action.

Q67 But then you would not have gotten the 12 bottles of liquor that you got?
A67 It would not have affected me to any length as it is revealed to me no I should not have received any liquor from Staff Dwane but I had not knowledge that it was being sold in the sgts mess.

Q68 In addition to these purchases you made for which you paid for by cheque did you make any other pruchases of spirits through Staff Dwane or the sgts mess?
A68 I never purchased any liquor from the sgts mess, I may have bought a bottle or two from the accused for which I paid cash, but I do remember definitely of never buying any through the mess.

Q69 How did you get or where did you get the three bottles of spirits in Jan?
A69 They were delivered to my billets to my land lady.

Q70 Was that the occasion that Jean-Louis delivered them?
A70 I did not know who brought them, I was simply told that a soldier had left them, I have found out since that Jean-Louis did bring them. The quantity was three bottles of whiskey and two bottles of Cordial. I gave a cheque to the accused for £4-5/ sometime in Feb.

Q71 How did you order this wiskey?
A71 My birthday was coming up and I wanted some liquor and I asked Staff Dwane if he could get me some, it was delivered to my residence, at the time it was delivered I was not at home and thought that the accused had dropped them there himself.

Q72 How about the 12 bottles, when did you order that?
A72 In Dec.

Q73 What do you think was the cause of the delay in delivering them as you received them sometime later?
A73 I assumed it was because he was having difficulty in getting it. However there was actually no long delay, I paid for them early in Jan 44. That was some time after I had received them.

Q73 Had it struck you that he could finance a transaction for £19.
A73 I understood that he had his own bank account.

Q 74 You notice the endorsement on the 1st and 3rd cheque you made to him, " Cdn Det Bks, Sgts Mess", did you get these cheques back at the end of the month?
A74 I never saw them again until the Court of Inquiry in May.

Q75 When you told the accused that his letter of authority which you signed on the 1 Nov 43 was cancelled did you write to the AAFI and tell them it was cancelled?
A75 I did not, I left the accused to tend to it, I was extremely busy and the Det Bks was in the process of re-organization, and I had to depend on my staff.

Q77 When you told the Prosecutor that no similar letter was written to the 1 Dec 43 you really mean that to your knowledge no similar letter was written?
A77 That is what I mean, I did not mean to be so absolutely sure that no letter was written by anybody.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

2nd WITNESS FOR THE PROSECUTION
R 6834 RSM Illingsworth, D., on strength Cdn Det Bks, having been duly sworn states:

Q78 Where were you stationed during the period 25 Nov 43 and 8 Jan 44?
A78 I was station at the Cdn Det Bks, I was the RSM there, with regard to the sgts mess I was the senior in the mess but we had a mess committee of which I was not actually a member.

Q79 During that period do you recall receiving any instructions regarding the purchase and sale of liquor in the sgts Mess?
A79 I do not remember seeing any written instructions, there were verbal instructions, I believe the OC issued them.

Q80 Were any given or issued by Capt Fern?
A80 No Sir.

Q81 Do you know Pte Dwane?
A81 Yes Sir, he used to be S/Sgt Dwane, he is the accused sitting in the Court.

Q82 What was his position in the sgts mess during the period mentioned?
A82 He was the Treasurer some of that time.

Q82 Did you buy any liquor from him?
A82 No Sir. I did ask the accused to get me a bottle of whiskey I am not sure when it was but I had asked the purchasing secretary before the accused to get me on, I paid him for it.

Q83 What did you understand to be the nature of the transaction?
A83 That Staff Swane was merely purchasing a bottle of wiskey for me as an agent, it was purely a personal transaction.

Q84 Where did you think he was getting it?
A84 I thought he was getting through his contacts that he established when he was buying for the mess.

Q85 Did you during this period inspect the sgts mess?
A85 No the bar.

Q86 Did you ever see any alcohol visible in the mess in bottles on the shelf?
A86 No Sir.

Q87 During this period was any liquor sold in the sgts mess?
A87 Not to my knowledge.

Q88 Were you in the sgts mess quite often?
A88 I had my meals in the dinning room, I often went in at noon. I seldom went in at night. We were very busy and I worked a lot of nights.

Q89 Did you ever see any liquor in the mess?
A89 No Sir.

Q90 Why was there no liquor in the sgts mess?
A90 Because an order was given that no spirits would be sold in the mess. I had been told and I passed it on to the mess committee

Q91 Did you discuss it with anyone else?
A91 No Sir.

Q92 Did any members of the sgts mess discuss with you or refer in their discussion to this particular order?
A92 No Sir I do not remember any discussion.

CROSS EXAMINATION BY THE DEFENDING OFFICER.

Q93 You purchased only one bottle of whiskey through Staff Dwane?
A93 Yes Sir. It was around Christmas sometime just before Christmas.

Q94 Where was this delivered to you?
A94 I cannot remember just where it was delivered to me now.

Q95 Did I understand you to say that you received an order from the Col regarding sale of liquor?
A95 Yes Sir.

Q96 Any order from Capt Fern?
A96 No Sir, he was present when the order was given by the Col.

Q97 You relayed it to the president of the mess committee and Staff Dwane?
A97 To the President but not Staff Dwane.

Q98 What are your responsibilities as RSM with relation to the mess?
A98 I am the senior officer of the mess, I am responsible for the discipline and conduct of the members in the mess, I do not take any actual duties as far as the mess is concerned, I do not have time and did not at the time of this matter. I never reviewed the finances of the mess. There was also a bar committee who was responsible for the running of the bar, they did the pruchasing with the approval of the CO, I believe CSM Hurrel was in charge of the bar committee at that time, S/Sgt Dwane was Treasurer he was not a member of the bar committee. I knew nothing about the purchases of the whiskey for the mess, nor of the sale of x spirits by the mess.

Q99 Where did you think Dwane got this whiskey he gave to you?
A99 I think it would be possible for him to get a bottle of whiskey when buying beer for the mess. I would have gone and gotten it except I was pretty busy and could not get away.

Q100 Were you present outside the mess when CSM Ralstrick got a bottle of whiskey through the back door of the mess?
A100 No Sir.

Q101 Was he present when you got yours?
A101 No Sir.

Q102 Where you in the mess at Christmass time and do you remember the raffle of a bottle of whiskey?
A102 I was in and out of the mess before Christmass at noon time but I do not r call the raffle of a bottle of whiskey.

Q103 Did you see the list on the outside of the bar of the names of people who had bought tickets?
A103 No Sir.

Q104 And you knew nothing about any spirits in the mess or anything like that?
A104 No Sir.

Q105 If you had known that spirits were being bought and sold in the mess what would you have done?

A105 I would have reported it.

Q106 Do you think there was any bought for the mess?
A106 I do not know about that.

Q107 Had you known that spirits were kept in the bar what would you have done?
A107 I should certainly have reported it.

Q108 And if you found that it had been bought by the mess committee and found it was kept there as stock what would you have done?
A108 I would have gone after the mess committee.

Q109 Do you take part in the deliberations of the mess committee?
A10 Some of them I attended, some I was not able to attend.

Q110 What do you know of the Christmas arrangements that were being made in your mess?
A110 Very little.

BY THE COURT

Q111 Did Capt Fern ever tell you that spirits were not to be bought or consumed by the sgts mess?
A111 No Sir.

Q112 The CO told you, did he, in the presence of Major Fern?
A112 Yes Sir.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

A116 Yes Sir, I bought one bottle of gin which I paid him for. He gave me this bottle on the public road way outside the barracks.

A
Q117 Did you every approach Sgt Bennison, mess steward or caterer in the mess for any liquor.
A117 About the middle of Oct I asked Dwane if he could get me a bottle for Christmas, at one time I asked Bennison if he knew if Dwane had a bottle for me, he said he did not know. Bennison never handed me a bottle.

Q118 Do you remember a raffle of spirits about Christmas time?
A118 There was raffles on two occasions in the mess, I cannot say what they were for, I was approached and asked if I would buy one but I was uninterested in raffles.

CROSS EXAMINATION BY THE DEFENDING OFFICER

Q119 Before 25 Nov you had at one time been Treasurer of the sgts mess?
A119 Yes Sir.

Q120 At that time was the mess buying and selling spirits?
A120 Yes Sir.

Q121 You ceased to be treasure when?
A121 About 21 Aug 43 and held no office until 17 Jan 44.

Q122 When you bought these spirits from Dwane I understand you went to him and asked if he could get a bottle for you?
A122 Yes Sir.

Q123 Where was he when you asked him, was he in the accounts office?
A123 I donot remember exactly.

Q124 Do you remember speaking to him about spirits in his accounts office?
A124 No Sir.

Q125 Where did you pay him?
A125 In the public highway.

Q126 When was that?
A127 When he gave me the bottle. It was around Christmas, I believe the day before.

Q128 I understand you you received a bottle of spirits by the hand of Bennison, is that correct?
A128 That is correct.

Q129 Do you remenberan occasion shortly before Christmas speaking to the accused outside the door of the mess and asking him for a bottle of spirits?
A129 I do not remember the occasion, it is quite possible that I asked him if he had it.

Q130 Do you remember what going with RSM Illingsworth when a bottle of spirits was delivered to you ~~xxxxxxx~~ or him by Bennison outside the mess?
A130 No Sir, it was not delivered to me personally and the RSM met me a little later just as we were going out. And that was the only bottle I got. I cannot say just what time of the day it was.

Q131 But you are clear as to whatday and where it was handed to you?
A131 Yes.

Q132 You do not remember the time, you do remember the place, the day, you, I suppose remember the price, but you do not remember where you ordered it?
A132 No Sir, I saw him on so many occasions, I asked him on one of them It might have been in his accounts office. I do not know what he kept in his accounts office.

Q133 Do you know whether he kept a list there and do you remember going in and asking him to put your name on it?
A133 No Sir.

Q134 Do you remember going into his office and paying him there?
A134 No Sir.

Q135 Where did you understand he got the liquor?
A135 I understood he got it from a private dealer.

Q136 He did not tell you then?
A136 No, the bottle he got me was a private dealer, it was not NAAFI, it was Saegers, and I do not believe the NAAFI handle Saegers Gin.

Q137 Do you know anything about liquor being sold in the mess, or through the Mess?
A137 No Sir.

Q 138 Why did you ask the accused to get you some liquor?
A138 He had been the buyer for the mess and was still buying beer and I thought he may have made contacts where he could get it.

Q139 Why did you ask Bennison if Dwane had gotten it for you?
A139 Bennison usually accompanied Dwane on his trips and I thought he would know if the accused had got it.

Q140 You did not think S/t Bennison would have it for you in the bar?
A140 No Sir.

Q141 Did you ever go into the bar during that period?
A141 Yes Sir.

Q142 Did you ever see any spirits there?
A142 No Sir.

Q143 You were asked to buy a ticket on a raffle?
A143 Yes Sir, someone came to me and asked me if I wanted to buy a ticket, we usually had raffles for chickens and other things around Christmas, I was not much interested and I bought two tickets more to get rid of the person that was selling them than anything, I do not know what the raffles were for. I did not know that they were for two bottles of whiskey.

Q144 Did you see a list of persons who bought tickets hanging up outside the bar?
A144 No Sir.

Q145 Were you in the mess very often, at meals etc?
A145 Yes Sir, but it was very rare that I drank in the mess.

Q146 While you were president did you know what was going on in the mess?
A146 I thought I did.

Q147 Had you known that spirits were being sold what would you have done?
A147 I would have called a special meeting and had it stopped.

Q148 Did you know that officers and sgts were getting spirits from Staff Dwane?
A148 I considered it was quite possible that they were getting it the same way as I had gotten mine, as a private deal. And as long as it was a private deal it had nothing to do with the mess.

BY THE COURT

Q149 What was the price of a bottle of spirits?
A149 35 Shillings.

Q150 How many members were there in the mess?
A150 About 100 to 110.

Q151 Outside of whiskey and beer what would the usual NAAFI bill come to each month?
A151 A very difficult question, there was only about one month after Nov that we bought anything from the NAAFI, a few things such as cigarettes, choclates etc.

Q152 Would it run to £50 a month?
A152 No Sir.

In the opinion of the Court it is unnecessary to comply with RP 83(3)

4th WITNESS FOR THE PROSECUTION
Capt W.A. CLARK, RCAPC, on strength No 1 CGRU, having been duly sworn states:

Q153 Where were you stationed during the period 25 Nov 43 to 18 Feb 44?
A153 I was at Cdn Det Bks.

Q154 Do you know Pte, then S/Sgt Dwane?
A154 Yes he is there (pointing at the accused)

Q155 Would you tell the court your relations or dealings with him during that period?
A155 I bought two bottles of gin during the first week in Dec, which I had the accused get for me, I paid him in cash for it.

CROSS EXAMINATION BY THE DEFENDING OFFICER

Q156 What led you to go to the accused?
A156 I had heard that he had contacts and could quite easily get liquor so I asked him if he could get me so, I do not know where he got it. I have no reason for believing that he would be more likely to be able to get me some than I would have been except that I had heard that he had contacts. I went to him and asked him if he could get me some and he said he thought so he delivered it to me in my house. I never received any liquor from him or anyone else in the sgts mess.

Q157 Did you know that these spirits were bought through the Sgts mess?
A157 No.

Q158 You did not know where he was going to get this spirits, you don't know why he would be more likely to get them than yourself, you don't quite think they came from the sgts mess, but you thought that he had some mysterious sourse where he could procure them so you asked him to buy you some?
A158 I do not think it a mysterious source. I do not know whether he got liquor for other people or not, he got me a bottle and I did not interest myself in him further.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

5th WITNESS FOR THE PROSECUTION
D 105754 Pte JEAN-LOUIS, on strength Cdn Det Bks having been duly sworn states:

Q159 During the period 25 Nov/and 18 Feb 44 where were you stationed?
A159 At Cdn Det Bks. I was a driver there.

Q160 Do you know Pte Dwane?
A160 Yes Sir, he is sitting there, he was then S/Sgt Dwane. (points to the accused)

Q161 Tell the Court about any driving you did for the accused in the period we have referred to above.
A161 He told me to go to McEwen and Youngers, Aldershot and pick up a parcel, I did this and delivered it to Capt who was then Major Fern, I do not remember the date but it was after Christmas some time. I saw what the parcel contained it was bottles of spirits. I gave it to Major Fern's land lady I was given the bill for it which I gave to S/Sgt Dwane.

CROSS EXAMINATION BY THE DEFENDING OFFICER

Q162 Did I understand you to say you got a bill?
A162 Yes Sir.

Q163 What was it for?
A163 I do not know, I did not look at it, I do not know to whom it was addressed or what it was for, but I thought it was for the

whiskey and I gave it to S/Sgt Dwane.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

6th WITNESS FOR THE PROSECUTION

A 34002 CSM HURREL, P, Cdn Prov Corps, on strength 1 CGRU, having been duly sworn states:

Q164 During the period between 25 Nov 43 and 18 Feb 44 where were you stationed?
A164 I was at Cdn Det Bks.

Q165 What was your position with regard to the sgts mess? And what do you know about the case that we are trying today?
A165 I was chairman of the Bar Committee. Occasionally I inspected the bar, as a matter of fact I did about every day go into it and have a look around. Around Christmas there was some liquor there, two bottles that were raffled off. Pte, then S/Sgt Dwane, the accused, who is there, was running the raffle. I did not buy any liquor from him during that period. While I was chairman it was given out at the mess meeting that the purchases of liquor would be made only with the consent of the CO, it was not to be sold by the glass, there was no prohibition of buying it and selling it by the bottle that I knew of. The only orders we had were that there would be no whiskey sold by the glass. The purchases were for the Christmas season.
Q166 Who gave you those orders?
A166 RSM Illingsworth.

CROSS EXAMINATION BY THE DEFENDING OFFICER

Q167 In addition to the two bottles of spirits which you mention as having seen before Christmas did you see any cartons of spirits in the bar?
A167 No Sir.

Q168 I understand you to say that it was given out at a general mess meeting that spirits were to be purchased for Christmas?
A168 Yes Sir.

Q169 When was that mess meeting held?
A169 It was the Nov meeting, that would be the second Tues in Nov.

Q170 What was done about it in Dec? Were the spirits in fact bought?
A170 Yes Sir. I knew about them being bought and I was chairman of the barcommittee.

Q171 Did the mess committee know about it?
A171 No Sir.

Q172 How did that happen?
A172 It was kept somewhere else.

Q173 Who was in the chair at the time of the meeting?
A173 CSM Steele I believe, and the RSM was there.

Q174 Tell us about the raffle?
A174 I think it was arranged between the bar tender and Dwane. There was a sheet put up in the bar room where everybody could see it, it had all the names of the people with tickets on it. The bottles were raffled separately, the first one for 45 shillings, and just as it went CSM Steele came in and said that was too much and took off ten shillings from the price of the next one.

Q175 Did the President or anyone tell you that spirits were not to be sold in the Mess?
A175 No Sir. At the meeting of the mess [redacted] it was decided that the spirits would be bought and the permission of the CO asked for to sell them by the glass otherwise they would be sold by the bottle to the people who had bought the most beer.

Q176 Had the mess been closed up before this?
A176 It had been closed on a couple of occasions, then it was re-opened and we were told that we could not sell spirits by the glass, it was after this that we made the decision to buy the spirits and sell them at Christmas if we could not obtain the OC's permission to sell it by the glass in the mess. I do not know what happened to all the whiskey that was bought but none was sold by the glass.

Q177 How about the other sales of spirits to officers and members, do you know anything about that?
A 177 No Sir.

Q178 Did you consider the sale of these spirits or raffle of them contravention of the orders you received regarding the mess?
A178 No Sir.

Q179 Did you hear of other sales by the bottle?
A179 Yes Sir, but I did not pay any attention to who bought them.

Q180 How many bottles did you plan to buy at the meeting?
A180 The ration which would mean as much as they could get through the NAAFI and wherever else we could get it.

Q181 Was this to be done again at New Years?
A181 No Sir.

Q182 Do you know where the RSM was while the raffle was going on?
A182 No Sir.

Q183 But CSM Steele was there, did he forbid the raffle or handling of spirits in the mess in any way?
A183 No Sir, except to say that we could not sell or raffle the second bottle for as much as the first one.

Q184 Where was the beer stock kept?
A184 I cannot say, I enquired once and was told that it had not come in.

BY THE COURT

Q185 What happened to all of this spirits which were bought from the NAAFI as a result of your meeting in Nov?
A185 We sold them and closed up.

Q186 Did you hear of any instructions from the CO on the 25 Nov, that would be after your mess meeting?
A186 No Sir. The only instructions I got were from the RSM that spirits would not be sold by the glass in the mess, we had asked the RSM to see the Col for us and he gave me this final word after the meeting.

Q187 Did the members of the mess ever object to not having any spirits for sale?
A187 Yes Sir and the RSM said he would see the OC, the RSM then told us that the OC would not allow the sale of spirits by the glass.

Q188 Where did you understand these two bottles that were raffled to come from?
A188 From the NAAFI.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

3rd WITNESS FOR THE PROSECUTION - CSM Raistrick, recalled by the Court and questioned: (by the Court)

Q189 Will you examine Exs "3" and "4" and tell us how many bottles of whiskey and gin were bought by the mess?
A189 30 bottles of whiskey and 12 bottles of gin in Dec, and 25 bottles of whiskey and 12 bottles of gin in Jan 44.

Q190 Were you the president of the mess from 17 Jan until the mess was closed in Mar 44 and did you ascertain whether the mess received the proceeds of the sale of liquor bought by it?
A190 I was the president, I did not know that this liquor had been bought. I think the first query on the balance sheet was the first one after I had taken over.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

7th WITNESS FOR THE PROSECUTION
G 30146 Sgt BENISON, J., on strength Cdn Det Bks, having been duly sworn states:

Q191 During the period 25 Nov 43 and 18 Feb 44 where were you stationed?
A191 At Cdn Det Bks.

Q192 What was your position regarding the sgts mess?
A192 I was bar tender.

Q193 Did you make purchases for the sgts mess?
A193 Yes sir.

Q194 What did you purchase during that period?
A194 Mostly beer.

Q195 Did you purchase any liquor for the sgts mess?
A195 Yes Sir. On the instructions of S/Sgt Dwane.

Q196 Do you personally know Pte, then S/Sgt Dwane?
A196 Yes Sir, I see him here, he is the accused?

Q197 How much liquor did you personally buy for the mess?
A197 I got three bottles from the Bordon NAAFI, and seven from Aldershot, McEwen and Younger.
Q198 With regard to the seven bottles whose authority did you buy them on?
A198 The accused's authority. I got the invoices and handed them to the accused.

Q199 I show you a NAAFI invoice, is that one of them?
A199 Yes Sir, it is dated 3 Jan 44, and for two bottles of whiskey and one gin.

(invoice marked Ex 11 and dealt with in the same manner as Ex 1 by the Court)

Q200 I show you a cheque dated 3 Feb 44, do you recognize this cheque?
A200 Yes Sir, I got it from Staff Dwane, but it was left blank, I was told to see if I could purchase some liquor and to fill in the amount to pay for all I could get. I did not fill it in, S/Sgt McLean was with me and I had forgotten my glasses, so he filled it in for the amount we required.

(Cheque marked Ex 12 and dealt with in the same manner as Ex 1 by the Court)

Q201 And upon payment did you get a receipt and is this it?
A201 Yes Sir, that is the receipt.

(Receipt marked Ex 13 and dealt with in the same manner as Ex 1 by the Court)

Q202 While you were sgts mess caterer did you see any shipments of spirits arrive at the door of the sgts mess?
A202 Yes Sir, five cartons, 12 bottles in each carton. Some of them were put into the bar, some on the floor, three bottles were put and kept in the little cupboard, some put down in the store room, Staff Dwane handled these shipments, I helped, I handled five bottles myself.

Q203 What do you know of a raffle at Christmas time?
A203 The accused said he had paid 32 shillings for taxi fares, I suggested we raffle a couple of bottles off and pay for the taxi with the proceeds. We got £2-6/ for the first bottle but CSM Steele came in and stopped us the next bottle at 35/. We also raffled a third bottle for 35/. I handed the money from the raffle to S/Sgt Dwane.

Q204 Did you keep any stock acounts of this liquor?
A204 No Sir.

Q205 Did you go purchasing liquor in Jan?
A205 I went on Staff Dwane's instructions to McEwen and Younger in Aldershot to enquire for our assignment for the month, I was told that we had already drawn our ration, that it had been picked up Jean-Louis, the account showed that it had been sold to the Sgts Mess, Cdn Det Bks.

Q206 Did CSM Raistrick every approach you regarding liquor?
A206 Yes Sir, he came to the bar and said it would be alright if I gave him a bottle in the mess, I cannot remember the date, but it was about Christmas time, I said to him I was not handling it but if he got a note I would give it to him. He got a note from S/Sgt Dwane, actually it was Dwane's signature on an envelope and I gave him a bottle of whiskey.

Q207 What were the instructions regarding the sale of spirits?
A207 I understood that spirits would not be sold by the glass. I saw no written instructions, but I had verbal orders from the RSM that no liquor would be sold by the glass, he told me they were the Comd's orders. The chairman of the bar committe also told me that we could only sell spirits by the bottle. I bought a bottle myself a few days before Christmas for which I paid 30/. The only time I ever discussed spirits with the accused was when I told him I did not want to bother with it, we planned that he would take care of the spirits and I would look after the beer. I do not know who ordered the spirits for the mess unless it was Staff Dwane, it is possible that it was someone else.

CROSS EXAMINATION

Q208 Did the chairman of the bar committee know of this liquor?
A208 Yes Sir.

Q209 Did the mess president?
A209 Yes Sir he knew.

Q210 Did the RSM?
A210 Yes Sir.

Q211 What instructions did you receive from the RSM, CSM Steele or CSM Hurrel regarding the sale of liquor in the bar?
A211 None whatever Sir.

Q212 You said you did not keep track of the stock, was there a stock book kept and who by?
A212 There was one kept but I never knew it to be filled in, I never put an entry in it, I do not know whether the spirits were entered in it or not.

Q214 Who did you turn the money for the spirits over to?
A214 I turned all the money I received over to S/Sgt Dwane including the beer receipts.

Q223 Did you ever see any liquor in the sgts mess?
A223 No Sir.

CROSS EXAMINATION BY THE DEFENDING OFFICER

CASE FOR THE PROSECUTION IS CLOSED

SUBMISSION BY THE DEFENDING OFFICER: D-4

Sir

I submit that the charges against Pte Dwane be dismissed I cannot go into a number of points that I would raise at the conclusion of the trial but the substance of my motion is: In the first place it is apparent from the evidence of the CSM Hurrel who was chairman of the bar committee that what was done was done with the knowledge of himself in so far as the purchase of liquor is concerned and the sale of those spirits. It was his understanding that it was being done by the authority of the mess and therefore the responsibility for what was done was that of the RSM and the president of the mess. That is borne out by the evidence of Sgt Bennison who was the caterer or the bar tender. The accused was the treasurer of the mess and any responsibility of transactions would not be on his shoulders but on those of the various committees who sanctioned any purchases. There is no evidence that the spirits have been sold for the sgts mess so if the Court cannot dismiss the first charge then I ask that it at least dismiss the second charge, that of the sale of spirits. The evidence of Capt Fern is that he issued an order that no spirits would be sold in the mess, I ask the Court to treat that

with little credibility. I point out that Cap Fern's evidence shows that he signed cheques, the very cheques which are recorded by this Court to substantiate the first charge, that is for the purchasing of spirits for the mess. And also that he bought spirits which the Prosecution alleges were the spirits in question which were bought for the mess and sold for the mess. It is submitted on the evidence before the Court that that could not have been done corners and therefore if these acts which are complained of were in contravention of an order issued by him that contravention was allowed or excused by his conduct.

REPLY BY THE PROSECUTOR

Sir,

In answer to the submission I need only say in order to succeed in his attempt to have the case dismissed it is necessary for the Court to feel that no prima facie case has been made out against the accused in regard to the charges against him. I maintain there is more than sufficient evidence before the Court to establish a prima facie case and to cause the accused to give evidence to answer to the charges thus far proved against him. It is proved that he was told not to buy or sell spirits for the mess, in the mess, and it has been said by eight witnesses that he did buy and sell spirits. He obviously sold them in contravention to the order that was issued and therefore is guilty. As for the second charge the order is the same that no spirits would be sold, from Capt Fern who says he told the accused of this order. I have proved that S/Sgt Dwane, the accused did sell bottles of whiskey after that order was issued. I think there is sufficient evidence before the Court to make a case and I ask the Court not to entertain the application made by the Defending Officer.

COURT IS CLOSED TO CONSIDER THE SUBMISSION

COURT IS RE-OPENED AND THE PRESIDENT ANNOUNCES THAT THE SUBMISSION HAS BEEN DIS-ALLOWED

EVIDENCE FOR THE DEFENCE Note D-6

1st WITNESS FOR THE DEFENCE

The Accused (D 71212 Pte DWANE, J.R.) C Pro C, on strength No 1 CGRU, having been duly sworn states:

Q225 Where were you stationed between 25 Nov 43 and 18 Feb 44?
A225 I was on strength Cdn Det Bks, I was accounts NCO and chief clerk. I was Treasurer of the Sgts mess from 14 Oct 43 until 17 Feb 44.

Q226 What orders did you receive from Capt, then Major Fern relating to the sale of spirits in the sgts mess?
A226 I was not given any orders by Capt Fern ~~xxx~~ either verbal or written regarding the sale of spirits in the mess.

Q227 Did you receive any other orders from anyone regarding spirits?
A227 No Specific orders or instructions regarding the purchase of sale.

Q228 I show you Ex 1, will you tell the Court how that came to be signed?
A228 This is a letter dated Nov 1st, 1943. Sometime previous to the making up of this order it had been decided that spirits would be purchased for the sgts mess to be sold by the glass with the Comd's permission or by the bottle if permission was not granted. But owing to our entitlements being changed our names were not on the list of the NAAFI at Esther, Surrey, and we wished them to send us our requisition and we were giving them our strength, ie. of our mess. Major Fern signed the letter and I forwarded it to the NAAFI. I received no instructions from Capt Fern after the letter was forwarded. It was mailed the same day

that he signed it. I had heard just previous to this that the sale of spirits by the glass in the mess had been forbidden by the Comd, it was as far as I know a verbal order, and we had asked the RSM to try and regain the lost privilege and it was still in the balance. I was never given any definite instructions from Col Shanklin relating to the management of the mess.

Q229 Did the RSM give you any instructions that he had received from the Comd?
A229 No. I only saw the RSM at the committee meeting where we decided to purchase spirits for Christmas that were to be sold by the bottle, and we had asked him to try and get us permission to sell it by the glass.

Q230 How did the mess know it would not be sold by the glass?
A230 The mess at that time was still working on the principle that spirits would not be sold by the glass.

Q231 What was the decision of the mess regarding the purchase and the sale of spirits in Nov or Dec of 43?
A231 There was a full vote taken and it was fully decided that the order management had the authority to purchase spirits for the mess and funds were made available for these purchases.

Q232 Tell us about this entitlement?
A232 Under the ration scheme it is based on so many members of the mess so much whiskey and gin each month, the NAAFI are informed of the number of members of the mess and they make up invoices showing you how much you are entitled to and forward this to you and you attach your chacque to it and send it back to NAAFI for shipment.

Q233 I show you Ex 3 and Ex 4, will you tell the Court how you come receive that invoice?
A233 That invoice was addressed to the president of the Mess and was handed to me from the RSM's office. I brought the matter to the attention of the president of the mess, CSM Steele and I believe I handed it to him and he returned it to me to bring up with more accounts to be signed. I made out the cheque and presented it to Major Fern, there was some other accounts, one to McEwen and Younger and someone else. The invoice for the NAAFI for the previous month and also for this entitlement. The cheques were signed without question and sent off, they included this one for the invoice from the NAAFI which was attached and handed to him, the invoice was with the accounts and right before him.

Q234 What was intended to be done with the spirits?
A234 They were intended to be sold by the bottle to the members of the mess.

Q235 What relation had that transaction with the meeting of the mess that has been described?
A235 This was the completion of the will of the mess.

Q236 What was the date of this meeting you have referred to?
A236 Sometime between the 11 Nov and the 25 Nov 43.

Q237 Then I take it the spirits were delivered, where were they put?
A237 The stock was to be in the sgts mess and with the aid of the mess steward a large part of it was put below surface and the gin was left on the surface to be sold. The stock was clearly marked in cartons.

Q238 How was it disposed of?
A238 It was sold to members of the mess and those who wanted it immediately, in order to see that everyone had a fair share of it I took control of it and took anyone's name that wanted a bottle and put his name on a pad that was kept in the accounts office. I kept two lists, one with those who had taken theirs and had paid me and those that wanted some but had not taken it.

I kept the money for it in the safe in the accounts office and finally credited it with the account of the sgts mess. There was a profit on the whole transaction. It was understood that the officers on strength, not having a mess would be allowed to have a supply and some of them took what was available.

Q239 How were these purchases arranged?
A239 The members usually bought by cash and they would be given a bottle over the bar and the entry made in the cash book. When purchased by check that was deposited in the sgts mess account some of the stock was delivered at the bar, some handed to people other places. In the case of CSM Raistrick, he came into the accounts office and asked me to keep him a bottle of gin it was handed to him by the bar steward.

Q240 How about the transaction in Jan?
A240 That was still another purchase.

Q241 I show you exhibits 7 & 6, how was the amount there determined?
A241 To clarify the whole case. We are always 30 days in arrears and at the NAAFI we trade with regularly, however we were able to get this added stock and I put it up to the mess and was authorized to get it, so I made out a check and thus we were able to get the spirits before the holiday season was over. It was a special meeting of the bar committee and mess committe.

Q242 What was Major Fern told about that cheque?
A242 I don't recall him asking but if he did question it he was told that it was for our entitlement of spirits for the holiday season.

Q243 Was there anything done about the other transactions which came out in the evidence regarding the Bordon NAAFI?
A243 No Sir. We have spent several hundred pounds there and if the manager has any supply of liquor left over he lets us know and we pick it up, that is the reason for the cheque being left blank, we were often able to get a few extra bottles.

Q244 What exeplanation did you give Capt Fer when you asked him to asked him to sign a cheque leaving the amount blank?
A244 I explained that we did not know the amount we could purchase at the NAAFI, and told him that whoever went in to purchase it would fill in the amount required. I told him it was for any entitlement that we could get at the NAAFI.

Q245 What else did you buy at the NAAFI except spirits?
A245 Ocasionally a few cigarettes, but not very often we don't like them and have a very little demand for them.

Q246 What would be your bill excluding spirits for a month from the NAAFI?
A246 About £13 for cigarettes, choclates and other odds and ends, such as dry canteen items.

Q247 Can you tell the Court what knowledge the RSM had of these spirits transactions in the sgts mess?
A247 He was present in the mess as chairman or senior member when these items were discussed by the mess as a whole, he was later present when the board of management of the mess met to discuss it and he in turn was to act between the board of management and the Col for the permission to have spirits sold in the glass again instead of by the bottle.

Q248 How about CSM Steele?
A248 He was called away when the stock was being purchased, however he was one of the members that bought some for Christmas and he knew it was bought through the mess.

Q248 Regarding the issue of the order by Capt Fern can you tell the Court whether you were present with RSM Illingsworth, CSM Steele when Capt Fer issued any instructions regarding the sale of spirits in the mess?

A 248 No Sir. I heard no such order.

Q249 Were any orders issued to you at any other time by Capt Fern regarding the purchase or sale of spirits in the mess?
A249 No Sir.

Q250 Was there an audit that month?
A250 Yes Sir, there was two auditms in Nov. All accounts and account books were available and were examined by the unit audit board and signed by them before being passed to the PMI.

Q251 What were they shown along with the statements?
A251 The stock was available in the accounts office and the cash book from the bar and the order book which was endorsed.

Q252 What was ~~kkm~~ done about invoices at the audit?
A252 They were ~~xp~~ passed as called for and checked off against the statement and passed on as having been examined, all invoices whether paid or not.

Q253 How about Ex 3?
A253 It was available and examined by the unit audit board, and also exhibit 6.

Q254 I show you a document, what is it?
A254 It is the stock book for the sgts mess, Cdn Det Bks. Here are the accounts for the months of Dec 43 and Jan 44 (Witness shows the Court the purchases from the NAAFI for the spirits represented by the invoices Exhibits 3 and 6, stock book of sgts mess Cdn Det Bks marked Exh 14 by the Court)

Q255 Who made the entries in this book?
A255 I did.

Q256 What if any remarks were made to you by the president or members of the audit board regarding these transactions of spirits?
A256 There was no observations made by the audit board to me. They knew that spirts were sold in the mess they had bought whiskey there.

Defending Officer stated that the members of the audit board for the months of Dec and Jan were not now available, as he had been given to understand.

Q257 With reference to you r subsequent history after you ceased to be treasurer of the sgts mess?
A257 I ceased to be treasurer about the 17 Feb 44 and was posted to No 6 Coy in London and then re-posted to Manchester Det and remainded there until 24 Jun 44 when I returned to 1 CGHU as a pte as I was up until that time acting sgt and Staff.

CROSS EXAMINATION BY THE PROSECUTOR

Q258 Did you between the 15 Nov 43 and 18 Feb purchase spirits for the sgts mess?
A258 Yes Sir.

Q259 Did you during the same period sell spirits for the sgts mess?
A259 Yes Sir.

Q260 I sh~~o~~ you three cheques exhibits 8,9,10, were they payments for liquor belonging to the sgts mess?
A260 Yes Sir.

Q261 Did you deposit them personally?
A261 No Sir. They were signed and handed to the Mess Committee and deposited with the remainder of the funds.

Q262 When you took ex 4 into Capt Fer to be signed you say you brought it at the same time the invoice ex 3?
A262 Yes Sir.

Q263 And were there other cheques and invoices brought in at the same time?
A263 Yes Sir.

Q264 And Cheques in one bundle and invoices and bills in another?
A264 I brought them all together, the cheques separate and the invoices separate, they were not pinned together, I presented them all to Capt Fern for signature.

Q265 Do you know for a fact that he checked the invoices against the cheques as he signed them?
A265 He should have, and had the opportunity, they were all there. I was responsible to get the cheques and bills prepared which I did and placed them on his desk, I know that they were all there as there would be a corresponding cheque for each bill or invoice.

Q266 Was Ex 6 brought in with the cheque ex 7 to Capt Fern together?
A266 Yes Sir.

Q267 Were other invoices and cheques brought in at the same time?
A267 Yes, the cheques were on top of the pile of invoices. I do not know whether the saw the invoices but they were there for his check.

Q268 Was there any resolution during this period in the minutes of the sgts mess or decision that spirits should be sold by the bottle?
A268 Yes there there was a decision come to and voted on by the mess. This was carried out at a meeting subsequent to the 11 Nov and one before the 25 Nov 43. However the minutes of the meetings were not properly kept a fact that had become apparent at the Court of Inquiry.

Q269 In that case why did you not still sell over the bar?
A269 I sold several bottles over the bar. I had the spirits in plain sight of anyone that took the trouble to look.

Q270 Did anybody else order spirits during the period under review?
A270 The NAAFI entitlement was signed for by the President of the mess, I made out the cheques.

Q271 Did you handle the money obtained from the sale of the liquor in the sgts mess?
A271 I handled all the moneys for everything sold by the sgts mess.

Q272 Did you, during this period, lead people to believe that you had personal contacts where you could procure liquor for them?
A272 I told anyone wanting liquor that they were buying from the sgts mess. And some of the members that purchased bottles of liquor knew where it had come from.

BY THE COURT

Q273 Did Capt Fern every tell you to cancel Ex 1?
A273 No Sir, I was never told by Capt Fern to cancel it or by anyone else to cancel it. After it was signed it was put into the mail and nothing more was brought up about it.

Q274 Did he ever say in words to you that there would be no more buying or selling of spirits in the sgts mess?
A274 No Sir.

Q275 How did he ask you for the 12 bottles of whiskey?
A275 He asked me if any stock was available, I told him there was and he asked if it could be left at his billet. I did not discuss with him where it was coming from, as the officers had no mess it was customary for them to buy spirits from the sgts mess.
In the opinion of the Court it is unnecessary to comply with AP 83(E)
CASE FOR THE DEFENCE IS CLOSED

PROSECUTOR ADDRESSES THE COURT ON THE FINDING:

Sir

As I pointed out to the Court previously I am not here to make an investigation. during the long period at 1 Cdn Det Bks. We are faced with certain charges and as far as the Prosecution is concerned it is merely facts that have been produced that I have to rely on. Under Sec 40 he is charged with receiving a certain order regarding the purchase of liquor and the sale of liquor or spirits in the sgts mess, for the sgts mess, and he acted contrary to that order. He purchased and sold spirits and if I have proved to the satisfaction of the Court that he did this then you must find him guilty.

Now the facts ~~xx~~ are these. So far as the order which is one of the keys to the whole question is concerned we have positive statements of Capt Fern that at that time he was a major and PRI of the sgts mess and had received certain orders from Col Shanklin and passed these orders on to the mess committee and to the accused. There is no question here whether it should have been by the glass or by the bottle, under the counter or over the counter. It is a complete prohibition, the comple lack of spirits by anybody in the sgts mess, and the sale or purchase of spirits for the mess. We have first of all Ex 1 the letter signed to the NAAFI mentioning the number of members of the sgts'mess and on the basis of that letter the NAAFI allocate certain amounts of liquor or spirits, this letter is dated 1 Nov 43 signed by Major Fern, subsequently no more letters were written or sent. Major Fern gave orders for the cancellation of that letter and was told by the accused that it would be tended to and depended upon the accused to have it done. I am not here to say that one person is to be blamed more than another, that is for the Court to decide, but taken everything into consideration I feel that the Court should come to the conclusion that Capt Fern had in fact cancelled that letter and that nothing of its kind was ever sent out after 1 Nov 43 as there was a definite prohibition as to the sale of liquor in the sgts mess.

We have certain invoices which involved the purchase of spirits by the sgts mess, we have the cheques which are in payment for the spirits mentioned in the invoices, all these cheques were thrown into the PRI's basket to be signed and he had too much work to spend all day sorting and comparing and checking those invoices and cheques, he had a staff that was responsible for that sort of work. We have a cheque with Major Fern's name on it a personnal cheque, however he signed that in payment for some spirits which he was under the impressio had been bought privately for him.

Then we have the evidence of the RSM, the senior officer inthe sgts mess who tells us that if he had known that thesgts mess was buying or selling liquor he would have reported the matter, he is aware of the order that there should be no liquor in the sgts mess. To me the question of whether it was sold by the bottle or by the glass does not come into the picture, and the RSM is of the same opinion, he would have had it stopped whether it was by the glass or the bottle. RSM says he bought a bottle from the accused and belives it was a personal transaction, he believes he was not buying stock belonging to the sgts mess. Capt Clark also bought spirits and he too believes it was a personal transaction, here are two people that believe Dwane had special personal contacts, perhaps it was because he had been working in the mess and had been buying for them that gave these people that impression. CSM Raistrich also bought spirits and he says it was a personal transaction and received his bottle off the premises. You will notice that all the members of the mess are anxious to point that any transaction was off the presises and was a personal transaction between them and the

accused. Everyone make it clear that he did not know it was liquor that belonged to the sgts mess, and some, those in authority have stressed that had they known the matter would immediately have been reported. I must remind the Court that even if other members of the mess were not convicted in this matter there is only one man on trial today, the accused is on trial and the accused alone charged with a contravention of orders issued to him by Major Fern. It is obvious from the evidence of all the witnesses for the Prosecution that there was liquor around and in the mess, and in a couple of cases that at least three bottles were mess property, those that were raffled at Christmasstime, those three bottles alone if there had been no more was a contravention of the orders received by the accused and that would consitute grounds for these charges. The accused sent Jean-Louis to Aldershot and collected some spirits that were delivered to the home of Major Fern, these spirits were bought in the name of the sgts mess, 1 Cdn Det Bks and charged to that account. With this evidence before the Court I leave the decision to you, I feel that the Prosecution has produced sufficient evidence to find him guilty on both charges.

DEFENDING OFFICER ADDRESSES THE COURT ON THE FINDING:

Sir,

The charges against the accused relate to the purchase and sale of spirits after being warned by Capt Fern not to do so. The evidence of Capt Fern tells us that he knows he warned the accused, on crossexamination it was made plain that less than a month ago he was not positive that he warned the accused. I suggest that his conviction arises from evidence stated and discussion with others since he gave his evidence at the summary. I would like to draw attention to two or three slight mistakes in the evidence as outlined by the Prosecutor in his address. With relation to the letter of 1 Nov, the Prosecutor states that Major Fern's evidence was that no more letters were sent but actually Major Fern said that no more letters were signed by him or to his knowledge. Also the Prosecutor suggested that Capt Fern said that the letter was cancelled and not sent out, actually he said he told the accused to cancel it, but he did not write a cancelling letter or take any effective steps to have a letter cancelled that had been mailed 25 days. Now it is significant that Capt Fern never warned anyone of the order, the RSM says he heard this order from the CO who told several members of the mess at the same time, but no one corroborates Capt Fern's statement that it was he that told them of this order or of any order. The Prosecutor next referr d to the evidence of the RSM and said that the RSM was unaware of the transactions, and that if he had known he would have reported them. It is true that he had xxxxxx no knowledge of them, it is also true that all witnesses are anxious to deny any knowledge of anything to do with this case, but CSM Hurrel and Bennison said that the RSM did know of these xxxxxxxxxxxxxx incidents and there is no evidence that he reported anything. On that point the RSM has talked himself out of the Court. Now what are the facts of this case? The case as we see it took place between 25 Nov and 18 Feb, the accused bought and sold spirits for the mess, that in itself is not enought to convict, the Prosecution must convince the Court that he received the order that he must not do so. On the evidence which the Prosecution relies we have the evidence of SM Hurrel, Steele and Sgt Bennison and S/Sgt McArthie to the fact that it was announced in the mess by the RSM that liquor could not be sold by the glass, but it was decided in some way that liquor could be sold by the bottle, that is endorsed by the evidence of the accus d who understood the xxx same. What order then was he contravening? Only if the Court believes that Capt Fern

personally warned the accused, can they find that he acted contrary to the order because the only other evidence, apart from that of Capt Fern is that of the RSM and CSM Raistrich who bought bottles os spirits from the accused. I submit that the Court cannot believe that these transactions, large transactions involving over 80 bottles of spirits could have occured in the under hand fashion that the Prosecution suggests. And if, as SM Hurrel and Sgt Bennison and McArthie state that sales made were common knowledge and that this liquor was for sale in the mess what are we to believe. Are we to believe that the whole mess were involved in a huge conspiracy. In that case it would appear more logical than what I've heard about certain people who were in and out of the mess every day and yet didn't know that whiskey was being sold. In that case must we prosecute the whole mess? or are we to believe that the sale of liquor in the fashion in which it did take place was not prohibited.

It is true, as the Prosecutor said, a number of times that a number of witnesses were anxious to point out that they did not see liquor in the mess and they add that had they done so they would have stopped it, and that any transactions they had were private transactions between themselves and the accused. All these people have gone free and the accused prosecuted, there has been no evidence that these people know that the transactions were private, no one offered any suggestion as to where he could get the liquor in some of the quantities that he seemed to be able. The accused has come before the Court and told you the whole story, he bought and sold this spirits as a favour not only to the members of the sgts mess but as a convenience to the officers who did not have a mess, there was no personal profit for him, all moneys were placed in the account of the sgts mess. We have the evidence of the chairman of the bar committee and the president of the mess who authorized the purchase of this liquor, the accused made up the cheques, signed them and then placed them together with the invoices before the PRI for his signature. If Capt Fern did not have to check these invoices and do the job properly then he should have asked for assistance, and no mention has been made of his applying to the CO for help in any particular job. There was two bottles of spirits in the mess the two that were raffled, and they were raffled with the mess presidents sanction, and if, as the Prosecutor says even two bottles proves that there was a contravention to the rule, then as the two responsible people of the mess knew of the contravention, who is then responsible. I submit that the responsibility was taken off the accused shoulders and others are responsible for any wrongs or contraventions to the order regarding liquor in this mess, I therefore feel that the accused should be acquitted. It is of course that it is the law that in order to find an accused guilty on either charge in such a case as this that there must be no doubt in the minds of the members of the Court, and in this particular case there is conflicting evidence and I am sure that it has not been proven to this court beyond all reasonable doubt that the facts to support the charges are true and have been proved by the evidence produced, and if the Court is not satisfied beyond all reasonable dout that some of the essential facts has been proved in evidence then it is the duty under the law to acquit the accused, and that applies equally to both charges.

COURT IS CLOSED TO CONSIDER THE FINDING

COURT IS RE-OPENED AND THE PRESIDENT ANNOUNCES THAT THE ACCUSED IS FOUND NOT GUILTY ON BOTH CHARGES.

SUMMARY OF EVIDENCE
In the case of

D. 71212 Private DWANE, James Rodgers, Canadian Provost Corps on the strength of No. 1 Canadian General Reinforcement Unit, a soldier of the Canadian ArmyOverseas.

By direction of the Commanding Officer, the Summary of Evidence is taken on oath.

The officer taking the Summary of Evidence warned Captain William Fern, Canadian Provost Corps on strength of No. 1 Canadian General Reinforcement Unit that if he is asked questions that would tend to incriminate him at his own trial he need not answer, but in any case this evidence would not be used against him at his own forthcoming trial.

FIRST WITNESS for the prosecution

Captain William Fern, Canadian Provost Corps on strength of No. 1 Canadian General Reinforcement Unit, an officer of the Canadian Army Overseas, having been duly sworn, states:

I am Captain William Fern, Canadian Provost Corps on strength of No. 1 Canadian General Reinforcement Unit.

From the 11 of April, 1944 until 23 August, 1944 I was D.A.P.M. 2 CBRG, Canadian Army Overseas. Now I am presently on the strength of No. 1 Canadian General Reinforcement Unit. Between the 25 November, 1943 until 18 February, 1944 I was the Assistant Commandant of Canadian Detention Barracks, Canadian Army Overseas. Between the 25 November, 1943 and 18 February, 1944 Private Dwane, whom I now recognize as the accused was a Staff Sergeant at Canadian Detention Barracks. He was N.C.O. employed in the office of the Accounts Officer and Sergeants' Mess Treasurer. To the best of my recollection sometime in November on or about the 25 I gave an order to the accused to the effect that there would be no purchases or sale of spirits for the Sergeants' Mess, Canadian Detention Barracks. I recall having signed a letter, Exhibit "A", CDB/9-0-0 dated 1 November, 1943 addressed to Manager, Wine and Spirits Department, N.A.A.F.I., Esher, Surrey, reference Sergeants' Mess, Wine and Spirit entitlement. I believe that sometime in November I told the accused not to send that letter and to cancel it. I remember having bought some spirits from the accused when he was Sergeants' Mess Treasurer. I paid by cheque made out to cash as I figured it was a personal transaction between me and the accused. I do not recall having seen the Invoice, Exhibit "B", No. L.07298 dated 1 December, 1943 addressed to the President of Sergeants' Mess, Canadian Detention Barracks, containing purchase of spirits, wine and cordials and containers in the amount of £52.16.11.. I can see that this invoice represents purchase of spirits by the Sergeants' Mess, Canadian Detention Barracks from N.A.A.F.I. Kenningsway, London, SE 11. I don't recall having seen the official receipt, Exhibit "D", No. F 40353 dated 10 December, 1943 for the amount of £52.16.11 covering payment alleged in the invoice L. 07298. I identify as Exhibit "C", cheque No. 347--2 of Lloyd's Bank Limited, Grayshot dated 6 December, 1943 payable to N.A.A.F.I. in the amount of £52.16.11 and signed by myself, W. Fern, then Acting Major and J.R. Dwane, then Staff Sergeant. I signed the cheque to cover payment for sup-

plies for the Sergeants' Mess, Canadian Detention Barracks from N.A.A.F.I. I don't recall having seen, during that period, copyof invoice, Exhibit "E", L.07874 dated 1 January, 1944 addressedto the President, Sergeants' Mess, Canadian Detention Barracks from N.A.A.F.I., Kenningsway, Kennington, SE 11 containing purchase of spirits, wine, cordials and containers for the amount of £46.19.06. I can see that this invoice was to cover the purchase of spirits by Sergeants' Mess, Canadian Detention Barracks from N.A.A.F.I. I recall having seen cheque No. 347586, Exhibit "F", Lloyd's Bank Limited, Grayshot, dated 6 January, 1944, payable t o N.A.A.F.I. for the amount of £46.19.06 and signed by myself, W. Fern, then Acting Major and J.R. Dwane, then Staff Sergeant. As for the first cheque it was in prepayment of supplies bought for the Sergeants' Mess, Canadian Detention Barracks from N.A.A.F.I. I can assume that the cheque, Exhibit "G" was to cover the purchase alledged in the invoice, Exhibit "B". I can also assume that the cheque, Exhibit "F" was to cover the amount alledged in the Invoice, Exhibit "E". ~~REGIMENTAL SGT MAJOR ILLINGSWORTH~~ I gave an order to Regimental Sgt Major Illingsworth and Company Sgt Major Steele, J.T., at the time President of the Sergeants' Mess, Canadian Detention Barracks, that no spirits were to be sold, by bottle or otherwise in the Sergeants' Mess, and to the best of my recollection it included the accused. That order also included that no spirits would be purchased for the Sergeants' Mess, Canadian Detention Barracks. To the best of my recollection that order was given on or about the 25 November, 1943.

The accused declines to cross-examine this witness.

SECOND WITNESS for the prosecution

H. 6234 Regimental Sgt Major Illingsworth, D., Canadian Provost Corps on the strength of Canadian Detention Barracks, a soldier of the Canadian Army Overseas, having been duly sworn, states:

I am H. 6234 Regimental Sgt Major Illingsworth, D. Canadian Provost Corps on the strength of Canadian Detention Barracks. I was appointed Regimental Sgt Major on 23 November, 1943 at Canadian Detention Barracks, Canadian Army Overseas. I recognize Private Dwane as the accused. The accused was a Staff Sergeant at the Canadian Detention Barracks between the 25 November, 1943 and 18 February, 1944. During that period he was the Sergeants' Mess Treasurer. I don't recall having told the accused that there would be no purchase or sale of spirits in the Sergeants' Mess. Some time in October I asked the accused to get me a bottle of spirits and I got it sometime in December, 1943 from the accused, to whom I paid the regular price. That transaction did not occur in the Mess. During that period, due to quite intensive outside work I was not very often in the Sergeants' Mess and while I was there I did not notice any raffle of spirits.

The accused declines to cross-examine this witness.

FOURTH WITNESS
For the prosecution

M. 37281 CSM Raistrick, W., Canadian Provost Corps on the strength of No. 22 Canadian Special Employment Company, Canadian Army Overseas, having been duly sworn, states:

I am M. 37281 Company Sgt Major Raistrick, W., Canadian Provost Corps on strength of No. 22 Canadian Special Employment Company. I was Company Sgt Major in Canadian Detention Barracks, Canadian Provost Corps during the period 25 November, 1943 to 18 February, 1944. I know the accused. During that period he was Staff Sergeant in Canadian Provost Corps at Canadian Detention Barracks, Canadian Army Overseas. The accused was Treasurer of the Sergeants' Mess. I bought some spirits during that period from the accused. I asked him about October if he could get me a bottle for Christmas and he said he would try. One day, somewhere around the end of December I asked him if he could get me a bottle and he said "yes" and he let me have one outside the Barracks. I remember a raffle during that period but I don't remember if it was spirits or not. I think it was chicken and I never paid much attention to these raffles anyway. During that period I never saw any bottles of spirits in the bar of the Sergeants' Mess, Canadian Detention Barracks.

The accused declines to cross-examine this witness.

FIFTH WITNESS
For the prosecution

D. 105754 Private Jean-Louis, RCASC, attached Canadian Detention Barracks, a soldier of the Canadian Army Overseas, having been duly sworn, states:

I am D. 105754 Private Jean-Louis, RCASC, attached Canadian Detention Barracks. I have been a driver for Canadian Detention Barracks since 6 January, 1943. I recall having been ordered by the accused, then a Staff Sergeant, to go to McEwan and Youngers, Aldershot and pick up a parcel to be delivered to Captain, then Acting Major, Fern. I did pick up that parcel as ordered and I found it was two bottles of spirits and I delivered them to Captain, then Acting Major, Fern's private residence. When I was handed over the parcel I was given the bill which I gave back to the accused, then Staff Sergeant. I don't know if these bottles were bought for the Sergeants' Mess.

The accused declines to cross-examine this witness.

8 SIXTH WITNESS for the prosecution

A. 34002 Company Sgt Major Hurrell, P., Canadian Provost Corps on the strength of No. 1 Canadian General Reinforcement Unit, a soldier of the Canadian Army Overseas, having been duly sworn, states:

I am A. 34002 Company Sgt Major Hurrell, P., Canadian Provost Corps on strength of No. 1 Canadian General Reinforcement Unit. I was Acting Staff Sergeant, Canadian Detention Barracks between the 25 November, 1943 and 18 February, 1944. During that period I was Chairman of the Bar Committee, Sergeants' Mess, Canadian Detention Barracks. I inspected the bar of the Sergeants' Mess at least once a day. Around the end of November or the beginning of December during the course of my inspection of the bar of the Sergeants' Mess, I noticed two bottles of spirits at the bar on the shelf. They were in plain sight entering the bar from the bar door. Between the 25 November, 1943 and 18 February, 1944 I noticed once a raffle of bottles of spirits in the Sergeants' Mess. To my knowledge two bottles were raffled. The first one was raffled for 45 shillings, the second one was dropped down ten shillings by the President of the Mess, making a total of 35 shillings for the second bottle. There were no minutes kept by the Bar Committee during that period while I was Chairman of the Bar Committee. I remember that Staff Sergeant Adams and Staff Sergeant Fowler were also members of the Bar Committee. I never bought any spirits from the accused during that period. I don't remember if the accused was or was not a member of the Bar Committee during that period.

The accused declines to cross-examine this witness.

ADDITIONAL SUMMARY OF EVIDENCE

In the case of

D71812 Private DWANE, James Rodgers, Canadian Provost Corps on the strength of No. 1 Canadian General Reinforcement Unit, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, the additional Summary of Evidence is taken on oath.

FIRST WITNESS for the Prosecution

C. 30146 Sgt Bennison, J., Canadian Provost Corps, on strength of Canadian Detention Barracks, a soldier of the Canadian Army Overseas, having been duly sworn, states:

I am C30146 Sgt Bennison, J., Canadian Provost Corps, on strength Canadian Detention Barracks, ~~Canadian Provost Corps~~. I was Sergeants' Mess Caterer for the Canadian Detention Barracks between the 25 November, 1943 and 18 February, 1944. Staff Sergeant Dwane informed me just before Christmas last year that it had cost him 32 shillings in taxi fares to bring some spirits to the Mess, so I suggested that he raffle three bottles off in the Mess. The first bottle we raffled off I got two Pounds 6 shillings and while I was raffling the second bottle off, CSM Steele intimated that we were getting too much money and he cut it down to 35 shillings. That was in the Sergeants' Mess. I gave the proceeds of the raffle to the accused, whom I now recognize and who was then a Staff Sergeant and, as far as I can remember, was Treasurer of the Sergeants' Mess, Canadian Detention Barracks. During that period I saw 5 full cartons of spirits in the Sergeants' Mess, that would be 60 bottles. There was a few bottles down below underneath the trapdoor in the bar of the Sergeants' Mess and some in the porch and a couple of bottles in a little cupboard we had on the shelf, probably two or three bottles. When I was through raffling the three bottles of spirits off I purchased one bottle myself, to the amount of 30 shillings from the accused, out of one of these cartons and one I handed to CSM Raistrick on a note from Dwane. I was just in charge of the beer sale and the accused was looking after the stock of spirits. The shipments of spirits were brought in the Mess by the accused and they were kept in the bar of the Mess as I said in the beginning. I didn't keep any record in the stockbook of the liquor coming into the bar of the Sergeants' Mess. The stockbook was locked after by somebody from the bar. The stockbook was looked after by wasn't kept in the bar committee or one of the committees but I don't know who he was. Sometime during that period I was requested to get our monthly assignment from McEwan and Youngers, sometime in January. I think in all I got seven bottles and then sometime later on I was asked to make inquiries about our monthly ration of spirits by the accused. Sometime in January I went to McEwan and Youngers, Aldershot, to get the entitlement of spirits for the Sergeants' Mess, Canadian Detention Barracks. I was told then that the Sergeants' Mess, Canadian Detention Barracks had already had their share of spirits for that month. I said that I never saw this entitlement of spirits and McEwan and Youngers showed me an invoice alleging three bottles of spirits as having been delivered to the Sergeants' Mess, Canadian Detention Barracks. The said invoice being signed by Pte Jean-Louis, a driver at Canadian Detention Barracks. At the request

of the accused at the beginning of February, 1944 I went to Borden. I bought there for the Sergeants' Mess, from the Manager NAAFI Borden, three bottles of spirits. These bottles were handed over to me with an invoice that I identify as Exhibit "G", #R. 182403 addressed to Sergeants' Mess, Canadian Detention Barracks covering that purchase. Attached to it was an official receipt that I identify as Exhibit "H", #Z. 248659 addressed to Sergeants' Mess, Canadian Detention Barracks covering the amount of purchase mentioned in the Invoice, Exhibit "G". I had with me a cheque which I identify as Exhibit "J" #347591 Lloyd's Bank Limited, Grayshot, dated February, 1944 payable to NAAFI and signed by JR Dwane, Staff Sergeant, the accused and W. Fern, Major. The amount in that cheque was left blank. The accused had instructed me to fill in the amount on that cheque according to the amount of the purchase. I didn't have my glasses with me, but Staff Sergeant McLean, who was with me, who is now C.M.S somewhere in France, in my presence, filled in the amount £3-9-2 to cover the payment of the amount alleged in the Invoice, Exhibit "G". I brought that stock of spirits to the mess and handed it over to the accused with the Invoice, Exhibit "G" and the official receipt, Exhibit "H".

The accused declines to cross-examine this witness.

The accused declines to make a statement and reserves his defence.

J G Gilmour Major
Pres

In mitigation of Punishment. Dwyer. H. E.

In my address to the court on behalf of the accused no intention of detraction only submit for your consideration in mitigation of punishment.

as to charges 2-3 accused had no evil intent accused to think he would be better learned & thereby carry a little more prestige with those with whom he came in contact. I submit that charges are part & parcel of chg 1 & could very aptly be manipulated in same to the consideration of punishment

as to Chg 1. In the offence of evil. I put there must always be a motive. In this particular case I submit the accused spoke the truth. He has led a very active life in all sorts of sport having played in Rs. hockey & Aust Rules their energy his manifest temperament his desire for adventure & all called for action. As he stated the period of inactivity weighed heavily on him. and due to the fact that he was injured hastily to the RCAF and also to the airborne corps. time dragged heavy & it appears the only outlet he thought available to satisfy his desire for action of some sort, was to go AWL.

Punishment. We must not condone wrong, & offenders must be punished. If we can deal out punishment to an offender which will correct his wrongdoing. then we will have achieved the ideal, but, in order to do this I think it requires a great deal of understanding the individual concerned. We have the hard, & unchecked criminal, the only punishment he understands is the one with a real sting to it. whereas again we may have an intelligent, clean youth who needs discipline a harsh punishment may go will towards ensuring the desired results. I submit the

accused comes under the class intelligent type
& if his ability & energy can be directed into useful
work he should indeed be a very valuable man
to us. I am inclined to believe, punishment that
was fair & perhaps very lenient in relation to
his offence would I hope bring this desired results.
We have also to take into some consideration the
fact that a third person has been inadvertently
drawn into this picture. I am of the opinion that
fact that he is now married & realizes his
responsibility will have a very sobering effect on
his temperament, & may be the means of him doing
much better in the future.
Finally, I would very humbly suggest for your
consideration this possibility, if the ends of
justice would not be better served if the
punishment awarded in this particular case
was the very minimum for the charges to
which the accused has pleaded guilty.

I am Sir
Your most obedient
Humble Servant.

Statement in mitigation of Punishment

No D6672. Pte H.F. Dwyer.
No 3. C.A.R.U.

Statement as to Charge-1-

I enlisted for the purpose of serving my country, and also for the spirit of adventure. All my life I've been very active, taking part in all kinds of sport. Having played Pro Hockey + Base ball. My spirit seemed to yearn for something doing all the time. After coming overhere and spending considerable time in training, it all got very lonesome + due to no action and so much inactivity I became very restless and frowned off as it were. I got paraded to my O.C. and asked him if I could be transfered to the Air force, feeling I could get more action which is what I came over here for. all I was doing at the time was foot and rifle drill, and gun drill, day after day. But I was refused. Then later on I was paraded to my O.C. once more, and asked him if I could be transfered to the Air borne troops and I was refused again. Time went on and on until I reached the stage where I had to do something to relieve my tention, so I went A.W.L. I did not at any time entertain the thought of desertion far from it. I intended to rejoin my unit the moment they went into action. The day Dieppe raid started I thought it was the real thing so I was on my way back but when I got so far and found out it was only a raid I went back

Charges 2-3.

Was only foolishness I didnt intend doing anything wrong only thought I looked more dressed up. I never used the stripes for any illegal purpose, only just for looks that was all. I got married because I have known the girl for ten months. I did not realize I was committing a crime, I thought one could get married without permission, and if I did my wife would not get any allowance for the periode of two months. We used to talk about the subject amongst ourselves in the barracks. I realize now I did very wrong in the whole thing. I realize my responsibilities now more than I ever did since getting married, it has given me a new lookout on life.

All I ask for is one more chance to prove to you that I can play the game fair and square. And that also that I can show my wife that I can be worthy of her.

1st Witness for Prosecution
P34867 A/Cpl Connolly G P WNSR sworn states:

I am sec Comd of No 6 Sec 14 Pl C Coy WNSR on the night of 7th 8th Jan 45. I was 2 i/c of a standing patrol occupying positions on the East bank of the Senio River, the patrol consisted of two NCOs and four privates. (at this point the witness draws a scetch of the positions occupied by the patrol, the accused does not object to this sketch). The sketch is marked exibit "X". The accused whom I recognize as Pte Dwyer was a member of this standing patrol he was one of the bren gunners occupying the left hand post. At approx 0100 hrs 8 Jan 45 I heard enemy small arms fire & grenades towards our position. I went to investigate. At that time I was behind a shed which is shown on the sketch. I saw Pte Dwyer coming towards the house which was used as patrol HQ. I went over to the house and asked Pte Dwyer what had happened, he told me that several of the enemy had approached his position from the river and had thrown hand grenades towards his position on the dyke. I looked up to Pte Dwyer's position on the dyke and saw that the other man who occupied the same trench with him was still there. This man was Pte Dunn. I then ordered Pte Dwyer back to his post, he did not go he say he had no bren gun as he had knocked it over the dyke. I then went over to the right hand post

1st Witness for prosecution (Cont'd)

see what the situation was there. I found that the occupants of the post had left. I saw them leaving as I approached. I then returned to patrol HQ and reported what had happened to Cpl ~~xxxx~~ George, the patrol Comd. Cpl George ordered me to take Pte Dwyer back to his post at the same time ordering Pte Dwyer to return. I told Pte Dwyer to accompany me back to the post, he refused to do and started towards pl HQ of 15 Pl. I then went back and reported to Cpl George that all our positions were un-manned and that Pte Dwyer had left. Cpl George then phoned the Coy Comd for orders and about 10 minutes later Cpl George & I went over to 15 Pl HQ house. There I saw Pte Dwyer, Cpl George placed him and the other men of the patrol under arrest. The other men were Pte Lunn, Pte Mallett and Pte Lagace. We then returned to Coy HQ. At approx 2100 hrs on the 7 Jan Cpl George and myself both placed Pte Dwyer and Pte Lunn in position on the dyke showing them where to dig their post. When I spoke to Pte Dwyer after he left his post, I told him to return saying that the grenades were going well over our heads and the Pte Lunn was still there and ~~xxxx~~ that there was nothing to worry about. I was present when Cpl George ordered Pte Dwyer back to his post. I heard him tell Pte Dwyer to return to his post and Cpl George told me to take Pte Dwyer back

"H"

1st Witness for prosecution (Cont'd)

Pte Dwyer definitly refused to go saying no I will not go then he started running towards 15 Pl. At no time did I give Pte Dwyer permission to leave his post.

Cross examination by Defending Officer

I have often been on this type of patrol having been an infantry man in action for over a year. I was about 30 yds from the nearest position being behind the shed dug in there. When I first ordered Pte Dwyer back to the trench he was not armed with any type of weapon nor was he armed when he was placed under arrest by Cpl George. When I questioned Pte Dwyer about the Bren gun he said he had knocked it over the bank getting out of the post. I considered it reasonable for Pte Dwyer to return to his post even though he was unarmed. The orders ~~to~~ the men at the post were to fire on any enemy that approached the post. The night was a very clear one and it would be possible to see any large body of enemy if they approached the position. Cpl George and I indicated the exact spot where the post was to be dug and after it had been dug I personnally checked the field of fire. The patrol was to be relieved at 0200 hrs by another patrol from ~~another~~ OUR OWN pl. Cpl George & I returned to Coy HQ before it arrived. Pte Dwyer did not tell me at any time that he had tried to fire the bren gun and that it would not work.

"H"

By the Court

The only fire by our patrol at the enemy was Pte Lunn who threw two grenades over the Dyke. I acted as guide for the other patrol which went down and occupied the position on the dyke. this was at about 0200 hrs.

F7401 Cpl George F L sworn states: I am section Comd of 4 Sec 14 Pl C Coy. WNSR. On the night 7/8 Jan 45 I was in command of a standing patrol on the South bank of the Senio River, the patrol consisted of one Cpl, that is myself, L/Cpl Connolly, Pte Dwyer whom I recognise as the accused, Pte Lagace, Pte Mallett and Pte Lunn. (The witness draws a sketch of the posn which is essentially the same as exibit "X" the accused does not object to the use of this sketch). At approx 2100 hrs 7 Jan 45 I led the patrol to ~~xx~~ the dyke of the river and indicated to them where to dig positions on the dyke. I then returned to the house and set up a telephone. Pte Dwyer &

Pte Lunn were detailed by me to dig the left hand post which they did. At approx 2200 hrs I returned to the position on the dyke the men had finished digging the posts. I then returned to the house. At approx 0100 hrs. I heard the enemy start throwing grenades and saw the bursts of the grenades through the door which was open, also I heard small arms fire. Shortly after Pte Dwyer with out my

permission left his post and came to the house where I was. I ordered him back to his post saying "go back to your post and stay with Pte Lunn." L/Cpl Connolly was present at the time. I ordered Pte Dwyer back to his post. I then ordered L/Cpl Connolly to go with Pte Dwyer to the post they both then went out of the house. Shortly after this L/Cpl Connolly reported to me that Pte Dwyer refused to go back to his post. I immediately after that I went outside and found Pte Dwyer about 20 yds behind the house, that is about 30 or 40 yds from the dyke. I then took Pte Dwyer down to Coy HQ after phoning from 15 Pl and placed him in close arrest there. I did not at any time give Pte Dwyer permission to leave his post.

Cross examination by Defending Officer

As far as I could see some of the grenades may have landed quite close to the positions on the dyke. The small arms fire did not appear to be directed at the posts but it was near. I personally took Pte Dwyer, Pte Lunn up to their position on the dyke. L/Cpl Connolly did not accompany me, he remained at the bottom of the dyke with the other two men waiting for me and I made my visit to the positions alone at 2300 hrs L/Cpl Connolly remained at the telephone, I did see L/Cpl Connolly visit the posts. Apart from the grenades the first indication I had that anything was

"H"

Second Witness for Prosecution

wrong at the post was when Pte Dwyer arrived at Patrol HQ. When Pte Dwyer arrived at the house he was unarmed he appeared to be pretty excited and did not answer me immediately when I spoke to him. He told me a grenade had landed quite close to him. I did not know that Pte Dwyer had lost his Bren gun when I ordered him back to his post. I did not hear Pte Dwyer refuse to go back to his post but I did hear L/Cpl Connolly order him to go back to his post. Pte Dwyer was not a regular member of my section, that night I had men from each section in the pl. he had only been a member of 14 pl for a couple of days. All men on the patrol that night had volunteered for the job.

By the Court

One patrol was to be relieved at 0200 hrs 8 Jan by another patrol from our pl. I arrived back at Coy HQ before the relieving patrol left Coy HQ. It went out later guided by L/Cpl Connolly. After I ordered Pte Dwyer to return to the post he told me the Bren gun was missing. When I questioned him about the bren, he told me he had dropped it on his way down the dyke. The relieving patrol found the Bren the next morning and brought it back to the pl. Pte Dwyer gave me no definite reason why he left the post other than that a grenade had landed quite close to him.

F87491 Pte Lunn D M WNSR sworn states: I am a member of 6 section 14 Pl C Coy. I joined the pl on 27 Dec 44. I recognize the accused as Pte Dwyer he was a member of the same section as I. On the night of 7/8 Jan 45 I was a member of a patrol which consisted of Cpl George, L/Cpl Connolly, Pte Dwyer, myself and two other men whose names I do not know. Pte Dwyer and I dug a position on the bank of the Senio River at about 2100 hrs that night. Cpl George showed us where to dig our position. At about 0100 hrs an enemy patrol approached our post, Pte Dwyer was manning the Bren gun and I was just finishing off the digging of the post. I saw the patrol and picked up two grenades and pointed the enemy out to Pte Dwyer. I threw one grenade and then looked around and found that Pte Dwyer had left the trench. Sometime after we started to dig our post we were visited by L/Cpl Connolly, Cpl George did not visit us. I was later placed under arrest that night and charged with deserting my post in the face of the enemy but the charge was dismissed when I went up before the C.O.

Cross examination by prosecutor

I am positive that it was L/Cpl Connolly who visited out post that night.

By the Court

When I saw the enemy they were

Crawling towards our post, they did not fire before I threw my grenade. After I threw my grenade I saw Dwyer running down the dyke I did not see the Bren gun it was not in the post. I did not hear the bren gun fire nor did I hear any fire from the other posts. I left the post after I saw Dwyer running away because I had no weapon to fight with. After I left the post the first persons I saw were the two Cpls coming out of the house. I joined them and we went to 15 Pl. While we were in the post before the enemy arrived, nothing happened to cause us to be particularly nervous. The enemy threw about a dozen grenades at our post certainly no more, only one landed near our post. Had the bren gun been there I would have tried to stay in the post. I doubt if the enemy I saw could have driven us out if the bren gun had been manned.

32092 Pte Dwyer C A the accused, sworn, states: On the 7th Jan 45 I was told I was going out on a standing patrol. The Cpl, that is Cpl McDonald, my section Cpl, gave me a couple of Bren magazines and a Bren. I proceeded with the patrol to the dyke, the Cpls, that is Cpl George & L/Cpl Connolly were in the lead of the patrol. I was at the rear of the section as they started up the dyke, we stopped then & the two Cpls started down the dyke headed for 15 Pl. I heard someone say that there were Jerry standing patrols across on the other side of the River. The Cpl then lead us back to 15 Pl HQ we want in the house, someone asked why we were back. Cpl George said he would not take his men back up to the dyke because there was a standing patrol of enemy on the other side. Someone said its a Poor Cpl that wont order his men back. I said if ~~the~~ Cpl George will go so will I. The patrol then started back when we reached the house where patrol HQ was, Pte Lunn was carrying the bren gun. He handed me the bun and said you can use it better than I. I don't know much about it. I took the bren up and placed it on top of the dyke, no one

"B"

3rd Witness for Defence (11)

showed us where to dig, they only said up on top of the dyke. Pte Lunn & I dug in and about an hour later L/Cpl Connolly visited us. He looked over the bank out of the trench and went back down the dyke. At about 0100 hrs a flare went up followed by machine gun fire. I pressed the trigger of my bren it would not fire. Pte Lunn said there is a patrol at the bottome of the dyke. I saw at least 2 enemy directly in front of me. I tried the Bren again it would not fire. Then a grenade landed almost on top of us the blast struck me in the face and I fell backwards with the bren ~~xxxxxxxxxxxxx~~ I rolled over the bank and the bren slipped out of my hands. I could not find the bren so I went to the house where patrol HQ was. I was pretty excited and nervous when I got there. I remember talking to one of the Cpls but I do not remember hearing anyone order me back to my post. There was a lot of noise from grenades or mortars. I went outside of the house and having no weapon I went to 15 Pl thinking I might get a weapon there. I had just reached 15 Pl when the rest of the patrol arrived. I was then placed under close arrest and no reason was given at that time. I had always formerally been a S.B. and this was my first time on a bren gun. I had never handled a bren or rifle in action before.

"B"

rd Witness for defence (Cont'd) (12)

Cross examination by defence

No one showed us where to dig one of the Cpls pointed from the bottom of the dyke to the top saying dig up there. I don't think I left the trench before Pte Lunn fired the grenade. I didn't search for the bren. I could not see it when I looked around. I did not meet L/Cpl Connolly as I came down from the dyke on my way to patrol HQ. I did not receive permission to leave the post no one was around to give it. I did not ask Cpl George or L/Cpl Connolly. I did not volunteer to go back to the post when we collected at 15 Pl.

By the Court

The only orders we had were to dig in on the dyke and remain there until we were relieved at 0200 hrs. We were told to fire on the enemy but to wait till they were quite close so we would be sure of stopping them.

CLOSING ADDRESS - DEFENCE

: Pte Dwyer

We encourage our men to think. We do not condone the use of robot soldiers. Pte Dwyer acted according to what he thought was right and to the best of his ability. He was not accustomed to this type of work and when he came to the house he was under such a mental strain, so nervous and excited he does not remember being spoken to and by Cpl George's own admission, he could not speak for quite some time. By Cpl George's testimony, L/Cpl Connolly did not show the men where to dig in, he never mentioned Pte Dwyer refusing him to go back, nor did he hear him refusing him L/Cpl Connolly. Let me point out that it is quite impossible for a man to obey an order or command he did not even hear nor understands. Furthermore, a man not trained in such a duty as was carried out on the night of Jan 7-8-45 a man who was in his first action, cannot be expected to cope with a situation with which he is not familiar unless he is under direct and constant supervision of a trained NCO and neither Cpl George nor L/Cpl Connolly were in a position to keep both posts under supervision at once. Cpl George was in the house handling the phone and L/Cpl Connolly was behind the shed. Nobody took the trouble to find out anything about Pte Dwyer as a Bren gunner. Nor did they even notice the strain, nervousness and anxiety he was suffering at the time. There certainly was danger of being cut off from such a position as the accused was occupying at the time due to the fact that the other position could not give them supporting fire from anything coming up the draw, and may I point out that on a following occasion one man was "H"

killed and seven taken prisoners from that very same position. When the summary of evidence was taken, Cpl George & L/Cpl Connolly both stated that the entire patrol was placed under arrest at No 15 Pl HQ, therefore the accused never had a chance to volunteer once more to go out.

Due to the fact that Pte Dwyer acted to the best of his knowledge, that he would have carried out his job if it had been possible and that the witnesses for the prosecution contradicted themselves, I ask that the accused be handed in a verdict of Not Guilty. Gentlemen, I thank you.

"O E Lacroix, Lt." "E"

PROSECUTION - CLOSING ADDRESS

In summing up the evidence of the prosecution witnesses in the case of the accused, if it please the court, I would like to deal with each charge separately.

On the first charge under Sec 6(2)(h) AA both witnesses gave evidence to the fact that the accused, Pte Dwyer was posted as a sentry in accordance with Note 2 of AA Sec 6. Both bore witness to the fact that he was seen at patrol headquarters in the house at a time when he should have been performing his duties as a sentry. Neither the corporal nor the L/Cpl gave him permission to leave according to their evidence. I submit, Gentlemen, this man is definitely guilty of leaving his post as charged under AA Sec 6(2)(h).

On the second charge both witnesses for the prosecution swear they ordered the accused to return to his post and the accused admits himself he did not return after he left his post when his Bren gun did not fire.

SUMMARY OF EVIDENCE in the case of F32092 Pte Thomas William DWYER, West Nova Scotia Regiment, a soldier of the Canadian Army Overseas, NWY, when on Active Service

Evidence taken upon oath.

By the order of Lt Col F E Hilts, Comd, West N S R.

1st Witness for Prosecution

F34867 L/Cpl Connolly, G F, West Nova Scotia Regiment, having been duly sworn states :-

On the night of 7-8 Jan 45 I was 2 i/c of a standing patrol occupying a position on the southern bank of the SENIO RIVER. The patrol consisted of 2 NCOs and 4 other ranks, Pte Dwyer T W being one of the other ranks. Accompained by Cpl George I showed Pte Dwyer where he was to dig in and man the gun. The patrol finished digging in at approximately 2300 hrs 7 Jan 45. There were two positions about 75 yards apart. Pte Dwyer was in the left hand position (facing the enemy positions on the opposite bank). At about 0100 hrs 8 Jan 45 I was over towards the left hand position (about 50 yards from it by a shed) when "Jerry" started lobbing a few hand grenades and three of them(enemy) came up thru the draw, about 100 yards from the left position. I then saw Pte Dwyer going towards the house at the foot of the bank where the phone was located. I went back to the house and wanted to take him back to the position but he refused, at the same time Cpl George ordered him back. I then went up to the right position and on coming back down ordered Pte Dwyer back again, he refused, and was placed under arrest with the remainder of the patrol which had collected at 15 platoon HQ. I did not give the accused permission to leave his post at any time.

Signed

The accused declines to cross examine this witness.

2nd Witness for Prosecution

On the night of 7-8 Jan 45 I was incharge of a standing patrol (consisting of 1 Cpl , 1 L/Cpl and 4 Pte) on the South Bank of the SENIO RIVER where the Lugo-Russi railway crosses. I showed the accused, Pte Dwyer, T W , whom I now recognize, where to dig in, after showing him where to dig in I went to the house at the foot of the embankment to set up the phone. At approximately 2300 hrs 7 Jan 45 I visited the posts after they had been dug in At approximately 0100 hrs 8 Jan 45 Jerry started lobbing grenades and a few bursts of automatic fire, L/Cpl Connolly reported to me that the positions were deserted. I next saw the accused about 20 to 30 yards away going towards 15 Pl HQ. I then went to 15 Pl HQ and received orders for the Company Commander to place the accused under arrest. I did not give the accused permission to leave his post at any time.

Signed

The accused declines to cross examine this witness.

The accused having been duly cautioned as follows :-"
