Attend the Grand Orchestra Concert Tonight in Pastime Hall, and thus assist a worthy cause. A splendid programme will be given.

Everybody knows that Five Roses Flour will make Bread of the highest Standard. Get it at Yerxa's.

Mr. Beverley Roy, has resigned a splendid position in New Glasgow and has enlisted in the 219th Battalion for Overseas Service.

The Board of School Commissioners for Kings County will meet at the Court House, Kentville, Tuesday, May 9th at 10.30 a. m.

Mr. and Mrs. Fred J. Fielding Kentville, announce the engagement of their daughter, Annie May, to Mr. Harry A. Williams, of Kentville. The marriage will take place in May.

The detachment of the 219th Battalion held Church Parade Sunday at St. James' Church under the command of Lieut. Vereker. About thirty were present.

Don't forget the splendid Concert to be given at Pastime Hall this evening by the Grand Orchestra. Tickets at Clark's Drug Store. Reserved Seats 35c. General Admission 25 cents.

Mrs. [Name] and daughter [Name] accompanied by [Name] Barnham and her [Name] daughters, arrived from Boston and are guests of their parents, Mr. and Mrs. T. W. [Name] at [Name] Bay.

S.S. [Name] resumes service between Wolfville, Kingsport and Parrsboro on [Name] Monday [Name].

### GEORGE E. GRAHAM,

General Manager Bandsman H. Sloan of St. Francis Xavier Hospital Band, arrived from Halifax Monday on a few days visit to his home and friends, previous to his departure for England. His friends were glad to welcome him home again and see him looking so well.

A letter just received at Kentville from Sergeant Ralph L. Eaton, who is in charge of a machine gun, "somewhere in France," states that he is in good health. He states that the greatest need at the present time is men, and more men, and he hopes to see some more of his Kentville friends coming along.

Mr. Norman Campbell met with a most severe accident on Friday evening last by his horse becoming unmanageable. He was thrown on the wheel and had his head terribly cut and crushed between the wheel and body of carriage. He was unconscious for some time but yesterday was able to take some nourishment and have his wounds dressed and is now considerably improved.

Rev. J. W. Williamson General Secretary of the Maritime Baptist Sabbath School Board occupied the pulpit of the Baptist Church on Sunday. He gave an impressive sermon in the morning. Subject, "We Would See Jesus" and his evening text was "Jesus Took a Little Child" etc. Mr. Williamson has a lot of the Western energy in his discourses and appears to be the ideal man to take up the Sunday School work in the Province. At the evening service Mr. Williamson, Miss Millie Lloyd, and Miss Lois Eagles sang solos the latter with violin accompaniment by Mrs. S. L. Cross.

The 24th annual Easter Sale and Tea of the St. James' church workers was held at Pastime Hall on April 29th. The weather was ideal and many drove from a long distance.

The management of the D. A. R. kindly allowed the decorations for the Easter Dance to remain until after the sale and this added a real charm to the surroundings.

The tea tables were laden with good things and presided over by charming young ladies. Tea and coffee were prepared by Mrs. Charles Smith and Mrs. T. C. Mellor assisted by Mrs. Lorrimer and Miss Thorne.

The fancy table was in charge of Mrs. Parker and Miss Seaman. The sweets were sold by Mrs. Morton, Mrs. Masters and Miss Wickwire. The aprons were in charge of Miss Hiltz Mrs. Stead and Miss Byrne. The ice cream was served by Mrs. Campbell, Miss Robinson and Miss Duncan, Mrs. Giffins assisted by Miss Muriel Campbell sold plants and cut flowers.

The Country Store was the great attraction for the younger children and judging from the amount taken many of the grown ups found lots of practical articles. The ladies at this store were Mrs. Martin, Mrs. Ridge, Mrs. L. Dodge and Miss B. Hiltz. Miss Irene Vallis represented a Belgium lady and wore a dress of wonderful pockets full of gifts for the children and the kiddies all feel they had the worth of their money.

The Hiawatha Band played popular selections during the evening and pleased the young people by accompanying them to the light fantastic.

Too much cannot be said of the President, Mrs. J. D. Moore, who worked untiringly and whose efforts made everything such a success and to those who assisted in any way, the members of the Church Workers wish through the columns of this paper to express their thanks and appreciation.

Sergeant William Burgoyne was called from Halifax Monday owing to the illness of his son.

Work has commenced this week at Aldershot and a large number of carpenters and men are required to get the grounds ready for the large number of recruits expected there very soon.

Mr. Murray Neary, son of Mr. and Mrs. C. S. Neary has enlisted at Kentville with the 219th Battalion.

**B. B. Genuine White Lead links up B. H. "ENGLISH" PAINT with a supremacy record of nearly two centuries.**

**LINKS IN THE B. B. AND B. H. CHAIN**

1729 saw the founding of the firm of Brandram Bros., the inventors of the Brandram Process of corrodng White Lead—a process that produces a lead that has been the standard White Lead of the world ever since.

In 1906 after handling Brandram's White Lead for many years, in the Canadian market, the firm of Brandram-Henderson purchased the Brandram Bros. formulae and exclusive rights to manufacture it in Canada.

In 1909 the final link was forged when the firm decided to use B. B. Genuine White Lead in the manufacture of their B. H. "ENGLISH" PAINT and after practical tests and most careful research arrived at an exact formula guaranteed on every can under the President's signature. Thus was the chain completed.

The B. H. "ENGLISH" PAINT formula of 70 units of Brandram's B. B. Genuine White Lead and 30 units of pure White Zinc, in all tints and white with its ironclad guarantee, makes B. H. "ENGLISH" PAINT the Quality-Service-Paint of Canada.

### WEDDING BELLS

**Lawrence-Sandford**

The home of Mr. and Mrs. W. Rufus Lawrence of Lakeville, Kings Co., N. S. was the scene of a pretty and interesting event when on the afternoon of Saturday, April 22nd, 1916, their daughter, Lillian Frances, was united in marriage to Lauric Sandford of Windsor, N. S.

To the strains of Mendellahns wedding march played by the bride's sister-in-law, Mrs. Earle Lawrence, the happy couple took their places before the waiting clergyman, Rev. E. O. Steeves of Billtown, who performed the ceremony. The bride who looked charming was married in her travelling suit, a navy blue tailored costume with hat to match. The couple were unattended. After a dainty luncheon the newly married couple took the east bound express for a short trip including various places in Nova Scotia before returning to their home in Windsor where they will reside.

The many valuable presents received testified to the esteem in which the young couple are held, conspicuous among them were cheques, money, silverware, cut-glass and linen. The grooms present to the bride being a beautiful quartered oak case. Their many friends unite in wishing them years of wedded happiness.

### CORRESPONDENCE

I. B. Oakes, Esq.,  
Dear Sir: My open letter was in the Liberal Association, you answered it personally and I reply to your letter in the same way.

In regard to the Association I consider that I was quite within my rights in addressing the President. You think I should have done so by the Secretary, different from the usual practice. Resolutions, in the main, are referred to, was not made, and I am not competent. Do you know that it is a very unusual thing to take a magistrate's commission from one, I must have done something terribly bad. What was it?

This resolution was based on the assumption that the illicit sale of liquor in the County, has been very much lessened by my dismissal and the appointment of additional magistrates. If the foundation crumbles the whole structure falls to the ground. Is this assumption true or false? I leave it for those who know the state of temperance matters in the County to say.

In closing I will ask you, Dr. Oakes, if you personally approve of the action of our representatives in insisting upon having my commission taken from me, without an investigation which I asked for?

Yours truly,  
E. M. BECKWITH,  
Canning, April 26th, 1916.

**NOTICE**—All persons indebted to me will please take notice that my accounts have been left with Mr. S. S. Strong, Wickwire Building, for immediate collection and that expense will be added to all not paid on or before April 17th, 1916.

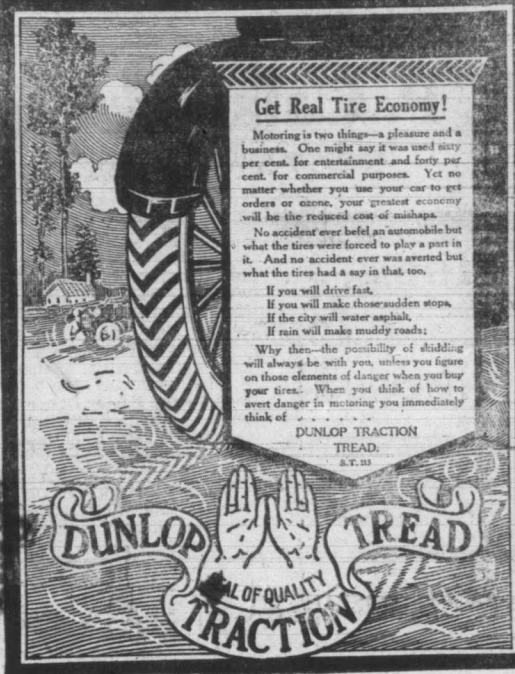

T. W. COX,  
Kentville, N. S., April 7th, 1916.

**Get Real Tire Economy!**

Motoring is two things—a pleasure and a business. One might say it was used sixty per cent. for entertainment and forty per cent. for commercial purposes. Yet no matter whether you use your car to get orders or make your greatest economy will be the reduced cost of mishaps.

No accident ever befel an automobile but what the tires were forced to play a part in it. And no accident ever was averted but what the tires had a say in that, too.

If you will drive fast.  
If you will make those sudden stops.  
If the city will water splash,  
If rain will make muddy roads!

Why then—the possibility of skidding will always be with you, unless you figure on those elements of danger when you buy your tires. When you think of how to avert danger in motoring you immediately think of

Mrs. Bert Jenkins, of Mount Hope Place, East Dedham, daughter of Mrs. Joseph Arnburg, of Wolfville, formerly of Kentville, died at the Massachusetts Hospital in Boston, Monday evening, April 3rd, 1916, where she was taken suffering from burns to the lower part of her body.

Mrs. Jenkins was burning rubbish in her yard. Suddenly her clothing became afire. She rushed into the house of Mrs. Thomas Keegan, her next door neighbor, a sheet of flame. Mrs. Keegan endeavored to put out the flames assisted by other neighbors and in doing so, badly burned her own face and hands. The fire department was called to the home of Mr. T. Keegan, for a light fire in the dining room caused from fragment of Mrs. Jenkins clothing falling to the floor and setting fire. First aid treatment was administered until the arrival of Dr. H. M. Grady, who ordered her removed to the hospital. Mrs. Jenkins is survived by her husband and five small children of Dedham, her mother, Mrs. Jos. Arnburg of Wolfville, two brothers, Mr. William Arnburg of Kentville, and Mr. Charles Arnburg of Wolfville, and four sisters, Miss Margaret Arnburg of Kentville, Mrs. Wilbert Rogers and Miss Janie Arnburg of Wolfville, and Mrs. Allan Mahar of Cambridge. Much sympathy is felt for the bereaved ones.

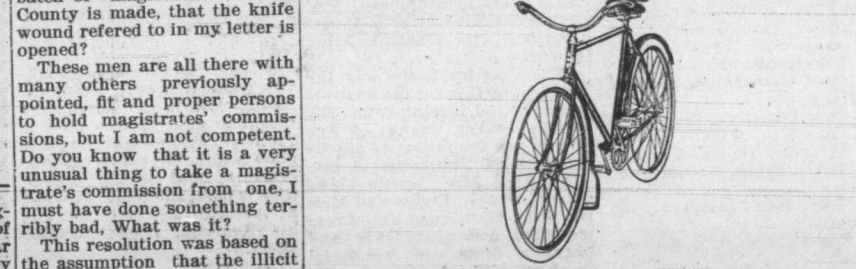

**Zeebrugge Bombarded Once More.**

London, April 25—An attack on German positions on the Belgian coast by British warships is reported in an Exchange Telegraph from Amsterdam. The bombardment is described as one of the heaviest in the region during the war.

The despatch says the following message has been received in Amsterdam from Flushing:

"Several British warships, accompanied by destroyers and other vessels, yesterday, bombarded Zeebrugge and the German batteries off Hevst Blankenborghs and Knocke. The bombardment was one of the heaviest since the beginning of the war, and also of the longest duration. The damage done at Zeebrugge is said to have been enormous. The harbor and docks were hit several times and some ships were sunk. British aircraft also threw bombs on German batteries"

# A Great National Public Utility

That concerns all merchants and all people

THE original Cash Register rang a bell, indicated and recorded the amount of the purchase. It benefited the merchant only.

In a third of a century this old model has developed into a Cash Register that directly benefits every man, woman, and child who spends money in a store.

This new Cash Register equally concerns every merchant and clerk, every banker and wholesaler in this land.

It furnishes every customer with a receipt or sales-slip.

It prints on this the amount paid or charged.

On this is also printed the date of the sale and who made it.

It forces a duplicate, printed record for the merchant.

It prevents disputes over charges and bills paid.

It saves shoppers' time.

It gives the merchant all his profits. It gives him more money for his family.

It promotes more and quicker sales.

It protects each clerk against making errors and against the mistakes of others.

It rewards the diligent clerk by telling his employer which one makes the largest number of sales and which one gets the greatest amount of business.

It assures the banker additional security for the money he loans the merchant.

It gives the wholesaler additional assurance that the merchant will have money to pay his bills.

It furnishes the banker and the wholesaler mechanical evidence that the merchant's statement of his business is correct.

It is a business necessity.

### Merchants!

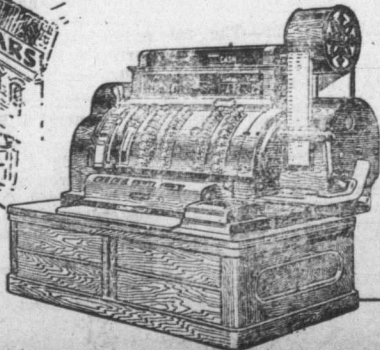

We have new 1916 models that give this perfect service.

Write us to-day or see our agent in your city and learn how you can secure one of these public service machines.

Liberal allowances will be made for old National Cash Registers that were good in their day, but do not so completely protect you or give the valuable service our 1916 models do.

**THE ADVERTISER**

John C. Fultz, Of Waterville, Drowned Bedford Basin, Halifax

Published Tuesday and Fridays  
Kentville, Nova Scotia

Kentville, N. S., May 2nd, 1916.

**DAYLIGHT SAVING VOTED DOWN AT KENTVILLE**

The Daylight Saving Scheme which is being adopted in many cities and towns has found no favor in Kentville. The Board of Trade tacitly endorsed it but threw the onus of advocating it on the Town Council and the Council referred it to the people without any recommendation from that body. On Friday evening last the citizens gathered at a public meeting and by their votes showed they wished no changing of the clocks but would save their daylight without meddling with the timepieces. The vote was an emphatic negative to the scheme.

**To Harness the Bay of Fundy.**

A report made to the United States Department of Commerce by Consul Henry S. Culver, at St John, in regard to the project of harnessing the Bay of Fundy, says:

"This bay extends from the island of Grand Manan, off the mouth of the St. Croix river, in a northeasterly direction for about 150 miles. It separates the Provinces of New Brunswick and Nova Scotia and for two-thirds of its length from Grand Manan is a straight solid body of water some forty miles in width, then it is split by a narrow neck of land into two almost equal legs, the left leg known as Chignecto Bay and the right leg as Minas Basin. In this great body of water the tides of the ocean rise to a greater height than anywhere else in the world.

"At the head of the bay in the two legs mentioned the tides reach the heights of 50 feet; even at the city of St John on the main body of the bay they rise 28 to 30 feet. In some places there are very swift currents, exceeding in fact, the flow of the swiftest rivers, and it is the utilization of these currents for power that is now greatly interesting the Maritime Provinces of Canada.

"The general flow in the middle of the bay is from 1 to 2 knots an hour, and the maximum rate at Digby, on the Nova Scotia coast, is 4 knots, but in the right leg of the bay, known as Minas Channel, the rate is from 8 to 10 knots.

"This rapid current is doubtless due to the peculiar shape and formation of neck of land, known as Cape Split, which extends up into Minas Basin in the shape of a hook, narrowing the waters of Minas Basin at the extreme end of the cape to a very few miles. It is at this point that the matters of the bay offer the greatest advantages for water power, because, first, there will be no obstruction to navigation; second, it is an ideal location for a power house; third, here is the swiftest current; fourth, here are the highest cliffs; fifth, it is the central position in relation to the needs of the Provinces. Within a radius of 100 miles an urban population exceeding that of any city in Canada, except Montreal, can be reached."

**British Troops in Kut el Amur Surrender—Stood 143 Days**

London, April 29—The following official announcement was made:

"After a resistance protracted for 143 days and conducted with a gallantry and fortitude that will be forever memorable, General Townsend has been compelled by the final exhaustion of his supplies to surrender. Before doing so he destroyed his guns and munitions. The forces under him consist of 2,970 British troops of all ranks and services, and some 6,000 Indian troops and their followers."

Halifax, May 1—John C. Fultz, of Waterville, Kings County, was drowned in Bedford Basin on Saturday afternoon about four o'clock. Dr. Finn held a coroner's inquest and the verdict was that the deceased was accidentally drowned while suffering from temporary insanity. Mr. Fultz had worked at the terminals and last week was paid off at his own request. It was noticed that he was not feeling well and was acting strangely. He leaves a wife and two children, residing at Waterville.

Early last winter the deceased had the misfortune of losing his house and barn, at Waterville by fire. He came to Halifax in quest of work and got a job at the terminals. About a week ago it became noticeable that he was greatly depressed. While in this state he met with an accident by falling into one of the cisterns and nearly lost his life. On Friday he reported that he was not feeling well and desired to leave for home. He was given his pay slip and instead of getting it cashed he took it to the cook. He was advised to take a rest which he did. Later he took his valise, evidently with the intention of going to the station. One of the workmen went to the station to inquire if Mr. Fultz had bought a ticket and was informed that he had not. This was on Friday. The police were notified. No trace of him could be found. On Saturday afternoon, about four o'clock, a boy from Africville noticed a man leave a valise on the shore between the Tar works and oil tanks. The boy found a purse on the valise. It contained eighty-two cents. This man proved to be Fultz. He walked out into the water for a short distance and either stumbled or lay down. The boy gave an alarm and some men from the oil tanks responded in a boat. When they reached the deceased he was unconscious and efforts at resuscitation were unavailing.

The body was removed to Spencer's undertaking place where it will be prepared for burial and sent to Waterville on Tuesday. The funeral will be taken charge of by the I. O. O. F. The deceased was a member of the Waterville branch of that order.—Halifax Herald.

**Melrose Canadian Club**

There is a live Canadian Club in Melrose, Mass., according to a report which comes to us from the Stoneham "Independent." This club was organized in November, 1915, with a membership of 40 and now has 125 members. The object of the club is relief work for the alleviation of suffering in the hospitals, to provide comforts for the Canadian soldiers in active service and the prisoners of war and the furthering of friendship between the United States and British Empire. The Club held club night at the theatre and had a packed house realizing a large sum for their fund. The club sent 157 Xmas bags and many letters 146 fracture pillows, sheets, slips, bandages, sponges, helmets, mufflers, whistles, shirts, sleeveless shirts, handkerchiefs, jelly, honey, soap, etc., etc., to the front.

Mrs. F. Whiston, daughter of Conductor and Mrs. Margeson of Kentville is one of the most enthusiastic workers and press correspondent of the organization.

**Funeral of Miss Hall.**

The body of Miss Hall, for years matron of the Old Ladies Home, arrived from Wolfville yesterday and the funeral was held from the train to Camp Hill Cemetery. A clergyman from Wolfville accompanied the body to this city and conducted the burial service at the cemetery.—Morning Chronicle.

**OUR NOBLE NOVA SCOTIAN BOYS HAVE STOOD THE TEST**

Brave Work of Lieutenant Rev. E. J. Brooks, L. B. Blenkhorn, and A. F. Angovino.

Ottawa, April 30—The heroic defence of the St. Eloi positions by one of the Canadian infantry brigades is recorded in the weekly communique of the Canadian general representative at the front. The splendid part played by a Nova Scotian battalion, and many individual instances of gallant and conspicuous service are given in the despatch, which follows:

Canadian General Headquarters in France, via London, April 30.—During the week the main efforts of the enemy on the Canadian front were once again centred on our St. Eloi positions. For several days one of our brigades held this section. It was an eventful experience for the men concerned.

On the second night four separate bombing attacks were made by the Germans on advanced posts of a Nova Scotia battalion. In each instance the enemy was repulsed by detachments under Lieutenants W. A. Cameron and L. H. Johnston.

On the same night another of our posts, under the command of Lieutenants G. C. Farrish, was heavily bombarded with grenades. After daylight a German bombing party advanced against this position under cover of intense artillery fire. When well clear of its trenches it was greeted with rapid machine gun and rifle fire and retired with hurriedly, leaving a number of dead or wounded on the field.

On another night an excellent reconnaissance was carried out by Lieutenant Duclos, accompanied by Lieutenant Ross Robertson. Lieutenant Charles Doljhin took out patrols on three successive nights, securing useful information as to the enemy's dispositions.

Separate reconnaissance by parties under Captain Stairs and Lieutenants Smith and McNeil, of a Nova Scotia battalion, yielded good results.

Lieutenant E. J. Brooks, of a Nova Scotia battalion, a clergyman before the war, had a crater with a small party for forty-eight hours, and repulsed two German attacks. At the end of his tour of duty he went back over a zone swept by the enemy's fire and assisted in the evacuation of wounded men.

In the same regiment Lieutenant P. V. Holder, a student from Lunenburg, N. S., the youngest subaltern in his battalion, went out beyond the parapet of a detached post and shot two Germans. Later, under heavy fire, he succeeded in securing articles of identification from their bodies.

Private L. G. Blenkhorn, another student, from Canning, N. S., volunteered to carry messages between exposed positions. In one instance he travelled over a mile under intense fire, the trip taking two hours to perform.

Private J. T. Thompson, of Granby, Que., was badly wounded while carrying a despatch. Realizing that he could not reach his destination, he scorned to take cover but turned back, in face of the enemy's fire, and contrived to reach his starting point, where he reported to his officer.

Seeing Thompson return wounded, Private F. Angovino, Middleton, N. S., immediately volunteered to attempt the journey, and came through the hostile fusilade unhurt.

**Capt. Henshaw Returned to Wolfville**

Among the passengers by the steamer Halifax, was Captain Henshaw, son of the commodore captain of the United Fruit Company line. Captain Henshaw, who was with the 24th New Brunswick Battalion at Ypres, was wounded and returned to this country as medically unfit. The returned officer landed at New York. Captain Henshaw possesses the usual characteristics of our returned fighters, in that he will say little about himself. His words to his friends were all about the splendid fighting quality of the Canadian private. He will return to the front after a three months' furlough at his home in Wolfville.

**A Soldier of the King**

Kenneth Hogan some sixteen years of age, son of Mr and Mrs. Charles Hogan, Church St., Cornwallis, some five weeks ago enlisted in the 219th N. S. H., mobilizing at Wolfville. This young lad was keen to go to the war, and after Dr. Cutten, President of Acadia University, started to form his Acadia College Company for this Battalion his parents consented. This brave young lad, lots of good old Colchester blood in his veins is finishing his year at Acadia Collegiate Academy and actively drilling at the same time. He is infatuated with military training and, without doubt, will turn out a brave, gallant and noble "soldier of the King."—Truro News.

Pigs For Sale—Pure bred Yorkshires, four weeks old May 10th. Truman H. Eaton, Kentville.

**GAVE HIS LIFE FOR HIS COUNTRY**

Wilfred J. Doherty Killed in France

Mr. and Mrs. W. H. Doherty of Kentville received the sad intelligence by telegraph on Sunday that their son, W. J. Doherty, had been killed in action in France on Wednesday, April 19th, 1916.

Will was one of the bright young men who grew up in this town and was a general favorite with all. He left Kentville about nine years ago and went into the Canadian West and engaged in railroad work. He visited his home here about four years ago. Last year he responded to the call for defenders of the Empire and came to Ontario and enlisted and was with the 13th Battalion, 3rd Brigade, R. H. C. First Canadian Division, B. E. F., and letters from him have told of his experience at the front. His family received a letter only on Saturday last which told of his coming out of the trenches in Belgium for a short respite and the telegram of his death next day came as a great shock to his relatives.

Kings County will preserve on her Honor Roll of those who gave their life for their country the revered name of W. J. Doherty. He was 32 years of age.

The 219th are to have a newspaper. It will be called "The Bluebell," and promises to be a splendid organ.

Private A. Spencer of the 219th Battalion, has been promoted to Corporal.

**DUBLIN UNDER MARTIAL LAW.**

A faction of the Irish in Dublin known as the Sinn Fein party have raised in rebellion against the Governmental authority and seized several places in the city and waged a factious fight.

This event followed closely after the sinking of a ship with German arms and ammunition which was attempting to land on the Irish coast. Sir Roger Casement, an English Baronet, was on the ship and has been placed under arrest as a rebel.

British regulars from England and Belfast are now in possession of Dublin and the loyal Irish are doing all in their power to stamp out the incipient rebellion.

In a report to Parliament on Wednesday the following was presented:

Premier Asquith this afternoon read a telegram in the House of Commons stating that the situation in Dublin was satisfactory. It was not the case, the message stated, that the rebels had machine guns.

Lord Lansdowne declared that there was now a complete cordon of troops around the centre of Dublin. He added the information that "a half-hearted attack" was made by the rebels on Dublin Castle, Monday. The casualties at Dublin, according to his statement, were 19 killed and 27 wounded.

Baron Wimborne, Lord Lieutenant of Ireland, forwarded advices from Dublin to the effect that the situation was satisfactory, and that the news from the Provinces was reassuring. He placed the number of insurgents killed at eleven.

**Minard's Linctant Relieves Neuralgia.**

**SIGNALS OF DISTRESS**

**Kentville People Should Know How to Read and Heed Them**

Sick kidneys give many signals of distress.

The secretions are dark, contains sediment.

Passages are frequent, scanty painful.

Backache is constant day and night.

Headaches and dizzy spells are frequent.

The weakened kidneys need quick help.

Don't delay! Use a special kidney remedy.

Booth's Kidney Pills cure sick kidneys, backache, and urinary disorders. Kentville evidence proves this statement.

James Foster of Gaspereau, N. S., says:—"For several months I had been very much troubled with lame and sore back which inconvenienced me very much in working. The pains in my back were so severe at times that I would have to stop my work. The kidney secretions had also been highly colored and contained a heavy sediment. I had tried various remedies to relieve me but without receiving any benefit from them. I then learned of Booth's Kidney Pills through an advertisement and procured a box at J. D. Clark Pharmacy and found in them almost immediate relief. Today I feel as if I had a new back as it does not trouble me in the least. The kidney secretions have also learned and I feel better generally. Sold by Dealers. Price 50 cents." The R. T. Booth Co., Lt. Fort Erie Ont, Sole Canadian Agents.

The Canning Boot and Shoe Repairing Parlors. Having admitted William Irving as partner in my business we will be able to do work at short notice.

**Rev. O. C. S. Wallace Speaks on American-German Attitude**

The following interesting interview of the American-German attitude was given to the Montreal Standard by Rev. O. C. S. Wallace, who recently returned to Montreal from the United States.

Mr. Wallace is a native of Highbury, Kings Co., and is one of the leading divines of Canada, being pastor of one of the Baptist churches in Montreal.

The Rev. O. C. S. Wallace, D. D., pastor of the Westmount Baptist Church, Montreal, who has just returned from attending a Baptist Students' Convention at Fort Worth, Texas, gives an interesting account of his trip, during which he undertook to discover the trend of opinion in the United States regarding the war.

Dr. Wallace, in order to obtain a genuine opinion from his fellow-travellers, kept his Canadian nationality in the background, and was careful not to express any bias as to the great European struggle. To get the trend of public opinion he interviewed men of all ranks and conditions, and all but two expressed themselves in sympathy with the Allies. The two exceptions were Germans, "Hyphenated Americans," as President Wilson has dubbed them.

**Angry Americans.**

One of the two was very careful not to express sympathy with either side, but betrayed by his conversation that he was furiously angry at the attitude of the United States Government in the present war. One of the questions put to this Teuton by Dr. Wallace was if he thought that after the war was over there would be a large immigration from Germany to the United States, the reply of the American-Hun was a most emphatic "No!" The German added that if any Germans at all left Germany after the war, that they would go to South Africa, but most certainly not to the United States. The spirit in which this was uttered, said Dr. Wallace, spoke volumes regarding the feelings of the speaker.

Number 2 Hun interviewed by Dr. Wallace, was on his guard, and withstood any and all attempts to be drawn in conversation regarding the war, carefully turning the conversation into other channels.

Far different was the attitude of a German brakeman with whom Dr. Wallace got into conversation while waiting to make connections.

This American German seemed well educated. He told Dr. Wallace that at a German debating society where he belonged, that he had given a number of recitations, and had given all he knew, with the ing pressed for more, said he exception of one on the Kaiser, which he did not think would be well received by the Germans present. He, however, was pressed to give it, and did, and to his surprise, said he, was applauded by the Germans present and encored. Dr. Wallace obtained the lines, which are original, and serve to show the respect some German-Americans have for the Kaiser. The lines read as follows:

**Destroy Sweepings Barn Floors and granaries.**

Sweepings from threshing floors and granaries are frequently dumped in the barnyard and later hauled to the land with the manure. The sweepings from the floor and its crevices are usually foul with weed seeds.

Unless the yard scrapings or manure is thoroughly rotted most of these weed seeds will retain their vitality and produce a vigorous crop of weeds. Burning the sweepings would be a much safer method. If they contain grain, boiling will make them a safe feed for poultry or live stock.

**Minard's Linctant for sale everywhere.**

**THE LATEST ULTIMATUM**

**The Kaiser's Prayer.**

Gott, dear Gott, attention please, your bardner Wilhelm's here,

Und has a word or two to say into your private ear; So durn away all udders now, und listen vell to me.

Vor vat I say concerns me much; meinself and Shermany.

You know, dear Gott, I vas your friendt, und from my hour of birth,

I quietly let you rule de heffen, vile I ruled o'er the earth.

Und ven I told mein soldiers of by-gone battles days, I gladly split de glory, und gave you half der braise.

In efery way I tried to brave mein prove to you vas true, Und only claim mein honest share of great deeds vot ve do;

You could not haf a better friendt in land or on der see, Dan Kaiser Wilhelm number two, der Lord ov Shermany!

So at I say, dear Gott, is dis: dat ve should still be friendts, Und you should help me send my foes to meet dair bitter endts.

If, dear Gott, vill dis me do, Ill nothing ask again, Und I und you vill bardners be, for evermore—Amen!

**Ultimatum.**

But, listen, Gott, it must be quick, your help to me you sendt,

Or else I have to stop attack, und only play defend.

So four und twenty hours I give to make red Allies run, Und put me safe unto my place —der middle of der sun.

If dis you do I'll do my bart. I'll tell der vorldt der fact, But if you don't den I must dink it in a hostile act,

Den var at vonce vill I declare, und den mein angers rise, Und send mein Zeppelin ships to vage a fight up in der skies

Dis ultimatum, now, dear Gott, is one of many more, Mein mind is settled up to clean der whole vorldt off der floor, But because yo-ue mein bardner, Gott, an extra shance is gifen.

So help me vunce, or else I'll be der Emperor of de Heffen. —By a German.

**REV. DR. BROWN HAS ACCEPTED CALL**

Rev. J. W. Brown, Ph.D. of Wolfville, has accepted a call to the pastorate of the Middle Sackville and Midgie Baptist churches and has begun his work.

For the past six or seven years Mr Brown has been secretary of N. S. Sunday School Association. Previous to that he had ministered to important fields in various parts of New Brunswick and Nova Scotia. He is recognized as being one of the best speakers in the Baptist denomination in the Maritime Provinces and Middle Sackville and Midgie are most fortunate in securing his services.

With his wife and family he has been residing in Wolfville, where one of his daughters will this year graduate from Acadia. He has one or two sons in the ministry. Mr. Brown will take up his residence in Middle Sackville immediately; Mrs. Brown and family will follow after the Closing exercises of Acadia. —Sackville Tribune.

# Production and Thrift

"GAIN or no gain the cause before the farmers of Canada is as clear as it was last year—they must produce abundantly in order to meet the demands that may be made, and I believe this to be especially true in regard to live stock, the world's supply of which must be particularly affected in this vast struggle."—HON. MARTIN BURRELL, Minister of Agriculture.

THE FOLLOWING STATEMENTS ARE BASED ON REPORTS CONTAINED IN "THE AGRICULTURAL WAR BOOK, 1916," PUBLISHED BY THE DEPARTMENT OF AGRICULTURE, OTTAWA, ONT.

**LIVE STOCK**—The herds and flocks of Europe have been greatly reduced. When the war is over there will be a great demand for breeding stock. Canadian farmers should keep this in mind.

**MEATS**—In 1915 Great Britain imported 664,508 tons of beef, mutton and lamb, of which 364,245 tons came from without the Empire. Out of 430,420 tons of beef only 104,967 tons came from within the Empire.

The demands of the Allies for frozen beef, canned beef, bacon and hams will increase rather than diminish. Orders are coming to Canada. The decreasing tonnage space available will give Canada an advantage if we have the supplies.

**DAIRYING**—Home consumption of milk, butter and cheese has increased of late years. The war demands for cheese have been unlimited. The Canadian cheese exports from Montreal in 1915 were nearly \$6,500,000 over 1914. Prices at Montreal—Cheese: January 1915, 15 1/2 to 17 cents; January 1916, 18 1/4 to 18 1/2 cents. Butter: January 1915, 24 to 25 1/2 cents; January 1916, 32 to 33 cents.

**EGGS**—Canada produced \$30,000,000 worth of eggs in 1915 and helped out Great Britain in the shortage. Shippers as well as producers have a duty and an opportunity in holding a place in that market.

WRITE TO THE DOMINION DEPARTMENT OF AGRICULTURE AND TO YOUR PROVINCIAL DEPARTMENT FOR BULLETINS ON THESE SUBJECTS

Tens of thousands of Canada's food producers have enlisted and gone to the front. It is only fair to them that their home work shall be kept up as far as possible. The Empire needs all the food that we can produce in 1916.

### Excellent Farm For Sale

Situated at Waterville near station, post office and stores, 80 acre orchard giving 500 bbls of apples, tillage pasture and hay land, will cut 1000 cords of hard and soft wood and timber. Fine house, large new barn and other buildings. A fine location, soil excellent, and will be sold at price little in advance of what it would cost to put up new buildings. Part may remain on mortgage. For full particulars and price, address H. G. HARRIS, Kentville.

### Planting Weak Seed Corn

Although seed corn has tested fairly well at the Ottawa Laboratory, corn growers whose seed has not been tested would do well to take special care this season that their seed is of strong vitality. Owing to unfavorable ripening and harvest weather some of last year's seed corn crop may be low both percent and vigor of germination. This seed should not be planted until the soil is warm and the weather at its best to encourage the growth of the young corn plant. The rate of seeding may be increased, but no amount of fairly weak seed is likely to give a good stand of plants unless the conditions of growth are most favorable.

### NEAR DEATH'S DOOR.

Mi-o-na cures dyspepsia. If any of the readers of this paper are suffering from stomach troubles of any kind, J. D. Clark, Druggist, will sell you a box of Mi-o-na for 50 cents with an absolute guarantee of relief or money back. Neil Murray of Huron Road, Goderich, Ont., says, "I have suffered with indigestion for over four years and had been given over as incurable by many doctors. I had become a nervous wreck through loss of sleep, and whatever I eat did not remain on my stomach for over two hours. I would suffer with vomiting spells that would almost kill me perspiration as large as beads would break out all over my body and leave me in so weakened a condition that I would be unable to stand, not a night's rest in over six months and was so weakened and run down that my family thought I would die. My heart was greatly weakened and would flutter and sharp pain would come through my chest and cut off my breath. I was reduced in weight from 150 to less than 110 pounds. Doctors would give different causes for my trouble, yet none of them gave me the slightest relief. I commenced treatment with Mi-o-na and when half of the first box was used I could eat my meals without suffering the dreadful vomiting spells. I used about ten boxes in all, and am entirely cured. My stomach is as strong as ever and there is not the slightest trouble with digestion. I have gained about 40 pounds in weight, am strong and healthy and like a new man. I will always speak highly of Mi-o-na, as it cured and I believe kept me from sure death when all else failed."

### LARGE SIZED APPLE TREES FOR SALE.

Some splendid Wagners, Cox's, Orange, Red Gravensteins, Wellingtons—as large as ordinary nursery stock will be four or five years, hence—can be transplanted without any risk if given good care, splendid for fill-in older orchards where trees have died.

Also some very fine ornamental trees, Horse Chesnut, Ash, Birch, Elm, Poplar, and some ornamental shrubs. Apply to RALPH S. EATON, Hillcrest, Kentville. 6iap18

ANYONE CAN DYE THEIR CLOTHES WITH DYOLA

The Dye that colors ANY KIND of Cloth Perfectly, with the SAME DYE.

No Chance of Mistake. Clean and Simple. Ask your Druggist or Dealer. Send for Booklet, The Johnson-Edwards Co. Limited, Montreal.

**Synopsis of Canadian North-West Land Regulations.**

THE sole head of a family, or any male over 18 years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. Applicant must appear in person at the Dominion Lands Agency or sub-Agency for the district. Entry by proxy may be made at any Dominion Lands Agency (but not Sub-Agency) on certain conditions.

Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required except where residence is performed in the vicinity.

In certain districts a homesteader in good standing may pre-empt a quarter section alongside his homestead. Price \$3.00 per acre.

Duties—Six months residence in each of three years after earning homestead patent; also 50 acres extra cultivation. Pre-emption patent may be obtained as soon as homestead patent, on certain conditions.

Assettor who has exhausted his homestead right may take a purchased homestead in certain districts. Price \$3.00 per acre. Duties—Must reside six months out of three years, cultivate 50 acres and erect a house worth \$300.

The act of cultivation is subject to reduction in case of rough, scrubby or stony land. Live stock may be substituted for cultivation under certain conditions.

W. W. COREY, C. M. G., Deputy of the Minister of the Interior

**NOTICE**

Now is the time to get your chimneys cleaned before it is too late, as most of the fires originate from dirty chimneys. Just send a card to BUSH BROS., Kentville.

### Big Battles In Progress on All Fronts

Battles of heavy proportions have been in progress in all the war theatres except the Balkans. Successes for the Entente Allies and the Teutonic Allies have varied. Four vessels—an Italian steamer, a French barque and two British steamers—and reported to have been sunk by submarines. All their crews are believed to have been saved. Dr. Von Bethmann-Hollweg, the German Imperial Chancellor, has returned to Berlin after a visit to army headquarters, where he discussed the American note to Germany concerning Germany's submarine warfare with the German leaders. The Chancellor's early return is taken to indicate that Germany's reply has been formulated.

On the Verdun front where for two months the Germans and French have been almost continuously in battle, the Germans, according to an estimate of the French War Office, up to April 22, had used thirty divisions, or about 600,000 men, in the fighting or in reinforcing units which suffered heavy losses.

The Germans claim the capture of French trenches in the Verdun region southeast of Hancourt and west of Dead Man's Hill, while Paris records the taking of several German positions in the Avocourt wood. Hill 304 is again under the heavy bombardment of the Germans.

Artillery duels have everywhere featured the fighting in France and Belgium, being particularly severe on the Belgian sector between Nieupoort and Dixmude and south of the Somme, where the French has concentrated its fire on German trenches.

Trenches taken by the Germans on the British on the Langemarck-Ypres road have been evacuated owing to floods, which made their consolidation impossible.

The Germans are still using their big guns against the Russian skull bridgehead on the Russian front and farther south have repulsed a Russian attack in the Lake Naroev region. The annihilations of a German scouting party near Lake Vygonoykove and the destruction of an Austrian post north of Czartorysk are told of in the Petrograd official communication. Ten German aeroplanes have bombed the Russian aviation station on Osel Island, in the Gulf of Riga, at the entrance to the Baltic Sea.

The Italians and Austrians have fought a sanguinary engagement on the Carso front near Selz, which the Italians captured 360 meares of Austrian trenches and took a number of prisoners and a quantity of rifles and other war stores. While the Russians report that in the Caucasus region near Achkala, fifty miles west of Erzerum, they have captured an important sector of the Turkish position, Constantinople says that south of Bitlis the Turks have defeated the Russians and sent them in retreat toward Bitlis. In an engagement east of Mush, the Russians were again to debouch south from Trebizond was stopped by the Turks. Fighting is in progress between the Turks and a Russian detachment which landed on the Black Sea coast ten miles west of Trebizond.

### H. M. S. Russell Strikes Mine and Sinks in Mediterranean

London, April 28—The British battleship Russell has been sunk by a mine. Admiral Fremantle, the captain of the Russell, twenty-four officers and 676 men were saved. Under ordinary conditions the Russell carried between 700 and 800 men. About 124 men from the Russell are missing. The warship was sunk in the Mediterranean.

The Russell was laid down in 1899, and completed in 1903. She was 405 feet long, 45 feet beam, 26 feet deep, and displaced 14,000 tons. She was armed with four 12 inch, twelve six inch, twelve 3 inch and six 2 pound guns, and four torpedo tubes. She cost about \$5,000,000. A German submarine was sunk off the East coast yesterday it was announced officially today. Eighteen men of the submarine were captured.

### Germans Plan Great Offensive Against Anglo-French Forces

Paris, April 28—That the German military and naval staffs are preparing a great offensive both against the combined Anglo-French army on the continent and the fleet on the coast of Great Britain in a last, desperate bid for victory, is the conclusion arrived at by Major de Civrieux, the military critic of the Matin, after a close study of the military factors of the situation.

The simultaneous occurrence, he adds of Zeppelin raids, the risky North Sea naval expedition, and the unexpected outbreak in Dublin are not mere coincidences. At the same time, he points out, the Swiss frontier has been closed for three weeks, while on the French front in Lorraine and in the Vosges the Germans are renewing partial demonstrations in the hope of dividing the attention of the French Staff.

There is one principle that the German Staff will never abandon, Major Civrieux concludes, unless under absolute necessity, and that is the retention of the strategic initiative. It is aware of the Allies common designs and is exerting all its energies to forestall them.

### CORRESPONDENCE

To the Editor of the Advertiser: Sir:—In your issue of April 25th you published a letter signed C. R. Bill, Jr., in which he says that I was reprimanded in the Council quite severely for making my charges so extortionate. This is an absolute falsehood, without any foundation of truth whatever.

As my reply to Mr. Bill will be published in The Western Chronicle, and many of your readers will not see it I think it would only be fair on your part to give this denial a place in your next issue.

FRED E. WOOD,  
Lakeville, April 29th.

### Attack on the British Front Promises to Rival that on the French at Verdun.

Bulletin—London, April 28, 1.31 a. m.—Great activity at various points along the British front is reported in the latest official communication. The Bedfordshire Regiment carried on a successful raid near Carnoy. There has been artillery activity at La Boisselle, Hebuterne, Monchy-Au-Bois, Neuville-St. Vaast, and Frelingheim. At Frelingheim the Germans entered the British trenches but were driven out.

Similar attacks on the British trenches on Hill 60 and at St. Eloi were repulsed.

The communication closes with an account of the aeroplane activity, including a description of a fight between a German "two-seater" and a British "one seater", resulting in the death of both German aviators and the destruction of the machine, which fell from a height of 14,000 feet.

### Lieut. Hazen Killed By a Premature Explosion of Fuse

London, April 26—Information now received shows that the death of Lieut. Hazen, son of the Canadian Minister of Marine and Fisheries, was caused by the premature explosion of a time fuse on which he was engaged.
