The Sabbath stilness was broken promised to marry. I will not urge you to your poor, crippled sister. I have The police officers who had conveyed Now, judge, I don't consider this only by the murmur of the brook; even farther; a Hambleton never yet begged seen the gaze you fix upon her, and Harry to the station, corroborated his quite fair, he said, laughingly. I had the birds had hushed their glad songs, a woman's love. Yes, he said, stay and watched her every word. Our fears testimony as to finding the pocket-book made every calculation to have Harry and flown home to their nests. On one upon Harry's person. After the examidine with me to-day, but I see you have side of the little village, nestled in the pocket had hushed their glad songs, be a nurse for a set of crying children. May be groundless. But if they do side of the little village, nestled in the pocket had hushed their glad songs, and flown home to their nests. On one side of the little village, nestled in the pocket had hushed their glad songs, and flown home to their nests. On one side of the little village, nestled in the place and perhaps when too late, you watched her every word. Our fears the station, of several more witnesses, which we need to be a nurse for a set of crying children. The tears came into the every of the place and perhaps when too late, you watched her every word. Our fears are placed and perhaps when too late, you watched her every word. Our fears are placed and perhaps when too late, you watched her every word. Our fears are placed and perhaps when too late, you watched her every word. Our fears are placed and perhaps when too late, you watched her every word. Our fears are placed and perhaps when too late you watched her every word. Our fears are placed and perhaps when too late you watched her every word. Our fears are placed and perhaps when too late you watched her every word. Our fears are placed and perhaps when too late you watched her every word. Our fears are placed and perhaps when too late you watched her every word.

I should not be a true woman if I mar-being kept there by a crippled sister going to show the previous good charac- and he my own friend, too, he ended, The little stile, at the end of the farm ried you; and please do not speak so of whom he could not leave to seek his fortune. At times, when he thought of George Hambleton regarded her in-Ethel, he felt God was unjust in not al-Love urged Yes, while Pride whispered dence, he felt he could never atone for

the wicked thought. For a long time Ethel, once more, and for the last time, the brother and sister sat in the twilight. At last she said,— Be hopeful, dear Earnest. Trust in

This has been a long, long day to me. dream. His departure was so sudden, which has remained unspoken because I O brother! O Julia! I surely prove Tell me, Ethel, and oh, remember a true Tell me, do you love me, or do you re-

The dark, expressive face of Earnest

Your father, dearest, has consented grudge against the prisoner. He considered himself too good to associate with make the journey of life; and, hand in hand, my loved one, we will surmount derstand why. You encouraged my thinted that a voyage to Europe would be beneficial to me. Intended to follow out his suggestion, and engaged passage out his suggestion, and engaged passage out his suggestion, and engaged passage for she sailed was in company with a friend. We had some trouble about. Happy Harry! Clasping his heart's best love in his arms his persetively more than my share, and becoming
