## LOCAL HAPPENINGS

Was there ever a hotter June? Children's Wash Suits at Swift's. Nearly time to start hay making on the back streets.

Clearing Sale of Millinery.—A. Brown & Co. Wanstead Farmers' Club will picnic at Hillsboro on Saturday, June 24th.

The rain showers on Friday night and Saturday were very welcome and refreshing.

Boys' Sport Outing Shirts at Swift's. Wattford ball team goes to Petrolia Monday and Bridgen plays here Wednesday next.

There is a stamp tax on cheques, drafts and overdrfts, but deposit slips are still free.

Several individuals from here attended the Clan Campbell reunion at Poplar Hill last Thursday.

25 Men's Suits, sizes 35, 36, 37, 38 and 39, to clear \$15.00.—A. Brown & Co.

Even mules can't kick while they are pulling. Neither can they pull while they are kicking.

Someone has raised the question what kind of an animal is the rag-chewer? That's easy; he's a bore.

Miss Mansfield is supplying at the public school this week during the absence of Mr. Mahon who is presiding at examinations.

Art Tailored Suits are correct.—Swift's.

This is the month when one must make a decision whether to give the blushing bride a berry spoon, a pie knife or a pickle fork.

"Do you know the nature of an oath madam?" "Well, I ought to, sir. We've just moved and my husband has been laying the carpets."

Service will be held in the Wattford Baptist church next Sunday, June 18th at 3 p.m. Mr. L. J. Stone, pastor, will preach on the subject "Sin."

Six Ladies Tailored Suits, come and get a bargain.—Swift's.

At the London Conference last week Rev. W. K. Hager, pastor of the Wattford Methodist Church, was selected a delegate to the General Conference.

The Minister of Education announced that this year the results of the departmental and matriculation examinations will not be furnished the daily papers.

To play squarely and without price to win fairly and without deceit, to lose honorably and without bitterness—these are the things worth while in amateur sport.

Cecil Atcheson, who suffered loss of his stock and severe damage to his plant by fire will start business again as soon as it is possible to get his affairs in working condition.

3 dozen Ladies Motor Hats, mostly samples, half price.—Swift's.

The annual meeting of the E.L.W. I. will be held in the Methodist Church, Thursday afternoon, June 22 at 2 p.m. Lunch will be served at the close for 25c. Ladies of the town are invited.—Sec.

The suggestion that sidewalks should be set back four feet because of the general use of the auto seems logical, as everybody knows the purchase of an auto puts a man back a whole lot more than four feet.

The annual convention of East Lambton Women's Institute will be held Thursday, June 22nd, in the basement of the Methodist church, Wattford, at 2 p.m., the Executive to meet at 1 p.m. A 25c lunch to be served at close. All ladies are invited.

June sale of carpets and rugs.—Swift's.

A lady welfare worker, sapiently states that boys need as much attention as do horses. "As much?" Who hath tried to keep one boy shod, tethered, bridled, checked, curried and watered? demands the Cincinnati Enquirer.

The Lower, Middle and Upper school examinations are being held at the High School this week. The presiding officials are Mr. McKichan, principal of the Petrolia High school, Mr. Mahon, principal of the Wattford public school and Mr. W. H. Shrapnell.

Extra heavy unbleached table linen—guaranteed every thread linen—extra wide, \$1.85 per yard.—A. Brown & Co.

At the June meeting of the East Lambton Agricultural Society, held in the basement of the Library on Saturday evening, Mr. Russell McCormick was appointed Secretary to fill the vacancy caused by the resignation of Colonel Kenward on account of illness.

Men's Silk Hosiery 49c, 69c, \$1.00, \$1.25, \$1.85, \$2.00.—Swift's.

The thirty housewife is now soaking away eggs for next winter. With her crock, water-glass or salt, cheap eggs are put away until the time comes when the price is twice or more than at present. The way to beat the cold storage people is to go into the cold storage business yourself.

On Wednesday, June 14, Mr. F. J. Hughes brought to this office a nice mess of good sized new potatoes, raised in his garden on Simcoe street. They are of the early buckeye variety and the first home-grown that we have seen. Last year he dug some on June 7th, but this being a somewhat backward year the present sample is fully as early.

Boys' Khaki and Cottonade bloomers \$1.25, and \$1.50, youths' long khaki pants \$2.00.—A. Brown & Co.

A pleasant afternoon was spent last Thursday at the Manse when seventy-five ladies of the Presbyterian church gathered to make plans for future work and also to spend a social hour together. A dainty lunch was served on the porch. The ladies are contemplating the undertaking of raising funds for the purpose of decorating the interior of the church.

A SPECIAL MUSICAL CHILDREN'S Day service will be held in the Congregational church on Sunday evening at 7 p.m. Special choruses, recitations, etc., by the children and young people from the Children's Day Service entitled: "The Child For Christ." An appropriate address will be given by the pastor, the Rev. T. DeCourcy Rayner. All parents and friends are cordially invited to be present.

Boys' white suits to open Friday.—Swift's.

A special meeting of the members of Court Lorne No. 17 C.O.F. will be held in the Foresters-Hall on Monday evening, June 19th for the purpose of selecting a new financial secretary to fill the position made vacant by the resignation of the present incumbent, and other business. Bro. Forester this is your business, please attend the meeting and see to it that your business is attended to by a fit and proper person.—Chief Ranger.

Ladies, Misses and Children's bathing suits at Swift's.

Another specimen of the rapid growth of wheat was brought to this office on Monday, raised on the farm of Harvey Parker, Sutorville. It is the Dawson variety, planted September 1st, on oat stubble, with 125 lbs. fertilizer to the acre. There are seven acres in the field and averages 60 inches, the sample shown being 68 inches. Still another sample was brought in Tuesday, raised on the farm of Norman B. Morgan, London, road, on an old pasture field, which is fully as tall.

A big bargain in ladies vests, fancy trim, 4 for \$1.00.—Swift's.

The Lambton regiment went into camp Monday at Carling Heights, London, for the first time since the war.

Under the new reduced establishment the total number allowed to be taken to camp is strictly limited, and, as a consequence of this, and of the short notice given, about one hundred and ten officers and men will represent the battalion. The localities which furnished quotas are Petrolia, Sarnia and Wattford, Major R. H. Stapleford accompanying the Wattford recruits. Major C. S. Woodrow of Sarnia is in command, and Major J. M. MacAdams of Sarnia second in command.

18 Gingham and Chambray dresses regular \$6.50 to \$7.00, June clearing price \$4.00 and \$4.50.—Swift's.

Penalties are done away with under the department examinations for High School students now going on. In former years students were required to make no less than 40 per cent. on any paper and a general average of 60 per cent. on all. This year's pupils are required to make 50 per cent. or more on all papers and no attention is given to the general average. And those who pass in certain subjects but who fail in others are given credit for the subjects they do pass in. In former years a student might make more than 90 per cent. in all subjects but one; and if he made 39 per cent. on this subject—one per cent less than the minimum requirement—the student would have failed and would have to take the year's work over. This is changed now. The general minimum has been raised, but those who pass in any subject are finished with it. Supplementary examinations are possible and generally speaking it is now much easier to obtain matriculation standing than it used to be.

## PERSONAL

Mrs. J. Keller, Toronto, is visiting Mrs. J. Fowler.

Mrs. Humphrey Johnston of Elmer, visited recently with friends in town. Mr. C. P. Van Auker, Hackensack, N. Y., was a Wattford visitor Wednesday.

Mr. L. H. Aylesworth, D.D.G.M. of Strathroy District I.O.O.F., is in Owen Sound this week, attending the annual meeting of the Grand Lodge of Ontario.

Rev. T. DeCourcy Rayner was in Brantford last week attending the annual meetings of the Congregational Union of Canada. Mr. Rayner was re-elected to the Executive of the Young People's Department and re-appointed Young People's Editor of The Canadian Congregationalist.

George D. Lee and Mrs. Jessie Aylesworth left on Thursday morning to visit relatives in London, Brantford, Hamilton, Grimsby, Toronto, and other places in Western Ontario. Mr. Lee will return to Wattford before leaving for his home in California in July.

## WHERE THE MONEY WENT

A few jottings from the treasurer's report of the Women's Institute given by Mrs. L. Kinnell, treasurer, at the home of Mrs. Humphries on Wednesday evening of this week.

The treasurer's report of the Wattford Women's Institute shows that the sum of \$430.49 was raised by the Institute during the year ending May 1st, 1922. Only one appeal was made to the public in that time and that was for support in the School Fair held in September last.

The receipts from this Fair were \$165.17. The Institute catered for the Masonic supper and realized from this \$150.75. The County Council gave a grant of \$25 toward the School Fair and an additional grant of \$8 was received from the government.

Luncheon was served at the District Convention and a good sum realized.

The above with the fees of thirty members, rent for dishes and a small surplus from the sewing class constituted the source of revenue.

Presented a fine victrola and \$10. worth of records to the Public School and are giving two pictures to the Primary Dept.

Gave \$10 to the Public Library Board and placed a copy of the Canadian Home Journal in the Reading Room.

Helped the Cemetery Board to the extent of \$25 and the rink \$50.

They also contributed to the Women's Institute Cot in the Children's Hospital and supplied a silk flag for the unveiling of the Soldiers' Memorial at the High School.

The Institute begins the year with a small balance and a largely increased membership and hope to keep before their members during this year the aim of their order "To Make Better Homes, Better People, Better Communities," thus making themselves worthy of the Institute motto "For Home and Country."

## WEDDING ANNIVERSARY

One of the prettiest of June wedding anniversaries was held on June 3rd when the children and relatives of Mr. and Mrs. E. V. Thornicroft of Appin gathered to honor them and Mr. B. Willamson's, of Wattford, eighty-second birthday, father of the bride of thirty-five years.

Tables decorated with carnations and snowballs were spread outside where dinner was daintily served at high noon. The bride was charmingly gowned in black satin with touches of shrimp, with corsage of carnations and maiden hair fern.

After dinner the guests were invited to the drawingroom, which was decorated with roses and peonies, where a short program of violin selections, piano and vocal solos was enjoyed by all. Mr. B. Willamson being presented with a five-dollar gold piece by his four daughters. Mrs. Thornicroft being recipient of a beautiful parasol and Mr. Thornicroft of an Oddfellows ring from the family. The latter-making an appropriate reply.

The guests, numbering about forty were present from Brantford, Cleveland, Wattford, Arkona, Forest, Lambeth, Wanstead and Kingscourt.

A game of ball was enjoyed in the evening by the young-folks.

DEATH OF MRS. MARGARET FOSTER

After a short illness she passed peacefully away on Friday, June 9th, probably the oldest resident of this part of Ontario, in the person of Mrs. Thomas Foster of Metcalfe who had passed her 103rd birthday. She was a native of Ireland, being born in Monaghan County in 1819. Her maiden name was Margaret Whitcraft and she was married in Ireland to the late Thomas Foster. Several years afterwards she came to Canada settling with her husband in Hog's Hollow, Little York, now part of the city of Toronto, coming to Metcalfe about 70 years ago, when the township was largely bush. She underwent all the hardships peculiar to a pioneer life in the early days of Ontario. Her husband predeceased her in 1876 and she leaves one daughter, Mrs. J. W. Smith of Alvinston, and two sons, Isaac J. of Brooke and J. T., who lives on the homestead, also eleven grandchildren and thirteen great grandchildren. Another daughter, Mrs. James Patterson predeceased her. In her death we lose one of the grand old links which couples the past with the present.

Mrs. Foster was a devout Christian woman of sterling character and quiet and loving disposition and exerted a good influence upon all who were privileged to be her friends. She was a staunch member of the Church of England and in her younger days was identified with its activities and ever ready to give a helping hand to assist in its progress; and as long as she was able was a regular attendant at its services. As a neighbor she was kind and generous and her passing is deeply mourned by all who knew her.

The funeral was held on Sunday afternoon, the remains being laid beside those of her husband in St. James' cemetery, Brooke. It was largely attended, many old friends wishing to pay their last respects. The impressive service was held in St. James' church, conducted by Rev. H. R. Diehl, rector of Kerwood. The pallbearers were six grandsons, Wm. Patterson, Foster Patterson, Thomas Patterson, Leander Foster, Foster Smith and Gordon Smith.

## LAMBTON 149 I.O.D.E.

The regular monthly meeting of Lambton 149 I.O.D.E. was held at the home of Mrs. Cecil Atcheson on Tuesday, June 13th.

There were fourteen members and two visitors present. The Regent, Mrs. Adams, presided.

The meeting opened with prayer and the singing of the National Anthem. The minutes of the May meeting were read and adopted.

The report of the Petrolia Band concert was given and the committee in charge of the prizes for the School Fair reported that final arrangements had been made for these.

A communication from the National Chapter was read which stated that an act had been passed incorporating the Imperial order of the Daughters of the Empire and the Imperial order of the children of the Empire.

The executive was appointed as a connection with the War Memorial connection with the War Memorial.

The Chapter will hold a picnic in July and a committee was named to arrange for same.

Mrs. Alex Elliott invited the Chapter at her home for the September meeting.

Refreshments were served and the meeting closed with "God Save the King."

## EAST LAMBTON CONSERVATIVE CONVENTION

Hold Convention in the Lyceum and Place W. R. Dawson in the Field as Candidate

The convention called by the president, Mr. W. R. Dawson, for Wednesday afternoon was well attended the hall being well filled with a representative gathering of delegates from all sections of the riding as constituted for provincial purposes, many of the delegates being ladies.

President Dawson stated the objects of the gathering—a convention called to consider the advisability of placing a candidate in the field to contest the riding at the next election, and if thought advisable, to choose a candidate.

There was no question in the minds of the delegates as to whether there should be a candidate, the selection of one being the chief object of the meeting and the placing of him in the field as soon as possible. Four were nominated for the candidacy almost instantly. Mr. Dawson was the first to be nominated, and his name was placed before the convention by J. Johnson and E. Williamson. Howard Fraleigh, of Forest, was nominated by Fred Jennings and W. Neil. These two nominations went before the convention, with Mr. Dawson the choice of the gathering. Two others, Daniel McCahill and George Beattie but both withdrew their names in favor of Mr. Dawson and Mr. Fraleigh, the former in the south of the riding and the latter from the north. Both thanked those who had nominated them, but declined to allow their names to stand.

Mr. Dawson declared that he had promised that he would allow his name to go before the convention, but he wanted the delegates to decide honestly and fairly who would be the strongest candidate. If they decided that Mr. Fraleigh would be the stronger, he would take off his coat and work as he had done for 25 years. If he were selected he knew Mr. Fraleigh would do the same for him.

The strength of the two men is shown in the result of the ballot. Although there were more than 150 delegates in the hall, all of whom cast votes, there was only a difference of 27 in the number of ballots cast for the two nominees.

Mr. Dawson thanked the convention when the ballot was announced and said he would get into harness at once and believed there was a good chance to win East Lambton to the Conservative cause.

The election of officers was the final business of the convention and resulted as follows:—

President—D. McCahill, Forest.

1st Vice Pres.—Mrs. Thos. Allison, Alvinston.

2nd Vice Pres.—H. Darville, Alvinston.

Rec. Sec.—Thos. Harris, Wattford.

Cor. Sec.—W. E. Fitzgerald, Wattford.

Treasurer—Dr. J. Newell, Wattford.

Auditors—T. B. Taylor and W. G. Willoughby.

Vice President's

Alvinston—Sanford Lucas.

Arkona—Thomas Langan.

Bosanquet—H. Russell.

Brooke—Albert Sutton.

Euphemia—James Beattie.

Forest—George Beattie.

Plympton—William Neil.

Thedford—F. Jennings.

Warwick north—Thos. Fitzsimons.

Warwick south—Swanton Chamber.

Wattford—Dr. J. McClelland.

Wyoming—Dr. Wm. Reid.

After the election the convention was closed with the National Anthem and three cheers for the candidate.

#### NOTE AND COMMENT

Has anybody obtained a ruling on the birthday of a baby arriving at 12.50 a.m., daylight saving time?—Boston Herald.

Princess Mary bet on a horse race, and thus risks her standing with a considerable section of Canadian reformers.

Altering their minds before they approached the altar, over 100 prospective grooms in Ontario were refunded the fees they paid for marriage licenses last year.

A lot of messages are coming nowadays, telling us how we are going to live in the next world. But what is troubling the most of us is, how to make a living in this one.

Lloyd George gave Hearst a meal when he was in England, which is more than said Hearst ever did for anything that flavored of Britain.—"Tiger."

The radio and the movie appeal to the senses in a different way. One makes you hear what you cannot see and the other see what you cannot hear.

The Minister of Finance announced several changes in the Budget proposals on Monday. Among them is that of making \$2.00 the stamp limit on cheques, a reduction of 4 1/2 cents on beet sugar excise and also a reduction of the cigarette tax to \$7.50 a thousand.

London Advertiser:—The thrifty housewife is now soaking away eggs for next winter. With her crock, water glass of salt, cheap eggs are put away until the time comes when the price is twice or more than at present. The way to beat the cold-storage people is to go into the cold-storage business yourself.

Man is a queer proposition, remarks the Hanover Post. He will go clear through the roof if the central girl does not give him his number in half a second, and yet he will sit hour after hour in a boiling sun, with the mosquitoes eating him up, vainly hoping some nice little fish will come along and take a chance at his hook.

Galt Reporter:—It's a long way from a desk in the Galt Collegiate Institute to a pace in the pulpit of Westminster Abbey, but Rev. H. J. Cody has spanned the distance—or will when in response to an invitation from London he preaches the sermon at the consecration of the new English Bishops on the 24th of this month.

Belleville Intelligencer:—There are two many undiscovered murderers. The Detroit News asks: Who killed Taylor? Where is Charlie Ross? Who shot Elwell? Who threw the Wall Street bomb? To which the Ottawa Journal adds: Who killed Delorme? Who murdered young Farrell or Farrieton? Who killed Florence Kinraid? Where is Ambrose Small? And the list could be extended.

Farmers and seed merchants will be gratified to hear that the Dominion Minister of Agriculture, Hon. W. R. Motherwell, has determined to restore the privilege of having seed tested at the government laboratories free of charge to the extent of ten samples from each person. This free privilege covers a period extending from the first day of May in one year to the last day of January in the succeeding year.

On Friday afternoon Speaker Parliament adjourned the 15th Legislature of Ontario, the official prorogation taking place in due form Tuesday. The session from all standpoints was a record one. In the number of days over which it spread it breaks all previous records. The session opened on St. Valentine's Day, February 14, and therefore lasted 50 days. In all 270 bills were placed on the members' files for consideration. Of these the majority survived the onslaught of the members, although many of them were much altered in the process of amendments.

### HEALTHY CHILDREN ALWAYS SLEEP WELL

The healthy child sleeps well and during its waking hours is never tross but always happy and laughing. It is only the sickly child that is cross and peevish. Mothers, if your children do not sleep well; if they are cross and cry a great deal, give them Baby's Own Tablets and they will soon be well and happy again. The Tablets are a mild but thorough laxative which regulate the bowels, sweeten the stomach, banish constipation, colic and indigestion and promote healthful sleep. They are absolutely guaranteed free from opiates and may be given to the new born babe with perfect safety. They are sold by medicine dealers, or by mail at 25 cents a box from The Dr. Williams' Medicine Co. Brockville, Ont.

One frail woman at York, Pa., held at bay 16 husky linemen of a light and power company when she defiantly took a seat upon a pole which they were about to erect in front of her home. The company will compromise.

Birth registration is necessary in establishing claims, bequests, and many other things, and much litigation is apt to ensue if certificates cannot be produced. If a child is not registered he is not officially living and strange as it may seem, he is not recognizable by law in the ordinary course of events. If parents only knew how much trouble the neglect of this little matter is likely to cause their children in the future, they would see that they are registered.

The Chelsea Enterprise can see no good reason why a man who wins a bet on a horse race should not be assessed on his easy money. The Enterprise puts it this way: "When its all over do these yappers in the Ontario Legislature know what they were talking about when they oppose a tax on the winning bettors at race meets? If it is right to tax legal businesses, and they are getting it hard these days, why is it not all right to tax a business that is a huge gamble? There never was a more just tax than the one that takes a rake-off of the gamblers' profits."

There is one thing to be said for the state of Kansas—it can usually be found in the news column. That hog and corn country is productive of many things, including much up-to-date legislation. It is in Kansas that all the hotel sheets must be seven feet long. And it was also Kansas that passed an enactment to the effect that no maiden of over thirty-five may use powder or paint. Now there is a stern edict against the use of tobacco by any one connected with the schools of that State. Surely it is an inviting place for those who look upon this world as being steeped in the depths of sin and wickedness.

#### NEW STRENGTH FOR WEAK STOMACHS

Indigestion Disappears When the Blood Supply is Enriched

The urgent need of all who suffer from indigestion, and who find the stomach unable to perform its usual function, is a tonic to enrich the blood. Pain and distress after eating is the way the stomach shows that it is too weak to perform the work of digesting the food taken. In this condition some people foolishly resort to purgatives, but these only further aggravate the trouble.

New strength is given weak stomachs by Dr. Williams' Pink Pills because these pills enrich and purify the blood supply. This is the natural process of giving strength and tone to the stomach, and it accounts for the speedy relief in stomach disorders that follows the use of Dr. Williams' Pink Pills. The appetite revives, food can be taken without discomfort and the burden and pains of indigestion dispelled. Mr. William Johnson, a prominent business man of Lequille, N.S., bears testimony to the value of these pills in cases of this kind. He says: "I was attacked with indigestion accompanied by severe cramps in the stomach. I was prescribed for by the family doctor, but got very little benefit. Then I tried some of the advertised remedies but with no better result. Indeed my condition was growing worse. Then I read of the case of a man who praised Dr. Williams' Pink Pills whose condition was similar to my own, and I decided to try this medicine. The result, I think was amazing as the use of six boxes restored me to my former good health. I can therefore warmly commend the use of this medicine for stomach troubles."

You can get these Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

## Art Craft Roof

**Yes Sir!**

**It's over the Old Shingles!**

"We didn't have to tear off the old roof and litter up the lawn. We used ART CRAFT, the wonderful roll roofing with the tile design."

ART CRAFT, Canada's most beautiful roofing, is made of heavy rag felt impregnated with asphalt, and surfaced with crushed slate (red or green), with an enduring tile design.

ART CRAFT adds beauty to any residence, and gives a double roof at half the cost. Strengthens the old wooden shingle roof, makes it more attractive and absolutely water-proof. Reduces fire risks and wears—wears—wears. AND—ART CRAFT can also be applied directly to the roof boards for new work.

Come in and let us show you the material and tell you more about Art Craft Roof.

## JUNE SESSION LAMBTON COUNTY COUNCIL

**A Grist of By-laws Passed. Important Legislative re Good Roads. Grants Made to Corn Growers and Plowmen**

The June session of the Lambton county council opened in the council chamber at the court house Sarnia, Monday afternoon with Warden W. J. Davis of Euphemia presiding, and continued all week. The opening meeting was largely given over to the reading of communications and other routine business.

Telegrams protesting against the proposed excise tax of forty nine cents a hundred pounds on beet sugar as brought down in the federal budget, will be forwarded to R. V. LeSueur M. P., for West Lambton, B. W. Fansher, M. P., for East Lambton and Hon. W. S. Fielding, minister of finance, by the Lambton county council, in accordance with a motion introduced and adopted at Tuesday morning's session.

The motion was proposed by reeve H. V. McLeod of Petrolia, and seconded by reeve F. R. Rilett of Alvington. An amendment that no action be taken, fathered by deputy reeve Thomas Burnley of Plympton, was defeated. The telegrams will ask reconsideration of the tax by the government.

**Provincial Highway**  
A large deputation from West Lambton waited upon the council to enlist their assistance and co-operation with the county council of Kent in a proposal to have a provincial highway constructed with terminals at Chatham and Sarnia.

Magistrate J. J. Jarvis of Moore, one of the spokesmen for the deputation, stated that such a highway would link up with the highways from London to Windsor, and Sarnia to London. The road suggested for designation as the provincial road, was known as 15-16 running from Lambton, almost directly to the town of Wallaceburg. The northern part of that road was gravelled, and at the present time was in very good condition, but the other end was only good in June, July and August when fine weather prevailed. The highway with which this road would connect was already paved.

The speaker also declared that the district at the south part of the proposed highway was unexcelled for productivity, but it was almost impossible to market the produce except when the roads were in good condition.

J. Coughlin, the second speaker, also pointed out that the district at the south end of the county had no proper outlet for produce, further that the road would link up with the Longwoods road on which work was now progressing favorably.

The request of the deputation was referred to the advisory board, after stated that he did not believe the council would hesitate in endorsing the request. Reeve Victor Green of Sombra said that he had attended a meeting held recently in the promotion of the road, and at that session it had been suggested that each county appoint a committee and that such a joint body wait upon Hon. F. C. Biggs, minister of public works and highways.

**Road to Grand Bend**  
A deputation from the police village of Grand Bend asked financial assistance in the construction of a permanent road about one hundred rods in length near that village for which the ratepayers had already subscribed about \$1100.

Notices were given during the session of a bylaw to provide for expenditures on the highways of the county and to make a grant to the county board of agriculture.

A large deputation from Petrolia and district appeared before the council Tuesday afternoon and asked that application be made to the provincial government, to designate as a provincial highway the road running south from Reece's corner on the London road through Wyoming, past Petrolia and Oil Springs, on down to Rutherford, the connection with the Longwoods road from the latter point to be left to the discretion of the minister of highways.

After several members of the deputation had cited their arguments in favor of the proposal, it was referred to the advisory board for consideration along with the proposal submitted by the first deputation.

J. E. Armstrong, former M. P. for East Lambton was a member and one of the spokesmen of the Petrolia and district deputation.

W. P. McDonald, district agricultural representative, the first speaker, stated that the deputation had no selfish motive in appearing before the council but were presenting what they considered a clean cut business proposition. The county contained two provincial highways, one at the north on the London road and the Longwoods on the south, but there

was no connecting link. The speaker urged therefore that the council make application to the provincial government to designate the road extending from Reece's corner on the London Road to Rutherford. Such a road would pass virtually through the centre of the county and would give service that could not be obtained in any other way. It was not a scheme for linking any towns together, but to open up and assist in the development of a fertile territory.

Other speakers on the question were Thomas Simpson of Enniskillen a former warden, John McDonald of South Dawn; J. Webster of Dawn; John Anderson of Oil Springs and Wm. Nesbit, Sarnia.

The council passed a vote of thanks to the visiting deputation for their efforts to secure good roads on motion of Reeve H. V. McLeod of Petrolia.

### Legislative Committee Report

The report of legislative committee submitted by reeve F. R. Rilett of Alvington and adopted, recommended that the Ontario government be petitioned to amend the Highway Improvement Act so that county councils would not be compelled to employ graduate engineers as county road superintendents, and restore the old rights to employ any man they chose, subject to the approval of the department. The report also recommended that the Mothers' Allowance act be amended so that the Ontario commission would deal directly with municipal representatives and not with the county board as now in vogue.

### Resignation Accepted

Acceptance of the resignation of Neil McDougall, B.A., as public school inspector for East Lambton, was recommended in the report of the educational committee read by Reeve Stevens of Dawn. The report also recommended the appointment of a committee to draft a letter of appreciation to Mr. McDougall for his services and Warden Davis named Reeves Miller of Moore, Sproule of Oil Springs and Sitter of Boanquet to constitute the committee.

### Road at Grand Bend

After some discussion the council rescinded the motion referring the request of the Grand Bend deputation for a grant to aid in the construction of a permanent road to the finance committee and left the matter open for discussion and decision by the whole body. Reeve Sitter moved that a grant of \$200 be made and after some further brief discussion the motion was carried by a good ma-

### Jority.

On Thursday morning telegrams were read from R. V. LeSueur M.P., for West Lambton, and B. W. Fansher, M.P., for East Lambton, in reply to wires sent out Tuesday advising that they would do everything possible to have the government reconsider the excise tax of forty-nine cents a hundred pounds on beet sugar as incorporated in the budget proposals.

Mr. LeSueur set forth that he agreed with the view of the council, and would do everything possible to have it reconsidered.

### Advisory Board Report

The report of the advisory board, submitted and read by reeve Joseph Hackett, of Enniskillen, furnished one of the most interesting items of the morning program and was adopted without dissent. It was recommended that the construction of a new bridge, designated as number nine, near the village of Bridgen, be laid over for another year; that in respect to the purchase of certain land on the river road in Sombra township for road purposes, where a satisfactory purchase could not be arranged, the matter be settled by arbitration, with Judge Albert E. Taylor as arbitrator; that the amount of money to be expended on a three mile stretch of road on the county line between Lambton and Kent be left in the hands of the county road superintendents of the respective counties.

In this connection warden Davis outlined for the benefit of the council the conferences held with the Kent advisory board respecting this road.

### Help Sanitarium

A deputation appeared before the council on behalf of the National Sanitarium at Muskoka, and asked for a capital grant of \$8,000 to aid in financing the erection of a new structure at Muskoka, to replace the one destroyed by fire last year. J. Reid, business manager of the sanitarium association stated that the requested appropriation from Lambton had been figured out at 25c per capita.

In reply to a question from a member of the council, he said that thirteen patients had been admitted from Lambton in the last five years.

The request was referred to the finance committee.

The deputation was composed of J. Reid, business manager of the association, T. H. Race, field secretary, and H. Conn, Rev. F. G. Newton and Robert Kerr of Sarnia.

### Financial Report

John E. Leckie, county treasurer, presented an interim report for the period extending from December 31, 1921, to May 31, 1922, showing that total receipts including a balance amounted to \$180,014.49 and the expenditures for the same period \$172,022.31, leaving a balance of \$7,992.18 to May 31. The expenditures included an item of \$35,417.37. The treasurer also advised the council that the approximately \$15,000 more would be required from the total levy this year than last to carry on.

### Road Subsidy

A letter from the Ontario minister of public works and highways advised that the government subsidy to the amount expended on good roads in Lambton last year was \$90,015.82 and that a cheque would be sent forward from the provincial treasurer's office in the course of a few days.

### Thank the Warden

Wednesday the members of the council were the guests of Warden W. J. Davis on a trip to Belle Isle, leaving on the early morning boat and returning at night, and the members were unanimous in stating that they had had a very enjoyable outing, and a resolution was adopted expressing appreciation of the entertainment provided by the warden. The latter replied briefly, thanking the councillors for their expression.

Grants of \$100 each to the Lambton corn growers association and the Lambton ploughmen's association, were recommended in the report of the finance committee submitted and adopted. The report, which was read by reeve H. V. McLeod of Petrolia, also recommended that no action be taken in the case of an aged invalid lady who had resided in the village of Arkona, brought to the attention of the council by reeve Fred Eastman of that place. It was suggested, however, that the case be laid before the mother's allowance board.

A resolution addressed to the board of trustees of the Charlotte English hospital, Petrolia, and the Chamber of Commerce of that town expressing appreciation for the banquet and entertainment provided for the county legislators, was introduced by reeve W. Miller of Moore, and unanimously endorsed.

### The Highway Policy

The road building and highway policy established by the Ontario government was lauded by county road superintendent John McCallum, in a short general talk on the county road system given after he had been requested to explain to the council a letter received from the highways de-

partment declining to designate road number one in the southern end of the county a provincial county road. Mr. McCallum stated that the more he studied the provincial highway policy the more he liked it.

In Michigan there were magnificent state roads but beyond that nothing at all.

In Ontario provincial county roads were established with a view to the development of the country's resources and such a policy helped everybody.

Touching on the request of the deputations from the county which had waited upon the county council during the session in connection with road proposals, he said that the projects outlined were the best he had heard of for the benefit of the county as a whole.

### Reports

The report of the public buildings committee read by reeve Victor Green of Sombra, recommended the purchase of several pieces of office furniture for the registry office and the erection of a flagpole on the ground at the court house. It was adopted.

The action on the application of the National sanitarium association was the recommendation contained in the report of the finance committee, which was adopted.

Ex-mayor William Nesbit of Sarnia, chairman of the Sarnia General Hospital board addressed the council respecting an account for the care of an aged lady who had been admitted to the hospital from the house of refuge, amounting to about \$1800. This matter was referred to the finance committee.

### Bylaws Adopted

With Reeve Nicholas Sitter of Boanquet in the chair, the council went into committee of the whole on by-laws and adopted the following measures; to borrow an additional sum of \$45,000 to meet current expenditures, to provide the sum of \$80,000 for expenditures under the highway improvement act, to grant \$100 to the Lambton Ploughmen's Association, to provide \$2,500 for the payment of grand and petit jurors; to grant \$500 to the Ontario board of agriculture for Lambton county, to grant \$25 to the Queen Mary hospital for consumptive children; to authorize the borrowing of \$10,000 to meet the cost of improving the road on the county line between the townships of Euphemia in Lambton, and the township of Zone in Kent; to authorize the improvement of the aforesaid road and to authorize the paving of a portion of the 15-16 sideroad in the township of Sombra.

The session concluded at noon Saturday with the third reading and adopting of a heavy grist of bylaws and the county legislators left for their homes in the various parts of Lambton after concluding a successful and harmonious week's session.

### BIDS FAREWELL TO COUNTY COUNCIL

Neil McDougall, B.A., of Petrolia, whose resignation as public school inspector for East Lambton to accept the post of general school inspector for Ontario under the department of education was tendered and accepted this week, bade farewell in his official capacity to the Lambton county council at Friday afternoon's session.

In a brief address he expressed feelingly his appreciation of the co-operation of every member of the council, of the loyalty of the teachers in his inspectorate, and the assistance and interest of the school trustees and parents in the different municipalities in East Lambton.

In view of the fact that his parents were pioneer settlers in Lambton, and that he had taught in the public schools and had been an inspector for over fifteen years, he regretted that he was to leave the county but the chance of promotion he had received might not come again and he decided to accept it. Recently he had visited parts of the province that he had never before seen and had come back to Lambton convinced that, both from an educational and agricultural viewpoint, it was the best.

Mr. McDougall also referred to the revival in education which he said had been quite noticeable during the last two years, the most striking evidence of which was the increased attendance at educational conventions.

Reeve William Miller, of Moore, chairman of the educational committee of the council, read a resolution, at the close of Mr. McDougall's address which, in substance, extended to the departing inspector congratulations on his promotion, best wishes for success in his new field, and expressed appreciation of his work as inspector. The resolution was presented to Mr. McDougall and in accepting it he again thanked the council for their co-operation and their tangible expression of appreciation of his services.

## FOUNDERS IN CANADA

ON Place d'Armes in the City of Montreal stands a monument to Sieur de Maisonneuve who, landing near this spot in the year 1642, founded the settlement which is now the City of Montreal.

Facing Place d'Armes stands the Bank of Montreal, which opened its doors for business a short distance from the same spot over one hundred years ago.

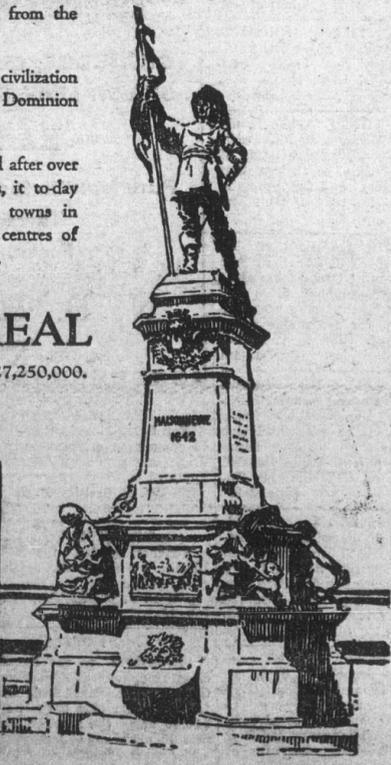

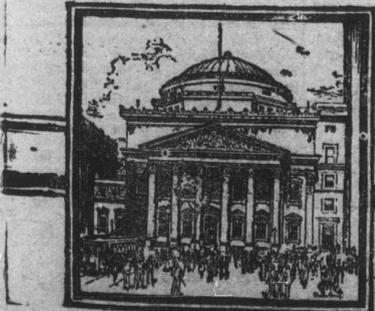

From the Settlement founded by Maisonneuve, civilization has spread to the east and west until to-day the Dominion of Canada extends from Halifax to Vancouver.

Likewise the Bank of Montreal has grown, until after over a century of steady and conservative progress, it to-day has branches in all of the cities and larger towns in Canada, with offices in the principal financial centres of the world, and correspondents in every country.

FARMERS' MEETING AT WANSTEAD

An interesting meeting of the farmers in this locality was held in the Orange Hall, Tuesday evening, June 6th. The occasion being a visit from Mr. R. J. McMillan, Seaford, Ont. Mr. McMillan is a director of the Co-operative Co., and one of the leaders in the Organized Farmers' movement in Ontario. He is engaged at present in organizing for the co-operative marketing of farm stock in that connection his visit was opportune as a determined effort is being made here to induce the farmers to market their stock through their own organization along lines advocated by Mr. Sapiro, the California expert on Co-operative Marketing. The effort has met with splendid success, about one hundred and fifty contracts being signed at present. Mr. McMillan has a good grasp of the subject and had facts and figures to substantiate his statements. He asserted that the farmers were getting from \$2.00 to \$3.00 per hundred for their hogs more than they otherwise would, and told how last fall when hog prices dropped below 3 cents the live stock department of the Co-operative Co., succeeded in getting an order from Montreal for 15 car loads of hogs at \$10.25. On Monday morning the market opened with the packers offering \$7.75, but the price immediately rose to \$10.25 when the United Farmers' started buying to fill the Montreal order. This was not lost on the audience as a large shipment from Wanstead went to Montreal at this time. He showed how the cattle market was from \$1.00 to \$1.50 higher than it would be and how we would get our binder twine about 4 cents per pound cheaper than we otherwise would.

Co-operative marketing is an attempt on the part of the producer to secure a larger return for his labor without increasing the cost to the consumer. The farmer has always been an individualist both in production and marketing. The system under which he marketed his products made him a competitor of every other farmer with the result that he played directly into the hands of an army of non-producers, the middle man, who in almost every instance made a larger profit than the producer, and at the same time increased the cost to the consumer. The New York Times of June 9th commenting editorially on the legislation which is being introduced in Congress by the farm bloc to facilitate the formation and operation of co-operative organizations says: "Corporations do for Capital what the farmers seek to do by co-operative combination. Six million farmers producing and selling individually are at a disadvantage as compared with the relatively small number of buyers of farm products and sellers of what farmers buy. Hence farmers should be allowed to combine market their crops. This involves no danger to the public for the farmers would not be able to restrict production not to fix prices. Co-operative farm marketing would benefit both farmers and consumers by stabilizing prices and restricting speculation."

DUNCAN—WILLIAMSON

One of the prettiest of the early June weddings in this district took place in the Congregational church, Watford, on Tuesday, June 7th, at high noon, when two of the most popular young people of the Fourth Line were united in the holy bonds of matrimony. Rebecca Jean Williamson, eldest daughter of Mr. and Mrs. John Williamson, becoming the bride of Russell Elwin Duncan, eldest son of Mr. and Mrs. Dan Duncan.

The church, which was tastefully decorated with flowers by the young people of the congregation, presented a pretty scene as the bridal couple entered to the strains of the Bridal Chorus from Lohengrin, played on the organ by Miss Estelle Craig, cousin of the bridegroom. The bride charmingly attired in a travelling suit of midnight blue tricotine, waist of turquoise blue tricotette silk and fawn straw hat and veil trimmed with turquoise blue; and wearing and carrying corsage and hand bouquets of cream roses and lilies of the valley.

The marriage was solemnized by the pastor, the Rev. T. DeCourcy Rayner, in the presence of a large number of relatives and personal friends.

Immediately following the signing of the register the happy couple motored to Port Huron, Mich., on the first stage of their wedding trip, journeying on by train to Crosswell Mich., and other points.

On their return they will reside on the groom's farm on the Fourth Line S.E.R., Wawick.

FOREST

A new balcony has been erected in front of the Franklin House.

John P. Hubbard, son of Dr. and Mrs. J. P. Hubbard, of Forest, last week passed his final examination in medicine.

Mrs. George Calley arrived here Saturday from Winnipeg and will spend a couple of months with her parents, Mr. and Mrs. G. W. Beatty. Mrs. Jack Mack and daughter, Mrs. Will Douglas of Plympton, have left on a visit to relatives at Enderby, B.C., and other western points.

Mr. and Mrs. Andrew Lawrie are visiting in Sarnia and from there will visit friends and relatives in London and Toronto before going to Peterboro, where their son Douglas is located, to reside.

Mr. and Mrs. Stanley Ellerker were in Enniskillen Wednesday of last week attending the wedding of her brother, Orvil E. Russell, to Miss Esmerilda Ilene Hume, both of Enniskillen. Rev. D. J. Richardson of Petrolea, performed the ceremony.

Dr. and Mrs. Jas. G. Morrison of Sarnia, announce the engagement of their daughter, Helen Gertrude, to Dr. Hugh A. Mustard, the marriage to take place the latter part of June. Miss Morrison is a cousin of Miss Gertrude Stinson, Forest.

The Rev. H. D. Cameron left Tuesday for Winnipeg to attend the Presbyterian general assembly, taking the boat trip from Sarnia. He will spend a couple of weeks in Regina before returning home. R. F. Marsh, lay delegate, left Monday morning for Toronto going by C.N.R. He has three sons in the West, whom he will visit.

PETROLEA

Big preparations are being made for the celebration of Dominion Day here. Baseball, racing, sports, etc.

The committees appointed for the Orangemen's Celebration to be held in Petrolea, July 12, have plans well underway to make it an event to be remembered. There will be fifty Orange lodges represented at the celebration.

The Petrolea High School memorial tablet was unveiled on Saturday, June 3rd. Mr. Wm. Clyde, M.A., former principal of the school gave a very eloquent address and several other speakers, representative citizens, took part in the ceremony.

The Water Commission have paid \$200 into court to secure about an acre of land on the P. & E. Townline owned by John F. Donald, of Plympton and required by them as a site for a standpipe. Mr. Alfred Kirkpatrick will start building the foundation either this or next week.

A quiet wedding took place at the Methodist parsonage, Camlachie, on Saturday, June 3, at high noon, when Miss Katherine M. Campbell, daughter of Mr. and Mrs. Charles Campbell of the sixth line of Plympton, became the bride of Donald C. MacLachlan, of the Townline of Plympton and Enniskillen, the ceremony being performed by the Rev. H. Ball. The bridal party returned to the bride's home where a dainty lunch was served after which the happy couple took the steamer Huronic for a trip up the lakes.

Miss Mary Honson, night operator at the Bell Telephone office for the past eight and a half years, was married last Thursday to Mr. Carman Roddick son of Mrs. R. J. Roddick, of Enniskillen. Rev. J. J. Monds officiated. The happy young couple will reside on a farm near Parkhill which the groom recently purchased and have the best wishes of a large circle of friends for their future happiness. The bride is a granddaughter of the veteran caretaker of the Masonic Building, Mrs. Geo. Fisher.

A pretty wedding was solemnized at the Presbyterian Manse, Petrolea, at high noon, June 7th, when Leila McGregor, became the bride of Russell J. Metcalfe, both of Petrolea. Rev. Monds performed the ceremony. The bride looked very charming, attired in a sand cotton crepe costume with hat to match. After the ceremony the newlyweds motored to Wallaceburg, where a dainty dinner was served by the groom's grandmother, later motoring to Pontiac and other western points. The bride's travelling suit was of navy blue tricotine with sable fur choker. On their return they will reside on the groom's farm on the sixth line of Enniskillen.

WANSTEAD

Mr. Thos. A. Lammpan is erecting a cement silo at present.

The welcome rain which fell on the weekend was gladly received by everybody.

Mr. Ross Garnham, catcher of the local baseball team, had a finger split in a game recently.

Miss Irene Anderson is spending a couple of weeks with Mr. and Mrs. Willard Anderson, Egremont road.

The baseball results at the picnic were as follows: Eighth Line 9, 12th Line 2. Wanstead 16, 10th Line 2.

Don't forget the social evening held on the English church grounds on June 15th. The Brunswick Trio will be there.

Our U. F. O. shipper, Mr. Arch. Williamson, shipped a double deck of hogs and lambs to Toronto on the 5th. He will ship again on the 19th. All shipments by Mr. Williamson are consigned to the United Farmers Corporation and sold on the open market.

A large crowd attended the picnic which was held at Mr. Oliver's grove, 12th line, Enniskillen, on Wednesday June 7. A good program of sports was run off, including baseball, basketball and races. Two splendid booths supplied the crowd with refreshments.

The basketball game between S. S. No. 4 1/2 and Wanstead was played Tuesday evening, resulting in a victory for Wanstead, by a small margin, 17-14 being the score. Miss McDougall of Ketchic refereed the game. The debate which was to be held after the game was postponed till June 13th on account of R. J. McMillan's meeting.

The best basketball game of the season was played at the picnic on June 7. The eight line, Enniskillen played Ketchic, the former nosing out by a score of 9-8. Ketchic had the 1st half but the eighth line came back strong and won the prize of three dollars donated by the club. The lineup: Ketchic—forward, Eva McDougall; Catherine McDougall; centre, Mabel Dewar; Clara Grieve; Elba Wakefield; defence, Gladys McDougall, Lorein Dell. Eighth Line—forward, Alice Britney; Alma Freer; centres: Erma Worts, Ruby Watt, Evelyn Freer; defence, Irene Jardine, Edith Worts.

BASEBALL  
WATFORD AGAIN TRIMS FOREST 4-2

Local fans apparently take more interest in Forest ball team than any other opponent in the County League as a very large following accompanied the boys to Forest last Wednesday afternoon and enjoyed the 4-2 victory with usual vigor. Both pitchers are deserving of great credit, Waddell of Forest, having 12 strike-outs, and Millar, for Watford, having 11; Forest had 7 men left on base, Watford had 1.

Score by innings:  
Watford —000 003 100—4 5 4  
Forest —020 000 000—2 4 0  
Miller and C. Roche, Waddell and Baldry.

Umpires Nicholson and Walters.  
OIL SPRINGS 10—WATFORD 9  
Watford lost out by one tally in Oil Springs on Monday evening. The game lacked pep and action throughout, no doubt being due to the unusually cold weather. This makes Oil Springs fortunate enough to win both games. However, there is another series of games coming and the locals will overcome them.

WATFORD 11—WAUBUNO 4  
"No game" was registered from the fans' point of view on Wednesday evening at Waterworks park when the locals trimmed Waubuno by such an overbalanced score. Securing a good getaway in the first innings the locals netted 6 runs to the visitors one, and held them throughout eight innings to the lone tally while Watford slid up 11. Thinking 11-1 was too much of a beating, the boys relaxed in the visitors' ninth and gave them 3 runs before their three men were out. Miller on the mound pitched good ball, and was given better support, with the exception of the last innings.

From the showing it is apparent that Watford has a decidedly good chance for the league. After the game last night, Waubuno is not to be feared; although Petrolea is as yet an unknown quantity to the locals, they have not been standing up against the best of the teams, however we meet them on their own grounds next Monday and can decide for ourselves. Oil Springs has had considerable luck so far, and have managed to carry a brilliant (2) unning with them when visiting. We will eliminate them in the second round. This leaves Forest the deciding factor and surely the boys can beat them again!

Games Next Week  
Monday—Watford at Petrolea;  
Oil Springs at Forest; Bridgen at Waubuno.  
Wednesday—Bridgen at Watford;  
Oil Springs at Waubuno; Petrolea at Forest.

An interesting find was made a few weeks ago on the farm of G. W. Fuert, Leamington, while plowing for this season's tobacco crop. The plow turned up what has every appearance of being a small petrified musk melon, about 3 1/2 inches long and 6 inches in circumference. The melon is perfect in formation, has a texture of a hard brick and shows a flesh color where the rind is broken.

Warden W. J. Davis and members of the Lambton county council, motored to Petrolea Thursday at the close of the afternoon session as guests of the trustee board of the Charlotte Englehart hospital, the Chamber of Commerce and town council, and after a visit of inspection to the hospital grounds they sat down to a sumptuous luncheon served by the young ladies of the hospital guild.

MRS. D. S. CHILDS DIES IN LANSING

(Flint, Mich., Journal, June 8)  
Mrs. Phoebe Childs, wife of David S. Childs, prominent in social and philanthropical circles, died this morning at the home of Mr. and Mrs. William Kerns in Lansing, where she had been for several days. Mrs. Childs had been in poor health for the last year. She spent the winter in Florida and returned to Flint the latter part of April.

Mrs. Childs was born in Watford, Ont., about 58 years ago. When a young woman she was married to David S. Childs and went to Boston where they lived for 10 years. Twenty years ago they came to Flint where they have since resided. Mrs. Childs was known and loved for her untiring interest in those who needed her, being always ready and willing to aid in any benevolent cause. She was a member and ardent worker of St. Paul's Episcopal church and during the influenza epidemic in Flint she had charge of the soup kitchen in connection with the church.

During the war she worked continuously as a member of the Red Cross and assisted in the Americanization work among the foreign women in the north end of the city. She was responsible for a large part of the success of this work in Flint. One of her greatest philanthropies was that of the Child Welfare society, in which she worked continuously serving as president of the organization for three years. She was a prominent member and worker in the Needle Work Guild of America and took an active interest in the affairs of the Young Woman's Christian association, serving as vice president and member of the board of directors.

In addition to her welfare interests Mrs. Childs took an active and prominent part in politics serving as a member of the Women's Republican committee. She was intensively interested in C. S. Mott's gubernatorial campaign and was a member of the Women's Mott club organized at that time.

Besides her husband, Mrs. Childs leaves a sister, Mrs. Fuller Jarbo of Jamaica, L. I., two brothers, Perry Van Auker of Hackensack, N.J., and Everett Van Auker of Philadelphia. Mrs. Edward Lisabury of this city is a cousin of Mrs. Childs.

The body will be brought to Flint this afternoon and the funeral arrangements will be announced later.
