The copy filmed here has been reproduced thanks to the generosity of:

The Nova Scotia  
Legislative Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

The Nova Scotia  
Legislative Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

#### **Alterations in By-Laws, Sailing Rules, and House Rules.**

Any alteration in the By-Laws, Sailing Rules, and House Rules, must be proposed in writing by a member at a Regular Meeting of the Squadron, and a vote taken on it at the next, due notice of the proposed alteration having been given to each

member. A two-thirds vote of members present shall alter the rule, and the alteration shall come into force immediately.

A notice of motion shall be considered as bringing up for discussion the whole subject to which such notice relates, and when the same comes up for discussion, any amendment relating to such subject may be offered. But if the chairman of the meeting be of opinion that any such amendment so materially alters the scope of the notice that a postponement of the discussion is advisable, he may adjourn the consideration thereof until the next meeting.

## HOUSE RULES.

Application must be made in writing upon the forms provided for that purpose. In the event of simultaneous applications being made by two or more members, the senior member shall take precedence. The positions of berths shall be at the discretion of the Committee, and they shall have power to change any member's berth should they consider it expedient to do so.

At all times the facilities of the Wharf and Boat House only, are extended to ladies for the purpose of embarking in or landing from yachts or boats.

After 8 o'clock p. m., the Club premises other than the Club House, are open to ladies accompanied by members.

On race days, and on such occasions as appointed by the Committee of Management, the Club premises shall be open to ladies ; but on one race day in each year, to be selected by the Committee of Management, and notice of same printed in the fixtures, the Club premises shall not be open to ladies.

The family of a member keeping a boat may be permitted to use the boat, on application to the Committee of Management. A boat can be removed from the Club premises by persons other than the owner or his family, only on written order to the caretaker.
