The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. C A P. L X.

An Act to amend the Acts relating to the Corporation  
of the City of Montreal, and for other purposes.

[Assented to 30th June, 1864.]

**W**HEREAS the Corporation of the City of Montreal have by their petition represented that in consequence of the rapid extension of the City of Montreal, it has become necessary to make out a general plan of the said city, and to lay out, fix and determine the public streets and squares opened or to be opened, continued, extended or widened, within the limits of the said city, and for that purpose to vest in the said city, incorporated under the name of the Mayor, Aldermen and Citizens of Montreal, more ample powers than those conferred upon the said city by its Act of Incorporation, and the acts amending the same; and whereas much difficulty is often experienced in the carrying out of the laws now in force relating to the expropriations, for the purposes of public utility, and the delays and loss of time consequent upon the defective working of the said laws; and whereas it is expedient to make certain changes and modifications in the municipal administration of the said city: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

GENERAL PLAN OF THE CITY OF MONTREAL.

1. It shall be lawful for the said corporation, at any time, to cause public streets, highways, places and squares, within the whole extent of the limits of the said city, to be laid out, fixed and determined, at the city's expense, under the direction and supervision of the Road Committee and the City Surveyor, and

to give a name to each of the said public streets, highways, places, and squares; and for that purpose the said corporation may employ a sufficient number of surveyors or other competent persons who shall, with all due diligence, proceed to lay out, fix and determine, under the direction and supervision aforesaid, and under as uniform a system as circumstances may admit, such public streets, highways, places and squares, of such dimension, width, and extent, as may appear to them most desirable for the public interest; Provided any such highway or street shall not be less than forty feet in width.

2. The said surveyors or other persons employed in the exercise of the duties assigned to them, in and by the preceding section, may, and they are hereby authorized to, enter in day-time upon any property or real estate within the limits of the said city; they shall, under the direction and supervision aforesaid, make out plans or maps indicating the streets, highways, public places, and squares now existing, as well as those which they shall lay out and determine, by and in virtue of the present Act; and they shall designate upon the said plans or maps, the new lines of the streets or sections of streets, public highways, places and squares, that the said corporation may have resolved to widen, in the interest of the public; and they are hereby enjoined to place solid and durable boundary-stones at each angle or corner of the new streets and public squares, and places by them laid out and established; which said boundary-stones shall be shewn upon the said plans or maps.

3. It shall be lawful for the said corporation to cause the said streets, public highways, places and squares to be laid out, and the plan or map thereof to be made for each ward separately, according to the present division of the city, beginning by such ward as may be deemed advisable; but the plans or maps of the different wards of the said city shall be so made as to correspond with each other in such a manner as that, when completed, they shall make but one and the same plan, to be known as "The General Plan of the City of Montreal."

4. When the plan or map for any one of the wards of the said city shall be completed, the said corporation, by their attorney and counsel, shall apply, by summary petition to the Superior Court for Lower Canada, in the District of Montreal, to obtain the confirmation and ratification of the said plan or map, after having given public notice of the day and hour at which such petition shall be so presented in four newspapers, two of which published in the French language and two in the English language in the said city; provided that the said notice shall have at least two insertions in each of the said four newspapers, and that one month at least shall elapse between the date of the last insertion of the said notice, and that of the presentation of the said petition; the same formalities shall be

observed for the plan or map of each of the other wards of the said city, as such plan is completed.

**5.** Every such plan or map of a ward, when confirmed by the said Superior Court, shall be final, decisive and binding upon the said corporation and the proprietors therein interested, and upon all other persons whomsoever; and no indemnity or damage shall be claimed or granted at the time of the opening of any of the new streets, public places or squares shewn on the said plan, or at the time of the widening of any of the streets, public places or squares indicated on the said plan, for any building or improvement whatsoever that the proprietors or other persons whomsoever may have made or caused to be made, after the confirmation of the said plan, upon any land or property, reserved either for new streets, public places or squares, or for the widening of any of the said streets, public places or squares of the said city; provided that nothing contained in this Act shall be construed as depriving the said corporation of the right of widening or extending any of the streets, public places or squares designated in the said plan, after its confirmation, if deemed advisable so to do.

**6.** A duplicate of each of the said plans shall be deposited immediately after its completion in the office of the Prothonotary of the said court, and another in the archives of the said corporation; and when such plan shall have been confirmed and ratified by the Superior Court as aforesaid, the City Clerk shall make an entry upon the duplicate of the said plan deposited in the archives of the said corporation in the following words: "confirmed by the Superior Court on the \_\_\_\_\_ day of \_\_\_\_\_, one thousand \_\_\_\_\_."

**7.** The said corporation of the City of Montreal shall have all the necessary powers to open to the public, whenever the said corporation shall deem it advantageous to do so in the interest of the city, any new street, highway, public place or square shewn on the said plans or maps, and also to widen any of the streets, public places or squares thereon indicated as widened, after having adopted, however, the formalities and procedure hereinafter prescribed relative to the mode of expropriation and the levying of special assessments.

**8.** The designation of new streets and public places or squares, in and by this Act, applies to such streets, public places or squares as have not been opened and named before the passing of this Act.

**9.** Any person who shall remove, or in any manner whatsoever injure, the boundary stones mentioned in the second section of this Act shall be held as guilty of a misdemeanor, and punishable accordingly; and it shall be competent for the Recorder's Court, of the said city, to take cognizance of, and adjudicate upon, such misdemeanors.

## EXPROPRIATION AND SPECIAL ASSESSMENT.

**10.** The sixty-sixth, sixty-seventh, sixty-eighth, sixty-ninth, seventieth, seventy-first and seventy-fourth sections of the Act passed in the session held in the fourteenth and fifteenth years of Her Majesty's reign, chapter one hundred and twenty-eight, the fourth section of the Act passed in the sixteenth year of Her Majesty's reign, chapter one hundred and twenty-eight, and the thirty-fifth, thirty-sixth, thirty-seventh and fifty-first sections of the Act passed in twenty-third year of Her Majesty's reign, chapter seventy-two, and generally all the provisions of the said Acts, or any other Acts, inconsistent with the enactments of the present Act, shall be, and they are hereby severally repealed.

**11.** The Council of the said City of Montreal shall have full power and authority to order, by resolutions, the opening, extending or widening of streets, public highways, places or squares, or the construction of public buildings, and to order at the same time that such improvement shall be made out of the city funds, or that the cost thereof shall be assessed in whole or in part, upon the pieces or parcels of land belonging to parties interested in, or benefited by the said improvement, and to purchase, acquire, take and enter into any land, ground or real property whatsoever within the limits of the said city, either by private agreement or amicable arrangement between the Corporation of the said city and the proprietors or other persons interested, or by complying with all the formalities hereinafter prescribed, for opening streets, public squares, markets or other public places, or for continuing, enlarging or improving the same, or a portion of the same, or as a site for any public building to be erected by the said Council.

**12.** All corporations or bodies, and all husbands, tutors, guardians, curators *grévés de substitution* or trustees, who are or shall be seized or possessed of, or interested in any piece or pieces, lot or lots of ground or real property within the said city, selected and fixed upon by the said Council for any of the purposes aforesaid, may not only for themselves, but for and on behalf of all persons whom they represent, or for whom or in trust for whom they are, or shall be seized, possessed or interested, whether minors, issue unborn, lunatics, idiots, *femmes covert* or other persons, contract for, sell and convey such piece or pieces, lot or lots of ground or real property to the said Corporation; and such contracts, sales and conveyances shall be valid and effectual in law, to all intents and purposes whatsoever, any law or custom to the contrary notwithstanding; and all corporations and persons whatever, so contracting, selling or conveying as aforesaid, are hereby indemnified for and in respect of such sale or cession which he, she, or they shall respectively make by virtue of or in pursuance of this Act, without however diminishing, in any manner whatever, the

responsibility of such corporations and persons towards those whom they represent, as regards the purchase money or compensation of such sales or conveyances.

**13.** In case the council of the said city, after having resolved upon undertaking and carrying out any of the said works or improvements for which it has been necessary to acquire one or more lots of ground or real property, or any part of such lots of ground or real property, within the limits of the said city, cannot come to an amicable arrangement with the persons seized or possessed of, upon any title whatsoever, or interested in, the said lots of ground or real property, or any part thereof, or who may be absent or unknown, as regards the price or compensation to be paid for the said lots of ground or real property, or any part thereof (the said corporation, however, shall not be bound to take any step or proceeding towards securing such amicable arrangement), such price or compensation shall be fixed and determined in the following manner, to wit :

1. The corporation of the said city, by their attorney or counsel, shall give special notice addressed through the Post Office to the person in whose name the property was lastly assessed on the Assessment Roll, as proprietor at his actual or last known domicile and shall also give public notice in at least two newspapers, one of which published in the French and the other in the English language, in the said city, which said notice shall have two insertions in each of the said newspapers, that they will by and through their said attorney and counsel present on the day and hour mentioned in the said notice, to the Superior Court of Lower Canada, in and for the District of Montreal, sitting in term, or to any of the Judges of the said Court in Chambers, pending the vacation, and during the months of July and August in each and every year, a petition calling upon the said Court or any one of the Judges thereof respectively, to choose and nominate three competent and disinterested persons to act as Commissioners to fix and determine the price or compensation to be allowed for each and every such lot of ground or real property, or any part thereof, which may be required by the said corporation for the purposes of the said improvements, and which shall be designated in the said notice by giving the boundaries (*tenants et aboutissants*); and one month at least shall elapse from the date of the last insertion of the said notice in the said newspapers, to the day appointed for the presentation of the said petition; and the said notice shall moreover, be posted in both languages, twenty days previous to the date of the presentation of the said petition, in three different places, upon each and every lot of ground or real property liable to expropriation, or in the immediate vicinity thereof;

11 months

2. The court or judge, as the case may be, to whom the said petition shall have been presented, shall appoint three commissioners as aforesaid, and fix the day on which the said commissioners shall begin their operations, and also the day on which they shall make their report; provided always, it shall be lawful for the said court, or the said judge, to extend the said delays upon reasonable grounds being shown to that effect;

3. The judgment embodying the said appointment shall be served, with as little delay as possible, upon the said commissioners, who shall be held to accept the said office and to perform the duties thereof, under the penalty of a fine of one hundred dollars, which it shall be competent for the said Superior Court to inflict upon each of the said commissioners upon proof of his, or their, refusal or neglect to perform the said duties; but the exemptions provided for, in behalf of certain persons, by the second section of chapter eighty-four of the consolidated statutes for Lower Canada, relating to Juries, shall apply equally to any of the said commissioners, who may appertain to any one of the classes of persons mentioned in the said last cited section;

4. Immediately after the appointment of the said commissioners, it shall be the duty of the city surveyor to furnish them with a plan or map shewing the proposed improvement, as also the pieces or parcels of ground or real estate to be expropriated;

5. The said commissioners, before proceeding, shall be duly sworn before the Prothonotary of the said Superior Court in the form specified in the annexed schedule, marked A; and they shall be vested with the same powers and entrusted with the same duties as are conferred by the laws in force in Lower Canada upon experts in reference to appraisements; and they shall be entitled to receive a remuneration not exceeding four dollars per day each, during the whole time they shall of necessity be occupied in the performance of the said duties;

6. The said commissioners may, if they deem proper, call upon the proprietors or parties interested, to give them communication of their title deeds; and upon their failing to comply with such demands the said commissioners are hereby authorized to procure copies of the said title deeds at the cost of the said proprietors or parties interested; and the amount of said costs shall be deducted from the price or compensation to be finally awarded to the said proprietors or parties interested for the expropriation;

7. It shall be the duty of the said commissioners to diligently proceed to appraise and determine the amount of the price, indemnity or compensation which they shall deem just and reasonable for each of the pieces or parcels of land or real estate,

the expropriation whereof shall have been resolved upon by the City Council or for the damages caused by such expropriations ; and the same commissioners may act and adjudicate upon the price or compensation for all and every the pieces or parcels of land or real estate, buildings or parts of buildings thereon erected required for any improvement which the said council may have ordered to be made or carried out at one and the same time ; and the said commissioners are hereby authorized and required to hear the parties and to examine and interrogate their witnesses, as well as the members of the city council and the witnesses of the said corporation ; but the said examination and interrogatories shall be made *viva voce* and not in writing, and shall consequently not form part of the report to be made by the said commissioners, any law, usage or custom to the contrary notwithstanding ; provided always, that if in the discharge of the duties devolving on the said commissioners by virtue of the present Act, there should occur a difference of opinion between them as to the value of the piece of land or real estate about to be expropriated, or upon any other question within their province, the decision of two of the said commissioners shall have the same force and effect as if all the said commissioners had concurred therein ;

See

8. In every case wherein the corporation of the said city may have resolved to carry out and execute any of the works or improvements aforesaid, at the city's expense exclusively, the said commissioners shall be held to determine and award when the expropriation shall apply to or affect but a portion of the property or real estate, what may be the damage to or deterioration in value of the residue of the property or real estate by the separation from it of the part required by the said corporation, and they shall determine, first, the intrinsic value of the part of the property and premises to be taken, and, secondly, the increased value, if any, of the residue of the property caused by the proposed improvement, and the difference between the intrinsic value of the part of the property and premises required and the increased value aforesaid shall constitute the price or compensation which the party or parties interested shall be entitled to, and when the said commissioners shall determine and award that the increased value is equivalent to or in excess of the intrinsic value of the part of the property and premises required, then they shall not award any price or compensation for the part so required or liable to expropriation ;

8 If one or more of the said commissioners, at any time after their appointment, shall fail in the due performance of the duties assigned to them in and by the present Act, or shall not fulfil the said duties in a faithful, diligent, and impartial manner, it shall be lawful for the corporation of the said city, by its attorney, to apply, by summary petition, to the said Superior Court, or to a judge thereof, as the case may be, to stay the proceedings of the said commissioners, and to remove and

replace the commissioner or commissioners who may have forfeited or violated his, or their, obligations; and upon such petition the said court, or judge, may issue such orders as may be deemed conformable to justice;

10. In case any of the said commissioners should, after being appointed, die, or be unable to act, the said court, or one of the judges thereof, as the case may be, shall, upon a summary petition to that effect, to be presented by the corporation of the said city, after two clear days' notice to be established to the satisfaction of such Court or Judge, replace such commissioner by another competent and disinterested person, upon whom the said office shall be binding in the same manner as upon his predecessor;

11. So soon as the said commissioners shall have completed the proceedings relating to the appraisement, and determined the price or compensation for the pieces or parcels of land or real property about to be expropriated, they shall give public notice by means of two placards, one in the French and the other in the English language, to be posted upon or in the immediate vicinity of such pieces or parcels of land or real estate, that on the day mentioned in the said notice, all parties interested or claiming indemnity, who may consider themselves aggrieved by the said appraisement, shall be heard before them in one of the rooms of the City Hall; and when such parties aggrieved or claiming indemnity shall have been heard as as aforesaid, it shall be lawful for the said commissioners to main or modify, at their own discretion, the appraisement made by them of any piece or parcel of land or real estate as aforesaid;

12. On the day fixed in and by the judgment appointing the said commissioners, the corporation of the said city, by their attorney or counsel, shall submit to the said Superior Court, or to one of the Judges thereof respectively, the report containing the appraisement of the said commissioners, for the purpose of being confirmed and homologated to all intents and purposes; and the said Court or Judge, as the case may be, upon being satisfied that the proceedings and formalities hereinafter provided for have been observed shall pronounce the confirmation and homologation of the said report which shall be final as regards all parties interested, and consequently not open to any appeal.

13. In case any street, public place or square shall be laid out and determined before the confirmation and homologation of any of the plans or maps of the said city, hereinbefore provided for, or if any street, public place or square shown and designated on the said plans or maps, shall be widened or extended after the confirmation and homologation of the said plans or maps, no indemnity or damage shall be allowed or granted for buildings, structures or improvements which the proprietors or other persons whomsoever, shall have caused

to be erected or made upon any of the pieces or parcels of land, or real property which the corporation of the said city may resolve to acquire for public purposes, from the time that the public notice mentioned in the sub-section number one of the next preceding section, shall have been posted upon the said pieces or parcels of land or real estate, as aforesaid.

**15.** The corporation of the said city shall, within fifteen days from and after the confirmation and homologation of the report of the said commissioners, make, in the hands of the Prothonotary of the said Superior Court, whose duty it shall be to grant to the said corporation a written acknowledgment thereof, a deposit and consignment of the price or compensation and damages settled and determined in and by the said report; and the act of such deposit and consignment shall constitute, in behalf of the corporation of the said city, a legal title to the property of each of the said pieces or parcels of land or real estate, and from thence all proprietors of, or other persons whatsoever interested in, the said pieces or parcels of land or real estate, shall lose and be divested of all their rights or claims thereto, and the said corporation shall be vested with the said pieces or parcels of land or real estate, and may of right and without any further formality enter on possession of, and use the same for any of the purposes authorized in and by this Act; any law, statute or usage to the contrary notwithstanding.

**16.** Any expropriation made in virtue of the present Act shall have the effect of removing and paying off all mortgages or privileges with which the said pieces or parcels of land or real estate may be burdened or encumbered at the time; but the price or compensation deposited in the hands of the Prothonotary, as aforesaid, shall be held to represent the said pieces or parcels of land or real estate as regards all mortgages or privileged creditors, whose rank and priority shall be preserved in the distribution to be made of the money deposited conformably to this Act.

**17.** When the money shall have been deposited and consigned in the hands of the Prothonotary, in accordance with the provisions of the next preceding section, the said Superior Court shall determine the mode of calling forth the creditors of the party entitled to such money, or his legal representatives and all other parties interested, and issue such orders as may be deemed advisable and just as regards the delivery or distribution of the money, or any other matter in connection with the claims or demands of the parties interested; Provided, always, that when the price or compensation and damages shall be paid in whole or in part to the party entitled to the same (but this proviso shall not be held to apply to his creditors,) the amount of such price or compensation and damages shall not be subject to the tax imposed by and in virtue of the twelfth Victoria, chapter one hundred and twelve, nor to the com-

mission which the Prothonotary of the said Superior Court is entitled to receive, nor to any tax, commission or impost.

property, moneys, chattels and effects to best advantage possible, for the exclusive purposes of a House of Night Refuge, notwithstanding anything contained in the said last cited Act; provided, however, and it is hereby expressly enacted, that in any institution or institutions to which a transfer may be made of the said estates, property, moneys, chattels and effects, or any part thereof, under the provisions of this section, admission shall be given to the poor, indiscriminately and without any distinction of creed or nationality.

**56.** Whereas the corporation of the said city is authorized in and by the Act passed in the twenty-seventh year of Her Majesty's reign, chapter fifty-four, to aid the Grand Trunk Railway Company of Canada in the establishment of a City Terminus at or near Chaboillez Square, in the said City of Montreal, by means of a grant of money to the amount of fifty thousand dollars; and whereas it is deemed more expedient that the said grant should be applied towards purchasing the necessary ground to be acquired for establishing the said railway terminus: therefore it shall be lawful for the corporation of the said city to purchase and acquire, in the same manner as the said corporation is authorized to acquire or expropriate property or real estate for the opening or widening of streets generally, in and by the present Act, all pieces or parcels of land or real estate required to establish, enlarge, or improve the said terminus and to connect the rails of the said company with the harbour of the said city from any point not more than four hundred feet beyond the south-western limits of the said city; provided, however, the price or compensation to be paid by the corporation of the said city for the said pieces or parcels of land or real estate, to be acquired as aforesaid, shall not exceed the said sum of fifty thousand dollars and that the excess of cost over or beyond that amount, if any, shall be borne and paid by the said company.

**57.** In addition to the subjects for the which corporation of the said city is authorized to pass by-laws, in and by the tenth section of the Act passed in the twenty-third year of Her Majesty's reign, chapter seventy-two, shall be included musical saloons or establishments wherein intoxicating liquors are sold and wherein instrumental music or singing, or both, are used as a means of attracting customers; and the council of the said city shall have power and authority, by any such by-law to license, regulate or prohibit any such musical saloons or establishments, under such conditions and restrictions as the said council may deem expedient to impose in the interest of the public.

**58.** The council of the said city shall have power, from time to time, by a by-law or ordinance to make such rules and regulations, as to the erection and construction of houses or buildings of any description whatsoever, as the said council

may deem expedient for the safety of the citizens, or for preventing accidents by fire, or for the embellishment or better appearance of the said city and also for the regulation of the height of the chimneys of factories so as to render such factories as little injurious as possible to the health of the citizens; and by any such by-law or ordinance, the said council may appoint one or more fit and proper persons whose duty it shall be, and who are hereby authorized, to visit and examine at suitable times and hours, to be established in such by-laws, as well the interior as the exterior of all such houses or buildings in the said city, for the purpose of ascertaining whether the rules and regulations to be made as aforesaid, have been duly observed and obeyed; and the said council may also, by any such by-law or ordinance, impose such fines not exceeding twenty dollars, with imprisonment not exceeding two calendar months unless such fine be sooner paid, as they may deem expedient for enforcing the same.

**59.** All the provisions of any law or laws inconsistent with the provisions of this Act shall be and the same are hereby repealed; and the present enactment shall not have the effect of reviving any Act or part of an Act repealed by the said law or laws.

**60.** Nothing herein contained shall be construed to repeal any by-law heretofore made under any Act or part of an Act or provision of law hereby repealed; and notwithstanding such repeal, every such by-law now in force shall have the same force and effect as if this Act had not been passed.

**61.** This Act shall be a Public Act.
