The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

★ THE ★
..PROGRAMME..

The primary idea of this Programme is, of course, to enlighten the audience as to the personnel of the artists taking part in the performances, incidentally to serve as a guide to the plot of the piece, and generally to give such information as will tend to the enjoyment of the auditor.

But there is a fund of information in the advertisements that may be seriously considered with profit.

The publishers are prepared to attend to all business in the way of general and special advertising.

Respectfully,

BELTON & ROOT,

DOORS open for matinees at 2 p. m. ; curtain rises at 2.30 p. m.

Evenings—Doors open at 7.30, and curtain rises at 8.15 p. m. sharp.

Tickets can be reserved two days in advance* without extra charge.

Office open from 9 a. m. to 5 p. m.

Seats can be secured by mail, telegraph or telephone. Telephone 732.

Seats ordered by Telephone or in Person, and not called for by 7.30 o'clock on the night of performance, will then be sold to avoid loss to the Theatre.

Physicians are requested to register at the Box Office, leaving seat number as this will enable Ushers to find them, if called for, without disturbing the audience.

Children in arms not admitted to evening performances. Children three years old or over, full price.

Patrons will confer a favor by reporting to the management any incivility or inattention on the part of the employees, and annoyances of any nature.

If the individual members of an audience would stop to think for just an instant, they would undoubtedly appreciate the fact that the habit of rising from their seat and leaving the theatre before the curtain falls, is a most annoying one, and one that should be stopped. We therefore beg our audiences to kindly remain in their seats until the close of the performance.

Carriages can be ordered at the Box Office or of the Chief Usher.

For all lost articles, apply at Box Office.

It is strange, but there is a class of people that seem to take an intense delight in bespattering the floor with tobacco juice, and in being boisterous and using profane language. These people should know at once that the courts authorize their immediate expulsion, should the management seem fit to exercise its rights.

SYNOPSIS.

ACT I.—Colonel Sir George Ferrers' Villa on the Thames. Built by C. L. Hagen, Fifth Avenue Theatre Studio, N. Y., and painted by John Young, Broadway Theatre, N. Y.
 (There is an elapse of 6 years between 1st and 2nd acts.)

ACT II.—Scene 1—Harry Maxwell's lodgings. Scene 2—The Pawnbroker's Shop. Built by C. L. Hagen and painted by Frank Dodge, Herald Square Theatre, N. Y. Scene 3—Piccadilly, London. Looking East from Green Park. Painted by John Young, Broadway Theatre, N. Y.

NOTE—An excellent reproduction of this far-famed street, which stretches from the Haymarket to Hyde Park Corner. This scene shows that part of Piccadilly, which skirts the Green Park—the footway on the right hand side is lined with trees, and the situation being elevated, the passerby obtains a charming view over the park. The western half of this haunt: of fashion, however, is bordered on the south by the Green Park, and contains a number of magnificent mansions together with the Isthmian, Naval and Military, Badminton, St. James, Savile, Cavalry, New Travellers', Junior Atheneum, and many other aristocratic and exclusive clubs.

Scene 4—A Garret.

ACT III.—Library in Colonel Sir George Ferrers' House.

ACT IV.—Fleet Street, London. Built by C. L. Hagen, Fifth Avenue Theatre Studio, N. Y., and painted by John Young, Broadway Theatre, N. Y.

NOTE.—Fleet Street. However the tide of life in town may ebb and flow elsewhere, Fleet Street is always busy, and its London is always full. The very centre of the newspaper enterprise of

SYNOPSIS.

England can be worked on a London map very near the middle of "Fleet Street" or the spot shown in this scene. Within half a mile from this point some of the greatest newspapers in the world work and think for millions of readers. Every part of Fleet Street brings to mind some interesting memorials of the earlier history of London. Fleet Street might also be called the nursing mother of English Literature. Shakespeare, Ben Johnson, Raleigh, Dryden, Johnson, Goldsmith and countless names, brilliant even in brilliant times, are closely associated with this famous street.
