7th. An Annual Meeting of the Society, open to all its members shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint ; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August and September ; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society ; but when the Local Committees desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittance, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention :—

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision, to be appointed by the

 - 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.
 - 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
 - 10.—Upholding, by all possible and proper means, the Collegiate Establishment at Windsor.
 - 11.—It shall also be one of the objects of the Society, to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some members of the Church, who are not unmindful of the great spiritual wants of their own neighbourhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office, but all or any of them shall be eligible for re-election. The new members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

14th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

PRAYERS.

APPOINTED TO BE USED "AT ALL MEETINGS OF THE SOCIETY, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with thy most gracious favour and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with thy favor our Sovereign Lady, Queen Victoria; and so to rule her heart that she may in all things seek Thy honor and glory. Prosper with thy blessing the designs of this Society. Comfort with thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hatest nothing that thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels, and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, Blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we Thine unworthy servants, do give Thee most humble and hearty thanks for all thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been hitherto sustained; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ; to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be thy name; thy kingdom come; thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

REPORT.

The Executive Committee present the following Report of their efforts to carry out the objects of the Society during the past year, and also a statement of the probable amount available for the work of the year 1872.

The Committee are thankful to have been able to meet all the demands for the support of the missionaries, although a large payment has been made to make up the deficiency in the Block Sum. It is hoped that the Society may in future be relieved from that burden.

The Committee have found it impossible, under present circumstances, to extend in any way the work of the Society, yet many opportunities have presented themselves. The coming year will, it is thought, find the Society in a better position to help in the extension of Missionary labours in this Diocese.

There is every reason to believe that the Society has not only retained its hold upon the confidence of Churchmen generally, but is becoming more and more recognized as the Church Society of this Province. The income has not fallen short, but gone on steadily increasing from year to year, although there are some parishes which do not aid according to their ability.

The Society for the Propagation of the Gospel has not enforced for the year 1872 the system of a reduction of "one ninth" from certain salaries from the Block Sum, and has sent a schedule fixing the amount to be drawn by some of the elder clergy, and also the sum they will pay in aid of certain missions. The former will probably remain, for the present at least, as it now is, while the latter will be subject to yearly revision.

It is hoped that at the next annual meeting of the D. C. S., the Church Endowment Committee will be able to report that fund

to have reached, by subscriptions and donations, the sum of £20,000, old currency, and that the interest will thenceforth be available. The first claim upon it will be to make up what is wanting in the Block Sum. If this Society be thus relieved from any payment to that fund, there will be something more than usual at the disposal of the Committee for the support of Missionaries.

The Committee acknowledge the receipt of \$1200, as a legacy by the late Honble. M. B. Almon, long a Vice-President of the Society; another, also, of \$100 has been left by the late Miss Sterns, of Liverpool.

leaving about three thousand dollars for extension of work provided no payment has to be made to the Block Sum. It is earnestly hoped that more men may come to the work in the Lord's Vineyard; especially since, from the improved circumstances of the D. C. S., and the aid of the Endowment Fund, there is a better prospect of helping to support them in their work.

A Sub-Committee has been appointed to consider the financial condition of every parish or mission asking aid from the D. C. S. They will probably send in their report previous to the making of any new grants for Missionary purposes.

ANNUAL GENERAL MEETING.

THE Annual General Meeting of the Society was held in Halifax, on Thursday August 31st, 1871.

The Right Rev. the President took the chair at 2 o'clock P. M.

After prayers and reading the minutes of preceding meeting, the Bishop delivered his opening address stating the principal business to be brought forward, also alluding to the loss which the Society had sustained by the death of the Hon. M. B. Almon.

It was *Resolved*, that this Society has sustained a serious loss by the death of the Hon. M. B. Almon, for many years, one of the Vice-Presidents, and an active member of several of its Committees. This meeting desires to record its appreciation of his readiness to take part in every good work for the glory of God and especially in furthering the objects of this Society, in whose welfare he ever evinced a lively interest, having been so long as health and strength were granted, one of the most constant and punctual attendants at the meetings both of the Society and its committees, whenever any business was to be transacted.

The Secretary was directed to communicate the above Resolution to the family of the late Vice-President.

W. C. Silver, Esq. was appointed a Vice-President of the Society.

The following members of the Society were appointed to fill up the vacancies in the Executive Committee.

Messrs S. P. Fairbanks, W. M. Brown, W. H. Wiswell, E. H. Harrington, E. D. Meynell, and G. P. Black. Canon Gilpin was appointed Secretary and Treasurer.

C. Bullock, Esq., was appointed assistant Secretary. Col. J. T. Wood, was appointed a member of the Superannuation Fund Committee.

J. T. Wylde Esq. was appointed a member of the Church Endowment Committee.

W. H. Wiswell was appointed a member of the Investment Committee.

Notice of motion was given by the Dean at the suggestion of Judge Bliss, to consider at the next annual meeting the expediency of electing Clergymen as members of the Church Endowment Committee.

The subject of the acceptance of a Block sum from the S. P. G. for 1872 was brought forward by the Bishop. He stated that it was necessary to decide this question at once, since the S. P. G. required an answer.

It was *Resolved*, that the great and increasing responsibilities entailed by the terms required by the Society for the Propagation of the Gospel in their proposal of a Block sum render it out of the power of the D. C. S. to fulfil the conditions, and they are therefore compelled with much reluctance to decline the offer so friendly made. They desire to express their gratitude for the past favours granted by the Venerable Society and earnestly to request their consideration for those missionaries who have depended upon this grant for their maintenance.

The Secretary submitted a statement shewing that there was a deficiency in the Block sum of \$887.08 for the half year ending June 30th 1871, also of \$1218.02 for the half year ending Decr. 31st, 1871. It was directed that the deficit be made up, so far as possible, from the funds of the D. C. S. and that the remainder be taken from the Reserved Fund.

It was recommended to the Executive Committee to arrange when practicable to hold the annual general meeting on a Wednesday, or, during the session of the Synod, in the evening.

Notice of motion was given by W. C. Silver, Esq. to rescind that part of the 9th Rule which allows local committees to reserve one-fourth of their contributions for books or local Endowment.

The Executive Committee was recommended to appoint a sub-committee to ascertain the resources and ability of every parish or mission asking any aid from the D. C. S. in support of a missionary.

Notice of motion was given by the Rev. C. Shreve for an amendment of the Rules of the W. & O. Fund, in order to allow some benefit to those who, by force of circumstances, would be prevented from receiving any advantage under the present Rules.

It was resolved that the Clergy be requested to give due notice to their congregations of the time and place for the annual general meeting, and also of any important business which is to be brought forward at that meeting.

EXTRACTS FROM THE MINUTES OF THE EXECUTIVE COMMITTEE.

Oct. 20, 1871.—E. Archbold, Esq., was appointed a member of the Committee on Salaries, vice Hon. M. B. Almon.

A grant of \$60 per annum was made to Rawdon on condition that the people make up \$188 per annum for the Incumbent—the condition to be required from the 1st October.

In accordance with the recommendation at the general meeting, the sub-Committee on Salaries, together with the Dean, W. H. Wiswell, and E. D. Meynell, Esqs., were appointed a sub-Committee to consider the resources and ability of parishes and missions applying to the D. C. S. for aid.

It was directed that the clergy receiving aid from D. C. S. be paid in Canada currency from the 1st July, 1871.

It was *Resolved*, that the clergy be requested to hold quarterly meetings in their parishes to promote the objects of the Society.

Nov. 17.—H. Pryor, Esq., D. C. L., was appointed a member of the W. & O. Committee.

The Secretary was directed to publish a statement correcting the erroneous impression which had been conveyed by the refusal of the Block Sum.

DEC. 15.—The Bishop read a letter from the S. P. G., stating that the Society could not increase its grant to Nova Scotia, and that if the D. C. S. refused to receive the Block Sum, the S. P. G. must reduce the payments to the Missionaries within the proposed amount.

The Bishop stated that he had written to the S. P. G., suggesting a compromise, and was waiting an answer.

JAN. 19, 1872.—A legacy of \$1200 to the D. C. S., and \$400 to the Superannuation Fund, from the late Hon. M. B. Almon was announced.

The Bishop read a letter from the S. P. G., fixing the payments from the Block Sum for the year 1872, and offering a certain amount, provided the D. C. S. would be responsible for the deficiency :

The proposal of the S. P. G. was accepted by the D. C. S.
 The Committee on a public meeting submitted their report of the meeting. It was ordered that it be published in the next Report of the Society.

It was agreed that the Society adopt the system of collection boxes, and a Committee was appointed to carry out the resolution.
FEB. 16, 1872—The Box Committee reported that boxes could be procured for 13 cents each. It was directed that one hundred be procured—that they be numbered, registered, and labelled with the seal of the Society.

The auditors for 1871 reported the accounts correct and satisfactory. Col. Wood and Mr. W. H. Anderson were appointed auditors for 1872.

The Executive Committee did not take action upon Mr. Shreve's motion, relative to discontinuance of printing names of subscribers, inasmuch as the subject had been several times before the general meeting.

JUNE 21, 1872.—A draft of the Annual Report of the Executive Committee for 1871 was submitted and adopted.

It was *Resolved*, that a public meeting of the Society be held within the present year. Also, that it be held during the session of the Synod. A committee was appointed to carry out the proposal.

PUBLIC MEETING.

A public meeting of the Society was held in the Temperance Hall, Tuesday, Nov. 21st, 1871. His Excellency, Sir Hastings Doyle, K.C.B., &c., took the chair at 7½ p.m. The music was conducted by the Lady Organist of St. Luke's Cathedral.

After the appointed prayers by the Dean, the chairman addressed the meeting in his usual terse and happy style, which at once aroused the sympathy of all present.

The first resolution was moved by W. C. Silver, Esq., seconded by Rev. R. Warren, M.D.,—

“That, notwithstanding the difficulties which have arisen; year by year, by the reduction of the assistance from the S. P. G.; this Society has great reason to thank God for the help by which it has been hitherto sustained.”

The second resolution was moved by the co-adjutor Bishop of Newfoundland, and seconded by Peter Lynch, Esq.,—

“That one distinctive mark which our blessed Master has set upon His Church is its Missionary character, and it is, therefore, our imperative duty, while we deplore our past neglect, to labor more and more diligently to maintain that character for the time to come.”

The third resolution was moved by the Rev. J. C. Edghill, and seconded by the Rev. G. W. Hodgson,—

“That while recognizing the Divine command to spread the Gospel abroad, we are aware of the pressing necessity of supporting our Church at home, and that this necessity lays upon all the members of the Society the solemn obligation to abound more and more in their liberality and devotion to her special work in this Diocese.”

After the collection the hymn “Onward, Christian soldiers,” was sung. The thanks of the meeting were tendered by the Right Rev. the Lord Bishop, and given by acclamation, to his Excellency for his kindness in presiding.

The Bishop dismissed the meeting with the Benediction.

Leaving a balance of only \$653.72 to complete the principal sum required, viz., \$80,000—equal in Dominion currency to the sum of \$77,866.67.

From the conditional promises made to the Secretary, the Committee feel confident this balance will shortly be paid in, and the fund be made available before the close of the present year for the objects and designs set forth in the prospectus and adopted by the Society in 1860.

The Committee desire to call the earnest attention of their fellow Churchmen to the fact that while the Fund could not go into operation until \$80,000 was paid into the hands of the Treasurer, yet it was originally proposed to raise double the amount, and that a continuous effort should be made by those who desire the welfare and independence of their clergymen, to accomplish this desirable object, and the Committee hope that all will contribute liberally to increase the Church Endowment Fund.

The Committee feel sensibly the loss of their late Chairman, Mr. Almon, who always evinced a warm interest in every object connected with the well-being of the Church, and the promotion of the comfort and usefulness of its Ministry.

Our late Secretary, Mr. Frederick Allison, having resigned, Mr. W. C. Silver was unanimously chosen as his successor. The Committee have much pleasure in bearing testimony to the energy and zeal manifested by Mr. Allison in the discharge of the duties of his office, whereby the completion of the Fund was greatly aided, and feel confident that with the well known interest which Mr. Silver has shown in all matters in which the Church and its progress are interwoven, this Fund must necessarily increase.

The death of Mr. Almon, the resignation of Mr. Graham, and the appointment of Mr. Silver to the office of Secretary, cause three vacancies on the Committee. The Rule fixes the number of the Committee at fifteen, but by some mistake it has been composed of sixteen; consequently there are only two places to be filled up.

APPENDIX.

RULES OF THE WIDOWS' AND ORPHANS' FUND.

The following is the 11th object of the Diocesan Church Society :

"It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, but no part of the Society's funds shall be appropriated to this object except such as shall be specifically given and paid into the Society therefor."

1st. In accordance with the above, the Society will open a special account for the object to be called "The Widows' and Orphans' Fund." This fund shall be formed and consist of all subscriptions, donations, legacies, and other contributions, given and paid to the Society for this special object, and of all premiums received under these rules, and of all benefits arising therefrom; and this fund shall be held and applied to and for this particular object, and no other.

2nd. A standing sub-Committee of seven members shall be appointed, in whom, together with the Secretary of the Diocesan Church Society, (who shall be paid as Secretary of this sub-Committee,) shall be vested the whole management of this Fund, subject to an appeal to the whole Society.

3rd. The Diocesan Church Society undertakes to pay, out of this Widows' and Orphans' Fund, the pensions which become due under the following rules.

4th. Every Clergyman of the Church of England within the Diocese wishing to avail himself of the benefits of this fund, shall, within six months from the 10th October, 1855, or within one year from taking orders, or from his admission into the Diocese, apply to the Secretary for a certificate of pension, and shall pay the annual sum or premium therefor, as hereafter mentioned.

5th. Any applicant, after such period of time, shall only be permitted to receive such certificate at the option of the sub-Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every clergyman applying for a certificate, according to his age at the date of his first application; it being understood that any parish or congregation contributing to the fund more than \$8.00, then the excess be counted toward payment of the premium of the minister or ministers for that year :

ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Sub Committee were adopted by the Standing Committee, May 17th, 1850 :—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Sub-Committee, and to be conveyed and held for the benefit of the incumbent or resident Missionary, for the time being, of any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Church Society.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension,

V. The Endowment Sub-Committee shall hold any sums contributed toward the endowment of any Parish or Mission, as well as the reserved one-fourth of any contributions that may be made by any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Sub-Committee, such opportunity or proposition for Endowment shall come within the true intent and scope of the foregoing regulations, they shall authorise the said one-fourth to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the Standing Committee of the Diocesan Church Society at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Sub-Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Diocesan Church Society in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Sub-Committee to form a correct judgment. All such applications to be made to the Secretary of the Diocesan Church Society, who is ex-officio Secretary of the Endowment Sub-Committee.

The Endowment Sub-Committee, in a Report to the Executive Committee, dated May 11th, 1863, made the following recommendations:—

“That while no restriction is made as to the sum which a Parish may withdraw from its ‘*Reserved Fourths*,’ and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Society and the interest be payable to the incumbent.

“With reference to the control of the Society over the *Reserved Fourths*, the Committee state that they have no wish to interfere in any way with the right of the Parishes to manage their own property. They would merely, for the better security of this fund, for the support of the Clergy, recommend—That a Rule be adopted which would require that, when an investment made by any Parish from its *Reserved fourths* may be paid off, the money be returned to this Society to be held under the same Rules, and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted by the Executive Committee,—the second is still under consideration.

CHURCHES.

Every application for aid in the erection of a Church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society, without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished. Grants to Parsonages are made on similar conditions.

“The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given.”

“It is the opinion of the Executive Committee that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member, but that any person may devote his money to any particular object which is recognized by the Society.”

FORM OF LEGACY.

“I give to the Diocesan Church Society of Nova Scotia, the sum of _____, to be applied to the general purposes of the Society.” And the Receipt of the Treasurer of the Society shall be sufficient discharge for the same.

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.

"The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that Parish."

"All subscription lists received before the 31st March in each year, will appear in the next forthcoming report, while those received after that date shall be omitted."

"If reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Society."

The attention of the Local Committees is particularly requested to the above regulations.

"All applications for aid from this Society are proposed at one meeting of the Society and considered at the next."

"The Executive Committee are authorized to grant, at their discretion, a sum of money not exceeding \$160, towards an outfit for any newly ordained Clergyman of the Church who may require such assistance, previous to his assumption of actual duty in the Province."

"No person shall be qualified to vote at any general meeting of the Society, nor to be elected a member of the Executive Committee, who has not been a Subscriber for three months preceding the day of meeting."

At the General Meeting in 1869 the following Resolution was adopted:—

"The Church property, in any Parish, which is actually occupied by the Incumbent of the said Parish, shall be valued by competent valuers, upon his taking charge, and be considered at the same value for purposes of salary during his incumbency; and the valuers shall be appointed as follows, viz., one by the parish, one by the Executive Committee of D. C. S., and another by those two."

At the General Meeting in 1870 it was determined "that in Rule 10th the words "more particularly" are not to be understood as limiting the application of the funds to the objects therein enumerated."
