## UP TO DATE ICE CREAM PLANT

Gray's Wholesale Has Installed Thoroughly Modern Equipment.

With the recent installation of thoroughly up-to-date equipment the ice cream plant of Gray's Wholesale has new ranks among commercial enterprises as second to none for its size in the province.

Like the manufacture of many other commodities on the market, the production of thoroughly wholesome ice cream is now more or less of a science and requires a plant containing valuable and thoroughly modern machinery as well as an expert to operate it. The new equipment that Mr. Gray has added to his plant is as up-to-date in every particular as money can procure and assures the production of ice cream that will rank first class in every respect.

The equipment of Gray's plant now includes two pasteurizers each with a capacity of 200 gallons; a viscolizer and a large freezer capable of handling one gallon of ice cream per minute. Besides its efficiency the new plant employs a system of production which cannot fail to turn out a thoroughly wholesome product. From the time the raw material is placed in the first vat and the operation begins until the finished product emerges from the freezer, human hands play no part in the process except to apply the power to the different machines, each of which has its own independent motor.

When the necessary formula is prepared it is run into one of the pasteurizing vats where pasteurization is applied through the agency of a revolving coil through which water of the desired temperature automatically radiates. From here the liquid is run through a pipe to the viscolizer through which it passes at 3000 pounds pressure and through 3 one thousandths of an inch space. The viscolizer is connected with the second pasteurizer which is used as a holding vat and here the mixture is thoroughly purified by the process through which it has passed, is held at the necessary low temperature. From this vat a feed pipe carries it to the freezer and from here it emerges the finished product.

It can be readily seen that modern equipment of this kind employing such an up-to-date and sanitary process of manufacture, assures for ice cream absolute purity and freedom from all impurities which may be found in ice made without scientific treatment and where pasteurization is not employed. A plant of this kind is indeed a noteworthy addition to provincial enterprises and the fact of its establishment here is something that this individual ice cream user cannot too highly appreciate.

## FATALITY REPORTED AT GLOUCESTER JCT

Leonard Hachy, C. N. R. brakeman of Bathurst Reported Killed.

Word was received here today that Leonard Hachy of Bathurst, a C. N. R. brakeman met with a fatal accident at an early hour this morning. So far details of the accident are very indefinite. All that is known is that Hachy let home this morning at 4 o'clock and was next seen by the engineer of an early morning train lying on the track about two miles north of Gloucester Junction. It is alleged that the driver did not see the unfortunate man until it was too late for him to avert the tragedy. After the accident, trainmen identified him as Leonard Hachy of Bathurst.

**DIED.** COMEAU—At the Hotel Dieu Hospital, Campbellton, N. B. on Saturday, June 3rd, 1922, Lionel ComEAU, aged nine years and three months, beloved son of James ComEAU and Helen Savoy. His service was held at St. Anne Church, Restigouche, P. Q. on Monday, June 5th.

**ATHOLVILLE.** The man of Ferguson Motor Post Office will be changed to "Atholville" the same going into effect on the 6th inst. The change will not be generally popular, and why it is done no one seems to know.

**WESTERN PHYSICIAN** VISITS HOTEL DIEU

Dr. M. T. MacEachern, Superintendent of the Vancouver General Hospital and representative of the American College of Surgeons for Hospital Standardization, visited the Hotel Dieu Hospital here on Friday evening last. He expressed his deep satisfaction with the manner in which this hospital was keeping up its reputation.

The organization and system existing in the various departments. He also commended the medical staff, especially on their efficient and whole-hearted co-operation with the hospital management.

Have you ever wondered why Girls Leave Home?

## SPECIAL MEETING OF COUNCIL

Legere Lot Deal in Connection With Subway Project Temporarily Settled.

A special meeting of the town council was held last evening in the Firemen's Hall. There were present Councilors Bellefleur, Graham, Matthews, Duncan, Moore and Giller. On motion Councilor Bellefleur was appointed chairman of the meeting, and Mr. F. A. O'Leary secretary.

The chairman in calling the meeting had been called to consider two petitions which had been largely signed by the ratepayers.

The secretary read the petition which asked that the town council purchase the Legere lot of land as an approach to the Central street subway should same be built. Councilor Duncan spoke in favor of the purchase and moved that a committee of three be appointed to meet Mr. Legere and arrange all details with him this committee to have full power to make the purchase. This motion was seconded.

Councilor Matthews felt that such an important transaction should only be dealt with when all the councilors were present.

Councilor Graham expressed the opinion that the motion was out of order a motion already being on the minutes book that this lot of land be not purchased. Before dealing with the matter he contended it would be necessary to rescind the former motion.

Councilor Graham moved that the petition be received and placed on file. This was seconded by Councilor Moore.

The chairman, Councilor Bellefleur, then called Councilor Moore to the chair, when he spoke strongly in favor of buying the lot which could be purchased for \$1000 and the expense Mr. Legere had already gone to in the erection of the building he was now putting up upon the lot.

In resuming the Chair Councilor Graham's motion which was carried, Councilor Duncan voting nay. Council then adjourned.

Can you tell Why Girls Leave Home?

MACDONALD—MOWAT

Wesley Methodist Church was the scene of a very pretty wedding on Tuesday evening, June 6th at 6:30 o'clock, when Mary Hazel, daughter of the late Mr. and Mrs. John Porter of Campbellton, became the bride of John Wesley MacDonald, son of the late Mr. James A. MacDonald and Mrs. MacDonald of Campbellton. Rev. F. E. Boothby officiated. The bride was given in marriage by her brother, Mr. J. T. Mowat, and was charming in a three piece suit of navy velvet tulle and lace, roseate crepe with becoming French hat of beige. She wore a platinum fox fur and carried a shower bouquet of garden roses, sweet peas, and lilies of the valley. The church was artistically decorated by friends of the bride with ferns, pink spray and apple blossoms. Miss Greta Metcalfe presided at the organ and played appropriate music before the ceremony and during the signing of the register.

Immediately after the ceremony the bridal party motored to Matapedia and left on the Ocean Limited for Montreal, from there they will motor through the Adirondacks to New York returning by way of St. John.

Mr. and Mrs. MacDonald have the best wishes of a host of friends.

MARIA.

We regret to announce the death of William H. Clapperton of this place, which occurred on the 31st of May last in his eighty-third year. He was born at Carleton, P. Q. and when seven years old crossed to Scotland where he lived with his uncle James on the estate of Porton in Forthshire where he was educated. When fourteen he returned to Carleton taking a business training with John Meagher, Esquire, and after becoming Crown Land agent which position he still occupied when he died.

He leaves to mourn his loss his beloved wife (nee Mary Ann LeBlond), three sons and two daughters: Henry of Minneapolis, George of New Richmond, Thomas of Maria Cape, Mrs. Henry McIntyre of Campbellton and Mrs. T. J. Mill of Maria to all of whom we extend our heartfelt sympathy.

The funeral took place on Friday, June 2nd and was one of the largest and most imposing ever witnessed here which proves the high esteem in which he was held. He was well known throughout the country which accounted for the many guests and letters of sympathy which poured in. The honest reputation he bore he brings to the grave and whose rightness. He departed this life full of the confidence of the good and faithful servant, peacefully awaiting his reward in the kingdom of God of Whom he was always a dutiful servant leaving behind him the example of a devoted and loving husband, a joyful and pleasant companion, a kind and tender father.

## SPOUL LOT CHANGES HANDS

New Owner Plans Removal of House and Erection of Three Storey Brick Bldg.

Mr. W. Russell Stevens has purchased the corner of the Subway and Roseberry street, and has also secured a lot of land on Patterson street, where he now has a crew of men putting in a concrete basement wall, as it is his intention to have the Sproul house moved to the latter lot. The Graphic understands the price paid for the Dr. Sproul property was in the vicinity of \$5,000.

Mr. Stevens is having plans prepared for a three storey brick building to be erected upon the Sproul lot, the building being considerably larger than the one now situated there. The lower floor of the new building will be used as a store, which will have three entrances on the Subway. The upper portion of the building will be fitted up as tenements, entrance there to being had from Roseberry street.

## BROTHERHOOD OF R. R. TRAINMEN

Tuberculosis Sanitarium is Proposed Now Before Organization.

Toronto, June 4.—A scheme for a tuberculosis sanitarium to care for members of the organization, now being formed by the members of Brotherhood of Railway Trainmen, in session at Massey Hall.

The sanitarium scheme could be approved of until the next convention but in the meantime a tuberculosis fund will be created, by which members suffering from that disease may receive funds to provide themselves with the treatment they require.

The fund is to be created and maintained by a monthly assessment of 25 cents, commencing September 1, and continuing until such time as \$100,000 has been accumulated above the estimated requirements for one year, by which time plans will be selected for the building. Every member of the organization afflicted or threatened with tuberculosis will be entitled to the protection of the fund from January 1, 1923.

## SORRID TRAGEDY AT GROSSE ISLE

Four Boys' Under Twelve Years Perish in St. Lawrence—Bodies Washed Ashore.

Four little bodies, inert and lifeless, strewn along the muddy beach about a mile and a half from the Canadian Quarantine Station at Grosse Isle, lay key to the tragic tale of a Polish family that was on its way towards Canadian citizenship. The bodies belonged to four little Polish lads, ranging in age from eight to twelve years, and they met their untimely death in the waters of the St. Lawrence because they were too incontinent to submit to the delays involved in the immigration act and were apparently trying to evade them by making for the promised land in a row boat.

While definite particulars of how the little party escaped from the station are lacking it seems clear that they must have scaled the walls and made for the beach where they found the row boat. Perhaps they were open having a good time, rather than imbued with the grand idea of outwitting the immigration authorities. At all events they got out into the current where their little craft was caught in a strong wind. In a few minutes the boat was upset and the youngsters were sprawling helplessly in the water. The rest is easy to understand.

Immediately the lads were missed from the station a search was instituted. This search lasted practically all day long and resulted, late in the afternoon, in the sad discovery of the four dead bodies on the muddy beach to the east of the station.

**NEW FORD ASPIRATIONS.** Detroit, June 6.—Henry Ford has intimated privately that he would run for president "if the people of the country desire him to do so," but he would refuse to spend any money to bring about his nomination or election," according to Wm. T. Kronberg, editor of a Dearborn newspaper and one of the leaders in the Dearborn-Henry Ford President Club.

**ANGLING.** The angling on the Restigouche is so far a failure, very few fish having

DR. JERYLL AND MR. HYDE.

Probation officers are wrestling with the redemption of an 11-year-old boy and trying to decide whether he is "plain bad" or whether he presents a perfect prototype of the immortal Dr. Jekyll and Mr. Hyde.

## CAMP SUSSEX TO OPEN ON JUNE 28

Extensive Training in Different Branches—650 Men Expected to Attend.

The militia camp at Sussex will commence June 28th and last till July 6th. Arrangements are now in progress for getting the camp ready and it is expected about 650 men will be present, and extensive courses in the different branches of training will be given. The camp will be in charge of a Camp Commandant, who will be assisted by a G. S. O., a Senior Engineer Officer, a Signal Instructor, a Supply Officer, a Medical Officer, a Paymaster, a Cavalry Instructor and two infantry instructors. The names of the officers and instructors will be announced at a later date.

The following units will comprise the camp: 8th Princess Louise Hussars; New Brunswick Dragoons, 1st Brighton Field Co., and the 10th Infantry Brigade, composed of the Carleton Light Infantry, the Cork Regiment, the North Shore Regiment and the New Brunswick Rangers.

Owing to the limited funds available for training purposes this year the plan is to keep the officers and non commissioned officers together as much as possible, with the view that the organization will have competent instructors for training and will be ready to carry on when more funds are available.

UNEMPLOYED VETERANS.

Ottawa, June 5.—The unemployed veterans army led by "General" Frank Riley, arrived in Ottawa Sunday morning and after a parade through the city reached Landsdowne Park shortly before noon. They are now quartered at Howick Hall, and will remain there till the interview with the Government is arranged.

The army on entering the exhibition grounds numbered 278. According to "General" Riley they will not be allowed to leave the grounds till the interview with the government is arranged. Major Frank Plant who addressed the men in Howick Hall on their arrival offered his services in arranging an interview with the Government. "General" Riley also addressed the men.

## GRAND JURY RETURNS TRUE BILL

True Bill Returned in Case Of Father Delorme.

Montreal.—The grand jury in the case of the bench here Friday returned a true bill charging Rev. Adelard Delorme with the murder of his half-brother, Raoul Delorme, 24 year old Ottawa College student whose dead body was found in the snow in a suburb of this city January 6 last. Trial was set for Friday next here.

When asked to plead to the charge Father Delorme maintained silence. His lawyer announced that he would raise a plea of insanity when the case came to trial. Mr. Justice Monet refused the request for delay in arraigning the accused, stating that he was to be considered as a layman and not as a priest. He was therefore not entitled to more consideration than any other prisoner.

During the arraignment proceedings Father Delorme made an attempt to seat himself in the dock but was removed by the judge who told him sternly to "stand up straight." The accused was impassive throughout the proceedings.

## HARDING TO VISIT CANADIAN CITIES

President Harding Accepts Invitation of Sir Auckland Geddes.

Washington, June 2.—President Harding tentatively accepted yesterday an invitation tendered him by Sir Auckland Geddes, the British Ambassador, to visit the cities of Vancouver, British Columbia this summer during his proposed Alaskan trip.

The President was said to have told the ambassador that his plans for a trip to Alaska still were dependent on early adjournment of Congress but that in event the trip was made possible he will be pleased to stop at the two British Columbia cities during the voyage to Alaska.

## ERNEST McEACHERN SENT UP FOR TRIAL

Preliminary Hearing in Charge  
Against Ernest  
McEachern.

The following is an additional re-  
port of the preliminary hearing in the  
case of Ernest McEachern at Rich-  
bucto, charged with murdering Gordon  
Mesheau.

The evidence given at the prelimi-  
nary hearing by Mrs. Mesheau, widow  
of the deceased, was substantially the  
same as that given before Coroner D.  
V. Landry, Buctouche, on May 17th  
last.

It was established that the accused  
and the deceased had always been on  
good terms, and that within a very  
short time previous to the trouble, the  
accused and deceased had some hay  
transaction, at which time they had  
dinner and tea together at the home  
of the deceased.

Before the coroner's inquest, she  
swore that she asked her husband  
while he was holding the accused  
down on his back, if she would take  
the axe into the house. At the pre-  
liminary hearing she stated that this  
request was volunteered by her hus-  
band, the deceased.

She further testified that her hus-  
band died on Sunday morning, May  
15th, that the deceased had, though  
he was well enough to sit up. She  
assisted by Robert Mesheau, brother  
of the deceased, helped the deceased  
up and he sat on the end of the bed  
where he rested a moment; then helped  
him to a rocking chair. Shortly  
after this, he asked to be put back in  
bed, and he expired in about 7 or 8  
minutes. On this Sunday morning,  
the deceased, contrary to instructions  
of the attending physician, Dr. Marc  
Delaney, was given solid food,  
war given prunes, and possibly some  
toast.

The evidence given by Dr. Delaney,  
who had attended the deceased throu-  
ghout his illness, was to the effect that  
Mr. Mesheau apparently passed the  
crisis after the fourth or fifth day.  
At that time his temperature had re-  
ached the highest point, likewise respi-  
ration and pulse, but from that time  
temperature lowered until during the  
last week it was normal, and the pa-  
tient was on the road to convalescence.  
He stated positively that at the last  
three visits the deceased showed no  
temperature whatever.

He further stated that his orders  
were that the accused be given liquid  
diet only.

It was brought out on cross-exami-  
nation of Dr. Girvan, who assisted Dr.  
Delaney in performing the post mortem  
that he did not notice the fourth frac-  
ture of the skull as testified by Dr. De-  
laney.

He further testified that as a matter  
of practice, it was absolutely essential  
that in a case of fracture particularly,  
the patient should be kept perfectly  
quiet. All medical skill required per-  
fect quiet after an operation.

Dr. D. V. Landry, the coroner, who  
performed the post mortem, was  
called to identify a number of exhibits.  
He identified the two sticks brought  
to court as those put in evidence be-  
fore him, and marked exhibits "A" and  
"B" respectively. On a knot on ex-  
hibit "A," being the larger stick, a num-  
ber of hairs had been attached which  
were removed in the Coroner's Court  
and placed in an envelope, and marked  
exhibit "C."

The smaller stick, exhibit "B," was  
not furnished in evidence before the  
magistrate, and on cross-examination  
of Dr. Landry it was brought out that  
on a knot on the smaller stick were  
a number of hairs.

Charles Mesheau, a brother of the  
deceased, testified to his finding of the  
sticks.

The accused was then sent up for  
trial.

It is not decided whether an applica-  
tion will be made for bail.

## CANADIAN TRADE DISCUSSED BY U. S.

Trade With Canada and New  
Tariff Bill Hotly Debated  
in American Senate.

Washington, June 2.—Trade with  
Canada and the effects of the new  
tariff bill on this trade, were once  
more at the front in the Senate discus-  
sion of the tariff question today.

Senator Robertson, of Arkansas, one  
of the Democratic leaders strongly op-  
posed putting duties on brick and  
shutting off Canadian importations in  
order to aid what he called the "most  
oppressive monopoly known" in the  
United States. He declared that Uni-  
ted States citizens living along the  
Canadian border ought to be able to  
purchase brick manufactured in the  
Dominion.

As the result of a sharp fight com-  
mon brick will go on the free list and  
there is a strong movement to lower  
duties on other forms of brick which  
are of utmost importance to building  
in the United States.

TWO ARRESTED.  
Spring, N. S., June 8.—A second ar-

rest in the \$10,000 Martindale  
robbery by the police Saturday when  
they apprehended after Demestek,  
who is charged with complicity in  
breaking into Alex. Martindale's safe  
and taking therefrom cash, bonds and  
valuable papers.

Peter Swanday, the first suspect  
arrested, was Saturday committed for  
trial to the Supreme Court.

## MILITARY CAMP AT SUSSEX SOON

Only Small Number of Men Will  
Meet in Annual Camp in  
June.

Arrangements are being made to  
hold the Military Camp at Sussex  
commencing June 28th and lasting till  
July 8th. It is expected that about  
600 men will be present, and extensive  
courses in the different branches of  
training will be given. The camp will  
be on charge of a Camp Commandant,  
who will be assisted by a G. S. O., a  
Senior Engineer, Officer, a Signal  
Instructor, a Supply Officer, a Medical  
Officer, a Paymaster, a Cavalry In-  
structor and two Infantry Instructors.  
The names of the officers and in-  
structors will be announced at a later  
date.

The following units will comprise the  
camp: 8th Princess Louise Hussars,  
New Brunswick Dragoons, 1st Bright-  
on Field Co., and the 16th Infantry  
Brigade, composed of the Carleton  
Light Infantry, the York Regiment  
the North Shore Regiment and the  
New Brunswick Rangers.

Owing to the limited funds available  
for training purposes this year the  
plan is to keep the officers together as  
much as possible, with the view that  
the organization will have competent  
instructors for training and will be  
ready to carry on when more funds  
are available.

## MANSLAUGHTER TRIAL BEGINS

Prisoner Committed for Trial At  
the Circuit Court in  
October Next.

Richbucto, June 1.—The preliminary  
hearing into the charge against Ernest  
McEachern of having caused the death  
of Gordon Michael, Mill Creek, Buc-  
touce, was commenced here this  
morning before Magistrate Diggle, E.  
R. McDonald, of Shediac, appeared for  
the Michael family; H. A. Powell, K.  
S. of St. John, and Hon. A. A. Dwyer,  
of Buctouche, appeared for the pris-  
oner. Witnesses examined were Mrs.  
Michael wife of Gordon Michael; Dr.  
Delaney of Buctouche, and Dr. K. G.  
Girvan of Rexton, N. B. The trial  
will be continued tomorrow.

## EDMUNDSTON BONDS.

Montreal, May 31.—A bond issue of  
Edmundston, N. B., has been awarded  
to the Provincial Bank of Canada at  
fractionary above 101. The issue is  
for \$100,000 and bears interest of six  
per cent and is for a period of twenty  
years.

## SALARIES OF NOTED MEN.

The Prime Minister of Canada has a  
salary of \$15,000 a year, in addition  
to his occasional indemnity of \$4,000 as  
a member of Parliament. The Presi-  
dent of the United States has a salary  
of \$75,000 a year, with an additional

sum of \$25,000 a year for travelling  
expenses. The Civil List of King  
George is fixed at \$470,000 per annum,  
of which \$110,000 is appropriated of  
the privy purse of the King and  
Queen, \$125,000 for salaries of the  
royal household expenses, \$20,000 for

and \$20,000 remains unappropriated. The  
widow, \$12,500 for sine and bounty  
annuity of \$70,000 to Queen Mary in  
the event of her surviving the King.

## Clean Up Paint Up

KEEP your house looking its best at all  
times. Keeping up its appearance will  
keep up your pride in it.

Plant flowers and grass seed. Trim up  
the shrubbery and vines. Don't let rubbish  
accumulate in either the front or back yard.

Then paint your house with Lowe Brothers  
High Standard—the investment paint.  
Lasts longer than most other paints and  
looks better as long as it lasts. This means  
that repainting won't be necessary so soon.

High Standard costs a few cents more per  
gallon, but you need fewer gallons, there-  
fore you begin saving money right at the  
start.

We will gladly prove to you that the  
difference between Lowe Brothers and  
other paints is more than a mere difference  
of opinion.

Come in and ask for interesting litera-  
ture and look at the sample panels.

GAME LAW VIOLATIONS.  
Chief Game Warden L. A. Gagnon,  
of the Crown Land department, has  
returned from an inspection tour,  
which included Moncton and Edmon-  
ston. Saturday last he visited Cham-  
pman, proceeding to Tracadie, where a  
game prosecution case came up on  
Monday. Mr. Gagnon will also take  
charge of three prosecutions at Camp-  
bellton this week. The game cases a-  
rise from violations alleged to have  
occurred during the month of March.

MILITARY NEWS.  
Notice has been issued according to  
district orders published by Col. A. T.  
Ogilvie, D.S.O., commanding Military  
District No. 7, that authority has been  
granted for the free issue of 960  
rounds of gallery practice of .22 cal-  
ibre ammunition to each "squad" for  
military or civilian rifle clubs and cad-  
et corps entering the Canadian Rifle  
League competitions during the year.  
Certificates have been granted to the  
following:—  
Levi, W. M. Ferguson; The New  
Brunswick Dragoons; Cavalry, Grade-  
Lieut.

June 1-3w

## C. G. I. T. CAMP

The N. B. Girls' Work Board of Maritime Religious Education Council have about completed arrangements for the annual camp outing, which will be held from July 1st, to August 2nd at Camp Wapogon on the head of the salmon river four miles below Chipman.

## GAME LAW VIOLATIONS

Chief Game Warden L. A. Gagnon, of the Crown Land Department, has returned from an inspection tour, which included Miramichi and Chipman. Saturday last he visited Chatham, proceeding to Tracadie, where a game prosecution case came up on Monday. Mr. Gagnon will also take charge of three prosecutions at Chipman this week. The game cases arise from violations alleged to have occurred during the month of March.

## MILITARY NEWS

Notice has been issued according to district orders published by Col. A. T. Ogilvie, D.S.O., commanding Military District No. 7, that authority has been granted for the free issue of 900 rounds of gallery practice of .25 calibre ammunition to each team for military or civilian rifle clubs and cadet corps entering the Canadian Rifle League competitions during the year. Certificates have been granted to the following:

Leut. W. M. Ferguson, The New Brunswick Dragoons, Cavalry, Grade I.

## BIG RECEIPTS FROM

## MOTOR VEHICLE TAX

New Brunswick will have more than 16,000 motor vehicles licensed in 1922, according to a prediction made by Hon. P. J. van der Stede, Minister of Finance. There were 12,500 automobiles and 875 motor trucks licensed in the province last year and the minister said that he expected to see 2,000 more cars in New Brunswick this year than last. Receipts from motor vehicle license fees to date are about \$225,000, while last year the total reached for the entire twelve months was \$275,222. It seems to be the expectation that the \$300,000 mark in receipts will be exceeded this year.

## BIG FISH SHIPMENT

One of the largest shipments of fish that this section passed through here at Sunday morning. Owing to this heavy shipment of fish, which comprised five express refrigerator cars, No. 1, Montreal Express had to be run in two sections. The shipment consisted of mackerel and halibut and was billed from Halifax to Montreal, Toronto and Boston.

Campbellton, N. B. June 8th, 1922

**A GOOD WORD.**  
Besides its undeniable contribution to world peace and international friendship the disarming conference at Washington brought before the public eye a word which was hitherto practically unknown. It is a short word of only six letters, yet it is a big word for it means a great deal. And it is much more deserving of a place in our vocabularies than many of the slangy phrases that are created from time to time and which tend to taint the conversation of the parlor, the theatre, the ballroom and even the church with a coarse, street-talk flavor. The word we refer to is "Agenda." It means things that are to be done.

With its full meaning taken into consideration, the word agenda is a good one at any time of the year but at this particular season when nature has awakened from her long winter inertia and human activities have recommenced with renewed energy and interest, agenda is an especially good word to get into our thoughts. It will undoubtedly serve as an incentive for it will remind us of the many things still to be done and help to keep us from lagging—or taking too many days off to go fishing.

Most human beings have one propensity in common. Namely, the tendency to rest on what they have accomplished. These achievements be great or small. But to think of the many things yet to be done in an impetus to even the tired mind and body to forget our wearying thoughts of the past and press on to what demands in the future.

Another common frailty of the human animal is that of telling those about him how tired he is and what a hard day he has had. It may seem ridiculous, but telling the other fellow

how tired we are invariably adds to our feeling of fatigue—at least, it prevents our forgetting it for it is more or less a psychological condition. Bone and muscle naturally have something to do with our weariness after a hard day at the office or factory, on the farm or in the household but whether we are to brood over our condition and make ourselves the more uncomfortable or forget our fatigue is a matter of our own volition and one which depends very largely on our mental attitude. Here again the word agenda fits in admirably, for it is curiously less tiring to forget our weariness and plan for the many things yet to be done.

Agenda. Yes it is a good word to get into common speech. For in every life, regardless of its accomplishments or failures of the past or its prospects for the future, there are always many things yet to be done.

### EDITOR'S MAIL

Campbellton, N. B.  
June 5th, 1922  
Dear Sir—

I noticed recently in the columns of your paper, and also in St. John Telegraph as well as other publications, reference to the vacant N. B. senatorship and, who should fill this vacancy, what county should enjoy the honor.

Some of our publications suggest that some man who has been in the public eye, and picking the plums for some time, should fill this vacancy. Perhaps these men who, while they have been in the public eye, may never have known anything about a hard fought battle or self sacrifice and abuse that the men in the smaller communities have had to endure in order to give the people good economic government.

My mind goes back to the many political battles that the late George Haddock fought for the liberal party in the County of Restigouche. Although one of the finest type of men, and no one disliked an election more than he did, still he fought on at great self-sacrifice, for three or four successive elections and all the consid-

eration he received for the declining years of his life, was a second rate Customs House position, with the paltry sum of nineteen hundred dollars per year.

For the self-sacrifice and loss and abuse, which he endured nothing less, than a senatorship should have been offered him. Then the late John Reid took up the fight and carried the county in 1900 and carried it again in each succeeding election, at great personal sacrifice until after the census in 1911 when it became known that the electoral district of Madawaska and Restigouche. In the 1911 election which was to be the last election in which these two counties would figure separately, it was understood, between Mr. Reid and the then Liberal leader at Ottawa that if Mr. Reid and Mr. Michaud carried their respective counties at the election when the amalgamation of the counties took place Mr. Michaud would stand for both counties and Mr. Reid would get a senatorship.

This would have been a splendid arrangement and should the wisdom of the great Liberal chieftain Sir Wilfrid Laurier as both the English and French speaking people would be represented in both counties and then would be a representation from the Federal Government in both counties. Owing to the fact that the Liberal government was defeated in that election this place never matured and as a result of the strenuous campaign Mr. Reid only lived to attend two sessions after the election.

Mr. Reid was the representative of the county, and while, we all deplore his loss the County of Restigouche is if the principle was right there, and still a party to that arrangement and the Liberal government being defeated, and could not carry it out, that same principle is right now.

As the mantle of Sir Wilfrid Laurier has fallen on W. L. McK. King as Premier of Canada, he is in duty bound to still carry out that arrangement and have the present vacancy filled by a man from Restigouche County.

We have the utmost faith in the fairness and good judgment of the Hon. McK. King, Premier and his Col-

league, Hon. B. C. Cope that they will see that these offices are evenly distributed throughout the province. The County of Restigouche with its great manufacturing industries as well as farming and fishing should not be ignored in fact the electors of our county realizing its growing importance feel that we are justly entitled to a representative of the Federal Government living in our County and the only remedy for that now is to have a Senator living in our midst and in asking that we are only asking for what is our reasonable rights.

Thanking you for space in your valuable paper

LIBERAL ELECTOR.  
H. B. Anslow, Esq.  
Editor of "Graphic"  
Campbellton, N. B.

Dear Sir—  
In the issue of "The Tribune" of June 1st an account was given of the last special meeting of the Town Council, which was called for the purpose of reconsidering the advisability of purchasing the Lagere lot opposite Central Street, in order to protect the Town from any future liability that is apt to occur on account of having two sewers through said lot.

When he quoted the Town Solicitor as stating that the town has acquired prescriptive rights for the sewers to be there, he is mistaken, the Town Solicitor never made such assertions and the party who informed him to that effect, if he is a councillor, was simply trying to get a report out that would justify him in the eyes of the public for turning down the purchase of that lot. This, in itself, is an admission on the part of this councillor that in doing so, he has not acted in the best interest of the town, as his oath of office should direct him to do.

At the second meeting that the town council held on this matter, Councillor Duncan and myself were authorized by his Worship Mayor McK. King to get legal advice from Mr. A. T. LeBlanc concerning the town's rights in this matter, which we did. This legal advice was given to us in writing over Mr. LeBlanc's signature and it said clearly that if the town had had their sewers through this land for a period of at least 20 years without any protest of any kind against same it had acquired the legal right for the sewers to be there; but should the town at any time have to enter on said land and dig sewers to have access to said sewers, it was then liable each time for damage caused by said digging. This legal advice was read before the council at the second last meeting on the subject; but there seemed to still be strong doubts in the minds of a number of the councillors. Councillor Moore went so far as to express his doubts as to the correctness of Mr. LeBlanc's advice in the matter, stating that the gentleman having expressed himself favoring the purchase of the lot and Editor Mail No 2 without swam!

Also strongly advising the construction of a subway on Central Street, that for those reasons he would like to have our own solicitor before taking any further action in the matter. Mr. Moore also added that if the Town Solicitor's advice was corroborating Mr. LeBlanc's, that he would favor the purchasing of the lot in order to protect the town from any further liability.

The Town Solicitor's legal advice was a very clear one corroborating in every way Mr. LeBlanc's. When he was asked if any protests made by the owner of the land regarding said sewers on his property would have any effect, he said that the town would acquire a prescriptive right for said sewers to be on that land only when 20 years had elapsed from the time of the last protest. He also said that the town had a legal right to buy land and could easily get legislation to sell, should it not need the land for any other purposes, then the land could be sold reserving the rights to the sewers and access to same thus protecting itself against any future liability.

The Councillors who are opposing this purchase are doing so without giving one single good reason for their attitude. The whole town is practically unanimous for a subway on Central Street. It is also unanimous or practically so in saying that it is a crime to let anyone build a brick house on any kind of a house on that lot that sooner or later we must have.

The house that is being built on that lot, is a brick one and is being placed right over those two sewers of ours. What do you think the damages should be if we had to go and tear up the owners basement and cement floor to gain access to our sewerage.

Why are those men opposed to this project is unexplainable, they will not stand up and give plausible reasons for their attitude, they simply sit there and not a word to say except "NAY." I fail to see where they can reconcile this attitude of theirs with the town's best interests.

The past councils including last year's, as well as the present one, with 90% of the ratepayers have been advocating a subway on Central Street for sometime past, and are eager to see this go through, with the exception of those who have changed their minds through some unknown cause.

We have two dangerous crossings in that particular section of our town and with the ever increasing population the need for this subway is getting more imperative every day and I cannot see anything to justify any delay.

MAID WANTED—For general housework. Apply to MRS. W. R. GILKER, Town Dufferin, St. John's, N. B. June 8-10.

WILL THE PERSON who took my pearl set necklace which was left lying on my dresser on Easter Sunday, April 16th, return same before June 16th by mail? I do not wish to report the theft to the police but will do so.

JUNE 19th, 1922. MRS. E. J. H. June 8-10.

LAUNDRESS WANTED—Laundress wanted at the Soldiers' Memorial Hospital commencing June 18th. Apply to the HURT, MISS BLISS.

LOST—Fair Tortoise Shell Glasses in case between Post Office and C.N.R. Station. Finder kindly leave at GRAPHIC OFFICE.—1 w-p.

340 MILES AN HOUR.

London.—Some of the world's fastest cars being in competition at Brooklands on Saturday, there were several thrilling races with record performances.

In the Lightning Short Handicap, E. Lee Guinness, on a 12-cylinder Sunbeam, attained a speed of nearly 140 miles an hour, and just defeated Philip H. Mason, who drove a Fiat, on the post.

In the Lightning Long Handicap, after being slowed over the half-mile at over 120 miles an hour—seven miles better than the fastest record—a French type

car hunting to the finish, and Guinness had to retire.

PROBATION.

## LOCAL ITEMS OF INTEREST

Newsp Notes of Town and Country. Gathered by Graphic Reporters.

**DEDICATION.**  
July 22nd has been decided upon as the day on which the new church at Upper Chate will be dedicated.

**NOTICE.**  
A meeting of the St. Andrew's Temperance Club will be held on Monday at 8 p.m. at the Presbyterian Church. A full attendance of members is requested.

**GRAND BAZAAR.**  
There will be a Bazaar on the Church grounds, Campbellton, on June 17th, 18th and 19th. Meals served on grounds. Proceeds in aid of church. July 5-9 w-p.

**SLIGHT FIRE.**  
A slight fire broke out Monday about 4 p.m. in the confectionary store operated by the depot which is occupied by P. S. LeBlanc. The damage was slight as the firemen responded promptly and extinguished the blaze with chemical.

**REPORT OF HOTEL DIEU HOSPITAL FOR MAY.**  
Patients admitted 104; discharges 91; deaths 6; day surgery occupied beds 87; surgical operations 57; 28 major, 21 minor; Pathological Laboratory 501; Examination X-ray Laboratory 49 examinations.

**FURS MUST BE STAMPED.**  
Chief Game Warden L. A. Gagnon is drawing attention of the public to the fact that under the existing law in the Province of New Brunswick, all persons having in their possession after June 15th new furs which are unstamped or on which royalties have not yet been paid, are liable to fine and the furs to confiscation. It is believed that there is a considerable quantity of furs in the province and the law in respect to royalties enforced.

**BASED.**  
The season's first was played Monday at O'Leary Field diam. The game was not as the Monday night like the previous ones good, lively and interesting. The score being 9 to 0. On Friday night the C. M. R. A. C. dancing Friday at McDonald Building only.

**REPORT OF HOTEL DIEU HOSPITAL FOR MAY.**

**Lift off Corns!**

Don't hurt a bit and remove corns in a few days.

With your finger! You can lift off any hard corn, soft corn, or corn between toes, and the hard skin will come from bottom of foot.

A tiny bottle of "Pomona" costs little at any drug store, apply a few drops upon the corn or skin. Instantly it starts peeling, then shortly you lift the soft, tender corn or skin right off, red and all, without one bit of pain or smart. Truly! No humbug!

**2 IN 1 Shoe Polishes**

More and Better Shines to the Box

**MURINE**

Night and Morning, Have Clean, Healthy Eyes. If they tire, use Murine. It soothes, refreshes, and keeps eyes clear. Safe for Infants or Adults. At all Drug Stores. Write for Free Eye Book. Murine Eye Remedy Co., Chicago.

**In Almost No Time It's Done!**

The shabby woodwork, the tarnished furniture, the wear-marked floors—perhaps you've tolerated them only because you imagined it would be a bothersome and expensive undertaking to renew their original elegance.

But it's a simple matter with **Sun Varnish Stain**

There's nothing to measure, nothing to mix. Just a good brush, a can of Sun Varnish Stain in mahogany, oak or whatever shade you desire, and—presto—the old, shabby worn surface takes on color, life, and beauty.

And Sun Varnish beauty is permanent. Brush it on to-day—your stain and varnish with a single stroke—and the finished job will be bone dry to-morrow.

Don't have a shabby house. Sun Varnish Stain will give permanent practical brightness to every bit of woodwork.

Our shelves are stocked with Sun Varnish Stain in a full range of colors. We are at your service in the matter of suggestions, estimates, etc. Drop in and talk things over.

**RENAULT BROS. LTD.**

Campbellton, N. B.

Made in Canada by the makers of the famous "Elephant Brand" Genuine White Lead

**CAMPBELLTON FOR SAFE MILK**

The most important factor in child welfare work, the one that every citizen should be interested in, is a Safe Milk Supply.

Milk is the food of infants and young children; it contains all the elements of a well balanced diet even for adults.

In comparison to its food value, the cost of milk is far below that of any other food:

1 quart of Milk: 3 lbs. beef, 3 lbs. fresh codfish, 2 lbs. Potatoes, 1-3 lb. cheese, 1-4 lb. butter, 1-3 lb. wheat flour and eight eggs.

1 Glass of Milk: 1 large serving of meat, 2 potatoes, 5 tablespoons cooked cereal, 3 tablespoons boiled rice, 2 slices bread, 2 eggs.

1 quart milk costs 15c—8 eggs costing 30c to 50c.

For the benefit of the child and for economy use more milk.

But—of all foodstuffs of animal origin, milk is the most difficult to obtain, handle, transport and deliver in a clean, fresh and satisfactory condition.

Dirt and bacteria have so many opportunities of getting into milk; the bacteria will increase in numbers so rapidly if milk is not kept cold or if it is too old; and these bacteria may easily produce disease and death, therefore we must have careful inspection of cattle, methods of production, conveyance and delivery to ensure clean milk and milk that has not been tampered with or robbed of its nutrients.

But even clean milk may have been contaminated with disease germs such as Tuberculosis from the cow; Diphtheria, Scarlet Fever, Septic Sore Throat from the workers; Typhoid or the Intestinal Diseases of children from polluted water used in washing utensils or improperly cleaned cans, etc.

These are some of the dangers that inspectors cannot see.

How can they be guarded against?

By Pasteurization.

What is Pasteurization?

Heating milk just sufficiently to kill off disease and other harmful germs that may have gotten into it.

Pasteurization does not change the composition of milk.

It is not a substitute for care and cleanliness.

It does not make dirty milk clean or old milk new.

But it makes MILK SAFE.

For the sake of the children, all milk supplied to towns or cities should be pasteurized and bottled under careful official supervision.

**HEALTH MESSAGE TO THE WORLD**

Take "Fruit-a-tives" And Make Yourself Well

"Fruit-a-tives" is the marvelous medicine made from fruit juices and tonics, is the most beneficial medicinal agent that has ever been given to mankind. Just as oranges, apples, figs and prunes are nature's own medicines, so "Fruit-a-tives"—made from these fruit juices—but concentrated and intensified—is the greatest Stomach and Liver Medicine, the greatest Kidney and Bladder Medicine—the greatest Blood Purifier—the greatest remedy for Headaches, Constipation, Indigestion, Nervousness and Bad Complexion—in the world.

To be well, take "Fruit-a-tives" 50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

**Do You Feel Tired After Eating?**

A tired, nervous feeling may be a sign of poison in your system which prevents proper digestion. Food turns into more poison and gas, making you nervous and weak. Simple backhorne bark, glycerine, etc., as mixed in Adlerika, expels poisons and gas from BOTH upper and lower bowel. Removes old matter you never thought was in your system which poisoned stomach and made you tired and nervous. Adlerika is EXCELLENT!

**THE FARMER'S FRIEND**

Relieves caked bag, garget, spider or infection of the teat, also thrush in horses' feet, fistula, etc. Stops bleeding at once. Removes proud flesh, soreness and swelling.

At all Dealers and Druggists. Manufactured only by DOUGLAS & CO. OF CANADA, Ont.

**TO-DAY**

In medicine, as in every other activity, the public is satisfied with nothing but the best! This explains the ever-increasing demand for Zam-Buk. Not only is this great balm the best household remedy to-day, but it is also the most economical.

Zam-Buk's superiority is due to the fact that it is all medicine, containing none of the coarse animal fats or harsh mineral drugs found in ordinary ointments. Again, the medicinal properties are so highly concentrated that they contain the maximum amount of healing, soothing and antiseptic power, so that a little of this balm goes a long way.

Another reason why Zam-Buk is most economical. It will keep indefinitely and retain to the last its strength and purity. Best for skin diseases and injuries, blood-poisoning and piles. All dealers, 50c. box.

**Zam-Buk**

Although a powerful reconstructive tonic, Tonic contains no harmful ingredients, minerals or opiates which are so often found in other medicines. It can therefore be taken by delicate children with splendid results.

**RIVER COLLISION AT NEWCASTLE**

"Canadian Squatter" Headed Up Stream Rams Morrissey Draw Bridge

The draw in the Morrissey Bridge at Newcastle was badly damaged at about 6:15 Sunday evening when the C.G.M.M. vessel "Canadian Squatter" headed up river to load coal at Burnchild's mill, rammed into it before it could be swung open.

Larry Coughlin, the draw engineer, who was having supper at his home a short distance below the bridge on the Nelson side, when the steamer's whistle sounded warning of its approach immediately hurried to open the draw. He got a drive part way gasoline engine which operates the on a passing team, but before the draw could be started and the machinery put in motion, the steamer was almost up to the bridge.

Seeing that the best did not appear to be slackening speed and realizing the danger he shouted for them to stop and managed to get the traffic gates closed, but at several minutes are required to swing the big draw around he realized it was impossible to do so before the boat would be upon him so he ran out on the main part of the bridge and had just reached a point of safety when the immense steamer rammed the draw with such force that it lifted the heavy steel structure several feet in the air, clear of the turntable on which it revolves, and swung it around to an angle of about forty-five degrees.

The pilot aboard the boat realizing the danger too late, ordered the big anchor to be dropped but before the headway of the steamer could be checked it smashed bow on into the bridge.

The vessel suffered practically no damage and dropped down stream a short distance and anchored.

The entire draw of the bridge is listed quite noticeably to the west.

I. G. Fowler, Attorney-General, and his assistant, T. W. Richards, will confer today on whether they will take the case to the higher court. Close observers believe they will favor such action, although the view that Mary Coughlin may cause the State lawyers to drop the case.

In its decision yesterday, the State Supreme Court held that Mary's "short term divorce" was valid. The court, in reviewing the case, declared that the real remedy in the State divorce issue lies in legislative action.

This is the second time that an accident of this nature has taken place at Newcastle.

**Now You Can Enjoy Six Cylinders**

The Price is \$1585

But for the one obstacle of price, you would long ago have owned a Six.

Today that obstacle no longer exists for you can buy a Jewett, highest powered of all cars in its class, for \$1585 F.O.B. Windsor. Now comes your chance to buy a Six at the price of a Four.

In this new car, Paige—veteran builder of high-quality Sixes—offers you its ideal of six-cylinder power, applied to five-passenger comfort and efficiency.

The mighty Jewett motor develops a full fifty H. P. It places therefore at your command, a surplus of power beyond the requirements of almost any emergency.

And the other Jewett details are in complete harmony with the motor, each providing the simple safety factor which only an experienced builder of Sixes can intelligently apply.

In harmony of line, completeness of appointments, and refined riding qualities, the Jewett will meet your most exacting requirements.

Of course, you will want to confirm every one of these statements by a ride in this remarkable new Six. The Jewett is waiting and ready. You'll find it, we confidently predict, the kind of car you'll be proud to own.

It is sold and served by Paige Dealers everywhere.

Mott, Mrs. H. B. Anslow, Misses Nan Corbet, Hazel Mowat, Harriet McDonald, T. Murray, M. Adams, Freda Davison, Mary Graham and Jeanetta Duncan.

Mrs. Wm. Gordon Mott, formerly Miss Dorothy Duncan held her post-nuptial reception Friday afternoon at the residence of her mother-in-law, Mrs. Geo. G. McKennie who received with her.

The bride wore a beautiful gown of blue canton crepe heavily embroidered with beads and crystal, her corsage bouquet being American Beauty roses. Mrs. McKennie was in canna and Black crepe, wearing violets.

The rooms were profusely decorated with apple blossoms, violets and potted plants. The color scheme in the dining-room consisted of yellow carnations, yellow shades and candles. Mrs.

Joseph Duncan and Mrs. Lingley poured from four to five. Mrs. A. McD. McDonald and Mrs. Hugh Carr from five to six. The young ladies assisting were Miss Helen Crockett, Miss Freda Davison and Miss Harriet McDonald. Miss Irene Murray ushered, Miss Margaret Moffat replenished and Miss Lois Lingley attended the door.

## OBITUARY.

Mrs. Mary Isaac.  
Mrs. Mary Isaac died May 30th at her home after a short illness of a few months. She was the widow of the late I. Isaacs of Ste. Anne de Restigouche and a prominent merchant of this place. She is survived by six daughters Mrs. T. R. Anderson of Campbellton, Mrs. S. P. Johnson and Mrs. G. A. McLean, of Restigouche, Margaret, Martha, Rebecca and two sons Joseph and Frank at home.

The funeral was held Thursday at 9 a.m. at St. Anne's Church, Requiem high mass was celebrated by Reverend Father Pacificque.

The pall-bearers were: Messrs. T. R. Anderson, G. A. McLean, Jos. E. Olschamp, James Geddon, Edward Martin and Alfred Pelchat.

One precious to our hearts has gone; The voice we loved is stilled, The place made vacant in our home Can never more be filled.

Our Father in his wisdom called, The boon his love had given And though on earth the body lies The soul is safe in heaven.

The family wishes to thank relatives and friends for the kindness shown to them in their sad bereavement.

Peter Campbell.

In the death of Peter Campbell which took place at Escuminac, P. Q. on May 14th, 1922, a notable man has been removed from our midst.

Born in the west end of Escuminac then known as the Aboynie Settlement on Nov. 20th, 1840. Mr. Campbell was eighty-one years of age, a Scotchman by descent he was the embodiment of the Scotch both physically and spiritually, a man of more than the average intellect and talent brought up on a farm he built himself a shop where he spent most of his spare time working with wood and iron and in later years he was master of two trades blacksmith and joiner.

About the year 1890 Mr. Campbell sold his small farm and bought another one from James Pike where he put up a fine set of buildings and made other improvements in clearing of land and wire fencing. He still continued to work in his shop and often times would leave his work in the field to oblige some customer. At this he made very little money as he was too generous which showed his Christian spirit. He honored his bible and respected the Sabbath day.

Mr. Campbell leaves a wife, five daughters and three sons. His funeral was largely attended.

## IN MEMORIAM.

In loving memory of Robert J. A. Ward who passed away on June 11th, 1920.

Just two years ago today Since our darling went away To live in that blessed home above Where there's no night But always day.

It was hard to part with him One we loved and miss so much But Thy will be done on earth As it is in heaven above.

Gone but not forgotten.

Inserted by MOTHER AND FAMILY

## IN MEMORIAM.

In fond and loving memory of our dear son and brother Chas. Ward, who died June 6th, 1920.

How great a change, all freed from earthly pain, To hear the harp of heaven sweetly

you will gain, With God's great glory shining over all; To leave the lights of earth so faint and dim, And find the Master as you pictured him.

Gone but not forgotten.

Inserted by MOTHER AND SISTERS
