PREFACE.

In presenting to the public our third edition of the County of Perth and the first City of Stratford Directory we desire to state that the object which we trust has been attained is to provide a work which will prove useful to all classes of the community and that every means in our power has been used to make it complete, full and reliable. The addition of the farmers sons (of age) will particularly prove useful.

PERTH COUNTY

The County is bounded on the north by the county of Wellington, on the south by the counties of Middlesex and Oxford, on the east by the counties of Wellington and Waterloo, and on the west by the County of Huron. It consists of the townships of Blanshard, Downie, Ellice, Elma, Fullarton, Hibbert, Logan, Mornington, North Easthope, South Easthope, Wallace, the towns of Listowel, Mitchell, St. Marys and the City of Stratford, (the capital), and the incorporated village of Milverton. The county is intersected by the main line of the Grand Trunk and the Buffalo and Lake Huron Division, the Georgian Bay and Lake Erie Division which enters the county at Tavistock and runs north to Palmerston, and the Southern extension of the Wellington, Grey and Bruce, running through a portion of the north part of the County. The County return two members for the Dominion Parliament and two for the Legislative Assembly. The County is well watered by the rivers Avon and Thames, besides numerous small streams, some of which affords ample water power for mills and factories. The soil is rich and fertile, the surface generally level, and the farms well improved. The great swamp encroaches on the townships of Logan and Ellice. In this swamp the rivers Maitland, Saugeen, Thames, Bayfield and Grand take their rise. The timber is beech, maple, elm, pine, basswood, hemlock, etc. The area of the County is 486,728 acres, or 628 square miles. The population is about 55,000.

SHAKESPEARE, ONT.

CITY OF STRATFORD.

The "Classic City" is situated on the River Avon, at the angles of the townships of Downie, Ellice, North and South Easthope, being the capital County of Perth, and is the centre of one of the most fertile and thickly settled counties of Ontario. It is the most important railroad centre west of Toronto; the main line of the Grand Trunk, the Buffalo and Detroit, Georgian Bay & Lake Erie and the Sarnia and Lake Huron division all meet at this point, thus affording the most complete communications with all parts of the Province. The City only being incorporated this year is the youngest city of Ontario. The public buildings are very costly and handsome, a New Post office has recently been built, and a new Court House is in course of erection

The City Hall, Collegiate Institute, Central School, Ward schools, Separate schools, Convent of the Ladies' of Loretto, and the churches are a credit to the "Classic City." The business streets are lined with handsome stores, and there are numerous elegant private residences. The Grand Trunk Railway have their repair shops located here employing 500 men, the pay roll averaging \$1,000 per day. The City is well supplied by gas and water works. Distant from London 89, Goderick 45, Hamilton 61, Sarnia, 80, Toronto 88, Buffalo 115, Detroit 143, and Montreal 421 miles. Population about 9000.

CITY COUNCIL, 1885,

Wm Gordon, Mayor; John Brown, John Vanstone, H T Butler, C J Macgregor, David Scrimgeour, A J McPherson, George Larkworthy, J M Moran, M F Goodwin, Wm Lupton, Henry Baker, Hugh McLarty, W H Tretheway, and John O'Donoghue, Alderman.
